THE CHRYSLER NEW YORKER NEWPORT.

WHAT ARE YOU DOING TOMORROW?

This invitation could result in the most important day of your motoring life. We'd like you to take the wheel and really drive a Chrysler New Yorker car. Everything good you've heard about this great car is true ... and then some. Its new V-8 engine ... its power steering . . . its power brakes . . . its astonishing comfort . . . each is an experience you will thrill to, and remember.

So . . . tomorrow . . . or any time that is convenient . . . come discover real power steering! Hydraulic power does 4/5 the work as you turn the wheel . . . and also gives you 5 times the usual control on bad roads. Turn the wheels with one finger

when standing still : : : or drive all day with no shoulder strain at all! You get the same wonderful "wheel feel" every mile!

Drive America's finest engine! Feel the acceleration, response, reserve power of 180 V-8 horsepower. Learn why owners praise the matchless performance they get . . . without even having to use premium

Feel what power brakes are like! Power from the engine boosts the power of your toe. With up to two-thirds less than normal pressure, you will "gentle" this solid, powerful car to the surest, easiest stops in your life!

Test the comfort that's unequaled! On body-pleasing chair-height seats . . . with sweeping vision all around . . . you take good roads and bad on shock absorbers with over twice the shock-absorbing power of those on cars you've had before! Come in tomorrow!
