

The Gay Philosopher

By J. W. S.

THE LARGEST crowd of the season turned out Friday night to see the Indians play the Ranger Eagles in a baseball game. And it was a splendid game, even though our team lost. Manager N. Morrison tells us they'll play a number of other games before concluding the summer season. Understand the Indians met Stephenville here Tuesday night.

THE NEWSPAPERS told about the situation in a major league baseball game recently in which a pitcher and the first baseman alternated in pitching to the batters. This all reminded several of us of a game that a Cisco team played a number of years ago at Gorman.

In this game, I. J. Henson was the starting pitcher and Mr. Lefty Whitt was on first base. As things moved along, Henson switched to the righthanded batters and changed places with outpaw Sublett for lefthanded batters.

Cisco won the game. There was a little argument, but the rule book doesn't say anything about it.

MRS. CALLIE McAfee is back home and, thank you, she plans to stay. She vacationed for a month up at Alton, Missouri, as guest at the turkey ranch of her son, Cecil W. McAfee. It's a fine country to see and the ranch has 2,000 little turkeys to hatch. But it's hot and dry and definitely not like Texas and Cisco, Mrs. McAfee tells us.

OUR SCOUTS report that Dr. M. Ward, pastor of the First Baptist Church, is doing nicely after undergoing surgery several days ago at Jacksonville. His sons called for moving to Marshall this weekend for a few days of rest with old friends and relatives before returning home Cisco this week. He plans to go back in his pulpit on July 19.

SEVERAL PEOPLE have asked us when we planned to take a vacation and to write articles about people and places like we've done each year for several years. And Mr. Charles Spears of the First National Bank handed us an interesting booklet the other day. It tells all about the various national parks and what you can do and see in them.

We've been studying the booklet for several days now and have decided to look in on one or two or three national parks. These parks offer wonderful vacation opportunities. There are national parks in most states and many of the parks have excellent camping facilities.

Will give you some more dope on this subject as our study continues and our plans materialize.

QUOTES FROM OUR copy of the Imperial Type Metal Magazine: It takes a lot of time just to be polite. . . Nothing's more pleasant than to hear a hard rain pattering on the windows of a friendly room. . . Golf will always be popular with married men so long as the alternative is mowing the lawn or cleaning the garage. . . We announce, without fear of contradiction, that we have passed up innumerable opportunities to get rich quickly; and we do admit that we have accepted equally glamorous opportunities which, alas, by a queer twist of fate, kept us broke.

More quotes: Some fellows never have much, but the always have something. . . Why do old men insist on worrying about problems that belong to young men? . . . It's the people who think they're right who make the most interesting grammatical mistakes in conversation. . . This world wasn't made for you or me or even the S. A., but for those who are able to handle themselves well and respect the reasonable rights of others. . . Once in a blue moon whatever that is — I wish I could live my life over again.

And more quotes: I'd rather get \$1 for saying what I think than \$10 for saying what I don't think. . . For the ignorant this is good time to be alive. . . In teaching English composition in school they neglected to tell us that before you can write anything worth printing, you must first find an idea.

RELATIVELY SPEAKING—In Los Angeles, electronics engineer William Schwartz, center, has succeeded after two years in transplanting eight of his British wife's relatives from London. Although his house is crowded, Schwartz feels it's worth it since his wife is no longer homesick. And he doesn't want to hear any tired old jokes about in-laws, either.

Legion Team In Second Place As Season Closes

Acting upon a protest lodged Saturday by D. N. Morrison, manager of the Cisco Indians, the district committee in charge of American Legion baseball ruled out the game between Cisco and Ranger played at ABC Field Friday night, which was won by Ranger 6-5.

Morrison's protest of the game came when it was revealed that Ranger used an ineligible, or over-age player.

The ruling of the committee failed to change the district standing and gave Stephenville the title by a few percentage points. The managers of the various clubs voting on the protest decided against playing the game over because of the time limit. The district winner was to have been named Saturday.

In the event the game had been played over and Cisco had won over the Eagles, there would have been a tie between Cisco and Stephenville for first place and a best two out of three series would have been necessary to decide the representative. Time would not permit the playing of that many games before regional play began.

As a result of the committee ruling the final district standing was as follows:

Team	won	lost	per.
Stephenville	8	2	.800
Cisco	7	2	.778
Goldthwaite	7	3	.700
Breckenridge	4	6	.400
Ranger	3	6	.333
Mineral Wells	0	10	.000

"Mush," the Alaskan term, is a contraction of the French "marchons" meaning to go on.

A pig is the nearest relative to a hippopotamus.

TOM WILSON WILL JOIN STAFF OF BANK, MISS MOAD PROMOTED

Tom Wilson, manager of Rockwell Bros. and Company here for more than a year, will join the staff of the First National Bank on Monday, July 27, according to an announcement Saturday by President James P. McCracken of the bank.

RANGER BEATS INDIANS TO END LOCAL TEAM'S BID FOR CROWN

The Ranger Eagles, playing their best game in five times they have met the Indians this season, got off to an early start at ABC Field Friday night to eliminate the Indians from the district American Legion baseball race by a 6-5 score.

The Eagles played almost errorless ball in downing the Indians who were gunning for a tie with Stephenville and a chance to represent the district in regional play.

The over-anxious Indians made five errors that helped the Eagles to get their six runs off five hits. Don Greenhaw, Indian starting pitcher, was erratic in the first two innings and hit four batters and walked two. Tight play in the

right spots held the Eagles to two runs in the two initial innings after they put eight runners on base.

The Eagles put together two hits, a base on ball and an Indian error in the bottom half of the third inning to go ahead 4-2 after the Indians had tied it up in the top half of the inning.

The Indians made it 3-4 in the top half of the fourth when Tommy Reynolds scored after getting on on a single. The Eagles came back in the bottom of the fourth to go ahead 5-3 when Forney scored from third on a long fly ball.

The Indians put on a rally in the top of the seventh to knot the count at 5-5. Gilbert, first man up, grounded out, short to first. With one away Emsley was hit by a pitched ball and was placed on first base. Weiser popped out. With two away Jackson got a double, scoring Emsley. Jackson scored on a long single by third baseman Rodgers. Greenhaw struck out to retire the side.

An error and a base on balls broke up the ball game in the bottom half of the seventh. Simmons, first man up for the Eagles, was out on a good play by Gilbert. J. Wharton was given a free pass and went to third on Calvert's single. Bogwell, playing third base for the Eagles, hit a hard grounder to short. Emsley made a nice stop of the ball but dropped it, allowing Wharton to score from third.

Dizzy Howell, who replaced Don Greenhaw on the mound for the Indians in the fourth inning, was charged with his first loss of the season. He pitched two hit balls in the final innings and allowed only one base on balls. Morris was the winning pitcher. He went all the way for the visitors.

If all the games that have been played during the season are allowed to stand by the district committee, Stephenville will be declared the winner and will represent the district in the regional tournament.

Miss Moad moved to Cisco with her parents, the Rev. and Mrs. C. S. Moad, in 1932. She is a graduate of Cisco High School and Cisco Junior College. She received her business education at CJC, finishing as valedictorian of her class. After working for four years as cashier for the J. C. Penney Company, she joined the bank staff in 1942.

Rev. McBride To Lead Revival At Baptist Church

Rev. H. H. McBride, pastor of the First Baptist Church in Breckenridge, will be the speaker at a revival meeting which is scheduled to begin at the East Cisco Baptist Church Wednesday, July 15.

The revival will continue through Sunday, July 26, with preaching services at 10 a. m. and 8 p. m. daily. Prayer service will be held at 7:30 p. m. each day, just before the evening service.

Don Rupe, a member of the local church, will be in charge of the song service.

The Rev. F. C. Bradley, pastor of the East Cisco church, issued a special invitation to everyone in the area to attend the revival.

Sons Of Pioneers Will Appear For Rodeo At Ranger

RANGER, July 11.—America's No. 1 singing group — the "Sons of the Pioneers" — will appear in person during each mighty performance of the big 1953 eighth annual Ranger Roundup Rodeo which will be staged in Ranger on Wednesday, Thursday, Friday and Saturday, July 22-23-24-25.

They'll come to Ranger direct from Hollywood and their visit at the Roundup Rodeo here will be their only personal appearance in the Lone Star state.

The widely publicized musical and vocal crew, specializing in every-popular western and never-to-be-forgotten hillbilly ballads and range songs, have been tabbed "aristocrats of the rangeland" and have appeared in several productions (193). They've starred in scores of western movies, and in addition they've appeared in several productions of major studios and have worked for such famed directors and producers as John Ford and Walt Disney. Most of their screen work has been in Republic Pictures productions.

Members of the "Sons of the Pioneers" include Hugh Farr, violinist and bass vocalist; Karl Farr, guitarist; Lloyd Perryman, master of ceremonies; Dale Warren, baritone; Tommy Doss, lead vocalist; and Deuce Spriggins, who doubles on the bass and fiddle.

Popular RCA-Victor recording artists, the six-man musical group has waxed more than 150 tunes. One of their most famous disks, "Cool Water" and "Tumbling Tumbleweeds" has sold more than a million and is still being pressed to meet constant demands for both tunes which have become all-time favorites.

The '53 Ranger show, being promoted as the biggest and best in area history, will feature seven major rodeo events — bulldogging, bareback and saddle bronc riding, calf roping, bull riding, cutting horse contests and barrel races. Rodeo contestants are offered a total of \$2,900 in prizes plus entry fees which sponsors predict will bring total awards to nearly \$6,000.

Stock for the 1953 Ranger Roundup will be furnished by Homer Todd of Fort Smith, Ark. Frank Miriam, member of the Ranger Jaycees and former holder of the world's championship title in bullriding, will be arena director.

The four-day presentation will be formally opened with a big and colorful parade in downtown Ranger on Wednesday, July 22, at 3 p. m. Hundreds of visiting cowboys and contestants and many delegation of posse owners and riding clubs will add a favor of the old west to the procession which is expected to draw thousands of spectators who'll jam downtown Ranger.

Roy Solomon To Be Manager For Rockwell Bros.

Roy Solomon, native Cisco resident and an employee of Rockwell Bros. and Company here for more than a year, will become manager of the lumber yard on July 15, according to an announcement Saturday. He will replace Tom Wilson, who has resigned as manager of the Rockwell company to accept a position at the First National Bank.

Mr. Solomon has been connected with the lumber business most of his life. His parents, Mr. and Mrs. A. A. Solomon, lived here for many years before moving to DeLeon some years ago.

After serving five years in the U. S. Army during World War II, Mr. Solomon returned to Cisco. He attended Cisco Junior College Night School and was graduated last year. He is a member of the Church of Christ, and is married to the former Miss Bonnie Sue Swindle, daughter of Mr. and Mrs. Henry Swindle.

BROTHERHOOD TO MEET

Members of the Brotherhood of the East Cisco Baptist Church will meet at 8 p. m. Monday at the church for a program meeting.

Presbyterian Pioneer Camping Program Continues This Week

Swimming Pool Notes . . .

CAMP GROUP ENJOYS SWIMMING IN POOL; LADIES NIGHT STAGED

By W. P. KNIGHT

From talking to members of the Mid-Texas First Pioneer Presbyterian Camp group at the Presbyterian Camp here, the most interesting and best attended session of the camp is the regular afternoon swim. In the midst of the happy swimmers you can see Rev. John Cunningham, Handley, (Fort Worth) Presbyterian pastor, Rev. Grady James of Cisco and other leaders, including Miss Ruby McDurmon, Mid-Texas Educational Director.

Rev. Bob Brannon of Sterling City, Rev. Dave Farman of Fort Worth and Lay-workers Misses Marilyn McManus of San Angelo, Jane Rogers and Helen Moore of Fort Worth and Mr. and Mrs. George Young of Ridgely Park Presbyterian Church of Fort Worth, are others who are taking leading parts in making the First Pioneer Camp a big success.

Occasionally we see the Pioneer Camps' business manager, Rev. Dwight Sharpe, Sweetwater Presbyterian Pastor, trying out the pool himself.

Unpredictable Texas weather and swimming at our huge pool came in for an interesting story as told by Lifeguard Paul Mosley.

Roping Program Planned Monday At Local Arena

The first of a series of semi-weekly practice calf roping programs will be held at 8 p. m. Monday at the Cisco Roundup Club arena on the Moran Highway, it was reported Saturday.

The programs are being staged by Weldon McConnell and associates by arrangement with the Cisco Roundup Club. There will be no admission charges for spectators.

Beginning in August, McConnell will sponsor a monthly jackpot roping, cutting horse and barrel race program at the arena. Details of this event will be announced later. The arena has a herd of Brahman calves for the roping programs.

McConnell recently moved to Cisco from Strawn where he was foreman of the Open A Ranch. He now is operating a school for roping and cutting horses at the Roundup Club Arena.

Dr. Jack McGorman To Fill Pulpit Here

Dr. Jack McGorman, professor at the Southwestern Theological Seminary in Fort Worth, will fill the pulpit at the First Baptist Church at both the morning and evening services Sunday in the absence of Dr. H. M. Ward, pastor, according to an announcement Saturday.

Doug and Russell Johnson of Pecos are spending the weekend in the home of their parents, Mr. and Mrs. Edgar Johnson.

Here is how Paul tells the story: "I believe it was July Fourth in 1943 that we at the pool and Manager Bill Berry looked at the dismal gray skies and decided that there was little use in keeping the pool open, since the norther would chase a polar bear into hibernation. At about 9 a. m. came a few snow flakes which scarcely reached the ground. So, Manager Berry sent us all home. Then came the sudden weather change. It reached about 100 degrees by noon, and we were all called back. The pool had its best July Fourth season in years that afternoon."

July Fourth, 1952, had some strange weather, also. We were at the pool until about 11:30 a. m. after which we went to town for some lunch. No sooner had we arrived home when a cloud-burst fell to flood some streets in lower sections of the town. Autos were flooded and stuck in ditches on West 9th Street, and wreckers were called out to pull other cars from low spots in city streets. Many Ciscoans who had planned to spend the Fourth afternoon and evening at the lake decided the lake area was flooded. We found the streets dry as soon as we passed the Livestock Show barns on the Moran highway — not a drop of water had fallen North of the barns.

If you think it is hot in Cisco, you ought to go and try the Lubbock climate, so Mrs. J. H. Hammett, formerly of Cisco, says. She and her two husky sons, Harold and John Harvey, were visitors at the lake pool Wednesday and Thursday. The boys really enjoyed their swimming.

They learned to swim in an ABC club program several years ago. When we asked Mrs. Hammett why Lubbock was hotter than Cisco, she said that the irrigation system greatly increased the humidity, and high humidity, plus high temperatures, is what makes hot unbearable. The Hammetts thought our climate ideal.

Ladies' Night at the swimming pool Thursday got off to a good start with about 75 of the ladies from 6 to 80 enjoying being the guests of the John Wm. Butts Post, operators of the pool. While we started this ladies session at 5 p. m. we think the next Ladies event will be from 6 p. m. till closing at 10 p. m., next Thursday, July 16th.

Cisco residents do not know what a water shortage is unless they experienced water scarcity such as happened to Mrs. Marie Smith, manager of the Lake Cisco Skating Rink. The former WAC Lieutenant had to get accustomed to using water for an hour in the morning and another hour in the afternoon. Naturally, there were no swimming pools in the Electra area where she then lived. That's what we would call a water shortage.

Mr. Carlisle, custodian of the Cisco Housing project, tells us that the Carlisle reunion is planned for July 30 and 31 at the lake.

SHE OUGHT TO SIOUX—It was all in fun when a department store in New York held an Indian beauty contest. Little Sunshine, left, was the original winner, but the braves present rebelled and selected She Who Is Single, right. The latter kept the title, and Little Sunshine looked unhappy when she congratulated her.

63 Young People Are Due Monday

The second of two Pioneer Camps for young people of Mid-Texas Presbytery churches will open at Lake Cisco Presbyterian Encampment on Monday, the Rev. Grady James, pastor of the local church, reported Saturday. Rev. James is director of the Pioneer Camp.

The first Pioneer camp opened last Monday with 42 young people between the ages of 12 and 14 in attendance. Some 63 young people have signed up for the second camp this week.

Daily schedule for the campers calls for the day to begin at 7 a. m. and lights out at 10 p. m. Meals are provided in the large camp mess hall. In addition to recreational activities, the campers enjoy hobby hours and vesper services.

Camp leaders during the past week included Rev. James, director; Rev. R. B. Brannon, Jr., Sterling City; Rev. John Cunningham, Fort Worth; Rev. David Parsons, Rule; Miss Marilyn McManus, San Angelo; Mrs. W. E. Rogers, Fort Worth; Miss Ruby McDurmon, Ft. Worth, and George Young, Fort Worth.

The Rev. Dwight A. Sharpe, Sweetwater, served as camp business manager, and Miss McDurmon was director of Christian education.

Rev. James expected some 13 adults leaders to help with the second Pioneer Camp this week. A Senior Camp is planned at the camp for the week of July 20.

Plans call for the El Paso Presbytery to hold senior camps during early August.

Final Rites For John H. Garner Held Saturday

Funeral services for John H. Garner, 78, of Dallas were held at 10 a. m. Saturday at George A. Brewer Funeral Chapel with Dr. Robert E. Goodrich, Jr., officiating. Entombment was in Hillcrest Mausoleum.

Mr. Garner, former Cisco merchant, died in a Dallas hospital Thursday from complications following surgery. At the time of his death he was a director of the Mercantile National Bank in Dallas and owned several Texas department stores.

He was born in Lawrenceburg, Tenn., on August 3, 1874. At the age of 21 he came to Texas and got a job as clerk at the R. F. Davis Dry Goods Company in Cisco. He arrived in Cisco with less than \$5 in his pocket and his first job paid \$30 per month.

After he had been in Cisco for two years he opened a small dry goods store with the late George D. Fee as a partner. The firm was known as Fee and Garner.

From that small start Garner expanded his mercantile interests until at one time he owned 13 big stores in Central West Texas. He helped to organize the First National Bank in Cisco and was its first president.

In 1923 he left Cisco and moved to Dallas where he opened a central office to manage his large holdings.

THE CISCO DAILY PRESS

Consolidated with Cisco Daily News and Cisco American and Round-Up, November, 1937.

Entered as Second Class Matter December 11, 1934, at the post office at Cisco, Texas, under Act of March 3, 1879.

SUBSCRIPTION RATES: \$3.00 per year by mail (outside Cisco) in Eastland, Stephens and Callahan Counties, Texas. In other Texas Counties: \$1.00.

For year in advance (Cisco, by mail) \$5.00. For week (by carrier) 15c.

WE MUST PRODUCE MORE FOOD

The population of the United States is soaring. At present the increase runs to 7,000 persons a day. Government experts predict a 20 per cent population jump in the 1950-60 period alone.

The experts also say that if our present living standards are to be maintained through 1975, it will be necessary to bring 100,000,000 more fertile acres into production.

The meaning of these forecasts and figures is clear. Unless we are to suffer a decline in living standards, we must get more and more food fiber from our productive land.

Fortunately, that is not a visionary goal. Farmers and land owners are practicing conservation farming on an ever-increasing scale and in a manner that would have been impossible a few years ago.

The agricultural future of the United States, and of the world for that matter, lies in maximum use of power-driven implements by farmers and ranchers who realize that the machine — rather than a futile search for new land — provides the solution to feeding our expanding population.

FOR SALE

Large house on 18th St. A wonderful buy.

Wonderful buy on 8th St. Corner lot. Needs to be split at once.

240 acres, well improved land, 1/2 miles south east of Cisco.

Wonderful buy in a service station with a nice trailer park and nice home. Small down payment. See me at once.

A beautiful new home that's never been lived in. Small down payment, small monthly payments. Needs to be sold at once.

There Must be Something Wrong -

... with the man who falls down and refuses to get up or is perfectly content to allow society to look after his well being, or is there? What is wrong, if anything, with the seller who refuses buyer an abstract - Maybe nothing, but there is something wrong with the buyer who weakens at this point and buys hastily without complete title information before him. Think it over and in the meantime don't do it.

EARL BENDER & COMPANY Eastland, (Abstracting since 1923) Texas

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Word Home Demonstration Club Meets At Shirley Residence

Word Home Demonstration Club met Friday morning in the home of Mrs. J. E. Shirley for a business meeting. Routine business matters were discussed and all members were invited to attend the council meeting in Eastland Wednesday.

Those attending were Mrs. J. E. Shirley, Mrs. W. C. Clements, Miss Willie Word, Mrs. D. P. King, Mrs. Ernest Schaefer, Mrs. Britain, Mrs. J. D. Hall, Mrs. Roy Fenley, and Mrs. George Irvine.

Those attending were Mrs. Don Kincaid, Misses Patsy King, Scrippy Cluck, Norma Schaefer, Johanna Chapman, Mary McCrea, the honoree and the hostesses.

East Baptist Young People Enjoy Party

A "come as you are" party was held Friday morning at the home of Claudine Tucker for the members of the G. A. group of the East Cisco Baptist Church. Games were played after which breakfast was served to Frances McKenn, Lorlie Lipsey, Dianne Nichols, Sharon Stewart, Barbara Marcontell, Sandra Bittick, June Thetford, Sherry Lee, Shirley Fowler, Claudine Tucker, Lavonne Harrelson, Mrs. Busby, and Mrs. Claud Tucker.

Ciscoans Will Attend New York Church Meet

Mrs. Rosa Taylor and family will leave for New York on July 14 to attend the International Convention of Jehovah's Witnesses at Yankee Stadium, July 19 to 26. They will travel by car.

In New York they will meet with over 125,000 other witnesses of Jehovah who are coming from about 100 countries to participate in the largest religious convention ever held in America.

The family will also visit Niagara Falls during their vacation trip.

Bride-Elect Honored At Tuesday Breakfast

Miss Barbara Schaefer, bride-elect of Rev. H. K. Neely, was honored with a personal shower Tuesday morning at the home of Miss Jane Flint.

Co-hostesses with Miss Flint were Misses Jane Huestis and Janet Ferguson. The serving table was centered with a chilled fruit salad in a half watermelon which was served with breakfast rolls and coffee to the guests.

Those attending were Mrs. Don Kincaid, Misses Patsy King, Scrippy Cluck, Norma Schaefer, Johanna Chapman, Mary McCrea, the honoree and the hostesses.

Mrs. S. B. Parks has returned home after a week's visit with her daughter, Mrs. James Huddleston, and family in Winters. She was accompanied home by her granddaughter, Beverly Ann Huddleston, who will visit with her grandmother for a week. Her grandson, Ronald James Huddleston, was to leave Saturday for the National Boy Scout Jamboree in California.

Mrs. Robert Blackburn of Fort Worth was a visitor in the home of Mr. and Mrs. Edgard Johnson Friday.

It stands to reason... Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

When you stop to think about it, the best proof of outstanding value in any product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today... for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, it's the lowest-priced truck line of all! Come in and talk it over with us.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

 No. 464. Nylon satin. AA, A, B, C cup 32-42 \$3.95

FERGUSON'S

Playin' for keeps...

Whether it's shooting marbles or saddling mustangs, boys usually play mighty hard at their games and sports... and that means harder wear on their clothes. Hank Mann had that in mind when he made up these longer-wearing Double-Knee TEX'N'JEANS. They've got a Talon Zipper Fly, genuine Lucky Horseshoe Pockets, and all the other six features that have made TEX'N'JEANS famous... plus those reinforced, double-strength knees for extra wear. Those boys are ready for the roughest play...

Palace To Show Special Oil Film

The dramatic story of how man has been able to wrest today's high standard of living from nature and the land is the theme of a special Technicolor animated short subject scheduled to play the Palace Theater here July 14 and 15, according to an announcement by George Irvine, OIIC community chairman for Cisco.

Entitled "Man on the Land," this action-packed motion picture was made for the Oil Industry Information Committee by United Productions of America, the firm which won the Academy Award for its production "Gerald McBoing-Boing." The same style of animation and color is used in "Man On The Land."

The OIIC movie was awarded an Honor Medal by Freedoms Foundations, Inc., for making an outstanding contribution to the principles of freedom during 1951.
