TALK ABOUT WET BASEMENTS!—This two-story house, a former dance hall, starts out on a nine-mile sea voyage from Kennebec Beach to Goose Rocks Beach, Me. It will replace a community hall burned out by a forest fire four years ago. The moving job cost \$4000—four times the cost of the building. It was towed to its new site by the tug at right.

## Country Paper Is Discussed In Talk At Rotary Meet

The country newspaper is here to stay because it is devoted largely to serving its community, Editor J. W. Sifton of The Cisco Daily Press told Rotarians in a talk Wednesday at their weekly luncheon meeting at the Victor Hotel.

Sifton noted that country newspapers devote themselves largely to reporting the local news and don't try to compete with big city dailies in the national news field.

He appeared on the program at the invitation of Rotarian W. H. McNally, who was chairman for the meeting.

Charles Graham, vice-chairman of the Rotary Committee to head the Community Chest Drive which is scheduled to begin Monday, made a short talk explaining what had been done in preparation for the campaign and urging all members to become active in the drive.

Visitors at the meeting were Rotarians Frank Pruitt of Abilene, Roger W. Patterson of Hot Springs, Arkansas, and Charles C. Loveless, Jr., of Roswell, New Mexico. Other visitors were Dr. G. M. Stephenson and Lt. R. J. Stephenson, Jr., both of Cisco.

## FINAL PLANS MADE TO BEGIN COMMUNITY CHEST CAMPAIGN

Final plans for the annual Cisco Community Chest drive were worked out Thursday afternoon at a meeting of drive and chest leaders at the Chamber of Commerce. The finance campaign will begin with a breakfast at 8 a. m. Monday at the Victor Hotel. Goal in this year's campaign is

\$4,200 to provide working budget needs for the Boy Scouts, the Girl Scouts, the ABC Club, the Teen-Age Hobby Club and the Cisco Welfare Association.

Scoutmaster J. V. Heyser, Jr., and Scout Troop 101 volunteered to help advertise the drive by distributing circulars. The boys will put out circulars Friday afternoon and Saturday. Boys in charge include Blair Paul, Ace Lucas, Jr., Bobby Woosley and Buddy Waters.

W. P. Guinn, division superintendent of Humble Pipe Line Company here, is the leader of this year's drive. The Cisco Rotary Club is sponsoring the drive, and the steering committee is composed of Charles Graham, co-chairman, the Rev. Ralph T. Wootton, E. P. Crawford, G. C. Rosenthal, Lawrence Davis, Jack Chambliss, W. B. Wright and J. S. Stockard.

Mrs. Barton Philpott is chairman of the women's house-to-house campaign, and a list of her committees will be announced Sunday. A list of the business district campaign workers will also be published.

The drive will open with a program at the breakfast. Mr. Guinn will preside, and Mr. Graham will explain the program. The Rev. Leslie Seymour, president of the Community Chest, will deliver a short inspirational address, after which supplies will be issued and the drive will begin.

The week of October 15-20 has been designated as community chest week in Cisco, and Mayor Rosenthal is expected to issue a proclamation for publication Sunday.

Coaches Carrol Tatum and Jack Everett used some of their "A" team substitutes in the game in order to give them experience for future games. They played every man they took on the trip.

### Six Farm Boys To Be Given Heifers

The Eastland County Youth Dairy Program will enter its second year Saturday when six 4-H Club and FFA boys receive dividend calves in ceremonies at Cisco Livestock Show grounds a mile north of town on the Moran highway. The meeting will begin at 2 p. m.

Mayor G. C. Rosenthal of Cisco, who is a member of the youth dairy committee, will be master of ceremonies for the program. Short talks will be made by County Agent J. M. Cooper and President A. Z. Myrick of the livestock show association.

The six boys selected by the committee to receive the calves — all purebred Jersey heifers — are: Ralph Berry, Cisco; Carl Sandlin, Carbon; Durwood Fussell, Rising Star; Clyde Moon, Eastland; Neil Tankersley, Morton Valley; and Gene Agnew, Cisco.

Under an agreement with the committee, the six boys will become owners of the calves if they deliver a heifer calf back to the committee within three years. The calves must be insured and will be inspected occasionally by the committee.

James Starr, Cisco High School FFA teacher and member of his class, will be in charge of the show grounds and arrangements for the meeting. The club boys who will deliver the calves to be given to the new boys have been asked to bring them to the show barn by 11 a. m. Sponsors of the calves have also been asked to attend the ceremonies. The new owners will be determined by drawing lots.

B. A. Butler of Cisco, secretary of the committee, has invited the general public to attend. The youth dairy program began last year with 18 calves being assigned to county farm boys. The six heifers represent the first dividend.

BROWNWOOD, Oct. 11. — William McCraw of Dallas, former attorney general of Texas and former state commander of the American Legion, will be a principal speaker when hundreds of high school seniors gather here at Howard Payne College Tuesday, October 16, for a Citizenship Conference.

In the Howard Payne College conference McCraw and former Congressman, Ed Gossett, now of Dallas, will discuss these things. In the afternoon the students will meet in occupational guidance group with business and professional men and counselors. McCraw has had an illustrious career as an attorney, as head consultant of the War Production Board in 1941 and 1942 and as an officer of the Air Service Command in World War II. ## Blinn College Triumphs 13-0 Over Wranglers In Game Here

The Buccaneers of Blinn College, Brenham, scored a touchdown in the first few minutes and another in the second period and then held on to win a 13-0 victory over the Cisco Junior College Wranglers in a conference football game here Thursday night.

The Wranglers, who heaved 49 passes and introduced a new running formation, couldn't seem to make their offense click. Rex Moore did a fine job of passing for the Cisco eleven, but his receivers couldn't hold the ball. The Wranglers dropped enough passes that appeared to be in their hands to have won the ball game. Several fumbles were costly to both teams.

The Wrangler defensive team, led by Don Darr, Henry Solters, Jarald Salter, J. C. Suggs, Wade Mitchell, Wayne McLean and others, was outstanding most of the night. Moore and Burl Moses led the offensive work. Carroll Chambers' punting was good.

Gene Eddings, fleetly Wrangler back, was injured in the second quarter and didn't get back in play. He turned in one good run of about 30 yards from scrimmage.

Cisco kicked off to Blinn to open the game. Dave Wallace, starting from his 34, got around for nine yards on the first play. Bill Gaskanp picked up a first down on the 46, and then he got loose for 23 yards to Cisco's 34. Four line bucks then netted nine yards and the ball went over on the Cisco 25.

Moore attempted a pass and Moses hit the line, fumbling on the Cisco 24. Elinn recovered. Powelson knocked down a pass, and then Ernest Feagin hit Gaskanp with a pass on the Cisco 7. Wallace drove over for a touchdown. The extra point was not good.

The Wranglers took the kickoff on their 25. Eddings got through for 26 yards to midfield. Three line plays lost 2 yards and Chambers punted to the Blinn 25. Three plays failed and Blinn kicked to the Cisco 36. The Wranglers missed three passes and punted back to the Blinn 29. Wallace and Thames made 13 yards to their 42 as the quarter ended.

Second Quarter The Wranglers then held and took a punt on their 22. Three line plays netted 7 yards and Chambers punted to midfield. Blinn couldn't go and punted to the Cisco 23. Moore hit Darr for a first down on the 50. Moore lost 10 yards, hit Moses for 8 and Blinn drew a 15 yard penalty, giving Cisco a first down on the Blinn 38. Moore lost 11 yards, a pass missed and Davis caught one for 4 yards. On fourth down, Chambers passed to Gibson for 16 yards and a

first down on the Blinn 26. Two passes failed and Moore lost 11 yards. Moore then hit Eddings for 18 yards, but the ball went over on the Blinn 19.

Darr and Solles hit Thames for a 13 yard loss, and Thames then circled for 14 yards. Blinn was penalized 5 yards, and then Thames took a 20 yard pass. Cisco was penalized 15 yards, giving Blinn a first down in mid-field. Wallace made 7 yards and Salter recovered a fumble on the Cisco 23.

Lubojsky intercepted a Cisco pass on the Wrangler 47. Powelson then intercepted a Blinn pass on the Blinn 48. Blinn held and took over on

their 41. A fourth down pass, Thames to Gaskamp, carried for 52 yards and a touchdown as the half ended. Holick converted.

Third Quarter Neidholt brought the kickoff back to Cisco's 33. Three plays failed and Chambers punted to Blinn's 27. Thames made 12 and then passed to Gaskamp for a first down on the Cisco 36. Thames lost 5 and Cisco was penalized 15 yards. Gaskamp got through for 10 yards. The Wranglers then held and took over on downs on their 24.

Moore hit Darr twice for 10 yards. Moses took a 5 yard pass and Gibson got one for a first down on the Cisco 47. Three plays then failed and Chambers punted to the Blinn 19. Spalding recovered a Blinn fumble on Blinn's 19.

Cisco drew a 15-yard penalty, Moore lost 14 yards and two passes failed, the ball going over on the Cisco 48. Cisco drew another 15 yard penalty, and Moses intercepted a Blinn pass on his 25 yard line. Moore hit Moses for 12 yards and Blinn was penalized 15 yards. Moore passed to McLean for 7 yards and two passes failed. Chambers punted over the goal. Three plays cost Blinn 8 yards and they punted to the Cisco 44. Moore hit Gibson for 29 yards to the Blinn 25. Moore's next pass was intercepted and brought back to Cisco's 47.

Fourth Quarter Blinn failed on three bucks and punted to the Cisco 18. Moore hit Neidholt for 3 yards and then passed to the Blinn 23 where Cisco recovered the ball after it touched the safety man. Moore's pass then was intercepted on the Blinn 9.

Wallace picked up 8 yards and Feagin hit Gaskamp for a first down on the 35. Powelson intercepted a pass on the 50. Moore lost 13 and Moses hit the line for 13 yards on two bucks. A fourth down pass failed and the ball went over on the 50. Bassett recovered a Blinn fumble on the Buccaneer 49. Blinn promptly intercepted a pass on their 43. A pass lost 13 yards and Blinn punted to the Wrangler 29. Moore and Neidholt made 12 yards, Moore passed to Gibson for 11 yards before the drive halted with Blinn intercepting on the Cisco 40. Four line bucks failed and the Wranglers took over on their 38 yard line. Moore's screen pass to Neidholt gained 32 yards. Moore hit McLean for 8 yards and a pass lost 8 yards. Moore was hit for a 15-yard loss as the game ended.

Newspaper Paintings At State Fair

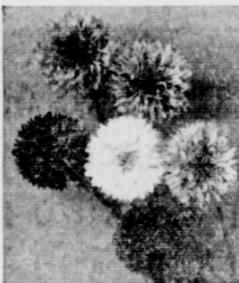

'Deadline' is the name of this painting, one of nearly 50 to be exhibited free in the lobby of the State Fair Ice Arena during the 1951 State Fair of Texas. The exhibition, titled 'Portrait of a Free Press,' will be shown starting October 10 under the joint sponsorship of the Press Club of Dallas, the Dallas Morning News and the Dallas Times Herald. In this painting, Artist R. N. Taylor has captured the tenseness of a city editor who has just three minutes between a possible news break and a deadline that is as firm and as cold as the line and color the artist has used to portray it.

Many Flowers Grow Well From Seed Sown in Fall

A surprising number of both annual and perennial flowers can be sown in the fall, and when this is done plants for next spring's garden will be produced earlier than by any other method of seed sowing, except in a greenhouse or hot-bed. The safest way for an amateur to sow either hardy annuals, or perennials, is in a seed box, or flat. It is the most convenient way, also. You can easily prepare a porous soil, mixing one-third peat moss, one-third sharp sand, and one-third of your best top soil, sifted. Put a half-inch layer of sifted sphagnum moss on top, and sow seeds in this, then cover lightly with sifted sphagnum moss.

Cosmos. No. 1 candidate for fall sowing, is the annual larkspur. Shirley poppies, calliopsis, candy-tuft, cosmos, the fragrant nicotiana, and all colors of bachelor buttons are as hardy as oaks.

Bachelor Buttons of Many Colors.

In a flat, they will escape many of the winter hazards which seeds in the open garden will encounter. The flat can be placed in a sheltered place near the house during winter, and covered with leaves; or better, you can put it in a cold-frame, where it will start into new growth much earlier in the spring. If a plant is hardy, which means frost-resistant, cold will not kill it. But accidents may destroy it during the winter. It may drown in surface water produced by a winter thaw; or be washed out of the ground by heavy rain; or uprooted by alternate freezing and thawing. These accidents are especially likely to destroy young plants, but if they are growing in a flat they can easily be protected from such mishaps.

Fragrant Nicotiana.

cuts short the flowering season of sweet peas, earlier flowers and a longer season can be obtained by fall sowing, taking precautions as suggested against decay in damp soil. By covering the ground with a light mulch of leaves, straw or similar substance, after it has frozen, winter thaws may be prevented, which might otherwise cause injury.

Other annuals which are successfully fall sown include snapdragons, cynoglossum, hardy pinks, California poppy, nigella and petunia.

## Bucking the Line of Scrimmage

... if we may borrow from football parlance, is the sort of exercise that toughens fibre and prepares the participant for heavy duty ahead. As in sports, so it is with those who attain success in life. The weak falter while the strong survive. Getting the job done is bucking the line, a sure demand of the public in business life. Some call it success, but we like to think of it as a lot of hard work. In a nutshell, that's it!

### Lone Star Names Area Engineer

Appointment of H. V. Rankin as industrial engineer to serve customers in the more than eighty towns in Lone Star Gas Company's West Texas territory, which includes Cisco, has been announced by R. M. Gray of Abilene, division superintendent. He succeeds R. B. Thompson who has resigned.

Mr. Rankin will be available for consultation on the use of gas in commercial and industrial plants and he will counsel with builders on installation of gas air conditioning equipment and large heating units, Mr. Gray said. He will have headquarters in Abilene.

A native of Brownwood where he was graduated from high school, Mr. Rankin received a degree in mechanical engineering from Rice Institute at Houston. He joined Lone Star as industrial engineer in Abilene on June 28, 1948, and in September 1949, was transferred to Kerrville when Lone Star made natural gas service available to a vast new territory in the Texas Hill Country. His appointment as industrial engineer for the gas company's West Texas distribution properties was effective October 1.

Mr. Rankin is a member of the American Society of Mechanical Engineers and his hobby is radio. During World War II he was a radio technician in the United States Navy.
