

The Gay Philosopher

By J. W. S.

UNLESS A LOT of Cisco folks paid their poll tax over at the county office, our town won't set any records when it comes to holding elections this year. Only 408 people were issued poll tax receipts at the Chamber of Commerce offices. This compares with something like 2,000 poll tax holders for 1952.

Mr. Stanley Webb, the county tax assessor and collector, tells us that poll tax paying was light all over the county. He won't know just how many receipts were issued until all of the deputy collectors turn in their final reports.

WENT OUT to the Cisco Country Club late Tuesday to have a look at the new greens. They're still a bit rough but play will take the rough edges off. The two new greens have added one stroke to the par. We would estimate that you'll use at least three and maybe five extra strokes on the two holes.

Mr. Chesley Tipton was the first man to make a birdie on one of the new holes. He scored on No. 3 last Saturday afternoon.

Mrs. Jack Anderson tells us that the Country Club is planning a big chili supper for members and their families on Friday night of this week. It's all free.

UP AT THE X-Ray Barber Shop, they're growing rubber. The big green plant in the front corner of the shop is a genuine rubber plant. When they got it, the plant was very small. In a little over a year, it almost reaches the ceiling.

GLAD TO SEE Mr. A. L. Farley back home. He and Mrs. F. arrived Sunday from the Mayo Clinic at Rochester, Minn., where he underwent treatment for the past three weeks. He's feeling fine and expects to go back to work out at the Humble Pipe Line offices next week.

A month in the north country convinced the Farleys that this area is a fine place, indeed. They report that Minnesota is under several feet of snow and has been for months.

THE CJC MUSIC Department is still a very busy place. Director Robert Clinton and his musicians receive just about all the invitations to stage programs that they can handle. Monday, for example, was a good day for the department. At noon, the Madrigal Singers and the Girls' Trio went over to Breckenridge for a Jaycee luncheon. And Monday night, they returned to the same town to provide the program for a banquet of school teachers.

MRS. PEGGY Gallagher of the CoFC office tells us that the good people of our town have done very nicely in providing some fine gifts for little Miss Lavelda McGough, the 18-months old polio victim who is learning to walk on crutches.

Scores of gifts came in, including a bed, mattress, sheets, pillow, numerous items of clothing, toys and the like.

THE MAIL BRINGS us a disconcerting bit of information: The groundhog is a phony weatherman. The item follows:

Scientific research has refuted the famed weather myth that when the groundhog sees his shadow on February 2nd there's a long winter ahead. The pure and simple truth of the matter is that the groundhog is a phony.

Experiments have shown that most wild groundhogs are sound asleep on February 2nd, weather or no, and they don't arise till early March. The groundhog is actually a sluggish animal, a little on the stupid side, and doesn't even know when he's casting a shadow. Lab tests have determined that several minutes of continuous exposure to loud noises, heat or light, will wake the groundhog from deep hibernation at any time during the winter season, and weather is no factor at all.

The only animal with a day all its own marked off on the calendar, the groundhog is no spring prophet. Every Groundhog Day for 25 years, thirty or more Boy Scouts have stood 8-hour groundhog-hole watch, and no groundhog has ever appeared, although the weather varied greatly. Talks with zoo keepers, scientific staffs and other experts show that this animal knows less than nothing about the day that honors him.

WARM WEATHER LOOK—Although Spring is still far off, workmen in Chicago are removing trees along Michigan Avenue for transplanting to a drive about a mile away. The trees were moved during an unseasonable warm spell when the temperature reached 45 degrees.

Court Decision Favors State In Oil Litigation

AUSTIN, Feb. 4.—Attorney General John Ben Shepperd was notified January 29 by District Judge Paul Martineau of Corpus Christi that the multi-million dollar Texas Company case had been decided in favor of the State of Texas.

The suit was the first major case tried under Shepperd's administration.

In Austin, Shepperd termed the judgment a "far-reaching victory for the school children of Texas."

All funds recovered will go to the Permanent School Fund.

The Corpus Court set aside two mineral deeds and held the State has title to the minerals under 4000 acres of Duval County land including all oil and gas produced.

The land now has over 40 producing oil wells, drilled by the Texas Company.

Under the judge's decision, the Texas Company will be allowed to deduct good faith expenses spent in developing the property.

John Peace, Executive Assistant Attorney General tried the case for the State. He was assisted by Special Assistant Charles D. Mathews of Austin.

If upheld by the appellate courts, the trial court's decision will mean several millions in income to the Permanent School Fund. Approximately one million dollars in past income and the value of the minerals and the wells would immediately accrue to the State.

Further development of the area would result through releasing of the land and the wells.

March Of Dimes Drive Extended

Mrs. J. A. Bates of Ranger, county chairman for the March of Dimes campaign, announced this week that the drive had been extended in an effort to raise the quota of \$1 per person. She announced that the quota was far from being reached and called on all workers and citizens to put forth additional effort in an attempt to reach the goal.

Mrs. Bates said that Ranger, Cisco and Eastland were far behind in their drives and that most of the smaller communities were lagging.

The high quota was set in order to wipe out a deficit of some \$10,000, and to have a working balance for the year.

NEW GRAND JURY BEGINS WORK WITH DISTRICT COURT MONDAY

Turner Collie, judge of the 91st District Court in Eastland, Monday opened the new term of court by swearing in the first grand jury for the year.

Selected for jury duty were George Ruppert and H. L. Thompson of Cisco, Dixon Boggs of Rising Star, Fort Reed of Desdemona, A. J. Blevins, Sr., Frank Crowell, L. D. Harris, R. N. Wilson, Tom Poe, T. L. Fagg and E. C. Satterwhite, all of Eastland, and P. O. Burns of Okra. Burns was named foreman.

Some two or three defendants were in the Eastland County jail awaiting action of the grand jury.

LAST SECOND SCORE ENABLES LOBOES TO DEFEAT COMANCHE

Jim Webb sank a jump shot in the last second of play in Comanche Tuesday night to aid the Loboes in winning their District AA-10 basketball game from the Indians, and to put the Comanche team out of running in the round robin play.

With seven seconds to play Comanche was leading the Loboes 40-41. On a Cisco foul the Indians received two free throws and missed on both tosses. Webb took the ball on the rebound, and it was passed rapidly down court where Webb tipped it in on a jump toss as the final whistle sounded, to give the Loboes their

second conference win of the season.

Webb and Dalton Hicks of the Indians tied for high point honors when they sank three field goals and seven free throws for 13 points each. George Callarman of Cisco and Lloyd Biggs of Comanche tied for second place with 10 points each.

Bob Lloyd, starting his first game for the Loboes, was given much of the credit for the win with his play off the boards and his guarding of Comanche's leading scorer in previous games.

The Cisco win Tuesday night threw the district into a muddle as they knocked the Indians out of the running. Stephenville defeated Ranger to go into a virtual tie for the lead. If Stephenville beats Comanche Friday night they will be forced to play Ranger a single game to decide the winner of round robin play.

The winner of the round robin will play the winner of the district tournament for the district championship.

In two other games played Tuesday night the Cisco "B" team lost a 35-39 decision to the Comanche "B" team and the Cisco Queens lost to the Comanche girls 43-28.

Kitty Lou Phippen led the Cisco girls in scoring with 16 points but trailed Bradley of Comanche for game honors. Bradley sank 10 field goals and two free throws for 22 points. Marie Borst made eight of the Cisco points and Shirley Miller made the remaining four.

The games Tuesday night wound up conference play for both Cisco teams until the district tournament which will be held in Stephenville on February 13-14.

FOR GOOD SERVICE on your Olds and Cadillac Osborne Motor Co. — Eastland

Breck Orchestra Will Play On CJC Program Friday

One of the feature numbers for the Variety Show to be presented Friday night at Cisco Junior College auditorium will be "The Dixielanders" from Breckenridge High School. The program is being arranged here by the college music department.

The Dixieland Band is directed by Alton Roan, band director at Breckenridge High School. Vocalist with the group will be Miss Caroline Marten.

Various other high school groups from area schools will be featured in the first part of the evening's program. The second part will feature musical numbers from Cisco Junior College.

Admission charges will be 35 cents for everyone. The program will begin at 7.30 o'clock.

Two Men Receive Prison Sentences In District Court

Two men were sentenced Monday in action by the 91st District Court which opened its first 1953 session with Judge Turner Collie on the bench.

Jack Gibbs, who faced a cattle theft charge, waived jury trial and entered a plea of guilty. He was assessed a sentence of 10 years in the penitentiary on the cattle theft charge and a two year term on a worthless check charge. After the trial he was sent to the Tarrant County jail where he faces similar charges. He was recently given a heavy sentence in Palo Pinto County on other charges.

P. G. Worden of the state of Washington received a sentence of three years in the state penitentiary on burglary charges stemming from the burglary of an Eastland filling station.

It was reported that several cases would be heard this week.

Boosters Begin Safety Project

President Bob Latson of the Cisco Boosters Club announced Wednesday that plans were progressing for the Scotch-Lite safety project to be sponsored by the club, and that full details would be announced this week as to the time and place the safety material would be placed on sale by club members.

The Scotch-Lite tape was designed as a safety measure, and has the approval of the Texas Department of Public Safety and other safety organizations. The tape is placed on the rear bumpers of cars and glows in the dark so that approaching cars may see it in time to avoid collisions. The cost of the tape has been set by officials at \$1 per car.

Local officials and police officers are cooperating in the project and will work with the club in conducting a safety lane later in the month. The time and place will be announced later.

Mrs. R. P. Truly Dies At Eastland

Mrs. R. P. Truly of Eastland widow of the late Judge R. P. Truly, died at 9:30 a. m. Tuesday at her home there. Mrs. Truly, 93, had been ill for about a week.

She was a pioneer West Texan and had lived in many places in the area prior to her death. Funeral arrangements were pending but it was announced that Hamner Funeral Home of Eastland would be in charge of the services.

Survivors are four daughters, including Miss Genevieve Truly and Mrs. J. M. Davis of Eastland.

PAMELA JO HALLIBURTON
Mr. and Mrs. Lynn Halliburton became the parents of a daughter, Pamela Jo, at Graham Hospital here Sunday, Feb. 1. The little girl, who weighed five pounds and eight ounces, and her mother are doing nicely. Mr. Halliburton is head of the produce department at the A & P Grocery Store here.

A captive balloon is one which is moored to the ground.

JUNIOR CAGE TEAMS TO MEET IN CHAMPIONSHIP CONTESTS

The championship of the girls division in the district grade school basketball competition will probably be decided here Friday night as the Cisco Junior High School teams play boys and girls from Carbon.

The Cisco girls are currently leading in the conference chase with a perfect slate. Carbon is in second place with one loss. Their only loss was to Cisco earlier in the season. The Cisco girls had to come from behind in the Eastland tournament last week to defeat the Carbon girls by a two point margin.

The Cisco boys are out of the running for the district crown, but have shown improvements and were expected to win the remainder of their games. The play for the district crown will end in Gorman on February 9 when Cisco and the Gorman teams meet. The games with Carbon will be the last home games for the Cisco teams, with the exception of the local tournament scheduled for February 12-13-14.

The Cisco Junior High teams won two trophies in the Eastland tournament held recently when the girls won the championship in their division by downing Carbon 18-16, and the boys were the runnerup when they lost to Eastland in the finals by a 22-25 score.

In games Monday night the Cisco girls defeated the Eastland girls in a conference game 25-14 and the boys lost to Eastland in the final three minutes 26-32.

Bonnie Owens won high point honors in the girls game with 10. Other Cisco girls making points were Bonnie Owens, 7; Venita McLester, 4 and Linda Bennie, 4.

Dale Slatton of Eastland was the big gun in the boys game when he made 21 points. His accurate shooting in the final minutes gave the Eastland boys the win over Cisco. Bengi Lipsey was high point player for Cisco with eight. He was closely followed by Johnny Trigg and Herbie Gallegos who made seven each. Ronnie Reed accounted for the other four Cisco points.

Ray Killingsworth, principal of Cisco Junior High School, announced that the school was working on a well rounded program that would see Cisco teams in several events during the spring.

Work has begun on track, and a track team will be entered in the district meet at Stephenville, probably in March. Also entered in district play will be girls and boys volleyball teams and boys softball teams.

In addition to the sports program the school has plans to enter boys and girls in spelling and arithmetic contests as well as other projects. Some 100 students will be entered in a district music conference and contest in Sweetwater in the spring.

Mr. Roy Killingsworth said that

Hansen Test May Make Caddo Well

Prospects were bright today for a third oil producer in the new Strawn sand pool eight miles northeast of Cisco as operators set pipe after successful tests, according to information here. Two other wells are on production in that area.

Another highlight of area oil news was the report that Caddo lime production was in prospect for the area six miles south of Nimrod.

Already producing in the new Strawn pool near the Highway 183 "Y" northeast of Cisco are the Don H. Peaker No. 1 Viola Cesario, the discovery well, and the Peaker No. 1 Lowrance. No potential figures have been released, but reports indicate that the two wells are producing about 25 barrels per day each with high gas-oil ratio. The sand is just below 1,700 feet.

Peaker set pipe Tuesday night on his No. 1 Ivy, the third well and another potential producer located in the same general area.

According to reports, other operators are expected to enter the area with test wells. It was understood that Peaker plans additional drilling.

Six miles south of Nimrod, the Woodson Oil Company No. 1 A. A. Hansen set pipe Tuesday after logging strong gas with a trace of oil in the Caddo lime. Top of the sand was 2,766 feet and the hole was bottomed at 2,822 feet in the Caddo. Location of the well is 900 feet from the south and 330 feet from the east lines of Section 11, A. Winfrey Survey.

McElroy Ranch Company's new Mississippi lime pool seven miles southeast of Cisco had a new gasser today. The No. 1-B Wright has been completed as a shut-in gas well with a daily potential of six million cubic feet. The hole is bottomed at 3,796 feet. Location is in Section 3, Block 3, H&TC Survey.

It was reported that McElroy was preparing to begin drilling their No. 1 Weaver Hague, a southeast offset to the Mississippi lime discovery well in the area. Location is 1,832 feet from the north and 1,325 feet from the west lines of Section 2, Block 3, H&TC Survey.

1953 Car License Tags Put On Sale

The sale of 1953 Texas auto license tags got underway Monday at the tax collector's office in Eastland and at sub-stations in Cisco, Ranger, Gorman, and Rising Star, tax assessor-collector Stanley Webb announced Wednesday.

It was announced that state law requires presentation of last year's registration receipts and certificates of title before license can be issued. Auto license may be secured at sub-stations, but truck and pickup tags must be secured at the courthouse in Eastland.

The 1953 tags are yellow with black numerals and Eastland County has been issued tags with the letters CN and CM as the prefix to the numerals. Webb estimated that some 9,000 tags would be issued in Eastland County.

MADRIGAL GROUP TO SING HERE

The Madrigal Singers of Howard Payne College, Brownwood, will sing Thursday night at the East Cisco Baptist Church at a banquet honoring the Senior Class of Cisco High School, it was announced today. The program will open with group singing led by Carroll Low, followed by a number of duets and features and the Madrigal Singers. Effie C. Fairweather will be narrator. Following the musical program Dr. Nat Tracy will speak on "Youth and Christian Education."

Pelfrey Called As Minister Of Mission Church

The East Cisco Baptist Church has called the Rev. J. C. Pelfrey as pastor for their new Calvary Mission, 21st Street and Avenue D, according to an announcement today by the Rev. F. C. Bradley, pastor. The new mission was opened a few weeks ago.

Rev. Pelfrey, who has been pastor of the church at Atwell for the past several months, will begin his new duties Wednesday night with the weekly prayer service. Regular services will be held each Sunday with Sunday School at 10 a. m. and preaching at 11 a. m. and 7:30 p. m.

Rev. Bradley recently conducted a successful revival at the new mission. Before going to Atwell, Rev. Pelfrey held a pastorate at Staff. W. L. Lewis is superintendent of the Sunday School at the mission.

The public has been invited to attend all of the services.

Minstrel Show To Be Presented At Rising Star

The Cisco Booster Club minstrel Convention Blues, will be presented in Rising Star Monday, February 16, as a benefit for the boy scout organization there, it was announced Tuesday by officers of the club.

The minstrel, which was presented before a full house at the high school auditorium on January 26, will be presented again by popular demand here later in February, it was announced.

It was also reported that other towns in the area were asking for information on the show with the possibility of presenting it in those places.

The proceeds from the Rising Star show will be divided equally between the Boosters Club and the Rising Star Boy Scouts. When it is presented again in Cisco the fire department and the Boosters Club will share jointly in the revenue.

Mr. and Mrs. Eugene Lankford Jr. of Grand Prairie spent Sunday with his parents, Judge and Mrs. Eugene Lankford.

TEXANS ASKED TO CONTRIBUTE \$408,000 TO HEART FUND DRIVE

In the democratic tradition of self-help, Texans were asked today to contribute \$408,000 to the 1953 Heart Fund Drive, which opens this week throughout the nation. The national goal is \$10,000,000. Dr. J. C. Crager, president of the Texas Heart Association, said, "In its fifth year as a national voluntary health agency, the Association's slogan, 'Help Your Heart - Help Your Heart,' has special significance to the increasing number of American citizens who are being reached by our program of research, education, and community service."

Highlighting the special importance of the heart drive to business, S. E. McCreless, chairman of the campaign, said, "Today business men realize that their greatest assets are not their plants, their patents, or the stock on their shelves. Their greatest assets are their own lives and the lives of the men who help make the plans and execute the decisions."

In an analysis of the past year's efforts to combat diseases of the heart and circulation, Dr. Crager pointed to the advances made. "Tremendous accomplishments have been recorded by research scientists in the development of anticoagulating drugs, prevention and treatment techniques in rheumatic fever, in cardiac surgery and in many other areas that will benefit the heart patient. Hypertension and arteriosclerosis, as well as other diseases of the heart and blood vessels, are still the great unconquered killer of man, which must be beaten."

"Our task is the control of the greatest of all health challenges," Dr. Crager said. "More than

750,000 died in the United States from heart diseases in 1952. This is three times the number of deaths from cancer, 26 times those caused by tuberculosis — more than the next five causes of death combined, important as these are. These heart deaths were not confined to old people. More than a third were under 65 and of all who died between the ages of 25 and 44 — in the bloom of their productive years — nearly one-fourth were victims of heart diseases."

According to a recent report, Dr. Crager pointed out, "The heart diseases impose a serious loss of manpower on the armed forces. Of over 1,000 men rejected for medical reasons, 160 are turned down on grounds of heart and circulatory diseases, more than for any other group of physical defects. During World War II, a total of 397,000 men, the equivalent of 27 divisions, were either rejected, given military discharges, or died in military service because of heart disease."

Added to the official voice of the American Heart Association are the widespread pledges of support for the Heart Fund Drive by labor unions, veterans' organizations, women's clubs, military personnel, farm groups and leaders in business and industry.

Volunteers will go out in every community across Texas. This army of volunteers is backed up by official proclamations made by the governor and mayors of cities, towns, schools, churches, scientific organizations, civic groups and business firms to participate in the Heart Fund Drive. From February 1-29, reminders of the need for support of the campaign will be given impetus by the volunteer army of heart workers. An intensified educational campaign will mark American Heart Week, February 8-14, the week which includes Valentine's Day.

Governor Allan Shivers will serve again as the honorary state chairman of the annual Heart Fund campaign, it has been announced by S. E. McCreless of San Antonio, state chairman, and Bruce Barton, national chairman for the 1953 Heart Fund.

Attorney General John Ben Shepperd and State Insurance Commissioner George B. Butler will serve with the governor as honorary co-chairmen. McCreless also announced that William Rawland, Cleburne publisher and president of the Texas Press Association, will be publicity chairman for the February campaign, and that Ben H. Wooten, president of the First National Bank in Dallas, will be state campaign treasurer.

READY FOR FUN—The joyous spirit of the annual carnival in Nice, France, is reflected in the jolly face of this giant figure of the Carnival King, shown perched on a work bench. Soon the huge head will be joined to the body in preparation for the opening of the 10-day yearly fun festival on February 5.

ON THE ROPES—Size doesn't affect the light-footed approach of Negroes, a lion in a circus in London, England. Under the direction of trainer Alexander, the big cat seems to walk a tightrope with the greatest of ease.

DUTCH TREAT—Proving that glamour and kitchen chores can mix, a specially garbed little miss is giving her equally fashion-conscious sister a taste of her cooking in Amsterdam. When mother stepped out of the kitchen for a moment, these lassies took over. It's hard to tell which of the girls—the cook or the taster—is having the most fun.

A NEW FAMILY—Mr. and Mrs. Edward F. Cardwell, a Washington, D. C., Negro couple, were at a New York airport to greet their newly-adopted children. Sonya Gehring, four, and Edward Schmitt, five, offspring of German mothers and American Negro soldiers, now belong to the Cardwells. The tots had been living in an orphanage in Frankfurt, Germany, because their mothers were unable to care for them. Cardwell, a postal clerk, and his wife, a registered nurse, will bring them up.

RESEARCH STAGE—These photos show some of the details in the test program of Boeing's "GAPA" supersonic research missiles, concluded in 1949 at Alamogordo, N. M. The "GAPA" is shown being readied for firing as it rests on its launching rack. The pilotless weapon of the ground-to-air type was never placed in production.

GOING UP—"GAPA" was sponsored by the U. S. Air Force as part of a research program of development for a new defense against possible bomber attack by an enemy. The first firings of the missile were made in 1946 at Wendover, Utah, and the weapon reached speeds of more than 1500 miles per hour. These photos have been released for the first time, with the approval of the Department of Defense.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Mrs. Moore Hostess For Council Meeting

Mrs. Rex Moore was hostess in her home for the weekly meeting of Council Group Four of the C. W. F. of the First Christian Church Tuesday, February 3.

The meeting opened with prayer by Mrs. Moore and due to the absence of the program and devotional leader, the program and devotional was omitted. Mrs. Moore read a short article on "Man Does Not Live By Bread Alone."

During the business session, the group leader, Mrs. J. M. Flournoy, presided. The secretary called the roll and read the minutes of the previous meeting. Following the treasurer's report, the love offering was taken and a discussion of the evangelistic program was held. An invitation was extended to the group to meet in the home of Mrs. Flournoy for the next meeting and the meeting closed with the missionary benediction.

Refreshments were served to Mrs. I. A. Brunkenhoefer, Mrs. Fred Erwin, Mrs. J. M. Flournoy, Mrs. W. C. Hogue, Mrs. V. C. Overall, and the hostess.

Methodist WSCS Has Program Meeting

The weekly meeting of the W. S. C. S. of the First Methodist Church was held Tuesday at the church with the chairman, Mrs. George Davis, in charge.

Mrs. W. E. Ricks led in opening prayer and the minutes of the previous meeting were read and approved. Mrs. Davis gave the treasurer's report in the absence of Mrs. Joyner.

Following a short business meeting, Mrs. Joe Lovelady brought the devotional and led the group in singing, "This Is My Father's World." Mrs. Lovelady then read the following scriptures: Psalm 42: 1-2; Psalm 100; Isaiah 56:6-8; and John 4: 7-21 and read the poem, "Beneath The Heart of Africa."

Mrs. Paul Woods brought the study entitled, Africans On Sassari. Mrs. Robert Snoddy read Life In An African Village and the meeting closed with prayer by Mrs. Davis.

The W. S. C. S. will meet in circles Tuesday as follows: Circle one at the home of Mrs. S. H. McCanties; Circle Two in the home of Mrs. John Speir; and Circle Three in the home of Mrs. Carrell Smith.

Those attending the meeting were Mesdames George Davis, S. H. Nance, W. E. Ricks, J. T. Anderson, A. D. Anderson, G. P. Rainbolt, Carrell Smith, John Speir, Paul Woods, Robert Snoddy, J. M. Williamson, J. W. Slaughter, Joe Lovelady, and Rudolph Schaefer.

Garden Club Hears Abilene Woman Talk

Miss Wilma Lucus of Abilene was the main speaker at the monthly meeting of the Cisco Garden Club held Monday afternoon.

Miss Lucus made arrangements of dry materials and a doll arrangement. In her talk, Miss Lucus stressed the importance of color, arrangement, and the place where the arrangement will be placed. She also urged the members to be prepared for the local flower show to be held in April.

Mrs. Don Choate presided over the business session and Mrs. Lamb acted as secretary in the absence of Mrs. Charles Spears. Routine business was transacted and an announcement was made of the flower pilgrimage to be held in Albany in the near future. Other announcements were made and the meeting closed in regular form.

Approximately thirty members attended.

Council Group Meets At Spain Residence

The weekly meeting of Council Group One of the C. W. F. of the First Christian Church was held in the home of Mrs. Sidney Spain Tuesday, February 3.

Opening prayer was led by Mrs. W. R. Huestis, who also gave the devotional on blessings and obedience. Mrs. W. J. Armstrong gave the lesson on Africa, her subject being, The Beautiful and Useful. A short business session was held.

A social hour followed and refreshments were served by the hostess, to Mrs. W. J. Armstrong, Mrs. Roy Fonville, Mrs. H. R. Garrett, Mrs. Ace Lucus, Mrs. Raby Miller, Mrs. C. B. Powell, Mrs. A. J. Ward, Mrs. W. R. Winston, Mrs. W. R. Huestis, Mrs. J. D. Lauderdale, Miss Marie Winston, and a visitor, Mrs. Fleming Waters.

Order Of Rainbow Has Meeting On Tuesday

The Order of Rainbow for Girls met in regular session Tuesday evening at the Masonic Hall with the newly elected officers taking office.

Routine business was transacted and the group voted to meet at six o'clock instead of 7:30 February 17. The meeting closed in regular form.

Approximately twenty-five members attended.

Belgian Congo Lesson Studied By Council

A lesson on Belgian Congo was taught at the weekly meeting of Council Group Three of the First Christian Church held Tuesday in the home of Mrs. J. S. Stockard.

Mrs. J. F. Benedict presided and Mrs. John Elkins led in opening prayer. The devotional from Matthew 19: 16-23, was given by Mrs. Stockard and the missionary lesson on Belgian Congo was taught by Mrs. H. H. Davis.

A short business session followed in which routine business was transacted and cards sent to the sick. The meeting closed with sentence prayer and the missionary benediction.

A social hour followed and coffee and cake were served to Mrs. J. F. Benedict, Mrs. G. W. Troxell, Mrs. A. L. Clark, Mrs. H. H. Davis, Mrs. Willie Rue Logan, Mrs. John Elkins, Mrs. H. J. Woodriddle, and Mrs. J. S. Stockard.

Presbyterian Circle Has Bible Study Meet

Circle Three of the First Presbyterian Church met Tuesday at the church for Bible study.

The Bible study on The Holy Spirit was led by Mrs. A. E. Jamison. Routine business matters were transacted and the meeting closed with prayer.

Those present were Mrs. A. E. Jamison, Mrs. J. E. Coleman, Mrs. F. E. Harrell, and Mrs. W. W. Wallace.

Joe Ed Schaefer, student at the University of Texas, spent the weekend at home with his parents Mr. and Mrs. Rudolph Schaefer.

Seed Box Planting Studied By HD Club

A demonstration on the planting of seed boxes was given at the regular meeting of the Lake Cisco Home Demonstration Club held Monday in the home of Mrs. Minnie Baum.

Mrs. D. Ball, president, called the meeting to order and roll call was answered with seeds or plants to be exchanged with the members. Mrs. Hazed was elected as T. H. D. A. delegate for the club.

Mrs. Fay Gardenhire gave a short talk on Parliamentary procedure; Mrs. Whitmire on County Council Manual; and Mrs. Ray Judia demonstrated the planting of seed boxes.

Refreshments of coffee and spice cake were served to Mesdames D. Ball, R. L. Justice, C. E. Whitmire, R. V. Rendall, W. Z. Latch, W. D. Hazel, Fay Gardenhire, C. A. Dittmore, Ray Judia, I. D. Reynolds, Mrs. Baum, and two visitors, Pam Reynolds and Judy Rendall.

The next meeting will be held February 16 in the home of Mrs. Dittmore. All members are urged to be present as this is a work meeting.

East Baptist Circle Has Meeting Monday

The Blanche Grove Circle of the East Cisco Baptist Church met Monday in the home of Mrs. J. E. Shirley for their regular Bible study meeting.

The meeting was called to order by the chairman and Mrs. Joe Harris led in opening prayer. Routine business was transacted. Mrs. Shirley led an open discussion of the Bible lesson and closed the meeting with prayer.

Those present were Mrs. Ollie Hughes, Mrs. Joe Harris, Mrs. J. E. Shirley, and Mrs. B. F. Thomas.

Baptist Circle Five Has Meeting Tuesday

Circle Five of the First Baptist Church met in the home of Mrs. W. V. Gardenhire Tuesday morning for the regular meeting.

The chairman, Mrs. C. W. Boles, called the meeting to order and Mrs. M. M. Tabor led in opening prayer. The devotional was led by Mrs. Roy Morrison and the lesson, the second chapter of America Must Be Christian, was taught by Mrs. D. N. Morrison. A short business session followed and the meeting closed with prayer by Mrs. W. B. Cates.

Refreshments were served to Mrs. H. M. Ward, a visitor, and Mesdames C. W. Boles, W. B. Cates, E. H. Cheves, W. C. Clements, Roy Morrison, D. N. Morrison, Roy Phippen, C. W. Reed, J. T. Richardson, M. M. Tabor, and the hostess, Mrs. Gardenhire.

Mrs. LaRoque Hostess For Baptist Circle 3

Mrs. W. H. LaRoque was hostess in her home Tuesday when Circle Three of the First Baptist Church met for their regular business and social meeting.

Mrs. W. W. Sawyers, chairman, called the meeting to order with opening prayer being led by Mrs. O. J. Russell. Mrs. Russell also brought the devotional with scripture reading from Acts 27: 22-23.

Minutes of the previous meeting were read and approved and the assignment for the month was announced which is to furnish flowers for the church. In the absence of the teacher, Mrs. E. J. Poe, the lesson from the book, America Must Be Christian, was taught by Mrs. W. W. Sawyer.

Refreshments were served during the social hour to Mesdames W. W. Sawyers, C. A. Lassiter, O. J. Russell, Walton Baum, and W. H. LaRoque.

You May Leave it to Us -

... to see that your title index records are kept up to date for that's been our business for more than 30 years. The land owner who makes it a practice of bringing his abstract to us for an occasional checking has found that it pays off in dollars and cents. A title has some characteristics of the human body in that it has to withstand the ravages of time. While time may cure some titles, it destroys many others. Don't neglect your title.

HEALTH TALKS

Prepared by the Texas Medical Association

Most of the things a patient being nursed at home needs to be comfortable and happy can be found without going out of the house. It is simply a matter of gathering them together and arranging them within his reach or to suit the convenience of the person caring for him.

Necessary articles include the following: nightclothes of material easily washed and preferably not requiring ironing; toilet articles; a water pitcher and a drinking glass; paper tissues and a wastepaper bag for their disposal; a bell or other call system; a bedjacket, sweater, or shawl if the patient is allowed to sit up in bed; and a warm bathrobe or dressing gown, and a footstool if he is allowed out of bed. A bedpan and urinal (for a male patient) will be needed if bathroom privileges are not allowed.

The home nurse probably will find it handy to put articles she uses at the same time on a tray, for which she can substitute a firm box top. For example, all the things she needs for a bath, such as the bath linen, rubbing alcohol, and talcum, can be assembled in advance. Such items as a thermometer, absorbent cotton, paper wipes, and toilet paper might be grouped together on another "tray."

Medicines, thermometers, and the like may be kept in the bathroom, but the patient's personal belongings, such as toothbrush and cigarettes, should be left where he can easily get them: in the drawer of a night table, on a straight chair or orange crate, or in the pockets of a shoe bag left within reach. If the sickness is not too serious, material for writing, reading, and other forms of recreation should be close at hand. A radio also may be a welcome diversion.

The patient usually is happier when surrounded by the things he needs, because he doesn't feel as

Bible Baptists Hold Area Meet

An all-day fellowship meeting for area members of Bible Baptist Churches was held here Tuesday at the American Legion Hall, the Rev. R. S. Day, local pastor, reported. Dinner was served Tuesday night.

Speakers on the program included Dr. Elbert Peak, Abilene; Rev. Jack Powers, Big Spring, and Rev. Bob Simmons, Coleman.

Rev. Day described the meeting as a success from all standpoints. He expressed the group's appreciation to the American Legion for use of their building.

Visitors in the home of Mr. and Mrs. E. G. Pierce over the weekend were Mr. and Mrs. Weldon Steel and son of Wink, Mr. and Mrs. Lee Foster of Fort Worth, and Mr. and Mrs. Don Johnson and children of Moran.

AMERICA GOES FORD

From coast to coast folks are swinging to Ford—America's "Worth More" car. It's worth more when you buy it... worth more when you sell it!

ONLY V-8 IN ITS FIELD! Ford's high-compression 110-h.p. V-8 is the type of engine America is swinging to.

HIGH-COMPRESSION SIX! Ford's 101-h.p. Six is the most modern Six in the low-price field.

FULL-CIRCLE VISIBILITY! A curved one-piece windshield and car-wide rear window give you visibility unlimited.

YOUR CHOICE OF 3 GREAT FORDS! Only Ford in its field offers Ford Drive, Overdrive and Conventor plus the gas savings of the Automatic Power Pilot.

CENTER-FILL FUELING! Prevents "hose strafe" on the car's finish and makes filling up easier from either side of the pump. Shorter pipe leaves trunk space for extra suitcase.

POWER-PIVOT SUSPENDED PEDALS! They give easier pedal operation, make foot space of the entire floor space. No dusty, drafty floor holes.

NEW WONDER RIDE! Not just softer springs, more responsive shock absorbers and a wide front tread, but an entirely new concept of driving comfort.

Automatic Drive, Overdrive, white sidewall tires, optional at extra cost. Equipment, accessories and trim subject to change without notice.
