## The Gay Philosopher

By J. W. S.

COMES A MAP from the state highway department to show a renumbering job for Highway 233, part of which goes through Cisco. Under the new setup, it's Highway 183 and it runs through the Red River above Vernon to Matagorda, near the gulf coast. The route comes into Cisco from Mullan and leaves Cisco for Brownwood.

The stretch of highway just to the west, running through Baird, is the new Highway 233.

MR. GEORGE IRVINE, the Red Cross roll call chairman, is pleased with the prospects for a good drive. He told the Lions Club yesterday that he has not had a single turn down in asking people to help with various phases of it. The selection of Mr. Irvine to head the drive is a wise one, and we've heard a lot of people applaud his appointment to the post. Let's all get ready to help him.

MR. IRVINE WAS surprised the other afternoon at the Victor Hotel when he walked in and Mr. Ken Russ, the manager, introduced him to a man like this: "Mr. Irvine, meet your son's next door neighbor in San Angelo." They talked at length. The Irvines son is a doctor in San Angelo.

THE AMERICAN Legion boys are planning something new for Cisco — junior baseball. A committee is being created to handle all the details. Mr. D. N. Morrison, Mr. J. L. Stafford and Mr. R. W. McCauley are already in the committee and are getting the information together. It will be for high school boys, and the team will play here and in the district tournament. Plans call for prospective pitchers and catchers to start working out in the next week or so. There will be more information on this subject very soon.

MEANWHILE, ALL boys interested in playing baseball are asked to contact Mr. Morrison at the Henson Construction Company and leave their names. The team won't interfere with the program at the high school this year. So, get your names to Mr. Morrison, boys.

THE U. S. NAVAL Air Station at Dallas sends us a copy of their newspaper, The Sky diver, which carries a story as follows:

Chief W. B. Webb, naval enlisted pilot and veteran stationer, flew eight pints of blood to be used in an emergency case of hemorrhage at Cisco, Texas, Tuesday, Feb. 12. Titus Dawson, was bleeding from a stomach ulcer which had ruptured. His blood was 0Rh negative, a rare type of blood.

Dr. E. E. Addy of Cisco called the Baylor Blood Bank for some blood. It was available, but getting it to the patient in time to save his life became a problem. Commercial lines land at Abilene, 60 miles away, but couldn't get the blood to Cisco in time. Baylor medical authorities called on the Navy, and a flight was cleared through proper channels. A twin-engine Beechcraft armed up while a police car cleared the way for the blood to be rushed to the airport. One hour later, the plane landed in Cisco.

Dr. Addy met the plane here 20 minutes later. Mr. Dawson was receiving the transfusion that he needed badly. His condition has been improving steadily, and it was no longer necessary today for him to have special duty nurses. The flight to Cisco was made in a sandstorm with winds up to 40 miles an hour, if you remember, we can all say, "Hats off, boys!"

MEMBERS OF THE Cisco Roundup Club will hold a regular monthly meeting at 7:30 p. m. tonight at the Chamber of Commerce. All members were urged to attend.

SUDDEN MEETING—A trailer truck lies on the roadside in Sloatsburg, N. Y., with its cab mangled after ramming into the rear of another vehicle. Its cargo, cartons of baking soda, was strewn about the road near the motor, and the driver was taken to a hospital.

## SIGNING OF DONOR CARDS FOR BLOODMOBILE CLINIC IS BEGUN

Donor cards to be signed by those who wish to give blood at the Bloodmobile clinic in Cisco Thursday, March 6, are now available. Mrs. W. W. Wallace, chairman of the arrangements committee, said today. The cards may be signed at the Chamber of Commerce, the Cisco Daily Press and at other places to be announced later.

Opportunity will also be given through the service clubs and other organizations to those wishing to give blood for saving lives of service men fighting in Korea. The need is urgent, Mrs. Wallace said, in urging that all who wish to donate blood secure cards and fill them out at once. All of the blood secured here and elsewhere will be processed in plasma at Fort Worth and turned over to the Defense Department for use on the fighting front.

The unit can handle 200 donors. If there are more than 200, another date will be set and the unit will return to Cisco to receive the additional donations. The facilities of the Red Cross are used in collecting the blood. None of it will be placed in a Red Cross bank, Mrs. Wallace explained.

The clinic is being organized to insure the greatest possible

## County Boys Taking Part In Maneuvers

CAMP RUCKER, Ala., Feb. 6. — Four hundred and four Texas soldiers from 206 communities will return to their home state in March as part of the 47th "Viking" Infantry Division stationed here to participate in Exercise Lon Horn at Fort Hood. The 47th Texas contingent is composed of draftees and rotated Korean veterans.

Included in the ranks are: Pfc. Roy W. Speagle, 305 W. 11th St., Cisco; Pfc. Jack Tackett, 314 W. Mass., Eastland; Pfc. Sam Seay, Ranger; Corp. William B. Evans, Route One, Gorman; Pfc. Jesse T. Potter, Route One, and Pfc. James R. Jackson, Route Two, Rising Star; all of Eastland County.

## Hall Grocery Opens On West 11th Street

Mr. and Mrs. W. H. Hall have moved to Cisco from Blanco and have opened the Hall Grocery and Meat Market at 409 West 11th, across the street from the new junior high school building. Mr. Hall has been in the road building business and has retired to move to Cisco to open the neighborhood store. They have been here a month.

MEETING IS DELAYED The Plan of Work committee of the Cisco Chamber of Commerce has re-set the hour of a meeting scheduled for Friday afternoon, Chairman J. S. Duff reported today. The committee will meet at 4 p. m. instead of 2:30 as originally planned.

## Turkey Field Day Set For March 6 At Carbon School

The program for the annual Eastland County Turkey Field Day to be held at Carbon, March 6, has been completed, it was announced recently at the County Agent's office in Eastland.

The all day program is to begin promptly at 10 o'clock that morning at the high school auditorium in Carbon.

Those on the program include Alvin Kincaid, Cisco; Geo. McCarty, vice-president, Universal Mills, Fort Worth; H. H. Weatherly, Educational Director, Burrus Feed Co., Fort Worth; R. E. James of the Bar Nothing Turkey Ranch, Austin; Sam Davidson of the Salsbury Company, Abilene, and F. Z. Beamblossom, Poultry Marketing Specialist of A & M College.

Topics at the annual meeting include: management of a turkey flock, brooding and care of poults, feeding of turkeys, disease control and sanitation, turkey outlook for 1952 and the marketing of turkeys.

The meeting is open to turkey growers, feed men and others interested from Eastland and adjoining counties. Lunch will be served by the Carbon PTA at noon at \$1.00 per plate.

Mrs. John Thurman, Eastland, and J. Elmo Smith, Rising Star, served on a committee to plan the program.

A large group is expected for the all day meeting. The largest number of turkeys on record is expected to be produced in the county this year, according to preliminary reports.

## Woodmen To Have Program And Dinner

Mrs. Lydia Krauskopf will furnish the program for the annual Cisco Camp 500, Woodmen of the World Oyster Supper which is to be held Friday night. The meeting will begin at 7 o'clock and dinner will be served at 7:30 o'clock.

All members of the lodge and their families and all Woodmen Circle members and their families were invited to attend the annual affair.

## LOBEES AND MIDGETS READY TO RESUME CAGE PLAYOFF TONIGHT

The Cisco High School Lobes and the Cisco Junior High School Midgets go to Comanche tonight to resume the play-off series which began Tuesday night in the local gym.

The Lobes will be fighting to remain in the running to see who represents the district in regional basketball play. Comanche won the first of the best two out of three series Monday night and the Lobes must win tonight to remain in the race. The two teams share the district crown after finishing the regular season in a tie. If the Lobes win tonight's game the site of the third game will be decided by a

## Lions Ready To Play Donkey Ball Saturday Night

Members of the Cisco Lions Club accepted a challenge to play the Rotary Club in a donkey softball game Saturday night at the community gym at their weekly luncheon meeting Thursday.

The two service clubs are due to play basketball riding donkeys equipped with special rubber shoes. Proceeds from the game will go to the athletic department of Cisco Junior College and to the Mothers Club of the junior high school.

It was understood that President E. L. Jackson of the Chamber of Commerce, who is a Lion, and Mayor G. C. Rosenthal, a Rotarian, will be the referees. It was not known whether the referees would ride donkeys to perform their duties.

In addition to taking up the donkey basketball challenge, the lions heard Rev. Sidney Spain, pastor of the First Christian Church, in a short talk on Brotherhood Week, which is being observed throughout the nation this week.

"We all believe in the brotherhood of man in a general way," Mr. Spain said, noting that "too often we judge people as groups rather than as individuals." He suggested that any display of racial prejudice was usually the result of ignorance.

Lions Gene Abbott, who was in charge of the program, presented Ralph Glenn who showed a series of home movies.

Lion Clyde Karkalis presented a Lions Club pin to D. N. Morrison, a new member of the club. George Irvine, director of the coming Red Cross roll call drive, spoke briefly to ask for cooperation in the annual campaign.

Visitors for the luncheon included Guy Crawford of Fort Worth and R. J. Stevenson of Cisco, both with the T&P Railway. Mr. Crawford made announcements concerning the Mexico City convention of Lions International next June.

## Everett A. Smith Is New Recruit In National Guard

Private Everett Albert Smith of 705 East 8th Street, Cisco, is the newest member of the Cisco unit of the Texas National Guard. A 17-year old student of Cisco High School, Smith enlisted in the guard unit this week.

Smith told unit officials that he wanted to take advantage of the opportunities offered by the guard, including a full day's pay for an average of two hours of drill each week, retirement benefits, and other features.

Captain Frank B. Sayre, commanding officer of the unit, has been notified that his unit has had the highest percentage of drill attendance within the 648th Battalion. Five units make up the 648th — San Angelo, Colorado City, Breckenridge, Ranger, and Cisco. The local unit's strength has also been near the top for the battalion.

Major J. A. Russell of Fort Worth, ordinance inspector, will be in Cisco Thursday night, Feb. 21, to inspect the vehicles of the unit. He makes an annual inspection of the various units.

The Cisco and Ranger units are scheduled to meet soon in a basketball game — probably Friday night, Feb. 22.

## Prospects Good For Another Oil Well In South City Pool

GREAT TO BE ALIVE!—Still frightened after being rescued from a refrigerator room where she was trapped, Delores Heisler, 20, is carried down a ladder to safety by a fireman in Milwaukee, Wis. After an explosion in an ice cream plant, Miss Heisler was imprisoned in the refrigerator when she sought refuge from powerful, lung-searing ammonia fumes.

## OVER \$1,000 IN PREMIUMS TO BE GIVEN IN LIVESTOCK SHOW

Over \$1,000 is offered in premiums for the winners of the various classes in the annual Eastland County Livestock Show to be held at the old airport in Eastland on Friday and Saturday, March 28 and 29, Sutton Crofts, Cisco, president of the County Livestock Raisers Association, said today.

His organization is sponsoring the show which will be held in Eastland for the first time in several years. The two hangers at the old airport, one mile north of town, will house the animals. Permission from the city has been given to hold the show there and a lease has been signed to this effect.

## Wranglers Play H-SU '5' Tonight

The Cisco Junior College Wranglers will play the Hardin-Simmons University Buttons in the final basketball game on the Wrangler schedule at the community gym tonight. Game time has been set at 8 p. m.

The Wranglers defeated the Buttons in the first game of the 1952 season by a 52-51 score.

Coach Russell will probably start Bobby John Huffmyer, Bobby Gibson, Burl Moses, Jim Barnett and Doc Dawson or L. A. Noles in the game tonight.

It will be the final game for Bobby John Huffmyer for Cisco Junior College. Huffmyer is the only player who graduates in the spring and Coach Russell will begin the 1953 season with nine lettermen. Huffmyer has scored around 700 points for the Wranglers during the season and is one of the nation's leading scorers.

## Trainee Exams Slated By Conservation Unit

The U. S. Civil Service Commission announces examinations for filling vacancies in the positions of Student Trainee (Soil Conservation), (Range Conservation), (Soil Science), and (Engineering — Agricultural) at salaries of \$2750 to \$3175 a year for employment with the Department of Agriculture in the state of Texas.

Additional information and application forms may be obtained from the post office.

## New Caddo Well Is Near Completion

Another producing oil well was in prospect today for the south Cisco pool as the Jack Hailey No. 1 Thelma Richardson was in the final stages of completion work. In other area operations, one well was drilling just south of Cisco and two wells were being completed in the Grover Hartt pool, six miles southwest of town.

Operators completed drilling the concrete plug in the Hailey well Wednesday night. Bottomed in the Lake sand at 3,473 feet, fluid began coming into the hole faster than the bailer could take it out. Operations were then stopped and tubing was being run early today.

Observers called the Hailey well "a good prospect." It is expected to be completed by the end of the week.

Three miles southwest of Cisco, Charles R. Kuhn, Trustee, No. 1 Rudolph Reich was drilling at 1,800 feet late Wednesday. This is south of the recently completed gas well drilled by the J. E. Connally as his No. 1 Mrs. Pearl McMurray. The Kuhn well is located 330 feet from the north and 528 feet from the east lines of the southwest quarter of Section 85, Block 3, H&TC Survey. Plans call for a Lake sand test.

In the Grover Hartt pool, the D. W. Renke No. 1 J. W. Brown Estate was on the pump as a Caddo lime producer. It was reported that the well flowed by heads and has a potential of about 40 barrels per day. Location is in the northeast quarter of Section 118, Block 3, H&TC Survey.

Nearby, Henke's No. 2 Brown Estate was drilling at 1,850 feet in the top of the Caddo lime. A drill stem test was run as soon as the Caddo was topped with no show being reported. Drilling was continuing.

Completion work was underway in the Ownby Drilling Company's No. 1 Aaron Brown, an offset to the Hartt pool's Mississippi discovery well. A 100-foot section of Mississippi lime showed up the well, which was bottomed at 4,100 feet. Pipe was set through the pay zone and equipment was on location to drill in.

Ownby's No. 2 J. W. Brown Estate well, in the same general area, was drilling at 1,850 feet. Ownby's No. 1 E. M. Snoddy was spudded in Monday and was drilling ahead.

In the Bankline-Owens pool, five miles northeast of Cisco, the Bankline Oil Company No. 1 Mize-Dulin was a new project for the southwest area of the field. It was drilling at 1,460 feet early today.

## Two Students Are Delegates For DE State Convention

Two delegates to the statewide Distributive Education Conventions in El Paso on February 22 and 23 were named today by the Cisco High School Distributive Education Club, Norris Young, teacher-coordinator, announced.

They are Miss Barbara McCauley and Don Farnsworth, and Mr. and Mrs. Norris Young will accompany them to the El Paso meeting.

Some 126 clubs from over the state will be represented by delegates at the meeting. Featured attractions for the convention are bus tours of greater El Paso and Juarez, Mexico, with a luncheon in Juarez.

Tours of El Paso business firms will be made during the afternoon of February 22. The evening's entertainment includes a banquet, coronation of the state sweetheart, floor show and dance. Dr. Walter R. Willis, who toured Europe last summer, will be the banquet speaker.

The state convention will name delegates for the national convention, which will be held in April in Wichita, Kansas.

## Pro-Amateur Golf Tourney Planned

A pro-amateur golf tournament will be played by some 100 Central West Texans at the Cisco Country Club on Saturday afternoon, President Charles L. Cofer of the local club announced today. All registrations must be in by 1 p. m.

Golfers are expected from a dozen or more cities in the area. Play will be over 18 holes. All local golfers have been invited to play in the tournament.

RED CROSS MEETING All chairmen of committees for the coming Red Cross roll call campaign have been asked to attend a meeting at 2:30 p. m. Friday at the Chamber of Commerce, Chairman George Irvine reported today. Plans for the drive will be worked out in detail.

Thirty-Three Students Make Honor Roll

Believe it or not, there are some students at CJC who make good grades! For the preceding fall semester there are 33 students whose grades meet the required standards and are on the Honor Roll for that semester. To be on the Honor Roll a student not only needs to have high grades but must be carrying at least 15 hours. The Honor Roll has been divided into three groups: those making at least 4 "A's" and having an "A" average; those having at least 3 "A's" and nothing less than a "B"; and those having a "B" average.

Topping the Honor Roll with 6 "A's" are Joe Stamey and H. K. Neely. Also in this group belong Patsy King, Jean Kurklin, and Lesson Brown, all making at least 4 "A's".

There were 13 students who qualify for the second group of grades; those having at least 3 "A's" and nothing less than a "B": W. E. O'Kelley, Robert McMurray, Jane Huestis, Ruth Beaty Patsy Nance, Benjamin Green, James Hall, Don Kincaid, Carlene Pence, Pansy Pippen, Margie June Poe, Virginia Spence, and L. E. Sublett. On the "B" Honor Roll we have

16 students: James Brazeale, Travis Kurklin, Floyd Midkiff, Billy Haynes, Gene Eddings, Pat Fry, Patsy Gardenhire, Don Gilbert, Ralph Green, Benny Hagan, Bobby John Huffmyer, Cloyd Knight, Pauline Latham, Monte Veros, Edwin Winn and Alvis Woolam.

It should be explained that grades in the one hour courses were not counted in compiling this Honor Roll. Anyway I can say that the students who are on this Honor Roll have earned this position and I congratulate all of them.

Now one more thing — Since I have been in Texas I have acquired the habit of bragging, and in looking over the Honor Roll, I see a very good chance to do some of the same. I see that there are 22 male names on the roll while there are only 11 female names on it. Shouldn't that prove the superiority of the man over the woman??

CJC Ranch Day Committees Chosen

The finishing touches have been put on the plans for the annual Ranch Day at CJC. The date has been set for May 2. Committees have been appointed to finish the necessary steps for planning this day and for advertising it. The following committees have been announced:

Ranch Day Foreman — Joe Schaefer; Parade committee, under the direction of Mr. Frede and Mr. Collier and with Don Kincaid as the Foreman, includes the following people: Womack, Agnew, Ferguson, Spalding, Smith, Justice, Eubanks, Dickerson, Pippen, Hill, Akers, Clark, Burnett, Cagle, Cooper, Dunaway, Anable, Atkinson, Green, Guy, Hagan, T. Kurklin and Ralston.

The Decoration Committee will be under the supervision of Mr. Matthews and Miss Estes. The students participating in this committee will be: Nance, Smith, Latham, Woolam, Spence, Powell, Hazelwood, Pence, Haynes, Penn, Veros, Anderson, Bowden, Chambers, Cutler, Erwin, Gilbert, Kisner, McMurray, and Sharpe.

The jailers will be Dale Key and David Robinson. The Deputy will be Wayne McLean.

The Program Committee includes Mr. Chambliss and Mr. Clinton (Faculty representatives), Ben Green, Jane Huestis, Bobby Reynolds, James Hall, Pat King and Ruth Beaty.

Publicity will be handled by H. K. Neely, Margie Poe and the Journalism class.

Activity includes Mr. Russell and Mr. Mosley (faculty representatives), Huffmeyer, Knight, Mitchell, Neidholt, Sollers, Barnett, Bassett, Davis, Dawson.

Huffmyer Leads Wrangler Scoring

Bobby John Huffmyer leads the Wrangler cagers scoring for the season. He has 575 points in 24 games for a 23.9 average per game.

Bobby Gibson and Jimmy Barnett are battling for the second spot. Gibson leads with 235 points and a 11.8 average. Barnett has 232 points for a 11.7 average.

In team scoring the Wranglers have totaled 1619 points for a 67.5 point average. Wrangler opponents have scored 1880 points for a 70 point average.

The Wranglers season record is 8 wins and 16 defeats.

Choir To Make San Antonio Trip

The Cisco Junior College Choir and Madrigal Group accompanied by Director Robert Clinton will leave for San Antonio early on March the 7th where they will put on a program for the Texas Junior College Association Convention.

The Madrigal Group will be featured on the program at the noon luncheon Friday the 7th. The Choir will sing for the general session that afternoon. Then on Saturday morning, March 8, Choir Director Clinton will read a paper on music theory in junior colleges to the general session.

Friday night and Saturday morning the choir will see some of the sights of San Antonio. (Somehow, I wanted to make that last period an exclamation mark!) The Choir will start home after lunch on Saturday.

The Choir will have only a one day rest before they leave on a tour of West Texas. On this tour they will present programs for various schools in West Texas. Most of the dates have been arranged and will be available for the next issue of the Brandin' Iron.

## Birthday Party Given For Four Members Of Robinson Family

On Sunday, February 17, the children, grandchildren, and great grandchildren, met at the home of Mr. and Mrs. David M. Robinson of Nimrod to celebrate the birthdays of Mr. Robinson, his son, Alex Robinson, and his two daughters, Mrs. Clifford Wilson and Mrs. Lizzie Williams.

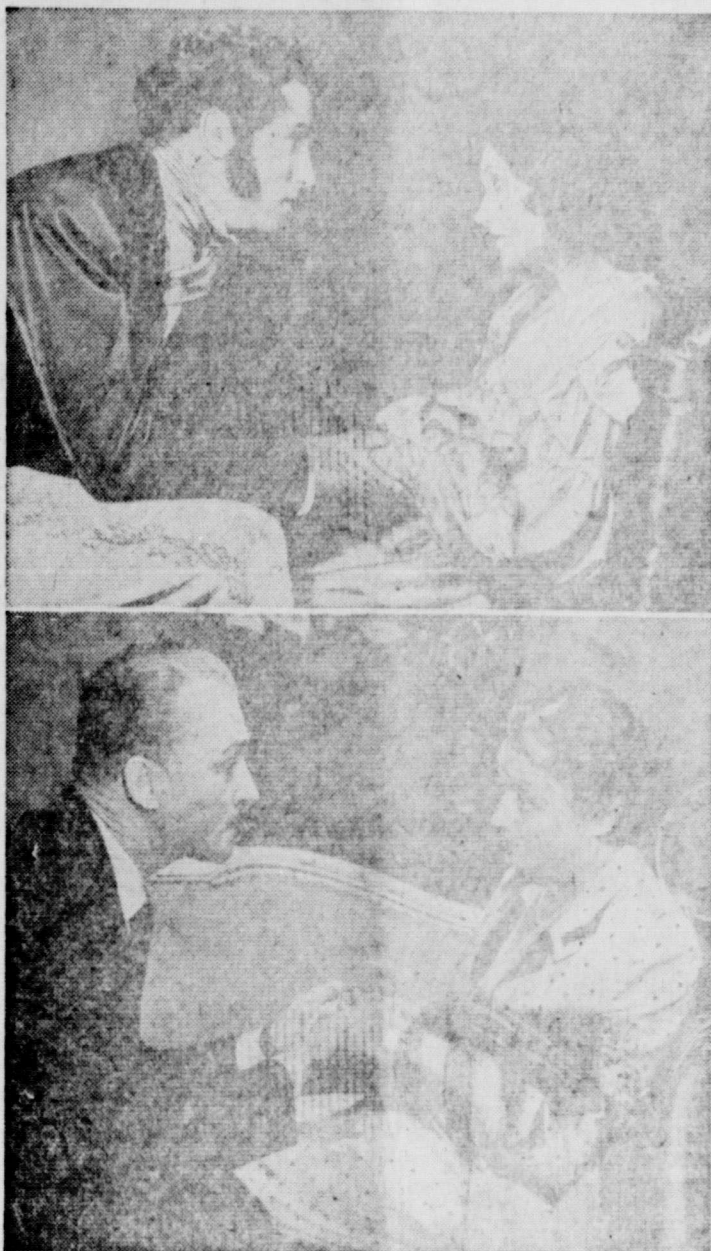

Mr. Robinson was 91 on the 17th of January, his son was 71 on the 10th of January and his daughters will be 66 and 62 on the 16th and 17th of March.

The dining table was centered with a huge birthday cake bearing the dates and names of all four honorees. After a bountiful lunch was spread, Mr. Robinson with his family, neighbors, and friends gathered around the dining table, Mr. Robinson welcomed his guests and all were asked to join in the Lord's Prayer.

Conversation and picture taking was enjoyed during the afternoon.

Those attending were Mr. and Mrs. Alex Robinson, Mrs. Clifford Wilson, Mrs. Lizzie Williams, Joe Colman, Mr. and Mrs. Gordon Notgrass, Mr. and Mrs. Wiley Williams, Mr. and Mrs. Olie Williams, Misses Bettie and Bonnie Williams, Mr. and Mrs. Garland Williams, Jackie Williams, Boyd Fry, Mrs. Ola Boles, Mrs. Etna Compton, Mrs. Etta Hill, Mr. and Mrs. Ivan Page and daughter, Gloria Page, and Mrs. R. B. Spinks and daughter, Bobbie June Spinks.

Four generations out of the five generations of Mr. Robinson were present.

**ANNIVERSARY**—Just 21 years ago, actor Brian Aherne came from England to appear with Katharine Cornell in "The Barretts of Wimpole Street," top photo. The play marked Miss Cornell's debut as a producer. Current among Broadway hits is "The Constant Wife," below, in which Aherne is again seen opposite Miss Cornell. It's the fifth play they've been in together.

TEXAS OBSERVES BROTHERHOOD WEEK—Governor Allan Shivers, right, presents to D. E. (Bob) Smith of Houston a copy of the official program designating February 17-24 as Brotherhood Week in Texas in 1935. Smith is a member of the national board of the National Conference of Christians and Jews which for 24 years has been carrying on an educational program for civic understanding and cooperation between Protestants, Catholics, and Jews. Smith is also national vice chairman for the Southwestern division of the Conference. He has recently received recognition in a national magazine for his efforts to improve Latin American relations through his work with the Texas Council on Economic Relations. Governor Shivers is honorary chairman for Texas of the annual Brotherhood Week celebration.

BOY SCOUT OBSERVANCE—The Reverend James Best, Peekskill, N. Y., blesses the colors held by Boy Scouts before entering St. Patrick's Cathedral in New York where the Ad Altare Dei Cross was conferred on 230 boys by His Excellency, Most Reverend Joseph F. Flinnely, Auxiliary Bishop of New York. The Catholic Youth Organization marked the occasion with a parade.

SPROUTING SPOUTER—Wee Miriam Sellinger is getting off to a very early start on a public-speaking career. She seems to be making some sort of commencement oration to classmates at a kindergarten graduation in Philadelphia. The absorbed listeners are apparently in complete accord with her statements.

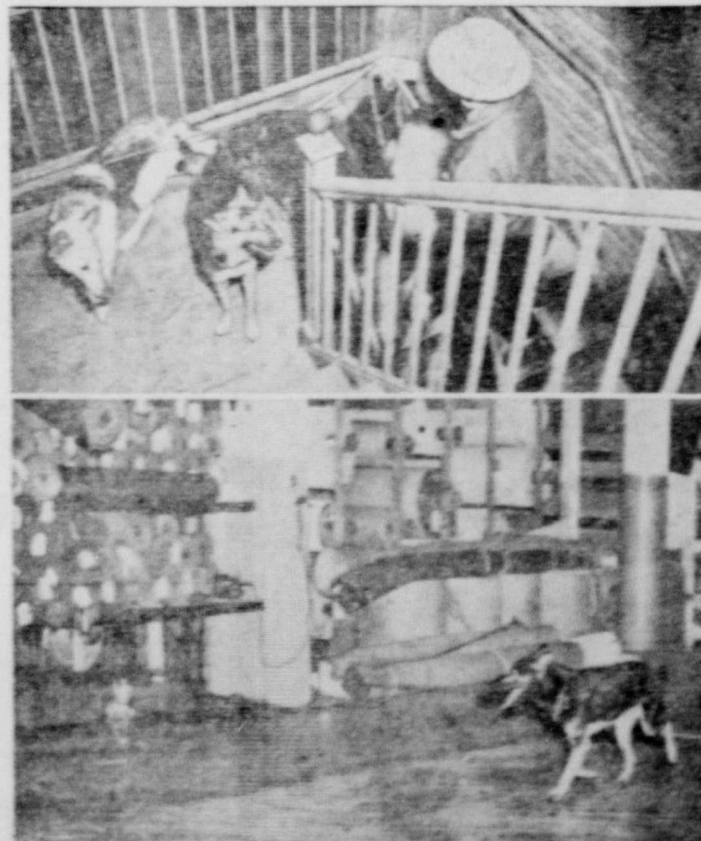

THE UNEXPECTED HAPPENS AGAIN—Jenny, a parrot, has a warm verbal greeting for Jimmy, the kitten, during a social afternoon call in London, England. The pets live together in complete harmony in a pet shop, but their present friendship could—just possibly—be disrupted when Jimmy gets larger and gets the usual feline feeling toward birds.

OFF TO JOIN DAD—Trying out their temporary home on shipboard, James Birchfield, three, and baby sister, Meredith Ann, look around their quarters as their mother, Mrs. James Birchfield, of Lafayette, Ala., leans from her bunk to fasten the screen in front of the kids. They sailed from New York en route to join the head of the family in the Far East.

NEW USE FOR WATCHDOGS

PIONEERING—After 22 months of training, a department store in Chicago is using German shepherd dogs as supplemental guards in warehouse operation. Led by a watchman, top, the dogs begin their tour of duty and save the watchman many steps. Tending strictly to business, below, a dog patrols its beat. They have been trained to bark an alarm at any sign of

fire, smoke or prowlers. The dog in this photo has stopped at one of the 30 reporting stations in the warehouse to set off an all-clear signal to the man at the central post. The animals have withstood every test and have not missed any extraordinary happenings while on duty. It is estimated they'll save a watchman about nine miles of walking every night.

## HEALTH TALKS

Prepared by the Texas Medical Association

The aorta, the big artery of the body, extends upward from the heart in candy-cane fashion. It is the extension of the left ventricle, which is inside the heart. At the point where the artery leaves the heart is a valve known as the semilunar aortic valve.

From the top of the heart this semilunar aortic valve looks like three ping pong balls stuffed compactly in a tube with the three rounded tops of the balls forming a valve. These three half-moon objects open upward when the blood leaves the basin known as the left ventricle and starts flowing upstream before going to all parts of the body.

Different diseases create different changes in the looks and function of the three half-moons which make up the aortic valve. If they are left damaged after attacks of rheumatic fever, those half-moons or cusps usually grow together somewhat at the inside junction which makes the opening too small for the normal flow of blood, creating an obstruction known as aortic stenosis. Or sometimes rheumatic fever leaves scars on the cusps which pull them back from their point of junction and they don't jibe properly in closing, creating aortic insufficiency. Often there is some degree of both stenosis and insufficiency when rheumatic fever has damaged the aortic valve.

When syphilis has damaged these closings, they fail to close properly, creating aortic insufficiency; syphilis does not cause aortic stenosis. When a blood blister forms between the layers of the artery at or near the aortic valve, a condition known as dissecting aneurysm, it may interfere with the closing of the valve and cause aortic insufficiency.

When hardening of the small arteries of the body affects the area around the aortic valve, it may eventually lead to stiffening and deforming of the half-moons, interfering with their opening and creating stenosis, an obstruction to the flow of blood through the valve. Strain or injury at times may cause a rupture of the cusps, which would keep the valve from closing properly and lead to aortic insufficiency.

## 700 ATTEND GRAHAM MOVIE AT CHURCH

An estimated 700 persons were at the First Baptist Church Wednesday night for the first local showing of the film, "Mr. Texas," produced by Evangelist Billy Graham.

The picture was filmed in Texas and was built around the evangelistic work of Rev. Graham while in Fort Worth last year.

Rev. Ralph T. Wootton, pastor, expressed the congregation's appreciation for the fine acceptance of the film.

The American Legion Auxiliary will display clothing at the Legion Hall Saturday afternoon from 2 o'clock to 4 o'clock. The clothing will be given free to those who need same.

Anyone wishing to give for this project is welcomed to bring clothing to the Legion Hall. The public is asked to notify families who need clothing and direct them to the Legion Hall.

## Lutheran Society Has Meeting On Sunday

Mrs. Ed Wende was hostess Sunday afternoon at the American Legion Hall to the Ladies Missionary Society of Grace Lutheran Church at their monthly meeting.

The topic on "Witnessing for Christ," was led by the Rev. James F. Hennig. A short business session followed and the meeting closed with prayer.

Refreshments were served to sixteen members and one visitor, Mrs. C. O. Weiser of Gladewater.

## Customers' Corner

George Washington said it first.

This week, the celebration of Washington's birthday brings to mind the story about the famous cherry tree. Whether he said, "I cannot tell a lie" ... we don't know, but the father of our country did say, "honesty is always the best policy." The founding father of A&P — George Huntington Hartford — had the same idea when he said, "Always do what is honest, fair and sincere and in the best interest of our Customers."

That's the spirit that has always guided the folks of A&P. It always will!

### Marking Time in the March of Time —

... is somewhat like fishing without luck — there's no thrill to it. But there is real thrill in moving forward, serving humbly and doing some one thing well. We never heard of an abstractor getting rich as such, but we have heard of those who have spent a life-time as we have, building up title institutions that are assets to their communities. Yes, we get a thrill out of every order and a real joy in producing it into a quality product.
