CJC Girls Will Play On Saturday

The Cisco Junior College Wranglerettes will resume action Saturday night when they meet the Tandy Leatherettes of Fort Worth in a cage game at the community gym at 7:30 p.m.

The Leatherettes are a strong contender for the district crown in AAU competition in that area.

The Wranglerettes have played only a few games this season, but plans call for a faster schedule after mid-term in preparation for the AAU contests to be played soon. The Cisco team is lined up with the Brownwood district.

Mrs. Edda Brown has returned to her home in Damon after an extended visit in Cisco with her sister and husband, Mr. and Mrs. M. D. Bailey, Sr.

Maintaining grassland is live-stock farming. Grasses eventu-ally are marketed as milk, meat, or other livestock products. The conversion can be done most profitably on the farm where the grasses are grown. This calls for a knowledge of both crop and livestock production and of how to work the two together for most profitable results.
