## The Gay Philosopher

By J. W. S.

THE FOLKS OVER at Abilene are fixing to open up a new television station. The opening is scheduled for August 16, and the word we get is that reception is due to be something like 100% in the Cisco area. They're due to begin running test patterns in a week or so. This is calculated to boom the sales of television sets in this area.

Our town has a good many sets now, but the reception has not been too good.

DIDN'T GET TO see or hear her, but Miss Zeldia Sandler, daughter of the Charles S. Sanders, won \$320 when she appeared Tuesday night on the radio and television program from New York City. She is in New York attending a special summer course at Columbia University. She graduated from SMU last spring.

IF YOU WANT to experience some really hot weather, drive over to East Texas. That's the advice of Mr. Roy Killingsworth. They were over Athens way for the July the Fourth holiday and a family reunion. While there, they saw James Duff, formerly of Cisco. Roy reports that it's cool in this country compared with the situation there.

UNDERSTAND THAT Mr. Fred Grist will likely go back to work at the Lone Star Gas Company offices in a week or so. He went up to the Mayo Clinic at Rochester, Minn., some weeks ago for an operation, and he has been recovering nicely. The folks at the gas office expect him to return and work a light schedule soon.

THE BOSS GLOVE Company has a good idea. When vacation time rolls around, they just shut-down for a couple of weeks and everybody vacations at the same time. When they return, production returns to normal. Manager Anton White and family plan to go over to Lubbock next week where he'll attend a directors meeting of the Texas Manufacturers Association. And they'll see a lot of country they've never been in before.

JUST RAN INTO Mr. Lefty Schubert, the Little League Cardinal manager, and he reports that members of his two teams really enjoyed themselves over at Abilene recently. Lefty and Tom Smallwood and some of the parents loaded 30 little guys into cars and pulled out for Abilene at 4 p. m. July 3.

First stop was the VFW swimming pool. And 30 little guys had a splashing good time. Next stop was Fair Park and a hamburger supper and 30 little guys put a lot of chow away. Finally, they were guests of honor (free tickets) at the Abilene-Pampa baseball game.

And 30 little guys arrived back home at 11:15 p. m. — tired and happy.

PRESIDENT D. N. Morrison of the ABC Club tells us that July 25 will definitely be Cisco Night at the Fort Worth baseball game, and he expects a couple of hundred residents to make the trip. He'll have tickets for the game on sale soon. Plans call for our town to be advertised over the loudspeaker system. You'll hear more about the program soon.

IN SIX OR seven weeks now, the football season will be getting ready to commence again. Was out at Chesley Field the other afternoon and they're doing a lot of overhauling this summer. The north stands are being reconditioned generally. The new field house is something that long has been needed. The playing field looks good.

## Ciscoan Is Aboard Big Seaplane Tender

PACIFIC FLEET, July 9.—Aboard one of the Navy's largest seaplane tenders, the USS Pine Island is Claude D. Whitaker, airman, USN, of Cisco, Texas.

Before entering the Navy in Sept. 1951, Whitaker was graduated from North Texas State College.

Save 20 per cent on Appliance Loans Borrow From Your Bank GET NAT'L in Cisco—Mr. F. D. L. G.

**DROPPING IN**—Darlene Hackel, 11, feeds one of her four adopted pet rabbits with an eye dropper as the other three wait patiently for their turns in Waukesha, Wis. The bunnies were found after their mother had abandoned them. There were five in the original group but one died before the Hackel family took over their care and feeding.

## PUBLIC RELATIONS IS SUBJECT OF SPEECH AT LIONS LUNCHEON

The importance of a good public relations program for an individual or business firm was discussed by R. E. (Bob) Kenneth, advertising manager of the West Texas Utilities Company at the Abilene home office, in a talk Wednesday at the weekly luncheon meeting of the Cisco Lions Club at the Victor Hotel Dining Room.

Mr. Kenneth was presented by Lion E. L. Jackson, program chairman.

## Health Agency To License All Nursing Homes

AUSTIN, July 9. — The State Department of Health moved this week to make sure that all nursing and convalescent homes in Texas are looking after the health of their elderly residents.

Acting under authority granted by the last legislature, the health department mailed licensing application forms to several hundred operators, all of whom must now conform to humane standards of operation or close their doors.

As state health officer, Dr. Geo. W. Cox is administrator of the new licensing law. These are its terms:

Any establishment which provides food and shelter to four or more persons unrelated to the proprietor, and which provides services which meet some need beyond basic provisions of food and shelter and laundry, must apply for an operation license from the State Department of Health.

Hospitals, hotels and similar institutions are not included. Nor are homes conducted by or for adherents of a religious order who depend exclusively on prayer or spiritual means for healing.

Application fees have been set by the legislature at \$25 per year, plus \$1 for each bed maintained by the home. Fees will be applied to paying administrative costs of the law.

The health agency has the authority to make inspections on homes and to revoke licenses for shoddy operation. Home operators can file grievance complaints in district court in any instance of unfair or arbitrary treatment by the administrators of the law.

Dr. Cox, outspokenly in favor of the licensing law as a method of insuring proper treatment of elderly people in nursing homes, says "such homes in this state are little more than fire traps." He adds:

"This is one condition we hope to eliminate. We will not tolerate unscrupulous persons in the nursing home profession, not when the health and safety of disabled old folks are at stake."

## Hospital News

Ernest Smith, seven year old son of Mr. and Mrs. Raymond C. Smith of Rt. 2, was dismissed Thursday from Graham Hospital where he had received treatment after being bitten by a copperhead snake at his home three days ago. He was recovering nicely.

W. E. Graham of Tolar, brother of Dr. E. L. Graham, was dismissed this week following surgery.

Mrs. Robert Carlisle of Abilene was dismissed this week after undergoing surgery recently.

Mrs. Emmatine Williams and infant son were dismissed this week to return to their home on Rt. 1.

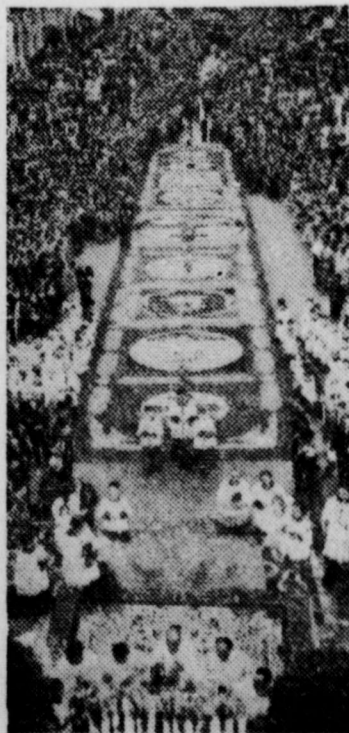

Mrs. Jimmy Lee, also of Rt. 1, and her infant son were released this week.

Others dismissed this week included Mack Smith, Mrs. Dick Thomas, John Owens, Janet Ferguson and Mrs. W. W. Nix, all of Cisco and Mrs. R. E. Haynes of Moran.

Mr. and Mrs. Leonard Burzenski are the parents of a daughter born Wednesday at Graham Hospital.

Mrs. J. G. Morris and Mrs. George P. Simmons of Moran are patients in the hospital for treatment.

H. J. Wooldridge was returned to his home Wednesday after being a patient for several days in an Abilene hospital. His condition was described as much improved.

Guests for the luncheon included Dale Moore of Odessa and Billy Kendall of Cisco.

Vice President C. M. Cleveland presided in the absence of President George Davis. Mr. Davis and Lions O. L. Stamey and T. C. Williams are in Chicago attending the annual convention of Lions International.

## American Legion To Hold Business Meet

Members of the John William Butts Post 123 of the American Legion will hold a regular semi-monthly business meeting at the Legion Hall at 8 p. m. Thursday (tonight).

Post Commander W. J. Foxworth reported that the nominations committee was due to make a report on recommendations for new post officials for installation next month. Other business matters will be discussed, and Mr. Foxworth urged all members to attend.

## ROBERT HANSEN LEE

Mr. and Mrs. Jimmy Lee are the parents of a son, Robert Hansen, born July 3 in Graham Hospital. Mr. and Mrs. Albert Hansen of Cisco and Mr. and Mrs. Earl Lee of Sundown are the grandparents. Mr. and Mrs. Lee have another son, Tommy.

## Moran News . . .

### Dennis Family Meets For Annual Reunion Recently

By MRS. C. C. CADY

The Dennis family reunion was held this year on July 3, 4 and 5 at the Sid Brooks picnic grounds on Battle Creek. Some 62 members of the family were present for the annual affair. Visitors were present from as far away as California.

The time was spent in visiting and eating. Plans call for holding the reunion at the same place next year.

Mrs. J. H. McKelvain fell at her home on June 29 and was in the Breckenridge hospital until July 4 where she received treatment for broken ribs. She has returned to her home.

The T.E.L. Sunday school class of the First Baptist Church will meet with Mrs. R. H. McKelvain at 3 p. m. Friday. All members were urged to attend.

Guy Steen is visiting his sisters, Mrs. Bob Adair and Mrs. O. D. Allen.

Mr. and Mrs. R. E. Weber and children spent the July 4th holidays with the Jerry Bullards in Fort Worth.

Mr. and Mrs. Vernon Thomas and family of Oak View, Calif., visited Mr. and Mrs. Bert Overby and other relatives last week. Mr. Thomas is the son of Mrs. Lillie Thomas and this was the first time he had been in Moran for 21 years.

Mr. and Mrs. H. V. Jones of Texas City visited with her mother, Mrs. Hattie Gray, a few days last week.

Mr. and Mrs. Walton Worthy are the parents of a son, Charles Kenneth, born in a Waco hospital on June 27. The maternal grandparents are Mr. and Mrs. C. C. Ballard of Moran. The Ballards went to Waco to see their grandson and Mrs. Ballard remained for two weeks.

Mrs. Britt Pippen, Mrs. Miles Brenda and daughters, and Judy Harper and Brenda Midkiff have returned from Lueders where they attended a junior girls auxiliary camp at the Baptist encampment.

Mrs. Ray Blackstock returned home last week from a long visit with her son, Ray Blackstock, Jr., in Snyder.

Mrs. Rosa McCollum had as Sunday guests her children, Mr. and Mrs. Kenneth McKinney, Patricia and Kenny of Bryan; Mr. and Mrs. Woodran McCullum, Jerry Nadene and Randy of Odessa; Mr. and Mrs. Cecil Harper, Loretta and Cecil and Mr. and Mrs. Oma Wagley and Thersia.

Loretta Harper accompanied Mr. and Mrs. Kenneth McKinney to Bryan for a two weeks visit.

Mr. and Mrs. J. D. Meredith were called to Wichita Falls last weekend to be with Mrs. Meredith's sister, Mrs. William Paul Stokes, who was seriously ill.

Claude C. Wild of Austin spent a few hours with his mother in Moran on July 4.

David Raymond, son of Mr. and Mrs. F. R. Raymond, is in an Abilene hospital for minor surgery.

Lee Weir and son, Edwin, spent July 4 with their daughter and sister, Mrs. Gus Werth, Jr., and husband at Le Grange. Mr. and Mrs. Werth live on a turkey ranch which now has 5,000 half grown birds. Mrs. Werth will teach in the homemaking department at Flatonia.

S-Sgt. Maurice Newton and family of Bryan spent the weekend with his mother, Mrs. B. Newton. Both families visited relatives in Baird Sunday.

Mrs. I. E. Durham, who has been confined to her room for three weeks following a fall, was reported improved. Her brother, F. H. Duke of Oklahoma, is expected for a visit and he and Mrs. Durham will visit a brother in Lubbock.

Turn To Page Five

## Ranchers Express Thanks For Action In Helping Cattlemen

**TAKING A BIG LEAP**—It was a big event in Galien, O., when 725-pound Charles "Tiny" Kinsey, a filling station operator from Bucyrus, O., married Jean Hawkison, a 152-pound nurse, from Bothwell, Ont., Canada. Kinsey, 32, claims to be the world's second largest man, and has turned down many offers to join circuses. He has a 100-inch waist and a 23-inch neck.

## INDIANS TO MEET RANGER HERE FRIDAY NIGHT IN FINAL GAME

The Cisco Indians will meet the Ranger Eagles at ABC Field Friday night in the final game of the American Legion district schedule. The Indians need to take the game for a chance at the district crown.

The time of the game has been set at 8:15 p. m., it was reported by D. N. Morrison, manager. A small admission will be charged to help defray the expense of the contest.

## Darlene Parmer Places In Contest

Miss Darlene Parmer of Rt. 1, Cisco's representative in the Miss Texas contest held at Hoads Creek near Coleman on July 4, was judged one of the top ten of the thirty entrants in the contest to decide who would represent the state in the Miss Universe contest to be held in California.

In the eliminations held at 1:30 p. m. the top 10 were selected. Miss Parmer, along with representatives from Breckenridge, Rising Star, Cross Plains, Fort Worth, Haskell, Midland, New Braunfels, Coleman and Houston, made up the 10, which were judged again at 8 p. m.

Joan Bradshaw of Houston was selected as Miss Texas in the final elimination. Miss Midland was in second place and Miss Haskell in third place.

## City Would Need Election To Make Any Tax Changes

Any official action to reduce the city tax rate and increase property valuations would first be submitted to the citizens of Cisco in an election, Mayor G. C. Rosenthal reported today in commenting on a recent statement he issued on this subject.

Mr. Rosenthal reported last week that city officials had discussed the possibility of raising property valuations and cutting the tax rate from its present maximum of \$2.50 per \$100 valuation. "The matter has been given some study but no action has been taken and none would be taken without a city election on the subject," Mr. Rosenthal said. "The study was undertaken to determine whether or not it might be desirable, and the study will be continued."

Jimmy Latson, son of Mr. and Mrs. J. H. Latson, Jr., is visiting in the home of Mr. and Mrs. F. C. Laffoon in Pampa.

## Agency Writes To National Leaders

Directors of the West Texas Ranchers Association expressed appreciation to government leaders for action to aid cattlemen in drought stricken areas in a letter drafted at a recent meeting, President Sam Kimmell reported today.

The letters were mailed to President Eisenhower, Secretary of Agriculture Ezra Benson, Senator Lyndon Johnson, Senator Price Daniel, Representative Omar Burleson and Governor Allan Shivers.

The letter was written on July 2 and the text was released for publication today. The letter follows.

"The directors of the West Texas Ranchers Association, composed of Callahan, Eastland, Palo Pinto, Shackelford and Stephens Counties, desire to express their appreciation and admiration for the prompt action which has been taken to relieve the devastating effects of the present drought and disastrous price decline of all classes of cattle. It is our desire and hope that this relief program may be administered and carried out to the mutual benefit of the public in general."

The letters were written after the directors discussed the government relief measures, including low cost feed and a federal beef buying program.

The feed program got underway Monday and farmers and ranchers have been making application for feed at the PMA office at the county courthouse. Approximately 100 applications for drought relief feed had been filed at the PMA office today.

Under the feed program, cattlemen will be able to buy grain and cotton seed products at about half the current market price. Supplies of the feed were due to begin arriving in the drought stricken areas in about a week.

## Episcopal Rector Plans Vacation

The Rev. and Mrs. Arthur E. Hartwell of Holy Trinity Episcopal Church will leave at noon Sunday for the first part of their vacation. They expect to attend the Evergreen Conference of the Episcopal Church at Evergreen, Colorado, and will be absent from the parish two Sundays, July 12 and 19.

Rev. and Mrs. Hartwell recently visited in Houston to attend ordination services for 11 young men who had completed three years of seminary training. Father Hartwell had the pleasure of presenting to Bishop Quinn for ordination his own son, now the Rev. Edward M. Hartwell, who will be in charge of Trinity Church at Jasper and Christ Church at San Augustine.

While in Houston, the Hartwells attended a family reunion and Father Hartwell baptised the family's youngest grandchild, Kathleen Elizabeth, daughter of Rev. and Mrs. Edward M. Hartwell.

## City Water Rates In Effect Since January

If you use more than 7,000 gallons of water per month, your water costs you more money per 1,000 gallons used, Mayor G. C. Rosenthal reminded Cisco residents today. This was in answer to numerous inquiries as to "why is my water bill so high," he added.

Since January 1, 1953, the city water rates have been as follows: first 3,000 gallons, \$2; next 4,000 gallons at 30c per 1,000 gallons; next 8,000 gallons at 60c per 1,000 gallons, and over 15,000 gallons at \$1.00 per 1,000 gallons. The rates were designed to penalize those who use excessive water, Mr. Rosenthal said.

## SINGING CONVENTION

The Eastland County Singing Convention will meet Saturday night, July 11, and Sunday, July 12, at Mangum, according to A. E. LeClaire, president. The public has been invited to attend.

AMERICA'S DISPLACED PERSONS

Five million elderly Americans who must rely for their protection on public charity should be placed under social security whether or not they have paid social security taxes, says the Chamber of Commerce of the United States.

Washington Report, official publication of the National Chamber, calls them the "displaced persons" of America society in an editorial unfolding the human side of the business organization's proposal for sweeping overhaul of social security legislation.

Says Washington Report: A quirk in the social security laws compels nearly five million elderly Americans to rely for their protection on public charity.

Real Estate for Sale

The best investment on earth is the earth itself.

61 acres with 3-room house, extra good land, near Scranton. 35 acres cultivated. Bal. pasture. Well, tank, barn, Elec. Half Minerals. Mostly net fences.

DUNN'S REAL ESTATE

John Dunn Phone 399 or 802

their own way either. As much as 99 per cent of an OASI beneficiary's benefits are paid for by other taxpayers.

2. By 1950 amendments in the laws, Congress changed the definition of "insured" and gave benefit protection to about 750,000 elderly persons who, up to that time, were also unprotected. Under this change, these individuals were permitted to pay a token tax of a few dollars and qualify for annuities worth as much as \$20,000, in terms of private insurance company policies. No question was then raised as to the propriety of paying these people benefits financed almost entirely from tax payments of persons now employed.

3. The 1950 amendments also increased the benefits of all persons then on the beneficiary rolls - nearly two and one-half million elderly people. These increases also were to be paid for from taxes levied on the currently employed. No one questioned the propriety of this action.

4. Again, in 1952, Congress revised the benefit formula so that persons newly covered in 1950 were able to receive payments at least 50 times the value of what their taxes would buy. No one complained.

5. Actuarial studies Numbers 26 and 31 published by the Federal Security Agency (now the Department of Health, Education and Welfare) clearly indicate that as a group those individuals who have paid and are now paying social security taxes have received at least as much survivor benefit protection as their contributions are worth. (Insurance of their survivors is worth what contributors paid.)

This means, as the Social Security Administration Actuary points out, "that no recognition in future benefits as to employee contributions made prior to 1951 is necessary from an actuarial standpoint."

The present law commits future taxpayers to provide protection to the current generation of producers, but, in effect, allows the present generation of producers to escape its responsibility to the current aged.

Does the present generation of producers really want to dodge this responsibility to their fathers and their mothers while loading a responsibility on their children?

The National Chamber's proposal is the essence of simplicity; discrimination has no place in a public purpose program such as social security.

A Check List for Better Communities

Are there good schools and churches? They are the basis for a richer community life.

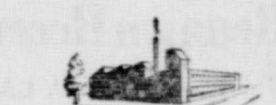

Is there adequate housing? Are builders planning for the future by using such permanent materials as clay pipe for sewer lines?

Are there good, well lighted streets, water supply, permanent clay pipe sewerage system? Are the streets attractive? They make the first impression.

Are there interesting parks, attractive play and recreation areas? Is there an auditorium for civic meetings as well as entertainment?

Have industries been encouraged? Do you provide adequate facilities such as clay sewers to attract industry and business?

Are the streets and parkways neat, well kept? Is there adequate transportation?

Is there a small hospital or a good health clinic?

Are there trees and flowers to dress up the city? Are the roads clay pipe drained to avoid flooding?

Are there good places to eat? Good food, served in good restaurants, is always an attraction.

Is there a public library, however small? Is it available to rural as well as town areas?

**HOW DOES YOUR TOWN RATE?** - Over 10,000 communities in this nation will soon be in the population classification of cities, The Sanitary Engineering Committee reports. These cities will then be obligated to provide complete facilities such as a clay pipe sewerage system. Over one billion feet of vitrified clay pipe have been used in the last century. More and more engineers, city officials and home owners are depending upon clay pipe to safeguard the health and welfare of their citizens.

**HELPMATES**-These sturdy-limbed girls of Pakistan are not carrying cakes from ovens to sweethearts and husbands, but they are showing loyalty to their menfolk and their pride in their community. The "cakes" are trays of cement which are used in a building project that is designed to make Karachi a modern metropolis. The project is being jointly undertaken by the government and cooperatives to supply the residents with homes.

**WHERE LIFE IS A BREEZE**-Mary Ann Harrison adds her own brand of glitter to the New York skyline. She is beating the current heat wave by dressing somewhat lightly and relaxing on a rooftop. The Empire State Building, in rear, seems to be sweltering with the rest of the city, but not Mary Ann.

AND NEWS OF INTEREST TO WOMEN

## W.F. Group 3 Elects Officers At Meeting

Officers for the coming year were elected at the regular meeting of Group Three of the C.W.F. Tuesday in the home of Mrs. S. Stockard.

Mrs. George Estill opened the meeting with prayer and Mrs. S. Stockard gave the devotional.

Officers were elected as follows: chairman, Mrs. H. H. Davis; chairman, Mrs. I. A. Brunnhoefer; program, Mrs. O. B. Ham; assistant program chairman, Mrs. J. S. Stockard; secretary and treasurer, Mrs. I. A. Brunnhoefer; assistant secretary and treasurer, Mrs. M. E. Gurney; devotional chairman, Willierue Logan; assistant devotional chairman, Mrs. George Estill; Stewardship chairman, J. S. Stockard; Christian Family Life, Mrs. Raby Miller; assistant Christian Family Life, Mrs. George Estill; and reporter, Mrs. A. L. Clark. The meeting closed with the missionary benediction.

Refreshments were served to Mrs. M. E. Gurney, Mrs. George Estill, Mrs. A. L. Clark, Mrs. G. Troxell, Mrs. Willierue Logan, Mrs. J. S. Stockard.

## Group One Of CWF Has Reorganization Meet

Group One of the C. W. F. of the First Christian Church met Tuesday at the home of Mrs. Bob Winston for the purpose of reorganizing and to elect officers for the coming year. Miss Marie Winston was co-hostess.

The meeting was called to order by Miss Marie Winston who acted as temporary chairman. Mrs. W. J. Armstrong led in opening prayer and Mrs. W. R. Huestis brought the worship service from John 3:16. Mrs. Rex Moore was elected as chairman and presided during the election of officers.

The following officers were nominated and elected by acclamation: assistant leader, Mrs. W. R. Huestis; secretary and treasurer, Mrs. Jo Latson; Worship chairman, Mrs. J. M. Flournoy; study chairman, Mrs. W. J. Armstrong; stewardship chairman Mrs. Olga Baker; and Christian Family Life, Mrs. Ace Lucas.

The roll was called and the reports of the members present were heard. Mrs. W. R. Huestis extended an invitation to the group to meet at her home July 14 at 3:30 p. m. The group voted to meet each week and Mrs. Armstrong gave an outline of the program for the meeting July 28 and selected the cast for the playlet, "Make Her Mrs. Active Member." The meeting closed with all praying the missionary benediction in unison.

A social hour followed and frosted orange drink and cookies were served to Mrs. W. R. Huestis, Mrs. Rex Moore, Mrs. C. B. Powell, Mrs. Bob Winston, Mrs. W. J. Armstrong, Mrs. Sidney Spain, and the hostesses, Mrs. Bob Winston and Miss Marie Winston.

## Melody YWA Holds Meeting On Monday

The Melody Y. W. A. of the Cisco Baptist Church met Tuesday at the church for their bi-monthly meeting.

The meeting was called to order by Melba Rae Harrelson and Mary Wood led in opening prayer. The group joined in singing "ayer Changes Things" after which Mary Wood brought the devotional on Learning To Pray. The meeting closed with sentence for the coming revival.

Those attending were Shirley Bott, Mary Wood, Jesse Ward and Melba Harrelson.

## Baptist Circle Two Meeting Tuesday

Circle Two of the First Baptist Church met Tuesday in the home of Mrs. R. D. Guthrie for their regular business meeting.

Mrs. J. E. Burnam presided in absence of the chairman and in opening prayer. The assessment for the month, visiting sick and new members, was discussed and the group voted to raise \$2.50 to the old ministers relief.

Each member present sign a get well card to send to Rev. M. Ward and wife.

Those attending the meeting were Mrs. J. E. Burnam, Mrs. O. Martin, Mrs. G. B. Langston, Mrs. C. A. Farquhar, Mrs. O. L. Duncan, Mrs. E. C. Duncan, and Mrs. Guthrie.

## Baptist Circle Meets With Mrs. Farnsworth

Mrs. M. P. Farnsworth was hostess in her home Tuesday morning when Circle Six of the First Baptist Church met in regular session.

Mrs. J. B. Popalio led the opening prayer and each member present quoted their favorite scripture. A short business session was held with Mrs. James Smith presiding after which the lesson from the book, "Sacrifice and Song," was taught.

Refreshments were served at the close of the meeting to Mrs. John Popalio, Mrs. James Smith, Mrs. E. W. Barnby, Mrs. Farnsworth, and a visitor, Mrs. J. R. Greer.

## Mrs. Wright Hostess For Baptist Circle

Circle One of the First Baptist Church met Tuesday at the home of Mrs. F. D. Wright for their regular meeting with Mrs. W. D. Hazel presiding.

Opening prayer was led by Mrs. Brewer and Mrs. Jeffcoat gave the devotional from Psalm 96. During the business session it was voted to send money to the old ministers relief. Mrs. J. R. Burnett taught the lesson from the book, "Sacrifice and Song," and Mrs. Fred Grist led in closing prayer.

A refreshment plate was served to Mrs. J. R. Burnett, Mrs. Fred Grist, Mrs. Jeffcoat, Mrs. F. E. Shepard, Mrs. Frank Walker, Mrs. A. R. Day, Mrs. Brewer, Mrs. W. D. Hazel, Mrs. C. A. Williams, and the hostess, Mrs. Wright.

# HEALTH TALKS

Prepared by the  
Texas Medical Association

The Stomach has been likened to a barometer. It is sensitive to anything wrong with the digestive system — and for that matter, to anything wrong in other body systems or the environment as well.

The victim of "nervous indigestion" doesn't need to be reminded of this fact. This complaint, by the way, is one of the commonest heard by the physician.

It is possible to lose one's appetite or to become nauseated because of worry, fear, and other upsetting emotions. This happens at times even to the person who claims he has an "ironclad stomach." When persons are subject to emotional strain for a long period (as during war or depression or chronic illness in the family), symptoms of indigestion may grow worse and actually reach a point at which they cause acute illness.

Frequently the doctor is consulted. He is well aware of the role which the emotions may play in indigestion. Nevertheless, through a thorough history taking and physical examination and through using special tools for diagnosis, he must rule out the presence of any organic disease that may be responsible for the patient's complaints. Only when he has done this is he able to treat the patient properly.

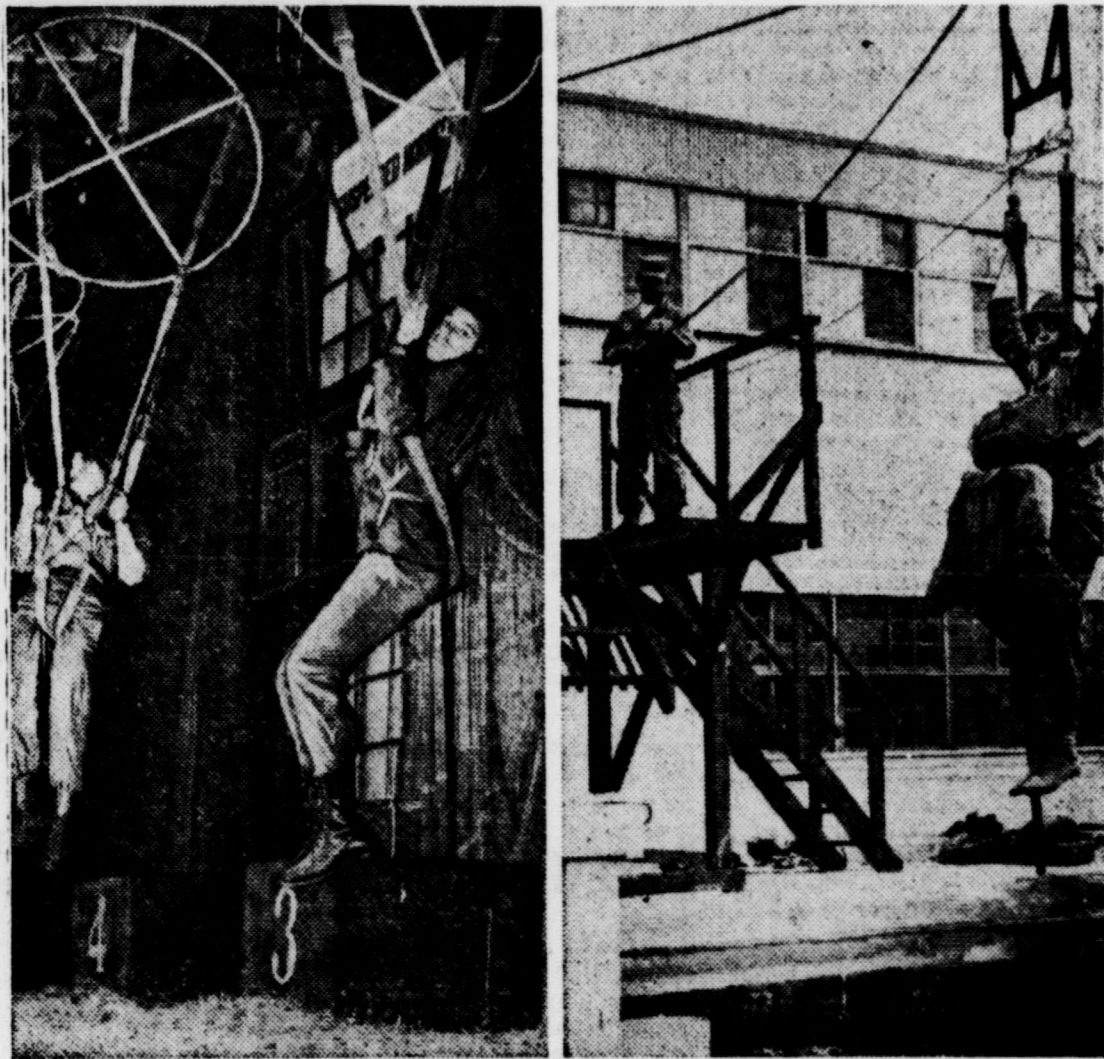

He has a number of methods of treatment at his disposal. First, he probably will recommend correction of any minor defects, such as bad teeth, tonsils, or infected sinuses which may be indirectly responsible. He will show the patient how he may improve habits of diet, sleep and rest, work, recreation, and so on, emphasizing the importance of a regular schedule for meals, elimination, and rest. He will remind the patient to eat only easily digested foods to which he is accustomed. Not the least of his advice will concern the need for periodic vacations, for eating in pleasant surroundings with good company, and for deliberately trying to forget an upsetting emotion for at least part of the time. Finally, he will encourage the patient to substitute healthy emotional attitudes for faulty ones which may exist.

regular meeting with Mrs. W. D. Hazel presiding.

Opening prayer was led by Mrs. Brewer and Mrs. Jeffcoat gave the devotional from Psalm 96. During the business session it was voted to send money to the old ministers relief. Mrs. J. R. Burnett taught the lesson from the book, "Sacrifice and Song," and Mrs. Fred Grist led in closing prayer.

A refreshment plate was served to Mrs. J. R. Burnett, Mrs. Fred Grist, Mrs. Jeffcoat, Mrs. F. E. Shepard, Mrs. Frank Walker, Mrs. A. R. Day, Mrs. Brewer, Mrs. W. D. Hazel, Mrs. C. A. Williams, and the hostess, Mrs. Wright.

ENJOY A NIGHT OUT... GO TO THE MOVIES!

LEARNING IN MID-AIR—U.S. paratroopers are going through some new training at the Army Basic Parachute Jump School at Camp Kashi, Japan. At left, they are suspended in parachute harnesses attached to hoops to teach them to control the movement of a chute. In another section, right, a student is learning to hit water and free himself from his rig in two minutes, as another GI prepares to drop him in the soup for the water landing fall practice.

## There Must be Something Wrong —

... with the man who falls down and refuses to get up or is perfectly content to allow society to look after his well being, or is there? What is wrong, if anything, with the seller who refuses to buy an abstract? Maybe nothing, but there is something wrong with the buyer who weakens at this point and buys hastily without complete title information before him. Think it over and in the meantime don't do it.

# Wow!

Summer, with record breaking heat, arrived thirty days early ... and I've been working double hard to help you beat the heat!

... working to keep you and your family comfortable in spite of the abnormal heat ... working to keep the food in your refrigerators and home freezers fresh and wholesome ... keeping air conditioners, room coolers, and fans running full speed day and night.

Yes, when the temperature soars there's much, much more work for me to do in addition to my regular chores around the home ... work that I'm glad to do so long as it's helping you.

LET'S TALK LIVESTOCK BY TED GOULDY

FORT WORTH—The early tabulation of ballots in the poll conducted by hometown and county newspapers in Texas showed a wide difference of opinion among the voters, but the majority leaned toward price supports for livestock, as well as other agricultural commodities. Many marginal comments indicated that the voter favored livestock support programs provided there was support on other things.

Stockmen were asked to express their views on four questions, or to submit their own views:

No. 1: I favor removal of all price supports in agriculture.

No. 2: I favor price supports on cattle, hogs and sheep, as well as on other agricultural commodities.

No. 3: I favor flexible price supports on agriculture, excluding livestock.

No. 4: I favor continuation of the present program of fixed price supports on grain, etc., but no supports on livestock.

The fifth proposal was for the reader to submit his own plan:

Averaging the total ballots received through Monday, a little over eight percent favored removal of all supports.

Some 58 plus, percent, favored supports on livestock, as well as on other agricultural commodities.

A bit over 10 percent favored flexible controls.

Almost 20 percent favored the present program of rigid supports on agricultural commodities, and none on livestock.

About three percent favored their own individual plans.

In typical divergence of views were those reported by The Llano News when ten favored removal of all agricultural price supports.

Seven favored No. 2, with price supports on cattle, hogs and sheep as well as other agricultural commodities.

One favored No. 3, flexible price supports on agriculture, excluding cattle, hogs and sheep.

One wrote in his own plan, which was: The government buying the cattle from the ranchers, canning it and sending it to foreign countries instead of cash.

On the other hand The Comanche Chief reported: Three favored removal of price supports. Thirty-eight favored, No. 2 or price supports on livestock and agricultural commodities. The Comanche Chief reported seven favored flexible supports on commodities: seven favored the present program. Two favored supporting livestock 100 percent and dropping other commodities and two favored supports on all agriculture at 90 percent of parity.

The present rigid supports got their strongest support in the poll of the Tulia Herald, and strangely, no votes were reported there for proposition No. 1, the removal of supports. In the Tulia Herald, No. 2 got 58 votes, or more than 53%; No. 3 got 13 votes, or nearly 12%; No. 4 got 38, or almost 35% of the votes.

The Childress Reporter ballots were 2-to-1 in favor of supports for livestock as well as other commodities. One voter who favored removal of all supports in the Childress Reporter ballot wrote: "Do away with all this gimmy stuff, make the rancher a loan at a cheap interest rate on long time, then expect him to pay his loan off, and most of them will be glad to meet their creditor with a smile and pay their notes."

The Paducah Post ballots were two to one in favor of supports. Comment with them favored feed at lower prices, and favoring ceiling on things farmers must buy. One ballot called for supports at 90% of parity, acreage allotments when necessary.

The Foard County News ballots

were at the ration of two-to-one favoring proposition No. 2. One ballot said stop all supports, all controls and stop all imports. Another ballot favored government purchase of three to five million cattle now. Another ballot called for putting somebody in office who can negotiate foreign markets for our surpluses.

The Merkel Mail reported up to date a single ballot favoring Proposition No. 2.

The Bowie News Times reported No. 2 ahead five-to-three, with 25% of the ballot favoring removal of all supports. One ballot said, "it's a crazy idea to support feeds and not livestock."

Another said, "Price supports on all, or turn it all loose. Livestock and poultry-men haven't a chance under the present setup." Another ballot said, "Give the producer of all commodities the same guarantee that is given labor, utilities and common carriers and other businesses."

The Mount Vernon Optic Herald reported two ballots for Proposition No. 2.

The delay in the mail caused by the holiday over the past weekend undoubtedly tied up many reports which were on the way in, some we will probably be able to complete the poll in our report next week.

It appears that the idea of price supports is so general in the farm and ranch sections that this will undoubtedly be a big issue in the months ahead in the hall of Congress as well as in the 1954 congressional elections.

Desk And Derrick Club Has Meeting

D. T. Bowles, Breckenridge attorney, was the speaker for the Desk & Derrick Club, which met July 6, 1953 at 7:30 p. m. at the Woman's Forum in Breckenridge. He talked about Breckenridge during the oil boom. Among the interesting facts brought out by Mr. Bowles was that the population jumped from 500 to about 40,000. People were living in shacks and tents. Conditions were crowded and facilities very limited.

The club welcomed Pauline Kime, The Ibox Company, as a new member and was pleased to have Mrs. Evans and Mrs. Cheshire, of Cisco, as visitors.

After a short business meeting, refreshments were served by the hostesses, Clea Coffman, Pansy Guyton, and Julia Harrold.

### Moran News

From Page One

Mr. and Mrs. Lloyd Morris had as weekend guests their son, L. H. Morris and family, Mrs. L. K. Kennedy and children, Miss Jennie Smith and Mr. and Mrs. Bill Kelly and family.

Mr. and Mrs. Oscar Wise left July 4 for Weslaco to attend funeral services for Mrs. Wise's brother, Fred Voigt, who died of a heart attack Thursday night. Mr. Voigt formerly lived in Moran and had many friends there. Mr. and Mrs. Wise will return this week.

Mr. and Mrs. Joe Moore and Mary Nell spent July 4 with Mrs. Moore's parents, Mr. and Mrs. A. H. Boyd of Duncan, Oklahoma. Mary Nell stayed with her grandparents for a longer visit.

Mr. and Mrs. E. T. Autrey and little daughter, Rena, of Weatherford spent July 4 with Mr. and Mrs. A. T. Grace, Sr. Both families attended the Stamford rodeo on the Fourth.

Eugene Anderson of Marana, Arizona, spent July 4 and 5 in Moran as the guests of Mr. and Mrs. B. B. Bartee.

Mr. and Mrs. LaFord Green are spending a week at Ruidoso, New Mexico, on vacation.

Ezra Rich of McAdoo spent two days in Moran recently visiting Oscar Parish and other

### State Attorney Reports On Work During 6 Months

AUSTIN, July 9. — Attorney General John Ben Shepperd has released a summary of all cases won or lost by his office during the first six months of 1953.

Cases tried or appealed total 671 for the six months' period. Of this number, the Attorney General's Office won 660 or well

over 98 per cent. Eleven were lost.

In the same period the number of pending cases was reduced from 1109 to 800, although 362 new suits were filed.

Listed among the cases won were lawsuits in which injunctions were recently secured against an alleged Communist labor union and labor organizer, prohibiting the union from organizing Texas workers.

Two other major cases won were the successful defense of the constitutionality of the Safety Responsibility Act and the Gilmer-Aiken School Act.

Also included among cases won were the gas gathering tax cases and the Texas Company case, both of which promise millions of dollars in revenue for the Texas Permanent School Fund.

In June the Attorney General's Office tried or appealed 146 cases, losing only one of that number.

There are about 5,000 different languages in the world.

friends. He lived in Moran 40 years ago.

Miss Lyle Penn of Amarillo, who has been visiting Miss Laura Snyder at the Snyder ranch, left Monday for a visit in Dallas.

Dinner guests at the Haden ranch on July 4 were the Rev. and Mrs. Melvin Mathis and family and Mrs. Alice Cunningham.

Billy Gaston and Billy Wayne Davis left Saturday for Kansas City where they will take a three month course in radio and television at the Air Training Station.

Mr. and Mrs. Ed Collingsworth and Mr. and Mrs. Olan Smith and Patricia Ann and Mr. and Mrs. T. A. Hull and Ronald of Brownwood attended the Reese family reunion at Georgetown on July 5.

## Washington

"As It Looks From Here"

OMAR BURELESON  
Congressman  
17th District

President Eisenhower has made available eight million dollars from funds under his direct control for relief of the drought-stricken area in Texas and Oklahoma. One half of the Counties in Texas have been designated as a "disaster area."

This money will be used primarily for livestock feed. The system calls for a five-man committee in each County to administer the program locally.

As previously mentioned in this column, this is only a part of the answer to our drastic situation. We need a system of extended credits to go along with this first step, and I hope something of this nature can be arranged in the next several days.

The Post Office Department has been losing between 500 and 600 million dollars annually for the last several years. Several things have been attempted to reduce the deficit. The new Postmaster General has given notice of increases in certain mail rates, and I also understand they are increasing box rents. Too, it is the policy of the new Administration to consolidate mail routes where possible. Some Star Routes eventually may be consolidated with regular Rural Routes. They are also closing out a number of Fourth Class Post Offices where they can be adequately served by rural delivery.

If these actions really save money and at the same time maintain good service, it is of course, commendable. However, until and unless the Post Office Department is reorganized for modern operation, it will continue to lose huge sums annually. It is one of the biggest businesses in the world, but it is still run pretty much as it was in the horse and buggy days.

The House of Representatives completed last week the Appropriation for National Defense. The total sum, which does not include construction of bases etc., is 34 billion, 400 million dollars. The main debate on the Bill centered around the reduction of money for the Air Forces. This is the first time that your Congressman has fallen off the Economy Wagon.

At about every opportunity, I have voted to reduce funds, but I did not vote to reduce the air strength from the established goal of 143 Wings to about 120 Wings. The difference in costs is over a billion dollars.

If we believe we are living in a dangerous World, because of the threat of Russian aggression, then we cannot afford to have an Air Force second to the Soviet's. It is certain that we cannot match them man for man on the ground. Therefore, we must concentrate on strength elsewhere.

There was a time when we could depend on the greatest Navy in the World, which was the British, but that is no longer true. There was also a time when we could be reasonably sure of having two or three years in which to prepare ourselves, but that is no longer true either. Should there be another war, it will break with a fury beyond the imagination. I am not willing to take the chances that the industrial capacity of the Nation might be crippled or destroyed in an atomic attack. I am not willing to risk the destruction of our homes and our lives by not providing for the greatest Air Force in the World. To be strong and to be ready is the best guarantee it will never have to be used.

In my humble opinion, it is as simple as this: We will either be prepared or unprepared. Halfway preparedness is a waste of money and effort. A "little" preparedness is about as safe as a "little" religion.
