Six CHS Poets Have Work Accepted For National Anthology Printing

In the fall of 1950 several envelopes left C. H. S. addressed to the National High School Poetry Association bearing the poem of six aspiring writers.

Principals Are Named For King Lobo XIX Event

In keeping with an old and treasured tradition, classes at Cisco High School have chosen their representatives for the Coronation of King Lobo XIX on February 18.

Five Princesses were chosen from the Senior class, from which his Majesty King Lobo XIX will be elected. The Princesses and their Princes are: Don Watts and Bobby Reynolds; David Pippen and Carlene Pence; J. C. Suggs and Betty Gallagher; Hub Harwell and Darlene Parmer; Joe Stamey and Jane Huestis.

In each of the other classes, a Duke was chosen; he in turn chose a girl to be his Duchess. The Dukes and Duchesses are: Junior Class, Hughes McCrary and Mary McCrea, Sophomore Class, Jimmy Webb and Allene Clark; Freshman Class, Jimmy Reynolds and Flora Jean Fletcher.

Groups Named To Plan Coronation

Hughes McCrary, Junior Class president, appointed six committees for helping plan the Coronation of King and Queen Lobo XIX on February 18.

Allen Thomas, Mary McCrea, and Geneva Birt are on the steering committee, which will see that all other committees will do their work. Janet Ferguson, Mary Nell Whitten, and Barbara Schaefer were appointed to be on the program committee.

The publicity committee is made up of Pat Agnew, Van Callaway, and Gene Voss. The decoration committee, to see that the stage and throne are decorated, are Imogene Gautney, Wylenee Bink, Jo Anna Blackwell and Mary Hill, Norman Barton, Bobby Cleveland, and Gene Voss are on the painting committee, but everyone is invited to help.

The construction committee is headed by Jimmy George with the help of everyone. Miss Wink, Mrs. Hazlewood and Mr. Young are to be the overseers for every committee.

Annual Lobo Band Banquet Planned

The Annual Lobo Band Banquet will be held in the Victor dining room at 6:30 p. m. Saturday.

All members of the senior band and their guests are eligible to attend.

A girls' trio from Hardin-Simmons University under the direction of Eull Porter, choral director will be heard at the banquet.

A dance in honor of the band will be sponsored by the Cisco Country Club and will be held in the club house starting at 8 o'clock. All high school and senior college students are invited to attend the dance.

Three Girls Given Nomination Honors

Three girls nominated by the senior class for the D. A. R. Best Citizen Award, with a thirteen vote for all three, are: Jane Reynolds, Patsy King, and Carlene Pence. These girls were nominated for this honor by secret ballot on the qualifications of scholarship, leadership, dependability, community service, and patriotism.

Sophomore Student Breaks Shoulder

Warren McMurrey, Sophomore, slipped on the school ground last Monday noon, while playing touch ball, and broke his left shoulder.

Warren was back in School Wednesday, with his shoulder in a cast, after receiving treatment at Graham Hospital.

HOW MANY FIRES would you say the Cisco Volunteer Department extinguished during 1950? The department answered a total of 257 alarms. Of this number, 219 were grass fires and 38 were general alarm fires. And this does not include the grass burned by firemen for those who requested it.

OUR SCOUTS OUT at the Hydrocarbon Plant, which was taken over by Lone Star Gas Company some time back, report that the water problem will soon be solved. They are laying a 4-inch pipe line from there to Lone Star's Pueblo plant, which has a direct line to Lake Cisco.

Also hear that Lone Star is planning to build three cottages at the hydrocarbon plant to house their superintendent and other key officials.

WERE KIND OF amused the other day when a T & P freight train parked their engine in front of the depot and walked over to the hotel for coffee. They had to wait on an incoming train so they utilized the time for refreshments.

THERE WILL be big doings at the Community Gym tonight. Coach Paul Mosley's boxers will tangle with fighters from surrounding towns. Some 12 bouts are on the program. They have a new ring and an interesting evening is promised one and all.

Understand the Junior High Girls team will sport their new uniforms when they play a game at the gym Saturday night.

MR. ZAN BURROUGHS, the peanut man, has been checking up to see if something can't be done to bring rain. And the best advice he has had was from a farmer friend who suggested that we end the current dry spell and begin another. In other words, end the dry spell without rain and begin a new one with the hope that it won't last long.

Abilene Quartet Entertains Rotary Club Thursday

The Freshman quartet of Hardin-Simmons University sang for Rotarians at their Thursday noon luncheon at the Victor Hotel dining room at noon Thursday. The program was arranged by Charles Graham who was chairman for the meeting.

Rotarian Graham introduced Bill Ledbetter, secretary-treasurer of Hardin-Simmons University, who then introduced members of the quartet. The singers were Billy Woods, John Burgess, Ronnie Bates and Norman Woods.

They sang "Moanin' Lord," "I Had A Dream Dear," "Winter Song," "Dry Bones," "Pardon Our Puns" and "I'll Be Ready When He Comes."

Visitors at the luncheon were E. R. McKinley, Boss Manufacturing Company official from Nebraska, W. S. Spangler, acting general superintendent of the Humble Pipeline Company of Houston, George Irvine of Cisco and Rotarians Gene McDaniel, Curtis Head and H. E. Strickland of Abilene.

New Plymouth On Display Saturday

The 1951 Plymouth, featuring improvements in driving and riding ease, will go on display here Saturday at the L. & L. Motors, Inc., 1201 Avenue D, and Gurney Motor Company, 105 West 9th Street.

The new Plymouth combines smart new body lines with unprecedented interior luxury. Designers have given the Plymouth a striking new silhouette, and refinements in the interior are innovations in the lowest price field, the manufacturer reported. Easier to drive and more comfortable, the new cars have greater beauty, more safety features and broader ranges of vision than ever before.

Engineers say the new "Safety-Flow ride" takes the bounce and wallop out of bumps. The shock absorbers utilize a new application of hydraulic flow to soften bumps on rough roads.

The new car has numerous mechanical improvements. Windshield wipers are electrically operated. A unique pressure-vent radiator cap permits the cooling

system to be operated at atmospheric pressure. Engines have built-in-by-pass cooling systems. The generator output has been increased. The hand brake control handle is more accessible, along with other improvements.

There are nine body-types in the new Plymouth line. Both local dealers have invited the general public to see the new models at their respective agencies Saturday. L. & L. Motors sells Desoto and Plymouth, and Gurney Motor Co. sells Chrysler and Plymouth cars.

3 Wells Enter Final Stage To Highlight Area Drilling

Three Cisco area oil wells were in the completion stage today in the Reynolds lease.

In Calahan County, the third recent Ellenberger discovery well has been completed. It is the third recent Ellenberger discovery well has been completed. It is the Chapman Oil Co. and H. L. Wadsworth No. 1 Mrs. E. C. Harwell, located one mile south of Putnam.

The well flowed 103.3 barrels of 42 gravity oil in a three hour potential test from an open hole section at 4,116-19 feet. Flow was through a half inch choke with 365 pounds flowing pressure on the tubing and 230 pounds on the casing. Pipe was set to 4,111 feet. The Chapman Oil Company is a Cisco concern.

The new Ellenberger line discovery prospect four and a half miles southeast of Cisco, the Oil Associates, Inc., No. 1 J. R. Bacon, was swabbing at noon after drilling the cement plug and cleaning out.

Some oil was coming out with the water and mud. Operators hoped to have the well flowing by late in the afternoon.

In the Nimrod area south of Cisco, the Fred M. Manning No. 1 M. E. Louderdale, a deep wildcat test, was setting pipe in the Ellenberger line at about 4,000 feet. Completion work will begin after the cement sets for 72 hours.

According to reports, several completion possibilities were seen for the well. Some 15 drill stem tests were run during drilling operations.

In the Bankline-Owens pool, five miles northeast of Cisco, the Cooper and Hemphill No. 3 Carlisle, offset to flush production, drilled into the Lake sand at 3,377 feet early today. A drill stem test was to be run about 5 p. m.

Nearby, the J. P. Lohan et al No. 1 L. N. Hart et al, north-west outpost to production in the field, was drilling at about 1,800 feet, according to reports here.

Bankline Oil Company's No. 4 J. H. Reynolds has set 235 feet of surface pipe and was drilling ahead today. It offsets production

all committee chairmen. Other features will include a special program being planned at the high school and possibly a dance. Details of these projects will be announced soon.

The post made preliminary plans to hold a banquet on Washington's Birthday, Feb. 22, to honor city and school officials. Details of this event will be worked out by committees for announcement soon.

Other business matters came before the post.

'42' TOURNAY PLANNED

There will be a "42" tournament at the American Legion Hall at 7:30 p. m. Saturday under the auspices of the Legion Auxiliary. Mrs. Gorum Pollard, president, reported today. A Christmas cake auction also is planned. The public was invited. Admission charges will be 25 cents.

MARCH OF DIMES CAMPAIGN TO BE SPONSORED BY LEGION POST

The John William Butts Post No. 123 of the American Legion voted Thursday night to sponsor the 1951 March of Dimes drive for the Cisco area. The post decided to undertake the campaign on invitation of County Chairman Stanley Webb.

The drive will be conducted from January 15 through Jan. 31. A. R. Collier has been appointed by Mr. Webb to be the Cisco chairman, and the Legion post will work under his direction.

Charles Coter was named Chairman for the Legion committee. Mr. Coter and H. V. Kirby will distribute miniature iron lungs throughout the business district Saturday. The lungs will be used for donations.

A "mile of dimes" project will be in charge of Fleming Waters. Mrs. Gorum Pollard will be in charge of the drive in the city schools. Supplies were issued to

WRANGLERS SCORE 61-58 WIN OVER RANGER IN CAGE GAME

The Cisco Junior College Wranglers put on the steam in the closing minutes of their first conference cage game of the season against the Ranger Junior College Rangers at the local gym Thursday night and took a three point 61-58 contest from the visitors.

The Wranglers overcame a 32-28 deficit at half-time to chalk up the conference win. At one point during the last half they were trailing by seven points. Fast work by Bobby John Huffmyer, Doc Rainey and Bobby Travis and the accurate shooting of Gunn and Huffmyer put the Wranglers out in front with some three minutes to play. The Wranglers froze the ball most of the remainder of the game and held on to the lead.

Polio Incidence Set New Record For Texas In '50

AUSTIN, Jan. 11.—Texas wound up 1950 by setting a grim new record in polio incidence—2778 cases for the year.

Never before in state history have so many cases been reported during a 12-month period. Eight cases occurred during the last week in December.

That in itself is significant, for not a single week passed that didn't see at least one case of the so-called hot weather disease being diagnosed in some part of the State.

The total 1949 incidence of the dread disease reached 2355 cases, establishing a record up to that time. But there were 52 weeks in 1949 instead of the normal 52, and that figure includes cases occurring all 53 weeks.

Two hundred and 3 counties out of the state's 254 were involved in the 1949 outbreak. That's comparable to the 201 counties which experienced polio in 1950.

The counties of Coleman, Harris, Jefferson, McCulloch, Tarrant, and Tom Green each reported a single case of polio the last week of the year. A Veterans Administration hospital had one case as the year ended, bring the total for the week to 8 from all sources.

The disease reached its peak on August 12, when 131 Texans fell ill. That marked the greatest single weekly incidence ever to be reported.

At that time State Health Officer George W. Cox ruefully predicted that 3000 cases would be diagnosed before the year ended. He missed his estimate by 222.

Twenty-eight counties had 20 or more cases; ten had more than 50 cases; six had more than 100 cases; and three counties—Dallas, Harris, and Tarrant — had more than 200 cases each. Those three areas represent the most populous regions in Texas.

Early in the polio season, Dr. Cox pledged the facilities of the entire State Department of Health to local communities in combating polio. The health agency's laboratory and field personnel, working in cooperation with civic organizations and local health units, were credited with keeping the epidemic from reaching even greater proportions.

State health department death records show 201 polio deaths through the first 11 months of 1950, and 192 deaths from that cause during all of 1949. Complete death figures are not available for December, a department spokesman said.

The program will begin each Wednesday at 6:30 p. m. with a covered dish dinner. Prayer and study will follow at 7 p. m. Other activities will take place at 7:30 p. m., including choir practice and group meetings, with directed recreational activities for those who do not participate in the 7:30 meetings. The schedule of foods will be listed in the 7:30 meetings. The schedule of foods will be listed in the church bulletin Sunday and in this newspaper next Tuesday.

The pastor will speak on the subject, "Overcoming Fear with Faith" at 10:50 a. m. Sunday. His evening sermon at 7 p. m. will be "The Task Ahead." The choir will provide its usual program of excellent special music in both services.

"In my opinion, there is no justification for the jitters that seem to possess everyone and we are playing into the hand of the enemy when we succumb to war nerves," Mr. Lightfoot said. "In the Christian religion there are resources to establish our faith and keep our feet on solid ground."

Coach Killingsworth will probably start Sue Harrelson, Barara McCorkle and Donnie Johnson at forwards post and Cindy Gallagher, Kathryn Edwards and Wanda Hock at guard positions. Others to see action will be Norma Schaefer, Louella Downie, Vernelle Carey, Carolyn Birt, Shirley Miller, Jane McCauley, Sandra Duff, Nixie Gregory and Jerry Turner.

Coach Sledge will start his regular line-up with the possible exception of Bill Miller who is suffering from a knee injury.

Midweek Program Is Planned For Local Methodists

During the winter months, the First Methodist Church will channel most of the week-day activities through a Church Night Program each Wednesday. It was announced today by Rev. E. H. Lightfoot, pastor.

The program will begin each Wednesday at 6:30 p. m. with a covered dish dinner. Prayer and study will follow at 7 p. m. Other activities will take place at 7:30 p. m., including choir practice and group meetings, with directed recreational activities for those who do not participate in the 7:30 meetings. The schedule of foods will be listed in the 7:30 meetings. The schedule of foods will be listed in the church bulletin Sunday and in this newspaper next Tuesday.

Midget Teams To Play Olden Here

The Cisco Junior High School Midgets coached by Bill Sledge and the junior high girls team coached by Roy Killingsworth will play teams from Olden Junior High School at the local gym Saturday night, it was announced Friday. The first game has been scheduled for 7 p. m.

For the local junior high girls it will be a coming out party. The new uniforms have arrived and will be worn for the first time on the local court in the Saturday night game. The new uniforms are black with gold trim. They will be issued to the girls at the close of school Friday in time for a practice game in Putnam Friday night.

Coach Killingsworth will probably start Sue Harrelson, Barara McCorkle and Donnie Johnson at forwards post and Cindy Gallagher, Kathryn Edwards and Wanda Hock at guard positions. Others to see action will be Norma Schaefer, Louella Downie, Vernelle Carey, Carolyn Birt, Shirley Miller, Jane McCauley, Sandra Duff, Nixie Gregory and Jerry Turner.

Coach Sledge will start his regular line-up with the possible exception of Bill Miller who is suffering from a knee injury.

CLUB WILL MEET

A work meeting of the Lake Cisco Home Demonstration Club will be held Monday afternoon, January 15, in the home of Mrs. D. Ball. Mrs. A. T. Gorr, club reporter, has announced that the County Demonstrator will be present and has urged members to attend.

The 1951 Psalm

by BARBARA ANDERSON

Miss Latch is my Shepherd, I am in want.

She maketh me sit down to my journalism; she leadeth me beside the busy presses.

She disturbeth my peace of

mind, she leadeth me in the paths of Mr. Birt's office for new's sake.

Yea, through I walk through the valley of the shadow of scoldings, I fear no harm for she is with me, her red pencil and grade book confront me.

She prepareth a reduction of

my grades in the presence of my friends.

She ruineth my stories with red marks; my report card suffers.

Surely books and teachers shall follow me all the days of my life and I shall dwell in a school house forever.

Daughter Agrees That "Mother Knows Best"

Folks in the city and in the country often disagree on many things but they all nod their heads in agreement when they hear the familiar quotation, "Mother knows best." Mothers seem to have a way of knowing what is best for their sons and daughters. For example, Mrs. R. H. Holder, 221 Columbus, Montgomery, Alabama, certainly agrees with this, for one time Mrs. Holder was nervous and run-down—she felt miserable. Her mother recommended that she take HADACOL and now Mrs. Holder says, "Today I feel wonderful, just wonderful, and I owe it to HADACOL." Mrs. Holder was suffering a deficiency of Vitamins B1, B2, Niacin and Iron, which HADACOL contains.

Mrs. Holder says: "I was nervous and run-down and I had lost weight and had no appetite—food just didn't interest me. I had aches and pains. I felt miserable. My mother started taking HADACOL and it did her so much good that I decided to give it a try. After the first bottle I noticed an improvement. After the second bottle I felt better. I have now taken 6 bottles and feel grand. I am no longer nervous or run-down. I have loads of energy. I have a big appetite and have regained the weight I had lost. No more aches or pains, either. Today I feel wonderful, just wonderful, and I owe it to HADACOL, for it has done so much for me. I just can't praise it enough."

EDITORIALS How about a school anthology? Don't be surprised that you didn't think of it before because the idea just hit us too. Through the co-operation of the English, Journalism, and Library departments, it appears that we were going to have one. Everyone we have talked to seemed most enthusiastic about it.

As matters now stand, journalism students get the only real stimulus toward creative writing. Obviously, the journalism class does not embrace all the literary genius of the school, so it stands to reason that the rest of the students and especially the English students should be given some incentive toward writing.

All the details haven't been worked out yet, but our plan is something like this: any student in Cisco High School may submit any original writing, poems, essays, short stories, one act plays, news stories, feature articles, columns, letters. These will be impartially judged by a board of students and teachers, and all accepted material will be bound in a volume and placed in the library for everyone's benefit.

As long as good materials keeps pouring in (and we dream that it will) there will be no limit to the number accepted. Everyone must have an equal chance, so freshmen would not have to compete with seniors. The classification of the student would be taken into consideration.

Don't be afraid to hand in your work, because the standards of the judges will not be so high as to embarrass you. Our school has a wealth of undiscovered talent, so let's gather our masterpieces. All the details will be published next week. Get behind this project and offer your suggestions to your English or journalism teacher.

Did you know that two of Cisco's graduates are practicing law in Cisco. Fleming Waters and Billy Wright.

West Ward

The Lords and Ladies for the coronation of King and Queen Lobo from West Ward have been chosen. The Lords and Ladies from each room are as follows: Billy Jack Midkiff and Dona Byrd from Mrs. Frank Leach's room.

Ross Don Odell and Susan Rhodes from Mrs. Jack Leach's room. Danny Tipton and Jane Christopher from Mrs. Clements' room.

Lee Edwards and Judith Ann Sifton from Mrs. Grantham's room.

Larry Dan Johnson and Ellen Ann McGower from Mrs. Williams' room. Kenneth Campbell and Evelyn Bint from Miss Donaway's room.

Ralph Clary and Rhoda Conlter from Mrs. Turner's room.

Thomas Morehart and Dixie Jean Wagon from Mrs. McAfee's room.

John Hammett and Earlene Waters from Mrs. McCanlies' room.

Leon Johnson and Janice Hailey from Mrs. Laws' room.

Johnny Choate and Carolyn Christopher from Mrs. Hallmark's room.

James Kennedy and Lorelei Linsey from Mrs. Canifield's room.

Jimmie Lewallen and Ann Evetts from Mrs. Pollard's room.

Larry Sledge and Glendall Gilbert from Mr. Midkiff's room.

The lunchroom served an average of 282 meals daily during December. That means that only about 150 students brought their lunches or went home for lunch.

The lunchroom is sponsoring a program at the High School auditorium on January 15 in order to raise money for improvements. This program will feature the cast of the Early Birds Radio program.

Mrs. Grantham spent two days in Brownwood last week at the bedside of her father, who was very ill.

Work has been completed on the new lighting system for West Ward. There are now four ceiling lights in each room, making an equal distribution of light possible. They are a great improvement over the old system, which had only one central ceiling light.

Other repairs include the installation of a new hot water heater and also the repair of the outside doors. Seven new students have enrolled in West Ward since the

Paul Exline has been absent due to a car mishap on East 6th in which he broke his leg. He is home now from the hospital and his room is to send him a collection of food or anything else that the children bring. In behalf of the class Mrs. Killingsworth and Mrs. Peters wish Paul a quick recovery.

Glenda Calloway dropped to enroll in Abilene. She is in the 3rd grade.

Lora Mae Bowette, a 1st grader, re-entered from O'Brien.

Out of the 66 East Warders, an average of over 50 has been eating in the lunch room.

Terry Dale Gosnell has been out with the Chickenpox.

beginning of the New Year. They are: Avis Weed from Florence, Arizona, third grade; Anita Jones from Ft. Supply, Oklahoma, third grade; Michael McCanlies from Moran, first grade; Juan Bunal from Arkansas, first grade; Juanita Bernal from La Villa, Texas, fifth grade; and Coy Livingston from Carbon, sixth grade.

Three students have transferred to other schools. They are: Johnny Miller to Abilene, Jerry Joan Gholston to Haskell, and Ann Evetts to Luedes.

INTRODUCIN THE SENIORS . . .

MAJUAN JOHNSON - Majuan moved from Cisco to Williams Texas in 1946 where she was later salutatorian of Junior High school. She was majorette and in the coronation her Freshman year, and class president her Sophomore and Junior years. She entered in the Interscholastic League in 1948 in Declaration, and played on the girls basketball team in 1949 and 1950.

Majuan, seventeen years old, moved back to Cisco in September. She is a member of the Speech club, a capella choir, and is secretary of the F. H. A. chapter.

Majuan hasn't any definite plans for the future, but unless someone changes her mind she will go into nurse training.

PAT AGNEW - Pat is sixteen years old and will be a three year graduate this spring.

She has been officer of the Home Economics all three years in high school and is a member of the speech club, the band, and writes the "dirt" column for the Lobo Lair.

Pat is going to C. J. C. next year and then to Baylor where she plans to major in Speech and minor in Journalism.

BARBARA ANDERSON - Barbara is 17 years old, and was a member of the Science club, Biology club, Allied youth, and Texas History club, Page in coronation of King Lobo, XV, and color guard in the band her Sophomore and Junior years. Barbara is now a member of the Speech and Press clubs.

As soon as Barbara graduates, she plans to attend college to major in Journalism. She is undecided what college she will attend.

PATSY GARDENHIRE - Patsy has been a member of the band for two years, she was on the basketball team her sophomore year, in the Science club her Freshman year, and has been a member of the home economics chapter for four years.

Patsy plans to go to Hardin-Simmons after graduation and desires to be a member of the cowboy band. She will major in Elementary Education.

J. C. SUGGS - J. C. has played 4 years on the basketball team he is a member of the Allied youth, is a student council representative, the Senior class president, and a nominee for King Lobo.

J. C. hasn't decided on his major as yet. He plans to go to McMurry.

EX-ITS

An unconfirmed report has come that Ronald Smith, son of Mr. and Mrs. L. S. Smith, is missing in Korea.

Mr. Quincy Lee, a graduate of Cisco High School in 1929, was killed in a car wreck last week. The accident occurred near Farmington, New Mexico.

Mrs. Frank Laux, daughter of Mr. and Mrs. I. J. Pence, Route 1, Cisco, of Indianapolis, Indiana, was home for the Christmas holidays. She was accompanied on the train by her husband and two year old daughter, Sheron Kay. She is the former Lavada Pence who graduated from high school in 1941.

Many probably wonder what has happened to some of their old school mates. Patsy Jones, Peggy Carey, Gerald Davis, Bitsy Miss, and Lela Fay Lovell are now attending school in Eastland. They were sent there by the new state law for redistricting.

Menu For Week

Monday - Roast, gravy, mashed potatoes, cream salad, bread, dessert, milk or tea

Tuesday - Meat balls, spaghetti, corn, salad, bread, dessert, milk or tea.

Wednesday - Beans, french fried potatoes, spinach, corn, bread, dessert, milk.

Thursday - Braised weiners, potato salad, green beans, hot rolls and butter, dessert, milk.

Friday - Sandwiches, fritos, olives, tomatoes, lettuce, dessert, milk or tea.

Future Homemakers Entertain School Officials With Dinner

The third year class of Home-making, sponsored by Mrs. R. E. Bradshaw, entertained the school board and school administrators and their wives with a dinner in the Cisco High School Home-making Department Monday night, January 8. Travis Kurklin acted as the host; MaJuan Johnson was hostess. Louise Wilson and LeNelle Hale were co-kitchen chairmen.

A menu of rolled roast, gravy, mashed potatoes, buttered carrots, English peas with pimentos, pear salad, hot rolls and butter, and coconut pie was served to all present. The table had an arrangement of yellow mums and white candles.

Those attending were Messrs. and Mesdames Arlin Bint, M. D. Conger, O. L. Stamey, G. R. Nance, Norman Huston, Ronald Rhodes, Travis Palmer, Paul Woods, Wesley Smith, and Mr. Clyde Karkalits.

Students present from the homemaking class were Patsy Denton, Benny Hagan, LaNelle Hale, Travis Kurklin, Iva Lee Lassister, Jim Roy Lurch, Doris Speegle, Louise Wilson, MaJuan Johnson and Virginia Sparks.

Big plans are being made for the Band's annual banquet tomorrow night. It's supposed to be quite a spruce affair.

Benny: "Mr. Woods, I got arithmetic bugs."

Mr. Woods: "Arithmetic bugs?"

Benny: "Yea, they add to my misery subtract from my pleasure, divide my attention and multiply like heck."

Barbara S. was with an old flame Saturday night.

The Loboes are doing quite well this year, we are proud of the Lobo Queens for their progress in basketball.

FADS and FASHIONS The College boys got their jackets a few weeks ago, the Senior Loboes got their last week. Therefore the girls are going mad over jackets.

Camel hair sweaters are quite popular with the teenage girl. C. H. S. boys seem to go for big cowboy hats just like Roy Rogers don't they Dock?

Striped overalls are strictly for dress. They look especially nice with plaid shirts.

Gownless evening straps are the latest for formal occasions.

The world was supposed to have ended last Tuesday, but seems as if we're all here.

Who will be King Lobo XIX??

Miss Winston: "Define faculty."

Louise: "It's a group of teachers hired to HELP THE SENIORS RUN THE SCHOOL."

All is so wonderful and so great, But wait till you hear of our sad fate. We're taking exams one week from today. We don't like Gilmer - Aiken that's all we can say.

Talkin' Sports . . .

At long last the senior football jackets are here. They are reversible with grey on the outside and black and gold on the inside. In my opinion they are the prettiest jackets I have ever seen. The other jackets are expected in a few days. They will follow the traditional black and gold scheme.

All that missed the triple-header cage tilt at the gym Monday night are probably very sorry.

Three of the best ball games I have seen played. Hardin Simmons Freshmen beat Cisco Junction College 64-54. Ranger girls' team won over Cisco High Girls' team by a score of 26-16, and Ranger High's boys squad beat Cisco's boys' squad 45-42. In the boy's game Cisco was ahead most of the game. Most of Ranger's points were made in long shots. There was a Cisco routing section at the game composed of several band members and their instruments. Although the button changed hands between Geneva Bint, Jimmy Webb, and Joe Don Conger during the first two games; we finally decided that Geneva was leading the group. Lets have more rooting at the ball games!

At the Scranton tournament the other day Joan Brown and Delores Johnson made the all-tournament teams. David Phippen received the good sportsmanship award.

Incidentally all of you who have not seen either of these three teams play come out - You will get your money's worth. The college is coached by Scot Russell, Cisco High's girls by Margie Gafford, and Cisco High by the team by Buck Overall.

The Bible . . . AND ARITHMETIC. Illustration of an open Bible with mathematical problems like 14x93, 7x+3y=28, 7/144, 60 degrees, and 7/492. Text: 'Remember how hard arithmetic seemed when we tried to learn it from our textbooks? Then the teacher would put a few examples on the blackboard - and suddenly it wasn't hard at all. Some people think the Bible is a difficult book to understand. But it's just like that arithmetic. . . . When you learn how to use your Bible, how to apply its truths to the problems of every-day life, then the lessons of the Bible become clear and simple. Suddenly you find it hard to realize that there was ever a day when this GREATEST OF ALL BOOKS seemed strange to you. Our churches are our best teachers of Biblical truth and its application to life. In sermon, hymn, prayer, and lesson, they attune our lives to the riches of God's Word. There's a Bible in your home. Is it in your life?' THE new Plymouth

WITH THE SPECTACULAR NEW

"Safety-Flow Ride"

NEW OUTSIDE! NEW INSIDE! INTRODUCING AN ENTIRELY NEW EXPERIENCE IN RIDING AND DRIVING EASE

With brilliant new styling inside and out, the sparkling New Plymouth is here. And with this big, beautiful car comes a wonderful new motoring experience - the sensational new "Safety-Flow Ride."

It makes no difference how chewed up or humpbacked the highway. The New Plymouth floats over the big humps and deep pits. Engineers have made a new use of hydraulics to give you stability and roadability never

before offered in any car. New shock absorbers work in harmony with shockproof steering, synchronized springing, balanced weight distribution and other Plymouth advances.

The result is a safer ride. You drive tension-free and relaxed. You never have to worry about bouncing your passengers. Your car is easy to hold straight on its course at all times. Instead of looking at the road immediately ahead, you can devote

more attention to oncoming traffic and approaching intersections.

Your Plymouth dealer welcomes the chance to arrange a demonstration. From its graceful new grille to its gleaming new rear bumper, the New Plymouth will show you quality features and luxurious appointments never before attained in the lowest-priced field. And you'll find the greatest value of all in this greatest of all Plymouths!
