VOLUME XXXII

The Gay Philosopher

By J. W. S.

AFTER READING a piece in a magazine, we've decided that there's plenty to see in football games if you look right. Actualities, even experienced football fans don't often get to see more than a meaningless tangle of players pushing a pigskin up and down the field. Reason: They make the mistake of keeping their eye on the ball, thus missing the most interesting and deceptive elements of the play.

Next time you go to a game, try some of these suggestions: In watching a forward pass, watch the spectacular maneuvers of the boys who try to fake the defense out of position instead of keeping your eyes entirely on the passer and the receiver when the ball is thrown. Pretty soon you'll be able to pick the intended receiver before the ball is tossed. Watch the flankers — the boys who leave the formation early. If they aren't covered, a quick pass can get him loose. Usually, he will block a defensive end or flanker.

Watch action on the field instead of the ball on kick-offs. See how receiving teams form interference. In the running attack, watch how well the ball carrier gets his blockers, and watch the blockers. Watch the defense try to anticipate what's coming up. Watch them using a 5-man line, 7-man line? Watch the linemen passers, punters, and how the opponents try to protect their passer.

Did you ever notice that the halfback who makes the most yards is the lad who keeps digging. He'll often make another three yards after you're sure he's stopped. The average grid fan can detect interesting and important plays easily once he knows how and where to look.

OUR SCOUTS report that the Cisco Lobos are growing whiskers and don't plan to shave until they win another football game. The boys are getting a much needed week's rest this week. After they take on Albany on Oct. 23, they meet their three conference foes — Ranger, Comanche and Stephenville — in a row.

MRS. JACK EVERETT, wife of the Lobo coach, came home Monday from the Fort Worth hospital where she underwent a major surgery several days ago. She is doing nicely at their home, 1408 W. 13th Street.

YOU HAVEN'T seen anything until you see Mr. Robert Kamm's typewriter in action. We stopped by his office up on Avenue L the other day, and the typewriter was going at top speed, printing letters and reports. And Robert was on the other side of the room, talking to an oil man client on the telephone.

Investigation proved that we weren't seeing things. The typewriter was writing by itself. It's a new machine in the typewriter world. It types kind of like a player piano plays — from a roll of paper. Robert uses it for duplication work where he wants a number of copies of a geological report. It's electric, of course, and types about three times as fast as the average typist can write.

YOU'LL APPLAUD when you learn that all of the officers and men present for the regular National Guard meeting here the other night voted to go in a body and donate blood when the Bloodmobile Unit comes to Cisco next month. That will be quite a sizeable contribution of blood. The National Guard boys are good citizens. They're always ready to help and participate in anything that's good for our town.

THE STUDENTS over at the Cisco Junior High are making a good attendance record for the first six weeks. With an average enrollment of 278 students, attendance has averaged 275 daily. School attendance is pretty important under the new Gilmer-law. The number of

(Turn to page four)

WON IN A WALK—When Albert Tong showed up at an annual fair in Faversham, England, to enter his team in the open horse ploughing competition, he discovered he was the only non-mechanized farmer in the contest. Tong was not surprised when he was judged the winner, but he accepted his award with the statement that he'd never enter again without some competition.

Kupp Gas Well Is Plugged In West Cisco Lake Pool

The Mary Viola Kupp No. 1 Mae Kleiner, deep oil test in the West Cisco Lake Field area, had been plugged and abandoned today after failing to yield oil. The hole was bottomed at 3,325 feet. According to reports, the Lake Sand section in the hole produced a substantial flow of dry gas. There was no show in a Ranger lime drill stem test. It was decided to plug the gasser, it was reported, due to the absence of a market for the gas.

Six miles northwest of Cisco, Kupp and Dickson have spotted their No. 1 Linnard as a wildcat oil test.

Elsewhere in the county, the J. A. Green et al No. 1 McCullough, wildcat test three miles north of Eastland, has been completed as a Strawn sand well. Potential was three barrels per day on pump from 1,875-82. Location is in Section 10, Block 4, H&TC Survey.

Motion Picture Will Be Shown At Legion Meet

A motion picture, "United We Stand," will be shown as the program feature at the regular semi-monthly meeting at 7:30 p. m. Thursday of the John William Butts 123 of the American Legion at the Legion Hall, it was announced today.

The picture, which deals with American Legion work, was obtained by the Cisco Unit of the Texas National Guard for showing at the meeting, Program Chairman Marshall Jones reported. Post Commander W. J. Foxworth urged all members to attend. He said that a number of important business matters will be discussed. The Post's membership drive has produced 118 members for 1953 already, Mr. Foxworth reported.

"We want to extend a welcome to our new members to attend," Mr. Foxworth said.

LITTER OF 11—When they were lined up for their first portrait, it took three pairs of arms to assemble the 11 pups at the home of Maxwell Riddle in Cleveland, O. The cost of satisfying their appetites probably isn't much now, but if they stay together—(Bow) Wow!

CARNIVAL QUEEN CONTEST DUE TO END FRIDAY AT WEST WARD

One of five West Ward School girls will be crowned Carnival Queen at 9 p. m. Saturday, Oct. 25, at the annual school Halloween Carnival, and the contest has been narrowed from an original 12 candidates. The carnival is being sponsored by the West Ward Parent-Teacher Association.

The five girls in the queen contest are Kay Wallace, first grade; Joyce Ann Riffe, second grade; Janice Wende, third grade; Nancy Park, fourth grade; and, Molly Ingram, fifth grade.

Votes will be cast at one cent per vote until the close of school on Friday. The identity of the queen will be a secret until the crowning Saturday night.

Mrs. Don Choate is chairman of the P-TA Carnival Committee, and she reports that plans are being made for a large crowd. The lunch room will open at 6 p. m. to serve hamburgers, hotdogs, pie and coffee to the public.

Carnival concessions will be open at 6:30 p. m. in charge of the various room mothers. Concessions will include a full fledged minstrel show with Stanley Webb as master of ceremonies. The cast will include Carl Gorr, J. H. Latson, Bob Latson, and Mrs. Stanley Webb.

Carole Phippen Wins 'Who's Who' Listing

BROWNWOOD, Oct. 22.—Carole Phippen, Howard Payne College senior from Cisco, has been named to Who's Who in American Colleges and Universities.

Miss Phippen, daughter of J. L. Phippen, Route 1, is a secretarial training and art major. She has been majorette for HPC band for four years, and was recently elected its sweetheart. She is a member of the Jacket Co-eds, Art Club and vice-president of the student council.

puppet show, and a country store. The public has been invited to attend the carnival. The P-TA will use the proceeds for school improvements.

Civil Service Will Conduct Job Exams

The Fourteenth U. S. Civil Service Region announces an examination for Electronic Equipment Advisor at \$4205 to \$5060 per annum for employment at Departments of the Air Force and Army Installations, San Antonio, Texas.

Full information and application forms may be obtained from the post office.

Chest Agencies

MORE THAN 100 BOYS ENROLLED IN SCOUTING PROGRAM IN CITY

At the present time there are more than 100 registered Scouts and Scouters in Cisco. The boys are registered in three different units.

The oldest existing unit in Cisco is Troop 101 sponsored by the First Presbyterian Church. J. V. Heyser is Scoutmaster of this unit and his assistants are Rob Kamon, and Owen King. The Troop committee is composed of Rev. Grady James, Ernest Hittson, J. R. Deen, Ted Waters and Charles Graham.

A new Troop was organized in Cisco in May of this year. This unit is Troop 58 sponsored by the First Christian Church. The Scoutmaster is Dr. J. H. Denton and his assistant is Bob Ellison. The Troop Committee is composed of Leon Cagle, Sidney Spain, J. C. Fletcher, A. M. Worley, and Bill Huffman.

The third unit in Cisco is the Cub Pack 27 sponsored by the First Presbyterian Church. This unit now has some forty boy members. Cubmaster for several years has been Ace Lucas. This position has recently been as-

Lobo Band Marks 27th Birthday At Party On Monday

The Cisco Lobo Band celebrated its 27th anniversary with a party, sponsored by the Band Parents Association, Monday evening in the band hall.

The hall was decorated in black and gold. Johnny Turner entertained the group with two piano solos and R. N. Cluck made a talk introducing John Popalio as the new Band Parents Association president.

The refreshments were cake and punch, the cake being white decorated in gold, with a drum and drum sticks on top. Mrs. Popalio, Mrs. Gregory and Mrs. Johnson served the refreshments to the 74 students and parents present.

Mrs. Mary Mayo

All three of these units have carried on an active program during the past year and have served a total of approximately 95 boys.

Over the years the Boy Scouts of America has been active on a National basis in helping the government of the United States in many projects. During the first and second world wars the Boy Scouts did an outstanding job of selling war bonds, delivering posters, and planting liberty gardens. The government has called on the Boy Scouts for such services many times because Scouting is one of the only organizations that has man power and boy power available in nearly every town and hamlet of the Nation.

This November the Scouts will continue their cooperation as a Civic minded organization by helping the "Get Out The Vote" campaign. The Scout organization has undertaken the tremendous job of hanging a Liberty Bell door nob reminder to vote on every doornob in the United States on November 1st. The organization has already placed posters reminding people to vote in nearly every town.

One of the outstanding activities of Scouting on a National basis has been the National Scout Jamborees. The most recent one was in 1950. Some 47,000 Scouts and Scouters camped together for one week at the historic spot of Valley Forge Park, Pennsylvania. Scouts from Cisco attended this Jamboree. In July of 1953 another National Jamboree will be held in California. Some 50,000 Scouts from nearly every town in the nation are expected to attend this great meeting.

Mr. and Mrs. T. E. Lisenbee visited their daughter and family, Mr. and Mrs. Bill Valentine and daughter, Valorey, in Snyder Tuesday.

Chest Drive Workers Urged To Complete Campaign This Week

FUNERAL SERVICES FOR LEON McPHERSON SET FOR THURSDAY

Funeral services for Leon G. McPherson, 63, deputy city tax collector and resident of Cisco for some 23 years, will be conducted at 4 p. m. Thursday at the First Baptist Church. Mr. McPherson died at 8:40 p. m. Tuesday in a local hospital after being seriously ill since October 3.

The final rites will be conducted by Dr. H. M. Ward, pastor of the First Baptist Church, and the Rev. Ralph T. Wootton, former local pastor and now minister of the First Baptist Church at Hamilton. Burial will be in the Oakwood Cemetery with Thomas Funeral Home in charge of arrangements.

Mr. McPherson, who was well known in Cisco, was stricken on Friday, Oct. 3, while at work at the city hall. His condition had been serious since that time and critical since Saturday afternoon. The city hall will close for the day at 2 p. m. Thursday to enable city employees to pay last respects to their fellow worker. Mr. McPherson had been employed by the city for more than five years. He had long been active in civic affairs and in the local Post of the American Legion. He was a member of the First Baptist Church.

Mr. McPherson was born on November 6, 1889, in Temple, Georgia. He moved to Cisco from Ranger in 1929 and had resided here since that time. He was married on Sept. 4, 1927, in Fort Worth to Miss Mattie Pevehouse, who survives him. He was a veteran of World War I.

Survivors include his wife and one son, EMT-3 Dick L. McPherson of the U. S. Coast Guard at Tillamook, Oregon. Also surviving are his mother, Mrs. W. N. McPherson, Lawton, Okla.; one sister, Mrs. L. T. Summers, Dallas; and two brothers, H. J. McPherson of San Fernando, Calif., and Nelson McPherson, Lawton.

Funeral Home in charge of arrangements.

Business Firms Are Mailed New Pricing Posters

DALLAS, Oct. 22.—A huge mailing of some 80,000 price ceiling posters to retail service establishments throughout the Southwest has been completed by the Office of Price Stabilization's Dallas regional office.

Retail businesses selling services in Texas, Oklahoma, Louisiana and Arkansas must post their ceiling prices on the posters and display them within their establishments within seven days after they receive them, according to Thomas J. Murray, OPS regional services division chief in Dallas.

Businesses which must display the new poster are those subject to OPS Ceiling Price Regulation 34, and include laundries, service stations, tailor and dry cleaning shops, parking lots, and shops doing repair work on shoes, radios, television sets, household electrical equipment, watches and clocks, furnaces, heaters, automobiles and trucks.

Murray explained that the ceiling prices which must be posted are the prices, subject to certain allowed adjustments, which were in effect during the base period of December, 1950 to January 25, 1951.

The new method of listing ceiling prices on standard forms provided by OPS will replace the varied methods which service business have been using. The poster measures about 11 by 17 inches, with the words "OPS Ceiling Prices for Retail Services" printed across the top. It is similar to ceiling price posters displayed in restaurants and contains 20 blank lines on which each shop will list its principal services and their ceiling prices.

Retail service establishments, Mr. Murray said, are already required to post ceiling prices, but

\$1,500 Turned In Opening Day

Cisco Community Chest workers were urged today to complete their canvass assignments as soon as possible in order that the budget drive can be completed by the end of the week. The week of October 20-26 is official Community Chest week in Cisco.

Treasurer Robert O. White reported that a tabulation of the first day's canvass showed that \$1,500 has been turned in at the First National Bank. Mr. White noted that the early returns were largely from residential areas and included virtually no reports from business district workers.

Chairman George Davis has called on Ciscoans to make substantial donations for the reason that the campaign will provide the financial budgets for ten charitable and character-building organizations that depend on public donations for their operation.

Agencies in this year's Community Chest budget include the Girl Scouts, \$1,200; Boy Scouts, \$1,000; ABC Club, \$1,500; USO, \$500; Heart Association, \$100; Cisco Hobby Club, \$250; American Red Cross, \$1,750; Salvation Army, \$600; and Cancer Society, \$100. The budget, with a \$500 surplus, totals \$8,700.

"Every agency in the budget is most worthy," Mr. Davis said. "It is necessary that we provide adequate money for their operation, and raising the funds for all of them at one time is the best possible way to handle the program."

"Let's complete our canvass as speedily as possible. If anyone has been overlooked, he can make a donation by leaving or mailing a check to the First National Bank."

The campaign opened Monday morning at a breakfast meeting at the Victor Hotel.

Mothers To Sell Magazine Subs

The Mother's Club of Cisco High School has signed a contract with Hollands Magazine where they will represent the company in magazine sales in Cisco. The magazine is sold only through clubs and 50 per cent of the proceeds from the sales remain with the club. The Mothers Club is the only representative in Cisco.

Anyone desiring to subscribe to the magazine was requested to call one of the following members: Mrs. Otis Edwards, 599-W; Mrs. Carrell Smith, 323-W; Mrs. Roy Killingsworth, 677-W; Mrs. Charles Graham, 336-J; Mrs. William H. McAnally, 1060; Mrs. Bill Kendall, 355 of Mrs. Luther Lipsy, 274-J.

It was also announced that there would be no meeting of the club in October and that the next regular meeting would be held on the third Thursday in November.

ATTENDING CONVENTION

Dr. and Mrs. H. M. Ward and a delegation of messengers from the First Baptist Church were in Fort Worth this week attending a convention of the Texas Baptist Convention. Messengers elected by the church include the pastor and wife, Mr. and Mrs. A. F. Ashenbust, Mr. and Mrs. G. A. Eppler, Mrs. A. R. Day and Mr. and Mrs. D. L. Kisner. Eleven men from the church attended a Brotherhood meeting Monday night.

Mr. and Mrs. King and W. T. Gilstrap of Abilene attended the funeral of Jack Graves Monday and visited friends.

Mrs. W. R. Winston, Miss Marie Winston, Mrs. John Shertzer, Mrs. Raby Miller, Mrs. Jack Pitzer, and Mrs. Harry Gurney attended the Board meeting of Sixth District Federation of Women's Clubs in Abilene Monday. At this time The Great Ingathering of Austrian-Aid was observed in addition to business. The Sixth District is helping sixteen orphanages and two hospitals for crippled children, all of which are for war orphans.

HEALTH TALKS

Prepared by the Texas Medical Association

Do the eyes have it? The right care, that is.

"What is the right care?" you ask. When everything goes well, probably as little as possible. In other words, the eyes have their own line of defense: the lids, lashes, and tears.

Occasionally, an eyewash may be needed. An inexpensive one can easily be made by adding a level teaspoon of table salt to a pint of water.

A sensible attitude toward wearing glasses is more evident today than formerly. With a large variety of well designed frames in many sizes, shapes, and colors from which to choose, those who need spectacles now feel that they can be in style and yet enjoy better vision than without glasses.

The publicizing of many new developments in lighting has meant not only that the majority of people know about the importance of good light but that they are insisting upon more artificial lights well placed in the home, especially for reading, writing, and other close work.

With the right kind of care, the eyes are more likely to give a lifetime of faithful service.

other people from encroaching on your rights. But in carrying them out, Big Government itself has encroached." In brief form, here is the gist of Pathfinder's 12 examples:

- 1. Government now takes, on the average, 32 per cent of your earnings in taxes, which means you have lost the right to spend or save a large part of your earnings. 2. OPS price ceilings have limited your right as a consumer to determine the supply of goods by the price you offer. 3. The 40,000,000 citizens affected by the wage freeze have lost the right to determine their wages. 4. The government's allocation powers have limited your right to purchase certain materials in a free market. 5. Some 9,000,000 workers have lost the right to work without belonging to a union. 6. Selective Service has taken away the right of legions of young men to determine their futures. 7. You have lost the right to redeem your money in gold. 8. Most workers (60,000,000) must pay 1 1/2 per cent of their wages for Social Security whether they want to or not. 9. The Secretary of Agriculture fixes the milk bill paid by 40,000,000 consumers, through his power to establish the price paid by processors to producers. 10. Because of price supports, most farmers are subject to government - directed acreage and marketing quotas. 11. Businessmen are subject to innumerable regulations, laid down by Federal commissions for trade, power, communications, interstate commerce, and so on. 12. The government has gone into tax-subsidized competition with a long list of private businesses, including banking, electric power, railroading and shipping, and the purchase and sale of farm products. The government's direct investment in such fields is more than \$20,000,000,000. Whether the loss of those rights is good or bad is for each individual to decide. The decision of the majority of our voting citizens will determine which party will be at the helm of government for the coming four years.

Mr. and Mrs. Tom B. Smith and sons, Charles and Larry, of Abilene are visiting in the home of his parents, Mr. and Mrs. Tom Smith.

Farm Bureau To Hold Conferences

WACO, Oct. 18. - A series of important Texas Farm Bureau district conferences on membership enrollment has been scheduled for 12 Texas cities Oct. 20-28. The decision to make a last-minute effort to exceed the 1952 goal of 75,000 members came this past week at a meeting of the Texas Farm Bureau board of directors.

Marvin Carter, state organization director, announced that county leaders in 180 organized counties in Texas have been notified of the important meeting. The local leaders will meet with their district directors, state field men and officials from the state office to lay plans for exceeding the goal by Nov. 10 - opening day of the annual state convention.

This year's drive represents the most ambitious membership drive ever staged by the state farm organization. Membership totaled almost 57,000 before the official state-wide canvass got underway Oct. 10. The number of Texas farmers enrolled by Nov. 10 will determine the number of voting delegates that Texas will have at the American Farm Bureau national convention in December at Seattle. Resolutions adopted at the national conventions determine to a great extent the government's farm policy.

Conferences are slated to be held at 10 a. m. at the following places: Oct. 24, Herring Hotel, Amarillo; Oct. 20, YWCA, Wichita Falls; Oct. 21, Jefferson Hotel, Dallas; Oct. 22, Courthouse, Paris; Oct. 24, Brownwood Hotel, Brownwood; Roosevelt Hotel, Waco; Oct. 28, REA Building, Livingston; Oct. 23, Agricultural Building, Carrizo Springs.

Session scheduled for 1 p. m. are: Oct. 20, Lubbock Hotel, Lubbock; Oct. 21, Settles Hotel, Big Springs; Oct. 22, Farm Bureau Office, Floresville; Oct. 27, Wharton Junior College auditorium, Wharton.

Civil Service To Hold Job Exams

The United States Civil Service Commission has announced examinations for Engineer, Engineer Trainee, and Photengraver. The engineer positions, paying \$3,410 and \$4,205 a year, and the engineer trainee positions, paying \$2,950 and \$3,175 a year, are in the Bureau of Reclamation in the West and Midwest. Photengraver jobs, paying \$3.04 an hour, are in the Government Printing Office and the Bureau of Engraving and Printing in Washington, D. C.

The Engineer Trainee examination is open to persons who have completed one-half or three-fourths of a college course in engineering, or to students who expect to complete such study by June 30, 1953. Applicants for this examination will take a written test. Applicants for the Engineer examination will be rated on the basis of their education or experience only. Appropriate experience is also qualifying for Photengraver positions. Maximum age limit for the Engineer Trainee positions and Engineer positions paying \$3,410 is 35; for the other jobs, 62.

Further information and application forms may be obtained from the Commission's Local Secretary, Mr. Sam King located at Cisco P. O. or from the United States Civil Service Commission, Washington 25, D. C. Applications for Photengraver should be sent to the Commission's Washington office where they will be accepted until further notice. Applications for Engineer Trainee will be accepted until December 2, 1952, and for Engineer until further notice, by the Executive Secretary, Board of U. S. Civil Service Examiners, Bureau of Reclamation, Denver Federal Center, Denver, Colorado.

AND NEWS OF INTEREST TO WOMEN

First Baptist WMU Meets At Carter Home

Circle Six of the W.M.U. of the First Baptist Church met Tuesday afternoon, October 21, in the home of Mrs. E. Carter for their regular meeting. Cake and coffee were served the beginning of the meeting. Mesdames M. P. Farnsworth, B. Cooper, Donna Smith, Harry Schaefer, Richard Turknett, J. D. Collier, John Popalio, A. D. Taylor and Truman Taylor. The meeting opened with prayer and the devotional was given by Mrs. John Popalio. The lesson concerning missionaries in Hawaii was taken from the book, "Scattered Abroad," and was given by Mrs. M. P. Farnsworth. The next circle meeting will be held in the home of Mrs. J. D. Collier on Tuesday, November 4.

Christian Group Has Meeting On Tuesday

Council Group Three of the First Christian Church met in the home of Mrs. J. H. Denton Tuesday afternoon for their weekly meeting with Mrs. J. F. Benedict presiding.

Mrs. Elizabeth Spain opened the meeting with prayer and Mrs. J. C. Fletcher led the devotional, "Martha And Her Views." A short business session was held in which routine business matters were transacted and cards sent to the sick. The meeting closed with the missionary benediction in unison.

A social hour followed and refreshments of cookies, coffee, and tea were served to Mesdames J. F. Benedict, J. C. Fletcher, G. W. Troxell, Elizabeth Spain, H. H. Thompkins, A. L. Clark, Willie Rue Logan, Jo Latson, Myrtle D. Porter, a new member, W. R. Huestis, J. H. Denton, Sr., and the hostess, Mrs. J. H. Denton, Jr.

Girl Scout Troop 7 Has Meeting Tuesday

Girl Scout Troop Seven met in regular session Tuesday afternoon, October 21, at the American Legion Hall.

Mrs. Austin Flint called the meeting to order and both old and new business was transacted. Plans were made for a tacky party to be held in the near future.

Those attending were Rhonda Coulter, Joyce Ann Redwine, Sandra Smallwood, Sandra Chance, Mary Leard, Peggy Isbell, Jennie Thompson, Rose Starr, Julia McCannies, Barbara Marcontell, Charlene Watson, Jan Johnson, Dianne Nichols, Mrs. L. O. Thompson, and Mrs. Austin Flint.

Presbyterian Circle Has Meeting Tuesday

"How Do You Wear Your Christian Clothing," was the topic discussed at the regular meeting of Circle Three of the First Presbyterian Church when they met Tuesday at the church.

Mrs. Homer Slicker presided in the absence of the chairman, Mrs. W. W. Wallace, and routine business was transacted. The lesson was then taught by Mrs. Grady James.

Those attending the meeting were Mrs. Conrad Schaefer, Mrs. George Irvine, Mrs. R. L. Ponslar, Mrs. Waters, Mrs. J. G. Rupe, Mrs. Grady James, and Mrs. Homer Slicker.

LASS AND CUTLASS—Norma Foster is one of the sharpest gals on the boardwalk at Miami Beach, Fla. Her pirate hat and sword are enough to make many a man go sailing with the hopes of being captured by someone like Norma. She's one of the few "pirates" whose treasure is far from hidden.

Turkey Dressing Demonstration Is Planned Nov. 3rd

Plans are complete for the turkey dressing and processing demonstration to be held at the high school in Rising Star on November 3, says Dr. Ben H. Bradley, of that city, president of the Central Texas Turkey Growers Association, who is sponsoring the all day affair.

Purposes of the demonstration is to teach the proper method of killing and dressing the big birds for the home freezer or for the locker box and to teach those who expect to exhibit at the National Turkey Show in Dallas in January how to prepare their dressed turkeys according to Dr. Bradley.

F. Z. Beanblossom of the A&M Extension Service and eGorge Draper, an official of the National Turkey Improvement Association will be present and have charge of the demonstration, Dr. Bradley said.

A large group of producers of the big birds in Eastland and adjoining counties are expected to attend this meeting which will start at 10 o'clock on the above date. Producers who wish are asked to bring one of their birds along to dress.

The turkey organization has been planning the affair for the past several months.

"More and more people are buying and using home freezers and should know when and how to kill and prepare the big birds for cold storage," Dr. Bradley said.

Turkey growers and those interested are cordially invited to attend.

The Chamber of Commerce in Rising Star is also cooperating in the all day meeting it was said.

WMU Circle Meeting Held At Cole Home

"Scattered Abroad" was the topic discussed at the regular meeting Tuesday of Circle Four of the W.M.U. of the First Baptist Church when they met in the home of Mrs. C. P. Cole.

Mrs. C. E. Whitmire brought the devotional from Ephesians and Mrs. E. L. Jackson, teacher, taught the lesson from the study book, "Scattered Abroad." The meeting was dismissed with prayer.

Refreshments were served at the close of the meeting to Mesdames W. M. Isenhower, C. E. Whitmire, E. L. Jackson, Ada Wheeler, E. C. McClelland, Algie Skiles, W. J. Parsons, L. F. Keelan, O. G. Lawson, a visitor, Mrs. R. L. Slaughter, and the hostess, Mrs. C. P. Cole.

Pat Fee, son of Mr. and Mrs. George P. Fee, has returned from a visit with friends in Houston. He is scheduled to leave late this month for a naval assignment at San Diego.

Dona Graves of Dallas is visiting in the home of her grandmother, Mrs. Homer Slicker.

Mrs. Poe Is Hostess For Circle Meeting

Mrs. E. J. Poe was hostess in her home Tuesday, October 21, when Circle Three of the First Baptist Church met for their regular business and social meeting.

Mrs. W. W. Sawyers, chairman, called the meeting to order and Mrs. Paul Poe led in opening prayer. The devotional was given by Mrs. W. H. LaRoque with scripture reading taken from Psalm 124.

Minutes of the previous meeting were read by the secretary, Mrs. C. A. Lassiter, and approved. Mrs. Walton Baum resigned as mission study chairman and Mrs. E. J. Poe was elected to replace her. Mrs. Baum was elected program and literature chairman.

The first lesson of the book, "Scattered Abroad," was taught by Mrs. W. W. Sawyers and the meeting closed with prayer by Mrs. Walton Baum.

Refreshments were served during the social hour to Mrs. Paul Poe, a new member, Mrs. W. J. Poe, Mrs. W. H. LaRoque, Mrs. C. A. Lassiter, Mrs. W. W. Sawyers, Mrs. Walton Baum, and the hostess, Mrs. E. J. Poe.

Mr. and Mrs. Raymond E. Fairchild, who were recently married in ceremonies at the home of her parents, Mr. and Mrs. George P. Fee, were visitors here Monday afternoon. They are at home in Abilene after returning from a wedding trip to point in New Mexico.

East Baptist Circle Has Mission Program

Mrs. Roy Marcontell was hostess Monday when the Josephine Holmes Circle of the East Cisco Baptist Church met for a community mission program.

The community mission chairman was in charge of the program which opened with prayer by Mrs. H. O. Mosley. Roy Marcontell gave the devotional on "Revival," taken from 2 Chronicles 7:14. A sunshine box was taken to a shut in and the meeting closed with prayer by Mrs. Don Rupe.

Those present were Mrs. C. R. Hightower, Mrs. A. W. White, Mrs. L. A. Hooker, Mrs. Kerby Thetford, Mrs. Ott Green, Mrs. Claude Tucker, Mrs. H. O. Mosley, Mrs. George Pruitt, Mrs. Carlton Holder, two visitors, Mrs. Don Rupe and Mrs. I. E. Hodnett, and Mr. and Mrs. Roy Marcontell.

Business Firms — — —

From Page One

The posting methods used have varied widely from shop to shop, and customers often have not known that ceiling prices were available for their inspection.

Through use of the new posters he declared, shops all over the country will follow substantially the same easy-to-read method in listing ceiling prices.

Murray explained that service businesses which do not receive posters direct from OPS, and those needing more than one poster, such as department stores having several different service departments, should obtain them from their district or branch OPS offices.

Philosopher

(From page one)

teachers in each of the state's school systems is based on the daily average attendance. A seige of flu or extremely bad weather can wreck a school's attendance record. That is why all parents should strive to see that their children attend school when possible.

The Cisco student body population is a few more than it was last year, but the number of teachers is one less — due to the daily average attendance.

See You IN CHURCH Sunday

Mr. and Mrs. S. N. Poe have returned from Hope, Arkansas, after accompanying Miss Ida Carlton to her home there following an extended visit here.

Mrs. C. A. Ditty of Berkley, California, was expected today for a visit with her sister, Mrs. Ted Hale, and her mother, Mrs. J. W. Moore.

Only GMC builds 'em "Big-Truck" rugged!

GMC is the *only* manufacturer to engineer its lightest-weight models with all five of the "heavy-duty" features most other manufacturers reserve for "big trucks only."

Even in the lightest GMC pickup truck, you'll find a sturdy truck-built engine protected by many of the same extra-value features that go into the big 200-horsepower GMC's: Tocco-Hardened crankshaft, airplane-type main and rod bearings, full-floating piston pins, rifle-drilled connecting rods and full-pressure lubrica-

tion all the way to the piston pins. There's the same "extra" engineering that means extra years of trouble-free service in the chassis, too—a deep, rigid frame riding on long "pillow-action springs," and real "truck-size" brakes that respond to a nudge of the pedal.

Why not come in and drive one? Even the steering mechanism—which operates in a bed of recirculating ball bearings—is the best in the business. Whatever size truck you need, you can't beat a GMC!
