The Gay Philosopher

By J. W. S.

PEOPLE OVER THE state are fighting the battle of auto inspections. See by the papers here a court suit soon will be filed to test the validity of the new inspection law. State representatives and senators are voting their say, particularly those who voted against the bill. The state is trying to figure a way to delay the deadline for giving your car inspected.

The inspection law will particularly hurt those people who have old model cars and trucks at they use on their farms and ranches. A lot of these people have rattle-trap cars for use around the farm and a good car for the family to drive. In any event, it will probably work out for the best.

THE WESTERN Union office moved to the Chamber of Commerce. Under the new setup, it will be operated by an individual - Mrs. Peggy Gallagher instead of by the company. Mrs. Lester Matthews is currently being checked out on the equipment by Mrs. Jane Dow. Mrs. Edna Hamlet, who had been an operator here, is moving to Colorado City, we understand.

Mrs. Dow, by the way, was a Western Union operator here several years ago and is here temporarily. Her husband is a lawyer in Puerto Rico. We suggested to Mrs. Matthews at she maybe should have a cycle to deliver telegrams. But she hasn't approved the idea financially.

THE SCHOOL CHILDREN at West Ward and at the high school are highly pleased with their new desks, their scouts report. They liked their old desks, but judging from the number who bought new ones. The schools offered to sell their old desks at 50 cents each to the student who wanted one. A total of 350 desks were sold to the students.

MR. TOMMY BOLT, who was a big money winner in a Los Angeles golf tournament, won the Cisco Invitation tourney in Cisco. At that time he was one of the top amateurs in Abilene and played in most tournaments in the area.

Man Huston, a local golfer, that Bolt was a top amateur in the Cisco area was one of the top amateurs in Abilene and played in most tournaments in the area. It was a big surprise to many amateurs in West Texas that time. He later was pro in Brokenridge.

OUR SCOUTS REPORT that a south Cisco area, which now has a half dozen oil wells, has a big lot of gas that is being used. Arrangements are under way to utilize the gas and its use will be stopped soon. Several more wells are due to be drilled in the area.

TICKETS ARE ON sale for the football banquet, which will be the Wranglers, the Lobos, the Jets and Stanley Williams gym on January 18. Andy W. Leslie Seymour, superintendent for the district churches, has decided he will buy a ticket for Stanley Williams.

Any man in the Cisco area who is interested in attending the football banquet is especially interested to buy their tickets. W. E. Dean is chairman of ticket sales.

Mr. and Mrs. A. F. Piery have returned from a two weeks stay in California. While visiting they had snow and they had been there in three feet of snow.

DR. GOOD SERVICE your Olds and Cadillac the Motor Co. - Eastland

YEAR-ROUND WORK—Although Christmas comes but once a year, it spells a year-long occupation for 66-year-old Giuseppe Avolio, who spends about 10 hours a day in his workshop in Aquila, Italy, making tiny figurines which adorn Italian cribs during Yuletide. Olgo Avolio, 44, shown here, keeps her father's home and also helps with the painting. Boys from the village come in as they please to give a hand as there is plenty of work for all.

BANK STOCKHOLDERS RE-ELECT ALL OFFICERS AND DIRECTORS

Officers and directors of the First National Bank in Cisco were re-elected Tuesday at the annual stockholders' meeting, according to an announcement today. The officers are: Charles A. Spears, president; James P. McCracken, executive vice-president; and J. D. Lauderdale, cashier.

Directors are: J. H. Reynolds, W. P. Guinn, J. A. Reagan, J.

Warren Plans To Show New Autos

The "Starliner," a five-passenger, hardtop convertible, is the pace car for Studebaker's 1952 models announced today. Warren Motor Company of Eastland announced.

This newest body style by Studebaker is offered in both the Champion and Commander lines, and is available in eleven different two-tone color combinations and two upholstery options. The "Starliner" typifies, both outside and inside, the striking design and appointments of the company's entire series of new models.

Dealers are scheduled to begin their local showings of the new cars soon.

Externally, the '52 Studebakers reveal entirely new front-end treatment and substantial restyling in the rear. Hoods are longer and lower, with new emblems and ornaments. Grills embody wrap-around styling and stand out as the most distinctive front-end features of the new models. The massive wrap-around bumpers are equipped with four vertical guards; two, located under the headlamps, to protect the vehicle from the customary bumps encountered in day-to-day driving, and two smaller guards to protect the license plate from damage. Headlamp lamps have been re-designed and the parking lights, also of new design, are larger.

The most significant changes in the rear are found in the tail lights and trunk lid handles. The tail lights, which appear to be integral parts of the rear fenders rather than "added-on" assemblies, give the effect of extending the sweep of the fenders and thus a corresponding increase in body length.

Mrs. James Roosevelt was awarded the Albert Einstein medal for humanitarianism in 1938.

Junior High Will Send Two Teams To Rising Star

The Cisco Junior High School girls and boys basketball teams will go to Rising Star tonight for two games with the junior high school teams there.

The midnets and the girls teams defeated Carbon in two games at the community gym Tuesday night. The girls started the affair with a 17-9 win over the Carbon girls. The work of the guards on both teams was outstanding with the local girls holding the edge in keeping their opponents away from the basket. The halftime score was five and five. Coach Killingsworth was handicapped because of the absence of his star forward, Bobbie Lee Sublett who was ill.

In the boys game Coach Bill Sledge played his first team less than half the game to win 21-13. The local boys were off on shooting and failed to take advantage of many sure shots.

Tonight the girls will be strengthened by the return of Sublett and Donice Johnson. Johnson has been unable to play this year because of an operation on her foot but will be ready to go against Rising Star. She was the most outstanding forward on last year's team. Bonnie Owens will probably be the other starter at forward. Guards will probably be Joann Townsend, Loretta McKinney and Joyce Lancaster.

Coach Sledge will probably use Bill Smith, Harold Hammett, Tommy Reynolds, Alpha Elder and Joe Wayne Farrow as his starters. The teams will go to Rising Star by bus and will be accompanied by the two coaches and Mrs. Bill Bragg, who is coaching sixth and seventh grade girls.

COMMITTEE CHAIRMAN

R. E. Grantham has been named chairman of the house committee at the Cisco Country Club for the coming year, President Charles L. Cofer reported today. Anyone interested in using the club house was directed to contact Mr. Grantham.

WAS CO-HOSTESS

In a report of the meeting of Circle one of the Woman's Society of Christian Service of the First Methodist Church in Wednesday's edition of The Press, the name of Mrs. C. E. Moore as co-hostess with Mrs. G. R. Kilpatrick was inadvertently omitted.

E. P. Crawford was called to Dallas today due to the illness of his brother, J. S. Crawford.

Moran News . . . Large Crowd Pays Final Respect To Deceased Pioneer

A large crowd of relatives and friends was in Moran Wednesday afternoon for the McKelvin funeral. All business houses were closed for the services, and the Church of Christ auditorium was filled as friends and relatives paid last respects to a beloved pioneer.

Hardie McKelvin has been confined to his bed for the past three weeks due to illness. The following out-of-town visitors were at the McKelvin home: their daughter, Mrs. Stene Proslar and family of McCamey; Mr. and Mrs. Ted Walls, Clyde; Luther McKelvin, Sherman; Mr. and Mrs. Buster Kinnison and Mrs. Sam Dibella, Houston; Mrs. Effie Jemeyson, Fort Worth; Miss Thelma Andrews, Abilene; Frank Andrews, Albany; Mrs. Gertrude Broyles, Sudan; Mr. and Mrs. Roy Louder and Tommie, Mr. and Mrs. J. D. Dunnan and Otis, Mrs. McGloflin, Breckenridge, and Mr. and Mrs. Lee Dockery, Ranger.

The Women's Auxiliary of the Moran American Legion and the Women's Society of Christian Service of the Moran Methodist Church have invited the public to attend a bridal shower for Mrs. Bill Stephenson, the former Miss Letha Dell Brooks, daughter of Mr. and Mrs. Delbert Brooks, at the church basement on Friday, Jan. 18, at 2:30 p. m. Cisco friends have been invited.

Miss Patsy Weir has returned to Denton after spending the holidays in Moran. Patsy is a senior and will graduate in June, 1952, in the home making department.

Trope Brooks, superintendent of Moran water works, has returned home from one week spent in a Baird hospital for treatment and rest.

Mrs. Ruth Stevens of Albany has accepted a position as bookkeeper with St. Mary's Oil and Gas Co. in Moran.

Mr. and Mrs. Marvin Kays have recently been transferred by the Austin Bridge Co. to Canadian, Texas, in the northern part of the Panhandle.

Mr. and Mrs. Foy Barnett and daughters, Beckey and June, spent last Sunday with their parents in Goree.

Mr. and Mrs. Oscar Wise were Saturday night and Sunday guests of Mr. and Mrs. Carol Anderson in Abilene.

The Moran Luncheon Club met for their first meeting of 1952, on Wednesday, January 9th. Superintendent Harold D. Thomas, the newly elected toastmaster, presided.

Mrs. J. M. Townsend and her group of ladies served a delicious dinner. The opening drive for the March of Dimes was begun at the luncheon club. All collections at the luncheon club for the month of January will go for this cause. On January 16th, Judge Floyd Jones of Breckenridge will speak on good citizenship. Visitors are welcome.

Holiday guests in the home of Superintendent and Mrs. Harold D. Thomas were his parents, Mr. and Mrs. D. S. Thomas of Fort Stockton; Also Mr. and Mrs. C. H. Moore of Abilene, a sister of Mrs. Thomas, and Sgt. and Mrs. Jimmie Hopson and son, Mike, of San Antonio; and Robert Moore, vocational agriculture teacher at Weinert, Texas.

MORAN PUBLIC SCHOOL

There is an assembly each Monday morning at 8:45 a. m. and the public is invited. Mrs. Karkalits and her sixth grade has the program for Monday, January 14th.

The pastors of the different churches have been helping with the programs. Last Monday, Rev. Karkalits led the group singing and Rev. Phillips gave us the devotion. Next Monday, Rev. Brown will give the invocation and benediction for the program. The rest rooms have been completed in the grammar school and several other improvements. There has been a Junior Band started in the fourth grade under

Turn To Page Five

Cisco Brothers In Korea Outfit

WITH THE 2ND INFANTRY DIV. IN KOREA — Two Cisco brothers are serving in Korea with the 2nd Signal Company of the 2nd Infantry Division.

They are 1st. Lt. Arvie D. Humphrey, radio officer, and M-Sgt. Bob Humphrey, first sergeant. The two men are together after 13 months of separation.

Master Sergeant Humphrey had 10 months of combat duty with the 25th Infantry Division in Korea and then rotated to the United States. After four months of stateside service he volunteered to serve in the Far East Command and was again assigned to Korea. He came to the Signal Company in November as first sergeant.

Lieutenant Humphrey was assigned to the company in June.

Marked Rise In Cancer Deaths Is Reported By Cox

AUSTIN, Jan. 10. — "While the span of human life has been lengthened 10 years during the last four decades, the disturbing fact remains that there has been a marked rise in death from cancer during the same period," declared Dr. Geo. W. Cox, State Health Officer, and urged that the public be on the alert to detect this disease.

"Cancer is not a hopeless, incurable disease. It is not contagious or in itself hereditary. There are thousands of men and women in this country who have been successfully treated for cancer. The greatest hope of cancer patients lies in their having treatment during the first stages of the disease. Cancer announces itself by symptoms that are frequently painless and apparently trivial, thus giving the disease an unseemly advantage. Early diagnosis is the one powerful antagonist.

"The danger signals can be classified as follows: Any lump in the breast or other part of the body; any persistent sore, particularly on the face or mouth; and unusual discharge or bleeding from any part of the body, such as vomiting of blood, passage of blood from the bowels, or unusual bleeding of any bodily passage, especially after middle age. These symptoms may be from some other cause but should be diagnosed by a physician.

"Two main rules should be followed in cancer treatment. First, have an annual physical examination by a reputable physician. In this way incipient cancerous conditions can be discovered and by proper treatment the disease can be conquered. The second rule is to mistrust high promising statements of 'amazing new discoveries.'"

High School Cage Teams Ready For Conference Play

The Cisco High School girls and boys cage teams will open the 1952 district AA10 basketball play when they meet the boys and girls teams from Comanche High School at the local gymnasium Friday night.

Both Comanche teams have shown a lot of power in pre-conference play and the local teams are looking for hard contests. In district play each team plays the other members two games on a home and home basis.

Coach Overall will probably start Jim Webb, Doug Johnson, Herbert Coats, Irvin Brunkenhoefer and H. L. Youngblood while Mrs. Bill Bledsoe, coach of the girls team, will probably start Kitty Lou Phippen, Wylene Bint and Marie Borst at Forwards and Bobbie Huffman, Martha Eudy and Jessie Warren at guards.

Local Men To Attend Brownwood Banquet

The Cisco Chamber of Commerce will send a delegation to Brownwood tonight for an area-wide dinner honoring new and retiring engineers with the Texas Highway Department. Chief Engineer D. C. Greer will be the principal speaker.

Those who were expected to attend from Cisco were E. L. Jackson, J. J. Callaway, Dick Lauderdale and B. A. Butler.

Outcome Of Two Area Oil Tests Due Soon

The outcome of two important Cisco area oil tests is expected to be known by the weekend, a survey of operations indicated today. At least three other area wells were in various stages of completion.

The J. E. Connally et al No. 1 Mrs. Pearl McMurray, a semi-wildcat deep test one and a half miles southwest of Cisco, was due to reach possible pay horizons late today or tonight. It was drilling below 3,300 feet early Thursday in hard Cado lime.

A mile west of the Connally No. 1 A. Z. Myrick, a Lake sand producer, the McMurray test is regarded as a Lake sand possibility. If it makes a well, the south and southwest Cisco area would doubtless see considerable additional drilling in the immediate future. It was understood that the top drilling of the Cado lime was encountered at virtually the same depth as in the Myrick well.

Another test that oil men were watching with considerable interest is the Raymond Thomason No. 1 E. C. Montague, a mile northwest of Cisco. It was drilling at about 3,000 feet in Cado lime. A wildcat, production in the test would also touch off additional drilling activity.

Equipment was due to move on location today to begin completion work in the E. K. Carey No. 1 Max Witt, a Lake sand prospect in the south Cisco townsite. Pipe was cemented several days ago after a drill stem test had yielded gas and oil.

Nearby, Carey's No. 1 Masonic

Disaster Toll Of December Highest In 15-year Period

December's disaster toll was the highest for that month in the 15 years that life insurance company statisticians have maintained a record of catastrophic accidents.

Most costly as to loss of life in the past year was the Illinois coal mine explosion of December 21st, in which the death list reached 119.

Three other major catastrophes during the month were the plummeting of a nonscheduled passenger plane into the Elizabeth River in New Jersey, which took 56 lives, the December 30th crash of an Air Force transport plane in Arizona, which killed 23 including 19 West Point cadets, and the wreck one day earlier of another nonscheduled passenger plane in western New York, in which 26 died.

Aside from the December disasters, the Woodbridge, N. J., train wreck of last February, in which 85 were killed, resulted in the highest casualty toll of the year.

Other accidents claiming more than 25 lives in 1951 were: Crash of transport plane on mountain slope in Colorado, June 30 . . . 50 dead. Crash of transport plane near Oakland, Calif., August 24 . . . 50 dead.

Crashing of fishing party off Montauk Point, L. I., September 1 . . . 45 dead. Collision of Cuban airliner and U. S. Naval plane over Key West, Fla., Apr. 25 . . . 43 dead.

Kansas, Missouri, and Oklahoma floods, July . . . 41 dead.

Poisoning by wood alcohol "liquor," Atlanta, Ga., October . . . 38 dead.

The death toll in all catastrophes, defined as accidents killing five or more persons, was about 1,800 lives in the United States in 1951, or about 300 more than in 1950.

W. J. DONOVAN DIES THURSDAY MORNING IN ABILENE HOSPITAL

W. J. Donovan, prominent Cisco business man and land owner, died in an Abilene hospital at 10:30 a. m. Thursday following an illness of some six weeks. Mr. Donovan was taken to the Abilene hospital after local doctors recommended treatment by

Home was given the hydrafract treatment Wednesday and will be opened for tests probably Friday.

West of Cisco in the Dothan area, the D. D. Feldman No. 1 Pruet was swabbing and cleaning out in completion operations. The well is bottomed in the Ellenberger lime below 4,000 feet and is a near offset to lime production discovered several weeks ago.

Ten miles south of Cisco, Slick Moorman Oil Company, San Antonio, has taken over the N. B. Hunt No. 1 A. A. Stephenson test with plans to deepen it to 4,200 feet. Hunt, a Dallas operator, drilled the well to about 2,400 feet recently. Location is 660 feet from the north and west lines of Section 55, Block 3, H&TC Survey.

Young People To Have Big Day At Fat Stock Show

FORT WORTH, Jan. 10. — Twenty thousand youths from all over Texas will swarm the grounds of the Southwestern Exposition and Fat Stock Show on the first Saturday of the show, Jan. 26, which has been designated as 4-H Club day, Future Farmers day and Future Home-maker day.

Headquarters for the groups will be located in Cattle Building No. 2, one of the 17 modern buildings which comprise 32 acres under roof. The new stage, set up for special entertainment in Cattle Building No. 2, will be available for specialty acts which any 4-H Club or FFA chapter desires to present.

Judging of fat steers and fat lambs will be underway Saturday and the exposition, which opens the preceding day, will be in full swing.

The Fort Worth show, President-Manager W. R. Watt points out, not only gives the young exhibitor a place to show his livestock but offers him an opportunity of viewing animals from over half the states, as well as foreign countries. The exhibits, representing some of the finest animals in the nation, may well be the incentive for some FFA or 4-H Club boy to produce a champion of his own, Watt stated.

Leaders of the groups have been invited to the show on their special day. They are Vannoy Stewart of Austin, FFA state supervisor; Floyd Lynch of College Station, state 4-H Club leader, and Miss Josephine Pazzral of Austin, state FHA adviser.

More than 1,500 4-H and FFA boys are expected to have entries in the Stock Show this year, Assistant Manager and Livestock Superintendent W. A. (Bill) King said. In addition to viewing livestock entries, many hundreds of the young visitors will attend the Jan. 26 matinee performance of the world's greatest indoor rodeo.

TERRY JO HARBOUR

A daughter, Terry Jo, was born Sunday, January 6, to Mr. and Mrs. Marvin R. Harbour at the Wichita Falls General Hospital. The mother is the former Jean Ann Terry, daughter of Mr. and Mrs. Frank Terry and grand daughter of Mrs. L. M. Terry, all former residents of Cisco.

Mrs. Frances Stewart returned to Austin Saturday after a visit in the home of her mother, Mrs. A. Sandhofer.

February To Be 'Tidelands Defense Month' In Texas, Committee Says

February will be "Tidelands Defense Month" in Texas, the Statewide Tidelands Committee announced today through its Chairman, Guy C. Jackson, Jr., of Anahuac.

Attention of Texans will be called to the tidelands issue by means of newspaper advertisements and stories, radio broadcasts, magazines and other means, the Chairman said.

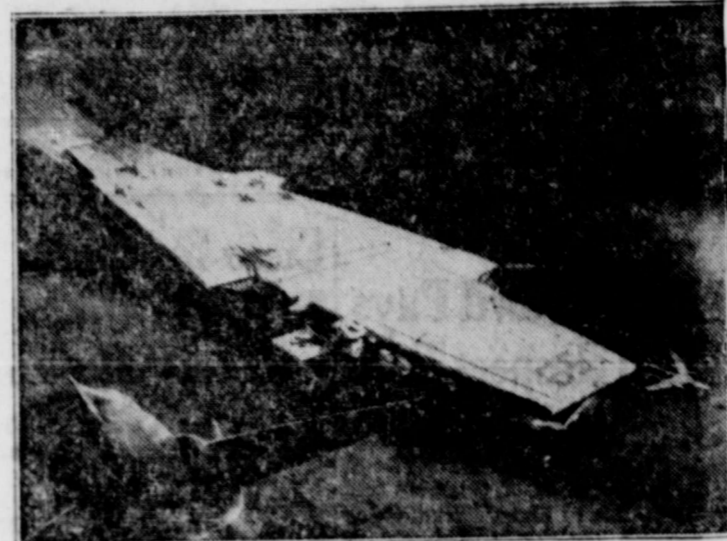

Funds will be sought to carry on a national campaign for Congressional action quit-claiming the tidelands to the states.

"We are faced with a determined fight in Congress this next session," Jackson said. "We must carry the facts of the tidelands case to the people of every state in the nation. We must finance the cost of sending nationally-known Texans into every state to carry the facts to the people. Then we are confident Congress will act favorably on legislation which will nullify the effects of the Supreme Court decisions."

organizations of the Committee are as follows: Governor Allan Shivers, Attorney General Price Daniel, Land Commissioner Bascom Giles, Honorary Members: Texas State Bar Association, Robert Lee Bobbitt, San Antonio; Texas State Teachers Association, Frank M. Jackson, San Angelo; American Legion, Joe Spurlock, Fort Worth; Texas Federation of Women's Clubs, Mrs. J. W. Walker, Plainview; Veterans of Foreign Wars, J. T. Rutherford, Odessa; Congress of Parents and Teachers, E. N. Dennard, Waco; Soil Conservation District Supervisors, Gail Whitcomb, Houston; Texas Water Conservation Association, J. E. Sturrock, Austin; East Texas Chamber of Commerce, Hubert Harrison, Longview; West Texas Chamber of Commerce, B. P. Bludworth, Brownwood; South Texas Chamber of Commerce, Roy Leeman, San Antonio; Daughters of the Republic of Texas, Mrs. H. C. Vandervoort, Fort Worth; Sons of the Republic of Texas, Dr.

NEW AIRCRAFT CARRIER COULD ACCOMMODATE FOUR FAMOUS SHIPS ON ITS FLIGHT DECK

Plans for USS Forrestal Would Have Space for Frigates Hartford and Constitution and the Ironclads Monitor and Merrimac

Above is an artist's conception of the Navy's newest aircraft carrier USS Forrestal, the 59,900-ton flush deck vessel which will be built at Newport News, Va. The ship will have an over-all length of 1,040 feet, a beam of 128 feet on the waterline and an extreme width of 252 feet at one point on the flight deck. Some idea of the ship's immense size may be gained when it is realized that the old Constitution, 175 feet over-all; the Hartford, 226 feet; the Monitor, 172 feet and the Merrimac, 178 feet, could be placed side by side on its flight deck with room to spare for destroyers and other smaller boats.

The USS Forrestal will be the Navy's first carrier with a retractable bridge. Her four catapults, four elevators and a large flight deck will enable the ship to handle the heaviest carrier aircraft of latest design. Designed to accommodate approximately 3,500 men, including her air group personnel, more comfort and efficiency for her crew will be provided by air conditioned quarters, while escalators will quickly carry pilots to the flight deck from ready rooms below. The Forrestal will cruise at a speed of 30 knots plus and will be capable of remaining at sea for three months without replenishing.

drive for funds," Jackson said. The House of Representatives passed quit-claim legislation in August of 1951 by a vote of 265 to 109. The Senate is expected to consider legislation in the current session. Funds raised by the Statewide Tidelands Committee will be devoted to a national campaign to awaken the country to the dangers of the tidelands decisions and to secure strong support in every state for Senate approval of a quit-claim bill.

AND NEWS OF INTEREST TO WOMEN

Childress Girl Will Wed Charles Pence In Ceremony February 10

The engagement of Miss Patsy Rosamond to Charles Pence was announced at a tea Friday afternoon at the home of Miss Rosamond's parents, Mr. and Mrs. C. Rosamond of Childress, Texas. The announcement of the wedding date was in the form of a letter to the church decorated with red and white ribbons and flanked by two taper in crystal candleabra. The dining room was decorated with a boquet of pink and white flowers centering the buffet. The table where Miss Wanda Rosamond, sister of the honoree, presided at the tea service. Miss Donna Broughton met the

guests at the door and directed them to the guest book. Mrs. Rosamond was assisted in serving by Mrs. Will S. Carter.

Miss Rosamond is a graduate of Childress High School and is attending Hardin-Simmons University in Abilene. She will graduate in January.

Mr. Pence is the son of Mr. and Mrs. Charlie Pence of Cisco. He is a graduate of Cisco High School and of A&M College. He is now stationed in the army at Fort Leonard Wood, Missouri.

Those attending were Donna Broughton, Katie Williamson, Eleanor and Joan Dakil, Charlotte Martin, Marjorie Ball, Nancy Massey, Jane Witcher, Ruth Smith, Ray Anne Green, Beverly McConnell, LaNell Coldwell, Edna Yarbrough, Lois Crook, Shirley Adams, Virginia Bush, Mary Williams, Doris and Durena Collins, and Mesdames: Dean Decker, Don Decker, Max Albertson, I. D. Russell, Arvne Bellah, Joe Mills, Weldon Fromm, Johnny King, Charles Villyard, John West, Harold Anderson, B. E. Minor, and Mrs. John Bennett. The wedding will take place February 10, 1952.

Bonita Arborvitae for Cemetery Planting

The Bonita is a dwarf medium green that grows round as a ball — requires no trimming, grows 3 to 4 ft tall — we have nandinas and other evergreens. Set them out for small additional charge.

First Baptist WMU Has Monthly Meeting

The W. M. U. of the First Baptist Church met Tuesday afternoon at the church for their monthly meeting.

The meeting was opened with the song, "More Love To Thee," sung by the group followed by prayer by Mrs. O. J. Russell. Circle Two was in charge of the program on World Wide Missions with Mrs. D. L. Kisner as leader.

The president, Mrs. R. D. Guthrie, presided during a short business session. The meeting closed with prayer by Mrs. W. V. Gardenhire.

Those present were Mrs. John Popalio, Mrs. Frank Walker, Mrs. D. L. Kisner, Mrs. J. T. Brewer, Mrs. Roy Pippen, Mrs. R. D. Guthrie, Mrs. O. J. Russell, Mrs. G. B. Langston, Mrs. O. L. Mason, Mrs. W. L. Hussey, Mrs. Fred Grist, Mrs. W. V. Gardenhire, Mrs. Lenke Lane, Mrs. I. J. Davis, Mrs. W. B. Cates, Mrs. O. L. Lee, Mrs. O. G. Lawson, Mrs. J. E. Burnam, Mrs. E. L. Fleming, Mrs. W. W. Sawyer, Mrs. Algie Skiles, Mrs. Grantz, and a visitor, Mrs. Laird.

Legion Auxiliary To Seek New Members

The American Legion Auxiliary met Monday evening at the Legion Hall for their regular meeting.

The meeting opened in regular form with Mrs. Truly Carter, president, presiding. Colors

were advanced followed by the allegiance to the flag. The Preamble to the American Legion was read by all present followed by prayer by the chaplain, Mrs. Mac Stephens. Mrs. Truly Carter read a Christmas Greeting letter from Mrs. H. N. Lyle, thanking all members for their cooperation.

Mrs. Carter appointed Mrs. Marshall Jones and Mrs. G. Polard as chairmen of the membership drive. Members were reminded that the American Legion Auxiliary dues are due for the coming year.

Fifteen members attended the meeting.

CWF Holds Meeting At Greenhaw Home

Circle Two of the C. W. F. of the First Christian Church met Tuesday in the home of Mrs. Charlie Greenhaw for their regular weekly meeting.

The meeting was opened with prayer by Miss Ethel Mae Wilson. The devotional, taken from the book, "Beginning at Jerusalem," was given by Mrs. Callie McAfee. Mrs. Ada Mobley read a letter received from Francis Bruce of Edmonton, Alberta, Canada. A report was given on the Christmas baskets and the meeting closed with the missionary benediction.

Refreshments were served to Mrs. Fleming Waters, Mrs. D. E. Waters, Mrs. Callie McAfee, Mrs. Ada Mobley, Mrs. James Haynie, Mrs. A. M. Worley, Miss Olga Fay Ford, Miss Ethel Mae Wil-

Eastern Star Holds Meeting On Tuesday

Cisco Chapter 461 of the Order of Eastern Star met Tuesday evening at the Masonic Hall for the regular stated meeting.

The meeting was opened in regular form and the pledge of allegiance given. The Benevolent Committee gave a report on the cards and gifts sent to the sick. Final plans were made for the Friendship Night to be held January 22.

The worthy matron submitted names of the new advisory board of the Rainbow For Girls and names were approved by the chapter. An announcement was made that the advisory board would be installed along with officers of Rainbow Girls on January 29. The worthy matron announced the scripture meditation for the month of January as Isaiah 60:19 and Proverbs 18:24. A special New Year message was read and the meeting closed in regular form.

Music Study Club Has Regular Meeting

The Music Study Club met Wednesday morning at the Club house for their monthly meeting. The meeting was opened with a violin solo, "Simple Confession"

son, Miss Ester Hale, Miss Alice Bacon, and the hostess, Mrs. Greenhaw.

by Thome, by Miss Nancy Cluck accompanied by Miss Rhelda Reed. Routine business was transacted. The president urged all members to attend the Federated Club meeting to be held Monday. It was voted to buy two sheets for the Garcia family.

Mrs. J. M. Flournoy and Mrs. Hal Lavery gave the lesson on "Palestrina." Mrs. S. E. Hitson gave the history of the hymn of

the month, "As With Gladness Men Of Old," which is a song for the Epiphany Session. The hymn was then sung by Mrs. C. E. Paul. Three new members were accepted. The next meeting will be held at the home of

Mrs. Paul. Those attending were Mrs. C. E. Paul, Mrs. Hal Lavery, Mrs. S. E. Hitson, Mrs. John Kleiner, Mrs. J. M. Flournoy, Mrs. J. A. Jensen, Mrs. Ben Krauskopf and Mrs. Ada Mobley.

Don't be Fooled by Meaningless Advertising Claims. Try Maryland Club, the coffee that's not afraid for you to test it yourself!

DON'T TAKE ANYONE'S WORD FOR IT!

Prove conclusively to yourself that *only* Maryland Club stands up to the exacting standards of better flavor, and greater economy, that *you* set yourself!

...and as further proof **WE OFFER YOU ONE DOLLAR!** * if you don't agree!

Only a coffee as *positively superior* as Maryland Club could make so dramatic an offer!

Certified Taste Tests of Maryland Club against the other four most widely displayed brands of coffee, by Southwestern Laboratories, conclusively show:

Coffee	% liked best	
	Men	Women
Maryland Club	60.5	63.8
Widely Advertised Brand B	39.5	36.2
Maryland Club	54.5	62.1
Widely Advertised Brand C	45.5	37.9
Maryland Club	52.4	63.8
Widely Advertised Brand D	47.6	36.2
Maryland Club	60.0	52.6
Widely Advertised Brand E	40.0	47.4

* All coffee tested were made exactly the same way, except that Maryland Club was made with 22.3% less coffee! The results of these tests, which were made right here in the SOUTHWEST by men and women just like YOURSELF, are sworn to and notarized!

DON'T TAKE ANYONE'S WORD FOR IT!

Make Your Own Coffee Taste-Test! Get the flavor that tastes better to you! Make Your Own Coffee Economy Test! Get 10-15 more cups per pound!

The list of distinguished hostesses, and the names of finer hotels and restaurants throughout the Southwest, who prefer Maryland Club continues to grow. Here is further evidence that Maryland Club *tastes better*. And here is further reason to believe that Maryland Club has proved to be *economical*, too!

* If you don't agree that Maryland Club *tastes better*, at less cost per cup—just return to us by February 1, 1952, the can-strip with your own twenty-five word statement telling *why* you don't agree, and we'll send you a Money Order for one dollar in cash!

HEALTH TALKS

Prepared by the Texas Medical Association

Blood cells (sometimes called corpuscles), are somewhat spoon-shaped, about 4 times as fat as they are deep. The white cells are about twice as fat as the red cells but there are normally more than 750 red cells for every white one. The red cells are essentially the builders of the blood stream while the white cells are essentially the garbage men, picking up the waste from the organs of the body, and fighting infection, while the red cells are feeding the organs of the body. The red and white cells and blood platelets make up the cellular elements of the blood; plasma and cellular elements are the two parts of blood.

The platelets are sphere-shaped, light grey chambers which are important in the clotting of blood (coagulation).

Blood count is a laboratory examination of blood to determine the number of red and white cells in a cubic millimeter of blood.

Blood poisoning, known as septicemia, is the presence of germs and germ-made poisons in the blood stream.

Bloodletting or bleeding known medically as venesection. In olden days this was a favorite form of treatment for practically all diseases and was performed by the barbers. From that blood-

Helps Dimes Drive

GIVE PROPER HAND SIGNALS!

IN THE SHADE—Statuesque Jan Crommiller of Tallahassee, Fla., wouldn't trade her big beach umbrella for a dozen snow shovels, or even a snow plow. Jan was enjoying herself on the sunny sands at Daytona Beach, Fla., but she could have headed north—or west—if she'd been looking for the cold variety of Winter weather.

Six weather stations, operating in the Arctic regions, record weather observations for accurate short range forecast and accumulate research data for long range forecasting. Five of the stations established in 1947, are operated jointly by the United States and Canada while the sixth is a joint operation of the United States and Denmark. Resupply of this chain of Northern outposts has been a yearly mission of the U. S. Navy. Task Group, commanded by Captain Walter C. Ford, U.S.N., of Buffalo, New York, was composed of the Atka, a navy icebreaker; The East Wind, a coast guard icebreaker; USS Wyandot, and the USS Acheener, cargo ships and the USS Nespen, a tanker. Supplies for the coming year were unloaded at central weather stations at Thule, Greenland and Resolute Bay, Cornwallis Island. From these central points supplies for the satellite stations are flown by planes of the United States and Royal Canadian Air Force.

HANDICAPPED ON ASSEMBLY LINE—Down the production line goes this North American F-86 Sabre, world's fastest aircraft. And helping out in the procedure are these three handicapped workers, veteran employes of the plant. Paul K. Johnson, of South Gate, Calif., (left) patiently goes about the business of burring parts for the plane, while Harvey Singer, of Los Angeles, who was injured in a civilian accident, installs equipment on the jet. Also helping in the burring operation is Miles S. Cundy, of Hawthorne, Calif., who was a hard luck victim of World War I. He served in the Fifth Marines and was wounded by a shell burst an hour before the close of hostilities November 11, 1918.

PHYSICALLY HANDICAPPED VETERANS ARE TOP WORKERS IN WAR PLANTS

William A. Betterly, president of the Fibrous-Glass Insulating Co., of Wilkes-Barre, Pa., drops by to check one of the 40 disabled veterans employed by the firm, which manufactures aerial parachute packs for the U. S. Air Force.

parachute packs. The packs are used to parachute supplies to ground troops.

**Texas Junior Vegetable Growers Win
Four Awards in National Competition**

TEXAS junior vegetable growers were named winners of one sectional and three state awards in the 1951 production-marketing contest of the National Junior Vegetable Growers Association as the NJVGA concluded its seventh annual four-day convention at Cleveland, O., today.

Joe A. Brunson

1951 marks his third consecutive garden project. His two-acre NJVGA entry netted him a profit of \$176. This high school senior is vice president of his class and active in church and community affairs. In the 1950 Cherokee County fair his beef heifer won fifth place honors and his garden produce claimed the county vegetable production medal.

Syble J. Wall

Sectional honors went to Joe Acker Brunson, 17, son of Mr. and Mrs. J. B. Brunson, Dialville. He received a \$100 prize from the \$6,000 scholarship fund provided each year by A & P Food Stores as part of its nationwide program to encourage better production and marketing of vegetables by farm youth.

Lawanda Vinson

Taylor County has a good reason to be proud of Lawanda Vinson, who is not only an outstanding NJVGA entrant but a blue ribbon competitor in county, state and 4-H Club meets. An eighth grade student, she is active in school sports and choral activities.

D. N. Borchardt

State honors went to Lawanda Vinson, 13, Tuscola; Syble J. Wall, 17, Chireno; and Dorothy Nell Borchardt, 15, Orange Grove. Also announced by John E. Hutchison, Extension Horticulturist, Texas A & M College, College Station, and state NJVGA leader, was the awarding of the national championship and the top \$500 scholarship to Albert B. Bishop, 20-year-old grower of Guilford, Conn.

Joe Brunson has been a 4-H Club member for five years and

Although "Prof's" first ambition at the age of three, was to be a fireman; he changed his mind when he observed the remarkable symmetry of a bacillario phyceae and the unsurpassed beauty of a Bunsen burner under a flask of sulphuric acid. Yes, he turned to science — first working toward the field of medicine and then toward teaching.

After graduating from Denton High School, he entered North Texas State College, where he received his Bachelor of Science Degree. He then taught freshman anatomy and physiology before pursuing his Masters Degree. "Prof" worked his way through school doing research work for the Abbot Pharmaceutical Company of Chicago. He, and a few others, were racking their brains in search of an antibiotic for tuberculosis. They found it in the form of mutation penicillin. In 1948 he received his Masters Degree with a major in biology and minors in chemistry and physics.

Farm Safety Their No. 1 Crop

Eight farm youths each won three hundred dollar college scholarships plus an all-expense trip to Chicago for the 30th Annual 4-H Club Congress!

The reward was made by General Motors for their outstanding contribution to the elimination of accidents in the home and on the farm. Paul Garrett, vice-president of GM, which has sponsored the 4-H Farm and Home Safety Program for the last seven years, is shown presenting the scholarship to the eight national winners selected from among more than 400,000 American farm youths who participated in the program. Left to right are Doris A. DeSha, E. Chattanooga, Tenn.; Billy Martin Whitt, Muenster, Tex.; Alice Ann Adams, Orange, Calif.; Carol A. Guenther, Fort Wayne, Ind.; James A. Rosenbaum, Charlo, Mont.; Dorothy A. Given, Cowen, W. Va.; Dorothy V. Keller, Jefferson, Md.; Janavee McDoniel, Tuckerman, Ark.; and Mr. Garrett.

**Southern Industrial March Continues
With Opening Of New Florida Paper Mill**

PALATKA, Fla. (Special) — The juggernaut of Southern industrial expansion, moving irresistibly forward, will leave in its wake some 600 new jobs and an annual payroll in excess of \$2,500,000 with the opening this month of a \$10,000,000 addition to the Hudson Pulp & Paper Corporation's big kraft mill here.

Establishing the South more firmly than ever as the nation's most important producer of kraft paper, the new mill will have an annual production capacity of 70,000 tons of pulp, boosting the plant's total annual capacity to more than 140,000 tons, according to William Mazer, Hudson's executive vice president. Total employment at both mills will approximate 1,300 people, with annual payrolls estimated at nearly \$5,000,000.

A completely integrated plant, the Palatka mill will convert 85 per cent of its kraft production into finished products — gummed sealing tape, grocery bags, wrapping paper, and multi-wall bags

**News from Cisco Junior College
— Taken from the Brandin' Iron, Student Newspaper.**

"Prof" Matthews

Footsore and weary, pressed for time, a lone reporter wandered down the hall, gazing wistfully into every open door, searching a victim to interview for a feature story. He clomped wearily down the stairs, and through instinct or his interest in the general function of the marchantia oegonia, he stumbled into the biology laboratory where he met with incredible luck. There, sitting quietly at the desk, washing dirty slides with a mild water solution and polishing them with his tie, was an easy prey. The reporter flopped into a chair, stated his purpose, took out a small 18 by 22 inch notebook, and began scribbling.

**Alton Kite Visits Campus
On Furlough**

Alton "Butch" Kite, now serving in the armed forces, returned to C. J. C. for a short visit while home on furlough. Butch went to Hawaii for his basic training and then was shipped back to Fort Ord, California where he has been up until his leave for home.

MORAN NEWS

(From Page 1)

the direction of Mrs. George Stephens, and a Junior Band in the fifth grade under the direction of Miss Lola Baughman.

DELPHIAN CLUB

Mrs. Garland Shelton was the hostess to the Delphian Club, January 8, in our first meeting of the New Year.

Back To School

Holiday fatigued students staggered into C. J. C. last Wednesday morning to begin the 1952 term of work after spending a two week vacation. Wearily, the students came back to spend a few more days before the death-dealing finals.

Looking Back on 1951 —

... the inventory shows that the scales weighed out a good portion of the better things for us to enjoy. While the mistakes we made stick out like a sore finger and our failures almost overwhelm us, yet these discouragements are small indeed when compared to the unhappiness and tragic experiences of some who happen to live in other countries. We are glad we live in Eastland County where we have had the opportunity to serve a host of loyal customers for more than a quarter century.

Earl Bender & Company

Eastland, (Abstracting since 1922) Texas

Customers' Corner

"Houdy Neighbor!"

That's just how we feel about the 6 million folks who call on us every day! That's how we'd like them to feel about us, too. And most of them do — simply because A&P has always been known as the friendly, "neighborly" place to shop. That "warm" feeling by our customers has been going on for a long time now. And in that spirit we think of you and are doing our best to see that A&P is all that you expect it to be. If it isn't, tell us. Incidentally, if your A&P store manager does call you "neighbor," rather than by name, we think you'll know why.

BRIEFLY TOLD PHONE 37

Visitors in the home of Mrs. I. J. Davis Tuesday were Mrs. W. E. McWhorter and daughter, Mrs. Kennedy, of Abilene.

Mr. and Mrs. J. W. Hildreth and son, Mark, of Dallas are expected Friday for a weekend visit

in the home of her parents, Mr. and Mrs. Otto Hagaman.

Hilbert King of Wichita Falls was expected today for a short visit in the home of his parents, Mr. and Mrs. D. P. King.

Mrs. Warren Jessup underwent surgery in the Ranger Hospital Wednesday morning. She is reported to be recovering nicely.

Warren To Show New Studebakers

The 1932 Studebaker Regal Deluxe Champion two-door sedan. Front-end treatment, completely new, features wrap-around grille and bumper on this and all Studebaker '32 models. Hoods are longer and lower. Tail lights appear to be integral parts of the fenders and thus give the effect of extending the sweep of fender lines. Heat-resisting, glare-reducing glass for windshields, side and rear windows is optional at extra cost on all models. Wheel trim rings, shown on car in this photo, are optional at slight extra cost.

A LITTLE CARE

Means A Lot
of Mileage

There are cars on the road that have traveled hundreds of thousands of miles without giving their owners ANY TROUBLE. They're cars that were given regular service by experts such as those at our shop. We suggest you drive up right now, for important winter service!

MID WINTER CHECK LIST

- () Is anti-freeze still right?
- () Do tires have adequate road grip?
- () Are wheels properly aligned?
- () Are brakes properly adjusted?
