Aches and Pains, Stomach Distress, Weak, Run-down Conditions and Nervousness When Due To Lack of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron In Your System

Mrs. A. Plonka of 3202 S. Aberdeen, Chicago, Ill.: "My daughter Carmelita, who is 10 years old and in the fifth grade, had always been underweight and I had to positively force her to eat. She had no interest in food whatsoever, but I knew that she whatsoever, but I knew that she had to eat. When we were visiting my mother in Missouri over the Christmas holidays she suggested I give Carmelita HADACOL. I bought a large bottle of it that same day and was amazed at the change in Carmelita. Her appetite picked right up and she now eats three hearty meals a day plus inbetween snacks. I have really praised HADACOL, and highly recommend it."

G. E. Moncus, 221 Columbus St., Montgomery, Ala.: "Quite some time ago I began to have indigestion and sour stomach. My food just didn't digest right. I'd get a full, 'gassy' feeling after I ate. This affected my appetite and my weight. I was run-down, too. My wife started taking HADACOL and so did my daughter. I saw how much it had helped them, so I started taking it. And HADACOL has certainly helped me, too. My stomach never bothers me any more. I have a terrific appetite and have gained weight. I have lots of energy and just feel good in every way. I think HADA-COL is wonderful. I wish I could tell everyone just how wonderful it really is." G. E. Moncus, 221 Colum

Mrs. W. O. Jones, 7244 N. Bell St., Chicago, Ill.: "I am a housewife and mother of three children. I had been feeling very run-down, would tire so easily, and just felt listless. My moth-er-in-law suggested I take HADACOL, as she had heard of it through friends of hers. I just took it for a few days, when I noticed I was feeling stronger and seemed to have more energy. I continued tak-ing HADACOL and it has certainly built up my strength. I am no longer run-down, don't tire nearly as much. I am now on my sixth large bottle of HADACOL, and intend to con-tinue taking it."

Associate sex men

William J. Dunlap, 4404 Freet St., Apt. 2, Detroit, Mich .: "Along with the pains I suffered my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADA-COL and decided to give it a try. Am now on my fifth bottle try. Am now on my fifth bottle and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars. Active overseas in both. I have given your HADACOL every praise to friends and relatives and know some are using it with just as astonishing results as I just as astonishing results as I myself have found."

## Give HADACOL A Chance To Help YOU

If your system lacks these essential elements, you will be amazed at the wonderful results HADACOL can bring you, as it has to thousands of other fine folks who suffered a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron, which

HADACOL contains.

HADACOL is that wonderful new preparation—promising blessed relief for your indigestion, stomach disturbances (gas, heartburn, sour "risings" after meals), as well as that general

run-down condition, and annoying aches and pains, if due to a lack of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin in your system. Don't go through life suffering with conditions caused by such deficiencies when relief may be as close at hand as the nearest drugstore for sufferers from these deficiences. Buy HADACOL today.
