CISCO, TEXAS, TUESDAY, JANUARY 20, 1953

NUMBER 33

The Gay Philosopher

By J. W. S.

OFFICIALS OF the new Cisco Foundation have begun a series of group meetings with business men and citizens of our area to explain the plans and purposes of the organization. As you know, the Foundation was formed and chartered by the state for the purpose of assisting and encouraging industrial development.

One of the things the Foundation wants to be able to do is to erect suitable industrial buildings for sale or lease — not to give away. And in order to be able to erect buildings, the Foundation has embarked on a program to raise working capital.

Under its charter, the Foundation will be able to use the money only for assisting industry. A board of 15 directors will manage the affairs of the organization, and you can be sure that they will be on the job to see that the Foundation gets value for money expended.

AS WE SEE IT, the business men and property owners of Cisco can't possibly lose through an investment in the Foundation. If the Foundation fails in its diligent quest for payroll industries, then the investor will receive all of his money back.

On the other hand, if the Foundation is successful in attracting new payrolls, the investors will benefit from the new business and activity that goes with new industries. And, in addition to these benefits, they will eventually get back their original investment in the form of repayments to the Foundation by the new industries.

WE'VE BEEN IN Cisco for five years now and we haven't been so encouraged about the outlook as we are right now. The enthusiasm that our civic leaders are demonstrating in forming the Foundation is bound to get results. The leaders realize that they won't succeed in obtaining every project they go after. They feel, and it's reasonable, that success comes to the community (or salesman) who keeps on trying.

THE SUCCESS OF any community in the business of growing depends pretty much on how well it can provide jobs for its people, particularly the younger people. In Cisco's case, that's where the Foundation expects to fit into the picture. It hopes to bring in payrolls that will provide employment for people of all ages and professions.

Your part in the project is small — the loan of a bit of money. You might call it an investment in your future. Since the Foundation stock will pay no dividends, you can deduct it from your income tax as a business expense.

PLANS CALL FOR the daily group meetings to continue until everyone has had an opportunity to hear a full explanation of the program and to pledge his or her cooperation.

Leaders of the Foundation project tell us that they are highly pleased with the reception at the first few meetings.

This proposition is something that Cisco just can't fail to support and put over the top. Our town's future is at stake.

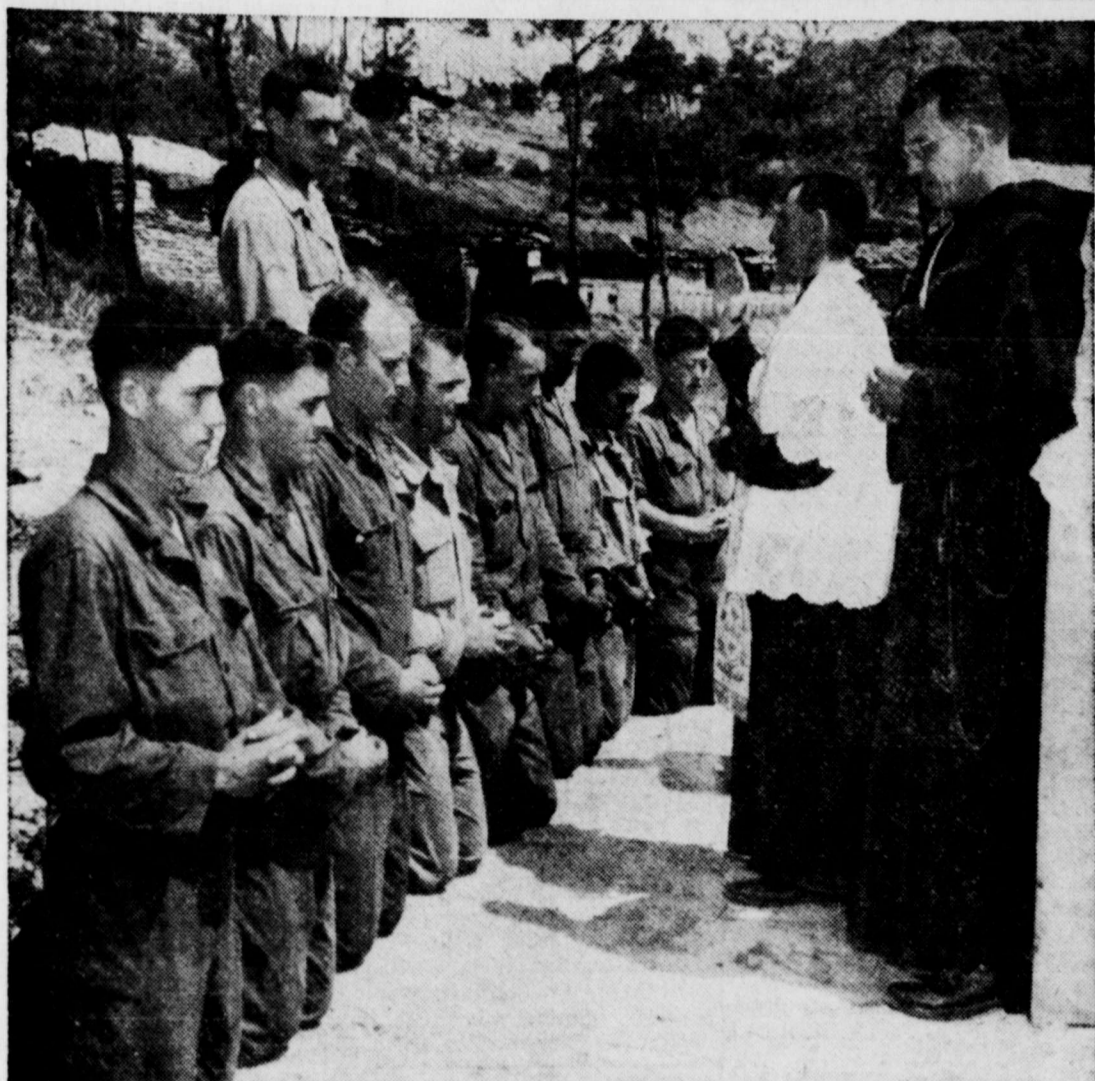

WANT A DOG? If you do, drop out to Mr. Bob Elliott's house at 1415 Bullard Street any afternoon late and take your pick. The Elliotts have five puppies and they're ready for good homes. First come, first served.

THE NATIONAL GUARD has a new recruit. He is Travis D. Kurklin of Route 2, Cisco, and a student at CJC. Travis enlisted this week.

The Guard unit had two visitors Monday — Captain Billy C. Clark and Master Sergeant Oscar Borsen of San Angelo, army instructors. They were here on a routine visit.

P-TA PLANS MEETING

Members of the West Ward Parent-Teacher Association will hold a regular meeting at 3:30 p. m. Wednesday at the school. Mrs. Ted Waters, president, has urged all members to attend.

FILLING THEIR SPIRITUAL NEEDS—Deep in the mountainous country along the Korean battlefield, a group of Colombian troops has Confirmation service, conducted by Father (Captain) John J. Calter, of Brookline, Mass., assisted by an unidentified chaplain, right. The Colombians are assigned to the sector held by the U. S. 7th Division's 31st Regiment.

CJC CAGE TEAMS WIN PAIR OF GAMES HERE SATURDAY NIGHT

Jim Barnett and Bonnie Birch led two Cisco Junior College cage teams to victories at the community gym Saturday night as the Wranglers downed the Ranger Junior College Rangers of the Pioneer Conference 58-54, and the college girls defeated the Tandy Motorettes 28-22.

Barnett, who played only three quarters of the game, scored 26 points for the Wranglers as they defeated the visiting Rangers. Birch made 13 points for the Cisco girls who defeated the Motorettes easily.

David Anderson of the Rangers won high point honors for the game when his uncanny hook shot worked for 31 points. It was probably Anderson's best game of the year.

Lone Star Has Record Day For Gas Distribution

Lone Star Gas Company delivered its first billion cubic feet of gas in a 24-hour period, as of 7 o'clock Saturday morning, to more than 620,000 customers in 387 cities and towns in Texas and Oklahoma, according to reports from the firm's Dallas headquarters.

The record breaking consumption resulted from Friday's siege of cold weather combined with growth of the company's operating territory, the report stated. It followed on the heels of another record set this winter which witnessed a period of 54-straight days when temperatures averaged below 65 degrees and required constant heat.

The stretch of heating weather started in mid-November and continued through December and into January over most of the Lone Star system.

The total send-out through Saturday morning was 1,060,400,000 cubic feet of gas. On Wednesday, the day before the cold wave struck, total consumption was about one-third of Friday's peak. The previous high for a 24-hour period was 936,700,000 cubic feet recorded at 7 a. m. on January 30, 1951.

During early stages of the cold siege the company ordered minimum curtailment in gas consumption by a few large industrial plants. This was done to protect the gas supply for homes and was in line with regular contractual agreements.

The company's ability and delivery capacity to meet these record requirements, officials said, is represented by a continuing construction and enlargement program which, since 1945, has called for more than \$100 million in new capital and hundreds of new employees.

Coach Red Lewis started Peck Hall, Edd Farmer, Robert Deavers, Burl Moses and L. A. Noles in the Ranger game but sent in a complete new team at the beginning of the second quarter. J. Murphy was in second place in scoring for the Wranglers when he sank 11 points. Frank Massey of Ranger made 12 for the Rangers.

The Wranglers showed some signs of regaining the playing ability they exhibited before the Christmas holidays. They had been in a scoring slump since they returned for the holidays and had lost two out of three games prior to the Ranger contest. The games lost were to comparatively weak conference foes.

Ranger was the third team of the Pioneer conference that the Wranglers have defeated this season. They have two wins over Tarleton, one over San Angelo and one over Ranger.

The Junior College girls, coached by Paul Mosley, began work early Saturday night to lead the strong professional team from Fort Worth all the way. The win gave them an even break with the Motorettes, who defeated them by two points in Fort Worth a week earlier. Birch made six field goals and a free throw for her 13 points. She led the high scoring Motorette forward, Wanda Edwards, by two points. Edwards made 14 points for the Motorettes in the earlier game. The stellar play of Hally Johnson kept Edwards away from the goal most of the evening. Mickey Burnett of Cisco made nine points to aid the Cisco girls. (Turn to page four)

Loboes Will Play At Stephenville In Tilt Tonight

The Cisco High School Loboes, smarting from their defeat Friday at the hands of the Ranger Bulldogs, were to leave early Tuesday afternoon for Stephenville where they will play their second conference cage game. The Stephenville Yellow Jackets will furnish the opposition.

The Loboes defeated the Yellow Jackets in the finals for the consolation championship of the Howard Payne tournament, but Coach Buck Overall was expecting an improved Stephenville team for tonight's game.

Jim Webb, Irvin Brunkenhoefer, George Callarman, C. W. Keller, H. L. Youngblood, Bob Lloyd, Don Emsley and Danny Louderer make up the "A" team traveling squad. Webb, Brunkenhoefer, Callarman, C. W. Keller and Youngblood were expected to start the game tonight, with Lloyd on the bench ready to go in at any position.

The Lobo "B" team will play the Yellow Jacket "B" boys and the Lobo Queens and the Stephenville girls will play their conference tilt before the two "A" teams meet. Coach P. C. Goza's team was weakened this week when Donice Johnson, regular forward, moved from the city. Coach Goza has lost three forwards since the season began. Marie Borst was lost to the team due to illness and Winona McKinney was lost to the squad because of transfer difficulties. It will be the first conference game for the Queens.

The worst eye trouble is the "T" trouble.

CISCO CORPORAL IS SELECTED AS JEEP DRIVER FOR GENERAL

Corporal Jack M. McWhorter of Cisco is the new assistant jeep driver for General James A. Van Fleet as the result of a talent hunt in the Korean war zone, according to press dispatches released Monday. He is the husband of the former Miss Bobby Jean Deen, daughter of Mr. and Mrs. Bobby Deen, of Cisco.

The press release, published under a Seoul dateline, was as follows: A "talent hunt" rivaling Hollywood's search for a Scarlet O'Hara has produced an assistant Jeep driver for Gen. James A. Van Fleet.

Winner of the rigid elimination contest is Corp. Jack M. McWhorter, 23, of Cisco, Texas.

The teletype order went out to all divisions two weeks ago—the 8th Army commander needed an assistant jeep driver and only

the best would do. Division commanders, each wanting the honor of having one of their men chosen, put their staffs to work.

The qualifications were exacting and some officers jokingly wondered if the Army wanted a driver for the general or someone to succeed him.

The candidates were required to "be highly qualified morally, educationally and in soldierly bearing." They had to hold the Combat Infantryman's Badge, to have no more than 25 rotation points and a rank no higher than corporal.

One hundred candidates were screened at division level. In one division, 12 hopefuls were interviewed by a colonel, given written examinations and then judged for "intelligence, appearance, knowledge of the Army, military courtesy, cleanliness and morals."

McWhorter, from the head- Turn To Page Four

Band Students From 15 Cities Will Take Part In Clinic Here

Johnny Stroud, pictured above, is one of the famous Whiskered Wizards who will be in Cisco for a basketball game Thursday night with the Cisco All-Stars. The contest will be played at the Community Gym and proceeds will benefit the Cisco Booster's Club and the high school athletic department.

Tain't So! ELDERLY MORAN TWINS REFUTE CLAIMS OF KENTUCKY WOMEN

Tain't so! That is what friends and relatives of two Moran, Texas, men are saying in regard to the claim of two Kentucky women that they are the oldest and most active twins in America. And those friends and relatives have documentary evidence to prove their claims.

An International News Service release early in January quoted Mrs. Mary Cullen of Marysville, Kentucky, and Mrs. Eva Bowman of Newport, Kentucky, as claiming the title of America's Oldest Twins. Mrs. Bowman and Mrs. Cullen celebrated their 90th birthday early in January 1953, and are reported

Junior High Wins Carbon Contests Saturday Night

The Cisco Junior High School basketball teams concluded the first half of conference play Monday night by winning two games from Carbon in the Carbon gym. The Midgets won by a 31-15 score and the girls won over Carbon 17-12.

The Monday night games completed the first round of the robin play that will determine the junior high school area championships. The Midgets ended the first round with a three and two won and lost record while the girls ended with five wins to no losses.

The second round will begin Thursday night when both teams go to Olden for games. The Olden boys won over Cisco in the first game and the Cisco girls won over Olden.

In the Midget-Carbon game Bobby Lee Johnson and Herbie Gallegos tied for scoring honors with 10 points each. The Midgets were never in danger and every boy on the "A" team who was in suit got to play.

Venita McLester and Bonnie Owens made eight points each for the Cisco girls to aid them in winning over the favored Carbon girls. Donnie Owens made one point. The Carbon girls kept the high scoring Donnie away from the basket during all the contest.

Mrs. Joe Harper of Ranger visited in the home of her grandmother, Mrs. Ben Parker, Monday.

District Affair Set For Saturday

More than a hundred students of area cities are expected in Cisco Saturday to take part in an all-district band clinic to be held all day at the Junior High School. Director Kenneth St. Clair and his Lobo Band will be hosts for the clinic.

This colorful and accomplished district organization is composed of advanced players from 15 bands of the surrounding region, and the group meets twice each spring for a day of music making. This week's clinic is the first of the new year.

Musicians are expected here from Dublin, DeLeon, Comanche, Eastland, Ranger, Cross Plains, Coleman, San Saba, Santa Anna, Hamilton, Stephenville, Brady, Breckenridge and Cisco.

The climax of the day's program will be a full band concert to be held Saturday night in the junior high gymnasium. A tentative program for the concert includes several rousing marches, "Blue Tango," "Samba," and others. The concert will begin at 7:30 p. m. and there will be no admission charges.

The general public has been invited to attend the concert. The Cisco Band Parents Association has made plans to help entertain the visitors and to assist with the program, Mr. St. Clair said.

Pancake Supper Is Planned By Booster's Club

Members of the Cisco Boosters Club, at their regular meeting at the high school building Monday night, set the date for their coming pancake supper as the first week in March.

The supper has been planned as a means of raising funds to carry on the work of the club, which was organized for the purpose of aiding in the athletic program for the Cisco schools.

Committees to handle the details of the planned supper will be appointed later, it was announced by President Bob Latson.

Other projects of the club were discussed and members were urged to sell tickets to the minstrel sponsored by the Boosters and the fire department. The Boosters Club receives half of the money from the tickets the members sell.

It was announced that there would be no meeting Monday, January 26, due to the presentation of the minstrel.

Following the meeting, coffee and donuts were served in the school lunchroom.

Methodist Will Resume Dinners

Members of the First Methodist Church have announced plans to resume Wednesday night the regular weekly fellowship dinners held in the basement of the church building. The weekly event was suspended a few weeks ago, it was announced. The dinner has been scheduled for 6:30 p. m.

The program for the evening will begin with the rehearsal of the youth choir at 6 p. m. The entire group will study the "Mission To Africa." Those who wish to attend the dinner only were reminded to be at the building at 7 p. m. The adult choir will hold its practice at 7:30 p. m. It was announced that a nursery would be provided for the smaller children.

At the dinners each family brings a covered dish according to the following schedule; those whose family name begins with the letters A through F bring vegetables and rolls; G through L bring meats, M through R bring salads and rolls and S through Y bring desserts.

All members of the church and their families were invited to attend the dinners.

RECORD EPIDEMICS LEAVE BIG GROUP FOR POLIO TREATMENTS

NEW YORK, Jan. 20.—The record epidemics of the last five years have left an aftermath of 55,000 polio patients who will still need follow-up care in 1953, it was disclosed today by the National Foundation for Infantile Paralysis in announcing an extensive plan for improving the lot of the long-term polio patient.

Dr. Hart E. Van Riper, medical director of the March of Dimes organization, said: "There is no blueprint for re-

habilitation. Nor is there any short-cut method to speed the recovery of disabled persons. The problem requires careful up-to-date planning geared to the needs of the individual patient."

Toward that end, he said, 12 regional work conferences on nursing care of the polio patient will be conducted during February through May by the National League for Nursing in cooperation with university schools of nursing and state nursing leagues. At the conferences, consultant services from the National League for Nursing, will be available through a March of Dimes grant.

FOR SALE

285 acres good land in Sabanoa area; good grass, well improved, good fence, good modern house with all utilities. Half minerals. All goes for \$50 per acre.

MUSIC THROUGH THE FIGHTING—Two members of the famed Black Watch fighting bagpipe band are emerging from their bunker, near the front lines in Korea, in full dress for band practice. Piper John Mitchell, left, carries his instrument and John Skinner has the drum that has been with the band for 15 years. The band's music echoes pleasantly in the Korean hills.

3 Texas 4-H'ers Win National Honors

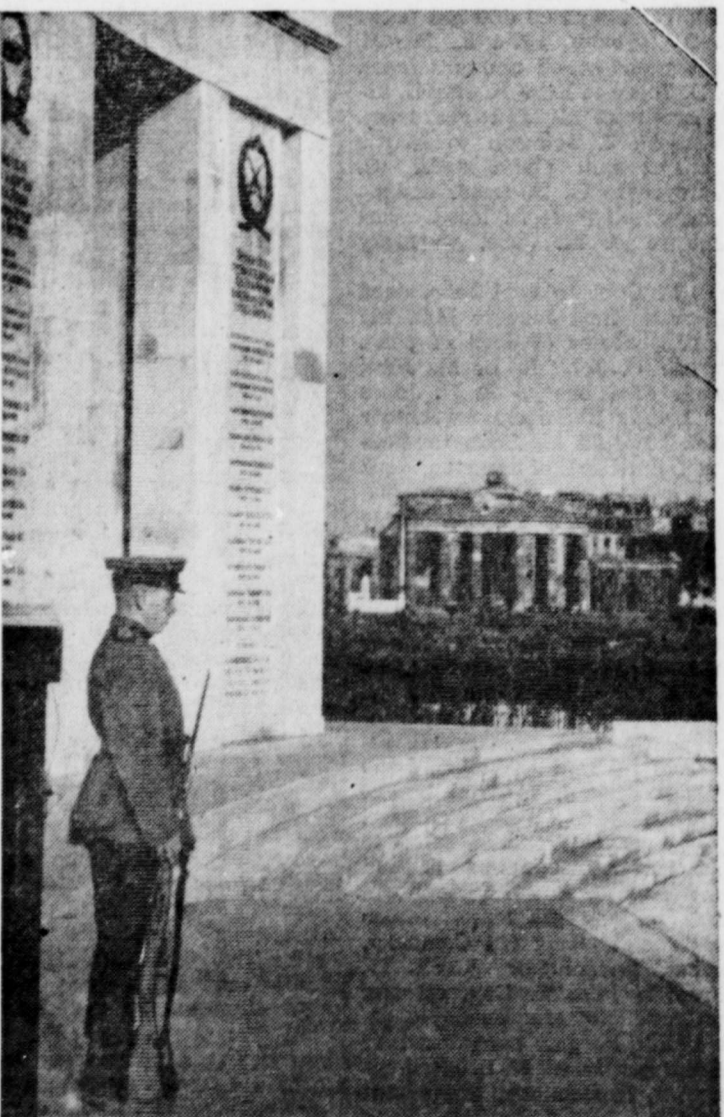

HIGHEST HONORS were accorded 4-H Club members recently when they were named national winners in their respective programs. Pictured here are Texas' national winners in Farm and Home Safety, Food Preparation and Beautification of Home Grounds.

Donald Bayer, 17, Muenster, Texas, a national winner in the 4-H Farm and Home Safety program, completed five years of safety work under the leadership of his father, Martin Bayer. He made a safety survey of his town, posted crosses on hazards, checked his own farm and home and assisted fellow members in their surveys. During Farm Safety Week he gave two talks, made four posters for display, and distributed 600 farm safety sheets. He is chairman of the safety committee in his club and has presented 19 demonstrations on this subject before 1,596 people.

Irene Polasek, 19, Corpus Christi, Texas, a six-year member, prepared 4,165 meals and baked 181 dozen rolls, 205 dozen biscuits, 474 dozen cookies, 236 cakes and 272 pies, won national honors in the 4-H Food Preparation program. Since her mother's death two years ago she has planned and prepared the family meals. She is the junior leader of her club. Irene has given numerous demonstrations, and baked many cakes, pies, cookies and biscuits for church suppers, parties and picnics. Last year she was foods chairman for the 4-H.

All these programs are conducted under the direction of the Cooperative Extension Service. Elwyn Ellis, 15, Plainview, Texas, a six-year clubster, enjoys "watching things grow", so enrolled in the 4-H Beautification of Home Grounds program, in which she has been named a national winner for 1935. He and his mother, a former 4-H'er, planned improvements long before their three rooms were re-modeled into an eight room home. Elwyn helped plant a fruit orchard north of the house, which is a windbreak and screen for outbuildings. Plantings include pecan, walnut, catalpa, ash, a privet hedge, lilacs, forsythia, roses, and red leaf barberry. He is proud of his lawn, and he helped build concrete porches, walk, outdoor living room and chairs. His father is club leader. Donald received a \$300 college scholarship from General Motors, Detroit, Michigan, and Miss Polasek received a \$300 college scholarship provided by Kelvinator, Detroit, Michigan. A trip to Chicago Club Congress was given to Elwyn by Mrs. Charles Walgreen of Chicago, Illinois.

DANGER ZONE—About 100 yards from the Brandenburg Gate in the British sector of Berlin, a Russian soldier stands guard at the Soviet War Memorial. Russian troops must pass through the British boundary in order to reach this spot and change their guard. The statue is also the only place said to be safe for Allied photographers to make pictures of Russians without danger of arrest or confiscation of cameras.

AND NEWS OF INTEREST TO WOMEN

Ruth Circle Holds Meeting On Monday

Baptist Women Around The World was the theme of the program presented at the regular meeting of the Ruth Circle of the East Cisco Baptist Church Monday in the home of Mrs. O. Fenley.

The meeting opened with the role chairman, Mrs. R. C. Smith, in charge. The opening song was "Send The Light" and opening prayer was by Mrs. Don Rupe. Mrs. V. H. Bosworth was in charge of the program after which Mrs. J. D. Hall dismissed

the meeting with prayer. A social hour followed and refreshments were served to Mrs. V. H. Bosworth, Mrs. Enis Qualls, Mrs. I. E. Hodnett, Mrs. Pauline Taylor, Mrs. R. C. Smith, Mrs. J. D. Hall, Mrs. Don Rupe and the hostess, Mrs. Fenley.

COME TO CHURCH

Recent Bride Given Shower Thursday

Mrs. John C. Nelms, the former Miss Wanda Joyner, was honored at a miscellaneous shower Thursday at the home of Mr. and Mrs. O. C. Lomax.

Hostesses for the affair were Mesdames Claud Yeager, John Shertzer, B. E. Morehart, Doyle Thompson, Carrell Smith, D. P. King, Ima Thompson, Jeff Phippen, Sam King, S. H. Nance, and O. C. Lomax.

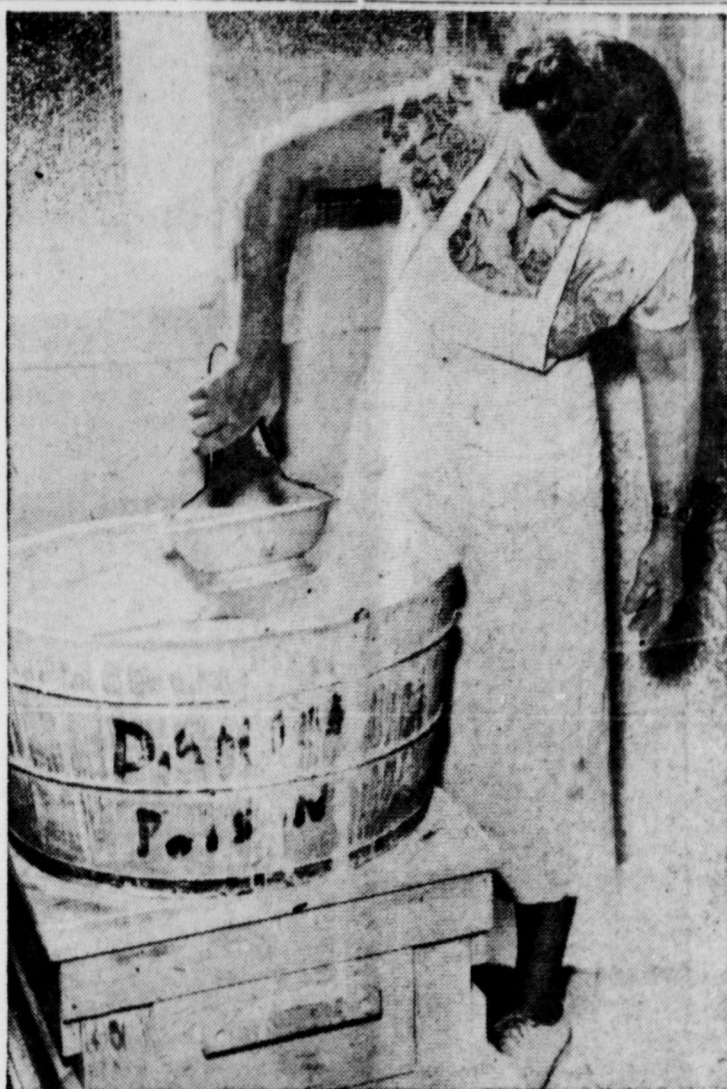

Mrs. Claud Yeager presided at the brides book and Mrs. John Shertzer directed the guests to the dining room where they were served cake and punch from a table laid with a white Irish linen cloth and centered with a pink cyclamen flower. Table appointments were of crystal and silver.

Mrs. Carrell Smith ladeled the punch and Mrs. Jeff Phippen served the cake. Favors were miniature marriage license.

Games were played by the group with high score going to the honoree.

Those attending were Mr. and Mrs. W. M. Joyner and sons, Billy and Mike, Mr. and Mrs. R. V. Rendall and Judy, and Mesdames Allie Nelms, John Penn, Elvis Nelms, Charles Elam, Ruben Coats and son, J. D. Wilson, Inez Ricks, E. H. Lightfoot, L. W. Seymour, George Davis, Smitty Huestis, Hallie Parker, F. W. Burkman, W. A. Burkman, F. O. Burkman, S. H. McCantles, Floyd Harrelson, Leo Clinton, R. S. Elliott, J. T. Anderson, C. M. Pogue, Clint Jones, T. G. Caudle, A. R. Schmitt, and the hostesses.

Those sending gifts were Mesdames E. C. Barnes, N. M. Phippen, Joe Coats, A. L. Poyner, Roy Phippen, Aaron Jones, J. W. Crowder, Jess Simmons, J. M. Simmons, Edith Rainbolt, J. T. Fields, O. H. Doss, Clifford Phippen, Lee Yeager, Mary Stuard, J. J. Porter, P. Pettit, E. L. Pugh, Bill Huber, Emmitt Green, R. B. Thames, C. B. Hill, Robert Jones, Paul Huestis, Wilson Meglasson, Vera Doyl, C. E. Hailey, Roy Williams, J. F. Wilson, Alton Kimball, Rudolph Schaefer, E. L. Hazelwood, Tom Stark, T. J. Dean, A. D. Anderson, Paul

DIPPING IN—Mrs. Katherine Verkest has more to do with dishes than just washing and drying. She helps make them at a plant of a leading U. S. china manufacturer in Antioch, Ill. Dipping in glaze is rather heavy work, done usually by a man, but Mrs. Verkest, a department head, took it over in wartime and has kept at it. The trick is to get each piece covered completely and to shake it properly to prevent "curtains."

Woods, Clyde Coats, Homer Ferguson, Jasper Elam, Mack Been, Lillia Billman, Fred Steffey, Ed Huestis, Misses Erma Ruth Jones, and Jane Huestis, Mr. and Mrs. L. J. Nelms, The Boss Manufacturing Company, and the banders of the Boss Manufacturing Company.

Civil Service To Hold Job Exams

The U. S. Civil Service Commission has announced new examinations for the following positions: Optometrist, \$3,410 and \$4,205 a year; Bookbinder (Hand Work and Machine Operators), \$2.43 an hour; Cylinder Pressman, \$2.64 an hour; Printer-Hand Compositor, \$2.67 an hour; Electrotypist (Finisher and Molder), \$2.88 an hour; Stereotypist, \$2.81 an hour; and Junior Hand Compositor, \$1.38 an hour.

The positions of Optometrist are located in various Federal agencies except the Veterans Administration, in Washington, D. C., and throughout the United States. Applicants must show appropriate education or experience or both and must be licensed to practice optometry in a State or Territory of the United States or in the District of Columbia.

The positions of Bookbinder, Cylinder Pressman, Printer-Hand Compositor, Electrotypist, and Stereotypist are in the Govern-

ment Printing Office and the Bureau of Engraving and Printing in Washington, D. C. Junior Hand Compositor jobs are in various other agencies. Applicants must have had experience in the type of work applied for.

No written test is required for any of the above examinations. Age limits are from 18 to 62, waived for persons entitled to veteran preference.

Detailed information and applications may be obtained from the Commission's local secretary, Sam King, at the Cisco Post Office, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications should be sent to the Commission's Washington office. Applications for Optometrist will be accepted until February 24, 1953, for other positions, until further notice.

East Baptist JOY Circle Has Meeting

The JOY Circle of the East Cisco Baptist Church met Monday in the educational building of the church for a royal service program.

The devotional was given by Mrs. R. L. Bailey with opening prayer by Miss Ola Mae Henderson. A study of Baptist Women Around The World was held and the meeting closed with prayer by Mrs. F. C. Bradley, Jr.

Those attending the meeting were Mrs. F. C. Bradley, Jr., Mrs. R. E. McCord, Mrs. Ella Jo Nelms, Mrs. R. L. Bailey and Miss Ola Mae Henderson.

A new type motor oil for the new cars

Your new car needs this new type oil

Prevents "4000-mile knock." Many 1952 and practically all the 1953 automobiles have high compression engines.

You've heard about these fine new engines. You know, for example, that they require gasoline with extra anti-knock performance... a gasoline like Humble Esso Extra.

Now, Detroit's automotive engineers have discovered that high compression engines need an entirely new type of motor oil. With conventional oils in the crankcase, the new engines have a tendency to ping, or knock, after four to eight thousand miles of driving.

This "4000-mile knock" is caused by combustion chamber deposits; these increase the compression ratio to a point where no commercial gasoline will give you anti-knock performance.

Humble Esso Uniflo, an entirely new type motor oil, prevents the formation of deposits that cause "4000-mile knock" in high compression engines if you begin to use it regularly in the first 1000 miles of driving.

Protects against friction wear and acid corrosion. Second, the engineers discovered that friction is the chief cause of wear in automobile engines. Moving parts in the new engines are so carefully machined that they fit very closely. This gives you much better performance from your car, but it also requires superior lubrication. Heavy oils and oils that "thicken" in cold weather don't flow readily between such closely fitting parts. The result is excessive wear from friction, and expensive engine overhauls... To minimize friction wear... again you need Humble's new Esso Uniflo Motor Oil.

Esso Uniflo has such an amazingly high viscosity index that it gives you the quick-flowing characteristics of an SAE 5W oil at 25° below zero Fahrenheit, and the tough, full body of an SAE 20 oil at 110° Fahrenheit.

Furthermore, the additives in Esso Uniflo are anti-acid—this new type oil cuts acid corrosion as much as 50%.

You Need Only One Grade of Humble Esso Uniflo. You use it year 'round. Esso Uniflo meets all the specifications for SAE viscosity classifications 5W, 10W, 20W and 20. It is a heavy duty, detergent oil, recommended for API service classifications ML (light duty), MM (medium duty), MS (severe duty) and DG (general diesel duty). Its viscosity index is amazingly high.

Premium Value—Premium Price
Humble Esso Uniflo costs something more than most motor oils. But you'll agree that the small extra cost—less than one-tenth of a cent for each mile of driving—is cheap insurance against "4000-mile knock," friction wear, and acid corrosion!

A Word to Owners of Older Automobiles

If you use an oil meeting SAE viscosity classifications up to 20—you will find it profitable to change to Humble's new type Esso Uniflo. It will protect your car against friction wear and acid corrosion; reduce starting drag and extend battery life.

If your engine has just been rebuilt—change to Esso Uniflo. It will prevent the deposits causing "4000-mile knock"; it will protect against wear from friction and corrosion, reduce starting drag and extend battery life.

If you use SAE 30 or SAE 40 oil—Humble continues to recommend Esso Extra Motor Oil No. 3, a high quality, heavy duty, detergent oil with a viscosity index second only to that of Esso Uniflo.

So different
it creates a field all its own...
an entirely new kind of Chevrolet
to be compared only with
higher-priced cars!

THE STRIKING NEW BEL AIR 4-DOOR SEDAN
(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

new Chevrolet Bel Air series

CHEVROLET
MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CARS!

Heading three great new lines for '53

Now, in the Bel Air series, Chevrolet creates for you a new class of American cars. Here is distinction of appearance and fineness of appointments far beyond anything in Chevrolet's field.

The Bel Air series includes four models—2-door and 4-door sedans, sport coupe and convertible. Twelve other models are in the "Two-Ten" De Luxe and "One-Fifty" Special series. Sixteen models in all, provide a new Chevrolet for every buyer and every need. All give you new high compression power, greater gasoline mileage. A new Powerglide* automatic transmission, and Power Steering,* are among the greatest advances. Come in and see all the new features that make Chevrolet for '53 entirely new through and through!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power steering available on all models.

Startlingly NEW... wonderfully different!

Mrs. John C. Nelms of Andrews, who has been visiting her parents, Mr. and Mrs. W. M. Joyner, returned home today accompanied by her husband's mother, Mrs. Allie Nelms, and her sister-in-law, Mrs. Elvis Nelms and sons.

SEE YOU SOON—That's probably what this young Parisian said as he kissed his tiny girl friend good-bye. The lad was merely heading for the boys' entrance of the school around the corner, after leaving his "cherie" at her required destination. Those brief cases undoubtedly hold a lot of crayons and drawing paper to make some mighty fancy pictures.

Cisco Corporal ---

(From page one)

quarters company of the 32nd Regiment, topped 18 candidates in the 7th Division and received his final check by General Van Fleet's aide, Maj. Lawrence G. Matthews of Forrest City, Ark.

He learned he was the winner six days ago and received a new uniform with the title "assistant driver to the commanding general." McWhorter said Sunday "I haven't driven the general yet. Although I've been on standby a number of times."

The corporal's wife and daughter reside with her parents in Humbletown here. The little girl was born last August 10 and

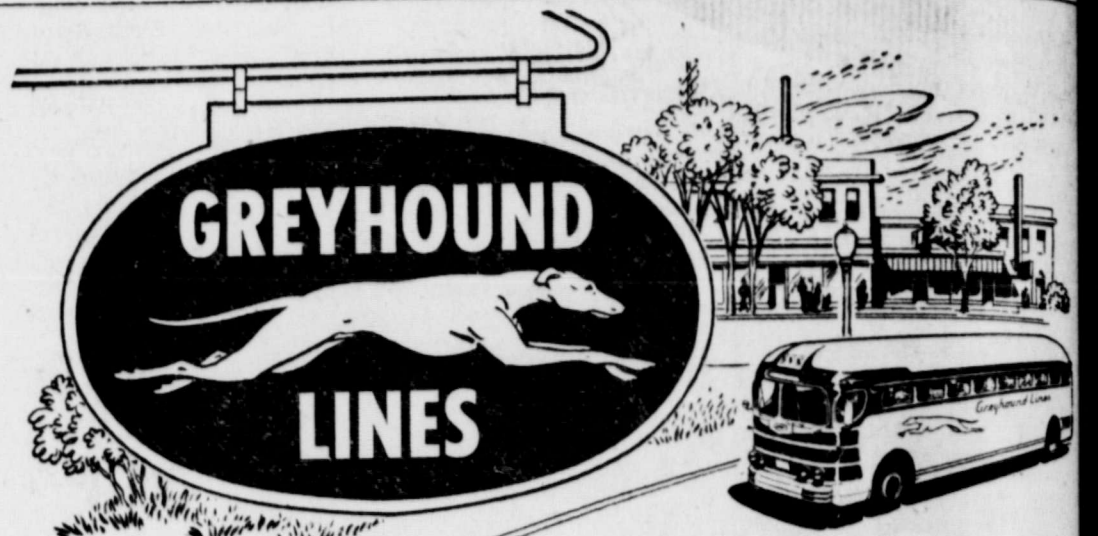

her dad hasn't met her yet. Corp. McWhorter and his wife met while they attended Ranger Junior College. He is a native of Mineral Wells and is the son of Mrs. Zepha McWhorter of that city. He has been in Korea since last May and his wife looks for him home about July, 1953.

Mr. and Mrs. E. G. Bishop of Sherman visited in the home of her parents, Mr. and Mrs. T. L. Crowder Sunday. The Bishops, accompanied by Mrs. Crowder, also visited their sister and daughter, Mrs. Jim Fleming, in Albany.

Life's greatest tragedy is the man with a ten by twelve intellect and a two by four soul.—Dr. L. R. Akers in Christian Youth Herald.
