The Gay Philosopher

By J. W. S.

THE CISCO JUNIOR College A Cappella Choir gave the members of the Lions and Rotary clubs a good sample of what the people of West Texas will get when the choir goes on tour this month. And the members of the Lions and Rotary clubs will assure you that the people of West Texas are going to get some good music. The choir's home concert will be given on March 21. You can look forward to that occasion with the assurance that there will be a musical treat in store. The Chamber of Commerce, the Lions Club and the Rotary Club each made a financial contribution to help pay the expenses of the coming tour.

A SCHOOL BUS and two cars loaded with 36 CJC choir members pulled out of Cisco at 5 a. m. today for San Antonio. Mr. and Mrs. O. L. Stamey went down to the convention city on Thursday as he had to attend a meeting here that day. Mr. and Mrs. Lester Matthews, Carlos Turner, Mrs. Minnie Hill, Miss Mayme Estles, Jack Chambliss and Robert Clinton left early Friday. They return late Saturday.

MET UP YESTERDAY with Sgt. Marvin Strickland, who was our correspondent in Alaska for over a year. He's back home for a visit with his parents and friends before reporting to McCord Air Force Base in Washington State. Sgt. Strickland says he hasn't quite thawed out after spending a couple of winters in the far north, but he's enjoying the Texas sunshine. He'll be around another week. The Rotary Club was trying to work out arrangements yesterday for the sergeant to appear at their luncheon next week to show some color slides he made in the north.

ALSO CONVENTION bound is Mr. Joe Comingle, local employee of the Humble Pipe Line Company. He's due to be in Galveston on Monday morning for a week's convention of corrosion engineers. Mrs. Comingle and daughter went along to spend the coming week near Seguin with her parents. They departed Friday afternoon.

When they return, Joe plans to start building a home. They've bought the lot on Park Drive between the Dick Lauderdale house and the R. F. Walton house. Joe plans to build the house personally.

OVER AT THE Bloodmobile Clinic yesterday, a man named James G. Roun of Millville, New Jersey, donated a pint of blood. He was passing through Cisco and saw the sign about donating blood. So he pulled in and gave his sixth pint of blood since 1943. After a cookie and a cup of coffee, he resumed his trip.

YOU NEVER KNOW how the other half lives. That's what Mrs. Baby Miller said yesterday. She's chairman of the coming convention of Federated Club women in Cisco, and she stopped by the Press office Thursday afternoon to give us some material on it. She saw the big press running and we invited her back to watch while a few hundred of the Thursday editions were printed. Never saw anything like it, she concluded.

OUR SCOUTS report that Mrs. Charlie Cofor shot a 46 for nine holes at the golf course the other afternoon. Witnesses: Mr. Chas. Cofor, Mike Cameron and Paul Mosley. . . The Marshall Joneses business visited in Fort Worth on Thursday. . . Mr. Ken Russ of the Victor Hotel is on a deal to acquire an old-fashioned spinning wheel. Plans to fix it up for display purposes. . . The City Commission has postponed the regular monthly meeting next Tuesday night to Thursday night so some of them can hear the Governor speak in Ranger. The banquet is sold out. All of the 300 tickets were gone Thursday. Some 10 Ciscoans have tickets.

MAX CAWLEY departed Thursday for Fort Knox, Kentucky, and the officers candidate school. His mother, Mrs. L. M. Cawley, went along to have a look at the country. She'll be home again soon. Max was a soldier in Alaska and at Fort Ord, Calif., before going to the gold center.

GOOD LUCK RODE ALONG—The crumpled wreckage of a Piper Cub lies on the rooftop where it landed in Denver, Colo., after engine failure on the takeoff. The pilot and a passenger walked away unhurt, and the house managed to escape any serious damage.

AREA FARMERS ARE ELIGIBLE FOR FEDERAL LOANS FOR CROPS

All Texas counties are now under designation as disaster areas by proclamation of the U. S. Department of Agriculture. The action qualifies farmers who have suffered crop losses and who are unable to obtain credit elsewhere for loans from the Farmers Home Administration to put in 1952 crops. Announcement of the designation was made at Dallas, headquarters of the Farmers Home Administration, by L. J. Cappelman, State Director.

Bad weather conditions in 1951 reduced crop yields materially and tightened up credit conditions to the extent that many farmers were unable to finance crop plantings. Disaster loans are now available in each county. Farmers who have sustained production losses on crops and livestock may apply for funds to pay for seed, fertilizer and materials for insect control where needed, gas and oil for tractors, feed for livestock, essential farm and home operating expenses, machinery repairs and other expenses incident to the production of a crop.

Credit is advanced under authority of Public Law 38 and is available to farmers who have sustained losses, and who cannot obtain from local sources the funds needed to plant a crop this year. Before a loan is made a County Committee of three farmers must certify that the applicant suffered a substantial production loss. Farmers may apply for loans at the office of County Supervisor George I. Lane located at Eastland in the Petroleum Bldg. Funds will be available to

WITH THE 45TH INFANTRY DIV. IN KOREA — Pfc. Dewey O. Nichols, son of Mr. and Mrs. B. H. Nichols, Route 3, Cisco, has won the Combat Infantryman Badge, symbol of the front line fighting man, while serving in Korea with the 45th Infantry Division. The badge shows a tiny Revolutionary War flintlock rifle mounted against a blue rectangle which is surrounded by a wreath. The Oklahoma National Guard Division left the U. S. early in 1951 and trained extensively on the Japanese island of Hokkaido before it was committed to Korea in December.

A 57-mm recoilless rifle ammunition bearer in the 180th Infantry Regiment's Company L, Private First Class Nichols entered the Army in October and joined the 45th Division in November 1950.

Mrs. A. E. Jamison and Mrs. P. R. Warwick spent Monday in Fort Worth where Mrs. Warwick visited Mrs. R. W. Ralls for instruction in her new office of Mid-Texas Presbytery historian.

Mrs. Skeet Fambrough of near Strawn visited in the home of her parents, Mr. and Mrs. Paul Huestis, Thursday.

ranchmen whose herds have been depleted by the drought. They can borrow to restock their pastures. Farmers who qualify under the disaster loan regulations may discuss their needs with the county supervisor.

Better farming practices are emphasized in the FHA loan program. These will be discussed and agreed upon by the county supervisor and the applicant when the loan application is prepared. A program of diversification is the safest course. Farmers who have carried out a balanced farming program with livestock do not need emergency aid this year even though they did sustain losses because of drought conditions last year, according to a survey of case files, the county supervisor emphasized.

Dedication Week Is Planned By All Methodists

The Rev. E. H. Lightfoot has announced that the First Methodist Church will join with Methodist churches everywhere in observing next week as the "Week of Dedication" during which time congregations and individuals will be called upon to make a new dedication to the church and to the Christian way of living. All activities of the church will give emphasis to this central theme, closing on Sunday, March 16, with a special service of consecration.

Joe Stamey will preach at the morning service this first Sunday of the week of special observance and the pastor will bring the message at the evening hour. The Sunday school, the Woman's Society of Christian Service, the mid-week meeting on Wednesday evening, all will present the call to consecration.

132 PINTS OF BLOOD DONATED AT CLINIC HERE ON THURSDAY

A total of 132 Cisco and Rising Star residents donated a pint of blood to the Armed Forces of a Bloodmobile Clinic held here Thursday at the First Methodist Church basement, Mrs. W. W. Wallace, chairman, reported.

More than 180 persons appeared to become donors, but 48 were rejected for various reasons. Over 200 had signed pledge cards to donate a pint of blood. The 180 who called at the clinic included 24 from Rising Star.

Mrs. Wallace termed the clinic a success from all standpoints. Cards will be returned to Cisco by the Fort Worth blood center, where the whole blood was set for processing into plasma, to form the beginning of a walking

blood bank for the Cisco area. The American Legion Post has announced plans to obtain the blood types of a large number of people to have the file available for emergency use.

Each prospective donor was required to fill out questionnaires as to his general health. A doctor was on duty during the clinic hours to give physical checkups to those whose questionnaires indicated that they might not be eligible to be donors.

Radio Equipment Being Set Up In Sheriff's Office

Short wave radio equipment was being installed this week in the sheriff's office in Eastland County courthouse, according to reports here. Similar equipment is expected in Cisco in the near future for installation at the fire station.

The equipment will enable the officers to talk to and receive calls from similar stations in other cities and in police cars. A receiver has already been installed in the Cisco police car, but the transmitting equipment has not been received.

In Eastland, the sheriff's office transmitter will be located on the top floor of the courthouse with receivers in the office and in patrol cars. In Cisco, the transmitter will be at the fire station where a receiver will also be located, as well as in the police car.

Local officers, as well as the sheriff, will be able to talk with short wave stations in Abilene, Brownwood and elsewhere in the area.

Funds for the county radio were obtained by Sheriff J. B. Tucker through donations by business men in Cisco, Eastland, Ranger and other parts of the county. The Cisco city commission appropriated some \$2,000 to buy its equipment.

Before the stations can broadcast, it will be necessary for them to obtain license from the Federal Communications Commission and for the operators to receive an operator's license.

HIGHWAY ACREAGE SELLS

The Davis Welding Shop on Highway 80 west has purchased an acre and a half of land in the same area from C. H. Housh and plans to build a large service station, it was reported today by John Dunn, local real estate man, who handled the sale.

Each person's temperature and blood pressure was checked before being finally approved. After donating the blood, the donors were required to rest for 15 minutes and were given refreshments.

The Bloodmobile Unit came here from Ranger where 128 pints were donated Tuesday by residents of Eastland and Ranger.

Trustees Reject Oil Lease Bids

Trustees of the Cisco Independent School rejected all bids for oil leases on some 90 acres of land around Cisco Junior College and for some two blocks in the area of the Community Gym at a special meeting Thursday.

Six bids were submitted, the highest offering \$55 for each tract on a three-year lease. The board decided the offer was not enough, Secretary Clyde Karkalits reported.

Light Rains Help Farm Outlook For Parts Of State

Droughty conditions in Blackland, eastern Cross-Timbers and eastern Plateau counties were being gradually eased as light rains again covered most of the State during the past week. In east Texas and along the upper coast, many fields were wet. Oats, winter legumes and pastures were coming along fast in these eastern counties.

Rains, however, were very light and the drought was still unbroken over the western half of the State. Wheat made fair to good progress in north Texas and in southern wheat counties of the High Plains, but was only holding its own in the northern Panhandle.

Grain sorghum planting in the commercially important Coastal Bend was gaining momentum and some cotton in that area was in the ground. Corn planting was getting started in Central Texas, but wet soil was delaying field work in most eastern and south eastern counties. Light frost extending into the Lower Valley on February 27 caused some damage to tender vegetables, but most cotton apparently escaped with very little damage.

Progress of early spring vegetables was retarded and some damage occurred as a result of a cold spell the morning of the 27th that reached into all early sections. Scattered moderate to heavy frosts were reported for all areas, being more general and causing more damage in the Lower Rio Grande Valley than in other areas.

Clover, oats and winter grass in eastern and coastal counties were making excellent growth and green feed was starting but still short in southcentral counties that received generous rains a week ago. Additional moisture was received over practically the entire State, but amounts were generally light where needed most.

In eastern Plateau and some Blackland counties, however, heavy rains will soon start much needed green feed. Wheat in the northwest continued to supply some green feed. Heavy supplemental feeding continued in all areas except in eastern and southeastern counties. Cool temperatures were temporarily delaying goat shearing.

Red Cross Drive Still Needs \$225

The Cisco Red Cross campaign needed only \$225 at noon Friday to reach its roll call quota of \$1,700, according to figures released by Treasurer Paul Farrow at the First National Bank. Several workers had turned in reports during the morning.

Chairman George N. Irvine was confident that the quota would be reached when all of the workers and committees turn in their reports. A number of reports were yet to be turned in. "Let's finish the job by noon Saturday," Mr. Irvine urged.

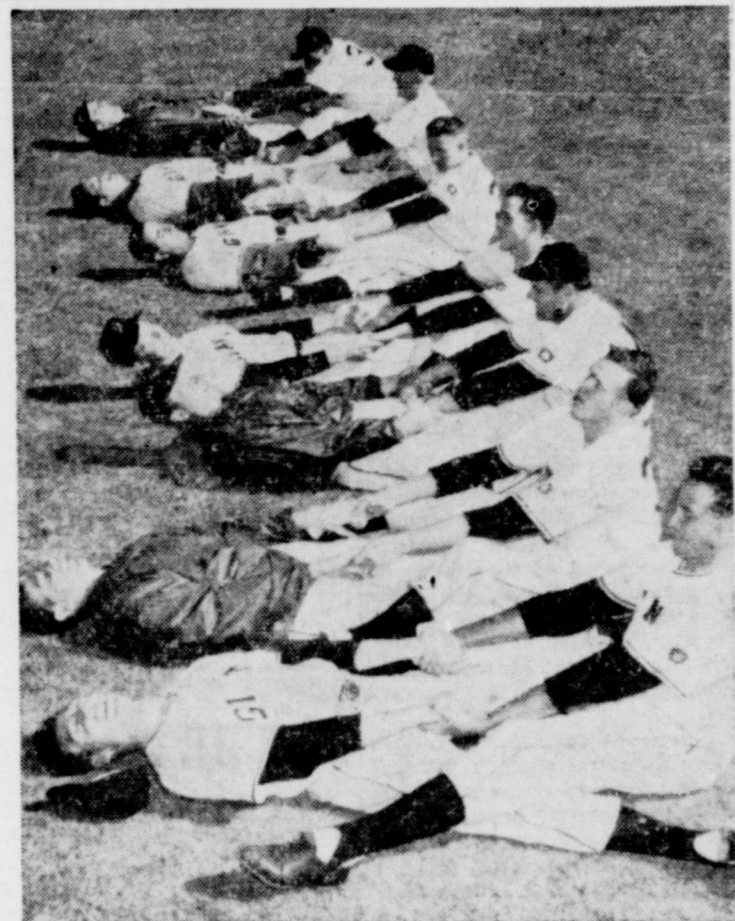

TO UNDERGO OPERATION

L. F. Mendenhall, local oil man, was in Dallas Friday where he was due to undergo surgery in Baylor Hospital. Dr. B. L. Aionoss of Cincinnati, Ohio, famous bone surgeon, was to perform the operation. Mr. Mendenhall is in room 119 at Baylor.

Mr. and Mrs. Raymond Gandy of Olney and Mr. and Mrs. Royce Stoker of Breckenridge spent Sunday in the homes of Mr. and Mrs. E. C. McClelland and Mr. and Mrs. C. M. Fogue.

Large Group Expected To Go On Annual Spring Ranch Tour

GETTING IN SHAPE—Members of the New York Giants are shown limbering up on the ball field at Phoenix, Ariz. The boys are getting into high gear at their Spring training camp and each is hoping for a repeat on last year's "miracle" season that saw them in the World Series with the Yankees.

Trip Will Begin Early Saturday

A large group of Eastland County Livestock Raisers Association members and others is expected to take part Saturday in the annual spring livestock tour of the county. President Sutton P. Crofts of the organization reported today.

For the first time in many years, the tour will be through the southeast part of the county and the group will see sheep, milk goats, and beef and dairy cattle at seven different places.

The tour program calls for association members and others interested to meet at the City Hall in Eastland at 9:15 o'clock to begin the trip, which will be concluded about 3:30 o'clock.

The first stop will be at the W. H. Hailey farm in the Staff Community where his Columbia and Rambouillet sheep will be shown. On the I. S. Echols farm in the same community, the group will see Toggenburg milk goats, along with goats mixed with the Nubian strain.

The Ed Harrison ranch, between Desdemona and Gorman, will display registered Hereford cattle on the Real Domino B and other prominent bloodlines. Beef steers will be seen at the Boyd Hillyer ranch near Gorman.

The registered Herefords of Dr. D. V. Rodgers will be inspected in the Kokomo community. Jerseys will be seen on the Jake Caraway and L. R. Higginbottom dairy farms in the same area.

The group will have lunch at the Fire Hall in Gorman. The general public has been invited to make the tour, and association members have been urged to take part, Mr. Crofts said.

LIVESTOCK SHOW WILL JUDGE FAT ANIMALS ON PACKER BASIS

Fat animal classes at the annual Eastland County Livestock Show, at the old airport in Eastland on March 28 and 29, will be judged on a packer basis, according to officials in charge.

This method was used at the show at Cisco for the past two years and was found to be very satisfactory. S. P. Crofts, president of the County Livestock Raisers Association, sponsors of the show, said that the boys and their Dads in general liked the method and felt that it was more practical than the old method of pitting the animals against

each other. Fat steers grades are prime, choice, good, medium, common and cutter. For example, if thirty steers are shown, two of them might grade prime, eighteen grade choice, five grade good and five grade medium. Those in the various grades receive the same type of ribbon and the same amount of cash premiums.

The barrow pig class will be graded into choice, good and medium classes. Packer classes of fat lambs are also choice, good and medium.

Only FFA and 4-H Club boys and girls are expected to enter exhibits in the fat animal classes. Junior exhibitors who wish to do so may sell their animals at the Faircloth's auction barn at Eastland on Tuesday, April 1. It is not compulsory however, that they sell, Crofts pointed out. Although adult exhibitors are welcome and urged to have entries in the breeding classes in the show the primary object is to encourage youngsters to feed and show their own animals.

Free transportation to the Fort Worth stockyards, packing plants and zoo, through the courtesy of the livestock association, will again be given to the boys who feed and exhibit in the fat animal classes. This has been the custom for the past two years, it was reported. Packing plants have provided the boys with a free lunch following the trip through their plant. Most of them in the past have refused their choice of various kinds of meats at this free luncheon, sticking largely to vegetables.

Putnam Army Man Is Sent To Fort Hood

FORT HOOD, March 7.—Capt. Henry G. Mundt, whose wife, the former Willie Grace Pruet, lives in Putnam, Texas, has arrived at Fort Hood to help prepare logistical support for Exercise Long Horn, the largest maneuver in the U. S. since World War II.

More than 150,000 soldiers will be involved in the training operation during March and April. A company commander in the 61st Engineer Construction Battalion entered the Army in 1937, Mr. Mundt's company, Captain his mother, Mrs. Anna Sellers, lives at 1902 E. Seventh St., Pueblo, Colo., and he attended Centennial High School in Pueblo.

Mr. and Mrs. G. L. Bailey visited Mr. and Mrs. Loy Williams in Gorman Sunday.

Life After Forty Can Be Good If You Are Careful

AUSTIN, March 6. — From a literary point of view life may begin at forty, but from a health standpoint, life after forty begins to be more complicated for the average individual, than it was in his earlier years. According to Dr. Geo. W. Cox, State Health Officer, the principal health foes confronting people in middle life are heart disease, cancer, kidney disease, high blood pressure, hardening of the arteries, apoplexy, diabetes, and arthritis.

Middle aged people of today are healthier than were those of preceding generations, and the present generation, when they reach middle age, should enjoy even better health than their parents of today.

Medical care in middle life has two important phases. The first is going to the doctor at regular intervals for a complete physical checkup, whether or not there have been symptoms that suggest the need for medical attention. The second is prompt attention to any illness which may mean the difference between prompt recovery and continued good health and prolonged invalidism. It is difficult to say which of these phases is the more important.

It has been found that men and women who faithfully pursue the habit of regular health examinations and who follow the advice arising from them tend to live longer, more satisfactorily, and freer from disease than those who simply take a chance and go to the doctor only when pain or disability forces them to give up their normal activities.

It is also a fact that many diseases of middle age respond to treatment in early stages whereas if neglected until later stages they often cause permanent invalidism and even death.

Good advice for persons over forty is that they have regular physical examinations and obtain prompt medical attention for any and all illnesses.

Mrs. Bill Huber left Thursday evening for California to be with her husband who is stationed at San Diego.

Program Is Given For Presbyterians

"Soft Shoulders" will be the subject for the morning worship service at the First Presbyterian Church on Sunday, the Rev. Grady James, pastor, reported today. The evening sermon topic will be "Jesus Knew Men."

The Fellowship in the Practice of Evangelism will meet at 6 p. m. in the church, and the subject will be "Man's Sin — His Desperate Need," and "The Holiness of God."

The Presbyterian series on the Protestant Hour will be broadcast over Radio Station WFAA each Sunday at 7:30 a. m. with the Rev. Thomas H. McDill, Jr., as the speaker. His message will be on the subject "Will God Forgive You?"

RED ARMS PRODUCTION

One question that almost everyone asks is how U. S. arms production compares with that of the U. S. S. R. — both quantitatively and qualitatively. It is obvious that no one this side of the Iron Curtain can answer that question with real accuracy — under the Russian system, it is infinitely easier to preserve state secrets than it is in a free country. However, a mass of trustworthy information on the subject does exist, and it is summed up in a recent feature article appearing in the Wall Street Journal, signed by staff correspondent Ray Cromley.

Early in the story Mr. Cromley says, "Russia is probably pushing ahead of the U. S. in some vitally important air, tank and artillery research. This means — in a war between the U. S. and Russia — the Reds might — and probably would show up with harder hitting fighter planes and tougher, better tanks than the U. S. This doesn't mean that Russia would win the war. Not by any means. The U. S. is winning the race to expand heavy industry (needed to back a big wartime arms output.) And by next year we will probably catch up with Russia in the actual production of war planes and other major arms."

The Russians, the Journal piece goes on, have done a great deal more in the field of postwar military research than we have — they have had perhaps five or six times as many engineers and scientists working, and many of these men are of first-class quality. They have stressed the design and production of new and better weapons. One example of that is the jet plane. Most of the Russian fighter force consists of MIGs, which, according to reports from Korea, are better in some respects than anything we have. And Mr. Cromley says, there are signs that they are now making a still better plane. He puts Russian war plane production at 8,000 a year, and ours at 80 per cent of that figure. But next year, according to plan, our

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Mrs. W. Z. Latch Is Honored On Birthday

Mrs. W. Z. Latch was honored on her 72nd birthday with a party at the home of her daughter, Mrs. R. V. Rendall, on March 5, with the Lake Cisco Home Demonstration club and a few long time friends as guests.

The guests were greeted by Mrs. E. C. Lloyd and shown to the guests register. Mrs. Fay Gardenhire gave some interesting Bible quizzes and Mrs. Lloyd directed several games. Although it was understood that no gifts were expected, the Lake Cisco Home Demonstration Club presented Mrs. Latch with a beautiful framed picture with the names of all club members on it. Several other nice gifts were also presented to Mrs. Latch.

Refreshments of spiced punch and cake were served to Mrs. Lela Lloyd, Waco; Mrs. Mary Carey, Dallas; Jean Carey, Robert Rendall, and Frank Richardson of Wichita Falls; and Mesdames A. T. Gorr, W. V. Gardenhire, R. L. Justice and daughter, Janice Justice, D. Ball, Clarence Moon, Leonora Forman, Ben Throop, Tom Smith, O. C. Lomax, W. M.

Joyner, G. Pollard, John Shertzer, Joe Lovelady, G. P. Rainbolt, M. Y. Ervin and children, Beverly and Danny, Ann Scott and daughter, Judy, Mrs. R. V. Rendall, Mary Jane and Judy Rendall and the honoree, Mrs. Latch.

Betty June Arnold Is Married Feb. 23

Miss Betty June Arnold, daughter of Mr. and Mrs. Q. G. Arnold of Cisco, became the bride of Pfc. Carroll Gene Snodgrass, son of Mrs. Samuel Snodgrass and the late Mr. Snodgrass of Lubbock, Saturday, February 23, at the home of Mr. and Mrs. Roy Singletary in Clovis, New Mexico, with Luther G. Roberts, minister of the Church of Christ, officiating in the double ring ceremony.

The bride wore a street length dress of celestial blue tulle with navy and pink accessories. She wore a pink carnation corsage.

Mrs. Snodgrass was born and reared in Cisco and graduated from Cisco High School in 1949 and attended a business college in Lubbock. She has been employed for the past year and a half as office manager for the Texas Automobile Club, Inc., in Lubbock.

Pfc. Snodgrass was reared in Wilson, Texas, attending schools there with an outstanding athletic record. He graduated from Lubbock High School in 1948 and entered the army in 1951. He is now stationed at Fort Sill, Oklahoma, and expects to sail for Europe in a few weeks.

The young couple toured New Mexico several days before returning to Lubbock.

Mrs. Britain Hostess For OES Club Meeting

Mrs. Joe Britain was hostess Monday evening at her home for the monthly meeting of the Past Matrons and Past Patrons Club.

Mrs. Sarah Ann Farmer presided with opening prayer by L. D. Wilson. Routine business was discussed and a social hour followed in which canasta and forty-two were played by the group.

Those attending were Mrs. Mary Brown, co-hostess, Roy Wilson, A. V. Clark, Mrs. Bell Clark, Mrs. Laila Garrett, Mrs. Cleo Huestis, Mrs. Minnie Lee Rosenthal, Mrs. Mattie Dameron, Mrs. Pearl Moreheart, Mrs. Sarah Ann Farmer, Mrs. Ione Fewel, G. C. McGowan, Mrs. Barbara Townsend, Mrs. Hattie McNeely, Mrs. Ruby Huffman, Joe Britain and Mrs. Irene Britain.

Wesley WSCS Holds Meeting On Tuesday

"Let Courage Rise With Danger," was the program presented at the regular meeting of the W.S.C.S. of the Wesley Methodist Church Tuesday at the church.

The meeting opened with the group singing, "Jesus Calls Us," followed by prayer by Mrs. Gill Walker. Mrs. J. W. Gill, vice president, presided in the absence of the president, Mrs. Elmer Berry. It was voted to change

the meeting date to Friday of each week.

Mrs. A. F. Miller was in charge of the program. Those taking parts on the program were Mrs. Roscoe Meglasson, Mrs. C. C. Cooper, Mrs. Gill Walker, Mrs. Jess Youngblood, Mrs. J. D. Tussay, Mrs. J. W. Slaughter, and Mrs. J. O. Rice. The meeting closed with prayer by Mrs. Cora Meglasson.

Eleven members attended.

Telephone Employees Honor Bride-Elect

The employees of the Southwestern Bell Telephone Company were hostesses at a surprise shower February 27 in the office lounge honoring Miss Betty Johnson, bride-elect of Frank Steffey.

The lounge was decorated in the honoree's chosen colors of green and gold.

As Miss Johnson came to work at 2 o'clock, she was greeted by Mrs. A. M. Worley, the employees, her mother, Mrs. Edgar Johnson, her sister, Mrs. Bob Ellison, and the groom's mother, Mrs. Fred Steffey.

The honoree was assisted in opening the nice array of gifts by her sister, Mrs. Bob Ellison. The gifts were passed for all to see.

Hot chocolate and cookies were served to all present.

The Bering Strait was named for Vitus Bering, a Dane in the Russian Navy.

Mrs. Popalio Hostess For Circle Meeting

Mrs. J. B. Popalio was hostess at her home for Circle Four of the First Baptist Church on Tuesday for their regular circle meeting.

Mrs. Popalio read names of missionaries on the calendar of prayer for March 4, and Mrs. R. D. Guthrie, W.M.U. president, led in the opening prayer. Mrs. E. C. McClelland brought the devotional from Psalm 1. Mrs. O. T. Morton led in prayer.

During the business session it was decided to give \$2 to the American Bible Society to send Bibles to Korea. The community missions assignment for the month is the G.A.'s. Mrs. L. P. Keelan was asked to carry out this assignment.

Mrs. O. L. Mason, in the absence of Mrs. Surlis, the regular mission study teacher, taught the lesson from the book, "Pilgrimage to South America," by J. Everett Gill, Jr.

During the social hour refreshments were served to Mrs. E. C. McClelland, Mrs. O. L. Mason, Mrs. O. T. Morton, Mrs. Eula Grantz, Mrs. L. F. Keelan, Mrs. O. L. Lee, one visitor, Mrs. R. D. Guthrie, and the hostess, Mrs. Popalio.

Miss LaVelda Cagle spent the past weekend in Denton where she visited Miss Earlene Steel, a student at North Texas State College.

Mrs. Jack Fizer and Mrs. O. P. Parish of Breckenridge and Mrs. C. M. Pogue of Cisco spent Thursday in Fort Worth.

The Hole In The Doughnut

... may serve no useful purpose yet it is always there as is the parasite on the tree or the thorn on the rose. The person investing in real estate may act quickly, oftentimes unwisely thereby overlooking the hole in the deal which in this case is a bad title. By spending a few dollars for an abstract at the right time you who buy real estate may save your lifetime earnings as well as much trouble and inconvenience later on.
