The Gay Philosopher

By J. W. S.

A COPY OF THE Cisco Round-up printed on Sept. 11, 1891, has come to our desk. It belongs to Mr. J. E. (Shan) Medford of Okra, and Mr. F. W. Wood, Cisco High math teacher, saw it and brought it in for us to look over. The paper is a 9-column affair.

Ads were pretty numerous in the old paper. The C. H. Fee & Company store was offering cooking stoves (coal burners) with 21 special features. The First National Bank had an ad, noting that it had "cash capital paid in \$50,000." J. W. Hartman's grocery store advertised his store as the place "for the fresh article."

Some of the little news items included:

The water works people are putting in a public water trough in the street immediately in front of the Christian church.

Work on the standpipe is completed, except taking down the scaffolding on the inside, which will not be done until the pipe has been filled and tested.

The Texas Central railroad has purchased six new engines, six new coaches, three baggage cars and three hundred new freight cars.

A Baird editor had visited Cisco and he was quoted as follows: "In company with Judge Webb, we made a flying visit to our neighboring city, Cisco. We only had an hour or two to stay in town, consequently did not see much of the town, but we saw enough to realize that Cisco has improved considerably since our last visit several years ago."

Most of the old paper was devoted to national news. It was a pleasure to look it over. Thanks, Mr. Medford and Mr. Wood.

IT WAS A GOOD night for football in Cisco last evening, and it was a good game at Chesley Field between two teams that appeared evenly matched. There was a fine crowd of parents of Wrangler players who occupied a section of 50-yard line seats.

The Wranglers introduced Miss Wylene Birt as their 1952 queen in a half-time ceremony. She was escorted by Guard Gerald Davis and presented with a big bouquet of flowers from the squad.

QUOTES FROM our new copy of the Imperial Type Metal Magazine: My hearing is all right but I can't tune in as promptly as I used to. . . Fools know how to make money, but only wise men know how to keep it. . . Most waiters respond to kindness and consideration even more than to extravagant tips. . . Some men look smart in bow ties, and they are also good for covering up frayed collars.

More quotes: It would be wonderful if at home when asked embarrassing questions we could reply, "No comment," as do the big shots of Hollywood and Washington. . . The number of people who function without an alarm clock or watch is surprisingly large. Such people can drop into deep slumber and yet be on their jobs at the right time.

More quotes: Most letters, like conversations, are either much too short or much too long. . . The facts of life are plain, but few will face them. . . In the month before Christmas never ask a woman to do an errand for you—she's busy. . . People in whom you are not especially interested write letters a mile long but others don't send even a postcard. . . Some people think it strange if a brilliant son comes from ordinary parents.

More quotes: In housekeeping nearly everything is bearable except defective plumbing. . . A man who had gone away every winter for 30 years stayed home and said he was having the time of his life. . . Everybody likes to have a share in a good thing, particularly a quick profit business, if he is guaranteed it will turn out profitably.

More quotes: If you live to be 70 years old, you'll spend five months tying your shoe laces. . . A safe rule, in working up a talk to be given before any group, is to spend an hour of preparation for each minute of the talk. . . What others think of us is what counts.

FAITH MOVES MOUNTAIN MEN, TOO—In traditional costumes and carrying their own musical instruments, peasants from Italy's Abruzzi Mountains marched through streets in Rome on their way to the Catholic Action mass rally in St. Peter's Square, in background. Some 150,000 members heard Pope Pius XII speak at the meeting held to honor the party's 30th anniversary.

LOBO 'B' TEAM DROPS 32 TO 7 DECISION IN COMANCHE GAME

The "B" team of Cisco High School dropped to 38-7 game to the Comanche "B" team in Comanche Thursday night. Coaches Everett and Williams reported that the game was much better than the score indicated, and that they were well pleased with the showing of their charges against the heavier opponents.

Cisco kicked off to Comanche and on the first play following the kick a Comanche back broke loose and went 65 yards for the score. Cisco took the kick following the touchdown and drove 70 yards for a touchdown. Kent Davis went the last 13 yards through the Comanche line. Tommy Reynolds kicked for the extra point to tie the score.

Cisco kicked to Comanche and held for downs, forcing a punt. The Lobos began the second drive and worked to the seven where a fumble stopped them short of a score. On the first play after Comanche took over on the seven an Indian runner skirted end for 93 yards and the score. The half ended 13-7.

Comanche scored one touchdown in the third quarter and the remainder of the touchdowns were made in the final period after the weight and numbers of the Comanche players began to take its toll. Every member of the Lobo "B" team saw action in the contest.

The entire backfield composed of Tommy Reynolds, Cotton Phippen, Buck Whitehead and Kent Davis looked good and the line did an excellent job both on offense and defense. The line was charging hard and blocking well. The tackling was the best of the season for the "B" boys. Don Meier started at the end position usually held by Bill Miller who was moved up to the "A" team this week. Levere Adams started

Wranglers Battle Allen Team To 0-0 Tie In Football Game

The football teams of Cisco Junior College and Allen Academy of Bryan battled to a scoreless tie here Thursday night in one of the best games played this season on the Chesley Field gridiron. It was a Texas Junior College Athletic Conference game.

Although the score indicates that the contest was a defensive battle, the game had plenty of offensive highlights as both teams offered serious scoring threats and registered considerable gain in the yardage column.

The Wranglers made 212 yards rushing and had 12 first downs, as compared with 161 yards for the Ramblers, who made 14 first downs.

Offensive stars of the Cisco backfield included Jack White, 170 pound Joshua back who had

the other end position. Tackles were Edward Bernie and Kenneth Penn. Joe Wayne Farrow and Duke were at guards and Ronnie Qualls was at center.

The "B" team plays DeLeon here Thursday, November 6. There will be a double header at Chesley Field then as the Midgets play Moran beginning at 7 p. m.

Merchants Attend Fashion Market

DALLAS, Oct. 30. — Homer Ferguson and Nick Miller, Cisco business men, have been in Dallas attending the American Fashion Association's Advance Spring and Resort Market, October 26-31, held at the Adolphus, Baker, and Blue Bonnet Hotels.

Of special interest to the buyers this market was the "Man-Made Fiber Show" presented by The Ladies' Home Journal under the auspices of the American Fashion Association, in which the modern synthetic fabrics, such as Vicara, Dynel, and Dacron, were demonstrated.

"Spring Fervor" was the theme of the American Fashion Breakfast Clinics which were held on October 28 and 29 at the Baker Hotel. Sales and promotion ideas relating to "Silhouette Fervor," "Fervor for Knits" and "Fervor for Neutralizers" were shown in the market. Mrs. Evelyn Lambert was commentator.

The American Fashion Association is comprised of 500 manufacturers' representatives who display over 1,100 lines of women's and children's apparel. The next market week will be held in Dallas January 18-22.

Mesdames May Kleiner, Laura Jensen, Ethel Moore, Lydia Krauskopf, Meta Strawn, Pauline Taylor, Winnie Linebarger, and Lela Bates attended the Oil Club Association meeting in Dublin Thursday.

seen action previously on the defense; Don Denard, operating at quarterback; Dell Wright, a reformed end, who proved to be an effective runner; and halfback Eddie Lee.

Leroy Pearce and Bobby Casey, Allen backs, were outstanding for the visitors.

The Wranglers line as a whole had a good night. Linebacker John White was outstanding, as were linemen Dan Wilkinson, Gerald Davis, J. C. Suggs, Henry Sollers, Jack Voss, Bob Cooke, Dale Hatley, Bud Miller, Harold Cheeves and others.

The first quarter opened with Cisco recovering a short kickoff on their 42 yard line. Wright

Everett Resigns As High School Football Mentor

Jack Everett, football coach at Cisco High School, has resigned his position at the end of the current season, Superintendent Arlin Birt reported today. Mr. Everett is in his fourth season at the helm of the Lobos, and his contract had another year to run.

"The decision to resign was Mr. Everett's and we genuinely hate to see him leave the post," Mr. Birt said. "Although his win and loss record hasn't been impressive, he has done a splendid job with our boys. We will be pleased for him to remain in the school system."

Mr. Everett, a native of Putnam and a graduate of Rice Institute, came to Cisco shortly after services with the U. S. Marines in World War II as head coach at Cisco Junior College. After two seasons, he was given a 5-year contract at the high school.

Mr. Birt said that officials would not likely consider a replacement for some time, noting that "this takes us by surprise."

Mr. Everett told The Press that "I have thoroughly enjoyed my work in the school system and with the athletic teams, and my resignation was tendered with the thought that it would be best for all concerned. I greatly appreciate the fine reception that has always been given me by Cisco fans."

Mr. Everett indicated that he would like to remain with the school system.

got through for seven yards, and Lee picked up five. On fourth down, Lee's pass was intercepted on the Allen 21. The Ramblers drove out to their 44 where Jim Spaulding recovered a fumble.

Lee picked up 15 yards in two runs, and four plays later Allen intercepted a Cisco pass on their 20. With Pearce and Casey doing most of the ball carrying, Allen drove to Cisco's 18.

The Wrangler line stopped a play, two passes misfired, and John White threw Casey for a loss back to the Cisco 34 on fourth down. Carroll Chambers punted to Allen's 24 as the quarter ended.

Allen picked up two first downs before Hatley intercepted a pass on the 50-yard line. Lee and Denard drove to the Allen 39 be-

Loboes Leave To Play Albany In Contest Tonight

The Cisco High School Loboes were to leave from the high school by school bus at 5 p. m. Friday (today) for Albany where they will play the Lions of Albany High School in a grid game at 8 p. m.

Two buses transporting band members and one bus for school students will leave for the Shackelford County town at 6 p. m. to be on hand to cheer the Loboes in the contest, which is the final non-conference game of the year for the Loboes.

Coaches Everett and Williams were forced to shift their lineup for the game due to the injury of key players. Probably the greatest loss to the team was Sonny McCrea, offensive guard who is one of the teams leading blockers. Mac McCauley will be used in the guard slot on offense to replace McCrea. Jim Reynolds will be in at the other guard position on offense.

Bob Qualls will play at center both on offense and on defense. Arzell Hale and Bennie Edwards will be used at offensive tackle spots and Jim Webb and Bill Smith will be in at offensive ends.

In the backfield Marcus Gallegos will start at a halfback position in place of Bob Black for the game this week. Black will be used when needed. Boy Gallagher will be at quarterback and Bob Lloyd will be used at the other halfback position. Irv Brunkenhoefer will be in at full and will play at a defensive end position.

The defensive forward wall will be composed of Daniel Gray, Sherwood Gaines, Bennie Edwards, Jim Webb and Brunkenhoefer. The second wall of defense in the five-four-two defensive pattern will be composed of Bobby Qualls, Andy Mosley, Bill Smith and Bob Lloyd. Marcus Gallegos and Boy Gallagher will be in the safety spots.

DUCK SEASON OPENS, BUT IT'S TOO DRY FOR DUCKS IN TEXAS

AUSTIN, Oct. 31. — The second major phase of the annual Texas wildlife harvest — duck and goose hunting — opens at noon Friday, October 31. Dove shooting is underway; deer and turkey begins generally November 16 and quail begins generally December 1.

According to the Executive Secretary of the Texas Game and Fish Commission, the waterfowl opener will be marked by a large number of hunters.

He said the only deterrent to a successful opening shoot for ducks and geese is the drought. Tanks, ponds and even large lakes have dried up.

The Executive Secretary said the number of both ducks and geese leaving the northern nesting areas indicate that only rains are needed to provide Texas hunters with good shooting.

He pointed out that recent mild weather has postponed the movement south of the main body of birds but he explained that this migration can be touched off by arrival of normally cold weather in the north.

The Executive Secretary suggested that hunters be extremely careful with fire because of the severe drought. Some states have been forced to curb shooting in certain areas because hunters started fires.

Other precautionary points were:

Make certain to attach the \$2 Federal duck stamp to the state hunting license.

Adhere to all safety rules.

Observe shooting regulations generally.

The Executive Secretary warned that game wardens have no other choice but to prosecute persons exceeding the bag limit of five ducks a day or ten in possession or five geese per day or in possession. Shooting hours after the first day are from one-half hour before sunrise until one hour before sunset.

Local Scouts To Aid Vote Project

All Cisco Boy Scouts will join in the national Get-Out-The-Vote campaign Saturday when they make a house-to-house campaign reminding local citizens of their duty and obligation to go to the polls and vote for the candidates of their choice.

The movement is strictly non-partisan. It is an effort to have the public become increasingly aware of the obligation of voting on all issues.

All local scouts and cub scouts were asked to meet in front of the fire station at 9:30 a. m. Saturday (tomorrow) in full uniform. At the meeting, material will be passed out and routes assigned. Scout Masters J. V. Heyser, J. H. Denton and Hugh Chief Brown urged all scouts to meet and to help with the campaign.

MIDGETS SCORE ON PASS PLAY FOR 7-0 WIN AT RISING STAR

The Cisco Junior High School Midgets scored a touchdown in the third quarter of their game in Rising Star with the Rising Star junior team Thursday night to win the game by a 7-0 score.

The score came on a jump pass from Bengi Lipsey to End Johnny Trig from the eight yard line. The score climaxed a drive from deep in Midget territory. The Lipsey to Trig combination was good for five completions on the drive. All the passes were short but were instrumental in setting up the touchdown.

Lipsey also completed a long pass to David Ewell during the game and scared the Rising Star partisans when he almost broke loose on a long punt return.

The Midgets made a second sustained drive late in the game

BISHOP W. C. MARTIN

Bishop Martin Is On Program For District Meeting

Bishop W. C. Martin of Dallas will speak to the Methodist men of the Cisco district in their annual banquet program at Ranger on Monday night at 6:30 preceding the official opening of the District Conference. W. D. Raley of Dublin, district lay leader, will be master of ceremonies for the dinner occasion.

After the banquet address Bishop Martin will also preach to the general meeting of the conference in the opening worship service at 7:45 o'clock. The choir of the Ranger Church will provide special music as well as lead the congregation in a period of hymn singing just before the sermon.

Tuesday morning at 11 o'clock, Dr. A. Norman Evans, pastor of the Austin Avenue Methodist Church in Waco, will preach. Other than this hour of worship, the day will be given to business matters, reports, program planning and the granting of license to preach to young men making application for such recognition. Included in this number will be John Lightfoot, son of the Rev. and Mrs. E. H. Lightfoot of Cisco. John is now a student in S.M.U.

Tuesday's program will begin at 9 o'clock in the morning and close about 3:30 in the afternoon. The noon meal will be served at the church by ladies of Ranger. The Rev. Leslie W. Seymour, district superintendent, will preside at the sessions of the conference.

S-Sgt. Bobby R. Franklin is expected Sunday for a month's visit with his parents, Mr. and Mrs. Wesley Franklin. Sgt. Franklin has just returned from a three months tour of duty in Japan.

Presbyterians To End Home Mission Study

The First Presbyterian Church will conclude its home mission study with a motion picture at 7:30 p. m. Sunday, according to an announcement today. The film concerns the Tex-Mex School for Mexican boys at Kingsville and is entitled "For God, America and Mexico."

The Rev. H. Grady James, pastor, will speak on "Scriptural Qualifications for Civil Rulers" during the morning worship service.

and were on the Rising Star one foot line with second down and goal when the final whistle caught up with them.

In a 10 minute game preceding the regular game the smaller boys of the two teams played to a 0-0 tie. It was a defensive tilt all the way with neither team threatening.

Every boy on the Midget squad was used in the two games. Coach O. B. Graham said that the entire team showed up well with Don Gray looking very sharp at his end position on defense. Herbie Gallegos did an outstanding job in the secondary defensive wall and the remainder of the team looked good.

The Midgets' next two games will be played on Chesley Field. Moran will be here next Thursday night and Eastland will play in Cisco on November 13. The games will begin at 7 p. m.

Wright Well Due To Be Open Pool Southeast Town

A wildcat oil well, which has been regarded as a new area Mississippi lime discovery, blew out of control in completion work late Thursday and was still blowing gas in considerable volume into the air at noon today seven miles southeast of Cisco.

The well is the McElroy Ranch Company No. 1 Wright, located in Section 2, Block B-3, H&TC Survey. The site is about two miles south west of Eastland.

The 7-inch casing, which had been cemented to about 3,400 feet last Sunday, was perforated Thursday afternoon at about 3-100 feet — in the upper Mississippi. Despite the usual precautions, the well began flowing gas and soon got out of control.

One man of the drilling crew was in the top portable derrick and he was lowered by the elevator. Then, the rig engines were stopped to prevent the possibilities of fire. No one was injured.

The well blew gas all night and was still roaring Friday morning. The sound could be heard a half mile away. A trace of oil was coming out with the gas observers said.

Nobody was being permitted to drive near the well due to the dangers of starting a fire.

The Halliburton Oil Well Cementing Company had two big pump trucks about 200 feet from the well and expected to begin pumping some 1,000 barrels of mud into the hole early this afternoon in an effort to bring it under control.

Observers estimated that gas was flowing at the rate of 4,000-600 cubic feet per day or more. None of the drilling equipment had been damaged.

Drill stem tests had indicated the presence of heavy gas in the upper Mississippian. Oil flowed on tests from lower sections of the formation, indicating a new discovery pool for the area.

West And McClung To Drill Shallow Test

West and McClung of Cisco spudded in on their No. 1 Geyser located eight miles east of Rising Star this week.

The well, an offset to production from shallow sand at about 400 feet, is located 435 feet east of the west line and 1040 feet from south of the north line of an 80 acre tract out of Section 27, Lampasas County School Lands Survey.

Projected depth is 400 feet with cable tools.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Claud Blackwell of Henderson are the parents of a son, Michael Jafferis, born October 12 in the Henderson Memorial Hospital. The infant weighed eight pounds and four ounces at birth. Mrs. Blackwell is the former Rachel Johnson of Henderson. Rev. and Mrs. J. E. Blackwell of Cisco and Mr. and Mrs. E. O. Johnson of Price are the grandparents.

Mrs. W. L. Darr attended the farewell coffee in the home of Mrs. Guy Robinson of Eastland Thursday morning given in honor of Mrs. G. A. Fox who is moving to Austin.

Mr. and Mrs. Ben Wende and children, Linda and Mark, visited in Abilene Wednesday evening.

IT'S THE LAW in Texas A public service feature of the State Bar of Texas

During the past few months, citizens all over the United States have been exhorted by printed, radio or movie advertisements to be sure to "Register" in order to be eligible to vote in the November 4 election.

Registration is not required by the Texas Election Code. Unless you fall within specified statutory exemptions, you must still have a poll tax receipt in order to vote.

Under Texas law a poll tax is not just a license to vote, even though it is a requirement of

voting. It is a tax which the statutes say shall be collected from every person between the ages of twenty-one and sixty years, who resides in this State on the first day of January preceding the levy of the tax.

Indians are not taxed, nor persons insane, blind, deaf or dumb. Those who have lost a hand or foot, those permanently disabled, and all disabled veterans of foreign wars (where such disability is forty per cent, or more) are exempted from the payment of a poll tax.

Those who are exempt from the payment of a polltax, and who reside in a city of ten thousand inhabitants or more, must secure a certificate from the Tax Collector of their County of residence before the first day of February of the year when such taxpayer shall become entitled to said exemption.

This exemption is good for one year. A new exemption must be secured for each year. Certificates of exemption are issued without cost to the person entitled to receive the same.

Those who reside in cities of less than ten thousand inhabitants are not required to secure this certificate of exemption before voting. These may make proof of their exemption at the time of voting to the presiding judge of the election where they are qualified by residence to vote.

Letters

Editor: Since my last visit here, nature's artists have been busy indeed tinting the forest with the brilliant shades of Autumn. It is a lovely thing to be near. This is especially true when the early morning or late afternoon sun is at the right level for having its rays reflected from the brilliant colors to be found in the leaves of so many of the trees.

It is very dry here. This condition has been a blessing for the cotton picking but a bad wound for the pastures. To begin feeding cattle this early here is most unusual. The cotton, corn, and bean crops have been beautiful and the gathering is nearing the final stage. The people are the most hospitable in the world.

I should be seeing you soon and am hopeful November 5 will bring glad tidings for the "Rebels."

Best regards to all, Charles F. Hemphill.

These Three Pasture Crops Do Not Mind Wet Feet

Clover-Red Canary pasture one year after seeding on land formerly considered too wet for use.

Most cultivated crops like well-drained, well aerated soil in which to grow and reach maximum development. There are others, however, that are either tolerant of wet soil or prefer it to moderately wet or dry soil.

Three crops that do well under wet soil conditions are alsike clover, redtop and Reed canarygrass. They fill a place that no other sod crops can fill.

Of all the clovers, alsike is most tolerant of excess water. It will stand rough treatment and persist under conditions both in hay meadows and pastures where red clover and other legumes would be likely to disappear. On low wet fertile lands in the north, there is no other clover that is equally productive of high quality forage.

Of the common grasses, redtop and Reed canary are most water tolerant and most productive under adverse conditions.

Redtop is a popular grass but does not owe its popularity to the quality of the crop but rather to the fact that in the region of its climatic adaptation a stand can be established easily; it will grow on almost any soil that is adapted to hay and pasture, and the seed is relatively cheap.

In combinations, redtop is one of the very few grasses suitable for use with Reed canarygrass. On the poorer land of the South, redtop can be used with Korean lespedeza. Reed canarygrass has a wide range of both climatic and soil

adaptation in the North Temperate Zone but is most at home in a moist cool climate, and grows best on fertile, moist, swampy soils of a sandy, mucky, or peaty nature. It makes an excellent growth, however, on most loams and clays of good fertility, but is not salt-or alkali-tolerant.

Reed canarygrass does not compete with timothy, orchardgrass, bromegrass, or other general purpose forage grasses in palatability or nutritive value, but its suitability to wet and overflooded lands makes it a useful grass where the others would not give profitable returns.

Reed canarygrass does not make a high-class hay but produces from 4 to 9 tons per acre of fair to good quality hay if made from thick stands, pastured a while in the spring to dispose of the early coarse flowering stalks, and cut before one-fourth of the early heads are in bloom.

Another grass, meadow foxtail, is adapted to cool moist localities. It is used mostly in the Pacific Northwest and is adapted, though little used, in other parts of the northern tier of States.

In seeding down grasslands that are low, poorly drained, or subject to overflow, it is well to consider the possibilities of the above grasses and alsike clover. On moist soils that are well drained, Ladino clover can well take the place of the alsike.

The Bonham Daily Favorite EDITORIAL

Following is a letter received by Speaker Sam Rayburn this week from the DISABLED AMERICAN VETERANS, Bonham Chapter No. 129. This letter shows the deep concern over the coming national election, especially by the veterans of World War I who remember the soup lines of the Hoover days. T. Frank Stewart).

Bonham, Texas October 20, 1952

Hon. Sam Rayburn, Speaker House of Representatives Bonham, Texas

My Dear Congressman:

At our regular meeting last Friday night I was instructed by a unanimous vote of the members of this Chapter of the Disabled American Veterans which has a membership of 116 men and women who were wounded, gassed, injured or lost their health in World Wars I or II to write you a letter and congratulate you and your colleagues for the fight you are making for the Stevenson-Sparkman ticket. We, to a man, are for this ticket, win or lose, and we know in our hearts if right prevails, we will not lose.

How any veteran in his right mind could even think of voting the Republican ticket this year is beyond our comprehension. We, especially here in the hospital and domiciliary, know what we have here and with what excellent care we are being given. We know this would be impossible under a Republican administration for those of us old enough to remember when we were not drawing compensation, the time we were not able to work, did not have enough clothes to cover our nakedness, and to eat we were lucky to get one bowl of soup and a hamburger once a day, to get this some of us had to sell apples and pencils on the street corners. That was under three Republican administrations: Harding, Coolidge and Hoover. We cannot go back to that and we will not, but if the Republican nominees are elected the veteran stands a chance of seeing the same thing some of us old World War I veterans did see as it will be the same old bunch running things who run them then.

So, Mr. Speaker, we say to you, 116 of us from your own home town DAV Chapter, God give you speed and God bless you and your colleagues for we know right will prevail and that Stevenson and Sparkman will be elected.

Sincerely yours, James E. Boley, Adjutant Ray W. Smith, Commander

DRAFTEES DON'T NEED MONEY, WEST POINTERS DO, IKE SAYS

General Eisenhower's views of less than two years ago, on the subject of pay for men in uniform, make interesting reading while he campaigns for the Presidency.

A clipping from The Springfield (Ill.) Journal bears the headline: DRAFTEES SHOULDN'T BE PAID, IKE SAYS. The body of the story, a United Press dispatch from Washington of January 4, 1951, follows:

"Gen. Dwight D. Eisenhower said today that men called to military service involuntarily—under the draft, for example—should get little if any pay because they are fulfilling an obligation to the state.

"He told a news conference that men who undertake a military career should be paid 'along professional lines.' But the Government's only concern for those who are simply discharging their citizenship responsibilities should be to take care of dependents and disabilities, he said.

"You don't pay a person to go to school," Eisenhower said. "You don't pay a person to work out his poll taxes. As far as I am concerned, it is an obligation to the state."

Miss Evadena Ellis Weds Mr. Fannin In October 18 Service

Mr. and Mrs. Almus Lee Fannin are at home in Cisco following their marriage Saturday, October 18, at the First Methodist Church in Moran.

The bride is the former Miss Evadena Ellis, daughter of Mr. and Mrs. Fred Ellis of Moran. The bridegroom is the son of Mrs. Joe Hale of Route 2, Cisco.

The Rev. Robert W. Brown, pastor of the First Methodist Church of Blackwell, Texas, read the double ring ceremony before an altar decorated with pompons, gladiolas, fern, and candelabras.

The bride, given in marriage by her father, was attired in a pink faille suit, trimmed in rhinestones and pearls with navy accessories. She carried a white Bible topped with pink carnations, showered with pink ribbon streamers. For something old and something blue, the bride wore a blue necklace belonging to her

mother, and for something borrowed was the white Bible belonging to Jo Lynn Martin.

The bride's only attendant was Miss Jo Lynn Martin. She chose a navy blue suit with navy accessories. Her shoulder corsage was of pink carnations.

Don Gorr of Cisco served the groom as best man.

Wedding music was furnished by Mrs. Oscar Wise at the piano who gave a program of traditional wedding music and accompanied F. B. Cornelius who sang, "I Love You Truly" and "The Wedding Prayer."

The couple left immediately after the ceremony for a brief trip to San Antonio and Houston.

The bride chose a brown dress trimmed in velvet for traveling.

Mrs. Fannin is a graduate of Baird High School and prior to her marriage was employed by the Moran National Bank as Assistant Cashier. Mr. Fannin is a graduate of Cisco High School and Cisco Junior College and is now employed by Graves Butane Company as manager of the Cisco office.

Beginners TU Class Has Hallowe'en Fete

The Beginner's Training Union of the First Baptist Church met Thursday for a Hallowe'en party. Hostesses for the occasion were the sponsors of the group, Mrs. M. P. Farnsworth, Mrs. Paul Booth, Mrs. J. T. Richardson, Jr., and Mrs. J. D. Collier.

The guests were dressed in costumes and the group guessed the identity of each and several games were played.

Refreshments of cookies and punch were served from a table centered with a black cat and pumpkin favors, to Sandra Lane, Patti Sue Morrison, Mark Richardson, Jeannie Damron, Ronnie Reynolds, Joan Parkinson, Richard Coats, Tim Bennie, Sue Collier, and Mrs. Jimmie Coats, a visitor.

Lutheran Youngsters Have Party Thursday

The Young People's Organizations of both Grace and Christ Lutheran Churches met at the home of Rev. and Mrs. M. J. Scaer Thursday evening for a Hallowe'en party. Mrs. Dora Schaefer served as co-hostess.

Guests were dressed in costumes and prizes were awarded Ruth Lanham for the best dressed girl and L. D. Blount for the best dressed boy.

Bones were scattered about the party rooms. Several games were played after which the guests were directed to the spook room.

Refreshments of hot dogs, cookies, and punch were served to Alvin, Carl, Rubin, and Edna Ziehr, Fred Ziehr, Wayne Fricke, Richard Lenz, Joe D and Kathleen Ziehr, Martha Lanham, Keith Loomans, Anita Stroebel, Frances Lanham, Dick Neuhaus, Stephen Lanham, Ruth Lanham, Mr. and Mrs. Herbert Wende and Ruby, Rev. and Mrs. James Hennig and Carl Freddrick, Mrs. Dora Schaefer, Rev. and Mrs. M. J. Scaer and five visitors.

Business Session Is Held By Baptist W.M.U.

The W.M.U. of the First Baptist Church met Tuesday at the church for their regular business meeting.

Mrs. W. V. Gardenhire presided over the business session. The meeting opened with the group singing "May He Depend On You," led by Mrs. John Popalio with Mrs. W. F. Walker at the piano. Mrs. C. E. Whitmire led in opening prayer.

The Bible lesson, taken from "Women of Destiny In The Old Testament," was taught by Mrs. E. L. Jackson. A short business session followed in which routine business was transacted. The meeting was dismissed with prayer.

Those present were Mesdames Winston Boles, Wayman Johnson, G. B. Lankston, W. C. Clements, F. D. Wright, Roy Morrison, C. P. Cole, W. B. Cates, W. H. Cates, W. J. Parson, M. P. Farnsworth, A. B. Cooper, Fred Grist, Bill Barnby, E. H. Cheeves, W. H. Ward, J. D. Collier, J. T. Richardson, John Popalio, W. F. Walker, E. L. Jackson, C. E. Whitmire, O. G. Lawson, Ada Wheeler, A. R. Day, W. W. Fewell, D. N. Morrison, O. L. Mason, O. T. Morton, O. T. Martin, L. J. Burnam, O. J. Russell, F. E. Shepard, E. C. McClelland, D. L. Kisner, Leo Keelan, Algie Skiles, W. V. Gardenhire, and Rev. H. M. Ward.

CWF Holds Monthly Meeting On Tuesday

The monthly meeting of the C.W.F. of the First Christian Church was held Tuesday, October 28, at the church.

The call to worship music was played by Mrs. Sidney Spain and the meeting was called to order by the president, Mrs. W. R. Huestis. Mrs. V. C. Overall led in opening prayer.

Mrs. J. M. Flournoy, chairman of Group Four, was in charge of the program on "O Come Let Us Sing." The devotional was given by Mrs. Standee McCracken with scripture from the 100th Psalm, with a meditation of the history of the hymn, "I Need Thee Every Hour." The group then sang the hymn.

Mrs. Flournoy gave a short history of early music. A discussion on church music was held with the following taking part: Mrs. Flournoy, Mrs. Sam Kimmell, Mrs. Bob Ellison, and Mrs. V. C. Overall. The group then joined in singing, "Jesus, Lover of My Soul," and read the words to "Lord Dismiss Us With Thy Blessings," while Mrs. Spain played the hymn on the piano.

Twenty-two members answered roll call. The offering was brought forward and dedicated with Mrs. George Estill leading the dedication prayer. Other routine business was transacted and the meeting closed by all standing and repeating the missionary benediction.

Mrs. F. E. Baker of Abilene visited Wednesday and Thursday in the home of her sister and husband, Mr. and Mrs. T. E. Owens.

Mr. and Mrs. H. D. Horn of San Angelo spent last weekend in the home of Mr. and Mrs. Jim Sauls.

1950 — (Michigan) 1 more vote per precinct in only one-third of the state's precincts was the margin that elected Governor G. Mennen Williams

1950 — (Connecticut) 1 vote in every 900 elected Senator William Benton — by a margin of only 1,102 votes out of the total of 878,000

1944 — (Missouri) 1 vote per precinct in less than half the state's precincts was the plurality that elected Forrest Donnell to the Senate

1940 — (Kansas) 1 vote per precinct in only one-sixth of the state's precincts was the margin that elected Payne Ratner Governor

1916 — (U.S.A.) 1 more vote per precinct in the pivotal state of California elected Woodrow Wilson President over Charles Evans Hughes

1884 — (U.S.A.) actually less than 1 vote per precinct in the key state of New York would have elected James G. Blaine over Grover Cleveland as President

Your one "little" vote...It may be the big one

"What earthly good can my one little old vote do among thousands"?

That's what you're asking yourself.

Listen, brother or sister, it only takes one to do it. "Close" doesn't count, except in horseshoes.

The candidate who wins by your one vote is as much the winner as if he won by a million.

And the candidate who loses through your not voting your one vote is just as much the loser as if he were snowed under.

Your vote can swing your precinct.
Your precinct can swing your district.
Your district can swing your state.
Your state can swing your nation.

This is the year of years when your one "little" vote can be a mighty BIG vote! "See you at the polls!"

I'M FOR EISENHOWER

Because -

I was raised a Democrat, but there is no Democrat Party now; the national leader of the Socialist Party this year retired in favor of the Democrats. They had taken over his platform.

Even so, I think there should be a change of administration: when the Democrats took over 20 years ago our National debt was 17 billion. Today it is 265 billion (we never had it so good.)

Ike is the best Democrat candidate we have. The Democrats tried to get him by every means possible, so they thought he was the best - and they were right.

He is far the best equipped to cope with foreign difficulties; he is feared by Stalin more than any other man.

He will not steal our birthright - the Tidelands.

He will restore dignity to the greatest office in the world, and finally

He is bitterly opposed by the person who has dragged that great office in the gutter, and that alone would be enough for me.

Lee got loose for 19 yards, and then made a first down on his 40. A Wrangler pass then was intercepted on the mid-field stripe. Allen couldn't go and punted to the Cisco 32. The Wranglers then opened a serious scoring drive. Lee and Wright picked up a first down on the Cisco 47. Lee and White drove to Allen's 43, and Denard got 7 yards. White then drove to the 29 for another first down. Wright and White got to the 16 in two bucks as the quarter ended. Opening the final period, White got 11 yards on three bucks with a first down on the 4-yard line. Cisco drew two 5-yard penalties. White made 6 yards, hit center for no gain, and a pass failed. On fourth down, a fake pass was smeared and Allen took over on their 20. In the final moments of the game, Allen intercepted a pass 12 yds. gained rushing 161 passes attempted 11 2

RESOLUTIONS

RE: MRS. C. R. WEST

Whereas, our dear friend and co-worker, Mrs. C. R. West, has been removed from our midst by her untimely death. It is our desire to express our feeling of deep appreciation and sense of loss in the following resolutions:

Be it resolved, first: That the beauty and consistency of Mrs. West's christian character will ever be an inspiration and challenge to those left behind. As a woman and mother she compelled the greatest respect, admiration and honor. Her strict adherence to her high ideals as a homemaker and church member will be a treasured heritage to her family and friends and will live on in our hearts and memories.

Be it resolved, second: That Mrs. West was a broadminded, intellectual and spiritual leader. She was ever conscious of those among us who needed help in any way. She was vitally concerned in our schools, our churches, and in any movement for the betterment of the individual or community. She thought in terms of christian fellowship and universal service and justice.

Be it resolved, third: That Mrs. West treasured her many friendships as a priceless gift and enriched the lives of all with whom she came in contact. As a club member she was capable, faithful and loyal. She was a woman of rare vision and was a friend of young and old alike.

Be it resolved, fourth: That we as individual club women who knew, loved and worked with Mrs. West, have lost a friend and fellow member whose place no one can fill, a place set apart in memory and hallowed by love

and sorrow in her passing. Therefore, be it resolved: That the Twentieth Century Club ask that a copy of these resolutions be incorporated in the minutes of the club, a copy be given to the Cisco Daily Press for publication, and a copy be given to the family.

Committee on Resolutions,
Mrs. J. T. Anderson
Mrs. Phillip Pettit
Mrs. S. E. Hittson

He would have been 21 this Tuesday

... just old enough to vote. Call him Bill or Ed or Tony—he was just one of the neighborhood boys. Perhaps you heard about him on the news broadcast or read about him in the paper...

"Advance forces of United Nations troops in Korea have recaptured Hill 704 in the face of stiff enemy resistance. American casualties were..."

He would have been 21 years old this Tuesday, November 4th... just old enough to vote. Now—nobody can presume to speak for this young man. Nobody can say for sure that he would have voted for this candidate or that—for one party or another. But this we do know...

with his life he has cast his vote against a monstrous opponent—one that seeks to control the minds and souls of all mankind... that opponent who says: "The state is everything—the individual, nothing."

That young man might have been standing in the line next to any one of us next Tuesday—waiting to cast his first vote.

But—he will not be there.

Will you be sure to cast your vote this coming Tuesday? Go to the polls and vote according to your conscience and convictions... but, above all
