GARDENHIRE MADE WHOLESALER FOR TIRES IN SEVEN COUNTIES

W. V. Gardenhire, local petroleum products distributor, has announced his appointment as wholesale distributor for Firestone tires in a seven county area...

The announcement came as Mr. Gardenhire was celebrating his twentieth anniversary in business in Cisco. He came here as local agent for Continental Oil Company in 1931...

Mr. Gardenhire announced that he was beginning the construction of a new tire warehouse to hold a large stock of all types of tires including passenger, truck and heavy equipment types.

His new venture will be strictly wholesale and he will work with established Firestone dealers and any new dealers he may be able to sell.

Future plans call for the expansion of his business by the adding of new lines of merchandise to service the accounts he now has.

Final Rites For James T. Tomlin Held Saturday

Funeral services for James T. Tomlin, 55, a Cisco resident since 1922, were to be held at 3 p. m. Saturday in Moore Funeral Home in Arlington.

Mr. Tomlin was found dead in a Fort Worth tourist court Thursday night. Peace Judge Whitte Boyd returned a verdict of death from natural causes.

He was born in Arlington on November 12, 1896 and came to Cisco from Roscoe in 1922. He made his home here at 506 Jefferson. He had been in Fort Worth since June. He was a member of the local American Legion.

Burial was to be in the Tomlin Cemetery near Arlington Saturday afternoon.

Survivors include a son, Maynard Tomlin of Monahans; a daughter, Mrs. Betty Sue Harrison of California; two brothers, Paul Tomlin of Fort Worth and George Tomlin of Corpus Christi and one sister, Mrs. Ethel Rodey of San Antonio.

Rodent Control Meeting Planned

A demonstration in connection with a rodent eradication project being sponsored by the Eastland County Farm Bureau will be held at 2:30 p. m. Monday at the A. Z. Myrick Dairy Farm near Cisco.

Everyone in the area was issued an invitation to attend the demonstration which will be conducted by a representative of the U. S. Wildlife Service from the Fort Worth office.

The use of Warfarin in the control of the rodent menace will be demonstrated and the technique of placing the bait will be explained.

The demonstration Monday is one of several to be held over the county within the next few days in a program to acquaint residents of the county with the newest methods in the control of rats and other animals which cause the farmer millions of dollars loss each year.

Union Thanksgiving Service Is Planned Here Thursday

W. H. LaRoque Is Laid To Rest In Services Thursday

W. H. LaRoque, Cisco teacher and civic leader, was laid to rest in Stag Creek Cemetery in Comanche County on Thursday afternoon following funeral services held at 2 p. m. from the First Baptist Church here.

Mr. LaRoque died early Wednesday in a local hospital where he had been critically ill for some ten days.

Mr. LaRoque, a former newspaperman, was an instructor at Cisco Junior College when he became ill. He had been a member of the Lions Club in Cisco for more than 27 years and had held every office in the local club and in 1939 and 1940 was district governor of Lions International for clubs in this district.

Surviving Mr. LaRoque are his wife, two sons, J. T. LaRoque of Abilene and Lloyd LaRoque of Arlington; two daughters, Mrs. A. D. Anderson of Cisco and Mrs. J. P. Elam, Jr., of Harlingen, and two brothers, Herbert and C. E. LaRoque of Sidney. Five grand children also survive.

Pallbearers were J. B. Pratt, J. T. Elliott, T. C. Williams, O. L. Stamey, Charles Sandler, Norman Huston, H. R. Garrett and Carlos Turner. All members of the local Lions Club were named as honorary pallbearers. A large group of Lions attended the service and sat in a body.

Out-of-town friends and relatives attending the final rites included: Mr. and Mrs. Nolan Warren, Mrs. Ila Patterson, and Rev. and Mrs. Wilson Fielder, Waco; Mr. and Mrs. A. L. Foster, Stamford; Mr. and Mrs. J. C. King, Mr. and Mrs. Glen Caffey, Mr. and Mrs. Kenneth Long, Ed Wishcamper, Bob Cook, Howard McMahon, Ed Thompson, Douglas Triplett and Mr. and Mrs. E. M. Fielder, Abilene; Mr. and Mrs. Roy Fielder, Mr. and Mrs. J. E. Steel, Mr. and Mrs. Gene Rachel and Mr. and Mrs. D. R. Avenushine, Sidney; Mr. and Mrs. Geo. Foster, Clyde; Mrs. Lena Jones, Rising Star and Mr. and Mrs. L. E. Fielder of Stamford.

MEETING IS POSTPONED

The meeting of the Business Women's Circle of the First Presbyterian Church will be postponed from November 20 to November 27. They will meet with Mrs. George P. Fee. The Bible study will be taken from the 5th chapter of James and will be taught by Mrs. A. E. Jamison. Miss Tita Bell Simmons will bring the lesson on the 5th Commandment.

Dr. Robert W. Bedford, pictured above, will bring his Austin College A Cappella Choir here Sunday afternoon for a concert at the First Presbyterian Church at 3:30 o'clock. The Rev. H. Grady James, pastor, has invited the general public to attend.

Widely known in music circles, Dr. Bedford's choir will present a varied program — from the great works of Palestrina to arrangements of negro spirituals set in modern idiom.

AMERICANS MUST WAIT—Scores of ocean-going tuna boats, idled by the heavy imports of frozen fish from Japan, are tied up at San Diego, Calif. Many of them have waited for weeks to unload their cargo. Beached by foreign fish, these boats, on a rotation schedule, must wait up to 90 days before returning to sea.

CISCO RURAL FIRE DEPARTMENT ORGANIZED FOR AREA AT MEET

The Cisco Rural Fire Department was organized at two meetings held at the Cisco fire station last week and M. E. Fry was named fire chief to head the group of volunteers who are banded together to fight any type fire in the rural areas within a reasonable distance from Cisco.

In addition to Mr. Fry the group selected Sutton P. Crofts as assistant chief and Dick Lauderdale as secretary-treasurer. Other officers will be elected at a later meeting, it was announced.

The group will maintain headquarters at the local fire station and will work with the local volunteer fire department at all times.

Eastland County Voting Is Light

Approximately 1,450 Eastland County voters went to the polls last Tuesday and approved only one of five proposed changes in the Texas constitution. They also voted in favor of a special measure to allow the county to reallocate some of its tax funds.

A total of 311 Cisco residents went to the polls at the two local boxes. The county voting was substantially the same as the statewide picture. Only the proposal to issue \$75,000,000 in bonds to loan to World War II veterans to buy farm lands was approved. The other four issues were defeated.

IT'S TREASURE HUNT TIME AND MERCHANTS ARE GETTING READY

It's Treasure Hunt time again! Yes, the third annual Cisco Treasure Hunt will be held on Monday night, Nov. 26, to usher in the 1951 Christmas shopping season. And the city's business firms will hold open house during the event — from 6 to 9 o'clock in the evening.

As in former years, Cisco merchants will have Treasure Hunt items in their store windows. All you have to do to join the fun is to pick up a free ticket for each member of the family at The Daily Press office on November 23, 24

times. The new fire truck, purchased through donations of local business men and area ranchers and farmers, will be housed at the local fire station and will be on call 24 hours each day.

It was pointed out that the rural group and the local fire fighters would work together and lend assistance to each other when the need arose. The rural group will have a man at the fire station to answer all calls and those needing assistance were asked to call 538 for aid.

The public was invited to view the new fire truck at the fire station. It is equipped with a dual compartment, 950 gallon tank which can hold both water and acid. A separate pump has been installed to handle the flow of liquid through the hose.

Some additional equipment is needed to make the truck complete for the purpose for which it was purchased and the group asked those who had not been contacted for donations to leave their contribution at the First National Bank in Cisco with the secretary-treasurer, Dick Lauderdale.

28 APARTMENTS RENTED

Twenty-eight of the 52 low-income rent apartments erected here by the Cisco Housing Authority have been rented, Chairman S. H. Nance reported Saturday. Some 25 applications for apartments remain to be processed.

The national goal is 3,000 new School Savings installations. The quota for Texas is 130. Superintendents, principals and teachers throughout Texas are urged to accept the responsibility of meeting the Texas quota of new installations during the campaign period. All necessary materials, including detailed instructions on how to install a School Savings Program, may be had free by writing to Mrs. Crowley at Room 1814, 1114 Commerce Street, Dallas.

The thirteen members of the Texas Education Advisory Committee, of which R. B. Anderson, Vernon, and Dr. Lee J. Wilborn, Austin, are Chairman and Vice-Chairman, are giving full cooperation in furthering the campaign. The Texas Congress of Parents and Teachers and the American Legion Auxiliary of Texas have pledged active support.

Holiday Program Will Be Held At Christian Church

Union church services will be held at 7 a. m. Thursday at the First Christian Church as a feature of Thanksgiving Day in Cisco, according to an announcement Saturday. Virtually all local business firms are planning to close for the day.

Plans for Thanksgiving services were worked out Friday night at a meeting of The Cisco Ministers Association.

The host pastor, Rev. D. E. Aden, will direct the service. Rev. Grady James, Presbyterian minister, will give a Thanksgiving Prayer to open the program. Rev. Paul Stephens, pastor of the East Cisco Baptist Church, will give the scripture reading, to be followed by a message by the Rev. J. W. Gill, pastor of Wesley Methodist Church. The benediction will be given by Rev. C. S. Moad.

Special music will be provided by the choir of the First Christian Church.

City schools will dismiss classes after Wednesday afternoon's regular program for the week, resuming on Monday morning.

Thursday's program will also include the final game of the 1951 season for the Cisco Junior College Wranglers, who will entertain Southwest Junior College of Uvalde at Chesley Field at 2 p. m.

Donations To Aid CARE For Korea

Cisco churches will accept donations this Sunday and civic clubs will take up collections this week in the Cisco Child Study Club's "CARE-for-Korea" campaign.

The study club is cooperating in a nation-wide program to provide a Thanksgiving Day offering from Americans to the victims of war in Korea. CARE food and textile packages will be sent to South Korean war orphans and refugees in the campaign.

Those who desire may send contributions to the Child Study Club at the Cisco Post Office.

School Campaign For Savings Bonds Starts This Week

Mrs. Evelyn Miller Crowell, Education Director for Texas, U. S. Savings Bonds Division, announced from State headquarters in Dallas that Monday, November 19, marks the opening of the Mid-Year School Savings Campaign. The campaign will continue through January 31, 1952. "The school campaign is not a drive to raise money or meet a dollar quota," Mrs. Crowell explained. "It is an intensified promotion to secure new installations of School Savings Programs, with regular weekly School Stamp Days."

The national goal is 3,000 new School Savings installations. The quota for Texas is 130. Superintendents, principals and teachers throughout Texas are urged to accept the responsibility of meeting the Texas quota of new installations during the campaign period. All necessary materials, including detailed instructions on how to install a School Savings Program, may be had free by writing to Mrs. Crowley at Room 1814, 1114 Commerce Street, Dallas.

A Letter From Mother —

My dear daughters, Last, but by far, not the least of those important weapons you should carry through this journey called LIFE are two: Courage and Honor. First, let us talk about courage. I am not thinking of the courage it takes for a man to go into battle, with guns firing and bombs dropping all around him. That must take terrific courage. I am talking of the courage of everyday living! Courage in the

little things that happen every day — to tell the truth when a lie would make things easier for you — to say "I'm sorry" when you have done someone a wrong — courage to do what you should do, and not let your best friend or group of friends talk you out of it. You saw an example recently. There was something some boys should have done. Instead they ran out on their job. One boy wanted to do the right thing, but was afraid the others would laugh at him, so he ran away, too. It takes real courage to do what is right when you know the other kids will laugh at you.

As you grow older, days will come when you feel discouraged, defeated, that life isn't worth living. Those will be days which will take courage just to live. And those are the days, especially, when I would ask that you seek that courage that comes only from a closeness with God. And then there is the question of honor. You have asked me "What is honor?" The dictionary, among other definitions, defines honor as a "Nice sense of what is right." Even from

childhood, God has given us the mind and heart to know what is right, and what is wrong. But you have to make your choice. God is not a dictator!

Someone asked a man in big business recently: "What has happened to honor?" It seems to have gone from government, big business, small business, men, women and children everywhere. Honor is trust and faith, and if you cannot trust your mother and daddy, your teachers, your playmates, and men and nations cannot trust each other, then what is to happen to the world? You are both working toward being Girl Scouts, and the first thing a Girl Scout pledges is: "On my honor." I hope you will not take that pledge lightly, but think about it and try to live it. So, in summing up, I would say that honor is you at your very best, and with the help of God it is my hope that you will live your lives an honor to your God, your family, your community and to your nation. God love you, Your mother

Baird News... Baird Girl Dies In Auto Accident

Miss Sylvia Ann Cox was killed instantly Tuesday night when the car in which she was riding and occupied by five other local high school students crashed into a bridge abutment on the old highway 80 a mile and a half East of Baird. Two others were badly hurt. Sylvia Ann, 15, was the daughter of Mr. and Mrs. D. C. Cox of Baird. Funeral services were held Thursday for the teenager.

The Band Mothers Club of the Baird High School showed the public at a giant pep rally Thursday afternoon the need of uniforms for the band. The band marched from the court house, dressed in bits and pieces of old uniforms, playing well. A float on which stood two band members followed. One of them was dressed in coverall uniform and the other in a natty red uniform. These bore placards stating, "As we are now," and "As we would like to be." A committee has contacted most business firms and several individuals and have received a large amount toward this fund.
