VOLUME XXXII

CISCO, TEXAS, FRIDAY, JANUARY 4, 1952

NUMBER 24

The Gay Philosopher

By J. W. S.

GUESS THERE'S nothing as beautiful as trees and shrubs covered with ice. Early today, with the sun out the trees were a thing of beauty. There will probably be more moisture from the ice than many of us had expected. There's probably no muddier mud than the mud that follows an ice storm. It lasts a long time as the thaw is gradual. Ice and snow always put seasoning into the ground.

OUR SCOUTS report that the bus station business will probably pick up somewhat after January 10. Through buses will begin making their meal stops in Cisco. They have previously been stopping for meals at Ranger.

Understand local cafes, particularly the highway places, had a boom time business New Year's night. The travellers going home from the bowl game hit here about supper time.

GLAD TO SEE the bakery opening in our town today. Cisco needs a bakery and we believe it will be successful. The new owners have made the bakery attractive and their products look delicious.

WE'RE ALL SET to give you competent fishing advice for another year. Our Spang fishing calendar has arrived. It indicated that you'll catch about as many fish by staying home for the next few days. The fishing business will begin picking up about next Tuesday and by the weekend it should boom.

QUOTES FROM The Gilerafter: Many an explosion has been set off by an old flame . . . One way to success is to make hay of the grass growing under other folks' feet . . . They say you can't live on bread alone, but some fellows are trying on just crust . . . One of the best ways to avoid trouble is to wrong no man and write no woman . . . Middle age is the time of life when a man stops wondering if he can escape temptation and begins to wonder if he's missing any . . . With all this global aid it seems that a cannon fired any place in the world is sure of at least hitting the American taxpayer.

ONE OF THE best stories we've heard lately deals with a golf rivalry of long standing between the local undertaker and his friend — with friend being the consistent winner.

"Cheer up," said the friend after having played his usual winning game, "some day you'll be burying me."

"Yes," replied the undertaker, "and it will still be your hole."

Safety Man Will Talk To Firemen

J. Ross Kemp, safety director for the Department of Public Safety, will be in Cisco tonight to meet with the local volunteer fire department and show a film on highway safety practices at the fire station.

The film, "And Then There Were Four" was made for the safety department as a part of the department's program to make the people of Texas more safety minded. Mr. Kemp will discuss modern safety methods following the showing of the film.

Fire Chief Andy Anderson and Secretary Bill Kendall said that the meeting could not be open to the public because of limited space but that all firemen, members of the rural fire department, insurance representatives, school and civic leaders were invited. Mr. Kemp will be in Cisco again in February to show a film on the Texas City disaster and the public will be invited to the showing which will probably be at the high school auditorium.

Zel Sandler left Wednesday for Dallas where she will resume her studies at S. M. U. after a holiday visit in the home of her parents, Mr. and Mrs. Charles Sandler.

ON THE RIGHT TRACK—Richard Crooks, chairman of the board of the Stock Exchange in New York, has his blood pressure checked by Red Cross nurse Lois Mayeski as Keith Funston, president of the exchange, looks on. The head men of the brokerage industry were starting a four-day drive to raise 1400 pints of desperately-needed blood for the Armed Forces.

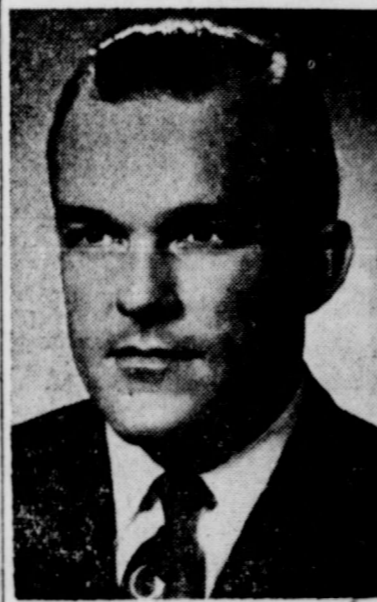

CARD OF THANKS

We take this means of expressing our heartfelt appreciation for the many kind deeds of our friends during the illness and death of our mother, Mrs. Mollie Carter. Especially do we thank our friends for the lovely food, beautiful floral offerings, the doctors and nurses for their splendid service and the telephone operators for their efficiency in placing our many telephone calls. May God richly bless each and everyone of you.

The CARTER FAMILY

Mr. and Mrs. Skeet Fambrough of Strawn visited in the home of her parents, Mr. and Mrs. Paul Huestis, Thursday.

Mr. and Mrs. C. M. Pogue were business visitors in Rising Star today.

JACK COX

Jack Cox Announces As Candidate For Congress From 17th District

State Representative Jack Cox of Breckenridge, pictured above, has announced that he is a candidate for congress from the 17th congressional district. He will oppose Omar Burleson of Anson,

who indicated here recently that he will run for re-election.

"Many important and vital issues face the people of our district and our nation," Cox said. "It is my intention to take a positive stand on all such issues whether domestic, national or international. Believing that our people deserve and need public servants who are not afraid to take a stand.

"I earnestly solicit the support and the votes of the people of this district, and pledge a vigorous and active campaign. I will carry this campaign to every voter so that all may know me and the things for which I stand."

Cox, who is 29 years old, has been a member of the state legislature for several terms. He has been active in civic affairs in Breckenridge and has been prominent in the American Legion. He is a Naval Aviator in the reserve, serving during World War II. He is married and the father of two children.

National Guard Unit Enrolls 1st Man Of New Year

Edward Donald Foster of Cisco became the first man to enlist in Battery A, 648th Armored Field Artillery — the Cisco unit of the Texas National Guard — in 1952, it was announced today by Captain Frank N. Sayre, commanding officer.

The guard unit is glad to welcome Private Foster, Capt. Sayre said, adding that "there is a future for any young man who can qualify for membership, including training at home, compensation for drills, retirement benefits and other features."

Private First Class Royce G. Mitchell recently transferred back to the local unit from Company B, 49th Recon Battalion, Weatherford. He is a cook in the National Guard and spent several of the spring and summer months training at Fort Sam Houston at the Food Service School.

Division headquarters has announced that the annual summer camp will be held June 15-29 at North Hood or North Camp Polk. Six additional eight-hour drills have been authorized for the coming year. For the first time, rations will be authorized not to exceed two meals per day for each member. The additional drills will be completed prior to summer camp.

TCU Graduate To Preach At Church

Sidney Spain, graduate minister from Texas Christian University, will speak at the morning and evening services of the First Christian Church Sunday, it was announced by church officials today.

Mr. Spain arrived in Cisco Thursday afternoon and will remain here through Sunday.

Everyone was invited to attend the services and members of the congregation were urged to hear the visiting minister.

Another Oil Producer Seen For South Cisco Townsite

Employers Have Good Tax Record To State Agency

Employers in Texas who come under the provisions of the state's unemployment insurance law have a good record of paying their payroll taxes. These taxes go into a fund that insures employees against the hazards of losing a job, the Texas Employment Commission reported today.

TEC said that since the unemployment insurance program was first instituted in Texas back in 1935, and through November this year, some 80,359 employers have become liable for the payment of the unemployment tax. Actually, of the latter total only 32,083 employers are still in business and have active accounts. The remaining 48,276 employers have either gone out of business, reorganized, or have terminated coverage under the unemployment insurance law when the number of workers in their employ was reduced below the eight that made them subject to the unemployment insurance law.

The agency further pointed out that of the 80,359 covered employers, approximately 4,500 still owe \$1,707,168 in unemployment taxes. This amount represents only four-tenths of one per cent of the taxes reported for all periods since 1935. Many of these employers have died, others are dissolved corporations, and still others have gone into bankruptcy.

TEC said that of the \$1,707,168 outstanding balance, \$1,193,463 is considered possibly collectible, and \$513,705 probably can not be recovered.

TEC pointed out that after paying unemployment insurance to legitimately unemployed workers since 1938, and after reduction of unemployment tax rates, Texas still has some \$246 million dollars in its trust fund.

RADIO SPEAKER

Pictured above is the Rev. Thomas H. McDill, Jr., of Columbia Theological Seminary in Decatur, Georgia, who will begin a series of addresses Sunday for "The Protestant Hour" under the auspices of the Presbyterian Church, U.S. He will speak Sunday on "Do You Dare to be a Christian?" at 7:30 a. m. over Station WFAA, Dallas. He may be heard at the same hour on the Dallas station each Sunday morning through March 9.

Witt Well Shows Oil During Test

The South Cisco townsite area had another good oil well in prospect today when the E. K. Carey Drilling Company No. 1 Max Witt showed gas to the surface and 120 feet of oil in the hole during a Lake sand drill stem test.

The test was run after coring 10 feet of the pay sand. It was understood that the formations were slightly lower than in offsetting wells. Observers believed the well would not have as high an oil-gas ratio as other wells in the area. They believed, however, that it would make a good producer.

Plans were understood to call for drilling a few more feet before running electric logs and setting pipe late today. The bottom was near 3,400 ft, it was reported. The well is a south offset to production on the Hofman Heirs lease.

Nearby, Carey's No. 1 Masonic Home was still awaiting completion, delayed by early pipe troubles and later by the weather. It was scheduled to receive the hydrofrac treatment today or Saturday. It is regarded as a good prospect.

A mile southwest of Cisco and west of the Myrick lease, the J. E. Connally No. 1 Mrs. Pearl McMurray was drilling at about 3,000 feet today. A semi-wildcat, production in this well would prove considerable territory for the area south and southwest of town.

One mile northwest of Cisco, the Raymond Thomason No. 1 E. C. Montague has set surface pipe and is ready to drill ahead in a 4,000 foot wildcat test in the W. H. Grouse Survey.

A new project for the area some six miles southwest of Cisco is the Grover Hartt, Jr., Dallas, No. 1 J. W. Brown Estate. Location is 330 feet from the north and west lines of the southwest quarter of Section 102, Block 3, H&TC Survey. Permit calls for 4,000 feet. This is an offset to the Ownby Drilling Company's No. 1 Mrs. Effie Brown, a recent Mississippi lime discovery.

Resident Of Area For 50 Years Dies Early Friday

Allison Rich, Cisco area farmer who would have been 79 years of age on January 19, died at his home at 3:30 a. m. Friday after a short illness. He had been a resident of the area for 50 years.

Mr. Rich was born in Kentucky on January 19, 1873 and came to Cisco from Arkansas some 50 years ago. He had operated a farm south of Cisco most of the 50 years he had lived in the area.

Funeral arrangements were incomplete late Friday. Mr. Rich is survived by seven sons and five daughters. The sons are E. A. Rich of Cisco, Tom Rich of Borger, Rufus Rich of Zion, Illinois, Hubert Rich of San Saba, Oral Rich of Eastland, Leones Rich of Monroe, Louisiana and V. C. Monroe Rich of Eastland. The daughters are Mrs. J. D. Graham of Cisco, Mrs. Eugene Parkinson of Dallas, Mrs. Pearl Graham and Mrs. Johnnie McCoy of Eastland and Mrs. Norman Pierce of Brownwood.

Also surviving are 28 grandchildren and a number of great grandchildren.

ALLEN CHARLES EDWARDS

Mr. and Mrs. Arthur C. Edwards are the parents of a son, Allen Charles, born January 3, in Graham Hospital. The infant weighed 7 pounds and 12 ounces at birth. The maternal grandparents are Mr. and Mrs. W. F. Cooke of Richmond, Va. The paternal grandparents are Mr. and Mrs. L. E. Edwards of Cisco.

Game Wardens To Study At A&M

COLLEGE STATION, Jan. 4.—The Seventh game warden school, a four-month required course for all Texas game warden candidates, will begin at Texas A. and M. College when the spring semester opens Feb. 4.

The course, offered cooperatively by A. and M. College and the Texas Game and Fish Commission, is designed to acquaint the future game wardens with the different types of game and fish which occur in the state, up-to-date game and fish management methods, pollution problems and public speaking and writing.

Game Warden James Smith of the Fort Worth district will teach the fourth week of the course. Faculty members of the A. and M. Wildlife Management Department who will have a hand in the instruction are Frank T. Knapp, Jack Inglis and Dr. Leonard W. Wing.

EASTLAND COUNTY POLIO FUND IN RED AS NEW YEAR BEGINS

The Eastland County Chapter of the National Foundation for Infantile Paralysis spent \$7861.34 to assist a total of eight polio patients last year, it was revealed today by Joe Collins, Chapter Chairman.

Making public the 1951 financial report, of the chapter chairman, Mrs. Ida Plummer declared that services made possible through funds raised in the 1951 March of Dimes underlined the need for a successful 1952 drive.

"The record of what has been done makes us all eager to continue and to expand this work as needed," he said. Unfortunately, even if we had no cases of infantile paralysis in our county in 1952, there remains much to be done for patients stricken in 1951 or before. Of the eight patients aided in 1951, one was an old case, seven new ones. The toll of polio continues on into the next

year or years," Mr. Collins said. The report showed that \$7861.34 was expended for hospitalization of polio patients whose families could not afford full cost of care themselves.

The Eastland County March of Dimes last year raised \$3779.04 of which 50% was retained for local services and 50% sent to national headquarters for its scientific research and professional education programs, as well as emergency aid to Chapters.

The national office supplements local funds when high incidence wipes out local resources. During the year \$3250.00 was received in emergency aid by the Chapter, Mrs. Collins said, and the Chapter begins 1952 with \$1323.00 in unpaid bills.

Musical Program Features Rotary Meeting Thursday

A musical program by Mrs. Ralph T. Wootton and a male quartet composed of J. H. Latson, Jr., Bob Latson, Ace Lucas and C. W. Henry furnished the entertainment for Rotarians at their regular weekly meeting at the Hotel Victor at noon Thursday. The vocalists appeared on the program at the invitation of Rotarian J. S. Stockard.

Mrs. Wootton began the program by singing "When They Ring The Golden Bells" and concluded her part by singing "The Holy City." The quartet, dubbed "The Grassburn Quartet of the Men's Bible Class of the First Christian Church" by the program chairman, then sang "Power in the Blood" and "On the Jerico Road."

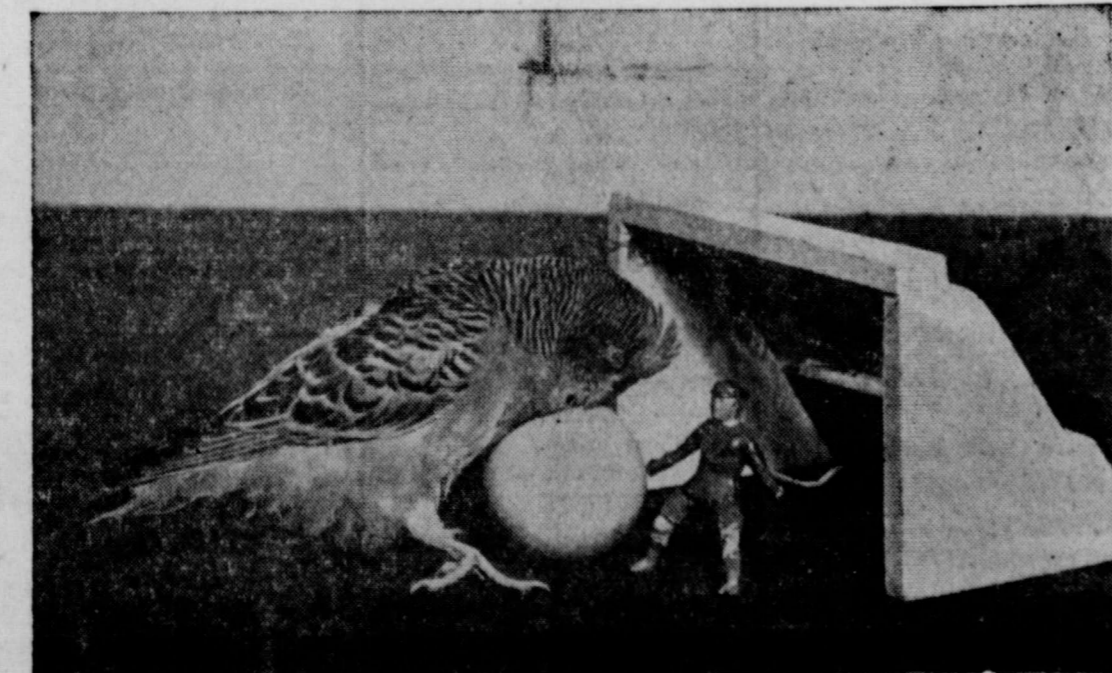

Rotarian George I. Lane of Eastland was a visitor. Other visitors included Emmett Graham and the five who took part on the program.

It was announced that Dr. Thomas H. Taylor, president of Howard Payne College in Brownwood, would be the guest speaker at the meeting next Thursday. Rotarian Ralph T. Wootton will be in charge of the program.

WARMER WEATHER DUE FOR AREA THURSDAY

Partly cloudy and warmer weather was in store for area residents Friday afternoon and Saturday after three days of cold with freezing drizzle. Most of the ice which formed Wednesday night and Thursday was gone by noon Friday as the temperatures began to rise and the sun came out.

A little more than a quarter inch of moisture was recorded here during the day Thursday.

ON THE BALL—Joey, a 15-month-old Budgerigar-type parrot in London, England, performs one of his tricks as he plays with a ping-pong ball. The clever bird will perform some acrobatic stunts in the annual exhibition of cage-birds in London.

FOOD FOR FOUR

Life magazine recently ran a picture story on what a typical U. S. family of four eats in one year. The photo was taken in the warehouse of one of the big food chains, and showed the family surrounded by the huge mass of succulent products it consumes.

A story such as Life's is one of the best arguments against those who attack free enterprise, and want the government to run everything. There's nothing much wrong with the economic system of a country in which a typical family of four eats two and a half tons of extraordinarily varied food each year.

What is true of food is true of all other consumer goods—clothes, furniture, appliances, cosmetics, and everything else. These are the tangible parts of what we call the American standard of living, brought about by free men working in a free society.

We see that all the way along the production and distribution line. We see it on the farms and in the factories, where the raw materials are produced and processed and made into something useful. And we see it, in concentrated form, in the retail stores of America—the chains, the independents, the specialty shops, the super-markets, the mail-order houses and all the rest. Mass production and mass

Now TRY THIS For CHILD'S COUGH

For coughs and bronchitis due to colds you can now get Creomulsion specially prepared for Children in a new pink and blue package and be sure: (1) Your child will like it. (2) It contains only safe, proven ingredients. (3) It contains no narcotics to disturb nature's processes. (4) It will aid nature to soothe and heal raw, tender, inflamed throat and bronchial membranes, thus relieving the cough and promoting rest and sleep. Ask for Creomulsion for Children in the pink and blue package.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Christian Group 3 Has Meeting Tuesday

Group Three of the First Christian Church met Tuesday afternoon at three o'clock at the church for their regular weekly meeting with Mrs. J. S. Stockard as hostess.

Mrs. Stockard opened the meeting with prayer and gave an article on "Good Growing Ground." Mrs. George Estill gave the devotional on "Christian Mission on Ariel." An article on the Missionary Society was brought by Mrs. Willie Rue Logan. Routine business was transacted and cards sent to the sick. Five members and one visitor answered roll call. The meeting closed with the missionary benediction.

Refreshments were served to Mrs. J. S. Stockard, Mrs. George Estill, Mrs. G. W. Troxwell, Mrs. Willie Rue Logan, Mrs. Sam Kimmell, and a visitor, Miss Ethel Mae Wilson.

Baptist WMU Holds Monthly Meeting

The W. M. U. of the First Baptist Church met Monday evening at the church for their regular monthly meeting.

Routine business was transacted after a prayer service was held for the sick and bereaved.

Those attending were Mrs. Lewis Lee, Mrs. A. B. Cooper, Mrs. O. J. Russell, Mrs. Roy Phippen, Mrs. Fred Grist, Mrs. Leo Keelan, and Mrs. W. F. Walker.

WVCS Holds Regular Business Meeting

The W. S. C. S. of the First Methodist Church met Tuesday afternoon at the church for their regular business meeting.

The meeting opened with prayer by Mrs. Robert Snoddy. Mrs. Wm. Joyner gave the treasurer's report. A kitchen committee for the kitchen shower to be held February 26, was appointed. Those on the committee are Mrs. S. H. Nance, Mrs. O. C. Lomax, Mrs. E. H. Lightfoot, and Mrs. Chesley Tipton.

The circles reported their meeting for the following week as follows: Circle one meets with Mrs. G. R. Killpatrick at 3 o'clock Tuesday afternoon, Circle Two meets with Mrs. George Davis at 2:15 o'clock Tuesday afternoon, and Circle Three meets with Mrs. Ed Huestis at 3 o'clock Tuesday afternoon. The meeting closed with prayer by Mrs. Wm. Joyner.

Those present were Mrs. Leo Clinton, Mrs. Wm. Joyner, Mrs. G. P. Rainbolt, Mrs. O. C. Lomax, Mrs. B. E. Morehart, Mrs. Robert Snoddy, Mrs. D. P. King and Mrs. Carrell Smith.

Vic Vet says

GI BILL TRAINEES! IF YOU NOW STOP YOUR TRAINING FOR ANY REASON EXCEPT THOSE BEYOND YOUR CONTROL YOU'LL NOT BE ENTITLED TO FURTHER TRAINING UNDER THIS LAW

For full information contact your nearest VETERANS ADMINISTRATION office

Latin American homes are noted for their patios.

Lacrosse is the national game of Canada.

Vets Questions Are Answered

Q — Who is entitled to receive a burial flag which drapes the casket of a deceased veteran?

A — The flag goes to the next of kin, with preference in the following order: widow; children, according to age, with sons having preference over daughters; father; mother; brothers or sisters; uncles or aunts; nephews or nieces; and others, such as cousins or grandparents.

Q — I've had a permanent NSLI policy on which I failed to pay premiums and which was extended by VA as term insurance for an amount equal to the face value of the policy. Does this extended insurance have loan value and cash value, same as any permanent policy?

A — The extended insurance

Looking Back on 1951 —

... the inventory shows that the scales weighed out a good portion of the better things for us to enjoy. While the mistakes we made stick out like a sore finger and our failures almost overwhelm us, yet these discouragements are small indeed when compared to the unhappiness and tragic experiences of some who happen to live in other countries. We are glad we live in Eastland County where we have had the opportunity to serve a host of loyal customers for more than a quarter century.

Earl Bender & Company

Eastland, (Abstracting since 1923) Texas

has a cash value, but it does not have a loan value.

Q — I'm planning to take a job overseas. May I use my GI loan to purchase a home abroad?

A — No. Under the law, GI loans may only be used to purchase property in the United States, its territories and possessions.

Don't Trust To LUCK—Trust to INSURANCE

WHO PAYS?

Whether you are the cause or the victim of an accident, the costs may easily ruin your entire life. Protect yourself. Be adequately insured at all times!

How many miles away is the house across the street?

Maybe they've just moved in. Maybe they've been there for quite a while—but your good intentions to get together just never seemed to materialize.

Whatever the case, isn't there someone in your neighborhood—maybe right across the street—with whom you ought to be a little friendlier? Someone who—as far as human relationships go—is miles away from you?

Why not bring your family and theirs

closer together by asking them to come to church or synagogue with you this week?

Anyone who has ever experienced that invitation will tell you how warm and friendly it seems in a strange town or a new neighborhood.

So never hesitate about asking a friend or neighbor to church. These days, more than ever, it is the sign of a good American, a good neighbor, and a good person to have for a friend.

Take someone to Church this week... you'll both be richer for it

Announcing

a whole flock of fine new features!

- Smooth New Power Flow**
Newly-designed combustion chamber adds an important new "plus" for Plymouth's mighty 97-horsepower engine with its high (7.0 to 1) compression ratio.
- New Stopping Power**
and long life for Plymouth brakes, already the finest in the lowest-priced field. New Cyclebond linings, without rivets, increase effective braking area, lengthen lining life.
- New Tone-Tailored Interiors** with luxurious new fabrics, trim and finishes. New color-harmonies. New Lustre-Tone instrument panels.
- Advanced Synchro-Silent Transmission** is quicker, quieter, and smoother than ever. Makes shifting simpler and more effortless.
- Solex Safety Glass** reduces glare, helps keep out heat of the sun. This is optional equipment at slight extra cost.
- A Fresh New Look** in exterior styling... an exciting new choice of gleaming colors... new moulding and new ornamentation.
- Faster-Acting Electric Windshield Wipers.** Speed stepped up 10 per cent. Unlike the vacuum type, they never slow down!
- 1952 Safety-Flow Ride** includes refinements in the famous Oriflow shock absorbers... and other new comfort features that make this ride even still smoother, even still safer.

'52 Plymouth

IT'S AT YOUR PLYMOUTH DEALER'S NOW—the finest of all fine Plymouths ever built! And the features described here only begin to tell you its value story. Plymouth designers, decorators, engineers have crammed still more quality into every part—have made it, more than ever, "the low-priced car most like the high-priced cars." See it yourself. Drive it yourself. Compare it with the others in the lowest-priced field, or even compare it with cars costing hundreds of dollars more. Then you be the judge of the car for the money—the car for you!
