CISCO, TEXAS, WEDNESDAY, JULY 8, 1953

NUMBER 154

The Gay Philosopher

By J. W. B.

ENJOYED EATING supper late Tuesday afternoon with some 200 4-H Club boys from six area counties at Lake Cisco Park. And watching the boys enjoy every minute of their stay in the park made us very proud that our community has a park where youngsters can stage an outing of this kind.

For the evening meal, the boys enjoyed a hot-dog supper. They had a good many guests for the party, including County Judge John Hart, Tax Assessor Stanley Webb, Manager Anton White of the Boss Manufacturing Company and a number of others.

The 4-H Clubs have been coming to Lake Cisco each summer since 1942. They enjoy the fine facilities there.

The park looks especially attractive these days. The trees were white-washed before July the Fourth, adding much to the general appearance of the whole park.

COMES OUR COPY of The Electric Times, official magazine of the West Texas Utilities Company. And Mr. J. E. Proctor, who operates the Cisco Ice Company and works for the company here, was among those honored for long years of service.

The magazine printed a picture of Mr. Proctor with the following writeup: J. E. Proctor of Cisco rounded out 42 years in the public utilities industry in June, 30 years of which has been with WTU. He began his long career when he was 17 years old as a night engineer in the power plant at Cisco. He resigned in 1915 to start work at a compress. At the close of World War II, Proctor returned to Cisco as chief engineer at the plants at Albany, Cisco and Baird. In recent years he has operated the ice plant at Cisco.

A former Ciscoan honored in the same magazine is C. R. Sheppard of McCamey. He started to work for the company in Cisco in 1936 and was transferred to Ballinger in 1940. He's a graduate of Cisco High School and attended Cisco Junior College and Texas A.M. College.

WANT A KITTEN? Mrs. Rudolph Kamon of 809 West 13th Street tells us that she has a mother cat and two kittens, and she would be glad to give any or all of them to anyone desiring same. See a few lawn mowers running around town since the recent good rain.

HAVEN'T BEEN able to contact the new owners for a statement yet, but we understand the sale of the Cisco Gas Corporation and other area properties of the Hickok company was completed on July 1.

The IbeX Company of Breckenridge and Graham bought the Cisco Gas Corporation, the Hickok Producing and Development Company, the Consolidated Gasoline Company and the Hickok Pipe Line Company, all operating in this area.

Understand Mr. G. R. (Pete) Nance will continue as manager of the companies for a time. In addition, we hear that he plans to open an accounting office in the Reynolds building about August 1. . . Mr. Gene Abbott continues as local manager for the Cisco Gas Corp. . . Hear that Mr. R. L. Ponsler, who is doing considerable work on his house up on West 14th Street, now has his office up in the Reynolds Building where the Hickok and Reynolds companies have headquarters. . . Mr. Frank Bond also moved his office up there, too.

We'll probably be able to interview the new owners one of these days soon for a formal statement on their operations and plans for the Cisco area.

MR. CHESTER NORVELL, manager of the Norvell and Miller Grocery, probably felt right good when he opened his mail the other day. Among the letters was this one, in part, as follows: Dear Sir: I am enclosing a \$1.00 money order to pay for some bananas and cookies. To explain which I am talking about, when I was a little girl in grade school some

HAIL TO THE QUEEN—The Argentine polo team is cheering Queen Elizabeth II, left, after defeating England by seven goals to six to win the final of the Coronation Cup at Cowdray Park, in Sussex. Next to the Queen is J. C. Alberdi, to whom the Queen presented the Cup, shown on the table, on behalf of members of the Argentine team, who are hailing Her Majesty.

Plans Ready For FFA Convention At Fort Worth

FORT WORTH, July 8.—Three thousand Texas farm boys will swarm into Fort Worth late this month for the Silver Jubilee convention of Texas Future Farmers of America.

This year's convention, July 22-24, will mark the 25th anniversary of the founding of FFA and a full program of fun, entertainment and general convention activities has been lined up for the youthful farmers.

A special feature of this year's convention will be a massive downtown FFA parade. The parade, scheduled for Wednesday, July 22, at 2 p. m. will feature FFA boys in all types of conveyances and a moving display of all kinds of farm equipment. Several bands will add to the color and festivities, marking the arrival in Fort Worth of the Future Farmers.

The convention as usual, will be marked by the announcement of winners of statewide award. Here the boys will find out who has been picked as Star Lone Star Farmer of Texas, the highest honor which can come to one of the young men enrolled in vocational agriculture in Texas high schools.

This announcement will be made at the Lone Star Farmer Banquet in the exhibit building at Will Rogers Memorial Center on Thursday, July 23, at 7 p. m. Arrangements for the convention are being made in Fort Worth by committees of the Fort Worth Farm and Ranch Club, which is serving as official sponsor. Working closely with these committees are State FFA Advisor Vannoy Stewart and the state officers headed by Joe Dan Boyd of Wimsboro, president.

WORD CLUB TO MEET

A called meeting of the Word Home Demonstration Club will be held Friday morning at 9:30 o'clock in the home of Mrs. J. E. Shirley. All members have been urged to attend.

LEAGUE LEADING BRAVES DROP 20-11 CONTEST TO GIANT TEAM

The Little League Giants steam-rolled the league leading Braves at ABC Field Tuesday night when they plastered them with a 20-11 defeat in a game that blew apart in the final two innings.

The Giants went into the fifth inning on the short end of a 10-6 score. They exploded in the half of the fifth and with the aid of walks and Brave errors put across seven tallies to go ahead 13-10.

In the top half of the sixth the Giants took up where they left off in the fifth and put across seven more runs to completely route the Braves. The Braves scored their final tally in the bottom half of the sixth.

INDIANS STEP NEARER DISTRICT CROWN AFTER TUESDAY VICTORY

The Cisco Indians were one step nearer the American Legion district championship by virtue of their win over the league leading Goldthwaite Golds by a 5-3 score in Goldthwaite Tuesday night.

The win put the Indians in a three way tie for the lead with Stephenville and Goldthwaite. Each team has lost two games. The Indians have one more conference game for the season. They play the final game with Ranger Friday night. The site of the game has not been decided.

Stephenville and Goldthwaite have to play each other Friday night so one of the teams will be eliminated. Goldthwaite plays Ranger Wednesday night. If Cisco wins its game with Ranger Friday night, a tie for first is assured and a sudden death play off will be arranged.

In the game Tuesday night Cisco went ahead in the top of the second inning but Goldthwaite came back in the bottom half to score two runs and go ahead. The Indians ran in two in the top of the third to go ahead. They clinched the game by putting a run across in the fourth and another in the sixth.

Goldthwaite scored their third run in the bottom half of the sixth.

Dizzy Howell went the distance on the mound for the Indians and won his ninth victory in as many starts. He allowed the Golds only seven hits. The Indians got their five runs off five hits and six Gold errors. The Indians made five bobbles.

Sabanno Church To Hold Revival

A ten day community revival meeting will begin Friday night, July 10, at the Sabanno Baptist Church, according to the Rev. A. R. Collier, pastor. The revival will extend through Sunday July 19.

The Rev. Charlie Myrick, pastor of the Cottonwood Baptist Church, will be in the pulpit for the revival. Services will be held in the church building Friday night and under the outdoor tabernacle after the initial service. The public has been invited to attend all services.

Score By Innings:

Cisco 0 1 2 1 0 1 0 5-5
Goldthwaite 0 2 0 0 1 0 3-7

City Will Spray In Campaign To Kill Mosquitoes

Spraying of residential areas in a drive to kill mosquitoes will begin tonight, according to John Rodden, superintendent of the city water and sanitation departments.

Mr. Rodden asked citizens to cooperate in the campaign against mosquitoes by eliminating breeding places. He added that city workers will assist by spraying old cellars or places where water might be standing if residents will report such places to the city hall.

Mosquitoes have been noticeable the past few nights as a result of rain last week.

Regulations On Social Security

Social Security (Old-Age and Survivors Insurance) payments were designed to replace, in part, family income lost or reduced because of the death or old age retirement of the family breadwinner, stated Gordon James, manager of the Fort Worth Social Security office.

To pay annuities at age 65 to workers who do not retire would cost an estimated 1.4 billion dollars in 1954.

This cost would be incurred to pay fully employed people who have in general not suffered any wage loss.

Therefore, the Congress provided in the Social Security Act that workers between the ages of 65 and 75 who earn more than \$75.00 per month in work covered by social security are not to receive benefits for the particular months such earnings exceed \$75.00. This law also applies in a similar manner to self-employed people who continue to operate their business and net more than \$900.00 per year.

After a worker or self-employed person is 75 years old, he receives payments regardless of the amount he earns, James said.

The Fort Worth Social Security office is located at 306 U. S. Court House.

H-SU Will Register For Second Semester

ABILENE, July 8. — Registration for the second summer semester at Hardin-Simmons University will be held Tuesday, July 14, according to Dr. Robert A. Collins, dean of the university and director of the summer session.

Courses offered will include art, Bible, biology, business administration, chemistry, economics, mathematics, physical education, sociology, Spanish, speech, and music.

The semester will extend through July and to August 24, the date of summer commencement.

Over 200 Boys Conclude Club Camp Program At Lake Today

Swimming Pool Notes . . .

LARGE CROWD OF VISITORS ARE LAKE CISCO GUESTS ON JULY 4

By W. F. KNIGHT

Adult swimmers at the lake pool totaled 385, a figure guessed early in the day by J. D. Sprawls, Jr. of Snyder. July 4th, 1952, had 526 adult swimmers while the 1951 total was 853 or nearly as many as the last two Fourth's together.

Freddy Hayes staged a one-man show at the July Fourth swimming races when he took three first places. The Lobo Junior placed first in both the High School 60-yard and underwater swims. His other first prize came when he outdistanced several college boys to win the open class underwater swim. Danny Louderer won two second places; the open class 100-yard swim and in the high school 60-yard swim. Andy Mosley was first in the open class 100-yard swim. Second in the high-school and open underwater event was Tommy Reynolds.

Winner in the contest to find the swimmer who came the longest distance on July Fourth was Forest McEwen of San Diego. He visited the Sutton Crofts, who he will have to check to see what can be done about the winner's merchandise prize in a Cisco store for two dollars.

Ruth Lanham, Press society editor, and her family, which totaled 6, won the "Biggest Family In Swimming" contest on the Fourth.

There were no claimants of the prize for wearing the oldest bathing suit.

Perhaps the combination of moth balls and moths dealt the knock-out punch to suits scheduled for participation in the contest.

Our lost-and-found department has more business every day. On the Fourth we had two purses. One, with a large sum of money, was claimed about an hour after it was found. It belonged to a young lady from Ozona, and she was really happy to retrieve it.

The other, containing a small sum of money, is still unclaimed. We also have what we believe is a fine ladies' Panama hat, size 23, with a brown hand and AUSTELL label. Then there are: a boy's woven plastic bracelet; a pair of gold ear screws; a pair of ladies sun glasses; a pair of ladies small-size white pumps and a few odds and ends. The plastic purse still unclaimed and containing a small sum of money, was found about 10 p. m. by Principle Buck Overall.

Andy Mosley, winner of the July Fourth open class 100-yard swim, who helps his brother life-guard at the pool, plans to head for Lubbock, where he has a job for the summer.

Although the Lake Cisco pool is but 28 years old, four generations of one family have already swam in it. In order of generations, the first was the late Judge J. J. Butts. Next comes Mrs. Forest Wright and her sister, Mary Jane Butts, followed by Attorney Bill Wright. The fourth generation is made up of the children of Polly (McDaniel) and Bill Wright.

The late Judge Forest Wright was a great booster for a bigger,

better Lake Cisco recreational area. He visioned a lake surrounded with beautiful, year-round cottages, locally owned as well as owned by Fort Worth and Dallas residents who would week end at the lake the whole year. In the middle thirties he helped get a major league baseball team to do their spring training at Cisco. That was the Cincinnati Reds of the National League.

Turn to Page Four

Leaders Describe Camp As Success

More than 200 4-H Club boys, adult leaders and county agents from six area counties were concluding their annual two-day summer encampment at Lake Cisco Park this afternoon. The club camp opened Tuesday morning and was to close at 2:30 p. m. Wednesday.

Camp Chairman Bryan Swaim, Stephens County farm agent, described the two day affair as a success from all standpoints. Youth leaders elected by the boys to direct the camp program were Joe Bob Jackson of Breckenridge, chairman; A. H. Roberts of Anson, vice chairman, and Ray Green of Putnam, Jerry Weldon of Sturdivant in Palo Pinto County, Marvin Schkode of Albany and Robert Bell of Scranton, camp officers.

The youth leaders and the county agents from the six counties supervised the program. Recreational activities included swimming, skating, miniature golf, baseball, horse shoes, wasner pitching, pole pillow fights and an entertainment program Tuesday night. The program for the camp was planned so that the boys were busy constantly.

While part of the food items were bought locally, the boys brought much of the food for the camp kitchen. Mr. and Mrs. Floyd McBee of Mangum, south of Eastland, returned again this year to serve as camp cooks. They have attended the camp for several years in this capacity.

The McBees enjoyed a reunion with their son, George, during the two days here. George was a special guest at the encampment, having just returned after a tour of 12 months in Korea with the army. He was introduced by County Agent J. M. Cooper of Eastland County as "one of this county's all-time great 4-H Club boys."

George was a county 4-H club boy from 1939 to 1946 and won many honors for his cattle and other projects. He finished at Texas A. & M. College in 1951 and served briefly as an assistant county agent at Bonham before entering the service. He served as a first lieutenant in the 615th Subsistence Dept. Co. in Korea. He was discharged July 3.

Ribbons were to be presented during the final session of the camp Wednesday afternoon. The awards were planned for groups and individuals as winners in various contests.

District Agents R. G. Burwell of Stephenville and J. A. Scholfield of Vernon were special guests Tuesday night.

Among the visiting county agents and adult leaders in camp were: Callahan County Agent Glen Green, John D. Isenhower of Putnam, Smokey Gary of Adair, Smokey Edwards of Baird; Jones County Agent Bill Lehmburg, Howard Roberts, Hollis Brown, Gene Sosebee and Kenneth Martin, all of Jones County.

Shackelford County Agent W. C. Vines and Basil Hitt of Albany; Stephens County Agent Swaim and A. R. Knight of Breckenridge; Palo Pinto County Agent Lindsey and C. S. Puryear of Mineral Wells.

Eastland County Agent Cooper, Assistant Agent Bob Williams, Travis Wheat of Eastland, Anton White and Stanley Webb of Cisco, and B. Maynard of Rising Star.

Curly Hays of Abilene, livestock and agriculture department of the West Texas Utilities Company, was in attendance and assisted with directing the sports program.

Miss Dorothy Jo Garrett, student at N.T.S.C. in Denton, spent the weekend in the home of her parents, Mr. and Mrs. H. R. Garrett.

The late Judge Forest Wright was a great booster for a bigger,

Antelope Raids Cause Arrests

AUSTIN, July 8. — Thriving antelope herds up in the Texas Panhandle are causing itchy trigger fingers with resultant penalties, according to the Director of Law Enforcement for the Game and Fish Commission.

He had particular reference to disclosure that two antelope, shot on the Matador Ranch in Motley County, brought a \$422 fine and costs against a Dickens County cotton gin operator.

Warden W. Y. Riddle of Lubbock who with Warden Cecil Fox of Spur handled the case, said others apparently were implicated but that the suspect said he wanted "to take the blame."

The gin manager was arrested after the wardens, armed with a search warrant, found two antelope heads and hides and four feet in the incinerator.

Riddle said the man was "pretty unhappy because of the heavy fine and because, after all, the meat hadn't been any good and had been fed to his dogs."

Florist Convention Planned Next Week

Cisco florists will be in Fort Worth next week, attending the 40th annual Texas State Florists' Association Design School and Business Clinic July 12-15.

Already registered on convention rolls is Mrs. Barton Philpott of Philpotts Flower Shop. Other Cisco florists are expected to attend also.

During their three-day stay the florists will attend daily sessions of an intensive design school, broken at intervals by practical business clinics and business meetings of the association.

More than 1000 TSFA members from over the state are expected to be in Fort Worth, according to Ray McCulloch, convention chairman.

Swimming Pool Will Have 'Ladies Night'

Thursday night will be "Ladies Night" at the Lake Cisco Swimming pool and all women and girls will be admitted free, Manager W. P. Knight announced today. The pool will remain open until 10 p. m. Thursday. All area women have been invited to swim Thursday night.

If the "Ladies Night" program is a success, Mr. Knight said it will be repeated at a later date.

Miss Dorothy Jo Garrett, student at N.T.S.C. in Denton, spent the weekend in the home of her parents, Mr. and Mrs. H. R. Garrett.

The late Judge Forest Wright was a great booster for a bigger,

Sergeant Strickland Is Visiting Parents

Technical Sergeant Marvin Earl Strickland of Paine AFB, Everett, Washington, is at home on furlough for a visit with his parents, Mr. and Mrs. E. N. Strickland.

Also visiting in the Strickland home during the past weekend were Guy N. Strickland and family of Bronte, Mr. and Mrs. Bill Johnson and son, Wayne, of Brownwood, B. W. Strickland and wife of Alice, James B. Jenkins of Fort Worth and Mrs. Jennie Jenkins of Tuscola.

Per year in advance (Cisco, by mail) \$5.50 Per week (by carrier) 15c

THE TAX PROGRAM

With few exceptions, everyone within the executive and legislative branches of the government believes that taxes on both individuals and businesses must be cut. The sole difference of opinion is over the question of when and how. The Administration has taken the position that, desirable as tax reduction is, it must wait until the budget is brought under control and is in or near a balance.

the position that, desirable as tax reduction is, it must wait until the budget is brought under control and is in or near a balance. For one, public demand for early tax reduction is extremely strong — apparently the Congressional mail has been loaded with it. For another, Chairman Daniel A. Reed of the House Ways and Means Committee stands solidly for immediate tax cuts and all the efforts of Administration representatives to change his views have availed nothing.

Real Estate for Sale

The best investment on earth is the earth itself.

61 acres with 3-room house, extra good land, near Scranton. 35 acres cultivated, Bal. pasture. Well, tank, barn, Elec. Half Minerals. Mostly net fences.

88 acres good land, 70 acres cultivated, 3-room house, Elec. Butant, Tank & Cistern. Price \$60.00 per acre. Half minerals. Fences half net.

410 acres, well improved, near City limits of County Site town. One-fourth minerals, mostly grass.

15 acres with 5-room house, barn, chicken house, Brooder, Gas, just off pavement 1 1/2 miles from Rising Star. All Min. go. Price \$7,000.00.

40 acres with 5-room house, well, tank and turkey house chicken house, half minerals. C. I. Deal. Price \$4,000.00.

Cisco Homes

5-room bungalow near Grammar School \$4,250.00. \$1,000.00 down. Bal. like rent.

Fall Better Than Spring For Growing Some Plants

August is time to plant iris, peonies, oriental poppies and Madonna lilies for next year's flowering, and to sow grass seed for new lawns, or to repair old ones. If you have killed out the crab grass with one of the new chemical treatments, make sure that the bare spots the dying pest leaves are covered with new grass this fall.

Madonna Lily bulbs should be planted in autumn.

As a growing season, fall has many advantages over spring. For many plants there is no seed bearing task to be performed. This means that cauliflower has no tendency to bolt before the heads mature, head lettuce, Chinese cabbage, and even radishes do not lose quality so fast, but mature slowly so that the harvest is prolonged.

The same reason exists in the case of lawn seed. Seed sown in the spring experiences deteriorating weather as it grows. Life becomes more difficult, in the hot sun, with rains less frequent. Even young grass plants make an effort to produce seed in June, and this impairs their strength.

Sown now, however, grass has a long season of favorable weather to develop strength for the winter, with the cool, moist weather which it likes, and no seed bearing ordeal. This simple story, however, is accepted by relatively few amateur gardeners. Experts have even asserted that most of the grass seed sown by amateurs each spring is wasted because of the unfavorable conditions it encounters.

If you have not applied plant food to your lawn since spring, you may be disappointed in its fall growth. Continued rains have dissolved and carried away much nitrogen, which is the chief food of grass, and this must be replaced to make the lawn grow vigorously.

Do not throw lawn seed on compact, bare soil, and expect grass to grow there. It must be covered, either by loosening the soil and raking it in, or by a top dressing of sifted top-soil, about one-quarter inch thick. The former is the best way. Loosen the soil on bare spots at least an inch deep.

Madonna lilies, which blossom at the same time as the delphiniums and make a striking picture when growing in front of their tall, dark-blue spikes, must start growing in the fall and make top growth before the freeze-up; otherwise they will not blossom in the spring. Bulbs grown in this country can be obtained in limited quantity and should be planted in August, if possible for best results. They are covered only with two or three inches of soil, in a well drained location and preferably in sandy soil.

Vets Questions And Answers

Q — I'm taking flight training under the Korean GI Bill. Because of bad weather, I wasn't able to take any training at all last month. Will I receive my GI allowance check all the same?

A — No. Allowances may not be paid to flight trainees for any month during which no instruction was received.

Q — As the widow of a World War II veteran, I am eligible for a VA pension. I find I also am eligible for compensation from the Bureau of Employees' Compensation, because of my husband's death. Could I draw both payments at the same time?

A — No. You must elect which benefit you want to receive. You can't get both at the same time, when both are based on the same death.

Q — I have a permanent National Service Life Insurance policy, and I want to borrow money on it. How much will I be able to get?

A — If your permanent policy has been in force under premium-paying conditions for at least a year, you have the right to borrow an amount not exceeding 90 percent of the reserve of the policy.

Q — I am on active duty, and my National Service Life Insurance is under waiver while I'm in uniform. Even though I'm not paying premiums on the policy, will I collect dividends from VA?

A — No. NSLI policies under such waiver do not participate in dividends.

Wins Top Prize in GM Contest

Harlow H. Curtice, left, president of General Motors, presents the \$25,000 first national award to Robert Moses, New York City Commissioner of Parks, in the General Motors Better Highways Awards essay contest. The presentation was made recently at a banquet in Detroit. Mr. Moses proposed that federal, state, and local governments spend a total of five billion dollars a year on highways for the next 10 years — almost double the present rate. He presented a tax program which he said would raise the necessary fund.

Letters

Editor:

As I sit here meditating, these words come to me. I am without doubt living as an anchorite — not by choice alone. However, our faith is a living power from heaven, which grasps the promise God has given to us — a trust that cannot be o'er thrown, sanerely fixed on Christ alone. "Real faith in Christ we find what'er we need to feed the soul."

Strong in His grace it joys to share His cross, in hope His crown to wear. Real faith to the conscience whispers peace, and bids the mourners sighing cease. By faith God's children have right to claim and call upon our Father's name. Real faith feeds and feels the spirits and kindling breath in love and hope that conquers death; faith brings to us delight in God's blessings.

So won't you be my friend and come to see me. I'll share my pleasure with you. Now may God breathe faith into our lives. May we find sufficient faith to trust him, and lead us to follow in the path which our master trod. Then let us unite with that love supreme with Christ who gave himself our soul to redeem.

C. L. DONALDSON

LAUGH TIME—Peeking around the huge horn atop his snout, a heavyweight rhinoceros in the Bronx, N. Y., Zoo seems to be laughing at the world. It's just barely possible that he found something even odder-looking than himself to laugh about.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Peggy Jean Brown And George H. Wood United In Marriage

The home was decorated with white gladioli. An arrangement was placed on the mantle over the fireplace and other points about the room.

The bride chose a dress of grey linen trimmed with white with black accessories. Her shoulder corsage was of baby pink carnations and she wore a penny in her shoe.

Mrs. Mack Wood of Odessa was the bride's only attendant and wore a dress of brown and beige nylon with a shoulder corsage of baby pink carnations. Mack Wood of Odessa served his

brother as best man.

A reception was held following the ceremony at the bride's home. The table was laid with a lace cloth and lighted with candles. Mrs. C. K. Odom and Mrs. Tommy Wyatt ladeled the punch and served the wedding cake.

Pvt. and Mrs. Wood left on a honeymoon trip to points west. Pvt. Wood will leave July 12th for California where he will be assigned to overseas duty. Mrs. Wood will make her home with her parents.

Guests attending were Mr. and Mrs. F. C. Bradley, Jr., Mr. and Mrs. E. N. Wood, Mary and Treva, Mrs. C. V. Brown, Dwayne and Harold Dean all of Cisco, Mr. and Mrs. C. K. Odom of Putnam, Mrs. Gus Brandon of Putnam, Mr. and Mrs. Emmett E. Wood and Sandra of Valley View, Mrs. Grace Miller of Putnam, Mrs. Ray Sugg, Frankie, Rayenelle, and Marilyn of Ranger, Mr. and Mrs. Mack Wood of Odessa, and Mrs. Tommy Wyatt, Peggy, Tommy, Jr., and Bobby of Cisco.

ATTEND AUSTIN MEET

E. L. Jackson, fifth division commander of the American Legion, and Mr. and Mrs. H. N. Lyle went from Cisco to Austin on Tuesday to attend dedication ceremonies for a new state Legion headquarters building. Mr. Jackson served as a member of the state building committee. Mrs. Lyle, former state Legion Auxiliary president, appeared on the program.

Methodist WSCS Has Meeting On Tuesday

The monthly business meeting of the W.S.C.S. of the First Methodist Church was held Tuesday evening at the church.

Mrs. J. T. Anderson, vice chairman, presided in the absence of the chairman, Mrs. George Davis. The meeting opened with all singing "Nearer To The Heart of God" and Mrs. W. E. Ricks led in prayer.

Routine business matters were transacted and a thank you card read from Mrs. Ruth Williamson Ducker. Mrs. S. H. McCanlies reported on the supply work and Mrs. E. H. Lightfoot made an announcement of the district meeting for the pastors and their families and the members of the W.S.C.S. to be held in Cisco at the church Monday, July 20.

Mrs. J. W. Slaughter told the group of the Seminar to be held at Georgetown the later part of July and the group voted to send a delegate. The W. S. C. S. will meet in Circles Tuesday as follows: Circle One, Mrs. R. I. Collingsworth; Circle Two, Mrs. F. J. Harrelson; and Circle Three,

Mrs. W. Z. Latch. Mrs. John Shertzer closed the meeting with prayer.

Those attending were Mesdames Joe Lovelady, W. E. Ricks, D. P. King, R. V. Rendall, William Joyner, J. T. Dean, S. H. McCanlies, J. T. Anderson, E. H. Lightfoot, John Shertzer, S. H. Nance, J. W. Slaughter, and Rudolph Schaefer.

Presbyterian Circle Has Meeting Tuesday

Circle Two of the First Presbyterian Church met Tuesday at the church for Bible study and their regular business meeting.

The lesson from the book of Mark was taught by Mrs. Grady James and Mrs. B. S. Huey conducted the business meeting. Plans were made to entertain the pioneer group of the church the later part of July. The meeting closed with prayer.

Those attending were Mrs. B. S. Huey, Mrs. Alex Spears, Mrs. J. G. Rupe, Mrs. F. J. Borman, Mrs. F. E. Harrell, Mrs. W. W. Wallace, and two visitors, Misses Sara Ashcraft and Ruth Huey

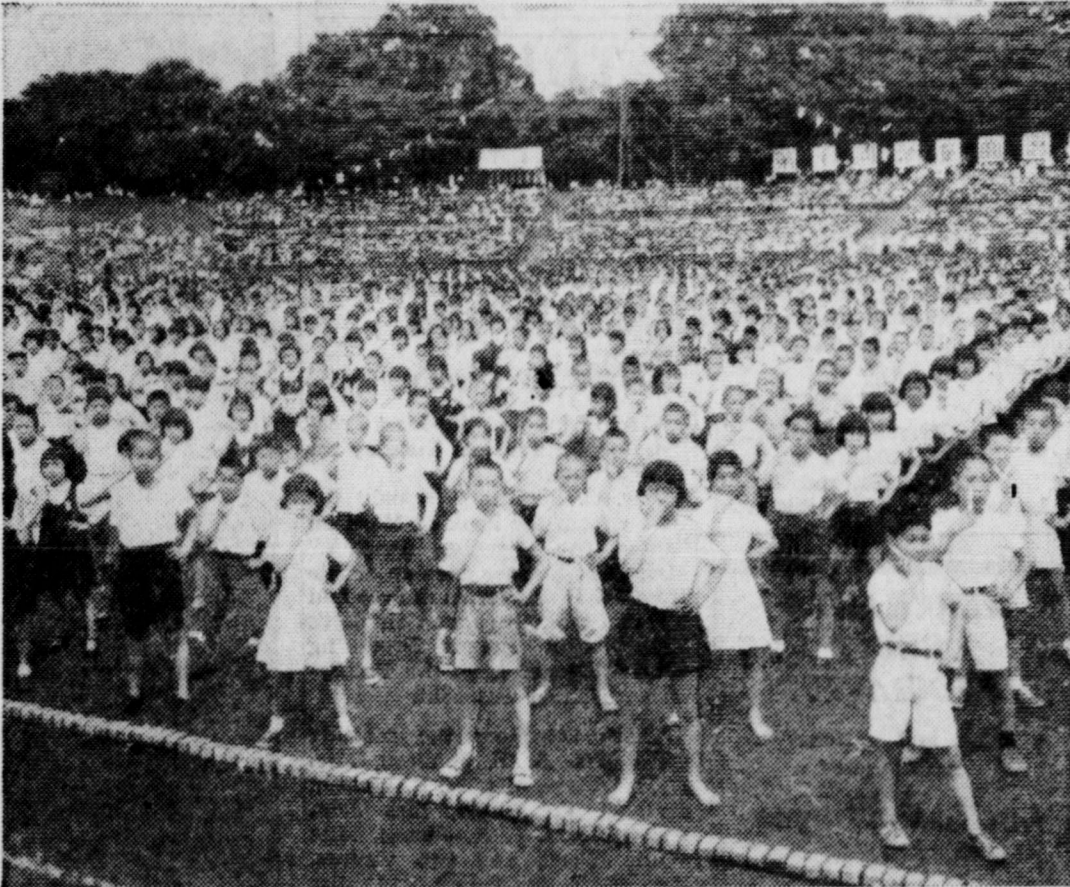

Mrs. Garrett Hostess For Christian Group

Group One of the C.W.F. of the First Christian Church met at the home of Mrs. H. R. Garrett Tuesday for the first meeting of the fiscal year.

The devotional was given by Mrs. J. F. Benedict and officers for the coming year elected as follows: Mrs. J. F. Benedict, chairman; Mrs. Sam Kimmell, vice chairman; Mrs. V. C. Overall, devotional leader; Mrs. Albert Snider, Missionary leader and program chairman; Mrs. J. D. Lauderdale, secretary and treasurer. Other chairmen are to be appointed by the chairman, Mrs. Benedict.

A social hour followed and refreshments were served to Mrs. Albert Snider, Mrs. V. C. Overall, Mrs. Sam Kimmell, Mrs. J. F. Benedict, Mrs. Roy Fonville, Sr., and Mrs. Garrett.

Mr. and Mrs. J. W. Hildreth of Dallas have returned to their home after a visit here with their parents, Mr. and Mrs. Otto Hageman. Their son, Mark, remained for a longer visit.

POLISHING PEARLS—School children in Tokyo practice brushing their teeth in a school-sponsored drive to keep the dental health of millions of Japanese children up to par. The kids, instructed to "brush up" at least twice a day, are enjoying the mass project in which they all join. It's a good enough idea to be tried out elsewhere in the world.

Cotton Classing Program Ready

Many farmers may be wondering about the number of bales of cotton they can get classed when they join Smith-Doxey improvement groups.

Here's the way the program works, Sam W. Martin of the Dallas classing office, U. S. Department of Agriculture, said today. Members of Smith-Doxey groups are entitled to have every bale they grow classed without cost. Or, if they choose, they don't have to submit any bales for USDA classing. It's strictly up to the farmer.

Also, Mr. Martin pointed out, farmers who join groups needn't plant all of their acreage in the variety adopted by their group. They can still get any or all of their cotton classed free, no matter which variety they grow.

Before the Smith-Doxey Act was passed, Mr. Martin stated

some 200 varieties of cotton were grown across the cottonbelt. Now only about 15 varieties produce 90 percent of the cotton production in the United States. This has improved yields, as well as simplifying mill purchases and ginning operations.

To join a Smith-Doxey group, farmers should contact their county agent, Dallas cotton classing office, or their ginner, Mr. Martin said. Deadline for filing applications is August 1, 1953.

Ever try the lap of Luxury?

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.

We'd like to spoil you a bit. We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels.

What we have in mind is more than just a sampling of the spacious roominess here — and of the cushions that cradle you in opulent and enveloping softness.

It's the magnificent luxury of ROADMASTER travel that we'd like you to know . . .

The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine . . .

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflow — and the sheer comfort of its new quiet and infinite smoothness . . .

The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery — making you barely aware of motion, of road irregularities, of stopping and starting . . .

And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWER STEERING. A car with the velvety control of

still finer braking — plus the added convenience of Power Brakes,* if you wish.

Surely, you ought to look into this supremely satisfying ROADMASTER for 1953 — and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon? *Optional at extra cost.

WELCOMING GIRL—Enrica Mariotti, 17, of Rome, has been selected by the Italian Government Tourist Office as best representing the country's spirit of tourism. Her official title is "Miss Italy Tourism 1953," and being welcomed by Enrica will make a visit to Italy just that much more pleasant for the lucky traveler.

Swimming

From Page One

R. T. Donham, one of the three water department men who keep watch on the condition of our swimming pool, is the granddaddy of Bertie May Donham, Lobo 1953 salutarian. We hear that she expects to attend CJC this Fall, where she will enroll in accounting under the direction of Mrs. Minnie Hill.

Every now and then we are told that the pool water is too cold. It averages about 80 or 81 degrees but that's hot compared with the 72 degrees guaranteed at the Lamapas spring-fed pool where Melvin Wilcoxon, West Texas Produce man swims some evenings when he gets to this city southeast of Cisco. Melvin says that for those who think the 72 degrees is too hot, there is a colder temperature near where the springs flow into the pool.

County Agent J. M. Cooper stored his camp cooking and serving equipment at the lake Monday so he could start promptly on Tuesday for that big, 6-county overnight FFA encampment. Recreational plans call for plenty of swimming and skating. We were invited to the picnic supper at 6 p. m. Tuesday. Cisco welcomes these boys on whom we must all rely to carry on the important professions of ranching, dairying, growing feed and other agricultural pursuits so necessary in maintaining the prosperity of this area.

Assisted by Fort Worth's Handley Presbyterian pastor, Rev. John Cunningham, Rev. Grady James, Cisco Presbyterian preacher, is the camp director of the Mid-Texas Pioneer camp No. 1, which started at the Presbyterian Camp Monday. We understand that the camp's recreational highlight is the daily swim in our big pool.

Dr. Otis Strickland, former Cisco First Baptist Church pastor, and new Decatur College president, was a Lake Cisco visitor Monday. While his sons swam, we learned that he has scheduled an evangelism campaign at Mesquite next week and at Temple the following week. While Decatur has no swimming pool, a \$50,000 pool is planned with considerable support expected from swimmers from near by towns which also have no pool. A water well drilled to 256 gives 200-gallon-per-minute flow. Dr. Strickland reported. Rain is needed badly, he stated, soil research, in the district recently found dry soil as far down as 21 feet.

Gay Philosopher

From Page One

11 or 12 years ago I happened to be with the wrong crowd and we came by the store and picked up those items.

I knew better than to do these things, but as a child I didn't do any better. So I am a lady trying to live for my Jesus Christ and the thought came to me so forcefully so here I am sending this money to clear my debt to you and my conscience. I am sure this much money will pay it in full if not more. I am sorry that I had forgotten it. I am sorry I did such a thing. And we'll bet Mr. Norvell appreciated the letter very much

are all arden swimming enthusiasts. The children swim practically every evening.

Former Cisco residents Mrs. Lee McGraw, her son Donald and her daughter Mrs. Nettie McGraw Teubner and daughter, Patsy, now of Dallas, visited the pool late Monday evening, when all swam except Mrs. McGraw. Mrs. Teubner says that her family always looks forward with joy to coming back to Cisco, especially on account of our wonderful big swimming pool. This family remained overnight at the Lake Cisco picnic grounds in their trailer. Mrs. Teubner reports that her husband in the Air Forces in Alaska, is looking forward to the day when he, too, can come back to Lake Cisco, and get in some fishing.
