

The Gay Philosopher

By J. W. S.

ON ANOTHER PAGE in today's edition of The Press is a tribute that a group of local business firms and individuals are paying to the Cisco Volunteer Fire Department. And it is time for this is Fire Prevention Week in Texas.

Members of the fire department are shown on the page. Their fire truck, containing safety equipment, also is pictured. As you know, our fire department is manned by volunteers. They are men who have other jobs and fight your fires for free.

The safety equipment was brought to make your chances of survival a little better. And it was paid for partly by the firemen, whose unselfish desire to serve their fellow man seems to grow with their years of service.

Your tax bills would be considerably higher if these volunteers were not available at the sound of a siren — day or night. On the credit side, you have seen your insurance rates reduced from time to time due to the record of the fire department. A major reduction became effective October 1 of this year.

Most of us are usually too busy to count our blessings and pay tribute where tribute is due. But you can slap a fireman on the back any day this week and say, "Well done, we're proud of you." Look over the special page, and thank the sponsors in expressing appreciation.

When a group of local farmers and ranchers decided to pass the hat and buy fire fighting equipment for use in rural areas, local firemen volunteered to maintain it and man it, when needed. This is another example of their value to our city and another reason why we should appreciate their fine work.

OUR SCOUTS report that Cisco people were on hand in good numbers last night as the Junior High Midgets won a 21-to-0 victory over the Eastland Juniors. Some 500 local people almost filled up the east stand at Maverick field, and it was estimated that 100 or less Eastland people were on the other side.

Next week is Ranger Week in Cisco. The Ranger juniors come over Tuesday night to play the Midgets, and on Friday night, the Ranger Bulldogs meet our Lobos here. Ranger plays Coleman at Coleman this weekend, so you can get a pretty good idea how the two teams will stack up after the game. Cisco won over Coleman, 14 to 12, recently.

Coach Jack Everett tells us that he doesn't plan to go down to Coleman to see the game, and he is discouraging the Lobo players from going. He will have a scout there, however.

THINGS ARE looking up out at the Lake Cisco Skating Rink, which The American Legion Post operates. The new plastic floor material arrived last Saturday and the boys have been applying it. Most of the painting work has been finished. They'll be open with a new floor, new paint and new skates soon.

THE VFW IS sponsoring an annual drive to benefit the polio foundation at Gonzalus. There's a little girl from Cisco in the foundation, so you will want to drop your coins in the containers over town. It's a worthwhile investment, and the VFW is due a big hand for sponsoring this drive again this year.

RECRUITING OFFICE OPEN The U. E. Army and Air Force recruiting offices at Eastland will be open from 7 to 9 p. m. Wednesday for the benefit of married men who have no children and who might want information regarding the services. A new draft policy calls for childless married men to be inducted into the services.

To Open Farm Bureau Drive

Kitchen of the farm home of E. V. Stevens, Reagor Springs, President Ellis County Farm Bureau, where J. Walter Hammond, President Texas Farm Bureau Federation, launched the organization's fifth annual membership enrollment program Thursday morning, October 11, in a broadcast over the Lone Star Chain Network. W. A.

(Doc) Ruhmann, farm editor, Station WBAP, was master of ceremonies. This is typical of some 1,700 other such groups assembled at kick-off breakfasts throughout the state to whom the broadcast was directed. It is estimated that approximately 17,000 voluntary workers are today participating in the drive. State membership goal is 70,000.

Left to right are: Glen Odom, Ellis County Farm Bureau Service Agent; Mrs. Wynell Gibson, county office secretary; E. V. Stevens; W. A. (Doc) Ruhmann; Mrs. Stevens; President Hammond; Mrs. Doyle Robinson, a community worker; W. D. Bozek, county membership chairman; Mrs. L. B. Splawn, chairman for the Reagor Springs community.

SEVEN LOBOES AILING AS WORK BEGINS FOR NEXT WEEK'S GAME

Coaches Jack Everett and Carroll Tatum were looking forward to an open date this week to give their crippled Cisco High School Lobos needed time to recover from wounds before they go into their AA-10 conference schedule next week.

Seven Lobo starters were ailing as practice began Monday for the game with Ranger on October 19 at Chesley Field. Doug Johnson, the triple-threat backfield sparkplug, was limping on the "other" knee. The knee that had bothered him for a year came through the Balinge game in top form, but he hurt the other one in the middle of the third period and left the game.

Field General Robert Jackson's bruised leg was gaining strength and he is expected to be back in top form next week, but he still is sitting out on the rough stuff. Guard Herbert Coats, whose sprained ankle has kept him on the sidelines for the past two games, is a doubtful starter in the next battle. He still hasn't returned to practice.

Red Melton, the guard with an educated toe, is probably the most seriously injured. He has a sprained ankle and a bruised leg muscle. He wasn't expected to suit out again before next Monday.

Other ailing Lobos include End Jimmy Webb, sprained ankle; Bobby Black, bruised knee; and Hughes McCrary, influenza. The week's training program called for a review of the game's fundamentals — blocking and tackling. Coach Everett was far from pleased with the work of his line at Balinge, pointing out that on several of the long Ballinger runs his tacklers were getting their hands on the runners but let them get through.

Emphasis was being placed on readying a "B" team lineup for a game against May's first string at May this Thursday night. The probable starting Lobo "B" team will include Bobby Qualls at center, H. L. Coats and Max Poyner at guards, Benny Edwards and Mack McCauley at tackles, Gerald Bint and Jim Reynolds at ends, with a backfield composed of Boy Gallagher, Marcos Gallegos, Bobby Cleveland and Albert McCurdy. Due to this being an off week for the Lobo "A" team, the "B" eleven will be strengthened by several first string studs who seldom play. A large delegation of students and fans will accompany the team to May.

Inspection Jobs Will Be Filled In Federal Tests

Applications are being accepted now in many branches of inspection activity, Paul H. Figg, Director, Fourteenth U. S. Civil Service Region, Dallas, announced today. The work involves inspection of a variety of engineering products and equipment in connection with the rearmament program, Figg said. Some of the responsible positions covered by the announcement are inspectors of chemicals and allied products, electrical equipment, wood products, machine parts, ordnance and accessories, motor vehicles, and petroleum.

Inspection Party Finds Few Flaws In Housing Units

An inspection party of Public Housing Administration officials, architects, local authority members and others toured the new Cisco Housing Authority property here Tuesday and found only a few minor details to be completed before releasing the contractors.

Chairman S. H. Nance of the Cisco Housing Authority reported that the inspection party was highly pleased with the project. He believed that most of the corrections suggested by inspectors would be made this week. The electrical work was given an excellent rating. A few plumbing changes were recommended. Mr. Nance said that a date for opening the 52 apartments to tenants could be set within a few days. A formal opening will be planned to give the general public an opportunity to inspect the apartments.

Half Of State's Cars Expected To Fail Inspection

AUSTIN, Oct. 6.—Almost half of the cars now operating in Texas may fail the new state-required inspection, an expert believes. George Busby, chief of the inspection division of the Texas Department of Public Safety, says he hopes 50 per cent may be a bit high but that he fully expects 40 per cent to fail.

City Council Prepares For Publishing Back Tax List

Members of the city council studied a list of several hundred delinquent taxpayers, both real estate and personal, at their semi-monthly meeting Tuesday night. The list contained the names of all delinquent taxpayers to date.

Mayor G. C. Rosenthal and the commissioners decided to check the list to be sure it is complete and correct before publishing it within the next ten days. The council decided several weeks ago on a policy of publishing a list of delinquent taxpayers probably twice each year. By publishing the lists, the council hopes to avoid having to resort to the courts to collect delinquent taxes, Mr. Rosenthal said. He pointed out that "our city budget depends upon tax collections, and we must collect the taxes to keep out of the red."

WRANGLERS OVERHAUL RUNNING ATTACK FOR THURSDAY CONTEST

Coaches Scot Russell and Paul Mosley continued to remodel their running formations in practice Tuesday as their Wranglers prepared for a conference football game here at 8 p. m. Thursday against Blinn Junior College of Brenham.

It appears that the Wranglers will operate from a double wing formation with variations of spreads. There will be more running with the ball with passing mixed in. The T-attack, with which the Wranglers opened their year, appears to be a thing of the past. In practice Tuesday, the Wrangler double wing attack looked good. Working in the backfield were Fene Eddings, Wayne McClain, Burl Moses and Carroll Chambers. Replacements from time to time included Larry Neidholt, Rex Moore, Bob Powelson

City Council Prepares For Publishing Back Tax List

Briefly Told

Mr. and Mrs. Sutton Crofts and daughter, Dot and Dash, spent the weekend in Austin visiting their daughter, Carolyn, who is enrolled at University of Texas.

C. N. Wagley was dismissed from the Ranger Hospital Saturday and has returned to his home.

George Waters is recovering from a broken shoulder.

John Alvey was admitted in a hospital in Wichita Falls Monday for treatment.

Mr. and Mrs. R. C. Isbell and daughter, Peggy, spent the weekend in the home of her son and family, Mr. and Mrs. Homer Lee Williams at Mineral Wells. They were accompanied home by her grandchildren, Marion Sue and Larry Don, for a visit.

Mrs. John Speir has returned from a visit in Ballinger in the home of her sister, Mrs. H. Ford Taylor.

Mr. and Mrs. Elmer St. Clair and daughter, Erwin Earl, of De Leon visited in the home of her sister, Mrs. S. H. Nance, Tuesday afternoon.

Mr. and Mrs. Sam B. King and son, Milton, accompanied by Mr. and Mrs. D. P. King, spent Sunday in the home of Mr. and Mrs. M. B. Magil of Dallas. Mr. Magil has been confined to his room and Mrs. Magil is recovering from a leg injury.

Mr. Joe Clements of Cisco underwent major surgery early Monday in St. Paul's Hospital in Dallas and her condition was described as fair today. Mr. Clements returned home late Tuesday.

UNDERGOES SURGERY

Mr. and Mrs. Leon Cagle and daughter, Lavelle, spent the week end in Fort Worth.

MIDGETS TRIUMPH 21-0 OVER EASTLAND TO KEEP SLATE CLEAN

An alert Cisco Junior High School Midget eleven took advantage of three breaks to score a 21-0 victory over a fighting Eastland Junior High team in Eastland Tuesday night to remain undefeated in the 1951 football season. The Eastland team stymied the Cisco running attack for most of the night and the fighting Midget line held the Eastland team to minus one yard on the ground. The Midgets gained a net of only 47 yards during the game and completed only one pass out of five attempts. The Eastland team completed two passes in four attempts. One went for 20 yards and the other was completed at the line of scrimmage for no gain.

One went for 20 yards and the other was completed at the line of scrimmage for no gain.

Christmas Shopping Season Will Open Here On Nov. 26

The Christmas Shopping season will open in Cisco on Monday night, November 26, with the annual Treasure Hunt, it was decided Tuesday afternoon at a meeting of the Merchants Credit Association. Street and store decorations will be ready for that date and all stores will hold open house. The Treasure Hunt has been an annual feature for opening the Christmas season here for the past three years. In this event, local merchants will contribute hundreds of dollars worth of fine gifts for the Treasure Hunt. A feature of the season will be downtown appearance of the Cisco Junior College chorale club for a program of Christmas Carols on December 8. Chairman Nick Miller of the Christmas Activities Committee estimated that some \$600 would be needed to finance the street lights and season features. A

committee will be formed soon to collect the money. A committee of merchants will meet soon to study the Appreciation Day program and to determine its future. President Homer Ferguson, who presided over the meeting, announced the appointment of several standing committees, including the following: Christmas program — Nick Miller, J. S. Duff and L. A. Hooker. Public Relations — Zan Burroughs, F. B. Aitman, and A. D. Anderson. Membership and Finance — Charles S. Sandler, J. P. McCracken and Charles Graham. Legislative — Charles S. Sandler, J. W. Sittion, Mrs. Myrtle Anderson, Nick Miller, Mrs. Barton Philpott, Zan Burroughs, Austin

Flint and George Boyd. Attendance — Bob Elliott, W. H. McNally, Mrs. Barton Philpott and Mrs. Earlene Gilmore. Trade Extension — Austin Flint, J. W. Sittion, E. G. Damron and Standlee McCracken. Mr. Ferguson announced that the consumer credit series has been added to the home economics department, the agriculture department, distributive education and commercial law at the high school to be taught this year. It was decided to continue holding quarterly luncheon meetings. Present at the meeting were Mr. Ferguson, Ona Moore, L. A. Hooker, Elizabeth McCracken, Nick Miller, J. W. Sittion, R. W. McCauley, N. C. Huston, Austin Flint, A. D. Anderson, W. R. Huestis, E. G. Damron, J. W. Slaughter, Pete Rumley, Lannie Mancil, Myrtle Anderson, S. H. Nance, George Boyd, A. G. Sander and Mrs. Lucile Huffmyer.

\$200 Contributed For Fire Truck

Members of the city council studied a list of several hundred delinquent taxpayers, both real estate and personal, at their semi-monthly meeting Tuesday night. The list contained the names of all delinquent taxpayers to date. Mayor G. C. Rosenthal and the commissioners decided to check the list to be sure it is complete and correct before publishing it within the next ten days. The council decided several weeks ago on a policy of publishing a list of delinquent taxpayers probably twice each year. By publishing the lists, the council hopes to avoid having to resort to the courts to collect delinquent taxes, Mr. Rosenthal said. He pointed out that "our city budget depends upon tax collections, and we must collect the taxes to keep out of the red."

The council studied the proposition of naming a water department superintendent to take the place of Norman Burriss, who resigned several weeks ago. No action was taken at the meeting. Mr. Rosenthal reported that the paving of Avenue L cost about \$1 per square yard by using city equipment. It was indicated that additional paving may be undertaken where property owners want to contribute to the cost. It was noted that the city was able to pave the street at about 60 per cent of what a commercial company had been charging for the work.

The city voted to contribute \$200 to a fund with which area farmers and ranchers are buying a new fire truck. The truck will be kept at the city hall and will be used to fight grass fires. It will be manned by city firemen, and while it is primarily for use in fighting rural fires, it will be used in the city if needed. Mr. Rosenthal reported that a highway department crew is here building a railroad crossing signal at the Avenue D intersection. Equipment is being shipped here for a 6th Street signal. Regular department reports were made and monthly accounts were authorized. Present were Mayor Rosenthal and Commissioners J. P. McCracken, J. L. Stafford, Joe Britain and J. W. Slaughter, City Secretary Hal Lavery and City Attorney Edward Brown.

The Merit System Council is announcing a new series of examinations for positions with the State Department of Public Welfare and the Texas Employment Commission. Examinations will be given for the positions of stenographer, typist, clerk, key punch operator, tabulating equipment operator, senior child welfare worker, and farm placement interviewer. The examinations for these positions will be given on November 17, 1951.

## GAS INDUSTRY IS EXPECTED TO PROTEST NEW GATHERING TAXES

AUSTIN, Oct. 10 — It is fully expected that the gas industry taxed for pipe line gathering by the Fifty-second legislature will pay under protest next month, the prelude to a contest over constitutionality. This will tie up the \$15,000,000 due to come from this levy for farm-to-market roads, but members were warned during the session that the measure violated the federal constitution in taxing interstate commerce.

If the proposed amendment to the state constitution is adopted November 13, Governor Shivers will call a special session early next year for the purpose of carrying out the amendment that will provide \$7,000,000 more yearly for those on old age assistance rolls. There have been rumors that if the gas gathering tax funds are tied up in the courts this coming special session may be forced to pass some new taxes, but just why is a mystery since the general revenue fund now has a surplus of \$30,000,000 and to appropriate \$7,000,000 for old age assistance would obviously call for no new taxes of any kind.

Governor Shivers himself has stated no new taxes would be needed because the state government is in excellent financial shape.

The amendment lets down the bars, apparently permitting any over 65 who are residents share in the fund. There is a dispute over the problem, which is serious. John Winters, Director of the Public Welfare Commission, and in a position to know, insists that that amendment does not automatically repeal the five year law. But should it do so then thousands of "residents" will seek this social security bonus and as a result reduce all

of those on old age assistance rolls. Either that, or the legislature will be forced to enact a general sales tax whether it likes it or not. The legislature by concurrent resolution, perhaps, or at least by a clarifying law could make certain that Winters is authorized to carry out the five year status, and end the muddle. This would be of great benefit to the old folks.

Chief Engineer Jack Baumeil of the Texas Railroad Commission belittles a report that Texas gas reserves are rapidly playing out due to exports. At the present rate of consumption Texas gas will last at least 26 years and more fields are being discovered, he said. "Somebody is just off the beam", he added.

Over in Louisiana, A. O. Rappeil, state senator running for governor, has a platform which all candidates in Texas for governor, legislature or any other public office would do well to seriously consider. He is sponsoring a bill to put a definite ceiling on state taxes meaning no new taxes, so as to encourage development of industries. The more industries the more jobs. And yet Louisiana has a production tax of only \$1.03 on sulphur while the Texas levy is

shape.

\$1.40 a ton. But Louisiana is rapidly developing its sulphur industry. Unquestionably the Fifty-second legislature had a conservative financial record since it did not increase total appropriations over the last preceding session, although it had become a custom to greatly increase. Although the Fifty-second wanted to decrease the enormous travel cost of state officials and employees, somehow there was no reduction in this respect, even if a large number of automobiles were ordered sold. For the appropriation bills as finally passed reveals that close to \$4,000,000 will be spent for travel during the biennial period. Taking in only some of the larger travel appropriations the highway patrol division got \$450,000; drivers license division \$80,000; public safety commission, \$365,000; liquor control board, \$420,000; livestock sanitary commission, \$168,000; public welfare commission, \$310,000; Agricultural commission, \$157,000; fire insurance commission, \$102,000.

"I've driven 50,000 Miles, so I know!"  
**'50,000 Miles No Wear'**  
with New Conoco Super Motor Oil!  
says John Orabood  
Crop Duster  
Ordway, Colorado

**"For a man who makes his living in a plane, I sure put a lot of miles on my automobile,"** says John Orabood, crop duster. "Contacting customers and looking over fields keeps me on the road. So when I heard about 50,000 Miles—No Wear, I changed over to new Conoco Super Motor Oil."  
**"I've driven more than 50,000 miles since then. So I know... 50,000 Miles—No Wear has sure been true for my car. It runs just like new, and the gasoline mileage is fine. And Conoco Super works just as well in my airplane, too!"**

**Change Now—For Summertime Performance All Winter!**  
Protect your engine from winter's rasping wear. Change to new Conoco Super Motor Oil, with OIL-PLATING. Get quick starts, fast pickup, better performance all winter.  
**Proof of 50,000 Miles—No Wear!** After a punishing 50,000 mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Factory finishing marks were still visible on piston rings! Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

Ask Me About "50,000 Miles No Wear!"

# We Pay Tribute To The CISCO VOLUNTEER FIRE DEPARTMENT

During

## **FIRE PREVENTION WEEK**

And Every Week Throughout The Year

They are the boys who willingly sacrifice their time in a never ceasing effort to protect the property and the lives of all of us in Cisco—They deserve our praise and our thanks — Let's help them — and ourselves by removing hazards and by practicing carefulness at all times.

We want you to meet and know those who are interested in your welfare — They are your friends, so you many know them we give you their pictures.

Another evidence of the Cisco Fire Department's desire to give Cisco the best protection is the new Emergency Rescue Unit pictured above. It is equipped with the latest safety devices and a Resusitator which is available when needed at any hour — day or night. Very few towns twice the size of Cisco can boast of equipment like this — and most of the cost was borne by the department itself.

## SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

### Christian Group One Has Meeting Tuesday

Group One of the First Christian Church met Tuesday, October 9, in the basement of the church with Mrs. G. W. Swartz as hostess.

The meeting was called to order by the chairman, Mrs. J. M. Flournoy. Mrs. J. R. DeArmond led in the opening prayer and gave the devotional on "Fellowship," taken from the study book, "Beginning at Jerusalem." Mrs. J. M. Flournoy gave a talk on the Indians in New Mexico and their form of worship. A short business session followed and the meeting closed with the missionary benediction in unison.

A social hour followed and refreshments of ice cream and cake were served to Mrs. Edward Brown, Mrs. F. N. Hooks, Mrs. C. B. Powell, Mrs. W. R. Winston, Mrs. Cora Davidson, Mrs. K. Kate Berry, Mrs. J. R. DeArmond, Mrs. J. M. Flournoy, Mrs. Leon Cagle, Mrs. G. W. Swartz, and Miss Marie Winston.

der, called the meeting to order with opening prayer by Mrs. Standlee McCracken. The devotional, "Before Councils," taken from the book "Beginning at Jerusalem," was given by Mrs. V. C. Overall. The program on home missions of the church was given by Mrs. Bob Ellison. She called particular attention to the All Peoples Church and Community Center in Los Angeles. A love offering was taken and routine business transacted. The meeting closed by all repeating the missionary benediction.

Refreshments were served to Mrs. Coy Warren, Mrs. V. C. Overall, Mrs. Bob Ellison, Mrs. Bob Siddall, Mrs. James Denton, Mrs. Standlee McCracken, Mrs. Ray Clark, Mrs. L. C. Burzowski, Mrs. Don Choate and the hostess, Mrs. Latson.

Mrs. H. H. Thompkins will leave Friday for Salton to visit with her son and family, Mr. and Mrs. Spec Thompkins. They will all attend the Texas Tech-T. C. U. game at Lubbock Saturday.

### Mrs. Latson Hostess For Christian Group

Group Four of the First Christian Church met in the home of Mrs. J. H. Latson, Jr., on Tuesday, October 9, for a regular meeting.

Mrs. James Denton, group leader.

### G.A.'s Have Meeting Tuesday Afternoon

The G. A.'s of the East Cisco Baptist Church met Tuesday afternoon at the church for their regular meeting.

A program was presented and the group joined in sentence prayer. The watch word and allegiance was said in unison. The meeting closed with the prayer song.

Those present were: Shirley Ann Fowler, Annette Thomas, Kay Pelfrey, Lavonne Harrelson, Sherry Lee, Glenda Hughes, Lorelei Lipsey, Peggy McCormick, Betty Hodnett, a new member, Dianne Nichols, Mrs. B. F. Thomas and a visitor, Mrs. H. H. Harrelson.

Bucking the Line of Scrimmage —

... if we may borrow from football parlance, is the sort of exercise that toughens fibre and prepares the participant for heavy duty ahead. As in sports, so it is with those who attain success in life. The weak falter while the strong survive. Getting the job done is bucking the line, a sure demand of the public in business life. Some call it Success, but we like to think of it as a lot of hard work. In a nutshell, that's it!

**Rheumatism Arthritis Pains Relieved**  
IN FEW MINUTES  
with Doctor's External Prescription

Make This 24 Hr. Test

Enjoy blessed relief from swollen, aching joints, arthritis, rheumatism, sciatica, lumbago or neuralgia—or no cost to you for trying this prescription formula called Muscle-Rub, widely used by hospitals, massage parlors and gymnasiasts; also recommended by doctors, coaches and trainers for muscle soreness, strained ligaments, painful sprains and bruises.

To get safe, quick relief, simply apply this pleasantly scented liquid EXTERNALLY wherever you feel pain—limbs, joints, shoulders, neck, back. Note how much more comfortable you feel all day, how many hours of restful sleep you get at night.

"My patients and I are more than pleased. Warmth supplied soothes and produces circulation to carry off toxins. Nothing compares to Muscle-Rub for relieving the suffering from arthritic and kindred pains," states T. T. Connor, physiotherapist, Philadelphia.

**Money Back Guarantee**

Get Muscle-Rub today from your Druggist. Use half the bottle. If you are not delighted with results, return what's left to your Druggist, who will cheerfully refund your money. Regular economy or hospital size bottle \$2.25, or

## What's the fastest-growing line of trucks in America?

**LOOK** around you—in cities, on farms, at terminals and loading docks—wherever goods are moved on wheels.

More and more, the pay load's packed on a GMC.

You see those letters on medium and heavy Diesels, the most economical workers in their field. For GMC means first in Diesel power.

You see gasoline-powered GMC's front-running the highways of America—pacing the delivery of the necessities of peace and war.

You see nimble bantamweights of the family—the highest-powered 1/2- to 2-tonners made—outpulling, outhauling every other truck in their class.

Ever wonder why GMC is gaining a greater percentage of the industry than any other truck-maker?

Ask the truck drivers themselves.

See the confident way they talk of the power plants, the broad-shouldered chassis—the way a GMC handles.

Ask about the tons they've hauled, the miles they've logged—the nip-and-tuck schedules they've licked time and again.

Ask these cost-wary haulers why they've made GMC the fastest-growing fleet in the land.

They'll tell you it's because GMC is the finest motor truck made.

If you'll come in, we'll show you why we think they're right.

**GURNEY MOTOR COMPANY**  
105 West 9th Street Phone 795

You'll do better on a used truck with your GMC dealer.
