The Gay Philosopher

By J. W. S.

A GROUP OF us got to talking yesterday about business and things in general. And one conclusion we reached was that if all our people did all the trading and buying at home that they could our town would be a much better town.

Up in the right hand corner of this page of The Press (the ear, we call it) is this statement: **TRADE AT HOME** — If you spend a dollar at home you have some hope of getting it back; if you don't, you just spend a dollar.

Trading at home in every instance where you can could work wonders. It would very likely provide more jobs for local people. It would enable local business firms to do a better job of supplying your needs. The benefits would be mutual to everybody.

This is a pretty important proposition. The out-of-town business firms who solicit your trade have no interest in Cisco other than what they can take out — in dollars and cents. They contribute nothing to your tax bills, your schools or your civic projects.

Understand a committee from the Chamber of Commerce and the Merchants Credit Association plan to study this proposition, along with the matter of trade extension and the question of "how can we better serve the public." Let's all give this matter a lot of serious thought and be ready to lend sympathetic consideration to any program that might be developed.

THE COMMUNITY Chest budget campaign continues to produce results. Treasurer Paul Farrow reports that as of 9 a. m. today the fund stood at \$8,144.62 — a little over \$1,300 short of the goal of \$9,500. It is expected that other donations will be coming in. Understand a number of people and firms have added to their original contributions.

We might add here that none of the \$8,144.62 came from out-of-town businesses that campaign for your shopping dollars.

CHAIRMAN JACK Chambliss of Cisco Junior College was invited the other day to be the tenor soloist for the Community Choir's Christmas concert in Snyder, where former Ciscoan Robert Clinton is the music director. Jack accepted on the condition that Mr. Clinton come to Cisco to be the tenor soloist for the Cisco Community Choir's annual Christmas concert. And Robert has accepted.

COMMITTEES OF Cisco business men are taking up a collection among themselves these days to finance a fine Christmas program for our town. The Christmas shopping season will open Monday night, Nov. 30, with the annual Treasure Hunt.

There will be two appearances of old Santa Claus, and plans call for giving away some 50 turkeys during the season. The fund being raised will be used to finance all of this and to provide for attractive street decorations. Mr. Austin Flint is chairman of the committee to raise some \$700 for the Christmas program.

We don't expect any out-of-town business firms to contribute to this fund. All they want from Cisco people is their shopping dollars — not a part in paying for things like pretty Christmas decorations.

BUY A FOOTBALL ticket to tonight's game between CJC and the McMurry "B" team from a Lions Club member. Part of the proceeds will benefit the Lions Camp for Crippled Children at Kerrville.

The game is expected to be a good one. Let's all be there.

LOOKED IN AT the Cisco Peanut Company the other afternoon. The huge building is nearly full of peanuts — more peanuts than they've had on hand in years. In fact, they now have more peanuts than the whole county raised last year.

WE CAN ALL take comfort in the weather forecast. The man says a cold front is due in these parts Friday night and there's good possibilities of rain with it. No indications of a freeze, the man added.

Poppy Day Funds To Aid Disabled Veterans Of War

Every coin dropped into a Poppy Day contribution box next Saturday will mean that the American Legion Auxiliary will be able to give just that much more for disabled war veterans during the coming year, according to Mrs. Fleming Waters of the American Legion Auxiliary Unit.

Volunteer workers from the Auxiliary are busy constantly bringing aid, comfort and cheer to the disabled veterans of the two world wars and the Korean conflict, she explained, their activities financed largely by Poppy Day funds. Because of the growing number of war disabled, Mrs. Waters expressed the hope that Poppy Day contributions would be especially generous this year.

"Auxiliary volunteers are going constantly into hospitals and homes where disabled veterans are fighting the long battle to regain health and a place in the normal life of the country they defended," she said. "Thanks to the generosity of the people who wear poppies on Poppy Day, they do not have to go empty handed but are able to bring material aid to these courageous men."

"We now have Korean War veterans to serve, as well as those from the earlier conflicts. Our Auxiliary members are grateful for every assistance given them in their work for the welfare of these men who have given so much for America."

Myrick Begins 5th Term As President Of Farm Bureau

A. Z. Myrick, prominent Cisco dairy farmer and farm group leader, was re-elected president of the Eastland County Farm Bureau for the fifth consecutive term at the annual county convention held at the Eastland County courthouse Thursday night.

Myrick agreed to serve the bureau as its head for one more term and called on the group for the same cooperation that he had received in the past. In addition to the operation of his dairy farm, Mr. Myrick is the manager of the Cisco Locker Plant.

The entire official family of the bureau was re-elected for the coming year. Jimmy Sparks of Desdemona was named vice-president and Ray A. Norris was again named secretary-treasurer. Mrs. Bill Tucker will again serve as reporter.

New directors are I. S. Echols, C. Pippen, J. D. Harrell, A. W. Hendricks, W. R. Ussery, J. H. Tidwell, Mr. Hiberny and Mr. Ricks. Hold-over directors are John Love, T. C. Cozart, W. E.

LOBOES COMPLETE HARD WORK FOR GAME WITH WEATHERFORD

Cisco High School's light weight Loboos worked until dark Tuesday and Wednesday preparing to meet the potent Weatherford High School Kangaroos in a District 9-AA contest at Chesley Field Friday night. It will be the last home game for the Loboos.

Coaches Jay Williams and Al Langford were working on a new series of plays they will probably use in the Weatherford game and the snappy Loboos looked good in drills. The reserves ran Weatherford plays while the starters worked on defensive formations the coaches have set up to stop the favored Kangaroos.

The Kangaroos attack is led by 193 pound fullback Willard

Lobo "B" Team To Play At Eastland

The Cisco Lobo "B" team will play the Eastland "B" team on the Eastland field at 7 o'clock tonight, Coach Jay Williams announced.

It will be the second meeting of the two clubs who played to a tie on Chesley Field earlier in the season.

Probable starters for Cisco include Johnny Trigg and Jimmy Branton at ends; Le Vere Adams and Don Gray at tackles; J. Frank Walton and Robert Fletcher at guards; Bobby Cluck at center; Howard Hamilton at quarterback; Don Gilmore at full; David Ewell and Paul Ford at halfbacks.

Bobby Zellars, "B" team coach, will be in charge of the team in Eastland.

Dewveall. Dewveall is a double threat when he has the ball. He can run and pass with equal efficiency and is one of the state's leading backs.

Weldon Parks handles the ball at the quarterback slot and Vernon Tyus and Clyde Estes play at the halfback posts. Linemen are Kenneth Korges, 201 pound center; George Darden and Tommy Dent, guards; James Langford and Eddie Malone, tackles and Dan Bowden and Harry Joe Moore, ends.

The Kangaroos were undefeated until last week when they fell before the assaults of Hicks and Lee of the Comanche Indians to lose the conference game 26-0. They will be playing to remain in the running for the crown when they meet the Loboos Friday night. The Loboos have a tie in one conference start — a 13-13 affair with the Stephenville Yellowjackets Friday night.

Some 700 Weatherford fans were expected to be in Cisco Friday night for the game. A special train will bring some 300 of the fans and the remainder will come by private cars.

The Kangaroos will enter the game with a decided weight advantage over the scrappy Loboos. The visitors will field a team with an 18 pound advantage per man over the locals. The overall weight per man of the Kangaroos is 171 pounds as compared to 153 for Cisco. In the line the Kangaroos outweigh the Loboos 12 pounds per player with the visitors tipping the scales at 174 as compared with 162 for the Loboos. The Lobo backs give away 30 pounds per man in the

Final Tribute Is Paid Miss Grist In Rites Tuesday

Hundreds of her friends from Cisco and all over Texas paid final tribute to Patricia Anne Grist, 21 year old Cisco woman who died in a local hospital Sunday, at funeral rites held at 3 p. m. Tuesday at the First Baptist Church where she had been an active member since a child.

The services were conducted by Dr. H. M. Ward, pastor of the church; Dr. Otis Strickland, former pastor who is now president of Decatur Baptist College, and the Rev. Earl Allen, pastor of the First Baptist Church in Floydada. Miss Grist died at 1:30 p. m. Sunday in a local hospital following an illness of some 10 days. She became ill in Floydada where she was teaching public school music in the schools and was brought to Cisco to enter the hospital a week before she died.

She was born in Cisco on January 5, 1932, and had lived here all her life. She attended grade and high school here and graduated from high school with the class of 1949. She attended Cisco Junior College for a year and then went to Arlington State College. From there she went to Texas Tech in Lubbock. She completed work on her public school music degree in August at Hardin Simmons University in Abilene, and in September began her first teaching assignment in the Floydada schools.

She was active in the young peoples work of the First Baptist Church while she was in Cisco, and continued active in the church while she was in college and after moving to Floydada. She was a member of the Cisco High School Lobo Band and was active in the affairs of the school in her student days.

The local schools dismissed classes at 2:45 p. m. Tuesday to allow students to attend the services.

She was buried in Oakwood Cemetery with Thomas Funeral Home in charge of the arrangements.

Miss Grist is survived by her parents, Mr. and Mrs. Fred T. Grist of Cisco, and two sisters, Freda L. Grist of Cisco, and Betty F. Grist of Cisco.

Pallbearers were Glen Deitiker, W. P. Guinn, Joe Lambert, W. W. Fewell, Felton Underwood, Dr. E. E. Addy, Dr. Jim Lawrence and S. G. Clairry, all of Cisco.

Queens Will Be Crowned Friday

Sweethearts of the Cisco High School football team and the Lobo Band will be crowned in half-time ceremonies at Friday night's football game between Cisco and Weatherford at Chesley Field, school officials announced today.

The two sweethearts were elected by secret ballot by the Lobo football squad and the band, respectively, and their identities were not to be announced prior to the ceremony.

FUTURE HOMEMAKERS OBSERVE THEIR 'WEEK' AT HIGH SCHOOL

By RHELEDA REED

This week has been set aside in Cisco High as Future Home-maker Week. The FHA Club has had a very busy schedule to follow this week. Their president, Melba Ray Harrelson, has worked very hard to make the week a success.

They started out on Sunday by going to church at the East Cisco Baptist Church, the church of their president. Monday they elected the most courteous boy and girl in school. Flora Jean Fletcher and Monty Ingram were voted the most courteous with Lundy Ann Hooker and Bobby Miller as runnersup.

They had the initiation for the freshman members of the club Tuesday night at the High School. They gave the program for assembly Wednesday. They had a short play which was enjoyed by the entire student body.

They planned to have an open house Friday afternoon before the game between Cisco and Weatherford, for the homemaking girls from Weatherford who were planning to attend the game. The girls are going to Abilene Saturday to a District FHA meeting. The girls and their teacher, Mrs. O. O. Odom, have enjoyed the week very much. This week is one of the highlights of every year for those girls who take home economics.

Spanish Club

The Spanish Club Hallowe'en party was a big success. The hall was decorated with orange and black crepe paper and d. ghosts and witches were hanging about in the doors. They played games and then had their fortunes told by a very mysterious fortune teller. They chose a Hallowe'en queen, Miss Flora Jean Fletcher, a Senior in CHS, was chosen queen. She was presented with a beautiful corsage. Refreshments of punch and cookies were served to about 95 students.

Letter Jackets

There were 25 football letter jackets ordered Wednesday in CHS. There were 21 lettermen on the team and two managers and two coaches. The cheer leaders also ordered their sweaters. Their sponsor, Mr. V. C. Overall, also ordered a sweater. They are due to arrive sometime in the near future. These organizations have worked very hard for these letters and they will be very proud to wear them.

Attend Meeting

Mrs. C. A. Whitaker, Mrs. E. L. Hazlewood, and Mr. Jack Everett attended an English workshop at McMurry College in Abilene Saturday. They enjoyed the workshop and they learned a great deal from the trip.

Red Cross Seeks Women For Jobs In Korea Camps

Mrs. E. E. Freyschlag, chairman of the Eastland County Chapter of the American Red Cross, has been requested to assist in recruiting young women for assignments in Korea by referring all interested persons to contact the Tarrant County Chapter of the Red Cross, 1040 El Paso St., Fort Worth, or by referring to the St. Louis, Mo. office, 4050 Lindell Blvd., ARC, Midwestern Area office.

Applicants must be between the ages of 23 and 35 and should have a college degree or its equivalent in specialized training. Preferences will be given those who have backgrounds in music, dramatics, public speaking or social welfare.

Duties will be to lead programs in handicrafts, dramatics or group singing in isolated military outposts in Korea. Those accepted for the positions will take a two weeks training course in Washington and then be flown to Korea.

Starting Lineups Given By Coaches

ABILENE, Nov. 4.—The McMurry College "B" team will be seeking its second victory in two starts this season when it takes on the Cisco Junior College grid eleven Thursday at 8 p. m. at Chesley Field in Cisco.

In their first game this year, the Papeoses of McMurry's Indian Reservation drubbed the Goodfellow Air Base Skyhawks 49-6.

Freshman back Bob Hayward of Big Spring was the big gun in the Papeose offense against the Skyhawks, with 135 yards on 13 carries. Hayward will be back in the lineup Thursday night against Cisco, and will probably divide time between the fullback and quarterback positions.

Starting quarterback for the Papeoses will be George Peel, 6-6, 187-pounder from Rotan. Peel had a fine record at Rotan and appears to be headed for the same at McMurry, having played in several varsity games already in his freshman year, as relief signal caller. He's a better-than-average passer.

With Peel and Hayward in the Papeose backfield will be Floyd Hacker of Hermleigh and Walter Matthews, Electra.

Starting linemen for McMurry will be ends Ezra Corley, Slaton, and Nolan Poovey, Garland; tackles Eddie Haines, Eastland, and Don Payne, Haskell; guards Bruce Stovall, Rising Star, and Orland Gilbert, Lockney; and center Bill Houston, Hermleigh. The McMurry "B" squad will run from the T-formation. It is coached by McMurry's new assistant football coach, Doyle Dean of Hamlin. Dean, signal-caller for the Indian championship team in 1949, will start a team averaging about 180 pounds per man against Cisco Junior College.

Probable starters for Cisco include Bud Miller and Don Carman at ends; Wayne Adams and Frank Howeth at tackles; Wendell Battle and Norman Boggs at guards; Ben Robinson at center; Bob Lynch at quarter; Hut Hutson at full and Ray Westmoreland, Jodie Shetter or Del Wright at halfbacks.

Harold Cheves, Glen Hutson, Arnold Strain, Arnold Hunter, Phil Perry, Richard Baack, Frank Perrin, Gene Burk, Dale McFarland, Baggy Tipton, Johnny White, Billy Witt, Billy Joe Hawk, E. E. Reid and Perry Smith will probably see a lot of action.

College Quartet Entertains Lions

Cisco Junior College's barber shop quartet sang several numbers as the program feature at the weekly luncheon meeting of the Lions Club at noon Wednesday at the Victor Hotel Coffee Shop. President George Davis introduced the program.

Members of the quartet are John Slaughter, Frank Howeth, Calvin Grung and Elton Strother. Jack Chambliss, head of the College Music Department, introduced the quartet and the numbers they sang.

Mr. Chambliss made announcements concerning the coming Christmas program of the Cisco Community Choir, of which he is director, and told of plans for a musical program at the annual banquet of the Cisco Chamber of Commerce on November 21.

Bob Hammett, chairman of the ticket sales committee for the Chamber of Commerce dinner, announced that the tickets are now on sale. R. G. LeTourneau, noted industrialist and church leader, is to speak at the banquet and the demand for tickets is expected to exceed the supply, Mr. Hammett said.

Bob Zellars and Robert Donovan were introduced as new members of the club.

Mr. and Mrs. O. L. Goodlow of Oreney were the guests of Mrs. Clara Plumlee Wednesday afternoon.

Mrs. D. G. Alford and Mrs. Raby Miller were visitors in Fort Worth Wednesday.

IT'S THE LAW in Texas

Did you ever think what a part contracts play in your life? Even a bus ticket involves a contract. Your commuter's ticket states the conditions of the contract on the back. They refer you to tariff regulations.

The four pre-requisites of a contract are:

- (1) Parties who can make a contract. (2) Consent of the parties. (3) A lawful objective. (4) A sufficient "Consideration."

In the main, with certain exceptions, any person can make a contract. For minors, persons of unsound mind, criminals or the like, the law makes special provisions.

You have "consent" when one party makes a concrete offer, and the other accepts it unconditionally.

Confusion may arise when the parties do business by letter. Suppose you write me, offering your car on given terms, I ac-

cept by letter, addressing the envelope properly, and mailing it. The contract has been made, even though the letter goes astray. Because you made the offer by mail and you know that I might accept it by mail. It was your duty to check and see if I had accepted if you did not get my letter.

Suppose you want to take back your offer? If you mail your revocation before I accept, there is no consent and no contract. But if I mail my acceptance first, we have mutual consent and a contract.

You cannot, of course, take back your offer where I pay you for an option for a certain time.

We cannot make valid contracts which have an illegal purpose. If what is paid as consideration is illegal the contract is void. Examples: Contracts cannot specify a higher than legal rate of interest, cannot be made in restraint of trade, deal with betting, or aim to defraud.

A contract needs to provide for a "sufficient consideration."

Each party must receive something. Suppose you promise to deliver your car to me in return for \$700. The "consideration" I receive is your car, and your "consideration" is my \$700.

Suppose I plan to add a room on my house which cuts off your view. You say: "Don't build that room and I'll give you my car." If I do not build it, my forbearance makes your promise binding. Out of this transaction, we both get something we want - a consideration. The consideration may be an object, a promise, or an act. The law says only that such consideration must have value in the eyes of both parties. Many think that contracts are

set up amidst coils of red tape. But most contracts are informal. Mere hand signals in the Chicago Pit show the consent of the parties to the prices and amounts of grain bought and sold. A housewife doing her shopping enters into many informal contracts every week without knowing it.

Her Voice Travels 3 Miles for a Penny

HOW MUCH DOES YOUR TELEPHONE SERVICE actually cost? Recently we asked a group of telephone customers to help answer that question by keeping a record of all the calls they made and received for a week. One of the group, Mrs. Felicia Littlejohn, made and received 58 local calls. She estimates that they covered a total of 345 miles. The cost, according to Mrs. Littlejohn's figures - about three miles for a penny. "That's a real bargain," she added. SOUTHWESTERN BELL... A TEAM OF 28,000 TEXAS TELEPHONE PEOPLE... AT YOUR SERVICE.

New Students

We have two new girls in our school this week. Tommie Smallwood, a Junior, comes to us from Odessa High School. Tommie is 16 years old. Her hobby is collecting toy horses and clever postcards. She lettered in volleyball at Odessa High School.

Linda Pirtle, a freshman, coming to us from Jackson, Mississippi, is 14 years old. She is a stamp collector and she also has a large selection of books. She was a member of the dramatic club in Jackson and she also was a member of their choir.

We are very happy to have these new students and we hope they will like CHS and all the people in it.

Meet The Seniors

From now on there will be a short sketch of a Senior boy and girl in the school news. This will enable you to know who is your Senior class of CHS.

Rhita Agnew — Rhita was born in Penwale, Texas, in 1936. Rhita has brown hair and blue eyes. Her hobby is skating, which she does often at Lake Cisco skating rink. Her favorite color is green and her favorite song is "Beautiful Dreamer." When she graduates from high school she plans to apply for a job with the Bell Telephone Company. Rhita likes school and her favorite subject is shorthand.

Bobby Bennie — Bobby was born on December 24, 1935, in Cisco. Bobby has attended school in Cisco all his life. Bobby's favorite sport is golf. He plays quite frequently. His favorite subject is typing. He plans to go to Hardin-Simmons Univer-

Girl Scout Troop One Has Meeting Monday

The weekly meeting of Girl Scout Troop One was held Monday afternoon, November 2, at the American Legion Hall. The meeting was called to order by Mary Ann Doyle, president after graduating from high school. His favorite colors are black and gold. He is 5' 8" tall and weighs 145 pounds.

Gossip — Bobby Miller was surprised with a birthday party at the home of Lundy Ann Hooker Monday night. He received quite a few nice shirts upset because they will receive jackets instead of sweaters. The seniors are enjoying their study of "Macbeth" by William Shakespeare. Mrs. Hazlewood was surprised to learn that they were enjoying it. We're sorry to have Mrs. Wimbish out of school the past two days. She is ill but she hopes to be back sometime this week.

dent, and routine business matters were transacted. A hike was planned for Saturday if the weather permits. The hostess, Mary Ann Moore, served refreshments following the meeting to Linda Curry, Mary Ann Doyle, Barbara Jenkins, Camille Lee, Virginia McLester, Sandra McGough, Mary Ann Moore, Sharon Sage, Judy Sitton, Joy Stephens, Karen Taylor, Bonnie Walker, Ann Wallace, Linda Wilcox, Loretta Whitehead, Paddy Wright, Mrs. Forbes Wallace, and a new member, Mary Catherine Allday.

Mr. and Mrs. C. H. McCall and children, Nancy and Charles, of Midland were expected today for a weekend visit with their parents, Mr. and Mrs. S. H. Nance and Mr. and Mrs. Bill McCall.

weight department. They average 136 pounds per player while the Kangaroo backs average 166. Lobo starters will probably include Bill Smith and Monte Ingram at ends; Edward Bernie and Benny Edwards at tackles; Jimmy Reynolds and Arzell Hale at guards; Bob Qualls at center;

Tommy Reynolds at quarterback; Kent Davis at fullback; Harold Pippen and Marco legos at halfbacks.

Mrs. C. E. Whitaker and E. L. Hazelwood, English teachers at Cisco High School, led an English workshop at Murry College in Abilene today. Also making the trip were Jack Everett.
