THE PICTURE of the old Cisco Kid in yesterday's Press appeared to Mr. Shy Osborn. He thinks...

WE'VE ADVOCATED this for a long time. Everybody knows that the Cisco Kid is a character from O. Henry's stories, but every body loves a good joke. Let's all give this some thought.

OUR FISHING calendar says that you can't miss, and our scouts at the local lakes report a few good ones are biting. Does this help your spring fever?

OUR SCOUTS AT the golf course report that George Boyd was out for a game the other day for the first time in a couple of years. And we're informed that he set a new course record for No. 9 green. Mr. Nick Miller could probably give you the details, as he was playing with Geo.

DIRECTORS of the Cisco Country Club will meet at 5 p. m. Monday at the Chamber of Commerce to take care of a lot of business matters, President Zan Burroughs tells us. They'll plan the annual city golf tournament, the annual Cisco invitation tournament and take care of other business matters.

AND CISCO'S golfers will go over to Ranger this Sunday to take on the Ranger team in their final round of the inter-city tournament. The local team is leading the league at the moment.

Following the meeting refreshments were served to Jan Wallace, Loreli Lipsey, Shirley Fowler, Nancy Qualls, Letta Fay Keller, Paula Booth, Peggy McCormack, Rose Marie Hamilton, LaMoyné Hickson, JoAnn Edwards, Judy Graham, Margie Gautney and Carolyn James.

Troop leaders are Mrs. Charles Graham and Mrs. Jasper Qualls.

John H. Bull Is Sent To Fort Sill - CAMP CHAFFEE, Ark., March 16.—Pvt. John H. Bull of Cisco, Texas, has been transferred to the Field Artillery Replacement Training Center at Fort Sill, Oklahoma, after completing six weeks basic training with the 5th Armored Division here.

RESTING AS THEY RIDE—U. S. Marines in South Korea find they are still able to do a certain amount of bitc...hiking. The three men here managed to get a ride on a native ox-cart which, although slow, is a lot easier on a tired infantryman's over-worked feet.

Silver Star Now Part Of Combat Infantry Badge

A distinctive silver star has been added to the Combat Infantryman badge and the Medical Badge which may be worn by Army Infantrymen and Medical Corpsmen who have seen action in both World War II and the Korean fighting, the Department of the Army has announced.

The design of the badges is unchanged for a first award, won either in World War or in Korea. A silver star is added to the basic design for the second award of the badges.

The Medical Badge is of oxidized silver consisting of a stretcher placed horizontally behind a caduceus with a cross of the Geneva Convention at the junction of the wings, and enclosed by an elliptical wreath. A silver star at the top center of the wreath immediately above the cross is authorized for a second award.

The Combat Infantryman Badge is awarded to Infantry officers and enlisted men and warrant officers for satisfactory performance of duty while assigned as a member of an Infantry regiment of Infantry battalion during any period such unit was engaged in active ground combat.

The Medical Badge is awarded to Medical Department officers, warrant officers and enlisted men for satisfactory performance of medical duties while a member of the medical detachment of an Infantry regiment or Infantry battalion engaged in active ground combat.

The badges do not represent individual feats of valor, but are awarded in recognition of exemplary performance and a high degree of proficiency in tasks characteristic of the individual's type of service. They are worn above the left breast pocket of the uniform above medals or service ribbons.

The new badges will be available for distribution in the near future.

Pastor Will Speak At Wesley Church

Rev. C. A. Warden, pastor, will bring the messages at both morning and evening worship services at the Wesley Methodist Church on Sunday, it was announced today.

Sunday evening, the Youth Choir of the church will present the special music.

SUCCESS OF EASTLAND COUNTY YOUTH DAIRY PROGRAM HAILED

Eastland County's youth dairy program is a year old, and is acclaimed a success.

A year ago clubs and business of the county purchased 19 Jersey heifers and put them in the hands of deserving county boys. The gifts were made under contract that the boys show them in prominent dairy shows and return the first Jersey heifer crop to a pool.

The executive committee is proud of the corps of vocational agriculture teachers and county agents taking such interest and donating so much time to this youth program," Lane said. He said the boys had not lost a calf, and, despite the hard, dry winter, the animals were up to show shape.

The executive committee is now composed of Lane and T. D. Wheat, both of Eastland; C. R. Tyler of Rising Star; Jack McCarty, Eastland; J. D. Lauderdale, Cisco; S. H. Nance, Cisco; and G. S. Rosenthal, Cisco mayor.

The first heifers were awarded Dan Jobe, Cisco; John Joyce, Rising Star; Jimmy Webb, Cisco; Daniel Gray, Cisco; Brooks West, Rising Star; Roy Don Harris, Eastland; Joe Edd Reynolds, Gorman; J. D. Carter, Cisco; Norman Barton, Cisco; Paul Perkins, Rising Star; Joe Buckley, Hog Town; Don Webb, Eastland; Clyde Herring, Eastland; Billy Simpson, Gorman; George Chandler, Rising Star; James Guy, Carbon; Franklin Myrick, Cisco; Virgil Cozart, Cisco; and Buddy Aaron, Eastland.

The boys are 4-H Clubbers and FFA boys. — by Aubrey Skouse in Abilene Reporter-News.

SPECIAL BROTHERHOOD - A special meeting of the Brotherhood will meet at 6:30 p. m. on Monday in the basement of the First Baptist Church. All men and boys of Cisco have been invited to attend this service.

A "mystery speaker" from a neighboring city, known to the congregation as "Uncle Walt", will bring the message.

the boys on assignment which they must fulfill," Lane stated. "To achieve ownership of the heifer, the boys must earn it. By the time he gains ownership, he has grown in knowledge and in finances," he said.

At the time the program was inaugurated, the heifers were from six to 11 months old. A year later six heifers have calves, and two or more of the original sponors have come through with another Jersey to increase the pool. At the county dairy show in 1950, the 19 program Jerseys took seven blue, seven red, and four white ribbons. The 1951 heifers will be given away in the fall.

George Lane, Farmers Home Administration official at Eastland, is the new chairman of the executive board, which controls the youth dairy program.

Lane says the people of the county already see that the youth dairy program will fulfill its assignment. Calves have been placed in every community in the county, and the boys have their dairy cattle on show continually.

The county boys will have three opportunities within a month to take their Jerseys to exhibitions; the Tri-County Livestock Show between exhibitors of Eastland, Stephens, and Palo Pinto Counties in Ranger, March 23; the Eastland County Livestock Show in Cisco, March 29, and the Eastland County Dairy Show in Eastland, April 1.

Eastland County, a heavy producer of peanuts, will only get about two-thirds of its 1950 allotment for 1951 plantings. The cut reduces sharply the county's income from its cultivated lands. The city fathers "see the handwriting on the wall," Lane says, and are turning to other means of profits for its agriculture sections.

Dairying has proved suitable to the county's land, climate, and pocketbook. Getting high class dairy cattle into the county to build up sound, high productive herds was the first project forwarded by the dairy association, one of the most active organizations in the county. This is where the county leaders brought out the project of getting purebred, \$200-a-head Jersey heifers and distributing them as projects.

The idea is not new, Emmett Brown in Johnson County started the plan several years ago, and the plan never has gone over big it not only has gone over big with the county, but has proved a profitable enterprise for the promoters.

Rev. James Gives Sermon Subjects

Rev. H. Grady James, minister of the First Presbyterian Church, will speak on "The Compulsion of the Cross" at the morning worship service Sunday.

At the 7:30 p. m. service, the minister's sermon will be on the subject, "The Social Basis of Christian-World Order."

Luther Edwards Is Now At Fort Sill

CAMP CHAFFEE, ARK., Mar. 16.—Pvt. Luther D. Edwards of Cisco, Tex., has been transferred to the Field Artillery Replacement Training Center, Ft. Sill, Okla.

Private Edwards recently completed six weeks basic training with the 5th Armored Division here. He will receive specialized training at his new station to qualify him for duty with a Field Artillery unit.

He is the son of Mrs. Hattie Edwards of 811 West 5th street, Cisco.

REVIVAL MEETING BEGINS ON SUNDAY AT 1st BAPTIST CHURCH

The annual Spring revival meeting will begin Sunday morning at the First Baptist Church, church officials said today.

Rev. Ralph T. Wootton, pastor, will bring the message and Chas. W. Jones, educational director, will be in charge of the music.

Four services will be held on almost every day of the revival. At 7:15 a. m. Monday through Friday, the Intermediates and Young People of the church will meet for a breakfast service. Transportation will be provided for all so that the young people will be able to get to school in time for classes.

Every afternoon at 3:45, an organization of Junior boys and girls known as "Brother Wootton's Smile Group" will meet for special services.

At 10:00 a. m. and 7:30 p. m. every day, the main services of the revival will be held with everyone invited to attend. Prayer services will be held each evening at 7:15.

COURT JESTER—The famed carnival in the Aleman section of southern Germany is celebrating its 600th anniversary this year. This court jester, with keys of the jail, is prominent in the parades and hilarity which are costumed elaborately out of the pages of history.

"ROCKET AHEAD" with Oldsmobile Osborne Motor Company, Eastland

Mr. Porter is past president of the Texas Music Educators, and is well known in the southwest as a choral director.

All clinic sessions will be held in the college auditorium and the public is invited to attend any of these sessions. Mr. Porter will work with the junior college choir from 9 to 10:30 a. m. Then the Cisco High School choir will rehearse from 10:30 until noon.

The afternoon session will be from 1 to 3:00 p. m. All the choirs will participate in this and the Eastland High School Choir will be here. This clinic session will be used to bring the choirs into final form for the spring tours and programs.

Anyone interested in singing and especially the music teachers of the city were invited to come into the auditorium at any time and listen.

Extension Given In Navy Program

A two-week extension to prospective applicants for the Navy's Reserve Officer Candidates program, known as the "ROC" plan, has been announced by the Eighth Naval District Headquarters, New Orleans.

The old deadline of March 19 for processed applications to be received at New Orleans has been extended to April 2. The program is open to qualified male and female students now in freshman, sophomore or junior classes at accredited junior and senior colleges and universities.

A candidate must be a member of the Naval Reserve at the time of application, and spends two summer periods of Navy training, each of six weeks duration, to receive a Naval Reserve officer's commission after graduation from the college of his choice.

There is no ruling now in effect which prevents a prospective ROC applicant from joining the volunteer (inactive) Naval Reserve in a non-drill pay status to become director at New Orleans.

There is no limit or quota on the number of applications which will be accepted for consideration. Applications are accepted and processed by Inspector-Instructor of Naval Reserve Training Centers; Commanding Offices of Organized Reserve units, and of Volunteer Electric Companies. Any Naval activity can direct an interested party to the nearest of these application centers.

Project Would Let Choir Increase Size

The Cisco Community Choir will sponsor the building of a stage in the community gymnasium, it was decided at a meeting Thursday night, Director Robert Clinton reported today. The project will also include equipment for the stage.

Mr. Clinton said the choir voted to undertake the project because of the limited space in the city's churches. Equipped with a stage, the choir would be able to increase its size to 200 members and to perform for much larger audiences.

By using the community gym, the choir would be able to be a community choir in every sense of the word, Mr. Clinton said, adding that the group greatly appreciates the help and encouragement it has received from all local churches.

The choir hopes to have the stage built and ready for use for its 1951 Christmas program. Plans are in the making, Mr. Clinton said, for a 200-voice choir to sing Handel's Messiah next Christmas.

After last night's business session, the choir practiced "The Seven Last Words of Christ," which will be presented at the First Methodist Church at 3:30 p. m. Sunday. No admission charges will be made, but a free-will offering will be taken to defray the expenses of the production. All proceeds left over after expenses are paid will go into the gym stage fund.

Director Clinton has called a rehearsal for 7 p. m. Saturday to complete work on the Sunday program.

Rotarians Shown Film On Survival In Atomic Blasts

Rotarians were given an instructive lesson in what to do in case of Atomic bomb attacks at their weekly meeting at the Hotel Victor dining room at noon Thursday. A film, "Pattern For Survival," was shown through courtesy of the local fire department.

The film told how to prepare for the attacks and what to do if the bomb should be exploded in the area. Pete Clements, member of the fire department, brought the show and ran the projector. The program was arranged by Rotarian W. H. McAnally, chairman for the day, who introduced Mr. Clements.

Fireman Clements also showed members a resuscitator the department had purchased and demonstrated the manner in which the new machine operates. He described the value of the machine in saving lives. The board of directors of the club voted to give \$10 to the fire department to help purchase the resuscitator and two pieces of fire fighting equipment which the department had also ordered.

H. A. Galbreth of Abilene and Rev. J. S. Stockard of Cisco were visitors at the luncheon.

East Baptist To Set Fund Goal

All classes of the East Cisco Baptist Sunday School which have not yet set a goal for their contribution to the building fund will be asked to do so Sunday, according to Marshall Ivis, Sunday School Superintendent.

Last Sunday, the Business Men's Bible Class of the church, set \$500 as their goal. The church is seeking to raise \$2,500, by Easter Sunday. It was also announced that all contributions on that day will go to the building fund.

The money will be used to finish the exterior of the building with white stucco. All members of the East Cisco church have been urged to take part in this special offering.

Paul Stephens, pastor, will speak Sunday morning on "Decaying Building." Sunday evening, his subject will be "Naaman the Leper."

From The Seller's Point Of View — he may earnestly believe that just any kind of an abstract will do, but it makes a lot of difference to the buyer as to the kind of an abstract he gets. There is as much difference in the quality of title information as there is in people and personalities. Most attorneys try to protect their clients against the hazards of irresponsible and sub-standard abstracts, and they should. AND NEWS OF INTEREST TO WOMEN

Methodist Circle 1 Covered Dish Luncheon Wednesday

One of the Women's Society of Christian Service of the Methodist Church met Wednesday in the home of Mrs. E. H. Lightfoot for a covered dish luncheon.

After the luncheon, Mrs. Ed. Aycock conducted a short business session. Minutes of the last meeting were read and approved. A splendid report by the treasurer was given and the penny fund was collected. Plans were discussed to assist with flowers for the church on Palm Sunday.

Announcement of the new study course to begin on Tuesday, April 3, was made. Mrs. Lightfoot presented a life membership to Mrs. Aycock.

Mrs. S. H. Nance was in charge of the program, which was in keeping with the Easter season. The program opened with group singing of "The Beautiful Garden of Prayer," with Mrs. Lou Mendenhall at the piano. Mrs. Latch gave the devotional, using verses from the 8th chapter of Mark. The devotional was closed with a prayer by Mrs. Latch.

After the song, "Tools for the Beautiful," Mrs. John Spier gave a story, "Unexpected Influence."

Mrs. Nance read a poem about Easter, after which the program was concluded with the song, "Were You There?" The meeting was dismissed with prayer by Mrs. Lightfoot.

Visitors present were Mrs. Frank Aycock of Sweetwater, Mrs. S. O. Wulfgan of Colorado

WSCS Circle Two Has Meeting Tuesday At Home Of Mrs. Noland

Circle Two of the WSCS of the First Methodist Church met Tuesday, March 13, at the home of Mrs. Ona Noland. Mrs. J. T. Fields, chairman, opened the program by leading the group in repeating the Lord's Prayer.

The group sang "Happy Birthday" to Mrs. Phillip Pettit. She then read from the 12th Chapter of Hebrews, bringing a beautiful devotional on "The Mystery of Suffering."

Mrs. Sam King read a story entitled "The Romance of Saint Simon" from The Methodist Woman, and Mrs. W. M. Joyner brought an article, "Wheat for Blood," from The World Outlook. Mrs. Fields called for the reading of the minutes, which were approved. Mrs. Joyner gave the treasurer's report.

The circle's April meeting will be held on Monday, April 9, at the home of Mrs. D. P. King.

tion April 5-7.

Garden Club hostesses for the day were Mrs. E. C. McClelland and Mrs. C. M. Poage. At the next meeting on April 9 to the Delta Kappa Gamma will serve as hostess and will present a book review.

Gas Has Got It!

COMES the day when you're particularly busy, toss this recipe together to make a Skillet Dinner. Saves dishwashing, time and energy. Melt 2 tbsps. fat in skillet, add 1 cup chopped onion, 1/2 lb. ground beef. Cook until brown, about 10 mins. Add 1 cup sliced carrots, 4 ozs. wed. noodles, 1 qt. water. Cover, simmer over low flame 45 mins. Add 2 tps. Worcestershire sauce, 1 tbsps. salt, 1/2 tsp. pepper. Mix lightly. Serves 4.

Timely check: The filter on your gas furnace is bound to clog with dust from the air. About twice a year remove the filter and replace it because a clogged filter cuts heating efficiency.

A clove of garlic in olive oil, mix in 1/2 tsp. paprika, let set for five minutes, then brush over thick steak. Slide into broiler 3" from flame. Out of this world for flavor and crusty finish!

If it's washday in your house and you need plenty of hot water, don't worry about the 15 gals. of hot water your man uses up for his morning shower because your automatic gas water heater immediately starts to replace hot water as it is used.

Gentle reminder: Tepid soapy water and a cloth wipe up spilled food in your gas refrigerator more easily than if you wait for the food to harden.

Butterscotch toast: Spread toast with butter or margarine, sprinkle with brown sugar. Keep under broiler about 4" from the flame until it bubbles.

Eudora Hawkins Is Speaker At Meeting Of City Federation

The City Federation met Monday at 3 p. m. at the club house in a Texas Day program with Eudora Hawkins of Abilene as the guest speaker.

The speaker gave an interesting talk on the "Old Forts of Texas" and showed a film of the Battle of the Alamo which showed much of the early history of Texas.

Mrs. H. N. Lyle presided at a short business meeting which saw the group vote to give \$10 to the Red Cross fund and \$1 to the Cancer Research Fund. The members also agreed to send a box of clothing to a needy family in Greece.

Mrs. H. N. Lyle and Mrs. Edward Keough were named delegates to the Sixth District Federation meeting to be held in June.

"GODSPEED..."

... An old word in our language! Really a prayer God speed you on your journey." And it came into use in an age when man's travels were slow and laborious.

Why, in this supersonic day, does such a word remain in our language? Obviously, because it still expresses a deep spiritual truth.

With all our conquests of time and distance, we are dependent on God for the fundamental needs of the soul. Though we can travel in an hour farther than our forbears travelled in a week—are we any nearer Peace, Happiness, Contentment? Our progress toward the real goals of life is influenced more by the Church than by rockets. Wherever we may travel, wherever we may live, the Church helps us to know and understand the power of God.

Are you helping the Church help you? GODSPEED!

THE CHURCH FOR ALL...

ALL FOR THE CHURCH... The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs his moral and mental support. Plan to go to church regularly and read your Bible daily.

W. E. Dean was to leave Friday for Houston to visit his daughter, Mrs. Gail Bailey, who is ill in a hospital there. He was to be accompanied by Mrs. M. D. Bailey and Stephen Dean Bailey. Mrs. Bailey was reported to be slightly improved Friday but still in a critical condition.

Hallie Parker is in Galveston this week on business.

Mrs. C. A. Ditty of Berkeley, California, was to arrive in Cisco Friday to be at the bedside of her

mother, Mrs. J. Willie Moore, who is ill in Graham Hospital. Mrs. Ditty was to make the trip by plane and to be met in Abilene by her sister, Mrs. Ted Hale. Mrs. C. M. Partridge and Mrs. J. R. Chesnut of Fort Worth, visited their mother, Mrs. Moore, Wednesday. Mrs. Moore was reported as improved Friday.

Spring Activity Gains Momentum On Texas Farms

Spring field activity gained momentum over much of the State in the warm spring weather of the past week. Plums were in full bloom and early blooming varieties of peaches were out. Corn planting was active in central Texas and was getting started in the counties along the Red River. Seeding of corn and sorghums was further delayed in Coastal Bend and extreme south Texas as the result

COLD COMFORT—Pete Babando, Black Hawk forward, isn't comforting Gus Ryle, Rangers' defenseman. It's just the way things wound up when a bit of board-checking took place during a New York-Chicago hockey game at Madison Square Garden. Al Dewsbury (5), of the Hawks, skates forward with the puck. Rangers downed the Hawks, 3-1, to move into third place in the NHL.

of continued drought.

Planting of cotton made satisfactory progress in irrigated areas of the Lower Valley and other south Texas points, but non-irrigated sections were too dry. A few fields were being dry planted in the Coastal Bend, but most growers were waiting for rain.

ALMOST IN THE BAG—Lawrence Potter, 3, was leaving New York to fly to Bermuda with his parents. His toy lamb presented something of a problem until the airline stewardess presented him with a bag to carry it in.

The limited acreage of young flax in south Texas made very rapid growth. Light to heavy showers at the end of the week over much of the State will be very beneficial. In the Plains

counties, particularly the southern High Plains, however, these showers brought only partial and temporary relief from droughty conditions, and in most of south Texas they were generally too light to be helpful. As the week ended, freezing temperatures were forecast to extend deep into central Texas.

Wheat made fair to good growth over the High Plains and in northwest areas, but additional moisture and warm weather were generally needed to assure continued growth and development. Cutworms were present in increasing and damaging propor-

tions over much of the High Plains, and greenbugs were still prevalent. Wheat and oats made good progress under favorable moisture conditions in central and north Texas.

Green range and pasture feed was coming slowly over the eastern two-thirds of the State as surface moisture was again getting low. However, clovers and rescue grass will respond quickly to the week-end showers as soon as temperatures moderate.

Are You Losing Your Hearing?

A new device has been developed to help the hard of hearing. By the use of a new tiny electronic tube, science restores hearing to the deafened. No cumbersome batteries or battery cords. This new device weighs only a few ounces yet is so powerful that the deafened may hear a whisper.

Telephone Lines speed Production Lines that build Defense Lines

No country on earth dislikes to produce weapons of war more than America. But no country on earth can do the job as swiftly and expertly as America—when she has to.

One of the reasons we can out-produce any other nation is our telephone system—the biggest and best in the world. Here in Texas millions of telephone calls tie our defense efforts together. Ideas, proposals, decisions, orders, instructions and information flash over telephone wires—and production lines move full speed ahead.

It is our job at the telephone company to meet these responsibilities. We will do so, as we have tried to meet all our service obligations—with all the skill and financial strength at our command.
