

The Gay Philosopher

By J. W. S.

DRILLING OIL wells inside the city limits is a topic of considerable conversation around these days. And it is understandable when people protest the drilling of wells near their homes. Certainly, we wouldn't criticize anyone for taking this viewpoint.

A man came to see us yesterday about drilling oil wells. In the first place, he points out that oil where you find it. We'd all prefer to find oil in some brush patch that isn't any good for anything else. But when you find it inside a city, it's still there.

This man, who doesn't want to be quoted, told us that if 30 or 40 oil wells could be drilled in and near Cisco, the tax revenue from them would be sufficient to build the School District to build a new high school building. And he knows the district could build a new high school building. The average oil well is valued at about \$10,000 for tax purposes. The state has a formula to determine a well's worth. It's based on its potential producing ability — just as a good building pays more taxes than a building not so good.

Thirty wells inside the city would bring the city in tax revenues sufficient to do some paving and other permanent improvements.

The income to property owners inside the city wouldn't amount to much from an oil well, because the land areas held by each is so small that they have to pool their lots to make enough ground for one well.

We're not telling you this for any other reason than that we think all angles ought to be considered. In other words, there might be enough good with the tax to make the bad not so bad. What's your opinion?

OUR FISHING scouts report Mr. Roy Fonville, Jr., hooked a good size catfish out at Lake Cisco yesterday. The Fonvilles are now living in the pretty home on the John Speirs built just on the other side of the Lake Bernice dam. It's a beautiful place to live.

CISCO IS A VERY healthy place in which to live. Dr. W. P. ... the city health officer, has shown us one of the reports he has to make every week to the state health officer. The figures shown for counties in this area compare very favorably with those for other parts of the state.

There are some statistics at the top of the report to show the leading causes of death in Texas last year. These figures show that 19,751 people died from heart diseases; 8,413 from cancer; 6,633 from cerebral hemorrhage; 5,833 from pneumonia; 1,833 from tuberculosis; 2,315, other causes.

MR. AUSTIN FLINT tells us that the Grand Opening of the Penney Company store was a success from every standpoint. A large crowd of area shoppers was waiting for the store to open at 9 a. m. The new store is a credit to our town.

MR. SUTTON CROFTS, the Aberdeen-Angus rancher, brought down a folder put out by the Aberdeen-Angus association to show how these cattle stand out. The record shows that this line of cows has won a very large percentage of all awards at the annual International Livestock Exposition from 1900 to the present.

The figures are impressive. Since the show started in 1900, Aberdeen-Angus cattle have won 97 per cent of the Carcass Grand Championships, 82 per cent of the Carload Grand Championships, 66 per cent of the Steer Grand Championships, and 56 per cent of the Steer Grand Championships — all in competition with other breeds. We had a pasture full of them. Don't you?

75 CHILDREN RECEIVE HEALTH CHECKS IN PRE-SCHOOL CLINIC

Some 75 children who will enter school for the first time when the 1952-53 school term opens in September were given examinations in a pre-school health roundup held at the West Ward building Wednesday. The clinic was termed the most successful since the program began under the sponsorship of the West Ward P-TA.

Dr. E. E. Addy and Dr. Jim Lawrence volunteered their services in the roundup and examined the children.

During the roundup 60 children were given smallpox vaccine and some 50 of the children received D. P. T. shots. Mrs. E. H. Cheeves and Mrs. Blair gave the immunization shots. Mrs. A. D. Taylor was chairman of the committee handling the roundup for the P-TA. Her committee members were Mrs. John Adee, Mrs. D. N. Morrison and Mrs. Don Choate.

Officers of the association and the committee members expressed their appreciation to Drs. Addy and Lawrence and to everyone who aided in the first phase of the program. The children will receive their dental check Friday with Drs. Paul Woods, E. H. Ramsey and Robert Blackstock in charge.

Delegates Leave For Convention Of State Sorority
Mrs. Ina Stamey, Miss Doris Joe Pyle, and Mrs. Minnie L. Hill were to leave today for Corpus Christi to attend the State Convention of Delta Kappa Gamma.

Members of one hundred Texas Chapters will meet to celebrate the twenty-third anniversary of the society, a national honorary society for women teachers.

Mrs. Edna McGuire Boyd, national committee chairman of Greencastle, Indiana, will be the presidents' dinner speaker, April 25, and Mrs. Minnie L. Hill will be in the presidents' march. Dr. Grace B. Agate of Lafayette, Louisiana, Louisiana state founder and past national vice president, will give the address at the Founders Day banquet April 26.

Miss Doris Joe Pyle will take part in the Necrology ceremony honoring the memory of Mrs. Lucretia Irby, founder of Beta Upsilon Chapter of Delta Kappa Gamma.

Mrs. Ina Stamey is State Chairman of the Permanent Fund Committee, and will preside at the meetings of that body. Assisting Corpus Christi, the hostess chapter, with entertaining the delegates are the Kingsville, Brownsville, and Laredo chapters. Meetings will be held in both the Robert Driscoll and Plaza Hotels.

Auto Inspection Lags Over State

AUSTIN, April 24.—"Get your vehicle inspected and avoid the delay and inconvenience of having to wait in line," said Chief G. W. Busby, Motor Vehicle Inspection Division, Department of Public Safety, Austin.

The 2700 official inspection stations licensed in Texas so far are inspecting some 50,000 cars per week and in order to inspect all the cars in this State by the deadline, September 6th, the number of cars inspected per week will have to be doubled.

There can be no further extension of the deadlines and operators of vehicles not inspected on September 7th will be subject to arrest. The law provides a fine of not to exceed \$200.00 for any person guilty of operating a vehicle after September 7th when such vehicle has not been inspected and approved.

More and more stations are being licensed in Texas daily and the operators of these stations are waiting to faithfully and honestly inspect your car at your earliest convenience. Take your car to the inspection station of your choice and get your approval certificate while there is plenty of time and no waiting.

When you get your approval certificate on your car, you will take pride in knowing that your car is safe to operate and that you are helping to contribute to a safer Texas.

W. O. W. TO MEET
Members of Camp 500, Woodmen of the World, were reminded of the regular meeting at the lodge hall at 8 p. m. Friday. Important business will be discussed at the meeting and all members were urged to attend.

CARD OF THANKS
I wish to express my sincere appreciation for the beautiful flowers, the lovely cards and every act of kindness from my many friends and relatives during my recent illness. I also wish to express my grateful thanks to the entire staff of Graham Hospital. May God bless each of you.
Mrs. P. A. Wooten.

GENE ABBOTT IS NAMED PREXY OF LIONS CLUB FOR NEXT YEAR

Gene Abbott, local insurance man, was elected president of the Cisco Lions Club for the 1952-53 club year at the weekly meeting of the club at noon Wednesday at the Victor Hotel Dining Room. He will succeed Austin Flint, manager of the J. C. Penney Company store here.

Mr. Abbott, who has been nominated to be first vice-president, was advanced to the presidency when the nominee, James Duff, was transferred last week to Athens.

SPEAKS HERE

State Representative Jack Cox, pictured above, delivered an address on Americanism as the program feature at the weekly luncheon of the Cisco Lions Club here Wednesday.

Mr. Cox has traveled 150,000 miles and has spoken before thousands of people to preach Americanism during the past few years. He has spoken to several audiences here in recent months on the topic.

Mr. Cox will speak on the nationally known Freedom Forum at Searcy, Ark., during its coming 12th seminar. He was invited to share speaking honors with some of the nation's outstanding exponents of Americanism after he participated in the event last October.

Dr. George S. Benson, president of Hardin College and founder of the Forum, has announced that more than a dozen leaders in various industries and professions have accepted invitations for the series, with the theme this year, "Education for Freedom."

A brochure prepared by the college for this year's forum called Cox's "a crusader for freedom."

Mrs. J. R. Burnett is visiting her brother and family, Mr. and Mrs. Edgar Howard in San Antonio.

Other officers were elected as follows: George Davis, first vice president; Dr. C. M. Cleveland, second vice-president; E. G. Dameron, secretary; Bob Ellison, assistant secretary; J. T. Eggan, treasurer; Scat Russell, tail twister; Owen King, assistant tail twister; D. N. Morrison, Lion tamer; Dr. E. H. Ramsey and Truman Taylor, directors; and, Rev. Sidney Spain, song leader.

The new officers will be installed at the first meeting in July.

The program feature at the luncheon was an address by Rep. Jack Cox of Breckenridge, who delivered a talk on Americanism. The program was in charge of Lion O. W. Cathey.

Guests at the luncheon included E. P. Crawford and L. J. Lambert.

Donations Sought For Flood Relief

Mrs. John Love, county Red Cross chairman, has announced that contributions for aid to the stricken flood area along the Missouri River were being accepted by treasurers in the various towns in the county.

Paul Farrow of the First National Bank has been authorized by Mrs. Love to accept local contributions and those desiring to donate to the special fund for the flood relief were asked to send or take their contributions to him.

She said that no special drive would be made since the county had contributed so liberally in the recent campaign, but that the additional funds were badly needed and that all volunteer gifts would be greatly appreciated.

Anita Carlin Makes Honor Roll At SMU

Mr. and Mrs. Hal Lavery have received an announcement that their daughter, Anita Carlin, had been placed on the honor roll at Southern Methodist University for the 1951-52 school year. The year honor students will be recognized at a special program soon and Mr. and Mrs. Lavery were invited to attend the ceremonies. Miss Carlin received the same honor during the 1950-51 school year.

Mr. and Mrs. Lavery also received an announcement that their son, Worth Carlin, was to graduate from officers candidate school and receive his commission at ceremonies on May 2. Young Carlin is graduating in the first class specializing in anti-aircraft and guided missiles at Ft. Bliss, Texas.

Mrs. B. C. Chrisman of Baird spent Friday in the home of her sister, and husband, Mr. and Mrs. T. E. Owens.

Drought Relieved In Many Sections By Weekend Rains

Droughty conditions over much of the west and northwest were partially relieved as showers and rains fell over practically the entire State late in the week and continued over the week end. In the Trans-Pecos, Plateau and some adjacent Plains counties amounts were generally light, although scattered sections received moderate to heavy local showers. Also in south Texas, the light rain was generally insufficient to ease the drought and materially improve crop prospects.

Good rains were received throughout the northern High Plains and adjacent Low Rolling Plains counties and wheat prospects on the acreage that had survived earlier hazards were improved sharply. Considerable freeze damage, however, was showing up in the northern High Plains in addition to that in the Low Rolling Plains and north Texas, which was apparent earlier. Some wheat was in the boot stage in earlier High Plains counties and wheat was beginning to head in the Low Rolling Plains. Oats were heading in central and north central counties on generally short straw.

Corn planting was tapering off in north and northeastern counties. Stands are generally good in most central and northern counties, but some poor stands were reported in east Texas areas. Cotton planting was becoming active in north Texas until rain late in the week again stopped field work. In the Coastal Bend some acreage was lost from strong winds and blowing sand. Nights have been too cool generally for cotton and considerable replanting was expected in upper Coastal and central counties. Rice planting was again interrupted by rain late in the week. Stands on some early drilled fields were poor. Flax harvest in south Texas was in full swing.

Progress of commercial vegetables was generally satisfactory. Moisture in the mid-season and late areas was ample for active planting, particularly the transplanting of the late spring tomato crop, which was completed in most mid-season areas and underway in the latest (extreme northeastern) counties.

Summer range feed prospects were materially improved by the widespread showers and rain over practically the entire State and particularly in the droughty western and northwestern areas. Very light rains a week earlier has already started grass over parts of the northwest and with the temporarily adequate moisture new feed will develop fast. In the Trans-Pecos and western Plateau areas where ranges are practically bare, the light to heavy rains will soon start urgently needed green feed. Extreme southern counties, however, still need moisture.

Over the eastern half of the State, spring grass was luxuriant and stock were gaining rapidly on the abundant supply of green feed. The annual spring movement of big steers to Kansas and Oklahoma was underway. Marketing of yearling and spring lambs was sharply curtailed.

College Play To Be Given Tonight

Cisco Junior College will present Austin Goetz's play, "College is Terrific," a comedy in three acts, at the college auditorium at 8:15 o'clock tonight. The production is being directed by Jack Chambliss. Members of the cast include Prensiss Akers, Virginia Spence, Bobby Reynolds, Patsy King, Jane Huestis, Bob Huffmyer, Ben Green, Barbara Schaefer, Joe Stamey and H. K. Neely. The play was presented Wednesday night for the night school students at the college. Admission charge is 50 cents for adults and 25 cents for children.

\$5,500 In Water Revenue Bonds Bought By City

The City of Cisco today purchased at a premium price \$5,500 worth of city water works revenue bonds from the First Southwest Company of Dallas, City Secretary Hal Lavery reported. The bonds were bought for 92 per cent of face value, saving the city the sum of \$440.

This brought the total of bonds purchased by the city in the past seven months to \$19,550. The city budget provides for the retirement of some \$21,000 worth of water works bonds each year. By buying the bonds ahead of scheduled maturity, the city saves enough money to keep the bonded debt program well ahead of the regular requirements.

The bonds purchased today will be sent to the city's trustee in Austin for cancellation.

Since the 1941 revenue refunding bond issue was voted, the city has reduced its bonded debt from \$571,000 to \$363,650.

New Scout Troop Will Be Formed At Friday Meet

The First Christian Church of Cisco has voted to undertake the sponsorship of a new Boy Scout Troop. An organizing committee has been appointed by the church to take care of the program and to complete the organization of the Troop.

This committee consists of Dick Lauderdale, Robert Ellison, J. C. Fletcher, Ace Lucas, and Rev. Sidney Spain. The group has announced that a meeting will be held Friday, April 25, at 7:30 p. m. at the Christian Church. All boys of 11, 12, and 13 years of age and their parents were being invited to the meeting.

The main purpose of the meeting will be to inform the parents of the aims and purposes of the Boy Scout program. There will be an interesting and informative program, including movies. Brantley Hudson, Scout field executive for this area, will be on hand to help conduct the meeting. Boy Scouting offers a program of character building and citizenship training. Along with this, the program teaches boys how to take care of themselves in the open and many Scouting skills. The committee urged that all parents of boys 11, 12, and 13 years of age attend the meeting and bring their sons. The boys will actually register as Scouts. They should come prepared to pay a fifty cent registration fee.

High School Choir To Sing For Baptists
The Cisco High School choir, under the direction of Robert Clinton, will sing at the Sunday evening services of the First Baptist Church, it was announced Thursday.

It was also announced that Sunday night had been set aside as High Attendance Night for the Training Union and every member was urged to attend and bring a guest. The goal for the evening has been set at 285 in attendance. Everyone was invited to the services Sunday night to hear the high school choir and the regular sermon by the Rev. Wootton.

Civil Service Plans To Hold Job Exams
The U. S. Civil Service Commission announces examinations for filling vacancies in positions of Airway Operation Specialist (Communications) at grades GS-5, GS-6 and GS-7. Salaries range from \$410 to \$4205 per year. Positions to be filled are in CAA facilities in the states of Texas, Louisiana, Arkansas, Oklahoma and New Mexico, as well as Balboa Heights, Canal Zone, and Swan Island, West Indies. Additional information and application forms may be obtained from the Civil Service office in the local post office building.

LEGION WILL MEET
Members of the John William Butts Post of the American Legion will hold a regular semi-monthly business meeting at 7:30 p. m. Thursday at the Legion Hall. All members were asked to attend.

Swimming Pool Managers Will Hold Convention

A man will put on a diving helmet Friday afternoon, April 25, and vacuum the bottom of Lubbock's Municipal Swimming Pool like a living room rug. The idea is to teach new techniques of pool sanitation to registrants at the twenty-fourth annual convention of the Texas Beach and Pool Association April 25 and 26. Convention headquarters are in the Lubbock Hotel. The Texas State Department of Health is cooperating with the

Association in staging the program. Besides seeing the man in the diving helmet use his odd-looking vacuum sweeper, association members will hear these speakers, all experts in their fields:

Dr. J. K. G. Silvey of Denton; biologic life in swimming pools and their control; Walter Breedlove of Brownfield; swimming pool inspections and assistance from local health departments; R. H. Shelton, Jr., of Tyler; competitive programs and special events that help promote municipal swimming pools; Sam Breedlove of Lubbock; chlorination of swimming pools and availability of chlorine. Registration begins at 8:00 a.

m. Friday. The opening address will be made by Association President Roy E. Kneip of San Antonio, and the convention registrants will be welcomed by Lubbock City Manager Steve Matthews.

A discussion on pool construction will be an afternoon feature, with Carl W. Tiley of Dallas as speaker. Lewis Dodson, Amarillo consulting engineer, will demonstrate ways of checking chlorine content and bacteriology of swimming pool water.

A barbecue is scheduled for Friday evening at Mackenzie Terrace, with entertainment being provided by Lubbock City Recreation Department.

Saturday morning's activities will include these features: An explanation of swimming pools and their relation to public health by Dr. R. E. Johnson, director of the Lubbock City-County Health Unit; a talk on the American Red Cross program by Hilton H. Gilliam of San Antonio; a discussion on pool maintenance by Chauncey A. Nyatt of Chicago; and an explanation of different types of pool filters by N. A. Perkins of Omaha, Nebraska.

The convention will adjourn Saturday afternoon.

Something New For City's Teen-agers

By SUE SPENCE, Sixth Grade
Although I haven't lived in Cisco very long, I have noticed the need for a great many improvements, — among these, a teenage recreation center. The teen-agers of Cisco, like many other teen-agers in Amer-

ica, need more of a variety of activities. They have little choice of places to go. About the only recreation they have is going to the show, skating or bowling.

Teen-agers need a chance to get together if only for one night a week, and play games, dance, etc. This would help satisfy their desires for a chance in good, wholesome recreation. They would not have to turn to other means for their amusement.

I believe that many other citizens of Cisco feel as I do and would be more than glad to work with the youth of our city in a program of this kind. The youth of today are the men and women of tomorrow and they should not be neglected.

(Editor's Note: This is the final essay written by Cisco school students in a contest conducted during the recent Community Clinic Week.)

AND NEWS OF INTEREST TO WOMEN

WMU Studies Women Of Old Testament

"Women of The Old Testament" was the Bible lesson taught at the monthly meeting of the W. M. U. of the First Baptist Church on Tuesday at the church.

The meeting opened with prayer and a song after which Mrs. A. R. Day led the Bible lesson. Mrs. R. D. Guthrie presided during the business session. Plans were made for a covered dish luncheon to be held April 29 beginning at 10 o'clock at which time Mrs. Van Martin and other associational workers will be here to conduct a study course from the W. M. U. study course. All members are urged to be present and bring a covered dish. Visitors are also welcome. The meeting

closed with prayer by Mrs. Guthrie.

Those attending were Mesdames Eula Grantz, W. D. Hazel, C. S. Surles, W. J. Parsons, A. R. Day, G. B. Langston, Lewis Lee, C. A. Lassiter, R. D. Guthrie, O. L. Lee, W. L. Hussey, Algie Skiles, W. B. Cates, C. E. Whitmire, Fred Grist, E. H. Cheeves, Frank Walker, W. V. Gardenhire, Ralph Wootton, Willie Poe, and Mrs. Burnam.

Mrs. Ivie Is Hostess For Circle Meeting

Mrs. M. C. Ivie was hostess in her home Monday for the regular meeting of the Josephine Holmes Circle.

A brief business session was conducted after which Mrs. Cecil Adams, teacher, taught the Bible lesson taken from Romans

4. The meeting closed with prayer.

Those present were Mrs. Tommy Wyatt, Mrs. George Pruitt, Mrs. Cecil Adams, a visitor, Mrs. Carl Ivie, and the hostess, Mrs. M. C. Ivie.
