CISCO, TEXAS, THURSDAY, AUGUST 14, 1952

NUMBER 183

The Gay Philosopher

By J. W. S.

AN ITEM IN THE papers the other day about a New York doctor being taken for \$8,500 in an "Spanish prisoner swindle" Mexico City brought a smile to the faces of Mr. and Mrs. Ray Chapman of Cisco. A few weeks ago they received an air mail letter from Mexico City that offered them a fortune. The letter they received went like this: "A person who knows you and who has spoken very highly of you, has made me trust to you a very delicate matter of which depends the entire future of my dear daughter, as well as my very existence. I am in prison, sentenced for bankruptcy, and I wish to know if you are willing to help me save the sum of \$450,000, which I have in bank bills hidden in a secret compartment of a trunk that is now deposited in a customhouse in the United States."

"As soon as I send you undeniable evidence, it is necessary that you come here and pay the expenses incurred in connection with my process, so the embargo on my suitcases can be lifted, one of which suitcases contains a baggage check that was given to me at the time of checking my trunk for North America, and which trunk contains the sum above said. To compensate you for all your trouble, I will give you the third part of said sum."

The writer went on to say that the letter must be kept secret. Instructions were given for writing the man in prison. The Chapmans were amused but thought nothing more about the letter until the story came out this week of the New York doctor's troubles. The letter was addressed to their correct box number in Cisco. It makes you wonder how these people get your names and addresses.

LET'S ALL HELP Mrs. Althea Mae Atchison of 1502 Avenue D (Phone 836-J) find her purse. When she went home the other afternoon late and laid the purse on the front porch while she rested for a few minutes before going into the house. She forgot her purse. It contained her social security card, pictures and \$17 in money — all she had. You will remember Mrs. Atchison as working for Hamp's Cafe here for a good many years. If you know anything about the purse, give her a ring.

SPEAKING OF THE O. W. Hamptons, who used to own Hamp's Cafe here, we've received word that they're operating a new drive-in cafe at Whitney and doing well. They get the Cisco Press every day and enjoy it more than ever before.

COMES A POSTCARD from Mrs. Myrtle Anderson of Altman's Style Shop. She's vacationing at Rosemead, Calif., and reports that "this is the place for a real vacation. The cool climate is fine. I'm freezing, wear wool clothes and sleep under wool blankets. But it will be nice to be home."

ENJOYED A REPORT on a northern vacation by Mr. Robert Donovan, the rancher. He and Mr. George Wilcox recently toured the west and north, going as far north as Calgary, Canada. They attended the Cheyenne, Wyoming, rodeo, and admired the cattle ranches in that country. The weather was ideal and they never saw so many lakes as Canada has. Guess the people up there fuss as much about the cold weather in the winter as we do about the hot summer.

YOU CAN TAKE it from Mr. Jack King, who builds telephone lines for Southwestern Bell, that it's hot. He was out Dothan way the other afternoon to work on a line. Found a bird's nest and the eggs in it were hardboiled. Well done, too.

NOTES FROM Editor Roy Killgusworth's Lions Club newspaper: Lion Owen King is in Houston studying diversified education. . . . Carrol Tatum has reported to his draft board and now is in uniform. . . . Norman Huston is vacationing. Goes back to work Monday.

THE CUTTING HORSE will be featured in the two-day Cisco Roundup at the local arena Friday and Saturday nights. Some of the nation's top cutting horses

will be here to compete in the event. In this contest, the horse cuts a cow from a herd and holds her. Most cutting horses work

with loose reins. The Cisco show has been approved by the National Cutting Horse Association and points scored will count toward the world's championship.

Facts Needed In Disease Control, Dr. Cox Advises

AUSTIN, August 14.—The control of any disease must be based upon facts and not theory, asserts Dr. Geo. W. Cox, State Health Officer. The reason for this statement is based on the numerous theories sent the State Health Department for the cure or prevention of polio, diarrhea and dysentery.

The spread of polio, for instance, has been blamed on weeds, air, bananas, milk, atomic radiation and many other items. All of these are theories and have no basis of fact. Facts in disease are arrived at in the laboratory, the sick room and the environment of the patient. Facts are necessary and must be the guidepost for the control of disease.

Dr. Cox is authorized by law to accept gifts and contributions for public health. The first gift to aid in research on the part played by flies and cockroaches in the spread of polio is two monkeys from Bellaire. Others will be needed to complete the study. Any contribution will be appreciated.

Education work in dysentery and diarrhea — which kills far more children than polio — is being hampered by lack of personnel to do the work. Cox said Texas has six times more dysentery and diarrhea than the national average. There were 1099 infants under one year of age who died of this cause in 1951.

"When we get rid of these two fifth borne diseases, we will have done the best thing in the world to get rid of polio," he asserted. "But it takes resources to do it. Fund and equipment shortages have been a stumbling block to the whole research program in Texas. Dr. Cox said. Despite the fact that the State Bureau of Laboratories has consistently won top honors in national competition for accuracy in disease identification.

Former Lutheran Pastor Is Visitor

The Rev. E. H. Riese, former pastor of Grace Lutheran Church and teacher of the Grace Lutheran school, and his family are visiting friends and relatives in Cisco this week.

Rev. Riese came to Cisco in 1932 to assume his first pastorate. He stayed with Grace Lutheran Church and taught the school until 1940. He married the former Miss Hattie Wende, daughter of Mr. and Mrs. Otto Wende, in Cisco in 1937.

Rev. and Mrs. Riese have four children, two boys and two girls, all born after they left Cisco in 1940. He is now pastor of St. Paul Lutheran Church at Bishop, Texas, and is teacher of the school there. He has an assistant pastor who aids him with the church and school.

While in Cisco they are staying with Mr. and Mrs. Wende and visiting their many friends and other relatives. They arrived Tuesday and plan to return to their home Wednesday, August 20.

Hospital News

Mrs. Jack McWhorter and infant daughter have been dismissed from Graham Hospital. The baby, grand daughter of Mr. and Mrs. Bobby Deen, was born on August 10.

Mrs. Edward Wende and infant daughter of Cisco have been dismissed and Mrs. Sam B. Mize, Jr., and infant son have been taken to their home.

Mrs. Mittie Schlaepfer has been dismissed after receiving treatment this week, and Jimmie White, son of Mr. and Mrs. J. D. White, has been moved to his home following treatment.

Mrs. J. W. Vaughan of Carbon was showing improvement and was recovering satisfactorily this week from injuries received in an accident near Cisco on July 1.

Mrs. Sam Carmichael continued in a serious condition Thursday. She received a broken hip in a fall some three weeks ago.

Dr. Charles C. Jones was a patient at the hospital Thursday and E. K. Winge of Route 2 was receiving treatment for an illness.

Aged Cisco Woman Dies Thursday; Funeral Is Friday

Mrs. Clara Bell Dill, 85, a resident of Cisco for the past 33 years, died at her home at 311 East 23rd Street at 7 a. m. Thursday after an illness of several months.

Funeral services will be held at 3 p. m. Friday at Thomas Funeral Chapel with Paul C. Witt, Church of Christ minister of Abilene, officiating. Burial will be in the Pioneer cemetery with the Thomas Funeral Home in charge of the arrangements.

Mrs. Dill was born in Avington, Illinois, on October 5, 1866, and came to Cisco from Rising Star 33 years ago. She was a member of the Church of Christ.

Survivors are six sons, H. C. Dill, J. A. Dill and J. L. Dill, all of Fort Worth, M. F. Dill of Cross Plains, F. S. Dill of Abilene and R. C. Dill of Sweetwater; three daughters, Mrs. J. H. Redwine of Benjamin and Mrs. M. F. Watts and Mrs. Lela Ingram of Cisco; 34 grand children and 43 great grand children.

Her grandsons will serve as the pallbearers.

Two HD Clubs Plan 4-H Girls' Picnic

The Word Home Demonstration Club and the Lake Cisco Home Demonstration Club will serve as sponsors of a picnic honoring the girl members of the 4-H Club of the sixth and seventh grades of Cisco Junior High School at Lake Cisco Park on Friday at 7 p. m.

All members of the club and their parents were invited to attend. The two clubs will serve refreshments. Mrs. R. L. Justice of Cisco, adult leader for the 4-H girls, will handle the arrangements.

Miss Daniels and Miss Winston, county home demonstration agent and assistant agent, will have charge of the recreation at the picnic.

Rev. Crews Talks At Lions Meeting Here Wednesday

The Rev. Dick Crews of Denison, who is conducting a revival meeting at the First Christian Church here, was the guest speaker Wednesday at the weekly luncheon meeting of the Cisco Lions Club in the Victor Hotel Coffee Shop.

C. E. Hailey was in charge of the program, and the speaker, a former local pastor, was introduced by the Rev. Sidney Spain, minister of the church.

Speaking on the subject, "Our Heritage," Rev. Crews noted that "you don't have to be a politician or a scholar to be a good citizen." He suggested that more reading of the Bible would have a definite reaction on the quality of U. S. citizenship and government.

Every college should make available courses that would acquaint their students with the Bible, Rev. Crews believed. He urged that the U. S. Constitution, the Bill of Rights and other historical documents should be required reading for all students.

"Our heritage is rich and our way of life is good," he said. "We should seek to expand our heritage and fulfill the dreams of our forefathers who believed that men could live and prosper together in a democratic, peaceful world."

Visitors for the luncheon included Charles Kimmel of Big Spring, Harry Beck of Selman, Calif., Clyde Fisher and Everett Plowman of Eastland, Ray Moore of Fort Worth, Dr. and Mrs. Joe Trussell of Houston, Dr. L. D. Ball of Lamesa, and Rev. J. S. Stockard and Stanley Webb of Cisco.

Attendance Good For Services Of Baptist Meeting

The revival meeting in progress at the First Baptist Church has been attracting good crowds, according to a report today. Average evening attendance has been about 300 persons, while about 100 have been attending the morning service.

Dr. L. D. Ball, Lamesa minister, is the evangelist in charge of the preaching services. Dr. Joe Trussell of Houston is leading the song services. Tonight, Dr. Ball will preach on "The New Birth."

Friday morning at 8:30 o'clock, the juniors (ages 9 to 12) will go on a treasure hunt. At 6:30 p. m. Monday, the Brotherhood of the church will hold a covered dish supper in the basement. All men have been urged to attend.

The revival will end on Sunday, Aug. 24, and a Sunday School goal of 501 has been set. The public has been invited to attend all services.

CATTLE ARE SOLD

FORT WORTH, Aug. 14.—Mrs. Adle Whitten of Cisco had 37 cattle on the Fort Worth market on Tuesday. Six of her calves averaged 327 pounds and sold for 26 cents. Eight calves, weighing 185 pounds, brought 27.25 cents, and 18 cows averaging 731 pounds brought 12.50 cents. The Texas Livestock Marketing Association handled the shipment.

State's Top Horsemen, Ropers Due Here For Cisco Roundup

Crop Prospects Fade As Drought Spreads In State

Feed crop, pasture and cotton prospects faded further as droughty conditions and searing 100 degrees plus afternoon temperatures prevailed over most of the State during the past week. Scattered showers in northwest, north and east Texas brought temporary relief in those favored local areas, but soaking rains were needed. In the northwest, the scattered showers of the past three weeks have brought up volunteer wheat, some of which has already been destroyed in preparation of land for fall seeding. Cotton harvest was moving northward as hot, dry weather forced premature opening in some Blackland counties. Grain sorghum was heading in the northern High Plains.

Cotton harvest continued active in the Lower Valley, Coastal Bend and other southern areas during the week of hot, dry weather. Condition remained good and cotton continued to fruit in east Texas although some increase in insect damage was reported. Early cotton was opening in east and south central Texas. In the northern Low Rolling Plains cotton held up fairly well and continued fruiting although shedding was excessive and additional areas needed moisture.

Fruiting was slowed in the Blacklands and lack of moisture caused some premature opening of bolls. Irrigated cotton in the High Plains made excellent progress, but dry land crops were wilting and shedding excessively except in some sections favored by local showers. Prospects in the southern Low Rolling Plains continued to decline with growth and fruiting delayed and additional acreage losses expected if the drought continues.

Grain sorghums deteriorated during the week although scattered local showers were helpful to the crop in northwestern areas and to late planted feeds in scattered northcentral and eastern areas. Harvest has extended into northcentral counties. More moisture was needed in all areas. Corn harvest has also started in northcentral counties. Late planted corn was still in fair shape in eastern counties, but moisture would be beneficial.

Peanuts were beginning to show the effects of continued drought in northern commercial areas. The harvest of Hubam clover seed was about completed, with poor yields having been realized. Rice prospects continued favorable and harvest of early planted rice has started.

Dry range and pasture feed was further depleted as droughty conditions intensified over much of the State. Supplemental feeding was increasing. Scattered showers in the northern High Plains will temporarily revive curing range feed, but additional moisture is needed to keep this feed coming along. Pasture feed supplies were still fair to good in extreme eastern counties and along the upper coast. Movement of cattle, calves and sheep out of the dry areas continued very heavy. Goat shearing on the Plateau gained momentum.

Promotions Given Men In Guard Unit

Captain Frank Sayre, commanding officer of the local National Guard unit announced this week that nine members of the unit had received recent promotions. The promotions came after the men had completed the requirements as to accomplishments and time of duty.

Sgt. George B. Hull was promoted to master sergeant, and Sergeants Alfred E. Anderson, Billie O. Kendrick and Charles E. Layton were raised in rank to be sergeants first class. Corporals Charles E. Beene, Eldon L. Callerman, James H. Ewell, Paul A. Huffman and Wilford R. Penn were promoted to sergeants.

THE ARMY'S EXTREMES—Sgt. 1/c Eugene H. Cowgill of Columbus, O., reputed to be the smallest man in the entire U. S. Army, stands beside king-sized Pfc. Harvey Miller, who's said to be the tallest, during a meeting in San Francisco, Calif. Cowgill measures a scant 4 feet, 9 inches tall, while Miller towers at 6 feet, 9 inches. Both men are in the 8th Cavalry Regiment.

Show Is Approved By NCHA; Parade Is Set For Friday

A large number of entries in all events appeared certain today for the first annual Cisco Roundup, a working horse rodeo, which will be held Friday and Saturday nights at the Moran highway arena. Show officials reported that most of the state's top cutting horses and an outstanding group of amateur ropers have already entered.

The two-day show, which has been organized by the Cisco Roundup Club during the past two months, will formally open at 6 p. m. Friday with a downtown parade. The colorful Abilene Range Riders with some 40 horsemen and delegations from area cities, including Baird, Graham, Eastland, Ranger, and elsewhere will feature the parade. The parade will begin at 14th and Ave. D, promptly at 6, it was reported.

The first performance will begin at 8 p. m. Friday and the roundup club arena was ready today for the show to open. The arena has been given a new coat of paint and various improvements have been made.

Gay Copeland of Sonora, president of the National Cutting Horse Association, notified President J. C. Carr of the Cisco Roundup Club today that the local show has been given approval as a NCHA show. Points scored by horses and riders in the local show will count toward the world's championship.

B. H. Gray, local oil drilling contractor and pilot, was assisting the club advertising the show. His plane was equipped with a loudspeaker and he flew over area cities for announcements to be made regarding the coming show.

Tickets for the two-day show are on sale at the Chamber of Commerce offices. The arena area will be treated by the city fogging machine before each day's show to cut down mosquitoes. The arena grounds will be watered by city firemen to keep down dust.

Cowboys, ropers and girl riders will compete for handsome awards in the show, including two saddles, silver belt buckle trophies and other prizes. The prizes will be on display at the arena office Friday afternoon and Saturday.

All members of the roundup club will work at the arena in various capacities during the show. Their wives will operate concession stands. Sutton Crofts has been named secretary for the show. Allan Jones will be the flag judge for roping and girls' barrel race events, and Don Bradford of Ranger and Monroe Vallejo of Farmington, New Mexico, will be the official timers. Geo. Henry will be the barrier man, and Randy Steffen has been assigned the job of show announcer.

The arena gate has been enlarged to enable two lines of cars to move into the grounds at the same time. Four men will sell tickets to facilitate the handling of the crowds. Park areas will be supervised to help prevent congested traffic conditions. City police and sheriff's deputies will direct traffic in the arena.

Rodeo fans were urged to buy their tickets before going to the show grounds. Large crowds are expected for both night's shows.

FARLEY DUE HOME

Sgt. Rex Farley is expected to visit his parents, Mr. and Mrs. A. L. Farley, here this weekend en route from McDill Air Force Base in Florida to the west coast. Sgt. Farley has been ordered to Okinawa for duty. He has been in the army some 19 months and this will be his first visit in Cisco in more than a year.

JOINS NATIONAL GUARD

Bill Bennie, 18, employed at the A&P Grocery here, is the newest recruit of the Cisco Unit of the Texas National Guard, it was announced today. He is a graduate of Cisco High School.

NEW DEEP OIL TEST IS PLANNED FOR WEST CISCO LAKE SAND POOL

A new deep oil test for the West Cisco Lake pool area was announced today by Connally and Jackson, Abilene oil operators, as their No. 1 Theresa M. Weddington, one mile southwest of Cisco. Drilling is due to begin in a few days.

Location for the test is on a 640-acre tract, 330 feet from the north and 1,320 feet from the east lines of Section 86, Block 3, H&TC Survey. Permit calls for 4,000 feet with rotary equipment. It was understood that the Fred Pool Drilling Company has the contract to sink the test.

The well will be an offset to the L. A. Warren et al No. 2 Mrs. Maurine Royall, a Lake sand producer.

Mitchell News

The young people's department of the Mitchell Baptist Church was honored Thursday evening at an ice cream party in the home of Mr. and Mrs. Johnny Speegle.

Games were played during the evening and refreshments of ice cream and cake were served to Willie Hull, Maryalice Stewart, Vera Lois Owings, Shirley Cearley, David Stuteville, Roy, Robert and Jaunita Cherry, Linda, Bruce, Jack, Wayne and Douglas Speegle, Gene Parks, and the following adults: Rev. and Mrs. Bea Cearley, Mr. and Mrs. M. Y. Ervin, John Stuteville and Mr. and Mrs. Johnny Speegle.

Mr. and Mrs. Lester Horn of Colorado City visited in the home of Mr. and Mrs. Fred Horn last week.

Mr. and Mrs. Sherman Ervin of Abilene are visiting in the homes of Mr. and Mrs. W. H. Ervin and Mrs. Tom Terry.

Mr. and Mrs. A. G. Pate and children visited in the home of Mr. and Mrs. Walter Brooks on Sunday.

Mr. and Mrs. M. D. Speegle and son, Tom, returned Monday from visiting relatives in Odessa.

Louis Horn of Fort Worth visited in the home of Mr. and Mrs. T. T. Horn last week.

John Henry Hull is visiting in the home of his parents, Mr. and Mrs. Ben Hull while on furlough.

Mr. and Mrs. M. Y. Ervin and Mr. and Mrs. W. H. Ervin visited in Abilene last week.

Mr. and Mrs. Weldon Harris and baby visited in the home of Mr. and Mrs. Elvy Taylor last Sunday.

Mr. and Mrs. George Hull of Eastland visited in the home of Mr. and Mrs. Elvy Taylor Sunday.

Mr. and Mrs. Benny McCann and Donna of Coleman visited in the home of Mr. and Mrs. Walter Brooks Wednesday.

HEALTH TALKS

Prepared by the Texas Medical Association

Probably every one has seen a cartoon of a man with an ice cap on his head in a steam cabinet getting a reducing treatment. A steam bath, which works up a large amount of perspiration, might be good for reducing but it also might play the deuce with any skin disease which happened to be there. Moisture cannot be said to help any skin affliction.

In fact, a mixture of heat and moisture, such as that found in Texas summers, spells double trouble, for the body is unable to get rid of sweat because the air already is loaded with moisture and cannot take more. Sweating is a means to control the body's temperature and to get rid of certain wastes from the glands of the skin. When the perspiration just stands on the skin or falls to the ground, it is no wonder that the germs on the body's surface multiply by leaps and bounds.

It follows, then, that infections caused by fungus and other forms of plant life harmful to man can take over more easily. In the first place, chafed surfaces may provide the pathway for the germ to enter the body. This is what sometimes happens in moniliasis, a fungus infection commonly seen in the folds of the skin over-weight persons. The other fungus infections seem most often athlete's foot and ringworm.

Acne is a chronic disease of the glands of the skin which secrete a fatty material (the sebaceous glands). Its treatment becomes a big problem in summer, when the heat causes these glands, as well as the sweat glands to be over-active.

Prickly heat, too, is made worse by heat and too much sweating. Cooler clothing and sleeping in cooler quarters at night may cut down on the suffering of its victims.

Among other diseases of the skin are the pus-producing infections (pyodermites) which include impetigo, a highly contagious disease seen not only in infants, as is often believed, but also in adults. In this disease large blisters of the skin are filled with a watery fluid which turns to pus; the blisters form a scab which breaks and runs and new blisters appear.

Another pus-forming type of skin condition is folliculitis, which is an inflammation of a follicle of the skin, usually a hair follicle or "hair root," as it is more commonly known. The appearance of two other kinds of skin sores, boils and carbuncles, is known to most persons.

Since it is known that some skin diseases may be made worse by upset emotions, it hardly pays to be "crazy with the heat." This is a good argument for keeping cool as possible and for avoiding a "steam bath" of perspiration.

SOCIETY AND CLUBS
AND NEWS OF INTEREST TO WOMEN

MRS. WILLIAM EUGENE MILNER

Amarillo Girl Becomes Bride Of Former Ciscoan In Recent Ceremony

Miss Georgia Ann Ketchum of Amarillo became the bride of William Eugene Milner of Corpus Christi in a double ring ceremony held recently in the chapel of the First Baptist Church in Amarillo with the Rev. Ernest J. Loessner, assistant pastor, officiating.

The bride is the daughter of Mr. and Mrs. G. O. Ketchum of Amarillo and the groom is the son of Mrs. C. R. Hill and W. W. Milner of Cisco.

Centering the church altar was an arch covered with white chrysanthemums and gladiola. A white satin kneeling bench completed the appointments.

Given in marriage by her father the bride wore a ballerina length gown of white satin and chantilly lace, styled with a strapless, fitted bodice tapering to a deep V at the waistline. The satin bouffant skirt was covered with an overskirt of the lace, scalloped at the bottom and accented with a nylon net ruffle. Completing her costume was a lace bolero with long sleeves trimmed with nylon net ruffles.

Her finger tip veil of illusion fell from a bonnet of chantilly lace trimmed with orange blossoms, her jewelry was a single strand of pearls, a gift from the groom, and her grandmothers gold wedding band. She carried a cascade bouquet of white carnations tufted with maine and centered with white gardenias.

Miss Mary Jeanette Poe of Denton was maid of honor. Her dress of blue nylon net over satin was fashioned similar to the bride's gown. Her matching bonnet of net was trimmed with rosebuds and she carried a cascade bouquet of yellow pompoms tied with blue net and ribbon and centered with yellow chrysanthemums.

Susan Merry was junior bridesmaid and Virginia Merry was the flower girl. Both were cousins of the bride and wore identical dresses of yellow nylon net over taffeta. Susan's bouquet was of blue daisies and Virginia carried a basket filled with rose petals.

Jack Milner of Cisco was his brother's best man and Shelby Burgin was junior groomsmen. Ushers were Clinton Lewis of Borger and Ronnie Hanna.

The mother of the bride wore a navy lace dress with navy hat, and pink accessories. Her corsage was of pink gardenias and feathered carnations.

A reception was held immediately following the ceremony in the church parlor.

For the wedding trip to Mexico, the bride wore a powder blue linen suit with black velvet accessories and a white gardenia corsage.

Mrs. Milner is a graduate of Amarillo High School and attended North Texas State College, Denton. The bridegroom is a graduate of Cisco High School and attended North Texas State College where he was a member of the Talon Fraternity. He is now serving in the Navy.

The couple will be at home at 1427 Fifteenth, Corpus Christi, after August 15.

Those attending the wedding from Cisco were W. W. Milner and Mrs. Reba Gorman.

W.S.C.S. Circle Meeting Is Held At Gorr Home

Mrs. A. T. Gorr was hostess in her home Tuesday for the monthly meeting of Circle Two of the W. S. C. S. of the First Methodist Church.

Mrs. C. E. Hailey, chairman, called the meeting to order and Mrs. Inez Ricks led in the opening prayer. Routine business was transacted after which the meeting was turned to Mrs. E. H. Lightfoot who was in charge of the program.

Mrs. Lightfoot used a Bible cross word puzzle from the Methodist Woman and each member was given a scripture in which each word was found. The meeting was dismissed with prayer by Mrs. S. H. Nance.

Refreshments were served to Mesdames E. H. Lightfoot, Rudolph Schaefer, Zed Kilborn, Roy Killingsworth, J. W. Slaughter, Inez Ricks, S. H. Nance, D. P. King, C. E. Hailey, A. R. Westfall, John Speir, Mrs. Gorr and three children; Charles Kilborn, Rochelle Gorr, and Gloria Schaefer.

Mrs. W. W. Moore is attending the funeral of her nephew, Joe Lowery, in Albany today. Mr. Lowery died in Abilene Wednesday.

Mrs. Raby Miller left today for Sundown where she will join her sister and husband for a trip up the coast to Seattle, Wash., returning via Wyoming.

FREE MEADOLAKE MARGARINE

and TWO \$100.00 PRIZES EVERY WEEK

Mrs. Tucker PAYS YOU TO "TEST AND TELL"

Write a short letter to ANY friend or relative at a DIFFERENT address from yours. Tell WHY she should use Meadolake Margarine. Enclose a Meadolake carton END FLAP with the "Tested and Guaranteed" seal on it. Then, if she mails your letter on to Mrs. Tucker, Sherman, Texas, along with TWO Meadolake END FLAPS—the one you sent and ANOTHER just like it

—you will both receive a Card good for a pound of Meadolake FREE! Every letter will be entered in current WEEKLY "TEST AND TELL" Contest. For the BEST letter each week until November 30, Mrs. Tucker will pay the writer \$100. cash, and will ALSO pay \$100. to the one who mails the letter in. Decisions of Judges final; duplicate prizes in case of ties; all letters become property of Mrs. Tucker. Write AS MANY letters each week as you wish to a different person and address and enclose proper End Flap.

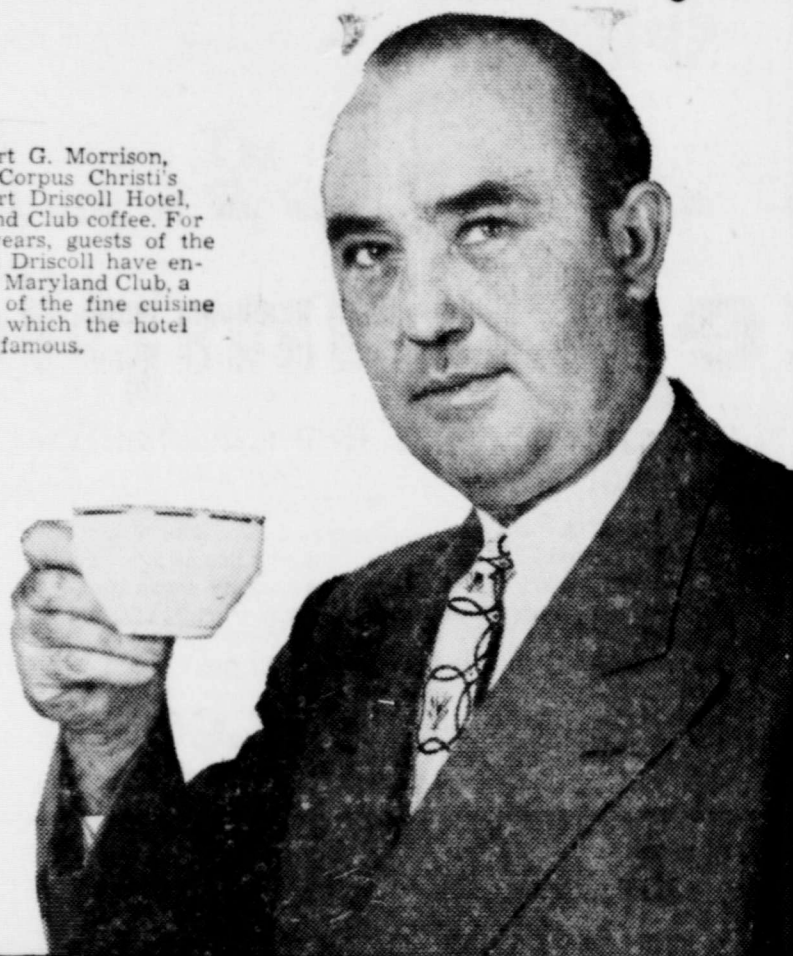

SPREAD THE WORD ABOUT THE BETTER SPREAD

Mrs. Tucker MAKES IT BETTER AND DELIVERS IT FRESHER!

Mrs. Tucker's - THE CREAMIEST SPEED-MIX SHORTENING IN THE WORLD!

"consistently rich, robust flavor!"

SAYS: Herbert G. Morrison, President of Corpus Christi's popular Robert Driscoll Hotel, about Maryland Club coffee. For many years, guests of the Robert Driscoll have enjoyed Maryland Club, a part of the fine cuisine for which the hotel is famous.

THE CHOICE OF CELEBRATED HOSTESSES

"I think Maryland Club's flavor is wonderful," says Mrs. W. H. Benton, prominent Houston clubwoman.

"The most delicious coffee I have ever served," says Mrs. Franklin E. Loy, popular Little Rock hostess.

Richest of all coffees...

Consistently rich and full-bodied in flavor... that's Maryland Club, the world's richest coffee! No other coffee can duplicate it... because no other brand possesses exactly the same rare coffees, matchlessly blended. Try Maryland Club and discover how really good coffee can be... and how truly economical, too! Remember, MARYLAND CLUB gives you 10 to 15 more cups per pound.* So get a pound today. Serve your family and friends the coffee served by celebrated hostesses and famous restaurateurs throughout the southwest.

* as certified by Southwestern Laboratories

Maryland Club Coffee the coffee you'd drink if you owned all the coffee in the world!

Meadolake Opens "Test And Tell" Contest Offer

All the Meadolake Margarine you can use free for the next three and a half months about tells the story of Mrs. Tucker's latest merchandising promotion advertised in this newspaper.

"You remember the Meadolake 1940 Dime Deal?" asks Mrs. Tucker. "Well! this 'Test and Tell' contest offers free Meadolake without even the cost of a dime!" All you do is write friends and relatives about Meadolake Margarine and both you and the recipients of your letters get cards good for free Meadolake and the letters are entered in the current week's "Test and Tell" contest for \$100 cash prizes.

You see, Mrs. Tucker employs expert taste testers in her Meadolake Margarine plant, to be sure that this margarine is always uniformly high in quality and flavor, and now she is paying users of Meadolake to "Test and Tell."

Here are the rules: Write a short letter to any friend or relative at a different address from yours. Tell in your original, sincere way why she should use Meadolake Margarine. Enclose a Meadolake carton end flap with the "Tested and Guaranteed" seal on it.

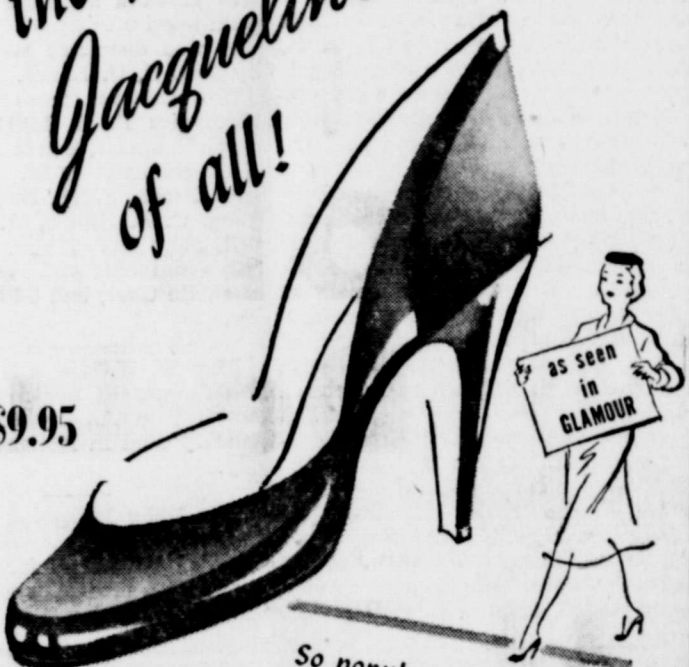

Then, if the recipient of your letter mails it on to Mrs. Tucker, Sherman, Texas, along with two Meadolake end flaps — the one you send and another just like it — you will both receive a card good for a pound of Meadolake free!

Every such letter received by Mrs. Tucker will be entered in the current weekly Meadolake "Test and Tell" Contest. For the best such letter each week until Nov. 30, 1952, Mrs. Tucker will pay the writer \$100. cash, and will also pay the one who mails the letter and additional \$100. You can write as many letters each week as you wish, just so each is to a different person and address, and that you enclose the proper Meadolake end flap with each letter.

Mrs. Tucker is also offering free Meadolake Margarine to church, P. T. A. and charity organizations for serving at their non-profit dinners. Officials of such organizations are urged to write Mrs. Tucker, Sherman, Texas, giving the date of their next organization dinner, the number of people to be served and Mrs. Tucker will send a letter good for enough margarine to serve the crowd and some paper pattie shells to serve the margarine on. "Large Group" recipes for preparing to serve large crowds have been developed by Mrs. Tucker's Homemaker's Department, and a set of these will accompany the letter good for the free Meadolake at food stores.

Thanks Folks, We Got Elected —

... and it is a nice tribute to be favored with the confidence and good-will of one's neighbors and friends. Getting elected, you well know, may apply to business as well as politics. I doubt if we could get very far in a political race, but when it comes to making quality abstracts a host of customers far and near have for more than a quarter century favored us with a vote of confidence, and still do. And for that we are deeply appreciative!

Melody YWA Enjoys Social Event Monday

The monthly social of the Melody Y. W. A. was held Monday evening in the educational building of the East Cisco Baptist Church.

A short business session was held after which the members of the Y. W. A. with their guests played several games.

Refreshments of sandwiches, olives, potato chips, punch, and cookies were served to Carlene Holder, Bennie Hagan, Jean White, Carl Ingram, Pat Davis, Monty Ingram, Martha Eudy, Benny Edwards, Jessie Warren, Jackie Clack, Mary Wood, Dwayne Pelfrey, Charlotte Thetford, Mrs. F. C. Bradley, Dale and Phyllis.

Fellowship Is Theme Of Circle Program

Fellowship was the theme of the program presented at the monthly meeting of Circle One of the First Methodist Church Tuesday at the home of Mrs. R. W. Merket.

Mrs. Merket presented the program after which Mrs. S. H. McCannies conducted a short business session. Mrs. Leo Clinton

Exam Slated On Rural Mail Job

Applicants for the position of rural mail carrier at the Cisco Post Office have been notified that they will be given a written examination by the Civil Service Commission at 8:30 a. m. Saturday, Aug. 23, at Cisco Junior College.

An admittance card sent out by the Civil Service Commission will be required to enter the exam room. More than 100 applications were filed for the vacancy.

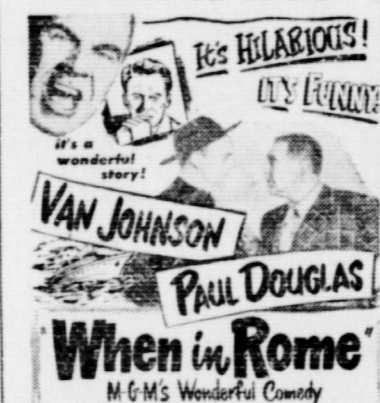

The three applicants who make the best grades will be certified as eligible for the appointment to the Civil Service Commission and the job will be given to one of the three men.

Passengers transported in West Texas by air lines numbered 330,000 in 1951, 260,000 in 1950 and 262,000 in 1949.

When the gang gets together...

A Lift...for Life!

No other drink picks you up like **Dr. Pepper**

The special sparkle of Dr. Pepper adds to everybody's fun, everywhere you go. Enjoy it in the six-bottle carton or the 12-bottle carton; buy it by the case... and look for it at soda fountains and vending machines, too.

At 10, 2 and 4!

One Wreck Can Cost You Your Car!

Play Safe With Our Brake Adjustment And Safety Check

—What We Do—

- * Remove Right Front Drum
