By J. W. S.

SEVERAL LOCAL football players were having a cup of coffee Monday and they decided that you could pick any team in the nation and they would beat them any Saturday afternoon against the seven South-Central Conference teams and you would see at least four South-Central victories. And we'll bet the prediction would hold up.

Several of our scouts, including Mr. Zan Burroughs, Mr. Ken and Mr. Jeff Gregory, saw the SMU passing attack last Saturday night. The team sent three men in after the passer and the other three defended against the five pass receivers. And they really worked.

Mr. Burroughs spent the afternoon at Waco viewing Baylor and Texas Tech before driving on to Dallas for the night game. Mr. B. believes that Baylor will stop Texas A. & M. College this week. Cisco's Stanley Williams has been going great year.

IF YOU MISSED A good football game if you didn't get out to the stadium here last evening as the mighty Midgets won a 13-7 victory from Moran. Every member of the 50-midget team played. One man said, Coach Bill Sledge scraped the bottom of the net and emptied it to play the game on his team. Moran is a scrappy little team. The game is small. A group of Moran juniors were over for the

RE SCOUTS AT the Cisco Country Club golf course report that two new records were set Sunday — both by Gene West. His tee shot on No. 1 in his second round went only one and a half feet — the shortest on record at the course. In the third round, he had to play it. The other hole was a 6-inch iron shot to the No. 9 fairway.

MR. ACE LUCUS and the Cubs wish to thank the Linger and Johnson Sinclair Service Station for a special gift at the station last Saturday. The Cubs received a portion of the proceeds from the station's gasoline sales. Buddy Linger is manager of the station.

WEVE DECIDED the 4-H is pretty good thing for girls. The 6th and 7th grade girls here formed a 4-H Club and the reporter has just brought a piece about it. Here's what she says:

The 4-H Club motto: "To be the best better."

The club pledge: "I pledge myself to clearer thinking; my heart to greater loyalty; my hands to larger service and my mind to better living for myself, my community and my country."

The club prayer is: "Help me, Lord, to live so that the world will be a little better because of my dist make me."

Our community and our country would probably be a lot better if all of us had the same motto, pledge and prayer.

Contract Let To Build New Doors

Contract to erect new overhead doors at the fire station awarded to Garrett and other local contractors, when they were opened Tuesday night at a semi-monthly meeting of the city commission.

James P. McCracken, mayor, presided in the absence of Mayor G. C. Rosenthal, who is away on vacation. Present were Commissioners McCracken, Slaughter, Don Rupe and Brittain and City Secretary Lavery.

Other routine matters came before the commission.

CITY PLAN MEETING Members of the Cisco Club and their families have been urged to attend a meeting at 7 p. m. Thursday at the First Presbyterian Church. Cubmaster Ace Lucus reported today.

Church Services To Usher In Girl Scout Week Here

A special church service for Girl Scouts and Brownies, ushering in Girl Scout Week which has been set on October 28-November 3, has been planned at the First Presbyterian Church at 7:30 p. m. Sunday.

All local Scouts and Brownies have been invited to attend the service in a group and will be seated together by troops for the services. Rev. H. Grady James, First Presbyterian Church pastor, will speak at the services.

Other special activities for the week include an intermediate rally to be held Saturday, November 3, at Comanche. All girl scouts from the Cisco Council have been invited to attend the rally.

Activities during the week as planned by the Heart Of Texas Girl Scout Area office in Brownwood include Home Making Day, Monday; Citizenship Day, Tuesday; Health and Safety Day, Wednesday; International Friendship Day, Thursday; Arts and Crafts Day, Friday; and Out of Doors Day, Saturday.

Poor Dove Season Reported In Zone

AUSTIN, Oct. 22. — The poor mourning dove season in the north zone has been reflected in the low number of banded birds reported to the Game and Fish Commission.

The Director of Wildlife Restoration for the Commission said only 34 bands were returned by October 15 for the season which ended October 10. All but nine of these doves had been banded this year and the others in 1950.

He added that interest in dove banding now shifts to the south zone season opening November 15, explaining that the banding reports will help judge whether more birds are available for this year's shoot, which was postponed by popular demand.

Some interesting tales were concealed behind the simple metal bands retrieved from the dove legs and forwarded to the Commission where banding data are being tallied.

One dove banded in Cooke county last year was bagged this season in Medina county, more than 200 miles to the south.

One dove killed this year in Ford county was banded ten miles away last year. A similar case was reported from Tom Green county.

Most of the doves had moved westward after being banded. One drastic exception was the dove banded four miles north of Laredo this year near LaSalle. It had moved straight northward, three months later northward.

This area, although in the south zone, was opened to mourning dove hunting during the white-wing season.

Scientists use the banding data to determine feeding and migration habits as a means of setting seasons and bag limits.

MIDGETS TRIUMPH 13-7 OVER MORAN IN FOOTBALL GAME HERE

The Mighty Midgets of Cisco Junior High School scored two touchdowns in the first half and then coasted to a 13-7 victory over a game Moran grade school team at Chesley Field Tuesday night.

With the first team playing only a short while the Midgets had little difficulty in downing the visitors. Coach Bill Sledge played every man on his large squad in the contest and the

Wranglers Work On Plans For Big San Angelo Team

The Cisco Junior College Wranglers began work this week on plans for a game Saturday night at San Angelo against that city's strong junior college eleven. Most of the Wrangler players are in good shape for the game.

San Angelo is one of the state's strongest junior college teams, having held the nation's No. 1 club to a 14-13 decision last week. Assistant Coach Paul Mosley, who scouted the San Angelo club, reported that "we're going to play a big and versatile team."

The Wranglers, who have done a pretty good defensive job in most of their games this year, went through a long scrimmage session Tuesday. The passing attack was given new polish and the defensive outfit began setting up for San Angelo.

Gene Eddings, who lost a couple of teeth in play recently, was wearing a plastic face guard and mixed in the scrimmage. Bob Huffmyer, out with a bad shoulder, was in uniform and appeared to be about ready for action.

Hospital Notes

The condition of W. H. La Roque, Cisco civic leader and long time resident, was showing improvement, attendants at Graham Hospital reported today. He suffered a cerebral hemorrhage recently.

P. B. Morris, employee of the Stafford Roofing Company, who recently suffered painful hand injuries, was dismissed from the hospital today.

Others dismissed in recent days included J. A. DeVault of Rising Star, Joe Sheridan of Route 2, Mart Agnew, Jimmy Spence, Mrs. E. M. Burns, Mrs. Larry Shoemaker and son of Abilene, Mrs. R. D. Cutlit and baby, Mrs. A. B. Hall of Nimrod and Mrs. Wallace Simpson and daughter.

Mrs. H. K. Holt of Big Lake underwent surgery in the hospital Tuesday and her condition was described as satisfactory. Mrs. P. W. Lohan of Breckenridge is a patient.

Dr. Jim T. Lawrence returned to his office at the hospital Tuesday after recovering a recent illness.

Moran team scored their lone tally against third and fourth string players. The first team gave up very few yards and no first downs while they were in the contest.

On the opening kickoff of the Midgets took the ball on their own 35 and on running plays worked the ball to the Moran seven yard line where an off-side penalty and pass interception halted the drive. Moran worked the ball back to their own 20 and on fourth down try elected to try for the yardage and failed, the ball going over to Cisco. Gerald Tucker, on a guard around play, took the ball to the three yard line where Tommy Reynolds faked a hand off and then took the ball over for the score. Mill Smith carried over for the extra point.

In the second period Buck Whitehead intercepted a Moran pass on the visitors 40 yard line and returned it to the 20. A series of plays worked it to the two yard line where Moran held for downs. They took the ball on the first play fumbled with Cisco recovering on the seven yard line. From there Binge Lipsy carried over on a reverse around his own left end.

Moran's score came when Jerry Abernathy took a pass from the Cisco 15 and crossed the Midget goal. A plunge through the line was good for the extra point. Moran's score came in the final period against Midget subs.

In the starting lineup for the Midgets were Don Price and Edward Bernie at ends, Kenneth Penn and Tommy Collier at tackles, Gerald Tucker and Joe Wayne Farrow at guards, J. Frank Walton at center, Bill Smith, Tommy Reynolds, Buck Whitehead and John Carlile at backs.

Others seeing action for the Midgets were David Ewell, Benji Lipsy, Herbie Gallegos, Jimmy Sublett, Bobby Notgrass, Paul Ford, Dash Crofts, Glenn Duff, Bobby Jones, Buddy Waters, Bobby Joe Johnson, Johnny Trigg, Ronnie Edwards, Clyde Butler, Roberts, Fletcher, Jimmy Branton, Ronnie Qualls, Bobby Cluck, Tommy Terry, Gene Courtney, Roger Lisenbee, John Carson, Terry Maxwell, Larry Melton, Don Gray, Roy Lee Page, John McCanlies, Joe Lane, Don Maier, Teddy Triplett and Carroll Thames.

Starting for Moran were John Wylie and Wesley Matthews at ends, Frank Prindle and Ray Jones at tackles, Dannie Connally and James Bankston at guards, Jerry Rountree at center, Porter Weed, Paul Howard, Jerry Abernathy and Eugene Mitchell at backs.

Teachers Adopt Program Theme For Coming Year

"Education Is Good and Is Getting Better" is the theme chosen by Texas teachers this year for a co-ordinated program of the local, district, and state organizations. They believe the three contributing factors to improvement to be through certification, teachers' salaries, and reading instruction.

A. B. Passmore, Oilbelt District VII president, provided a workshop recently for local leaders in Haskell, which is geographically the center of the vast District VII made up of 30 counties. Passmore is elementary supervisor of the Vernon Public Schools.

Sam Culpepper, Director of Field Service of Texas State Teachers Association, and C. O. Chandler, member of the Board of Trustees of the Teachers Retirement System, were consultants for the all day program.

Group leaders discussed professional problems of legislation, public relations, improved certification, improved salaries, and improved reading programs. Among these leaders were Dr. G. C. Morlan, of A. C. C. in Abilene; Keith Rowland, Baird; Joe McNeil, Wichita Falls; C. W. Tarter, Sweetwater; C. A. McFarley, Merkel; and S. H. Vaughter, Haskell.

An executive meeting district plans were announced for the convention in Sweetwater, March 7, 8. Olaf South, convention chairman from Sweetwater, and Tarter, Superintendent, accompanied by A. C. Bishop, president of the Board of City Development, offered full support of convention plans.

District officers this year in addition to Passmore are Laura Sheridan of Sweetwater, vice-president; J. W. Hamilton of Seymour; secretary; and Johnnie Mae Long of Wichita Falls, treasurer.

Members of the state executive committee from the district are Frank Etter of Abilene, J. B. Golden of Vernon, and Joe B. McNeil of Wichita Falls.

Drumwright's To Begin Sale Event

A "Quitting Business Sale" will open Thursday at Drumwright's Department Store, according to a double-page announcement in last Sunday's edition of The Press. The store's doors will open at 9 a. m. to begin the sale.

The late Henry S. Drumwright came to the store as manager for John H. Garner in 1919. In 1940, he bought out the Garner interests and the store became Drumwright's. Sterling Drumwright entered the business on January 1, 1947.

Mrs. Jack Garrett and daughter, Nancy Ann, of Fort Worth are visiting in the home of her parents, Mr. and Mrs. A. E. McNeely. She will be joined here by her husband Saturday and he will accompany her home.

Teachers Adopt Program Theme For Coming Year

The Rev. W. H. Haygood, Canton Methodist pastor, will occupy the pulpit of the Wesley Methodist Church here during the revival.

The Rev. E. H. Lightfoot, pastor of the First Methodist Church here, and the Rev. J. W. Gill, Wesley pastor, recently took part in a similar campaign in East Texas churches, and East Texas pastors are coming to West Texas for the revivals.

Rev. Barrow is a graduate of the University of Texas and the Perkins School of Theology at SMU, Dallas, and has had signal success as an evangelist and pastor in the Texas conference. He is a native of Marlin.

Rev. Haygood is a graduate of Lon Morris College, Sam Houston State College, and Perkins School at SMU. He is well known as an outstanding youth minister.

Some 30 Tyler district ministers will be in the Cisco district for the special week. They will attend a banquet and training program in Gorman on Friday night with Cisco district pastors and the Rev. Leslie Seymour, superintendent of the Cisco district.

Elsewhere in the district, Dr. Howard Grimes of the Perkins School of Theology, SMU, will conduct the week's revival at the Putnam Methodist Church. Rev. A. J. Adrian of the Tyler district will be at the Scranton Methodist Church.

Rev. S. M. Dunnam, Jr., of Arp will conduct the services at Rising Star, and the Rev. C. W. Williams of Chandler will be in charge at Cross Plains. Dr. J. H. Hicks of SMU will be in Eastland for the week's program.

Local Methodist churches plan to hold services twice Sunday at the regular hours and at 7:30 o'clock each night next week.

Several Area Oil Projects Will Be Tested This Week

Several area oil prospects were in the testing stages today and the outcome of the projects was expected to be known by the week's end, according to a survey of operations.

The Harold M. Kupp No. 1 Weddington, drilling two miles north of Cisco just north of the Moran highway, was to be opened for a drill stem test in the upper Lake sand early this afternoon. Reports indicated a fair show was possible.

It was understood that the Portland, Oregon, operator planned to drill to the Ellinburger lime for the testing of other formations if production is not found in the Lake sand.

In the Dothan area, west of Cisco, the J. J. Lynn No. 1 C. C. Pippet was drilling at approximately 3,900 feet. Observers believed that a Caddo lime test in the hole was good enough to warrant setting pipe if no other prospects are uncovered.

Five miles west of Cisco, the W. W. Hiteman at No. 1 M. P. Ramsey was drilling at about 3,600 feet. No reports were available as to the prospects. Location in Section 9, Block E, BBB & C Survey.

Just south of Cisco, the E. C. Conally No. 1 A. Z. Myrick was drilling at about 2,500 feet in a deep test west of recently completed Lake sand wells.

Bankline Oil Company's No. 1 Reynolds-White had spudded in after setting surface pipe over the weekend. Choate Drilling Company has the contract.

The Sorrells Oil Company et al No. 1 Mitcham Estate was reported to have been abandoned as dry below 4,100 feet. It was a wildcat Ellenburger lime test north of Cisco. Another area failure was the Bert Fields No. 1 H. C. Pelfrey in Section 61, Block 4, H & TC Survey. Located six miles east of Cisco, it was bottomed at 3,674 feet.

State Fair Ends With New Record

The 1951 State Fair of Texas closed out its 66th edition in Dallas Sunday night, Oct. 21, setting a new national attendance record for annual fairs.

Total attendance for the mammoth 16-day exposition was 2,320,129, an increase of 145,610 over last year's attendance. The fair thus set a new record to shoot at and re-established its position as the world's largest state fair.

The fair's biggest day was Sunday, Oct. 14, when 276,585 people visited the fair for its biggest Sunday crowd in history.

Attendance at the fair was more than twice as much as that of any other annual fair in the country.

As well as being the biggest, the 1951 fair was also the most successful state fair ever held. James H. Stewart, executive vice-president and general manager, declared.

A number of innovations in presenting livestock, agriculture, industrial and science shows were introduced at the 1951 fair. The Storybook of Texas Agriculture, the Science-Engineering Show, the thousands of other free exhibits, the great array of livestock shows — all came in for their share of praise from fairgoers.

"Guys and Dolls," the great Auditorium hit musical, attracted some 96,000 fairgoers for an average of about 4,000 people a performance. "Ice Cycles," the lavish spectacle on skates, drew even more.

Over 100 Attend Church Meeting

More than 100 members of area Christian churches attended an all-church district convention at the First Christian Church here Monday. Several widely known speakers appeared on the program.

The district elected the Rev. Hugh Baker of Lampasas as the new president, Arthur Buelah of Abilene as first vice-president, and Mrs. Fleming Waters of Cisco as second vice-president.

The principal speaker was Dr. Rolland H. Sheaffer of Indianapolis, Indiana, who is treasurer of the board of church extension of Diciples of Christ. He delivered two addresses. The day's program was concluded at a dinner meeting Monday night with members of the Cisco church as hosts.

"The convention was a success from all standpoints," the Rev. D. E. Aden, local pastor, said. "We were well pleased with the attendance, and the programs were excellent."

Girls Organize 4-H Club Here Monday

A girls' 4-H Club was organized Monday afternoon when 6th and 7th grade girls met under the leadership of Mrs. R. L. Justice at the school.

Officers elected were Beverly Killingsworth, president; Marge Gaunley, vice-president; Lorelei Lipsy, secretary; Arlene Birt and Erynalee Heltzel, song and game leaders; Bonita Parmer, parliamentarian; and Janice Justice, news reporter.

ATTENDS DESIGN SCHOOL Mrs. Barton Philpott of Philpott's Florist attended a florist design school in Lubbock last weekend. The school was held at the Hilton Hotel. The instructions were given by some of the leading designers of Texas and the school was sponsored by the State Florist Association.

LEGIONNAIRES WILL COMPLETE PLANS FOR DISTRICT MEETING

Members of the John William Butts Post 123 of the American Legion will make plans for a 17th district convention to be held here Saturday and Sunday, Nov. 3 and 4, at their semi-monthly business meeting at 7:30 p. m. Thursday at the Legion Hall.

The convention, which will be held for both the Legion and Auxiliary, is expected to attract some 300 persons. It will be open at 1 p. m. on Nov. 3 and continue through Sunday afternoon.

W. B. Wright has been named convention chairman. Other committees appointed to serve in various capacities were as follows:

Transportation — Jack Anderson, Jack Hailey and Roy White. Stagg program — Jesse Simmons, C. M. Townsley, Fleming Waters, Lawrence Kirby, J. V. Heyser, Jr., and Holland Nix. Sunday dinner — Gene Abbott, Rex Moore, Standlee McCracken, Truly Carter, Charlie Roberts and W. P. Knight. Reception — G. C. Rosenthal.

James P. McCracken, Charles Spears, W. J. Foxworth, Luther McCrea, R. E. Grantham and Dr. E. L. Graham.

Entertainment — Stanley Webb, Jack Chambliss, R. W. McCauley and Dr. E. E. Addy. Arrangements — Joe Comingore, Marshall Jones, Adrain Allen and Heywood Cabanes. Breakfast for post commanders and adjutants — W. T. Chance and W. H. McAnally. Registration — Members of the Legion Auxiliary. District Commander E. L. Jackson expected to have the convention program completed this week. Congressman Omar Burleson will be one of the featured speakers. The convention will work on plans for 1952 membership and its Americanism program.

All committee members and other members of the post were asked to attend the Thursday night meeting to help complete plans for the convention.

Bucking the Line of Scrimmage

... if we may borrow from football parlance, is the sort of exercise that toughens fibre and prepares the participant for heavy duty ahead. As in sports, so it is with those who attain success in life. The weak falter while the strong survive. Getting the job done is bucking the line, a sure command of the public in business life. Some call it success but we like to think of it as a lot of hard work. In a nutshell, that's it!

East Baptist WMU Has Business Meet

The W. M. U. of the East Baptist Church met Monday afternoon, October 22, at the church for monthly business meeting.

The W. M. U. president, Mrs. V. H. Bosworth, presided. The meeting opened with the group singing, "My Faith Looks Up To Thee" and "All Hail The Power of Jesus Name." The devotional was led by Mrs. Dorothy Thomas. Reports from all standing chairmen and circle chairmen were given. The project for the month is to get donations for silver ware for the church kitchen. The meeting closed with prayer by Mrs. Roy Little.

Those present were: Mrs. Roy Little, Mrs. L. B. Lipsey, Mrs. Tommy Wyatt, Mrs. Johnny Manning, Mrs. C. W. Stansell, Mrs. M. Slaughter, Mrs. B. F. Thomas, Mrs. A. W. White, Mrs. E. D. Posey, Mrs. I. E. Hodnett, Mrs. Phillis Musgroves, Mrs. Don Rupe, Mrs. A. C. Weaver, Mrs. Claud Tucker, Mrs. Cecil Adams, Mrs. Jimmy Lee, Mrs. J. D. Hall, Mrs. M. H. Dryden, Mrs. Olie Moran, Mrs. Ott Green, and Mrs. V. H. Bosworth.

Christian CWF Has Meeting At Church

The C. W. F. of the First Christian Church met Tuesday at the church for regular monthly meeting.

Mrs. Fleming Waters played the call to worship music and the group joined in singing "My Faith Looks Up To Thee." Group Four was in charge of the program. Mrs. V. C. Overall gave the devotional taken from the book of Acts and Romans. Mrs. Fleming Waters led the group in prayer.

Mrs. Bob Ellison, Mrs. Standlee McCracken, and Mrs. James Denton gave talks on Home Mission Centers. Mrs. W. R. Huestis presided during the business session. Routine business was transacted and all correspondence was read and acted upon. Group assignments were made and the monthly offering was taken with dedication prayer by Mrs. J. F. Benedict.

Mrs. W. J. Armstrong gave a report on the convention held in Cisco on Monday, October 22. The meeting closed with the missionary benediction in unison.

Fifteen members responded to roll call.

SAFETY FIRST—A safe and sane Halloween was the keynote of a pre-season donut party held in New York for children between eight and fourteen. Singer Fran Warren, shown here with three of the small guests, was hostess of the affair and helped to demonstrate the fun that can be had in the home on October 31 without the wild pranks that result in injury and sometimes disaster.

Faithful Workers Class Has Meeting

The Faithful Workers Class of the East Cisco Baptist Sunday School met Tuesday, October 23, in the home of Mrs. D. N. Busby with Mrs. Marshall Ivie presiding.

The meeting was opened with prayer by Mrs. Roy Little. The devotional, taken from Luke 14: and 21, was given by Mrs. Marshall Ivie. Routine business was transacted and secret pals were revealed and gifts presented. The meeting closed with prayer by Mrs. J. E. Shirley.

A social hour followed and refreshments were served to Mrs.

Pearl Bisbee, Mrs. Gladys Carlisle, Mrs. Marshall Ivie, Mrs. Hazle Little, Mrs. Cathrine Marcontell, Mrs. Martha Pruitt, Mrs. J. E. Shirley, Mrs. Dorothy Thomas, Mrs. Dorothy Williams, Mrs. Marie McCormick and two visitors, Mrs. M. H. Dryden and Mrs. Robert Mitchell.

WSCS Holds Monthly Business Meeting

The W. S. C. S. of the First Methodist Church met Tuesday afternoon in the church parlor for their regular monthly business meeting.

The meeting was opened with "When the Whole World Lives For Him," sung in unison and prayer by Mrs. Robert Snoddy. Mrs. Carrell Smith brought the devotional, "The Boy Who Read On Mule Back." Mrs. Roy Killingsworth gave a topic on Brazil and Mrs. George Davis spoke on Mexico. After a short discussion period the meeting closed with prayer by Mrs. B. J. Osborn.

Those present were: Mesdames P. Pettit, B. J. Osborn, S. H. Nance, Carrell Smith, Wm. Joyner, O. C. Lomax, John Shertzer, G. P. Rainbolt, Robert Snoddy, E. H. Lightfoot, Clint Jones, C. M. Pogue, Leo Clinton, T. J. Dean, O. H. Doss, B. E. Morehart, Geo. Davis, Roy Killingsworth, Rudolph Schaefer, and Mrs. J. W. Slaughter.

Girl Scout Troop 5 Meets On Monday

Girl Scout Troop No. 5 met Monday afternoon, October 22, at the First Christian church for regular meeting.

The meeting was called to order by Jan Latson, president. The group repeated the Girl Scout Laws and new and old business was taken care of. The following

officers were elected: president, Pat Donahoe; vice president, Sandra Norvell; treasurer, Sue Spence; secretary, Buzzie Henson; and reporter, Jan Latson. The meeting closed with the group forming a friendship circle and singing two girl scout songs.

Those present were: Emma Lee Heltzel, Janice Justice, Evelyn Taylor, Sandra Norvell, Sue Spence, Buzzie Henson, Jeannie McCaules, Pat Donahoe, Helen Clark, Jan Latson, and the troop leader, Mrs. Lee Heltzel.

Cleanliness counts most

To keep her kitchen utensils mirror-bright and her kitchen walls spotless is every homemaker's goal. Ninety-six out of 100 homemakers in this area cook with a Gas range. It is no secret that many of them choose Gas on the basis of cleanliness alone.

CLEAN! Greasy steam from foods (which comes from all foods) stays inside the pan with "waterless" Gas cooking — doesn't escape to settle on kitchen walls. Only Gas ranges give exact control so necessary for this cleaner-kitchen cooking. Why? Because Gas ranges give you dozens of heats to cook with—not just a few.

CLEAN! Greasy vapors are produced in broiling, too. But a Gas range gives cleaner-kitchen broiling. Why? Because a Gas range broils with the broiler door closed. Greasy vapors are locked in. These locked in vapors rise . . . right into the live Gas flame which consumes them.

CLEAN! Today's automatic Gas range burners give pure stainless heat. And when spillovers happen, burners don't smoke up the kitchen by "burning-off" spilled foods. Instead they can be shut off instantly. Spilled foods are cleaned up with soap and water (for which every homemaker agrees, there is no substitute).

of course she has an automatic Gas range

from the examination; all the other positions to be filled are in Washington, D. C., and vicinity only. To qualify in the Junior Professional Assistant examination, applicants must pass a written general abilities test. In addition, they must have completed a 4-year course leading to a bachelor's degree (or higher) in the specialized field for which application is made, or have a combination of pertinent college courses and experience which is equivalent to a 4-year college course. (For Social Science Analyst positions the requirement is a 4-year college course or 3 years of experience or a combination of such education and experience.)

The age limits (which will be waived for veterans) for both these examinations are 18 to 35 years.

Full information and application forms may be secured from the Commission's local secretary, Sam King, at the Cisco post office.

Civil Service To Hold Job Exams

The United States Civil Service Commission today announced its 1951 examinations for Junior Management Assistant and for Junior Professional Assistant. Applications for these examinations will be accepted by the Commission's Washington office until November 13, 1951.

The positions to be filled from the Junior Management Assistant examination pay \$3,100 and \$3,825 a year and are located in various federal agencies in Washington, D. C., and throughout the country. A few are in Puerto Rico and Hawaii. The purpose of this examination is to bring into the Government young men and women who show outstanding promise of developing into future executives. To qualify for the \$3,100 a year jobs, applicants must pass two written tests: (a) A test of general abilities, and (b) either a test of administrative problems or a test in public affairs.

In addition, they must have completed an appropriate 4-year college course or have had 3 years of experience as a staff management or professional assistant. To qualify for positions paying \$3,825, applicants must meet the requirements for the lower grade positions and must also show 1 year of graduate study or an additional year's experience. An equivalent combination of education and experience will be acceptable for positions at either level. Candidates who successfully meet the written test and education or experience requirements will be given an interview to determine whether or not they possess the outstanding personal qualities required for the positions.

The Junior Professional Assistant examination covers the positions of Bacteriologist, Economist, Geographer, Geophysicist, Social Science Analyst, and Statistician, paying \$3,100 a year. Geophysicist positions throughout the country will be filled

Pop Corn Firm Will Increase Advertising

Increased newspaper advertising will be the backbone of an extensive campaign planned for 1952 by the producers of Jolly Time Pop Corn, Mr. Howard C. Smith, company President, announced this week.

"We want to reach as many families as possible," Mr. Smith said, "and we believe that newspapers are ideal for this."

"Jolly Time Pop Corn has been on the market for over 36 years. During this time many new methods of advertising have been devised... but I sincerely believe newspapers are still the greatest service to the community, the individual and the advertiser."

"Newspaper advertising gives the manufacturer real value for

his money," said Mr. Smith. "It offers complete coverage, reaches the whole family, builds good will and makes advertising appeal to the eye. For these reasons the advertiser gets greater sales response for his dollar... a saving he can pass along to the people who buy his product."

This decision to increase newspaper schedules for the coming year is based on more than 35 years of advertising experience, during which time Mr. Smith has built an enviable reputation for his product.
