The Gay Philosopher

By J. W. S.

GUESS YOU'D better not put away your heavy blankets and overcoats as we're due another six weeks of winter. Saturday was groundhog day and if the groundhog didn't see his shadow, he was blind. He is supposed to come out February 2 for a look around. If he doesn't see his shadow, it's spring and he stays out. But the shadow runs him back in for six more weeks of winter.

TREASURER BOB White counted up the March of Dimes money late Friday and his adding machine showed \$904.76. And that didn't include funds at Cisco Junior College and at Cisco High School. So our town's gift will probably exceed \$1,000.

Understand the county didn't have a quota this year. They wanted to raise all the money they could.

An Eastland lady helped the cause the other day. She made a pretty quilt and it was auctioned off at the cattle sale over there for a little over \$300.

THINGS ARE LOOKING a little better every day over at the Fire Station. They recently installed new doors, and now they are building new concrete floors. The siren sounded for a meeting Friday night — not a fire.

RAN INTO MR. W. J. Poe in town Saturday morning and told him we'd seen the papers where he was going to start the digging for the foundation of the new nursery building at the First Baptist Church. And he told us that he's an old hand at digging and hopes to do a good job when he turns the first spadeful of dirt just after the Sunday morning worship service.

There will be appropriate ceremonies, including a scripture reading by the Rev. Ralph T. Wootton, pastor, and prayer by Rev. H. D. Blair, associational missionary. The honor of turning the first spadeful of dirt was extended to Mr. Poe in recognition of his many years of faithful service to his church, his community and his fellow man.

MR. J. H. LATSON tells us that another chili supper is coming up. This time it will be First Christian Church chili, J. H. Latson, chef. It's all scheduled for Saturday night, Feb. 9, at the church basement. Proceeds will help pay for visual aid equipment used by the Sunday School there.

WERE DUE SOME rain any day now, Mr. G. C. Rosenthal tells us. He has just had his car washed and, he adds, this is always followed by a stretch of bad weather. So, get ready... Mr. Gene Abbott and Mr. B. A. Butler were business visitors in Fort Worth on Friday... A friend of ours now believes the stories he hears about cats. He rounded up a few strays in his neighborhood the other day and drove them 12 miles from here. Four days later they were back.

MR. PETE NANCE has been having a considerable bout with the flu. He spent a good part of the past two weeks in bed. He got up after the first round and after a few days he decided that he better go back to bed again. He was up Saturday and out part of the day.

POST GRADUATE WORK Mrs. Elizabeth Lee of the Broadway Beauty Shop was to return to Cisco Sunday from Fort Worth where she has been attending a two weeks post graduate course in beauty culture. The course included latest methods of hair styling and new ideas in beauty culture. Mr. Lee went to Fort Worth Saturday to accompany Mrs. Lee home.

W. O. W. TO MEET All members of the local camp of Woodmen of the World were reminded of the regular meeting to be held at the lodge hall at 7:30 p. m. Tuesday. Included in business matters to be discussed will be the proposal to change regular meeting nights from the first and third Tuesdays of each month to the second and fourth Fridays. All members were urged to attend.

BIG AND UGLY—Two huge, grotesque masks are shown being readied by a painter in Nice, France, to be part of the parade in the city on the French Riviera in February, when the annual Spring Feast gets under way. King Carnival, who officiates at the event, will watch the colorful flower battles as chariots race down the seaside promenades.

BLINN TEAM WINS 56-68 OVER WRANGLERS IN CONTEST HERE

The Cisco Junior College Wranglers, most of them suffering from bad colds, dropped a 56-68 conference basketball game to the Blinn Junior College Buccaneers at the local gymnasium Friday night. In an earlier contest the Cisco Junior College girls lost to the independent Brownwood Sweethearts 29-25. The Wranglers were never able to get started and were six points behind at the end of the first quarter. At the intermission they were trailing by 15 points. During the last half they held the Buccaneers on an even keel and at one time cut the lead to eight points.

Bobby John Huffmeyer led the Wranglers in scoring with 19 points but trailed Hines of Blinn who made 21 points. Moegell of Blinn made 18 points for third place in scoring. Huffmeyer's 19 points gave him a season total of 498 points in 20 games. The Wranglers missed 12 out of 30 free throws and the Buccaneers missed 15 out of 23.

Jim Barnett and Huffmeyer both went out on fouls late in the fourth quarter and Moegell and Davis went out of the Blinn lineup because of infractions. The Buccaneers still remained on top in the Texas Junior College Conference basketball chase with no league losses scored against them. They are coached by Frank Butler, nephew of B. A. Butler, local Chamber of Commerce manager. He is a Lubbock High School product where he played football and basketball under the late Coach Weldon Chapman. He attended the University of Texas where he played football and basketball and following World War II he entered Georgetown University where he graduated. He played football and basketball at Georgetown.

Saturday night the Wranglers were to play Allen Academy at the local gymnasium. Allen Academy is in second place in conference standings. In the girls game Mickey Burnett took scoring honors for the local team with 19 points. The Cisco girls play the Breckenridge High School team at the local gym Thursday night. They plan an extensive ticket selling campaign this week with prices set at 50 cents for adults and 25 cents for students. The work of Guards Pearl Ezra, Carelita Dickerson and Mary Eubanks was the highlight of the Friday night game. The Cisco team goes to Brownwood Monday night for a return game with the Sweethearts.

Calvert To Seek His Office Again

Robert S. Calvert of Travis County, Comptroller of Public Accounts of Texas, today filed his application with the State Democratic Executive Committee for a place on the 1952 Democratic Primary Ballot as a candidate for his second elective term.

Calvert, appointed in 1949 by the late Governor Beauford Jester to fill an unexpired term, is now serving his first elective term. He is a native Texan, born in McLennan County. He later moved to Brown County where he attended the public schools and Howard Payne College. Calvert held responsible positions in Sweetwater with the Santa Fe Railroad, The West Texas Electric Company and First National Bank.

During World War I Calvert enlisted and, after receiving technical training at Cornell University, served with the Air Forces in France and Germany. Comparatively new as Comptroller, Calvert is not new to that department. He served as financial statistician and chief clerk to the late George H. Sheppard for a number of years.

Calvert is a member of the Austin Lions Club, American Legion and Ben Hur Temple of the Shrine. He is an elder of the Central Christian Church in Austin.

BIRTH ANNOUNCEMENT Mr. and Mrs. Rodney Scarborough are the parents of a boy, Rocky Lynn, born Saturday evening, January 26, in the Graham Hospital.

Marines To Take College Men For Officer's Course

DALLAS, Feb. 1.—The Marine Corp Procurement Office announced today that February 15 was the deadline for mid-year college graduates to enroll in its Officer Candidate Course. Eligible officer candidates will attend a ten-week training course at Quantico, Virginia, after which they will receive their reserve commissions. Undergraduates interested in Marine Commissions have until May 15 to enroll in the Corps Platoon Leaders' Class, which consists of two six-week training courses at Quantico during the summer. Both Officer and Platoon Leader Candidates are also allowed to compete for regular Marine commissions upon successful completion of their training courses. Officer Candidate applicants must be at least 20 but not more than 27 years of age on July 1, 1952. Platoon Leader Candidates must be at least 17 years of age upon enrollment and less than 25 on July 1 of their graduation year. The Marine Corps Procurement Officer, Room 124, Santa Fe Bldg., Dallas, Texas is now accepting applications from students for enrollment in either of the courses.

Lions Speaker

Fred V. Meredith, Terrell lawyer and chairman of the Texas Legislature's Crime Investigating Committee, will address the Cisco Lions Club at their regular meeting Wednesday at noon. He will discuss the crime situation in Texas. Fleming Waters is program chairman and he has invited members of the Eastland County Bar to be his guests.

Sparks Runs For District Judge

Frank Sparks, Eastland attorney, has authorized The Press to announce that he is a candidate for Judge of the 91st District Court of Eastland County, subject to action of the Democratic primaries. Mr. Sparks said that he would issue a formal announcement at a later date.

Store Building To Be Remodeled

Remodeling work is expected to begin in the near future on the Drumwright store building on Avenue D for the J. C. Penney Company, it was announced here Saturday. John Garner of Dallas, owner of the building, was to open bids in Dallas Saturday on the remodeling job. The work is expected to include extensive repairs and redecorations for the structure. Information is expected here early this week as to the contracts for the project, Manager Austin Flint of the Penney store reported.

Cisco Fighters Win Six Bouts In Brownwood Meet

The Cisco High School boxing team, fighting in the novice division of the regional Golden Gloves tournament in Brownwood, made almost a clean sweep in their opening bouts Friday night when they won six, lost one and drew one. The eight man team made six points toward the team championship and advanced seven members to the semi-final rounds Saturday night. The finals will be staged Monday night. Coach Paul Mosley sent a green team to the tournament with only four of the boys having ring experience. It appeared that the group might have piled up sufficient points Friday night to win the team trophy. Individual winners will be awarded jackets and trophies.

In the first fight Friday night Edward Courtney of Cisco, fighting in the flyweight division won the unanimous decision over Richard Crim of DeLeon. Tommy Barton outpointed Wallace Reid in a featherweight bout and won by a unanimous vote of the judges. Norman Barton, also fighting in the featherweight division won unanimously over Thomas McClain.

Ben Tabor in the featherweight division won by TKO over Bobby Jackson. Sonny Bosworth, Cisco's only bantamweight fighter, TKOed George Christi. Bobby Cleveland won a decision over lightweight Bobby McClain. Andy Mosley lost a split decision to lightweight Manuel Sanchez of Brady for Cisco's only setback of the evening. Robert Jackson, entered in the middleweight class, drew a bye and was to fight Calvin Tucker Saturday night.

In other fights Saturday night Norman Barton and Tommy Barton were to meet in the featherweight division and the winner was to meet Ben Tabor, assuring Cisco of two more points.

Meeting Is Called To Plan Visit Of Blood Bank Unit

A meeting has been called this week to make plans for a Red Cross Bloodmobile Unit to work in Cisco on March 7, according to an announcement Saturday. The meeting will be held at 1:30 p. m. Thursday at the First Methodist Church basement. Thirty volunteer workers will be needed to help with the preparations and to work with the unit. Bill Reeves of Fort Worth, Red Cross representative, will be here Thursday to instruct the workers. All women who wish to help with the project as one of the volunteer workers were asked to call Mrs. W. W. Wallace, Phone 435, or Edward Lee, Phone 22.

FRANKIE MASTERS WILL BRING HIS BAND TO CITY THIS WEEK

Frankie Masters, one of the nation's top band leaders, will bring his orchestra to Cisco for an engagement Friday night. The orchestra will play a concert at the Cisco High School auditorium at 7 p. m. to be followed by a dance at the Lake Cisco Skating Rink.

Weather Was Not What We Ordered During January

January weather was anything but what was expected of it from looking at weather charts for the past few years. It was unseasonably warm, unusually dry and unlike most Texas Januaries. The month started off true to form when freezing weather hit the area on the first and second days, and there was only one other day when the mercury dropped below the 32 degree mark.

January was dry — with only .41 inches of moisture recorded. On January 2 there was a fall of rain and sleet amounting to .30 inches and on January 20 a slow drizzle amounted to .11 inches. The last appreciable rain fell on October 28 when 1.80 inches was recorded. In November there was a fall of .70 inches and in December .16 inches was measured.

The high temperature for the month was on January 25 when the mercury soared to 80 degrees. The low of 24 degrees was recorded on January 2. There were 15 days in January that the mercury went above the 70 degree mark and there were 17 days when no clouds were visible. The remaining days were partly cloudy to cloudy.

GARDEN CLUB TO HEAR NOTED WRITER IN PROGRAM MONDAY

Cisco Garden Club will meet on Monday, February 4, at the Community Service Room of the First National Bank for its regular monthly meeting. The meeting will be opened at 3 o'clock.

The program for the day will be given by Mrs. L. P. Johnson of Abilene. Mrs. Johnson's topic for the day will deal with soils and their analysis. She has a display set-up to show what is lacking in soils and a method for amateur gardeners to find out about it. Mrs. Johnson is a prominent Garden Club woman as well as writer and lecturer. She is a National Flower Show Judge, a rating which takes much study and the passing of several examinations to achieve.

Mrs. Johnson writes regularly for the Holland's Magazine under the monthly article "Garden Suggestions." She writes for the Southwest area. In the January issue of Holland's Mrs. Johnson has written a feature article, "Roses for the Southwest," which deals with roses and their planting in this area. She writes under the name of Iva M. Johnson.

OPEN HOUSE TO HONOR LOCAL COUPLE ON 50th ANNIVERSARY

Mr. and Mrs. Charles A. Farquhar will be honored on their Golden Wedding Anniversary with an open house Tuesday, Feb. 5, at the home of their daughter, Mrs. Beatrice Guthrie, 505 West 6th Street. Open house hours will be from 4 to 6 and from 7 to 9 p. m. All friends of the family have been invited to call during the afternoon or evening. Mr. and Mrs. Farquhar were married in San Angelo on Feb. 5, 1902, in ceremonies at the First Baptist Church. They have lived in Cisco for some 25 years. Their home is at 1200 Avenue F. Mr. Farquhar is 77 years of age, and Mrs. Farquhar is 72 and is active

Two More Wells Near Completion

The Cisco area had a new oil well location, several wells in the process of completion and others drilling Saturday, according to a survey. The new location was for the Bankline Oil Company's No. 1 Ralph Kendall, four and a half miles northeast of Cisco in the Bankline-Owens pool area. The well was spotted 800 feet from the north and 467 feet from the east lines of the south half in Section 75, Block 4, H&TC Survey. Permit calls for 4,000 feet.

The Choate Drilling Company of Cisco was rigging up Saturday to drill the project, which is located 900 feet from a big gas well drilled last year on the Fee Ranch property.

Bankline Oil Company's No. 7 Evans Estate was expected to be another good producer for that area. Pipe was set Friday after a drill stem test had showed flowing oil and gas from the Lake sand horizon. Completion work will begin early this week. In the same pool, the J. P. Lohan No. 1 Sam Hart was due to receive the hydraulic treatment Saturday afternoon as completion work neared completion. This well is also a Lake sand prospect and was expected to be a good well.

In the south Cisco pool, Feland and Gainer of Houston No. 1 Bailey-Arnold was digging slush pits and preparing to move in equipment to drill an offset to the pool's discovery well. Location is 80 feet from the northwest line and 28 feet from the northeast line of Lot 4, Subdivision 1, Block 138, City of Cisco. Permit calls for 4,000 feet.

In the same area, the Jack Hailley No. 1 Thelma Richardson was preparing to resume drilling after being shutdown for several days to repair equipment. The hole was below 2,000 feet. This is an offset to the Carey Company No. 1 Masonic Home completed recently.

Some five miles west of Cisco, the Star Oil Company No. 1-B Turner was drilling at 2,740 feet late Friday and expected to top the Caddo lime Saturday afternoon or night. Location is in the southwest corner of Section 8, BBB&C Survey.

Southwest of Cisco in the new Grover Hartt Pool area, the D. W. Henke No. 1 J. W. Brown Estate set pipe Friday night after Caddo lime tests indicated good possibilities for an oil well. Location is in Section 118, Block 3, H&TC Survey. It was understood that Henke was moving to location for another well in that area.

Good news came from the Dotan area where J. J. Lynn's No. 1 C. C. Phippen, an Ellenberger discovery well, was cleaned out Friday and given a small amount of acid. It began flowing oil at the rate of 100 barrels in five hours, considerably more than the original potential had indicated it was capable of producing. Observers believed that Lynn would drill a second well in that area in the near future.

Hospital News

Mrs. James Moore, a teacher in Cisco Junior High School, is a patient in Graham Hospital where it was reported that her condition was improving.

Mrs. M. P. Farnsworth and infant son were reported as doing well. The seven and a half pound boy was born Thursday.

Mrs. P. A. Wooten continued to show improvement and Roy Williams was said to be improving daily.

Dismissed from hospital this week were Dr. and Mrs. Jim Lawrence who were recovering from severe attacks of the flu. Others dismissed were Mrs. Ruth Farmer of Cisco, Elvin Agnew of Moran, Mrs. Ida Leftwich of Moran, Mrs. Rodney Scarborough and infant son of Cisco, Lee Ayers, Jr., of Moran, Thresa Lee of Cisco, Ronald Winchester of Cisco, Mrs. Raby J. Carr of Cisco, Christine Stroebel of Cisco, Mrs. Ray Courtney of Rising Star, Mrs. Bob Wilcox of Cisco and David Elder of Cisco.

in the work of the First Baptist Church. Their three children are expected here for the open house. They are Mrs. Guthrie, Cisco; Mrs. Kathryn Morgan and family of Houston, and Harold Farquhar and family of Big Spring. Mrs. Farquhar's four sisters are also expected. They are Mrs. Gus Jones, San Angelo; Mrs. Lee Balfanz, Abilene; Mrs. Hoyt Keller, Waco, and Mrs. J. W. Couch, Evans. Mr. Farquhar was a contract mail carrier for the Cisco Post Office for many years.

troller Robert S. Calvert and Auditor C. H. Cavness.

These officials, the Commission explained, have put into effect recently several improvements which will be of great value.

- 1. Changing the accounting for the Teachers Retirement System and State Employee's Retirement System so that the true cost to taxpayers is shown more clearly. 2. Changing the mechanics of the Comptroller's analysis of cash receipts and of the omnibus tax clearance fund to clarify the State's sources of revenue. 3. Compilation — Started in 1946 by the Auditor and the Comptroller and endorsed by a law passed by the 52nd Legislature — of a complete inventory of the State-owned lands, buildings and equipment.

WHAT MAKES A GOOD TOWN GOOD?

Just look around and you will see that the towns that are advancing year after year are the towns that work together. The butcher, the baker, the candlestick maker, the banker, the merchants and just plain every day citizens all work together for the common good of the community.

Gershwin Is Studied By Junior Musicians

George Gershwin and his "Rhapsody in Blue," was the main topic for study when the Junior Music Lovers Club met Wednesday and Thursday afternoons in the studio of Mrs. Ben Krauskopf, club counselor and teacher.

The study was presented following a short lesson in Theory. A recording of the Rhapsody was listened to by the group. A quiz on the subject was given at the end of the lesson with Linda Cheves and Emmalee Heltzel and Reeta Sue Burroughs tying for the highest grade. A prize was presented to each.

Each member present played

a number on the musical program which was as follows: "A Study In Turns," by Schaum, Gloria Schaefer; "Norwegian Village Dance," Linda Cheves; "Dancing Doll," by Poldini, Linda Bennie; "Surf Board Riding," by Lichner, Pat Hussy; "Fairy Waltz," by Streabbog, Arlene Bint; "Dona Nobis Pace," arrangement by Thompson, Reeta Sue Burroughs; "Tom Boy Tim," by Renee Miles, LaMoynne Hickson; "To a Charming Senorita," by Tschakowsky, Shirley Ann Fowler; and a violin solo, "The Boy Paganini," by Mollenhauer, Emmalee Heltzel.

Reception Honors New Baptist Pastor

Following the weekly prayer service at the East Cisco Baptist Church the group was directed to the educational building where the new pastor and family were given a reception.

The guests were received by Rev. and Mrs. F. C. Bradley and children, Phyllis and Dale.

Music for the affair was furnished by Mrs. Carlton Holder and Truman Evans.

The group was served refreshments of punch and cookies with Mrs. R. C. Smith and Mrs. Carrell Stansell pouring the punch assisted by Mrs. V. H. Bosworth.

After refreshments were served a table of gifts was presented to the pastor and his family. The group was then invited to the parsonage for open house.

Approximately 150 people attended.

MR. AND MRS. CECIL HALBERT

Miss Dorothy Starnes of Houston became the bride of Lt. Cecil Halbert, Jr., of Keesler Air Force Base at Biloxi, Mississippi in the chapel of the Baptist Temple, December 22, 1951, with the Rev. Stanley E. Wilkes officiating.

The bride wore a navy blue gabardine suit styled with a full skirt and short fitted coat. With this she wore a hand made lace blouse and a white, close fitting sweetheart hat covered with iridescent flowers and leaves centered with rhinestones. She carried a nosegay of white roses.

Mrs. William R. Harvey, sister of the bride, was matron of honor and Mrs. Arthur Goebel was bridesmaid. William R. Harvey was best man and Arthur Goebel was groomsmen.

Following the reception the couple left for a wedding trip to West Texas and New Orleans, Louisiana.

The bride is the daughter of Mr. and Mrs. Harry L. Starnes of Houston and the groom is the son of Mr. and Mrs. Cecil Halbert of Cisco.

Mrs. Halbert will join Lieutenant Halbert later at Keesler Field.

Art Is Discussed At 20th Century Meeting

"Art" was the subject discussed at the regular meeting of the Twentieth Century Club on Friday, February 1.

Mrs. Willard White gave a paper on Modern Painters and Sculptors, pointing out that art creates for all the blissful past. Numerous modern painters and sculptors and their work were discussed by Mrs. White. "One of these painters, George O'Keef, can even catch the dew drops that slip into the flowers early in the morning," said Mrs. White.

Randy Steffen, in a discussion of "Expression Through Murals," stated that all murals should tell a story; should portray an epic more or less. Mr. Steffen showed a miniature painting of the mural he is doing for the First National Bank. He discussed the various historical events that are illustrated in this mural. Mr. Steffen also stated that a good mural should have realism, authenticity of detail and relate a story. It should make you think, project yourself into the mural and wonder what really happened, he said.

Miss Helen Crawford, first vice president, presided in the absence of Mrs. H. N. Lyle, president. Mrs. Sterling Drumwright acted as secretary in the absence of Mrs. Bill Berry, secretary. A short business session was conducted.

Associational Clinic Is Held At Church

Miss Pat Agnew gave the opening devotional on "What We Owe Our Young People," when the Associational W. M. U. met Thursday at the First Baptist Church.

The District Young People's Secretary was in charge of the morning discussion on the duties of the various officers. A covered dish luncheon was served at noon followed by various conferences at one.

Mrs. Paul Turner was in charge of the W. M. U. and Young Peoples Secretary; Mrs. Bill Barnby, Y. W. A. Leaders; and Mrs. G. A. Baker, the G. A.'s. Harry Grantz was in charge of the R. A.'s. The meeting adjourned at 2:30.

Approximately 100 people attended from Eastland, Ranger, Moran, Putnam, Breckenridge, Albany and Cisco.

Sutton Crofts and son, Dash, attended the Fat Stock Show in Fort Worth Saturday.

Robert Crofts of Texas Tech in Lubbock is visiting in the home of his parents, Mr. and Mrs. Sutton Crofts.

It was in Clark Gable's picture, "The Hucksters," that Ava Gardner won instant acclaim as the year's most potential star find. Now Gable and Miss Gardner are together again, co-starring with Broderick Crawford in M-G-M's "Lone Star," a drama of adventure and fighting action in the colorful period when the state of Texas was still a territory. The new offering opens this week at the Palace Theatre.

HEALTH TALKS

Chronic endocarditis is also called sclerotic endocarditis, meaning that there is a hardening of the inner lining of the heart, the endocardium. After reported attacks of acute endocarditis or rheumatic fever, that endocardium seems to become stiffer and harder, losing its capacity to give and take in helping the flow through the heart.

Since the arteries of the body are composed of essentially the same inner lining as that in the heart, arteriosclerosis (hardening of the arteries) and sclerotic endocarditis usually go together.

While some causes of this hardening of the inside of the heart are not known, it is often tied in with gout, rheumatism, alcoholism and syphilis. Like any kind of endocarditis, the chronic form usually interferes with the functioning of the valves of the heart.

There is an exception, however, even to that rule. The one type

which makes up the "threads" of the body that holds all the tiny holes of blood vessels together. Since this disorder is not typical of the other endocarditis affections, it is known as a typical verrucous endocarditis, verrucous referring to the warts that are formed on the valves. This atypical (not typical) variety is found in conjunction with a skin eruption known as disseminated lupus erythematosus and causes small yellow string-like knobs to develop in the inner lining of the heart, instead of the more common wartlike growths.

Daniel Receives 25,755 Letters In Campaign Support

AUSTIN, Feb. 2. — Price Daniel, attorney general, who in his opening address as a candidate for United States senator 10 days ago asked 10,000 Texans to join him in his campaign, reported in a two network radio address last night that 25,755 Texans had written him and given him assurances of their support.

Daniel stated the list had been counted by a certified public accountant and that letters were still coming into his headquarters at Austin. He also reported \$7,461.62 had come in with the letters of support although he had made no request for cash contributions in his opening address.

He expressed humility and gratitude at this outpouring of support and confidence from such a large number of Texans. He reiterated and re-emphasized the main planks in the platform outlined in his original address. These in their order were an immediate house cleaning of all dishonest and disloyal elements in our government; strengthening the economy by putting an end to wasteful federal spending and higher taxes; a continuous rather than an "off-again on-again" defense program; elimination of the Truman-Acheson foreign policy and "we must pay no more blackmail to the Kremlin;" freedom from socialistic government for farmers, the medical profession, business people and individual citizens and a continuation in the senate of the fight he has waged for five years as attorney general for victory for Texas and our public schools in the tidelands battle.

Comanche Hands Loboes 45-35 Loss In Contest Friday

The Comanche Indians caught the Cisco Loboes with their defense down Friday night in the Comanche gymnasium and won their District 10-AA basketball game by a 45-35 score. The Lobo Queens dropped an earlier decision to the Comanche girls by a 45-75 score.

The loss toppled the Loboes from the top of the ladder in conference play and forced them into a tie with Comanche for the first place slot. It was the first conference loss for the Loboes.

Annual Campaign Begins To Raise Heart Aid Funds

Increased service for the one out of twenty people in Texas who suffer from diseases of the heart and blood vessels was forecast by Ben H. Wooten, president of Dallas' First National Bank and chairman of the 1952 Heart Fund drive in Texas.

Local heart campaigns will be conducted in most of Texas' 254 counties during February to make such necessary service possible, Mr. Wooten said.

With the striking keynote "New Hope For Hearts," the 1952 Heart Fund will seek to secure \$347,000 during the month long campaign to help achieve new scientific advances and public health progress in combating heart diseases, recognized as the leading causes of death and disability in Texas.

The Texas campaign is being held simultaneously with the national wide drive of the American Heart Association. Seventy five cents of every dollar invested in the fight against heart disease will remain in Texas to carry on the continuing program of scientific research, education and community service. Twenty five cents will go to the national headquarters for research at the national level.

Governor Shivers, honorary chairman of the 1952 Heart Fund, has designated February as Heart Month in Texas to focus the attention of all citizens on the medical, social and economic aspects of this primary health hazard.

Chairman Wooten said that a large number of civic organizations have offered cooperation in local campaigns. Distribution of the well known plastic heart-shaped collection boxes in stores and public places and a number of special events are planned, he added.
