VOLUME XXXII

### The Gay Philosopher

By J. W. S.

BETWEEN OCTOBER 12 and 18, Oil Progress Week will be observed on a national scale. And it has earned that honor a hundred times over. You could fill a set of books with dramatic facts about what the oil industry has accomplished. Here, to refresh your memory, are a few:

Less than a century ago there was but one oil-producing state — Pennsylvania. Today, thanks to the constant search for new sources by U. S. oilmen, 27 states are producers.

Half a century ago fuel for motor cars was available at only a few general stores, and the wise motorist always carried a reserve supply in cans. Now we are served by over 200,000 service stations. If you run out of gas, it's your fault.

It actually costs less to ship two gallons of gas from Texas to New York than to mail a postcard — which is one of the fruits of keen competition among the thousands of oil transportation companies.

Leaving out the taxes on gasoline, which have gone up and up, today's motor fuel costs about the same as in 1925. And two gallons do the work that used to call for three.

Certain alarmists are always preaching ruinous crude oil shortages. Yet last year, which was a year of terrific consumption, the oil men found two gallons of new oil for every gallon used. Today our underground supplies are at an all-time peak, four times what they were 30 years back.

Oil Progress Week isn't just a pleasant label. It accurately describes an achievement that has enriched the lives of everyone. The Press will contain considerable Oil Progress Week data on Tuesday.

THIS SEEMS TO be a progress week for the Dean Drug Store. They've installed a brand new soda fountain. Although it wasn't running when we stopped in the other day, it was in place and a very attractive addition to the store. And the whole store is very proud of it.

THERE'S GOING TO be a Casa Party for a very good cause at the Legion Hall at 7:30 p. m. Monday. The Loyal Women's Sunday School Class of the First Christian Church is sponsoring the event to raise funds with which to donate a scholarship to Cisco Junior College to some worthy young man or woman.

WE'RE ALWAYS glad to get reports on the activities of the O. L. (Bill) Lees. And our scouts have just reported that there's a construction project in progress out at their Lake Cisco road home. A couple of new rooms are being added to the house. . . . Another scout report says Mr. Austin Flint is earning a wide reputation as a chef (a purveyor of goats, that is). He entertained the whole Penney company force out at his house the other night. It was good show, the report says.

YOU DON'T WANT to miss the famous Moslah Temple Chanters in their program here Tuesday night at the First Methodist Church. Col. Will Reagan tells the Rev. E. H. Lightfoot, Methodist pastor, has heard them sing, and he reports that they're very good indeed.

NOTES IN THE Press box at Friday night's football game: Scouts were present from Comanche, Ranger and Snyder. The Snyder scout told us they're having a bad year — haven't won a game. Says their line averages 147 pounds and the back field 137 pounds. . . . If you "elbow" on the defense this year, you're put out of the game. Last year it was only a 15-yard penalty. . . . Lobos Irv Brunkenhoefer and Bill Smith occupied sideline seats. Didn't suit out due to injuries. . . . Lobo Bob Lloyd, with a bad leg, went in for punts. Didn't hurt his injury. . . . The Lobo band called attention to the coming Community Chest campaign during half-time with a fine program. . . . Director Kenneth St. Clair reports that Mr. Ray Judia has an old trumpet and two or three clarinets that he's going to let the band use. Anybody else have some old horns around?

## Moslah Chanters Will Sing Here

FRONT ROW (left to right): Walter Wilkerson, Dr. W. C. Foster, K. C. Kimbrough, Jack D. Higgins, J. Oscar Webster, A. I. Pughley, E. E. Hogue, Floyd H. Scott. SECOND ROW: Harold J. Thomas, Ray Dunaway, Robert C. Jones, Ed. C. Hogue, Ralph S. Bishop, Leon L. Parkman, J. L. Pemberton. THIRD ROW: M. J. O'Connell, W. Allen Rasmussen, Dr. G. R. Nunn, Herbert C. Wata, Chas. H. Kahn, Chas. F. Williams, Walter Olin. FOURTH ROW: Robert C. Clarke, J. A. Leiden, Willis McGregg, O. L. Han, A. J. Wain, Dr. Hester, Davis. FIFTH ROW: J. R. Crump, L. M. Thompson, R. H. McLean.

Moslah Temple of Fort Worth will present the famous Moslah Chanters in a program at 8 p. m. Tuesday at the First Methodist Church auditorium. This famous men's chorus will appear here through arrangements by a group of Cisco Shriners headed

by Will Reagan.

This chorus was organized in 1923 and has been singing together for the love of singing for 29 years. The roster includes business and professional men from all walks of life. The Chanters have appeared in programs from

Chicago to Los Angeles and in many cities throughout Texas.

They will give a well-rounded program of popular, classical and religious songs with novelty numbers. There will be no admission charges. The public has been invited to attend.

## AN OPEN LETTER

Dear Friend:

For many years Cisco business men have sought some method of combining the many general fund raising campaigns of the community.

We realize, of course, that these drives are necessary, because we do not intend to ignore our individual obligations as citizens, and as a community, to the social and humanitarian demands which are met by the American Red Cross, the Boy Scouts, and Girl Scouts, the American Cancer Society, the American Heart Association, and the local Welfare Association, to mention only a few. In most cases Cisco has responded magnificently to the challenge of democratic citizenship. We further realize that, if all the drives can be combined, it will represent a saving in manpower to organize, and collect the funds contributed. A single organization, responsible for the combined drive, should exercise better control over community solicitations, but without limiting your free choice to give to a particular cause.

After years of effort, we now have such an organization, the Cisco United Fund campaign. The first campaign uniting ten general fund raising agencies will be carried out this month.

Some of the National Organizations were naturally hesitant about joining the combined drive, because they doubted we could reach our goal in Cisco. If we do reach our goal, we will have come a long way in solving the problem of solicitation in the multiple fund raising campaign.

Let us give serious consideration to, and contribute generously to the forthcoming Cisco United Fund campaign. We believe it is good business, and that we shall receive dividends in good citizenship.

Sincerely,  
E. L. Jackson, President  
Cisco Chamber of Commerce

## Legion Appoints Fall Convention Delegate Slate

The John William Butts Post 123 of the American Legion elected delegates to the 17th District Convention to be held late this month at Hamilton at their regular semi-monthly meeting Thursday night at the Legion Hall.

Post Commander W. J. Foxworth and Fifth Division Commander E. L. Jackson will head the delegation, which will also include Jesse Simmons, T. J. King, J. W. Sifton, Charles Roberts and others.

The Post voted to invite the National Guard Unit to show movies at the next meeting on October 23.

Fleming Waters, chairman of the USO for area counties, told the Post of the organizations work. The Legion voted to support the coming Community Chest drive and named a committee composed of Chairman Jesse Simmons, Standlee McCracken and J. L. Stafford to work with the drive leaders.

A. E. Stockburger attended as the guest of his brother-in-law, Charles Roberts, and told of a recent trip to Africa, Holland, France and other European countries on government business.

## Crippled Lobos Drop 43-0 Tilt To Ballinger Friday Night

Cisco's limping Lobos were no match for Ballinger's classy Bearcats Friday night as the District 9-AA powerhouse put across six touchdowns and took advantage of two Cisco miscues for safeties to win a non-conference tilt by a 43-0 score.

The Lobos, minus the services of Backs Irv Brunkenhoefer and Bob Lloyd and End Bill Smith, were never able to get an offensive started and the Cisco defense was spasmodic, particularly against the heaves of Jerry Bell, Bearcat quarterback who completed six out of nine pass attempts.

The highlight of the game for Cisco fans was the powerful boots of Bob Lloyd who was suited out but did nothing but kick. Lloyd's high, booming punts averaged better than 45 yards per try and helped the Lobos out of three tight spots.

The defensive standouts in the Lobo line were Bobby Qualls Daniel Gray and Jim Reynolds. End Jim Webb looked good on occasion.

Cisco won the toss and elected to receive. Gary Ferguson kicked to Gallagher on the Cisco five and Gallagher was brought down on the Cisco 35. Two running plays and a pass which failed

brought fourth and ten on the Cisco 39. Bob Black punted to Ballinger who put the ball in play on their own 45. Mike Egan picked up six yards on two attempts and Weldon Brevard made a first on the Cisco 41. An off-side penalty against Cisco and runs by Jerry Baker and Jerry Bell took the ball to the Cisco 29 where it was first and ten. Clark carried for a first down on the Lobo 19 but a 15 yard penalty against the Bearcats took the ball back to the Lobo 34. From that point Bell tossed to Billy Maedgen who was in the clear on the Lobo 10. Maedgen went across the goal line untouched for the score. Buddy Clark kicked for the extra point.

Monte Ingram took the Ballinger kick on his own 22 and ran it back to the Cisco 36. Gallagher completed a five yard jump pass to end Jim Webb. Black picked up four and Max Poyner made a first on the Cisco 47. A two yard gain by Sonny McCrea and two incompletes passes found the Lobos with fourth and eight on their own 49. Bob Lloyd went in to punt for Cisco and kicked to

Egan on the Ballinger five. Egan returned to the 31. Three plays failed to gain a first for the Bearcats and they punted to the Cisco 11 where the ball was whistled dead. Black made three and Egan intercepted a Gallagher pass on the Cisco 36, returning it to the 19. Brevard made eight and Egan picked up a first and goal on the Lobo six. Brevard scored from there and Clark failed on the try for extra point as the first quarter ended.

Ballinger kicked to Cisco and the ball was placed in play on the Cisco 14. Three attempts failed and Lloyd kicked to the Ballinger 35. Runs by Bell, Egan and Roberts took the ball to the Cisco 29 and from that point Bell passed to Baker who took the ball on the 10 yard line and went over to score. Clark made his kick good to bring the count to 20-0.

Ballinger kicked to the Cisco five and Cisco took the offense. Black lost a yard and a pass play was good to the eight. On an attempted pass play Gallagher was dropped behind his own goal line for a safety and two additional points for the Bearcats. Cisco kicked from its own 20 and Ballinger placed the ball in play on the Lobo 48. On runs by Egan

## Series Of Events Scheduled As Features Of Oil Progress Week

### COMPLETION WORK BEGINS FOR DEEP OIL TEST NORTH OF CITY

Completion work was underway Saturday in the Connally-Jackson No. 1 Albert A. Hansen, deep oil test three miles north of Cisco, and the outcome of the project was expected to be known by Monday. Equipment was moved in Friday to begin the completion work.

Pipe was set early last week through a section of the Marble Falls formation at about 3,700 feet after drill stem tests had indicated good possibilities of a commercial producer.

In the West Cisco Lake Sand pool, the Mary Viola Kupp No. 1 Mae Kleiner was drilling at about 2,500 feet. This test is just south of the discovery well in that area.

A failure for the area southwest of Cisco was the Connally-Jackson No. 2 Theresa Weddington, which was plugged and abandoned after failure to find the Lake producing sand. The hole was bottomed at about 3,600 feet, it was reported.

In the Dothan area, F. Kirk Johnson has moved in to drill his No. 1 A. J. Pippen in Section 3182, TE&L Survey. The well location is about a mile northeast of Dothan. It is scheduled to go to 3,800 feet.

Six miles southwest of Cisco, KLB Drilling Co. was reported to have set surface pipe to begin drilling their No. 1 Albert Weed in Section 102, Block 3, T&NO Survey.

A new producer for the county is the Woodson Oil Company No. 1 Riley Van Hall et al two miles southwest of Carbon in Section 37, Block 2, H&TC Survey. Completed at 3,583-89 feet, the well pumped 88.5 barrels of 40 gravity oil in a 24-hour test. Production was from the Ellenberger lime.

Mr. Don Choate is general chairman of the carnival, working with the room mothers of the various rooms in West Ward.

At a later date the details will be announced for the Queen contest which is to be an event of the carnival as a whole. There will be voting for all for several days and then the entries will be narrowed to five.

In the lunch room, pie, coffee, hamburgers and chili buns will be served.

### Manufacturers To Hold Annual Meet

Abilene, Oct. 11. — The annual meeting of the West Central Texas Chapter, Texas Manufacturers Association has been set for Monday, October 13, according to an announcement here today by Paul Powers, chapter chairman. Anton White of Cisco is a director.

The meeting which will begin at 6:30 p. m. at the Wooten Hotel, Abilene, is for the purpose of election of officers for the coming year; and in addition one of West Texas' outstanding speakers will be presented.

Dr. D. M. Wiggins, vice president of the Citizens National Bank of Lubbock, who is known throughout Texas for his outstanding work as president of Texas Tech and Texas Western College, as well as for his service as Dean of Hardin-Simmons University, will be the principal speaker.

The meeting which will be very informal, Powers said, will begin with a social hour at 6:30 followed by dinner and the main program at 7:30.

Chapter members, their wives, and guests from Sweetwater, Cisco, Breckenridge, Stamford, Rotan, Hamlin, and Albany will attend the meeting.

Members of the Merchants Credit Association will hold a monthly meeting at the Chamber of Commerce office on Tuesday, October 14, it was announced Saturday. Charles Graham is president of the agency.

A feature of the meeting will be the appointment of committees for the coming year. The organization recently installed new officers and directors.

### VIRGINIA LEE MORRIS

Mr. and Mrs. Tom Morris of San Antonio are the parents of a daughter, Virginia Lee, born Thursday, October 9, in the Baptist Memorial Hospital. The infant weighed six pounds and 14 ounces at birth. The grandparents are Mr. and Mrs. Roy Pippen and Mr. and Mrs. Wayne Hitt of Cisco.

Falls formation at about 3,700 feet after drill stem tests had indicated good possibilities of a commercial producer.

In the West Cisco Lake Sand pool, the Mary Viola Kupp No. 1 Mae Kleiner was drilling at about 2,500 feet. This test is just south of the discovery well in that area.

A failure for the area southwest of Cisco was the Connally-Jackson No. 2 Theresa Weddington, which was plugged and abandoned after failure to find the Lake producing sand. The hole was bottomed at about 3,600 feet, it was reported.

In the Dothan area, F. Kirk Johnson has moved in to drill his No. 1 A. J. Pippen in Section 3182, TE&L Survey. The well location is about a mile northeast of Dothan. It is scheduled to go to 3,800 feet.

Six miles southwest of Cisco, KLB Drilling Co. was reported to have set surface pipe to begin drilling their No. 1 Albert Weed in Section 102, Block 3, T&NO Survey.

A new producer for the county is the Woodson Oil Company No. 1 Riley Van Hall et al two miles southwest of Carbon in Section 37, Block 2, H&TC Survey. Completed at 3,583-89 feet, the well pumped 88.5 barrels of 40 gravity oil in a 24-hour test. Production was from the Ellenberger lime.

### Soil Supervisor To Be Elected In Voting Tuesday

The election of a new supervisor for the Upper Leon Soil Conservation District which serves the area south of Cisco will be held on October 14 in the Rising Star agriculture building, and all farmers of the area were advised to attend and vote.

The supervisor will serve the area west of the MKT Railroad running west from Cisco to the Eastland - Callahan County line. Bruce Eberhart, the present supervisor, has served on the board of supervisors for the past 11 years.

Farmers in the Cisco area were advised that they should attend the meeting and help elect a man from this area, if possible, to the board. The board is charged with approving the spending of funds set up by the state for conservation purposes in the district.

### Dorothy Biddle To Give Lecture

Dorothy Biddle, noted lecturer and author, who appeared in Cisco last spring, will be in Breckenridge Tuesday, October 14, at the Breckenridge Woman's Club. The event is being sponsored by the Breckenridge Garden Club.

Miss Biddle will give a morning lecture on arrangements of flowers, fruits, and vegetables from 10 to 12 o'clock, and in the afternoon from 1 to 3 p. m. the program will be devoted to holiday decorations and during this time Miss Biddle will make mantel decorations, set up decorations for Christmas tables, and make some doorway decorations.

The public has been invited and the charge is \$1 for one or both programs.

### East Cisco Baptists Hold Brotherhood Meet

The Brotherhood of the East Cisco Baptist Church met Monday night at the church and started off a new business year.

Reports were that a great deal of enthusiasm and good spirit was shown by the more than 30 men who were in attendance.

All men of the church were invited to attend the brotherhood meetings and were reminded of their obligations to the church and to the world. The program calls for holding meetings at 7:30 p. m. each Monday.

## Mayor Proclaims October 12-18 As 'Oil Week' Here

George N. Irvine, pictured above, is chairman of the oil industry's information committee in charge of arrangements for Oil Progress Week activities in Cisco. Assisting him are L. A. Warren, W. C. McDaniel and W. C. Hogue.

Mr. Irvine is well known here. He is assistant superintendent for the Humble Pipe Line's Central Texas division with offices here. He is active in civil affairs, having directed the successful Red Cross campaign last year. Mr. and Mrs. Irvine are active in the First Presbyterian Church.

## A Proclamation

Office of the Mayor  
WHEREAS America's growing defense program is straining the production facilities of our nation, our state and our community and

WHEREAS many people are asking whether those facilities, and the natural resources upon which they depend, are equal to the demands being placed upon them, and

WHEREAS it has been brought to the attention of this office that October 14th to 20th has been designated as Oil Progress Week, when members of the American petroleum industry strive to inform the public regarding what they are doing to produce more and better petroleum products to meet the growing civilian and military needs of the United States, and

WHEREAS residents of our community who are engaged in this important industry are desirous of participating in the observance of Oil Progress Week by arranging various exhibits and engaging in other activities which show how they, and their competitive progressive companies contribute to our high standards of living which must be preserved along with our democratic freedoms.

NOW, THEREFORE, I G. C. ROSENTHAL, Mayor of Cisco, do hereby proclaim the week of October 14th to 20th, inclusive, to be CISCO OIL PROGRESS WEEK and do call to the serious consideration of all citizens the many services and contributions which the oil men who work and live amongst us have made and are making to the betterment of our public, social, business and private lives, as well as to the security of our beloved country.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of CISCO to be affixed.

(Signed)  
G. C. ROSENTHAL,  
Mayor of Cisco.

### SCOUT MEET CHANGED

All scouts of Troop 101 were notified by leader J. V. Heyser, Jr., that the meeting and the Board of Review called for Monday night had been postponed due to a conflict with church services. The meeting has been changed from Monday night, October 13, to Monday night, October 20.

### ON HUNTING TRIP

W. E. Dean and R. E. Grantham of Cisco and Dr. Calvin Harris of Ranger were to leave Cisco early Sunday for a hunting trip to Colorado. They plan to be gone for some ten days.

Mrs. Lee Wilson and Mrs. Clara Gillen visited briefly in the home of Mr. and Mrs. Charles Sandler Friday while enroute to San Angelo.

A series of programs at luncheon club meetings and in the city schools will highlight the Oil Progress Week observance in Cisco during the week of October 12-18, it was announced Saturday by George N. Irvine, chairman of the Cisco area committee for the event.

The week was proclaimed Oil Progress Week by Mayor G. C. Rosenthal in a statement Saturday in which he called on all citizens to take part in the special observance.

The observance has been officially recognized, said the proclamation, so that oil men who live and work in this locality may give an annual report to the public on the ways in which they are making more and better petroleum products available to meet the growing civilian and military needs of the nation.

The group of special events marking the week will open on Monday with the showing of a film made by the oil industry's information committee. The film will be shown several days.

Wednesday's program was announced by Mr. Irvine as follows: 9:30 a. m. — W. B. Wright, local attorney, will address the students of the Cisco Junior High School.

9:45 a. m. — L. A. Warren, Cisco oil man, will address the students of Cisco Junior College.

10:30 a. m. — Bill Huffman, employee of Humble Pipe Line Company here, will address the students of Cisco High School.

Noon — Phil Kendrick, Abilene oil man, will address the Cisco Lions Club at the Victor Hotel Coffee Shop.

Films pertaining to the oil industry will be shown during the afternoon and night at Cisco Junior College.

On Thursday at noon, an Abilene oil man will address the Cisco Rotary Club at the Victor Hotel Coffee Shop.

The Cisco program was worked out by a committee composed of Mr. Irvine, Mr. Warren, W. C. McDaniel and W. C. Hogue.

## I'm Supporting The Chest Drive Because --

BY H. GRADY JAMES  
Pastor First Presbyterian Church  
The story is told of a wealthy woman wearing an expensive display of silver fox furs who, for some reason or other, visited a silver fox farm. She looked at the beautiful little creatures as they played about and then asked the attendant, "How many times can you skin a fox?" The attendant looked at her in amazement and then, sensing the situation, responded, "Madam, after about three times, they get a little sore."

How true this must be of financial drives — even of worthy causes, in Cisco. Should ten or more worthy agencies make separate drives during the year, it is not difficult for us to imagine the resulting attitude in the community. Our leaders have a plan whereby all agencies receiving financial assistance in our town are consolidated into ONE major effort — The Community Fund Drive, October 20-26. Thus we are having TEN worthy causes in only ONE campaign.

So we covet the liberality of the people in every home of Cisco so as to make our \$8,700. Community Fund Drive a success. And surely just ONE all out effort will not make anyone very "sore."

CITY COUNCIL TO MEET  
Mayor G. C. Rosenthal reported Saturday that the city budget will be discussed Tuesday night at the regular semi-monthly meeting of the city commission at 7:30 p. m. at the city hall. Other routine business matters will be discussed.

Your Bank Wants to Serve You  
Always Ready to Assist  
1ST. NAT'L in Cisco—Mr. F. D. I. C.

# SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

## East Baptist G. A.s Have Meeting Monday

The G. A.'s of the East Baptist Church met Monday, October 6, for their regular meeting. The meeting was called to order by Shirley Fowler, and Sher- Lee led in opening prayer. The group joined in their song, watch- ing, and allegiance. The Intermediate G. A.'s and their leader, Mrs. V. H. Bosworth, led the group and Mrs. Bos- worth finished the book, "Jen- ny, Penny, and Can." All mem- bers stood and the Intermediates

led in closing prayer. G. A. members attending were: Diane Nichols, Wanda Nance, Betty Hodnett, Shirley Fowler, LaVonne Harrelson, Lorlei Lip- sey, Sherry Lee and Mrs. Busby.

## W. S. C. S. TO MEET

The W. S. C. S. of the First Methodist Church will meet in circles Tuesday as follows: Circle One in the home of Mrs. W. Z. Latch at three o'clock; Circle Two in the home of Mrs. C. M. Pogue at four o'clock; and Circle Three in the home of Mrs. L. F. Mendenhall at three o'clock.

## JEANIE KAY HOFFMANN

Mr. and Mrs. Bill Hoffmann of Eastland have announced the arrival of a daughter, Jeannie Kay, at Eastland Memorial Hospital on October 6. Mrs. Myrtle Anderson of Cisco is the maternal grandmother.

**FREE HOME STUDY LESSON**  
Quick, practical Home Study courses in shorthand, accounting, etc. Send for free Sample Lesson. Extension Dept., DRAGON'S BUSINESS COLLEGE, Abilene, Texas

## Lucky Brownies Hold Meeting On Tuesday

The Lucky Brownies met Tues- day, October 7, at the Methodist Church for their regular weekly meeting. Jonell Fonville was in charge of the meeting with Mitzi Rider calling the roll and collecting dues.

The girls then divided into three groups for competitive ac- tivities with the leaders being Jonell Fonville, Ann Choate, and Mitzi Rider. The work period of the meeting was devoted to fin- ishing Indian dresses and start- ing bracelets. The meeting was adjourned in the Brownie circle with all repeating the Brownie promise.

The following girls were pres- ent: Jonell Fonville, Linda La- tham, Judy Reynolds, Marguerite Laird, Ann Carrothers, Sharon Rawson, Ann Choate, Claudine Tucker, Roberta Mitchell, Caro- lyn Baird, Mary Starr, Joy Da- vies, Mitzi Rider, Mary Jane Christopher, Carolyn Sue Lewis, Billie Moates, Melba Hamilton, Priscilla Mahaney, Nencia Gay Burnam, and Mrs. Don Choate, leader.

## Weslyan Guild Meets With Mrs. Anderson

Mrs. Jack Anderson was hostess Tuesday evening to the Weslyan Service Guild of the First Metho- dist Church for their monthly business meeting and program. The devotional was given by Mabel Kuykendall. A talk on "Bringing the Church to The People," was given by Mrs. Bob- by Isbell and Mrs. E. H. Light- foot gave an interesting message about foreign missions.

At the close of the meeting, re- freshments were served to Mes- dames Chesley Tipton, Wesley Smith, Durwood Morris, Bobby Isbell, J. E. Crawford, E. H. Lightfoot, Mabel Kuykendall, Ray Chapman, Miss Ethel Leveridge, and the hostess, Mrs. Anderson.

## Miss Evadena Ellis To Marry Cisco Man

Mr. and Mrs. Fred A. Ellis of Moran have announced the ap- proaching marriage of their daugh- ter, Evadena to Almus L. Fannin of Cisco, son of Mrs. Joe Hale of Route 2, Cisco. The wedding is planned for 2 p. m. on October 18, in the First Methodist Church of Moran. Miss Ellis is a graduate of Baird High School and was employed by the Moran National Bank un- til her resignation October 1. Mr. Fannin is a graduate of Cisco High School and Cisco Junior College and is now employed by Graves Butane Co. as manager of the Cisco office.

MRS. RAYMOND E. FAIRCHILD

## Miss Linda Fee Becomes Bride Of Mr. Fairchild In Saturday Rites

On Saturday evening, October 11, at 7:15 o'clock, Miss Linda Katherine Fee, daughter of Mr. and Mrs. George P. Fee, became the bride of Raymond Eugene Fairchild of Abilene, son of Mrs. B. F. Fairchild and the late B. F. Fairchild of Athens, Ohio, in a single ring ceremony performed at the ranch home of her par- ents with the Rev. H. Grady James, pastor of the First Pres- byterian Church, officiating.

The couple stood before the altar at the south window of the living room. The altar was de- corated with greenery and white mums with white candles in tall candelabra on each side.

The bride, given in marriage by her father, chose an informal gown of ivory taffeta and chan- tilly lace. This was fashioned with a wide oval neckline and three quarter sleeves. The chan- tilly lace was appliqued to cover the bodice and sleeves of the gown and extended into the full flared skirt in a deep peplum effect. The smoothly fitted basque bodice was buttoned down the back with self covered ball buttons. The wide circular skirt was floor length.

Her veil of imported French illusion was waist length and at- tached to a brimmed half hat of lace with pleated illusion be- neath the brim. She carried a white prayer book topped with a white orchid and a spray of stephanotis.

Mrs. W. C. Marshall of Dallas was her cousin's only attendant and wore a pale pink satin bal- lerna length dress. Her bouquet was of deep pink carnations.

Jack Burst of Houston served the groom as best man and George P. Fee, Jr., brother of

the bride, was usher. Wedding music was played on the Hammond organ by Mrs. Ernest Hittson.

A reception was held following the ceremony in the home of the bride's parents. The bride's table was laid with a lace cloth and held the crystal punch bowl. The centerpiece for the table was an arrangement of white spider lilies and chrysanthemums.

The couple was assisted in re- ceiving by Mr. and Mrs. Fee, Mrs. Fairchild, Mrs. Marshall, and Mrs. Scott Lobaugh of Medway, Ohio.

Guests were present from Med- way, Ohio, Houston, Shreveport, Corsicana, Dallas, Hillsboro, Abi- lene, Tulsa, Fort Worth, Odessa, and Lubbock.

The bride chose a Christopher blue wool suit with navy acces- sories and a white orchid for traveling and after a week's wed- ding trip to New Mexico, the couple will be at home at 3913 Whittier in Abilene.

Mrs. Fairchild is a graduate of Cisco High School and the Uni- versity of Texas and attended Lindenwood College in St. Charles, Missouri. She is a mem- ber of the Alpha Phi Sorority.

Mr. Fairchild is a member of Gamma Alpha Honorary Scien- tific Fraternity and a graduate of Ohio University and the Uni- versity of Missouri. He is now em- ployed by the Pan American Pro- duction Company in Abilene.

Mr. and Mrs. G. C. Rosenthal are spending the weekend in Fort Worth with relatives.

Miss Judy Kay Slaughter is visiting friends in Dallas and at- tending the Fair.

## O. E. S. Club Elects Officers Monday

Officers for the coming year were elected at the monthly meeting of the Past Matrons and Past Patrons Club of the Order of Eastern Star held Monday in the home of Mrs. Sara Parmer. The following officers were elected: Mrs. Pearl Morehart, president; Mrs. Mattie Damron, vice president; Mrs. Irene Bri- tain, secretary and treasurer; Grover McGowen, Chaplain; and Mrs. Minnie Rosenthal, reporter.

Refreshments of cake and spiced punch were served to Mrs. Juel Browning, Mrs. Pearl More- hart, Mrs. Mattie Damron, Mrs. Irene Britain, Mrs. Minnie Rosen- thal and Grover McGowen.

The next meeting will be held in the home of Mr. and Mrs. Fred Steffey November 3.

Miss Patsy Gardenhire, student at Hardin-Simmons University in Abilene, is spending the week end with her parents, Mr. and Mrs. W. V. Gardenhire.

Mr. and Mrs. Emmett Lloyd of Waco are visiting in the home of her parents, Mr. and Mrs. W. Z. Latch and his mother, Mrs. Lloyd, and other relatives.

## PREACHING MISSION PRESBYTERIAN CHURCH

Your Business Men Will Support the Community Chest  
It's nearly Community Chest time again, and all of us should be getting ready to do our part in raising a budget of \$8,700 to support ten worthwhile organizations with our money. Your Cisco business men have always done their part and they will do it again this year, because they know the value of these ten agencies to our city.  
Through the Community Chest organization, we are able to give one check in one drive for ten public-supported agencies. The need for continuous finance campaigns will end with the completion of this one big drive. Your business leaders have endorsed the agencies and the program — just as they endorse every worthwhile project for our city.  
The participating agencies in this year's Community Chest campaign are: City Welfare Association, Boy Scouts, Girl Scouts, ABC Club, Hob- by Club, American Red Cross, National Cancer Society, Texas Heart Asso- ciation, Salvation Army and the USO.  
Have your check ready for Community Chest Week — October 20-26.

**Lobos --**  
From Page One  
and Bell and a pass from Bell to Maedgen the Bearcats worked to the Lobo two. Roberts went over for the score and Clark's kick was blocked. The half ended with Ballinger in front with a 28-0 score.

Ballinger struck quick in the third quarter after they received the kick on 25 and returned it to midfield. Bell, Brevard and Egan carried to the Lobo 23 and Bell, on a quarterback sneak, scored from there. Clark split the up-rights for the extra point. Ballinger 34, Cisco 0.

Cisco took the kick with Gallagher taking the ball on the 10. He handed off to Black who took the ball to the 34. Runs by Black and Gallagher made it a first and ten on the 48 and on the second series of downs three

plays liked a foot for a first. Black failed on the fourth down try and Ballinger took over on their own 43. A pass play, Bell to Clark clicked and Clark was finally knocked out of bounds on the Lobo one foot line. Roberts crashed through for the score and Clark failed in the point attempt to bring the count to 41-0.

After an exchange of punts Cisco was in possession of the ball on their own two yard line. Two attempts failed to gain and Black dropped back in punt for-

mation. He attempted to run and was dropped behind the Cisco goal for the second Ballinger safety. That wound up the scoring for the game with Ballinger on top with the final score of 43-0.

Statistics		Cisco
Ballinger	12 first downs	5
	187 net yards running	39
	9 passes attempted	15
	6 for 139 passes complete	7 for 31
	2 enemy fumbles recovered	2
	1 for 49 punts av.	4 for 161
	8 for 60 penalties	2 for 20

## Oil Progress Week Oct. 12-18

— and still  
**More POWER**  
for the  
**West Texas Oil Industry**

From exploration to marketing dependable electric power is the working partner of the West Texas Oil Industry — an industry which is the basis for the phenomenal growth and prosperity of the area.

A pioneer in serving the Oil Industry, the West Texas Utilities Company will this year spend an additional \$10 million to provide more and more electric power for the Oil Industry and all West Texas.
