CISCO, TEXAS, SUNDAY, JANUARY 20, 1952

NUMBER 35

The Gay Philosopher

By J. W. S.

ONE OF THE VERY nicest affairs we've attended in a very long time was the annual football banquet Friday evening at the community gym. It is highly fitting for the men of our town to gather to pay due tribute to the boys — some 110 of them.

The banquet was staged successfully without too much hardship on any individual or firm and it was a financial success. Much of the credit goes to the civic clubs for the planning and the work.

To begin with, it was a pretty good job to get enough tables and chairs together for a banquet for 300 persons. Incidentally, there were seats for 303 people and they were just about all full. The tables were loaned by the First Baptist Church, the First Christian Church and the Presbyterian Encampment.

Chairs were borrowed from Cisco Junior College, the Band Hall, the Cisco Country Club and Thomas Funeral Home. Cisco has corporation carried out a back stove and hooked it up. The City of Cisco and Cisco Lumber and Supply loaned trucks to help haul the stuff.

Mr. and Mrs. Ed Wende began working Friday morning to get things ready and the food cooked. Chairman Standlee McCracken rounded up the food and took it out and helped all afternoon and much of the night there. He did Gene Abbott, Adrian Allen, W. B. Wright, Marshall Jones, and others. Ticket takers were Stanley Webb, Truly Carter, E. J. Damron and W. E. Dean. Mr. Dean looked after ticket sales, assisted by members of the Lions and Rotary Clubs. The West Ward lunch room furnished the food.

The serving was handled by the pep squad girls of the high school and the college — Misses Mary Hill, Alene Clark, Wynene Hart, Flora Jean Fletcher, Barbara McCauley, Virginia Spence, Bobby Reynolds, Henri Lou Sharp, Carlene Pence and Pat Agnew. (They were each sent in attractive corsage.)

Mr. E. L. Jackson, the toastmaster who did a splendid job, spent considerable time on the arrangements. He lined up the program and was active in a lot of the other work.

We've probably overlooked a lot of the people who helped, but this goes to show that it takes a goodly group of cooperating people to put on a good banquet.

A NOVELTY THAT the boys enjoyed at the banquet was the light and the horn. A red light and a loud horn were arranged just above the speaker's table. When anybody said anything wholly untrue, the light went on and the horn sounded.

For instance, the speaker of the evening said it was the finest banquet he ever attended and the light came on and the horn blew. It was applauded by the boys. It was hooked up by West Texas Utility Co. The school's loudspeaker system and movie machine were used.

SAW MR. CHARLES L. Cofer here and he reports that his brother, who lives in Tyler, is in the mend after being critically ill. He was called there early last week. . . Mr. W. E. Dean, the ticket chairman, was due to enter a Ranger hospital early Saturday to undergo surgery. . . Members of the Lions Club sent handsome corsages to Mrs. Stanley Williams, their former club sweetheart.

CHATTED FOR A minute with Stanley Williams. He says he hasn't decided yet about whether he will play professional football. The Cleveland Indians drew him in the player draft last week. Stanley was delighted with the pair of boots that Ciscoans gave him. . . The Wrangler players gave their coaches handsome mountain pen and pencil sets. . . Lobo and Midget coaches received gift certificates.

ALL THINGS CONSIDERED, it was a fine banquet. We hope that we haven't overlooked anybody who helped put it on. All the boys thought it was good and that's what is important.

FOR GOOD SERVICE on your Olds and Cadillac Osborne Motor Co. — Eastland

ANOTHER RETREAT FOR RED MEN—Although the Indians have had exclusive treaty rights to fish in these falls at The Dalles in Oregon, they'll soon lose out here, too. The construction of the Dalles Power Dam will force the Red Man from his ancient fishing grounds. The spear-fishing of salmon at the falls will be a thing of the past when the area is flooded to create a new lake.

Wranglers Will Play Navarro '5' In Contest Here

The Cisco Junior College Wranglers will continue their conference chase Monday night when they meet the Navarro County Junior College cage team in Cisco at the community gymnasium.

It will be the first time the two teams have met during the 1952 season and little is known by Coach Russell as to their strength.

He will probably start John Huffmyer, Jim Barnett, Bobby Gibson, Burl Moses and L. A. Noles in the Monday contest. The team was to play Tarleton State College Saturday night.

Tuesday night the Wranglers will be in Big Spring for a return game with Howard County Junior College. The Jayhawks have two wins over the Wranglers.

They play in the western division of the junior college conference. Thursday night the Wranglers will return to the home court for a non-conference game with Ranger Junior College. The Rangers defeated the Wranglers 60-66 early in December in the Ranger Junior College tournament.

Wagonseller To Seek Re-Election

State Senator Wayne W. Wagonseller of Montague has announced that he will be a candidate for re-election to the state senate seat from this district.

Under the redistricting act, Wagonseller will seek election in the district composed of ten counties — Montague, Clay, Wise, Denton, Jack, Parker, Palo Pinto, Eastland Stephens and Callahan. Wagonseller, 30 years of age, has been a senator for two years. He is a veteran of World War I.

TWO WELL KNOWN ORCHESTRAS TO PLAY HERE IN NEAR FUTURE

The special promotions committee of the John William Butts Post 123 of the American Legion announced Saturday it has booked two nationally known orchestras to play in Cisco as a means of raising funds to use in paying for improvements at Lake Cisco Park.

Bob Wills, widely known recording artist, will play for a dance at the Lake Cisco Skating Rink on Monday night, January 28.

Frankie Masters, long a well known orchestra leader and recording artist, will bring his band to Cisco on Friday night, February 8. The band will present a one-hour concert at the high school auditorium to be followed by a 3-hour dance at the skating rink.

Masters' band includes 12 musicians and two vocalists. They

FORT WORTH STOCK SHOW GROUP PLANS VISIT HERE ON TUESDAY

Cisco will be visited at 1:50 p. m. Tuesday by a group of 35 Fort Worth business men traveling by chartered bus to extend to this town a special invitation to the Southwestern Exposition and Fat Stock Show.

The Show opens Friday and will run through Feb. 3. The delegation, preceded by a station wagon of western entertainers, will stop in Eastland for luncheon with the Eastland Lions Club.

Sponsors of the trip are six Fort Worth Lions Clubs. Trip chairmen are Joe Richker, Roy Tarwater, Allen Johnson, Curby Mirike, Claude S. Walker and J. M. Pennebaker.

The trip was planned by Charles F. Williams of the Fort Worth Chamber of Commerce Good Will Committee and Charles G. Cotten of the Chamber of Commerce.

Towns in the order they will be visited are: Weatherford, 8:30 a. m.; Mineral Wells, 9:15; Palo Pinto, 9:50; Strawn, 10:30; Ranger, 11:05; and Eastland, 11:30 a. m.

Cisco, 1:50 p. m., a brief stop at Moran, Albany, 3:05 p. m., and Breckenridge, 4:05 p. m.

The visitors will be greeted by members of the Cisco Lions Club.

Mr. and Mrs. Shy Osborn of Cisco have received word from their son, Sgt. Clifton Osborn, that he was in a Naval hospital in Yokosuka, Japan, recovering from an attack of yellow jaundice. Sgt. Osborn has been in Korea since April serving with the 1st Marine Division as a crew member on a helicopter engaged in reconnaissance, rescue, photography and evacuation.

He was first placed aboard a hospital ship when he became ill early in December and was flown from the ship to the hospital in Japan.

One of the first persons he saw when he entered the hospital in Yokosuka was Billy Rex Berry, son of Mr. and Mrs. Marshall Thomas of Cisco, his friend for a number of years. Berry is suffering from the same disease and has been in the hospital since September. The corpsman in charge of the ward is Dub Rhymes of Gorman, who was a native of Rising Star. The three reported that they were having a good time discussing Cisco and Eastland County.

Both Osborn and Berry reported that their condition was improving and that they were receiving excellent care.

AUXILIARY WILL MEET

The American Legion Auxiliary will meet Monday evening, January 21, at the Legion Hall for their regular meeting. A program on Good Citizenship has been planned. All members were urged to be present.

Evangelism To Be Subject Of Cisco Baptist Gathering

"Evangelism Through the Sunday School" will be the theme of an address by Rev. H. H. McBride at the quarterly Cisco Association meeting of Sunday school leaders at the First Baptist Church in Cisco, Sunday, January 20 at 3:00 p. m. Rev. McBride is pastor of the Breckenridge First Baptist Church. J. O. Strother of the same church will direct the song service.

"Gleanings from the South-west Clinic in Miami" will be brought to the Baptists by Bill Bullock of Ranger, who has been attending that meeting in Florida for the past few weeks.

Rev. Jasper Masegge of Ranger, superintendent of the work, said that a large attendance is expected for the meeting. The general and departmental officers of the Sunday School Association organization are named as follows: Associate Supt. Rev. Alfred Nelson of Olden; Evangelism, Rev. H. H. McBride; Training, Rev. W. R. Karkalits of Moran; Vacation Bible school, Rev. G. W. Thomas of Carbon; Elementary leader, Mrs. Ralph Perkins of Ranger; Junior, Mrs. Ralph Wootton of Cisco; Intermediates, Bill Bullock of Ranger; Young People, Rev. Van Martin of Rising Star; Adult, J. O. Strother; leader for pastors and superintendents, Rev. Melvin Raphael of Eastland.

MOTORCYCLIST INJURED In Mishap Saturday

Billy Ray Pritchard, 24, 714½ West 9th Street, received a painfully bruised leg in a motorcycle-automobile collision at 10th Street and Avenue D at 11 a. m. Saturday.

The motorcycle ridden by Pritchard was in collision with a 1948 Oldsmobile driven by F. J. Borman of Cisco. Chief of Police M. L. Perdue, who investigated the accident, reported that Pritchard was traveling south on Avenue D when he struck the left side of the automobile driven by Mr. Borman who was traveling east on 10th Street. Pritchard threw the motorcycle on its side and slid into the car.

The motorcycle received only slight damage while the automobile received a crushed left fender and hub cap.

Lloyd Clem Will Talk At Brotherhood Meet

Lloyd Clem, Associational Brotherhood President of the Cisco Baptist Association, will be the featured speaker next Monday night, January 21, at 7 p. m. at the First Baptist Church, according to an announcement by Arlin Bint, president.

A covered dish supper will be served. All men of the church and interested friends have been invited to attend.

Large Crowd Attends Annual Grid Banquet Friday Night

Dr. Cox Predicts Record Number Of 1952 Polio Cases

Predictions by Dr. George Cox, state health officer, that the number of polio cases would reach record heights in Texas during 1952 was seen Saturday as a reason that Cisco and Eastland County should have a big March of Dimes fund by Mrs. Fleming Waters, drive chairman for the west half of the county.

Dr. Cox said that 51 cases of polio have already been reported in Texas since January 1 — a record number for any comparative period.

The county fund is already \$2,000 in debt to the National Foundation as the result of heavy county expenditures last year. Mrs. Waters said. Half of all funds collected in the drive each January is sent to the National Foundation. This organization, however, returns funds to counties when needed.

Mrs. Waters said the county has no set quota for 1952, but "we hope to wipe out the deficit and have a strong budget ready for any calls that we may receive in the year."

Various details of the drive are being planned and it is hoped that the campaign can be completed during the remainder of the month.

"America's average number of polio cases in the past four years has more than tripled the previously-accepted normal toll," Mrs. Waters said. "The nationwide appeal must gain unprecedented support to assure every polio patient the care he must have."

Mrs. Waters noted that in the first ten years of March of Dimes experience, beginning in 1938, the average yearly polio case total ranged from 10 to 12 thousand. From 1948 through 1951, on the other hand, that average surpassed 30,000 new cases.

"It is not difficult to understand," she said, "that it is very necessary that we have a strong budget ready for anything that might happen this year."

Twin Sons Are Born To Former Ciscoan

Twin sons were born on Thursday, January 10, to Mr. and Mrs. Clifton McNeely of Pampa friends here have learned. Mrs. McNeely is the former Miss Peggy Gallagher, Mrs. Peggy Gallagher, was in Pampa when her grandsons arrived.

Mr. McNeely is coach of the Pampa High School basketball team. The little boys weighed five pounds each and were named Phillip and Michael. The babies and Mrs. McNeely were doing nicely. Mrs. Gallagher returned home Friday.

CARD OF THANKS

We wish to express our appreciation to all our friends and neighbors for all the help received at the loss of our home. Everything was greatly appreciated. May God bless you all.

The Garcia Family.

SQUARE DANCE PROGRAM WILL BE BENEFIT FOR LOBO BAND

A square dance program will be presented at 8 p. m. Monday at the old high school gym by the Cisco Sashay Club and the Band Parents Association as a benefit for the Lobo Band, according to an announcement Saturday. Admission will be 50 cents per person.

The program will be presented in four parts with masters of ceremonies as follows: Jack Dees, Abilene; T. K. Hardy, Ranger; James Moore, Cisco; and O. J. Brown, Cisco. Music will be provided by the Cisco Square Dance Band.

Callers will include Larry Banowsky, Abilene; Claude Newborn, Ranger; Howard McDonald, Cisco; Dick Van Hook, Abilene; Mrs. Adell Newsom, Brownwood.

A special feature will be an exhibition set by the Loraine Square Dance Club.

The Band Parents will serve home-made pies, cakes, sandwiches, coffee and soft drinks in the school cafeteria. The program was arranged under the direction of Mr. and Mrs. J. D. Browning.

350 Poll Taxes Are Sold At C of C Office

Cisco voters had purchased 350 poll tax receipts at the Chamber of Commerce offices Saturday and those who expect to pay their poll tax were reminded that the deadline is January 31.

Persons who will become 21 years of age before election day may obtain a free exemption certificate from the Tax Collector's office in Eastland. Those who are over 69 years old may vote free and do not need exemption certificates in cities under 10,000 population.

Shepperd Serves As Co-Chairman For Heart Drive

John Ben Shepperd, Texas Secretary of State, has agreed to serve as co-chairman of the 1952 Heart Fund Campaign, according to information released by Ben H. Wooten, Dallas, general chairman of the Texas Heart Fund.

Mr. Shepperd, prominent attorney of Gladewater and a former president of the United States Junior Chamber of Commerce prior to his becoming Secretary of State, was general chairman of the 1951 appeal.

"We feel very fortunate in having Mr. Shepperd again in a top position of leadership in this tremendously vital appeal for funds," Mr. Wooten said. "His experienced counsel and active generalship will be invaluable in our statewide organizational efforts."

The 1952 campaign will be inaugurated February 1st in most Texas communities. Texas' goal is \$347,000.00, to be used for research, education and community service.

In addition to Wooten and Shepperd, other state leadership announced to date includes Governor Allan Shivers, co-chairman; Mrs. A. Schlafi, president, Texas American Legion Auxiliary, co-chairman; Fred Massengill, Jr., publicity chairman; and DeWitt T. Ray, treasurer.

Dr. Paul V. Ledbetter, Houston, is president of the Texas Heart Association.

DAR TO MEET

The Charles Crawford chapter, Daughters of the American Revolution will meet at 9:30 a. m. Wednesday in the home of Mrs. M. H. Hagaman in Ranger, it was announced Saturday.

ATTEND FORD SHOWING

Four men went from Nance Motor Company to Fort Worth on Friday to attend a dealer's preview of 1952 model Ford automobiles. Making the trip were S. H. Nance, Charles Graham, Truly Carter and Carl Gorr. The new Fords are scheduled to go on display about February 1.

Charles Cofer has returned from Tyler where he was at the bedside of his mother. Mrs. Cofer is reported to be slightly improved.

SQUARE DANCE PROGRAM WILL BE BENEFIT FOR LOBO BAND

Bert Slemmons, Brady; Ollie B. Vernon, Rule; I. R. Witt, Hamlin; Melton Luttrell, Eastland; Doyle Jacobs, Anson; Grady Williams, Hamilton; Owen Renfro, Abilene; Jack Fomy, Sweetwater; Dr. Bruce Johnson, Loraine; Albert Bonsor, Brownwood; Dorothy Emkin, Abilene; Ken Kirkland, Breckenridge; John Waring, Comanche; C. E. Flippen, Abilene; Ted Higgins, Abilene; I. O. Hughes, Stamford; Ila Griggs, Abilene, and Johnnie Sparks, Brownwood.

A special feature will be an exhibition set by the Loraine Square Dance Club.

The Band Parents will serve home-made pies, cakes, sandwiches, coffee and soft drinks in the school cafeteria. The program was arranged under the direction of Mr. and Mrs. J. D. Browning.

Civic Clubs Pay Honor To Players

Freshman Coach Sam Boyd of Baylor University advised high school and junior college seniors to consider what the colleges have to offer besides football before deciding where to seek higher learning in a talk Friday night at the annual football banquet at the community gym.

Approximately 300 Cisco men and boys attended the event, which honored the football players and coaches of the high school, the junior high school and the junior college. It was one of the largest crowds ever to attend a banquet here.

Boyd expressed the belief that the current complaint that too much emphasis is being placed on football in colleges is a matter for debate. He said that virtually all coaches "have your interests at heart, football being secondary."

He advised seniors to consider well before accepting the first scholarship offered them. Boyd suggested they visit the various campuses to meet the students and coaches and to study the school.

E. L. Jackson, president of the Cisco Chamber of Commerce, served as master of ceremonies. He introduced Stanley Williams, former Cisco Lobo star who completed his third year at Baylor University last fall by making all-Southwest Conference and all-America teams as an offensive end, and paid tribute to him. Williams spoke briefly, pointing out that "once a Lobo always a Lobo."

Mr. Jackson presented Williams with a pair of cowboy boots as a gift from Cisco friends. Williams' wife, the former Miss Barbara Grist, and mother, Mrs. Roy Williams, were special guests for the occasion.

Williams served as narrator for the showing of the Baylor-Texas football game picture, which Boyd brought for the program feature.

The program opened with the introduction of the presidents of the sponsoring service clubs, including President Anton White of the Rotary Club, President Austin Flint of the Lions Club and Post Commander J. W. Sitton of the American Legion. School officials and others introduced included O. L. Stamey, Carlos Turner, Arlin Bint, N. C. Huston, Roy Killingsworth and Mayor G. C. Rosenthal.

Opening the program, Mr. Killingsworth presented a gift certificate to Coach Bill Sledge of the Midgets in behalf of the junior high school and players. Coach Sledge then introduced the Midgets.

Co-captain Hughes McCrary of the High School Lobos then presented gift certificates to Coaches Jack Everett and Carroll Tatum from members of the squad. Coach Everett then introduced the Lobo "A" squad, and Tatum introduced the "B" squad members.

Co-captain Nig McLean of the Wranglers presented gifts to Coaches Scat Russell and Paul Mosley of the college team. Coach Russell introduced members of the Wrangler squad, and Coach Mosley spoke briefly to express appreciation to the squad for the gift.

The CJC Beauty Shop Quartet, composed of Misses Virginia Spence, Patsy King, Ruth Beatty and Jane Huestis, then presented a musical program.

A showing of the film concluded the program. The invocation was given by the Rev. Ralph T. Wootton, Baptist pastor. The meal was served by the American Legion with Standlee McCracken in charge of the committee.

SUCCESS OF PRICE CONTROL IS DUE TO COOPERATION, OPS SAYS

DALLAS, Jan. 18. — General cooperation with the current price control program has been a major factor in its "comparative success," Alfred L. Seelye, regional director of the Office of Price Stabilization, said today.

"When businessmen or consumers fear shortages and ever-rising prices, they are apt to bid wildly for the things they want," he explained. "That was the situation shortly after the Korean outbreak. But when they have some assurance that prices are not going to run away, they recognize that buying more than they need — often at excessive prices — is not necessary. That recognition has been achieved."

Seelye, who directs OPS activities in Arkansas, Louisiana, Oklahoma and Texas, issued a report on the agency's first year of operation in the four states. The regional OPS office opened January 29, 1951, four days after the "price freeze" was ordered nationally.

Seelye is credited with originating "Price Clinic" service for businessmen, now adopted nationally by the OPS. The regional director conceived the idea of sending his men out on regularly scheduled trips to the far-flung towns of the Southwest. Operating like old time circuit riding preachers, they are available for consultation with businessmen with problems or questions about price control.

"The cooperation of practically all segments of the population has made possible the comparative success achieved so far in the fight against inflation," Seelye said. "Most businessmen, farmers, civic groups, newspapers, radio stations, Chambers of Commerce and consumers in general have been extremely cooperative."

To illustrate the "comparative success" he claimed, Seelye pointed to the slight increase in prices during the year of OPS operation as compared to the large increase during the seven months between the outbreak of fighting in Korea and the "price freeze."

Bureau of Labor statistics show an 8 per cent rise between June 1950 (the Korean outbreak) and February, 1951, when price controls took effect. The increase since then has been less than 3 per cent.

He said he doesn't like controls in normal times, but he believes them vital to hold the line against runaway inflation during this emergency period. "As long as our economy is carrying the double load of defense production and civilian production, controls are needed," he said. "But I would be the first to oppose continuing them when our productive capacity has reached the point where both military and consumer needs can be met."

"We have been criticized when some consumer price ceiling had to be raised under the law," Seelye admitted. "But the stabilization program has prevented many increases which are not so obvious to the buying public."

Another major contribution of OPS in the fight against inflation was its psychological effect, Seelye claimed. He cited "scare buying" as an important inflationary factor.

28 Texans Die In Hunting Mishaps

AUSTIN, Jan. 19.— The Chief Clerk of the Texas Game & Fish Commission said incomplete casualty reports from the recent major hunting seasons show that at least 28 Texans died from accidents. All but six of the tentative total died from gunfire. Five drowned and one died of a broken neck sustained in a fall from a deer stand in a tree.

At least six other persons died from heart attacks attributed to over exertion while hunting. The Chief Clerk said the total for the last season would approximate that of the previous season when at least 35 were listed as having died from assorted causes including heart attacks.

The seven fatal wounds which were self-inflicted included such common causes as leaning on the gun barrel, crawling through a fence, removing a gun from a car, barrel first, and striking the butt end of a gun against the ground.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Child Study Club Has Friendship Program

The Child Study Club met Jan. 18 at the club house for their regular meeting with Mrs. J. D. Cameron as hostess. The meeting was called to order by the president, Mrs. O. O. Odum. A short business session transacted after which Mrs. Allen introduced F. E. Bell, County Attorney of Calaveras County, who gave a talk on Citizenship. The president named three new members, D. N. Morrison, Mrs. Jack Tipton, and Mrs. Glenn Burnam.

The president adjourned the meeting. Those present were Mrs. H. D. Cameron, Mrs. J. D. Collier, Mrs. Gene Damron, Mrs. O. O. Odum, Mrs. Adrian Allen, Mrs. Chesley Tipton, Mrs. Norris Young, Mrs. W. M. Isenhower, Mrs. Gene Abbott, Mrs. J. V. Heyser, Jr., Mrs. J. H. Latson, Jr., Mrs. Jack McCannies, and three visitors, Mrs. Robert Clinton, Mrs. Raby Miller, and Mrs. Durwood Morris.

Birthday Club Meets Thursday Evening

The Double Octet Birthday Club met Thursday evening at the home of Mrs. W. F. Walker for their regular meeting with Miss Willie Frank Walker as co-hostess. The invocation was given by Mrs. Ralph T. Wootton. The meal was served buffet style and guests were seated at the dining table and at card tables.

Following the meal the group encircled the honorees and sang the birthday song after which a short business session was held with Mrs. E. H. Cheeves presiding. Mrs. M. M. Tabor then directed several games.

Those attending were Mrs. Bob Thurston, and Mrs. Ralph T. Wootton guests, and the following members: Mrs. M. M. Tabor, Mrs. C. S. Surles, Mrs. F. E. Shepard, Mrs. Harry Schaefer, Mrs. O. J. Russell, Mrs. E. L. Pugh, Mrs. Barton Philpott, Mrs. Grady Laves, Mrs. W. D. Hazle, Mrs. W. V. Gardenhire, Mrs. E. H. Cheeves, Mrs. Truly Carter, Mrs. Myrtle Anderson, and the hostesses, Mrs. Walker and Miss Willie Frank Walker.

Eastern Star Plans For Regular Meeting

The Cisco Chapter 461 of the Order of Eastern Star will meet Tuesday, January 22, at the Masonic Hall for their regular stated meeting. There will be a friendship program in which several past matrons will take part.

Guests are expected from Moran, Rising Star, Desdemona, and DeLeon. Members were requested to urge another who has not been attending to come as an act of friendship. Officers were requested to be in the hall by 7 o'clock to practice the opening and closing drills.

Guatemala Expects Large Coffee Crop

Guatemala, which is the fourth largest coffee producing country in the Western Hemisphere, expects its 1951-52 coffee crop to be the largest in the republic's history, according to estimates received by the National Coffee Association.

Excellent weather conditions in the low coastal areas, and the end of the rainy season at higher altitudes prompted growers to revise their crop estimates upward to the 140,000,000 pounds estimated for this season.

HOW A MUSEUM CAN BE LOTS OF FUN

LEARNING THINGS—The New York Museum of Modern Art has an annual Children's Holiday Carnival for little folks between the ages of four and eight. The kiddies, such as Marilyn, top left, fashion pictures from various bits of material, or like little Karen, right, they can make a mobile from bright paper, wire and feathers. Others are given painting lessons, below, on miniature easels, which is one of the Carnival's most popular features.

'MOTHERS MARCH ON POLIO' IS PLANNED BY STATE CLUB WOMEN

WORTHAM, Jan. 18. — Texas club women will fall in step in the "Mother's March on Polio" scheduled for January 31 to help Texas pay its own way, Mrs. Van Hook Stubbs of Wortham pledged today.

The president of the Texas Federation of Women's Clubs has asked that every Texas club offer its services in the dramatic closing appeal being planned for the 1952 March of Dimes.

"This Mother's March will be the biggest single fund-raising activity conducted during a single hour for a charitable cause in the state's history," she pointed out. "Here is club-women's opportunity to demonstrate our Texas Federation's concern for the health and welfare of Texas."

Participation of clubwomen in response is expected to swell the numbers of marching mothers to over 150,000 in the concentrated one-hour appeal for funds. It will begin at 7 and end at 8 o'clock the night of Thursday, January 31, in every town in the state. The one-hour push will close this year's March of Dimes.

"Texas must pay its own way

Reserve Officers Needed By Army

AUSTIN, Jan. 19. — One hundred Texas Army reserve officers are needed for a sixty-day tour of active duty as umpires for the giant Army-Air Force field exercise "Long Horn" to be held at Fort Hood in March and April, Col. C. M. Culp, Chief of the Texas Military District announced today.

The service is voluntary and members of the Organized and Volunteer Reserve are eligible. Officers of the National Guard also may submit applications through their local commanding officers to the Adjutant General of the state.

Officers selected for this service will receive regular active duty pay and allowances as well as receiving credit toward retirement benefits.

Col. Culp stated that reserve officers of both combat and technical services of the Army are needed, however, the greatest number will be Infantry, Artillery and Armored Corps officers. This maneuver will involve the use of some 150,000 Army and Air Force personnel. Realism will be the keynote of the exercise, making use of the latest in logistical and tactical methods learned in Korea.

The duty will start February 20 and interested reservists are requested to submit applications immediately to local Organized Reserve Unit Instructors or write Chief, Texas Military District, Austin, Texas.

against polio," Mrs. Henry M. Bailey of Alpine, welfare department chairman in the Texas Federation, echoed the appeal for clubs to volunteer their help. Texas chapters of the National Foundation of Infantile Paralysis spent \$280,000 more than was raised in the past three years to provide financial aid for polio victims in Texas. Enthusiastic Federation support of the "Mother's March on Polio" was voted in the January board of directors' meeting in Austin.

Trappers Report Ordinary Season

AUSTIN, Jan. 19.—Trapping, the traditional hobby of the farm boy and major revenue source for many adults, is having an ordinary season, according to reports to the Texas Game and Fish Commission.

The Executive Secretary of the Commission said animals in the main seem to be plentiful but the low prices, which have existed for several years, are a handicap to the trade.

"Despite the decreased cash income, the younger folks benefit greatly from their trapping activities," said the Executive Secretary.

"This routine takes the young fellows outdoors during an off season and generally lays the foundation for conservation education. The lads see signs, study trends in the outdoors and thus profit from the basic learning process."

"Every man who was brought up on a farm probably realizes the enduring advantages of this grass roots course of conservation."

The Executive Secretary pointed out that the trapping season in Texas under the general laws runs from December 1 through January 31.

He emphasized that special laws affect many counties and that species that may be legally taken in one county are protected in another. Thus, he advised persons unfamiliar with the trapping laws to refer to the state game and fish law digest or consult their local game warden.

HEALTH TALKS

Prepared by the Texas Medical Association

BRAIN ABSCESS is a boil-like formation, often in the air holes (sinuses) of the skull, frequently caused by injury to the head or by disease of the middle ear. An abscess is most often located in the region of the temple where it may remain for a long time before it creates the symptoms of pressure. If located on the left side, a brain abscess may interfere with speech and the mental processes stimulated by words. An epileptic form of convulsion accompanies brain abscess in about half the cases. Diagnosis of brain abscess is usually made by the pressure symptoms plus an analysis of the spinal fluid. Treatment may be carried out by drums which overcome the infection or by surgical removal of the abscess.

BRAIN TUMORS are unnatural growths within the brain which create symptoms of illness, either by expanding and creating pressure within the skull or by destroying some tissues of the brain. Those tumors creating pressure within the skull have many of the same symptoms as brain abscess. Tumors may cause morning headaches that are made worse by exertion such as sneezing and coughing or that increase in severity with lying down. Such headaches, along with nausea and vomiting, are often associated with brain tumors. Convulsions, mental disturbances, excessive drowsiness, and some eye troubles may be caused by pressure or destruction of cells by brain tumors.

X-ray, spinal puncture and studies of the electrical activity of the brain (electroencephalography) are used not only to determine the location of a brain tumor but also to aid in discovering the type of tumor which may be present, there being about seven different possibilities. Surgical removal or X-ray treatment is used when the type and location of the tumor are determined.

Mrs. J. A. Burnam and children visited in the home of her mother, Mrs. Edna Bishop in Brownwood, Thursday and Friday. Jolene Burnam remained for a longer visit.

Air Force Veteran Given Promotion

DAYTON, OHIO, Jan. 17.—Roka D. Pamperien, husband of the former Thelma Clay, of Cisco, Tex., has been promoted to major by the Air Force, Air Materiel Command at Wright-Patterson Air Force Base announced today.

Major Pamperien was born in Souder, Mo., the son of Mr. and Mrs. Date Pamperien, and received his education in Vale, Ore., where his parents reside now. He entered the service in July 1940, and was commissioned a second lieutenant in April, 1943.

While in the service, he attended the College of Idaho, Command and General Staff School and took an officers' maintenance course at Chanute AFB. Major Pamperien served as engineering officer on C-54's on Guam from January, 1948, to January, 1949, and in the same capacity in Japan until May, 1950. Rated a senior pilot, he is qualified to fly pursuit, bomber, cargo and training planes.

He was assigned to Wright-Patterson AFB in July, 1951, as chief of the Project unit in Maintenance Engineering Division, a position he still holds. In it, he is in charge of reports issued on B-36, B-47, B152, F-86, F-84 and F-94 aircraft.

He and his family are residing

Compensation Law Suit To Be Heard

ABILENE, Jan. 19. — Soon to be heard in Austin is a law suit of great importance to all employees to whom the state's unemployment compensation laws apply, the West Texas Chamber of Commerce said in a bulletin issued to its members.

The suit is styled Todd Shipyards Corporation versus the Texas Employment Commission and others. It is docketed for trial January 28 in 53rd District Court of Travis County.

The corporation is contending that all base period employers are interested parties to a claim filed by a severed employee. For that reason, it pleads, all base period employers should be notified when a claim is filed, and offered a hearing. The commission's practice has been to notify only the last base period employer of the applicant. The employer is requested to notify the commission immediately of reasons for severance of an employee.

The WTCC advised all large employers to acquaint themselves with details and implications of the suit.

Miss Evelyn Bigby To Marry Eastland Man

Mr. and Mrs. W. N. Bigby of Ballinger have announced the engagement and approaching marriage of their daughter, Miss Evelyn Bigby, to Glen Miller of Ft. Benning, Georgia.

Miss Bigby is a graduate of Ballinger High School and of North Texas State College of Denton where she received her B. S. Degree in Home Economics. She was a member of the Phi Upsilon Omicron and is now employed as assistant Home Demonstration agent for Eastland County.

The wedding will take place February 16, in the First Methodist Church of Ballinger.

TUBERCULOSIS X-RAY BUS GETS NEW PAINT; READY FOR WORK

The X-ray Bus of the Texas Tuberculosis Association got a new spring coat with the compliments of the Painters, Decorators and Paper Hangers of Local Union 221 of Austin today.

The Texas Federation of Labor group gave their time and services this week to spruce up the X-ray unit, which had become noticeable weather-beaten in the course of its travels since 1949.

A gift from the Beta Sigma Phi Sororities of Texas, the X-ray Bus was presented to the Texas TB Association in November 1948, for use in community surveys to find unknown cases of TB. It has traveled into 31 Texas counties, since then and made 209,071 free chest X-rays in a total of 41 surveys requested by local communities.

Miss Pansy Nichols, executive secretary of the TTA, expressed the Association's appreciation to the members of Local Union 221 for their "generous contribution of time and labor to keep the X-ray Bus in shape for continuous community service."

She pointed out that less than one fourth of the estimated number of people with TB in Texas are known to be receiving medical care. "Out of an estimated 20,000 cases of TB in Texas only 4,618 were known to State health authorities in 1950. This indicates that 15,000 Texans may be spreading the disease to others, without even knowing that they have TB themselves," she said.

"Community surveys to screen apparently healthy people are vital in the search of early cases of TB," Miss Nichols declared, "because before symptoms of TB appear and a person feels ill enough to see his doctor, the disease not only can undermine the health of the infected person but also may spread to others."

Texas communities, Miss Nichols said, are keeping chest X-ray units increasingly busy in surveys the year-round. "Since 1946

when the TTA's survey service was inaugurated the TTA unit and 6 units subsequently operated by the State Health Department have conducted one or more local surveys in a combined total of 223 counties," she reported. "In these surveys TB was discovered on final diagnosis in one out of every 100 people screened."

The TTA-Beta Sigma Phi X-ray Bus schedule for 1952 is now set up through June, Nichols said, in response to requests for service at the University of Texas and in surveys for Bexar, Refugio, Marion, Harrison and Tarrant counties.

Political Announcements

The Daily Press has been authorized to publish the following announcements of candidacies for public office, subject to action of the voters in the Democratic primaries:

For Congress (17th District) JACK COX of Breckenridge
