

The Gay Philosopher

By J. W. S.

FIRST OFF TODAY we've got straightened out some records. The piece we ran the other day about Mr. Jack Everett, the football coach, deciding to pursue higher learning wasn't entirely correct. He has completed the necessary schooling to become a master of the arts. And Saturday he took himself over to Abilene and took the exams. He wrote for five hours. And he still has the cramp.

He hasn't heard anything that would indicate that he didn't pass. So, come the latter part of the day, he will present himself to the proper people at the proper time and receive a sheep's skin that will proclaim once and for all that he is a master of the arts. And anytime anybody doesn't consider him educated, they will need only to point to the framed sheep's skin. He doesn't report that he is planning to secure a gold-plated frame for the documentary evidence of his educational attainments.

ANOTHER THING we want to straighten out is a report we ran recently that all of Mr. B. A. Butler's friends were unanimous in their envy over the new fence built around his place. One of them called to report that he was curious — rather than envious.

AND THEN WE want to correct the publicity chairman of the West Ward P.T.A. Yesterday's story on their meeting reported that Mrs. Jack Rawson would help a committee work on the equipment to serve refreshments at the football stadium. Mrs. Norman Rawson who is on the committee.

THIS IS TO suggest to somebody that they correct their ways of doing things. We don't know who did it, but somebody cut down a couple of fine trees at Lake Bernie the other day and used part of them for fire wood. Mayor G. C. Rosenthal tells that signs are now being put up at the Lake to duly warn one and all that the trees are not to be cut down. And any offenders will pay.

THE FIRST WEEK of May, by the way, has been designated as official cleanup week in Cisco. And you can begin to get ready to have all of your trees, trash and debris hauled away. The city will work out and announce a schedule next week. So let's get set.

YOU READ in yesterday's paper where the Lions are sponsoring Marene's Minstrels at the high school auditorium next Tuesday night to raise playground money. A feature of the event will be a country store. A lot of fine items are being donated for the store by the merchants of Cisco. It's going to be a big evening. You can get your tickets from the Lions.

MORE THAN 100 Cisco residents are planning to go to Scranton tonight for the annual Chicken Supper. The people there are staging the affair for the benefit of their neighbors in Cisco and to raise funds to lay a water line to their gym. Let's all be there.

WANT TO GO to the ice skating show at Fort Worth Saturday afternoon? Mr. Earl Mayhew has three tickets for the matinee show and his little girl has the measles. Now, he would like to sell them to anyone who would like to go. Just call him at his house tonight.

Christ Lutherans Change Church Hour

Pastor M. J. Scaer of Christ Lutheran Church announced this week that time for the morning services of the church had been changed for the summer months. Sunday School and Bible Study time has been changed from 10 a. m. to 9:30 a. m. and the divine service has been changed to start at 10:30 a. m. The hour was changed from 11 a. m.

"ROCKET AHEAD" with Oldsmobile Osborne Motor Company, Eastland

STOPPED IN ITS TRACKS—When enemy rolling stock was spotted in a marshalling yard near Wonsan, Korea, B-26 Invaders of the Fifth Air Force Light Bomb Wing paid a surprise visit. The bombardiers scored direct hits on strings of cars loaded with supplies and equipment. The cars were soon enveloped in a fiery inferno which eliminated the use of their contents.

Musical Program Given At Rotary Luncheon Meet

Mel Sandler, pianist, and Jack Chambliss, vocalist, presented a musical variety program at the regular weekly meeting of the local Rotary Club at noon Thursday at the Hotel Victor. The program was in charge of Rotarian G. C. Rosenthal.

The first two numbers on the program were vocal solos by Rotarian Chambliss. His opening song was "In The Still Of The Night". He followed that with the current hit song, "Be My Love."

Sandler played two piano solos after accompanying Chambliss at the piano. His first number was composition of his own while his second number was his interpretation of "Tea For Two." The two entertainers then teamed up to sing "Tennessee Waltz" at the request of members. The program closed with Rotarian Chambliss singing "With A Song In My Heart." Sandler was at the piano.

Following the program young Sandler told of his plans to produce a musical show using local talent, sometime this summer.

President C. W. Henry, President elect Anton White and Rotarian E. P. Crawford gave brief talks on the district conference which was held in Abilene Sunday, Monday and Tuesday. The three members of the Cisco club attended the meetings.

Visitors at the meeting were Rotarian Frank Pruett of Abilene and Rotarian Earl Stephens of Eastland.

Wesley Methodists Open Finance Drive

The Wesley Methodist Church will join in a district-wide financial campaign this Sunday, according to Rev. C. A. Warden, pastor.

Scheduled to continue for four weeks the campaign is the part of a new program of Stewardship among the Methodist churches of Texas. James Parker will be local chairman of the Wesley Methodist campaign and Woodrow Hitt will serve as associate chairman.

The pastor will bring the messages at both worship services Sunday.

MEETING DATE CHANGED

The date of the National Home Demonstration Week Celebration has been changed from Thursday, May 3, to Wednesday, May 2. This meeting will be held in Eastland at the Methodist Church and will be in the form of a luncheon with invited guest and speakers.

Church News . . . CISCO DISTRICT CHURCH SCHOOL WORKERS ATTEND MEETING

Church school workers from over the Cisco District of the Methodist Church met all day Thursday at the local First Methodist Church for a workshop institute in preparation for vacation church schools in the various churches of the district this coming summer.

Mrs. Robert Walker of Cross Plains, district director of children's work, was in general charge of the meeting. Mrs. W. H. Cole of Waco, Central Texas Conference director of children's work, spoke to the entire assembly regarding general plans and materials for the vacation programs.

Following this period the workers assembled for the vacation programs. Following this period the workers assembled in department groups with Mrs. Claudia Hinson of Waco leading the intermediate section, Mrs. Vernon Deffebach of Ranger the junior group, Mrs. Garland Lavender of Ranger the primary department and Mrs. Walker the kindergarten.

All of the conference met in the banquet hall of First Church for lunch together at the noon hour.

The pastors of the district met with the district superintendent, the Rev. Leslie W. Seymour, for their monthly session of reports and planning. Among other items of the reports was the total of approximately 500 new members received into the churches of the district during the current year.

The next session of the district pastors will be a picnic occasion to be held near Gorman and will include the wives and children.

Barney Butler Dies In Gin Accident

Ralph Butler left Cisco Thursday night for Casa Grande, Arizona, where he was called because of the death of his brother, Barney L. Butler, 52, who was electrocuted earlier in the day while making repairs at a cotton gin where he was employed.

Mr. Butler lived in Cisco for many years before going to Arizona to work. He is survived by his wife and seven children. The funeral arrangements were incomplete when the message was received.

Presbyterian Pastor Gives Sunday Topics

At the First Presbyterian Church Sunday morning, Rev. H. Grady James, minister, will discuss the subject, "God's Forgiveness of Sin." Sunday evening, his sermon subject will be, "The Secret of Christian Strength."

Wednesday evening, Mr. James will begin a revival meeting at the Presbyterian Church at Bangs. Rev. W. B. Gray is minister of the Bangs Church.

Rural Mail Patrons Are Urged To Improve Boxes For Better Service

Little things count in the proper delivery of mail as well as elsewhere.

The Cisco post office and its rural carriers are beginning a campaign now to acquaint rural patrons with the necessity of putting their mail boxes in attractive and serviceable condition both as a matter of protecting the mail, making deliveries more efficient and improving the appearance of their home.

Say the carriers: "It is a lot easier to make deliveries where the boxes are in good condition, can be readily seen, the names easily read and the construction of the boxes proper and sturdy. We don't like to leave mail where it will be exposed to weather as it is in some of the boxes we serve. Therefore we are asking that all patrons take especial note of the Rural Box Improvement campaign during the week of May 5, and, if their boxes are not in first class condition, to take the following steps:

"Put the box on good first support, where it can be easily reached by the carrier;

"Paint it, and print the name of the boxholder very clearly on the side."

If the box is dilapidated, said the carriers, it will pay the patron to get a new one, conforming to the specifications which the department has established. Any of the carriers will be glad to assist a patron in the improvement of his box.

Carriers out of the Cisco offices are: C. F. Coats, RFD No. 1; James A. Krisell, RFD No. 2; W. L. Moore, RFD No. 3, and Will D. Hazel, RFD No. 4.

An inspection of all routes and their boxes will be made after May 5, it was announced.

Needs Of Church Are Outlined In Budget Campaign

By Charles L. Cofer

Thirty-one years ago the members of the First Methodist Church held their first service in the building they are now occupying. From that time until now no major additions or repairs have been made — they have been going along, patching here and there as the necessity arose.

A church building, like any other building, can stand just so much patch work until the time comes when a general reconditioning job needs to be done. The need for this is now urgent, say its leaders, and under the Farrow budget plan now adopted this need is being provided for.

New pianos, carpeting and various other equipment for the Sunday School class rooms are badly needed to care for ever-growing membership.

In Chapter 6, verse 38 of the Book of St. Luke the Lord says, "Give and it shall be given unto you."

The Budget Committee urges every member to check the needs of this church, and then give to its needs now.

Loboes To Enter Brownwood Meet

Coaches Jack Everett and Buck Overall plan to leave Cisco at 6:30 a. m. Saturday with their track, field and golf teams for Brownwood where they will vie for places in the Region Two Class A track meet to be held beginning with the golf matches at 8 a. m. Saturday.

Qualifying for the Regional meet were David Pippen, who will enter the high hurdles and the pole vault events; Jimmy Webb, who will enter the high jump and Gerald Bint who will enter the mile run. The boys qualified at the district meet held in Hamilton recently.

Four members of the high school golf team and an alternate will make the trip to Brownwood to enter the golf play. Ben Tabor and Bill Bennie will enter the singles competition and will team up with Buddy Deen and Andy Moseley in the team competition. Bobby Bennie will make the trip as the alternate.

If any of the members of the team qualify they will enter the state meet in Austin on May 4 and 5.

301 Is Goal Of East Baptists

The East Cisco Baptist Church is aiming for a goal of 301 in Sunday School this Sunday, it was announced today. Sunday will also be the closing day of an evangelistic campaign which began last Friday night with Evangelist Buren Higdon of Lueders in charge.

Special services have also been planned for Saturday at 10 a. m. and 7:45 p. m. Saturday morning, the evangelist will discuss the subject, "The Lord's Fires and the Devil's Snakes." On Saturday night, he will discuss, "The Jailbreak at Philippi," and Ted Cotten will sing "The Holy City."

Tonight, the evangelist's subject will be, "Salvation and Rewards."

Farm Income Is Over Last Year

AUSTIN, April 18. — Texas farmers made \$140 during January and February for every \$100 they averaged for the first two months of last year.

Data released today by the University of Texas Bureau of Business Research show that the farm cash income in Texas during the first two months this year surged upward to at least 177 million dollars — 52 million more than the corresponding 1950 figure.

Wheat is the only grain crop tabulated that brought farmers less total cash during January and February than during the same months last year. The income from wheat this year surged upward to at least 249 thousand dollars. But corn income gained by 15 percent, rice by 26 percent, and oats by 29 percent.

No appreciable sales of wool were recorded for the first two months of 1951, and mohair sales were down 96 percent. With the end of the cotton year in sight, cotton sold by farmers during the January - February period declined 59 percent from 1950. Cottonseed sales slumped 44 percent.

Livestock income showed spectacular advances, far above expectations. During January and February, total cash income from cattle rose 100 percent over 1950 and calves brought farmers 321 percent as much money as during the same time last year. Sheep, lambs, and hogs nearly doubled their 1950 cash yields.

Farm income from poultry was 263 percent higher during these two months of 1951 than in the same months of 1950. Egg revenue was up 200 percent for the same time comparison.

Dairy revenue totaled \$35 million during the first two months of this year, 82 percent above the 1950 level.

Texas production of fruit and vegetables was drastically reduced by January and February freezes, with income down 43 percent from January - February 1950.

Tillery Selected For Navy Course

NEW ORLEANS, April 20.—Patrick A. Tillery of Cisco, Texas, has been selected as a candidate by the Navy's Bureau of Naval Personnel for entry into the Naval Reserve Officer Training Corps program, Eighth Naval District headquarters here has announced.

Texas had 84 candidates and 21 alternates in the competition. Tillery was listed among 1800 successful candidates who must next be accepted for admission by an NROTC college or university of their own choice beginning with the fall term of 1951. Accepted candidates get a four year NROTC scholarship.

The 1800, plus an alternate group of 450, were selected from 34,000 high school seniors or graduates who applied for the program last fall. Applicants participated in the Naval College Aptitude test last December.

State quotas were made on a percentage basis of male high school graduates in each state during 1949. State selection committees, each composed of a prominent educator and businessman from the state, and to Navy Captain or Marine Corps Colonel, named those best qualified based on final tests, interviews and examinations.

Of a 211 total for the Eighth Naval District states of Arkansas, Louisiana, Oklahoma, Texas and New Mexico, 168 were primary selectees and 43 were alternates.

Local Livestock Men Win 5 Show Awards

Five of the 11 blue ribbons awarded at the annual Eastland County Dairy Show held Wednesday in Eastland went to exhibitors from Cisco, it was reported today by the Eastland County Dairy Association.

A total of 109 blue, red and white ribbons were awarded to exhibitors in the show which drew jersey, holstein, guernsey and brown swiss dairy cattle from every point of the county.

The judging was on a classification basis with the animals competing against the ideal dairy cow and not against each other. The judges were high in their praise for the quality of the animals exhibited. Many of the prize winning animals were heifers and young cows given to club boys of the county under the Youth Dairy Program.

A. M. Meekma, dairy specialist from Texas A. & M. College, of the extension service, was judge for the show. He explained that the judging is done on a point basis. The animal's head and neck has a possible point total of nine points, the body and legs, 39 points, the udder, 36 points and the size and general appearance 16 points, making a possible point total of 100 points. In the judging, points are taken away for each portion of the animal which does not meet highest ideals.

Blue ribbon animals at the show were shown by V. L. Jones, Ranger; Jerry Tones, Ranger; A. Z. Myrick, Cisco; Byron Gailey, Ranger; Buddy Aaron, Eastland; Franklin Myrick, Cisco; Vergil Cozart, Cisco; Dan Jobe, Cisco; Raymond Sprawls, Cisco (two blue ribbon animals); and Marshall Berry, Carbon.

Red Ribbon awards were made to A. L. Thomas, Cisco; Sandra Jean Berry, Carbon; Billy C. Caraway, Carbon; Lawrence Ingram, Scranton; Rosemary Berry, Carbon; Brooks West, Rising Star; A. L. Thomas, Cisco; Billy Ferguson, Ranger; Marshall Berry, Carbon; Edwin Hattox, Gorman; L. R. Higginbottom, Gorman; Raymond Sprawls, (2 animals); Cisco; Don Webb, Eastland; Clyde Herring, Eastland; A. Z. Myrick, Cisco; Tommy Moody, Ranger; John J. Joyce, Rising Star.

Former Aggies To Muster Saturday

Former students of the A. & M. College of Texas who live in Stephens, Eastland, Callahan, Young, Throckmorton and Shackelford counties will gather at the American Legion Hall in Breckenridge at 6:30 p. m. Saturday to carry on a tradition that is 48 years old. They will attend the annual April 21st Muster of Texas A. & M. men which has been held since 1903.

The Breckenridge Muster meeting will be one of more than 375 similar ceremonies held all over the world where Texas A. & M. College former students pay homage to their fellow Aggies who have passed on, and humble tribute to the Texans who won the freedom of the state at the Battle of San Jacinto near Houston some 115 years ago.

Tom Ford, chairman of the Muster, urged all A. & M. men to attend the April 21st Muster program. Mr. D. W. Williams of A. & M. will be the principal speaker.

The April 21st Muster is one of the greatest traditions to be found in American colleges and universities, and thousands of A. & M. men participate in the program of tribute and homage each year.

Orientation Class Will Be Taught At First Baptist Church

A new organization known as the Pastor's Orientation Class will be inaugurated at 6:45 p. m. Sunday at the First Baptist Church. Planned to appeal to members of the congregation who do not attend Training Union, the class will be studying the general theme, "Your Life and Your Church."

Rev. Ralph T. Wootton, pastor, said that everyone was invited to attend this class although the number in the class would have to be limited to 40.

Rev. Wootton was expected to return from Dallas today and fill his pulpit here Sunday.

Scotch Foursome Tournery Is Planned

Pro Bill Dill of the Cisco Country Club reminded local golfers of a Scotch Foursome planned at the club golf course for Wednesday, April 25.

Dill urged all golfers to participate and to turn their names in to him at the pro shop not later than Wednesday morning.

TO BRITISH INDIES

Mr. and Mrs. Arthur Teague and children, Oral, Shirley and Jimmie, former residents of Cisco, are making plans to leave for the British West Indies on May 11, for six to seven months. Mr. Teague will be employed there by the Independent Exploration Co. The family is now living in Houston.

JURY SERVICE MONTH

Out of Texas' 7,000,000 citizens, there are 500,000 eligible jurors. Of this group, 115,000 would, if summoned, decline jury service this year. That figure is based on statistics compiled from the experience of Texas courts in 1950, wherein 23 percent of those summoned asked to be excused.

In an effort to impress upon Texans the vital importance of preserving their right to trial by jury, May has been proclaimed "Jury Service Month" by Governor Allan Shivers. "Jury Service Month" is sponsored by the American Citizenship Committee of the State Bar of Texas, and Texas Press Association.

Los Angeles, Cal.—Walt Disney, West Coast Chairman of the Schools For Defense art program, children's national art project, explains it to Kathryn Beaumont, Disney, as a member of the National Cartoonists Society which is co-sponsoring the Schools For Defense project to stimulate Defense Bond purchases in the national emergency, has been deluged with entries from his region. School children in grades four through seven have until April 23 to enter the project. Their illustrations of family thrift goals being achieved through regular bond buying on the Payroll Savings Plan are to be sent to their local State Savings Bonds Director. The project will be climaxed in May when a representative group of sketches selected by the Society will be placed on exhibition in the White House.

Governor Shivers, in a proclamation designating "Jury Service Month," pointed out that "Justice is the natural and inseparable companion of Freedom, and must constantly be upheld, whoever be the person and whatever the circumstances. . . . This system of free courts can be maintained only as long as the citizenry assumes a willing and intelligent attitude toward jury service. For our system of trial by jury is one of our most basic freedoms."

The Texas Senate and House of Representatives passed a joint resolution prepared by Senator Dorsey Hardeman, pointing out that "the great differences between a dictatorship, in which all subjects are slaves of the ruling minority, and the government has the inalienable right to a speedy and public trial by an impartial jury"

Shepherd explained that the primary objective of "Jury Service Month" is that no Texan will ask to be excused from jury service during the entire month of May. Massengill, in discussing the project, said that, while Texas lawyers and judges are more mindful of the present threat to our free court system, the newspapers also carry a tremendous responsibility to keep constantly before their readers the values of all our basic freedoms. "This is particularly true now, when democracy faces a severe test in the balance between our way of life and foreign ideologies. Therefore the newspapers of the state are more than glad to join the State Bar of Texas in working to preserve and perpetuate our free courts and the right of any individual in this country to trial by jury."

Civic clubs and schools over Texas are being invited to take part in the observance of "Jury Service Month" by planning programs around the importance of a willing and intelligent attitude toward jury duty. Jurors serving during May will be given special recognition.

Helen Marie Thompson Honored On Birthday

Mrs. Bill Thompson honored her daughter, Helen Marie Thompson, with a party Thursday on the event of her third birthday. The party was held at the family residence.

The guests played games and the honoree opened packages brought by the guests.

Refreshments of cake and cocoa were served to the following: Larry and Sharon Wilson, Barbara and Johnny Tabor, Gary and Donnie Joe Hamrick, Carolyn and Nancy Lenz, David Cates, Peggy Isabel, Larry and Jeane Thompson, James Tabor, Jolene and Necia Gay Burnam, and the honoree.

Christian Group Has Meeting On Tuesday

Group one of the First Christian Church met Tuesday in the church. The meeting was called to order by the president, Mrs. Raby Miller, and the opening prayer was given by Mrs. H. H. Davis. The devotional on "The Life Of Jesus," taken from the First Chapter of Mark, was given by Mrs. Stockard. It was decided to send aid to the Orphans Home. The meeting was dismissed with the missionary benediction.

Those present were: Mesdames H. H. Davis, W. C. Hogue, Sam Kimmel, Bob Winston, Carl Lamb, Rex Moore, J. S. Stockard, Raby Miller, and Miss Marie Winston.

A GARLAND FOR JUDY—After her nightly success with audiences at the Palladium in London, England, a happy Judy Garland holds a box of white roses sent by her five-year-old daughter, Liza. Judy plans to do some singing all over Europe before she returns to Hollywood to make a picture with Bing Crosby.

Mrs. Lauderdale Is Hostess For Meeting

Group Three of the First Christian Church met Tuesday in the home of Mrs. Dick Lauderdale. The chairman, Mrs. Jim Flournoy, presided over the meeting. The opening prayer was given by Mrs. J. R. DeArmond. The devotional was given by Mrs. Otho Kean. Mrs. Willie Rue Logan brought the mission lesson.

The minutes were read and fifteen members responded to roll call. A social hour followed.

Imitation of a Fisherman

Tommy has borrowed Daddy's rod and reel, a can from the kitchen waste-basket, and a couple of worms from Mama's flower garden. Now Tommy's going fishing—just like Daddy and big brother Bill.

Children like to grow-up by imitation. Even though Tommy won't catch any fish, it's fun to pretend to be a real grown-up fisherman.

The counterpart of imitation is example. That is the blueprint that Daddy and Mama and big brother Bill provide for Tommy's adventure of growing-up.

But the Church has had a vital part in Tommy's growth. Before Tommy was even born, the Church was teaching his parents and his brother the Master Blueprint of Christian Living. And right now, while it's teaching Tommy the first lessons of faith, the Church is helping Daddy and Mama and big brother Bill set the best example.

THE CHURCH FOR ALL . . .

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his children and nation. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. *Plan to go to church regularly and read your Bible daily.

Life Prospects Of Young People Are Brighter In 1951

AUSTIN, April 19—Young people getting married in 1951 have much brighter prospects of living healthier, longer lives together than their grandparents had, State Health Officer George W. Cox has optimistically disclosed.

He also said that many health safeguards offered to young people today "assure a better chance of raising their children to healthy adulthood unmarked by disease."

"Constant supervision by health officers keep food, milk, and water supplies pure and wholesome," the health officer asserted, "and communicable disease are controlled better today than ever before through the efforts of an intelligent citizenry, the medical profession, and public health workers."

Children born into today's world are protected by immunizations that were unheard of two generations ago, and the common sense measures that parents take to protect their own health also protect their children, the doctor indicated.

A complete physical examination, including a blood test, before marriage is "part and parcel of better family living," in the mind of Dr. Cox.

"Blood tests are sensible precautions against the possible spread of syphilis. More and more people are displaying their natural intelligence by taking blood tests."

Also part of planned living, he believes, is for every expectant mother to have her blood tested as required by law. This would entirely eliminate congenital syphilis, because the diagnosis would be made early.

"Competent care is all that is necessary to prevent the birth of a syphilitic child. If the mother is found to be infected, and treatment is started at once, it is very likely the child will never be touched by the disease," the health official advised.

MODERN AERIAL WARRIOR—Surrounded by a multitude of necessary instruments and himself superbly equipped for high-speed, high-altitude aerial combat, this jet fighter pilot (left) has a minimum of space for the charts by which he navigates his F-84 jet fighter and makes safe landings when his mission is completed. It's the job of the Aeronautical Chart Service to provide him with charts of the right kinds and sizes. Right, Flight Leader Capt. James Brooks explains to Wingman Lieut. Hockman the instrument let-down procedure at their destination. These jet pilots examine a new, experimental type of jet arrival let-down chart which provides all the information necessary for safe landings despite its midsize size. Only 4 1/2 by 7 inches, it fits into the easily reached leg pocket of the pilot's flying suit, a great advantage in the limited space of a jet cockpit.

GEN. RIDGWAY DIRECTS ATTACK AT DAWN—The commander of the 8th Army in Korea talks with Maj. James H. Lee, of Dallas, Tex., during the former's inspection of a front line position. Right, Tanks and infantrymen of the U. S. 24th Division move up during early morning attack against Communist positions.

AID FOR KOREAN REFUGEES FROM MARINE CORPS LEAGUE—Leathernecks pass out gifts of clothing and toys to thousands of Koreans as fast as the crates of goods arrived in the desolated country. Left, Sgt. Thomas D. Prutzman, of the Fifth Marines, helps Korean boy try on a pair of trousers. Right, Sgt. Prutzman holds a baby while the mother examines an article of clothing sent by the Passaic, N. J., detachment. Prutzman is a son of Mr. and Mrs. William Prutzman, of Wilkes-Barre, Pa. His wife lives in San Diego, Calif.
