## The Gay Philosopher

By J. W. S.

MEMBERS OF the Cisco American Legion Post have been wishing they had something to do in the way of community service. And if you'll read today's paper, you see that they've got it. They're taking over the Lake Cisco Swimming Pool under a lease with option to buy contract with the Lake Cisco Amusement Company.

All Cisco owes a debt of gratitude to the Cisco men who built the pool and who have operated it for the past 25 years or so. They haven't realized anything except free swimming privileges on their investment.

In turning the property over to the American Legion, they are primarily interested in seeing that Cisco always has a grand pool and park. They could have sold the property for considerable money. They elected, however, to take their chances on getting back only a portion of their investment and, at the same time, assure themselves that the pool would always be available for Cisco.

Members of the Legion Post tell us that the proposition is a challenge to them to do a good job with the pool and the park. And they're determined to do the job well.

Mayor G. C. Rosenthal tells us that the city stands ready to work with the Legion in making the entire park an attraction center for all West Texas. Legionnaires haven't worked out their plans yet, but they are agreed that the pool should be dedicated to and be run for the benefit for young people. You'll be hearing more about it all very soon.

THE RANCH DAY program of Cisco Junior College was a very big success with good crowds all day. Wild Bill Elliott, the cowboy movie star, spent the day here. He made some 25 kiddies very happy at noon Friday when he went on a picnic and weiner roast with the students of Pastor H. G. Lohmann's Lutheran School. The young cowboys and cowgirls are still talking about it all.

WE WERE VERY proud of the parade. It was the best Cisco has seen in a good many months. An interesting sight was Randy Steffen's dog, a Great Dane named Thunder, who pulled a cart in which little Bonnie Jo Steffen rode. . . . And at the rodeo, Mrs. Steffen was among the calf riders, our scouts report. . . . The big barbecue at 6 p. m. attracted a good crowd of civic leaders as well as students. . . . And the dance was a big success.

MR. W. E. DEAN, chairman of the DeMolay advisory council, tells us that the council will meet at 2 p. m. Sunday at the Masonic Hall. And they want all of the DeMolays to meet at 2:30 p. m. Purpose of the meeting is to make plans for the regular meetings and to look over all of the materials they have received for use by the chapter.

The DeMolays is a fine organization. And Cisco can be proud to have it.

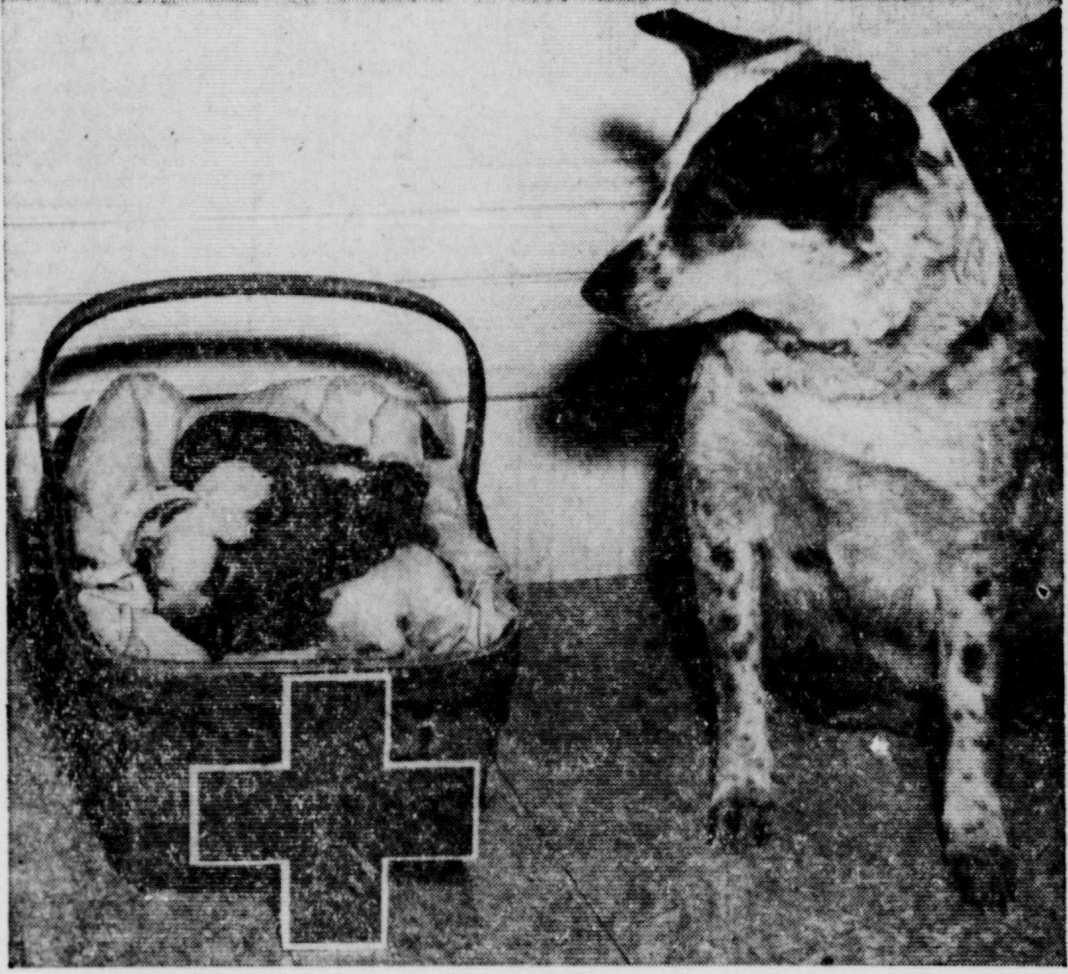

UP IN DALLAS they're getting ready for the Metropolitan Opera season. And Cisco is going to be represented. Our scouts report that ticket reservations have been made by Mr. and Mrs. Lewis Starr and Misses Ella Andres and Marie Winston.

IF WERE EVER going to win a golf tournament, it looks like I'll have to be the only one in it. Mr. Bob Ellison, the long driving manager of Cogdell Auto Supply, eliminated us from the consolation Friday. And there's no consolation of the consolation, so that's the end. It was fun anyhow. . . . The boys over at Damon Tire & Supply have a good idea. They have a golf tourney score board in their window.

THE NEXT BIG event in town is going to be Straw Hat Day and it comes off on April 21 — next Saturday. So get set.

Mrs. F. M. Hooks returned Friday from Fort Worth where she has been visiting her son and wife, Mr. and Mrs. Milton Hooks.

Misses Lela Latch and Ruth Herring of Eastland visited in Abilene Saturday.

BUY, BUY, BABY—Peggy must be sadly aware that her nine puppies are going to be sent out into the world from Brooklyn when they're old enough. The dog seems to sense that her babies are to be sold for the benefit of the Brooklyn Red Cross, but she knows it's for a good cause.

## ARCHITECTS ARE EMPLOYED TO PLAN NEW JUNIOR HIGH SCHOOL

The firm of Tucker and Lindberg of Abilene, architects and engineers, was employed by the board of trustees of the Cisco Consolidated School District at a meeting Friday afternoon to prepare tentative plans and specifications for a new junior high school building.

President G. R. Nance of the school board said the firm was employed to make the tentative plans as a means of determining accurately the costs of the proposed building program. The board has made a study of a

## Ranch Day Called Most Successful Ever Staged Here

Cisco Junior College students either went to their respective homes for the week end or settled down to a day of rest Saturday following what was heralded as the most successful "Ranch Day" ever staged by students of the school.

The day began with a bang when Wild Bill Elliott and the Wrangler band led a parade down main street of Cisco at 11 a. m. Observers said that the parade was the best held in Cisco for many years. Merchants and civic clubs joined the college students in making the parade a success.

An assembly program was held between the hours of 2 and 3:30 p. m. in which Wild Bill Elliott presented prizes to winners of the contest held for students. Joyce Fry of Cisco was judged the best dressed cowgirl and Don Kincaid of Cisco was judged the best dressed cowboy. Doc Rainey of Levelland won the most typical cowboy award and Pansy Pippet of Cisco was the most typical cowgirl. In the beard growing contest Gerald Salter won the award for the longest beard. W. E. O'Kelly had the handsomest beard, according to the judges, and James Couch won honors in the ugliest beard judging.

Following the assembly program arena events were held and students participated in the riding and roping. Elliott aided the group in that portion of the program. At 6 p. m. a chuck wagon dinner was served to students and visitors at the college and the program wound up with a dance at the Cisco Country Club which began at 8 p. m.

College officials joined the students in thanking everyone who aided in making the day a success. They paid special tribute to Elliott, to Randy Steffen, who gave much of his time to the program; to all who participated in the parade and to all who donated time and money to the students on their annual day.

## Cross Plains News . . . Schools To Vote On Consolidation At Cross Plains

Voters of Cross Cut and Cross Plains school districts will go to the polls Saturday, April 21, to vote on a proposed consolidation of the two districts.

It was reported that Cross Cut includes about 70 miles in its district and has a tax rate of \$1.00 per \$100 valuation, the same as Cross Plains, and the total valuation in the neighborhood is \$400,000. Officials reported that the Cross Plains district comprises some 250 square miles and has a total valuation of approximately \$2,500,000.

Cross Plains annual summer picnic, originally scheduled to be held in July, has been postponed due to the drought, representatives reported after a meeting of the Cross Plains Fire Department recently. It was announced that if a good rain was forthcoming and conditions change, the picnic would be held.

The Bankline Oil Company has staked location for a 1,500 foot oil test on the J. M. Greenwood place four miles south of Cross Plains. The test is being drilled on a 700 acre block put together by the Viking Oil Company. Cable tools will be used to explore the Cross Cut sand, it was reported.

Cross Plains city council appointments have been announced as follows: S. N. Foster, mayor; Dave Lee, Mayor pro-tem and gas commissioner; Dr. Calvin Gambill, sanitary commissioner; L. F. Foster, street commissioner and secretary, and R. L. Vaught, treasurer.

The Baptist Brotherhood of Cross Plains will be host Tuesday, April 17, to Brotherhood organizations of all other Callahan County Baptist Churches. Members of the committee on arrangements were attempting last week to secure Dr. J. W. Stephenson of Hardin-Simmons University, district Brotherhood president, to be present for the occasion.

## Radio 'Hams' Plan Meeting At Lubbock

Amateur Radio Operators of the Southwest are to convene in Lubbock, Texas, on April 21-22 for the annual Hamfest. Members of the South Plains Radio Club of Lubbock are to be the hosts at the Naval Reserve Training Center in Lubbock on these dates.

The Lubbock club has planned the Hamfest to coincide with the Texas Technological College annual Engineering Show in order that "Hams" may attend both occasions. Some 400 Amateurs and their wives are expected to participate in the program which is being built around two meter activity.

# Legion Post Takes Over Lake Cisco Pool, Other Properties

## Oil Notes . . . City Leases Old Airport Site For Deep Test Well

The City of Cisco has leased the old airport site to Homer Glover, East Texas oil operator, and a deep oil test is expected to be drilled in the near future, it was reported Saturday. Glover took a 4-month lease for \$1 per acre on the 142-acre tract and has indicated that drilling probably will begin this month.

The city owns all of the royalty under the tract. Two dry holes have been drilled on the land, which is located just northeast of town. Part of it is located in the city limits.

Elsewhere in the area, considerable interest was being shown in a Strawn sand prospect some five miles southwest of Cisco. The Wilcox Investment Company No. 1 C. W. McElreath set pipe Saturday to a total depth of 2,226 feet after reportedly coring some 10 feet of sand.

The Wilcox test is west of the Lone Star Producing Co. No. 1 J. W. Dennison, completed last year as a small Caddo producer. Several new projects have been announced for the Cisco area. Bert Fields has staked three locations in the area five miles northeast of Cisco. They are his Nos. 1 J. W. Hilgenberg and his Nos. 2 and 3 V. M. Smith.

The Hilgenberg test is located 1,310 feet from the north and 330 feet from the east lines of Section 60, Block 4, H&T Survey. The Smith wells are in Section 60, Block 4, H&T Survey.

Another new project for the same area is the Strahan and Barton No. 1 Mathews Estate, 1,650 feet from the north and 330 feet from the east lines of Section 59, Block 4, H&T Survey. Two tests are planned some four miles southeast of Eastland. They are the P. S. Kendrick and R. G. Piper No. 1 J. L. Fox in Section 44, League 3-4, McLennan CSL; and the Edgar H. Straper No. 1 Oliver Canet, in Section 53, League 3-4, McLennan CSL. Both will be Strawn tests.

Bankline Oil Company's No. 6 J. H. Reynolds ran potential tests Friday. The well flowed 61 barrels in seven hours without hydrofrac. It was regarded as a good producer from the Lake sand.

Bankline's No. 9 A. V. Clark was drilling at 2,455 feet Saturday.

## Paving Work To Begin This Week

The Montgomery Paving Company was expected to begin work this week on what promises to be a substantial paving program in Cisco.

Mayor G. C. Rosenthal reported Saturday that an initial project would be the pouring of concrete curb and gutter between 11th and 12th streets on Avenue D. When the curb and gutter is paved, the state highway will widen the road there.

Plans call for West 5th Street to be the first street to be paved in residential areas. The company has had a solicitor busy here for several weeks.

## Light Cold Front Is Expected On Sunday

A light cold front which was moving in from Canada was due to reach the Cisco area Sunday afternoon. The front will be preceded by high winds from the southwest changing to the north Sunday afternoon.

The front was expected to drop temperatures between 10 and 20 degrees here and was expected to bring freezing weather to the plains area. Some snow was forecast for the high plains region.

Mrs. Randolph Lee Clark has received word of the birth of a great grandson, Greig Stiles, in Bryan. The infant is the son of Mr. and Mrs. John Stiles, Jr. Mrs. Stiles and the baby were reported as doing well.

## COMMITTEES ARE APPOINTED FOR CHAMBER OF COMMERCE

Standing committees to serve the Cisco Chamber of Commerce during the coming year were appointed last week by President E. L. Jackson. The organization has 14 standing committees, and Mr. Jackson indicated that they would hold regular meetings to help in the work program.

The various committees were named as follows:

- Industrial — Charles A. Spears, W. P. Guinn, Anton White, Austin Flint, Jack Anderson, Zan Burroughs and R. J. Stevenson.
- Highways — J. J. Callaway, E. P. Crawford, Arch Birt, J. S. Duff, R. E. Grantham and J. B. Pratt.
- Agriculture — Dr. Charles M. Cleveland, C. W. Henry, A. Z. Myrick, Gail Jones, Con Collins, Dr. J. H. Denton, Jr., J. D. Lauderdale and Chester Norvell.
- Recreation — A. G. Sander,

## May Draft Calls Are Cancelled By Selective Service

AUSTIN, April 13. — May draft call for 3,112 men and May preinduction physical examinations call for 6,807 men were ordered cancelled today by Brigadier General Paul L. Wakefield, state director of Selective Service.

General Wakefield took this action following receipt of the following telegram from Major General Lewis B. Hershey, national Selective Service director. "Delay issuance of calls on local boards for May inductions pending further instructions. Instruct local boards to issue no further orders to report for induction under any calls already made on them for May. April inductions under Call No. 12 will continue as presently ordered."

Texas state headquarters issued May calls to its 137 local boards in late March for induction as well as for pre-induction physical examinations.

State quotas for induction are issued by Selective Service national headquarters. State quotas for pre-induction physical examinations are issued by state headquarters.

The state director said that the April induction call for 2,075 men will be filled as previously called for. The April call originally was for 4,150 men, but this was cut in half in late March, after authority was received from national Selective Service headquarters.

General Wakefield said he could not say whether a call for June induction would be received or not. He said that monthly calls for induction, normally are received about 60 days in advance.

## UNDERGOES OPERATION

Leo Farmer, former Cisco High School football star and a grid player at Midwestern University, underwent an emergency appendicitis operation Thursday in a Wichita Falls hospital after suffering an acute attack. His parents, Mr. and Mrs. R. C. Farmer of Cisco, expect him home Monday.

## COUNTY DAIRY SHOW WILL BE HELD IN EASTLAND THIS WEEK

Prizes totaling some \$350 will be awarded to owners of winners in the annual Eastland County Dairy Show to be held at Fireman's Field in Eastland Wednesday of this week. The prize money will be divided between the winners of the show and the winning judging teams.

The show will be open only to female dairy stock but will be open to any type female dairy animal where registered or not, it was announced by A. Z. Myrick, Cisco, president of the Eastland County Dairy Association, sponsors of the show. Owners of dairy animals were urged to bring the animals to the show. All entries should be at the show grounds by 10 a. m. Wednesday. They may be removed at any time following the judging in their classes.

The animals will be judged on a classification basis in that they will be competing against the ideal type and not against each other. Business men of the area were urged to attend the show and take part in the events of the day.

M. F. Underwood, G. C. Rosenthal, Ralph Wootton, Chief Warden, M. D. Conger, Roy Killingsworth and W. B. Wright.

Retail Development — Austin Flint, F. B. Aitman, Nick Miller, George Boyd, E. P. Montgomery and Sterling Drumwright.

Community Development — O. L. Lee, John Speir, Dr. E. E. Ady, Kenneth Cooper and Don Rupe.

Military Affairs — J. W. Sifton, Ralph Glenn, Willard K. White and Bob Ellison.

Education — C. E. Higginbotham, F. E. Shepard, O. L. Stamey, Arlin Birt, James McCracken, Mrs. Don Choate, Mrs. Willard K. White.

Oil — Edward Lee, W. V. Gardenhire, P. R. Warwick, L. A. Warren, W. K. Russ, W. J. Foxworth and Jeff Gregory.

Publicity — J. W. Sifton, Randy Steffen and W. P. Knight.

Membership — Charles Graham, John Penn, Elizabeth McCracken, Clyde Karkalis, W. H. McAnally, A. R. Westfall, Carl Lamb, Charles Sandler, Mrs. Peggy Gallagher, T. K. Posey and George Davis.

Community Chest — John Speir, and others to be assigned.

Water Development — W. P. Guinn, Edward Lee and John Speir.

Conventions — A. R. Westfall, W. K. Russ and Mrs. Barton Philpott.

The first name in each list will act as the chairman, Mr. Jackson said.

Two of the committees will meet Monday. The military affairs committee will meet at 2 p. m., and the agriculture committee will meet at 4 p. m. All members were urged to attend.

## Osborn To Hold Annual Contest

Shy Osborn of Osborn Studio announced his second annual baby contest to start Monday, April 16, and continue through Saturday, May 5. Mr. Osborn has decided to make the contest an annual affair because of the success of the first contest held last year.

The contest will be divided into three classes with Class No. 1 for babies up to one year old. Class No. 2 is for babies from one to three years old and Class No. 3 is for children from three to six years. Prizes will be awarded to first, second and third place winners in each of the three divisions.

Out-of-town judges will judge the contest from pictures taken in the studio during the course of the contest and the pictures of all entries will be run in the Daily Press, along with the three winners in each division.

Mr. Osborn asked that entrants be brought to the studio for sittings as soon as possible and advised mothers to bring their children during the morning where possible because better pictures can usually be made earlier in the day. An entry fee of \$2.95 will be required at the time of the setting. The fee entitles the entrant to an 8x10 artistic portrait, unmounted, with a value of \$6.50.

Trustees of the Legion Post will form the governing committee for the property until a permanent organization is set up for that purpose, Legionnaires said. "The Legion Post appreciates the confidence expressed in the organization by the Lake Cisco Amusement Company through its offer to turn over the property to us under an attractive contract," the Legion spokesman said. "This provides our Post with an opportunity to be of service to our community, and it shall be our purpose to merit this expression of confidence in every way."

"We can assure everyone that it will be our purpose to handle the pool and other park attractions in a manner to reflect definite credit to the community. The Lake Cisco Amusement Company is to be commended on the fine job it has done over the years to provide this section with an entertainment center, and we of the Legion Post are grateful for their efforts."

## Meeting Is Called Tuesday Night To Plan Operation

The swimming pool and other assets and holdings of the Lake Cisco Amusement Company will be taken over this week by the John William Butts Post No. 123 of the American Legion, according to an announcement here Saturday.

The Legion Post will take over the property under a lease with an option to purchase under contract terms worked out Thursday night at a meeting of the Post, President W. B. Wright of the Lake Cisco Amusement Company said. The swimming pool will open on May 1 for the benefit of area high school students under the management of the Legion Post.

Members of the Legion Post will hold a special called meeting at 7:30 p. m. Tuesday at the Legion Hall to discuss plans for the Swimming Pool and other Lake Cisco Park properties. They expect to work out a broad improvement program for the pool and adjacent area.

In turning the pool over to the American Legion, President Wright of the amusement company pointed out that his organization is seeking to perpetuate the pool and park project as a valuable community asset under the care and direction of a responsible local organization.

The pool was built some 25 years ago. It is 300 x 700 feet in size and is believed to be the largest artificial swimming pool in the world. It has a replacement value in excess of \$100,000.

It was built by a group of public-spirited Cisco citizens and the owning corporation now has some 25 to 30 stockholders. George Downie is secretary of the corporation.

The park has been the attraction that annually brings scores of Texas high school classes and club groups to Cisco for outings, swimming parties, skating parties and picnics. The city has made substantial improvements in the area in the form of picnic facilities.

Mr. Wright mailed letters to some 127 high schools in this section last week inviting them to come to Cisco for their spring holidays. Gene Abbott, owner of the miniature golf course in the park, joined in the invitation.

A spokesman for the Legion Post said that one of the first problems would be to employ a full-time resident manager for the property. The bath house at the pool contains an apartment to house a manager. A committee of Legionnaires inspected the property Saturday afternoon to determine the improvements needed to enable the pool to open on May 1. The committee will report its findings at the Tuesday night meeting.

Trustees of the Legion Post will form the governing committee for the property until a permanent organization is set up for that purpose, Legionnaires said. "The Legion Post appreciates the confidence expressed in the organization by the Lake Cisco Amusement Company through its offer to turn over the property to us under an attractive contract," the Legion spokesman said. "This provides our Post with an opportunity to be of service to our community, and it shall be our purpose to merit this expression of confidence in every way."

"We can assure everyone that it will be our purpose to handle the pool and other park attractions in a manner to reflect definite credit to the community. The Lake Cisco Amusement Company is to be commended on the fine job it has done over the years to provide this section with an entertainment center, and we of the Legion Post are grateful for their efforts."

Mrs. J. A. Pennington and daughter, Beverly Ann, of Oklahoma City were guests in the home of Mrs. John H. Kleiner. Mrs. Pennington is a cousin of the late John H. Kleiner.

## LEGISLATIVE BULLETIN

**TAXATION** — The House of Representatives, Tuesday afternoon, passed Representative Sewell's bill, adding an additional one cent tax per 1000 cubic feet on the gathering of natural gas. The bill was finally passed by a vote of 87 to 52 and was immediately forwarded to the Senate for action there. This is the first tax bill of the session that has passed either house. The bill proposes to divide the revenue from this bill as follows: one-half to the Rural Road Program, one-fourth to the Available School Fund, one-fourth to Municipalities for their street improvement.

**SAFETY** — The Texas Senate Monday unanimously passed a bill designed to strengthen penalties on drunken drivers. The measure which will now go to the House of Representatives will give more discretion to the courts and judges in fixing the penalty for the second offense of driving while intoxicated. This penalty on second offense could range from a minimum of \$1000 fine or 10 days in the county jail to a \$5000 fine and up to two years in the county jail. The present law stipulates a minimum prison term of one year and a maximum term of 5 years for the second offense. Senator Crawford Martin of Hillsboro, sponsor of the bill, explained that many judges and courts now apparently feel that the one year prison term minimum is to severe for the second offense and the only alternative under the present law is to grant a suspended sentence.

**CRIME** — The House of Representatives passed Wednesday a bill designed to eliminate slot machines in Texas. The House refused to exempt charitable, fraternal, or religious organizations from its provisions and pas-

the Senate. This bill is being sponsored by Representative Jimmy Adams of Mexia and he makes it illegal to manufacture, own, store, sell, rent, lease, give away, transport or possess a slot machine. Also, the House of Representatives created a special investigating committee to investigate reports that a certain legislator and senator were involved in soliciting money in Houston to fight the anti-slot machine bill. Speaker Reuben Senterfitt named a special committee, with Representative Harold LaFont of Plainview as its chairman.

**HOUSING** — Elections will be required before any Texas city undertakes a future Federal Housing Project, if Governor Shivers signs a bill passed Wednesday by the Legislature. The House passed the bill 81 to 27 with one minor amendment, in which the Senate readily concurred. The amendment does not require cities which have already secured agreements on Federal Housing to call elections. This piece of legislation will allow city officials to call elections to see if the voters wanted them to embark on a housing project. City officials could then, after 60 days notice, make such an

agreement without an election unless a poll is demanded by 5% of the eligible voters, not exceeding 2000 in any city. If city officials fail to act, 5% or 2000 voters could get an election called by petition, if they wanted the city to seek Federal Housing funds.

**LABOR** — A Senate Bill putting anti-trust law penalties on violations of the 1947 Right to Work Act went to the House this week with a favorable committee recommendation. The House Labor Committee approved the bill introduced by Senator George Parkhouse of Dallas by a 11 to 4 vote. The bill will apply both civil and criminal penalties of the anti-trust law to either employers or labor unions who conspire to deny a person the right to work because of either union or non-union membership. The Senate speedily approved, Monday, proposed heavy penalties on persons willfully destroying another's property in such instances as labor disputes and sabotage.

# SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

### Walter League Has Social Friday Night

The Walter League of Grace Lutheran Church had its regular monthly social meeting Friday night in the home of Anita Strooble with Miss Strooble and Wayne Fricke as leaders. Party games were played both indoors and outdoors. Refreshments of sandwiches,

cake and punch were served to the following: Norman Weiser, Nancy Taylor, Francis Lanham, Fred Ziehr, Carl Ziehr, Alvin Ziehr, Eugene Ziehr, Marie Ziehr, Joe D. Ziehr, Emma Lou Huber, Ella Huber, Harold Riech, Katherine Fricke, Alfred Lenz, Anita Strooble, Wayne Fricke, Mrs. Marie Fricke, and Mrs. Fred Strooble.

### District Conference Of W.M.U. Will Be Held At Church In Cisco

The Women's Missionary Union will hold a district conference at the First Baptist Church in Cisco on April 19 for the churches in the Cisco District.

The conference will begin at 10 a. m. with Rev. Ralph Wootton, of Cisco, as the first speaker. Talks will be made by the following conference leaders: Mrs. W. P. Wieder, Benevolence; Mrs. Clarence Morton, Community Missions; Mrs. E. G. Crosier, Mission Study and Bible Study; Mrs. T. C. Jester, Program and Literature; Mrs. C. D. Greasman, Stewardship; Mrs. T. H. Knighton, Young People; and Miss Sula Mae Henderson, General.

The message will be delivered by Mrs. C. D. Greasman, Southern W. M. U. Stewardship Director, of Donelson, Tennessee. The conference will adjourn at 2:30 p. m.

Lunch will be served at noon. Everyone was asked to bring a covered dish. Pastors and all who are interested were invited to attend this meeting.

### Gunsight News

The Quilting Club met with Mrs. J. H. Perry Wednesday for their regular social meeting and during the meeting a quilt was finished. Refreshments of sandwiches, coconut pie and coffee were served to Mesdames Bill Adams, Lester Thorpe, Jay Herring, Johnnie Baggett and Will Dye. The club decided to meet next with Mrs. Will Dye on Wednesday, April 18.

It was reported that Gun Louder has been removed to the home of his son, N. B. Louder in Breckenridge. Mr. Louder has been in a hospital receiving treatment.

Merrel Dye of Duncan, Oklahoma, visited his parents, Mr. and Mrs. W. S. Dye Wednesday. Mer-

rel is employed in Okla., for an oil company there.

Mr. Joe Perry of Plainview visited his parents, Mr. and Mrs. J. H. Perry over the past weekend.

Walter and Henry McCluskey of Houston were visiting in the Gunsight community last Thursday.

Mrs. Joe Hood and Mrs. A. F. Bellman were in Breckenridge last Thursday.

Mr. and Mrs. W. T. Henson and Mrs. Will Dye and A. F. Billman attended the 4th quarterly conference at Eolian Sunday.

Mr. and Mrs. Graden Dye have been ill during the past week.

Mr. and Mrs. S. Sprawls at-

tended singing at Eastland Sunday.

Mr. and Mrs. W. S. Dye spent Monday with Mrs. Dye's mother and brother of Bellevue.

Mr. and Mrs. B. B. Jones and children of Dallas were at the bedside of the latter's father, J. C. Louder over the past weekend.

### Joe Slicker Is Class President

AUSTIN, April 12.—Joseph A. Slicker, son of Mrs. Homer Slicker

of Cisco, was elected Tuesday evening as president of the student body at the Austin Presbyterian Theological Seminary, where he is a second-year student. Slicker is well remembered in Cisco, having attended high

school here and graduated in 1937; he later taught in the Sunday School at the First Presbyterian Church, and is a deacon in that church.

His wife, the former Anne Cook of Texarkana, is with Slicker in Austin.

Other officers elected for the next school year were J. Allen Smith of Alvin, Vice-President; Flynn V. Long, Jr., of Austin, Secretary; Exell Coon of Hasca, Treasurer; W. A. Dealey of Dallas, Theolog Editor; and James I. Logan, Jr., of Paris, Texas, Assistant Theolog Editor.

### Fire Department To Name Officers At Rising Star

A meeting has been called by the Rising Star Fire Department to be held at the city hall Monday night at 7:30 o'clock at which time the department will be reorganized and plans made for the year. New officers will be elected.

Rev. Van O. Martin, pastor, announced recently that the first service will be held in the new Baptist Church auditorium Sunday morning following the completion of the installation of the seats by a crew from the factory late last week.

Formal dedication date and opening will be announced later.

D. J. Perkins and Horace Witt, elected to the Rising Star school board in the election recently, were qualified at a meeting last Tuesday and took their places on the board.

Miss Ann Moore, daughter of Mr. and Mrs. J. W. Moore, of the Williams community, and popular with the younger set of Rising Star, was crowned queen of the annual College Rodeo at Daniel Baker College recently.

Capt. Lawrence Kennedy, son of Mr. and Mrs. Ed Kennedy, of near Rising Star, arrived the past week from the Korean war front to join his family at Temple while on leave. He also paid a short visit to his parents in Rising Star. He is stationed at Fort Riley, Kansas.

### Meeting Begins With Good Crowd

The revival meeting at the East Cisco Baptist Church began Friday night with an unusually large first night crowd, according to Rev. Paul Stephens, pastor. Continuing through next Sunday night, services will be conducted at 10 a. m. and 7:45 p. m. daily.

Buren Higdon of Lueders is the visiting evangelist and Ted Cotten of Abilene is leading the singing.

### Navy Recruits To Get Leave Again

Navy recruit leave has been reinstated and training periods extended from 9 to 11 weeks, Eighth Naval District headquarters in New Orleans has announced.

Navy headquarters said the order was effective as of April 1.

bringing periods for recruits back to the January level.

Training periods were reduced last January due to the critical need for personnel afloat and because of the capacity limitations at the recruit training centers.

The granting of recruit leave again permits trainees to take a maximum of 14 days leave after graduation. The Navy pointed out however, that the recruit leave is not added time off, but counts as annual accrued leave.

There are no recruit training centers in the Eighth Naval District.

### Baird Will Use Water From New Lake In Few Days

The Callahan County Club is making plans for a celebration to mark the conclusion of the project to supply a greater amount of cheap water for the city of Baird. Baird's new lake water system is almost complete and ready to be turned to the city for operation, spokesmen for the project reported.

It was reported that several tests in which the new lake water was actually turned in to the city mains for examination, have been made, but the new measure has not been officially declared complete.

The system will give Baird the best water possible from the lake which will be fed by rainwater. It's watershed has no undesirable minerals that might wash into the lake body and harden the water, officials said. City employers who work with the water have been studying diligently for some time and are now ready to take the controls, it was announced.

The date for the formal opening and celebration will be announced later.
