New-Type Benefits Under Social Security Law Given By Official

"Don't delay filing your application" is the advice issued today to persons who may be eligible for benefits under the revised social security program by Ralph T. Fisher, manager of the Abilene office of the Social Security Administration. Several new-type benefits are payable under the amended law because of reduced eligibility requirements and other technical changes, Fisher said. Since these benefits may be retroactive for six months, March 31st is the deadline for obtaining all payments due, if the insured person retired or died before Sept. 1950. Those who may qualify are: All workers who are now 65 and who have worked at least a year and a half in employment covered by the law since January 1937.

Veteran Relieves Aches and Pains

HADACOL Relieves Aches and Pains When Due to a Lack of Vitamins B1, B2, Niacin and Iron

It would seem like being in two wars would almost be all one person would have to go through. But Emerson Farnell Brown, 412 South Harrison Street, Fort Wayne, Indiana, found more trouble staring him in the face just recently. As so many thousands, he put his faith in HADACOL, when he heard how it was helping folks with aches and pains due to a deficiency of Vitamins B1, B2, Iron and Niacin. Here are the wonderful results that he is more than glad to tell us about:

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Ray Kennedy Hostess At Event

Reapers Class

The Reapers Sunday School of the East Cisco Baptist Church met recently in the home of Mrs. Ray Kennedy for a business and social gathering. Mrs. Farmer, class president was in charge of the meeting and opened the activities by calling on M. Slaughter for prayer. Mrs. Kennedy brought the devotional and as class secretary read the minutes of the meeting and gave the treasurer's report. The group set \$50 as the goal for the Easter Sunday building fund offering.

A program of visitation was discussed and the group captains were appointed to make plans concerning the time and prospects to visit.

During the social portion of the program a refreshment plate in keeping with the season was served to the following: Mesdames J. E. Whisenant, H. H. Harrelson, V. H. Bosworth, Sid White, A. W. Dawson, Emmitt Green, O. J. Rumsey, Paul Stephens, Ollie Hughes, Cecil Nichols, A. C. Holder, Lee Gryder, Don Rupe, H. K. Neeley, Jack Gryder, R. C. Farmer, M. Slaughter, Alvie White, Homer Shahan, the Alstiv and several children.

Lone Star Will Show New Servel Models Thursday

A premier showing of the Servel gas refrigerator line for 1951 which boasts a ten-year guarantee and silent operation in the freezing unit will be held in Cisco on Thursday, March 22, according to an announcement by J. S. Duff, Lone Star Gas Company manager.

The new Servels will be on display in Lone Star's show room from 2 until 9 p. m. and the public is invited to the gas refrigerator "fashion show" sponsored by the gas company in cooperation with local gas refrigerator dealers.

Drastic redesigning has made it possible for this year's Servel to offer more food storage yet

occupy less kitchen space than any other models with comparable capacity, gas company representatives point out. For the first time in fifteen years, Servel is making a large refrigerator of 11.5 cubic foot capacity. It is equipped with two doors, one for the frozen food compartment and the other for the ordinary food storage compartment.

The 1951 Servels provide a "size" to fit any family's needs, starting with the 6.08 cubic foot size and including three models available in the eight cubic foot size. The new models also feature lower prices, starting with \$489.95 and ranging as low as \$199.50.

Design revisions in the gas absorption unit now allow almost complete utilization of the base housing space, which is needed to house operating mechanisms in most refrigerators. Thinner walls, made possible by the use of effective, highly concentrated insulation, also contribute to the "more space inside, less space

outside" feature of the new Servels.

The largest model is equipped with a new innovation — the Odds and Ends basket, fitted carefully at the top of the main food compartment. It is designed to hold small staples, such as baby food, cheeses, sandwich meats, small jars, jams and other spreads.

Anna Belle Trigg Is Married Mar. 4 To Gorman Man

Wedding rites held on March 4 in Lutes Wedding Chapel in Yuma, Arizona, united in marriage Miss Anna Belle Trigg, daughter of Mrs. J. A. Trigg of Cisco and Delvin E. Speck, son of Mr. and Mrs. Walter Speck of Gorman. The wedding rites were read by Rev. Arthur Rose.

The bride was dressed in a navy blue suit with navy and white accessories. She is a graduate of Cisco High School with the class of 1948 and was a student in Cisco Junior College until entering North Texas State College in the fall of 1949. She was a senior student in the Denton school.

Mr. Speck graduated from Gorman High School and attended Ranger Junior College until enlisting in the U. S. Navy in December. He is stationed in San Diego, California.

Cisco Couple To Visit Mexico City

AUSTIN, March 17.—Mr. and Mrs. Joseph A. Slicker of Cisco are members of a group of students from the Austin Presbyterian Theological Seminary who will visit Mexico next week with the Missionary Society of the Seminary to visit Presbyterian missions in that country. Mr. Slicker is the son of Mrs. Homer Slicker, 2714 Whittis Avenue; and Mrs. Slicker is the former Miss Anne Cook of Texarkana.

The group from Austin makes a pilgrimage at this time each year as a part of the course of study on the mission field. This year's trip, which leaves Austin Tuesday March 20 by automobile caravan, will be under the direction of Dr. T. Watson Street, professor of church history at the Seminary. They plan to visit missionaries, Bible schools, and Presbyterian churches in Monterrey, San Luis Potosi, Morelia, and Mexico City, and return to Austin the following Tuesday.

East Baptist Young People Give Program

The Young People's Training Union Department of the East Cisco Baptist Church met Sunday night in the home of H. H. Harrelson and put on their program for him. Roy Marcontell and Mrs. Luther Lipsey are the Department sponsors.

Benny Hagan, class president, was in charge of the meeting and called on Mr. Marcontell for the opening prayer. The group sang, "God Will Take Care of You" led by Jessie Warren, with Melba Ray Harrelson at the piano.

The program topic, "Youth and Evangelism" was under the direction of Mary Dryden who presented Delores Kilgore who gave the devotional from Eccl. 12:1 and Matt. 9:38. Program parts were given by Mrs. Lipsey, Jessie Warren, Fred Allen, and Mary Wood.

Mary Wood dismissed the meeting with a prayer. Those attending the meeting were Mr. Marcontell, Mrs. Lipsey, Jessie Warren, Fred Allen, Mary Dryden, Mary Wood, Delores Kilgore, Benny Hagan, Melba Ray Harrelson and Mr. Harrelson.

Can't stop now!

The daily needs of the American people for oil are at an all-time high. When you add to these the needs of the defense program, you find that U. S. oil production is greater than ever before in history.

The oil companies look so far to the future because it takes about 10 years fully to develop an average oil field. Then, if production is efficiently managed in accordance with conservation practices, the field continues to produce for another thirty or forty years, or even longer.

The men who search for oil did their part in supplying this record demand 10, 20, even 30 years ago.

This foresight provided the vast quantities of oil required for World War II, and it has established the reserves the nation needs for the emergency of 1951. There is no time, now, to search for the oil we need today; it must be — it is — instantly available.

But they can't stop now. The search for oil must be continuous, so that the U. S. will have oil for you and your neighbor and for the country's needs in the years ahead. This year's oil discoveries may be producing oil for the vehicles, the flying machines, the industries of the year 2000!

Hospital Notes

The condition of Mrs. A. A. Sherrad, Cisco Junior College teacher, remained unchanged Saturday. Mrs. Sherrad was stricken last week.

Miss M. Ledford remained in the hospital with little change noted in her condition.

Entered in the hospital recently and still receiving treatment were Jimmy George, Cisco; Mrs. Frances E. Sublett, Cisco; Mrs. Don LaCasse, Cisco; Mrs. M. E. Fry, Cisco; Mrs. J. Willie Moore, Cisco.

Dismissed recently were Mrs. B. S. Huey, Mrs. Walter Boyd, Mrs. I. J. Brooker and infant son and Mac Stephens, all of Cisco and Anne Buckingham of Gainsville.

Jimmy George, 16, son of Mr. and Mrs. Roy George, continued to improve in Graham hospital today. He was taken to the hospital last week for treatment of a stomach ailment. He is a senior in Cisco High School.

"THE COMPANY OF CHARACTER"
HOME OFFICE FORT WORTH

dance contest was held and Robi Robinson and Gerry Honea were the winning couple.

The eighth annual Ranch Day was held April 2, 1948. That year the faculty decided that the college, and Ranch Day, both had grown to such size that it needed a committee and a student chairman to head the plans for the Day. Jerre Westfall was the first chairman of the Ranch Day committee. That year the college started inviting the seniors of the surrounding schools in as their guest for the day. The beard growing contest enlarged to offer three prizes: first for the longest beard, second for the most beautiful and third for the ugliest

beard. The best dressed cowboy and cowgirl prizes went to Jack Everett and Helen Hay. The most typical cowboy and cowgirl were Sam Gorman and Hazel Lewis. The jail collected quite a few lawbreakers, President O. L. Stamey, most frequently. The barbecue dinner held in the Wrangler Corral was a huge success!

The ninth annual event was held in April, 1950 and Prentice Akers and Jo Ann Hitt won awards for the most typical dressed. Ken Guthrie and Dixie Hansen were judged the best dressed. And now our '51 edition of the most gain event of Cisco Junior College.

celebration on Friday, April 13. The women folk may suffer from bad luck superstitions but we're sure there will be plenty of big strong cowpokes armed with side-arms to ward off any fear of bad luck.

If we wanted to let you in on all the things that will take place out at CJC Corral Ranch Day, we could tell you about the rodeo, ping-pong tournament, western star (in person), contests of every description, big entertainment features and numerous other activities which will fill the entire day and well into the night; but we had rather you come up and see for yourself what goes on Ranch Day at CJC.

Howdy folks! If you're mind to bend an ear I'll spin you a yarn and let you know how it all came about. Why, this here thing is gaining ground out at Cisco Junior College, and all Cisco for that matter, like a maverick headin' for greener pastures. It started like a spring round-up and now it's turned into a regular championship rodeo.

If you don't quite catch the lingo, here it is: this is a dude trying to enlighten you folks on Ranch Day at Cisco Junior College and its history. With the big event just around the corner and everyone shinin' up boots and making ready for a day of western celebration, it only seems fair that we should let you in on the story behind "Ranch Day."

The history of Ranch Day is as old as the college. Ranch Day was originated at Cisco Junior College by the class of 1941. The first of these events was held May 22 and 23, 1941. The only honors given were for the Most Typical Cowboy and Cowgirl, who were Troy Caraway and Louise Anderson, respectively.

The second annual Ranch Days were held in March of 1942, and Mabel Halbert was chosen the most typical cowgirl, while Troy Caraway again captured the prize for being the most typical cowboy.

The third annual Ranch Days were held in April of 1943; Betty Mae Davis and Ed Coppinger were chosen as the most typical cowgirl and cowboy and the prize for most comical cowboy went to Raymond Thomas.

The fourth annual Ranch Days were held in April of 1944; Cathryn Shepard and Burl Nichols walked off with the prizes for the most typical cowgirl and cowboy. That year the two new honors were added to the list; there were the best dressed cowboy and cowgirl. We still observe these two awards along with the others. Joe Mayo and Norma Jean Maynard were the first to win these honors.

The fifth annual Ranch Days were held in April of 1945. J. B. Curtis and Mary Edith Pippen were chosen as the most typical cowpoke and "Miss" Milton Underwood and Billie Jean Hall were chosen as the best dressed.

The sixth annual Ranch Days were held in April of 1946. Dotie Bailey and J. B. Curtis were chosen as the best dressed cowgirl and cowboy. Hope Starr and Presto Grisson were chosen as the most typical.

The seventh annual event was held in April of 1947. Delores Witt and Lee Guthrie were the best dressed cowgirl and cowboy. Helen Hay and Earl Tabor were the most typically dressed. Beginning that year, Ranch Days were cut down to one day; the beard growing contest was added with Lee Guthrie winning the first award. That year a square

THE SAME OLD STORY—In getting back to the battle lines of South Korea, UN troops move slowly down a muddy road which hampers progress. The weather has presented a problem throughout the winter fighting which spring's thaw is not going to lessen.

A CASTING PROBLEM—Playwright Marc Connelly, who won a Pulitzer Prize for his play, "The Green Pastures," is shown in New York interviewing youngsters to appear in the revival of his famous play. It appears to be a difficult proposition to choose from all that surrounding talent.

Reddy for ANYTHING!

YOU, Mr. and Mrs. America, have the biggest supply of electricity on hand you've ever had! In fact, Reddy Kilowatt Power in the U. S. has doubled in only 10 years. Businessmen with "know-how" have been building a bigger and better America for you!

Since World War II your West Texas Utilities Company has increased its generating capacity by 64,000 horsepower to provide you with more and more electric power... and by the end of 1953 two more plant units of 88,000 horsepower capacity will be installed ready for service.

The business-managed electric industry is the one industry that has doubled its capacity with more than double the investment and maintained the low price through efficiency.

Tell Your Congressman and Senators... Taxes for national security, yes... but no tax money for unnecessary, non-defense, duplicating programs for bureaucratic handouts.

A LOT OF TRAPPING—These beavers were caught in the country area of southwestern New York State, where the largest beavers in the state's trapping history are being caught. Floyd Baker, left, of Stockton, holds a 62-pounder, while Floyd Wodin, of Watts Flatts, has one weighing almost 60 pounds. Both animals set records for the area.

From The Seller's Point Of View —
 ...he may earnestly believe that just any kind of an abstract will do, but it makes a lot of difference to the buyer as to the kind of an abstract he gets. There is as much difference in the quality of title information as there is in people and personalities. Most attorneys try to protect their clients against the hazards of irresponsible and sub-standard abstracts, and they should. Waiting for the best, where waiting is required, will pay big dividends in the long run.

If there were some way to strip a Cadillac of every identifying emblem it possesses, and judge it solely by the way it rides and handles and performs—it would still be quickly recognizable as the "Standard of the World."
 But think what a Cadillac brings you in addition to the solid value of its engineering and performance and comfort and handling ease—the wonderful Cadillac name!
 Perhaps in all the world, there is no inanimate object which speaks so eloquently as the Cadillac shield. It talks of background, of progress, and of faultless workmanship.
 It proclaims a promise of years and years of the utmost motoring satisfaction. It speaks of its owner, and identifies him as a man of accomplishment and discrimination.
 In fact, there is nothing good and wonderful a motor car can bring that isn't promised or implied by the beautiful Cadillac shield. And it speaks a universal language, which is understood and appreciated the wide world over.
 And remember, you pay no extra penalty for the pride and pleasure of having this great and distinguished name. They come as a "special dividend" with every Cadillac car.
 We deeply regret that we are unable to deliver new Cadillac cars without some delay. But the demand for the car is unprecedented—and much of the company's energies and materials are now being devoted to the needs of national security. Once the car is delivered into your hands, however, we know you'll agree that—patience never brought a richer reward.

H. H. Harrelson, who has been ill for the past month, went to Gorman last Thursday for a checkup. His condition continued to progress and his doctor indicated that he might be able to be out again in about three weeks.

Mr. and Mrs. J. E. Proctor and Mrs. Sterling Proctor, accompanied by Mrs. L. V. Mitchell and son of Moran, visited in Fort Sill, Okla., Sunday with Sterling Proctor. Sterling recently was drafted into the Army and he expects soon to be transferred to a camp in Maryland.

Visiting in the home of Mrs. I. J. Davis last week were her nephew and niece, Mr. and Mrs. A. L. Davis and grandson, Bobby Davis, of Tulsa.

James Frederick Starr, son of Mr. and Mrs. J. M. Starr of 600 West 11th Street, is recovering nicely following a tonsilectomy Saturday in an Abilene hospital.

Mr. and Mrs. J. P. McCanlies returned Monday from Roswell, Ney Mexico, where they visited over the week-end. En route there, they visited Mr. and Mrs. George Barker at Post.

W. E. Dean returned to Cisco

Tuesday from Houston where he had been at the bedside of his daughter, Mrs. Gail Bailey. Mrs. Bailey was reported as showing no improvement and in a very critical condition. Mrs. Dean remained in Houston and Mr. Dean will return Tuesday night or Wednesday.

Mr. and Mrs. Charles Coldwell and son and daughter of Dallas were weekend visitors in the home of his parents, Mr. and Mrs. W. P. Coldwell.

Harvey B. Blanton of Baltimore, Maryland, spent part of Saturday visiting in Cisco with his uncle, Harve Woodridge and Mrs. Woodridge. Mr. Blanton was in Texas following the recent funeral of his father in San Antonio. He returned to San Antonio Saturday to complete business before returning to his home.

Sgt. and Mrs. N. P. Barnes of Perrin Air Force Base in Sherman are spending the week end in the home of his sister, Mrs. W. F. Anderson and family.

Mrs. Myrtle Anderson, who is in a Fort Worth Hospital, was reported as being improved Saturday morning.

TEA TIME—These soldiers with the British Brigade serving in Korea take time out for their afternoon tea. The quagmire they're standing in is a fair example of the country's winter setting for an al fresco repast. (U.S. Army Photo from Acme.)

Roundup Club Has Program At Arena

Goat roping, cigar races and cutting horse contests provided the entertainment at the Cisco Round-Up Club meeting at the arena Sunday as a majority of the members attended and participated in the events.

Many new members have signed with the club recently. Included in the number is Jim Stolte, well known Michigan horseman and trainer who has moved to Cisco. His Arabian horse participated in the cutting horse contests Sunday.

Club members are at work on events to be held the last three days of this month in connection

with the Eastland County Livestock Show. The two groups are working together in the horse show and rodeo portion of the show.

P. F. C. Robert F. Ables has returned to his base in San Antonio after spending the early part of last week in the home of Miss Barbara Anderson.

Mrs. Jack Hailey and infant son, Jack, were due home this weekend from a Fort Worth Hospital. The baby was born last Sunday.

Mrs. Austin Flint and daughter, Jane, went to Fort Worth Saturday to attend the Jose Iturbi concert.

HERE'S A GUY WHO LOVES TROUBLE... HE'D LAY HIS HIDE ON THE LINE FOR A PRICE!

PHYLIS THAXTER - JUANO HERNANDEZ - WALLACE FORD

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

Gravelling 840-mile test proves Ford Economy

Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... a Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54.587 ton-miles per gallon* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons of gasoline consumed.
