The Gay Philosopher

By J. W. S.

MR. W. P. KNIGHT, who is doing a good job of running the swimming pool and looking after the Cisco Park, was telling us we ought to start a "vacation Cisco" campaign. His enthusiasm for the subject is genuine, and we invited him to write our column on the subject. Here's the article:

People from all over the great southwest tell us what a wonderful place we have at Lake Cisco. The questions they ask about the pool and dam, and when they were built, are easy to answer. However, there are some things we find it difficult to answer.

What would you say, were you asked questions like this: Where are all the swimmers — don't they around here patronize their own pool — if we had a big pool in this back in our town you'd ever see us here.

Before taking charge of the pool, we occasionally heard that people did not appreciate the Lake Cisco recreational area. It just passed these stories as many foundation rumors. Now, after nearly a month at the pool, we know that saying Ciscoans do not appreciate their own pool is an understatement of the year. We could say that many Ciscoans care their lake area.

We believe that it's time for a Cisco Appreciation Week, to be closely followed by a VACATION IN CISCO campaign, with the following phases:

1. To keep Ciscoans vacationing at home.
2. To get others, by letters to friends and relatives, to vacation in Cisco.
3. We all know that dollars have become more plentiful than just pennies. That's an excellent reason to get the most for our vacation dollar, and where can you get more than right here in Cisco? Vacationing in Cisco keeps us close to our friends, and saves us much money by eliminating so much traveling.

When we vacation away, we merely SPEND money — when we vacation here, we INVEST our money in the future of the Cisco area. Dollars spent locally STAY HERE, and do not get away to build up some distant town at Cisco's expense.

We often wonder what Abilene, Dallas, San Angelo, Wichita Falls or some other city would do if they had the largest man-made, concrete-bottomed pool in the world, — a big pool set in a superb natural setting along a main national highway! Our guess is they would do what Cisco should do, and that is to first utilize it fully, then promote its use over the Southwest.

Cisco merchants will tell you that the pool brings money to the area. The Odessa band along with sponsors, spent over \$10.00 each in this area over the May weekend, and this group totalled 150, which meant at least \$150.00 spent here in a few days. Odessa did not come here by chance — they knew that nowhere else in the Southwest would they get so much for their vacation and travel dollar as right here at Lake Cisco. Many other schools had planned trips here, but the last minute decision to open the pool caught them with other plans already made.

The Lake Cisco recreational area can be this district's biggest industry since present places of employment are small and employ but a few workers. As the lake area expanded, there could be jobs for many Ciscoans who must seek employment elsewhere. The first step is to realize what a potential gold mine we have here and utilize it ourselves. You cannot sell something that you do not yourself believe in. As we will become more familiar with the many natural recreational advantages of our lake area, the better we can write and tell our friends about them. Already a number of Ciscoans are doing this area a big favor by getting family reunions to meet at the lake.

The most important phase of the lake recreational area is the big swimming pool. As stated above, high school Senior classes as well as college groups, have cancelled their plans to come here once they learn that the pool would not be open. The Presbyterian Camp would not have built here with-

A TIME FOR TEARS—Alone and torn by grief, Donald Lambert weeps bitterly on the banks of the Little Miami River, near Cincinnati, O., where his two sons drowned after wading into a deep step-off in the water. It was the second time in a week that two brothers met death here.

WORK OF LIONS CLUB STRESSED BY STAMEY IN BANQUET SPEECH

More than 500,000 members of some 10,000 Lions Clubs in 46 countries took part in over 150,000 community betterment projects last year, District Governor O. L. Stamey told members of the Cisco club in a short address Thursday night at a Ladies Night Banquet at the Victor Hotel Coffee Shop.

Mr. Stamey, who took office recently as governor of District 2-E, was the speaker for the program in which new officers were installed for the Cisco club.

The work of Lions clubs, particularly among young people and the blind, has made a lasting impression on the world since Lions International was founded in Dallas in 1917, Mr. Stamey said. He pointed out that much work remains to be done among young people and urged the Cisco club to consider the needs of youth.

"Conservation and improvement of our resources — both natural and personal — are becoming more important with the passing years," he said. "The time has come when we stand to lose many of the things for which our forefathers fought and died. "Hatred and greed tolerance and nutrition and lack of tolerance are some of the foes we must face as we meet the challenges to our democracy — our way of life."

Following his talk, Mr. Stamey installed the officers of the club, as follows: George Davis, president; Dr. C. M. Cleveland and Rev. D. M. Duke, vice presidents; E. G. Damron, secretary; Owen King, assistant secretary; J. T. Eggen, treasurer; W. E. Dean, Lion tamer; Bill Bragg, tail-twister; L. L. Lewis, assistant tail-twister; Rev. Sidney Spain, song leader; Bill Kendall, assistant song leader; Joe Lambert, Sutton Crofts, Truly Carter, Truman Taylor and Gene Abbott, directors.

The program opened with Master of Ceremonies E. L. Jackson calling on A. G. Sander for the

TELEVISION DEMONSTRATION IS PRESENTED AT ROTARY MEETING

Glenn Scott of the information department of Southwestern Bell Telephone Company gave Rotarians an inside look at the workings of television at the regular weekly meeting of the club at the Hotel Victor Thursday.

Mr. Scott had a miniature television transmission station installed for the meeting and gave a complete discussion on the operation of television. He showed how the picture was changed to electricity for transmission to the receiving set, and how it was changed to a picture on the screen.

He explained the coaxial cable and tube and its use in television, then told how programs could be relayed without the use of the cable. He told of the part the telephone company played in

Local Teachers Finish Graduate Course At H-SU

ABILENE, June 26.—Three teachers in the Cisco public schools system and one employee of Cisco Junior College were among the 38 graduate students who have just completed a two-week English Workshop which was held on the Hardin-Simmons University campus in Abilene.

Mrs. Bernice Carter, Mrs. Miriam Bledsoe, and Mrs. Faye Thomas McCauley, all junior high teachers, and Mrs. Carolyn Page, secretary at Cisco Junior College, were enrolled in the course which began June 3 and was concluded Wednesday, June 17.

Miss Eva Rudd of the H-SU English department conducted the workshop. During the course, each student obtained training in one specific field of teaching English. Among the teacher aids studied by the class were new ideas in teaching, ways of aiding superior students, teaching history by use of literature, personality development of the teacher, and choral speaking in elementary grades.

JACK MILNER IS EMPLOYED AS PROFESSIONAL AT LOCAL CLUB

Jack Milner, well known in West Texas golfing circles, has been employed as golf professional and manager of the Cisco Country Club and will take over his duties on July 1, President Bill Mitcham of the club announced today.

A native of Cisco, Jack began his golfing career as a caddie at the local club. In 1951, he won both the annual city championship and the Cisco Invitation Tournaments. He has been runner-up in the local tournaments in other years and has played consistently in the championship flights of area tournaments for several years.

The Cisco Country Club has been without a professional since another home-town golfer, Bill Dill, resigned the post two years ago to accept a pro job at Weatherford.

Mr. Mitcham said the club's board of directors was pleased to have Jack take over the course. The new pro will announce his plans for the club in a few days. The board of directors voted to employ Jack at a recent meeting.

Plans were also discussed to equip the club house with a new roof. Work on this project is due to begin in the near future.

PAMELA JOYCE DONOHOE

T-Sgt. and Mrs. Ottis Donohoe are the parents of a daughter, Pamela Joyce, born in a Puerto Rico hospital on June 11. The little girl weighed seven pounds at birth. Mrs. Stella Donohoe is the paternal grandmother and Mr. and Mrs. Bob Pharr of Cisco are the maternal grandparents. T-Sgt. Donohoe is stationed in Puerto Rico with the Air Force.

Graham Meeting Will End Sunday

DALLAS, June 26.—All the cooperating Pastors in the area are bringing their congregations to the Cotton Bowl, Sunday night, June 28 at 8:00 p. m. for a great closing service in the current crusade with Evangelist Billy Graham.

Plans are being made to erect a huge platform at one end of the field at the Cotton Bowl, thus enabling the evangelist to be seen and heard by all. Expectations are for this event to become the largest religious gathering in the City's history and possibly in the State of Texas.

Mr. Graham's largest audience to date was the one which gathered in Rice Stadium in the summer of 1952 — that Sunday saw 60,000 persons in attendance.

With 75,000 free seats and acres of free parking everyone will be able to get in to this last service of the Billy Graham Crusade, Sunday night, June 28 at 8:00 p. m.

Braves Will Play Exhibition Game

The Little League Braves have scheduled a baseball game to be played at ABC Field Saturday night with a Negro Little League team from Breckenridge.

Game time has been set at 8 p. m., and it will be the only one played Saturday night.

A small admission charge will be made to aid in defraying the expense of the game.

Friday night (tonight) the Giants and the Cards meet in a league contest.

GOES TO PHILADELPHIA

Rev. Leslie W. Seymour, superintendent of Cisco District Methodist churches, left Wednesday by airplane for Philadelphia, Penna., where he will represent this area of Texas at the Methodist World Evangelistic Convocation. He will be home early next week.

Athletics Defeat Cards In League Contest Thursday

A big six run fourth inning gave the Little League Athletics a 13-7 win over the Cardinals in a league game played at ABC Club Field Thursday night.

The Athletics made their six runs in the fourth off two hits and four walks. Lavery, Cardinal pitcher, weakened in the fourth to allow the heavy scoring. He pitched good ball in losing the contest, limiting the Athletics to seven hits and striking out 11 batters. He walked seven during the five inning game.

Chatman was the winning pitcher. He allowed nine hits but gave up only two bases on balls. Lavery was the hitting star of the game when he got three singles on three trips to the plate. Johnny Richardson was the big Athletic at bat. He got two for three.

Schaefer and Bennie each got two hits for the Cards.

In the farm team game the Cardinals came from behind in the final inning to win 17-15. Home runs by Alford and Tony Johnson with two men on each time spelled the difference.

The League game scheduled for Monday night between the Braves and the Cardinals has been postponed until a later date because both Brave managers will be out of town Monday night.

WEST TEXAS LEGIONNAIRES TO ATTEND BROWNWOOD MEETING

BROWNWOOD, June 26.—Members of the American Legion and Auxiliary from the 16th, 17th, 18th, 19th, and 21st Congressional Districts will meet here Saturday and Sunday, June 27 and 28 for the annual Fifth Division Convention for two days of business and pleasure and will hear addresses by State Commander Albert D. Brown, Jr. of Austin, and Olin Culberson, a member of the Texas State Railway Commission and lifelong Legionnaire.

Simultaneously Legionnaires of the 21st district will hold their district convention Saturday afternoon starting at 6 o'clock in the Hotel Brownwood Club Room.

Presiding at the Division Convention will be E. L. "Stonewall" Jackson of Cisco, fifth division commander and Earl Tate of Brownwood, commander, will preside at the 21st district convention starting at 6 o'clock in the afternoon starting at 6 o'clock in the Hotel Brownwood Club Room.

Registration will start at 9 o'clock, Saturday at Hotel Brownwood lobby. Starting at 10 o'clock that morning the 40 & 8 will conduct a Roy Bean Court in downtown Brownwood until 2 o'clock in the afternoon. From 2 o'clock until 5:30 o'clock lunch and refreshments will be served at the American Legion Home. From 5 to 6:30 o'clock, Saturday afternoon, a meeting of the West Texas Salon of the 8 & 40 (women's organization) will be held at Hotel Brownwood.

A tea for district and division visitors will be held at Hotel Brownwood Blue Room from 8 to 9 o'clock Saturday evening. Starting at 9 o'clock on the Hotel Brownwood Roof Garden a dance will be enjoyed.

Sunday morning activities begin with a rehabilitation conference and breakfast starting at 8 o'clock at the Brownwood Hotel. At 10 o'clock a joint meeting of the American Legion and Auxiliary will be held, the meeting to be opened by the commander of the Brownwood Post, Lewis A. Griffin. Invocation will be by the Rev. Phil Runner, pastor of the First Christian Church here. Louie D. Lane, convention chairman, will then take over as master of ceremonies and present Mayor Smith Bell of Brownwood for the welcome address. Response will be by Division Commander Jackson. State Commander Brown, State Auxiliary President Mrs. Adolph Blieden and other Legion dignitaries will then be presented.

The convention address will then be delivered by Commissioner Culberson. This will be followed by a memorial ceremony with the Rev. Lester D. Cochran of Brownwood making the address.

A barbecue dinner will be enjoyed at noon. Business sessions for the American Legion and Auxiliary will follow at 1:30 o'clock. After adjournment the local post will entertain visiting Legionnaires with a swim party at the American Legion swimming pool at Camp Bowie.

Two Sessions Are Planned For Area

Ranchers and farmers of the Cisco area have been invited to attend one or both of two grass identification and range discussion meetings to be held next Monday and Tuesday afternoons, County Agent J. M. Cooper reported here today.

The first meeting will be held Monday, June 29, at 2 p. m. on the Homer Boyd place (old Harrell and Wright Ranch) about three miles north of Cisco.

On Tuesday afternoon, the second meeting will be held on the Robert (Jibby) Donovan Ranch several miles out on the Albany highway. Both meetings will begin at 2 p. m.

The drought and the low price for cattle have given impetus to requests for information on the better grass and proper range management practices, Mr. Cooper said.

The meetings are being sponsored by E. E. McAlister and Bill Garner of the Soil Conservation Service and Mr. Cooper, the county agent.

Bernal Hickman, Rising Star rancher and supervisor of the Upper Leon Soil Conservation District, has been invited to attend the meetings and to discuss the question as to how conservation farming and ranching pays.

The meetings will last for about an hour and a half, and anyone interested has been invited to attend.

String Clinic Is Planned At H-SU

ABILENE, June 26.—The Hardin-Simmons University summer string clinic will be held on the H-SU campus June 29-July 2, university officials announced.

Dr. Herbert M. Preston, professor of violin and theory at H-SU, will be director of the clinic. Guest conductor will be Randall Rustey, H-SU graduate who is supervisor of the string program in Lubbock public schools. Also in the faculty will be Alva Lotspiech, music director of Albany high school and first cellist of the Abilene Symphony Orchestra.

Course of study for the school will include class instruction for pre-college students on all string instruments, private instruction from staff members for those who desire it, section drills for all classes, and a concert by the clinic ensemble at the close of the school on the night of July 3.

Recreational facilities of the university will be available for those who enroll in the week long string school.

Catholic Church Has New Priest

The Rev. Father Camille Boesmans, former missionary priest in China, is the new pastor of Catholic Churches in Eastland County, including Holy Rosary Church of Cisco, it was reported here today. He assumed his duties last week. Rev. Boesmans came to Eastland County from Okarche, Okla. He is 33 years of age and is a native of Belgium. He left his native land after finishing his university training and served as a missionary in China for several years until 1948.

Committee To Pick New Legion Leaders

A nominating committee to recommend a slate of new officers for the John William Butts Post 123 of the American Legion was appointed by Commander W. J. Foxworth at the Post's regular semi-monthly meeting Thursday night at the Legion Hall.

Members of the nominating committee are J. W. Sitton, Rex Moore and Joe Comingore. New officers are scheduled to take over following the state convention in August.

Delegates to the 5th division convention at Brownwood this weekend were named and routine business matters were discussed.

Rules Clarified On Restock Area

AUSTIN, June 26.—The Director of Wildlife Restoration for the Game and Fish Commission clarified regulations covering the newly established Snake Creek Wildlife Restoration area in Morris and Titus Counties. He said the five-year closed season effective until January, 1958, applies only to deer and that the landowners, who have pledged more than sixty thousand acres to the project, may legally permit hunting of squirrels, doves, waterfowl and other species subject, of course, to state laws.

The Director pointed out that persons desiring to benefit from the open seasons as permitted by law must obtain permission from the owners of the land where they wish to hunt. The Snake Creek area is one of several created in Texas whereby landowners and hunters are cooperating with the Game and Fish Commission to restore big game.

The Director of Wildlife Restoration said this particular area was set up last fall too late to begin restocking operations immediately but he emphasized that the Snake Creek program has a high priority under the coming late fall trapping operations. The area is along Snake Creek and also adjoins Sulphur River on the north.

Mrs. Jerry Cade Is Gift Shower Honoree

The home of Mrs. C. C. Pippen was the setting for a gift shower Tuesday night, June 19, honoring Mrs. Jerry Cade, the former Miss Ida Johnson. Mr. Cade and Mrs. Johnson were married in 1947. She was a member of the graduating class of Cisco High School and he is a student at Cisco Junior College.

The Pippen home was attractively decorated with seasonal flowers.

The guests were met at the door by Mrs. Pippen, who presented them to the honoree and her mother, Mrs. Young, who with Mrs. Pippen made up the receiving line.

Neota Moad presided at the guest book and aided in the registering.

The table held a centerpiece of seasonal flowers. Miss Shirley Hitt ladled the punch. Cookies and mints were served with the punch as refreshments.

Hostesses for the shower were Mes. Fred Scott, Bill Kendall, Elsworth Mayer, Roy Huffmyer, Bill Dean, Delmar Johnston, I. D. Reynolds, Roy Farley, Neala Moore and Mrs. Pippen.

outing a swimming pool. As mentioned before, Cisco business institutions feel the effect of slower business when the pool is closed. Business at the swimming pool depends on the number of swimmers. The reason we urge Ciscoans to get Lake Cisco "conscious," especially the swimming phase, is that when only a few swimmers are in the pool, very few others will go in. We all like company — that's the "herd instinct" in us. We like to be where there is a crowd, and the swimming pool is no exception. If Ciscoans stay away from their pool, so will others. So, let's think of recreation when we think of recreation for young or old. When we swim, we help Cisco and ourselves, since there is no more healthful recreation than swimming.

Let's every one of us get better acquainted with Lake Cisco, especially the pool. Let's all vacation at Lake Cisco and save money for ourselves and help build up the Cisco area.

Putnam friends received a letter from Mrs. Clinton C. Derr, former Putnam resident, that she was spending her vacation with her parents in Dayton, Texas. Her father is a retired Presbyterian minister. Mrs. Derr's home is in Graham. She may visit in Putnam before returning home.

Mr. and Mrs. Lexton Martin and son, Larry, of Silsbee were Wednesday and Thursday visitors in the home of Mr. and Mrs. Sam B. King.

CANNED SAFETY—Augmenting safety measures along heavily-traveled UN supply routes near the Korean front, a modern-type traffic signal is trimmed into shape by two members of the 45th Infantry "Thunderbird" Division. The three-way light was made from food and coffee cans and gets its illumination from Christmas tree bulbs. Cpl. Irving J. Laborovitch, left, of Minneapolis, and Pfc. John Stunglen, Philadelphia, are setting it up.

SHIVERS SIGHTED FOR CHANCES TO MOVE INTO WHITE HOUSE

Allan Shivers' chances of becoming the first Texas governor to move to the White House are explored in the current (June 27th) issue of The Saturday Evening Post.

The analysis is made by George Sessions Perry, who reports that the forty-five-year-old Shivers handles Texans more skillfully than anyone since Sam Houston and that his political power is almost unrivaled since the time when Stephen Austin, who settled the place, was the government in person.

Shivers' success still mystifies Texans who have seen him almost completely ignore the tried-and-true techniques of vote-getting in Texas, Perry writes, in an article entitled "He's Got Texas in the Palm of His Hand."

"Despite his hesitancy to bud- dy-up to the man in the street or the furrow, he has become the top dog on the Texas political scene and an enigma with highly provocative potentialities on the national scene," the author finds.

"Not only has he won his own political wars by wide margins and become the titular head of the Democratic Party in Texas, but he was, as of November 4, 1952, the de facto head of the Texas Republicans as well," Perry continues. "Beyond question, it was he, more than any other person, who delivered Texas's twenty-four highly skittish electoral votes to the Eisenhower-Nixon ticket."

What matter of man can it be who rides the obliging Democratic donkey as he airily packs the elephant's trunk with Texas goobers? Perry says this question becomes one of national interest, for soon Shivers will have graduated from the highest of purely Texas political jobs, when he completes his present term of governor, having served in that office longer than any other man in Texas history.

"As politics is his profession, and one he has mastered cum laude, it's not likely that he'll want to confine himself to local affairs in the future," Perry adds. It is reported that such neighboring nabobs as Governor Robert F. Kennon, of Louisiana, are already touting Shivers as the next President of the United States. And Perry points out that Shivers has never yet met his match at the polls.

GIRLS RANCH TO OPEN

The new Girls Ranch, located in Stephens County northeast of Morton Valley, will hold a formal opening Saturday, June 27, from 2 to 5 p. m. and the public has been invited to visit the home. The home was founded by Rev. and Mrs. Claude Harris, well known area residents.

Ever Thought of This? . . . If you buy real estate without an abstract the chances are good that you will be required to furnish one when you sell or borrow money. It is customary for seller to furnish buyer with an abstract as he usually adds cost of same to the sale's price. So for many reasons all in your favor get an abstract and have it examined by your attorney when you buy real estate.
