VOLUME XXXIV

The Gay Philosopher

By J. W. S.

A GOOD MANY people have been applauding yesterday's announcement that Mr. Oliver Thomas and Mr. Harry Moore and associates have joined hands to build a small manufacturing company in our town. This is the first such plant announced for Cisco in the past month or so, as Sandler Manufacturing Company opened on Jan. 1.

Mr. Thomas and Mr. Moore, as well as the other officers and directors and stockholders, are Cisco folks who believe that there is a future for small manufacturing plants in small towns where they are needed to provide employment. Thomas-Moore, Inc., is bringing one skilled man to be plant foreman and other labor will be hired locally as needed.

The new plant is scheduled to be completed shortly after Feb. 1. You'll be glad to know that the future looks good for the Sandler Manufacturing Company, which will make a line of tanks, electric switches and other items.

Charles S. Sandler tells us that they are getting equipment and materials in to begin work. We're expecting to be able to announce one or two more new plants for our town in the near future.

CHAMBER OF Commerce leaders are convinced that a great deal of industrial expansion can be accomplished through local and local efforts. The Thomas-Moore plant is an example of what can happen. An idea is presented and local capital is formed without delay.

MR. W. E. DEAN reports that things are progressing nicely for the March of Dimes campaign. A Jamboree will be held at the City Hall auditorium on Friday night, Feb. 5, for the benefit of the fund. Mothers will donate to be sold at an auction at the Jamboree, he added.

Mr. Dean said the City Fire Department has been handling the situation that was telephoned to the City Hall. He complimented Chief Pete Clements and his crew for a job well done.

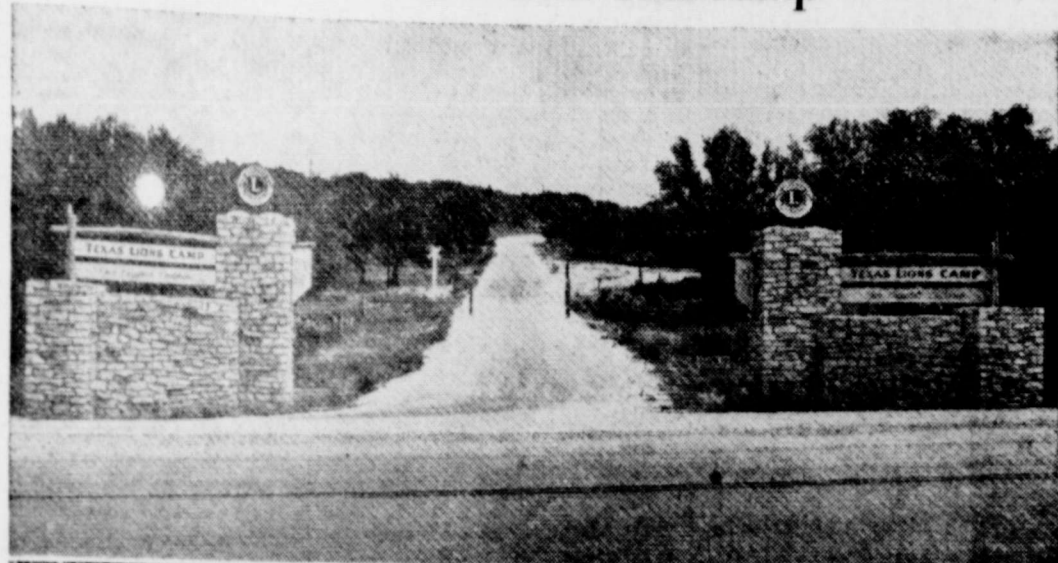

SOMETHING went wrong the other day, and The Press reported that a West Ward P-TA attendance honor went to Mrs. Hallmark's room. And the story would have said the honor went to Mrs. Laws' 4th grade room.

At the meetings, the honors go to the largest number of mothers at the meeting. Awards go to a room for the lower grades and to a room for the upper grades.

MAYOR G. C. Rosenthal reports that the city ordinance and law governing automobiles that follow fire trucks to fires are being ignored by too many people here, according to complaints coming into his office.

Autos and other vehicles are required by law to stay out of the way at fires. Let's obey the rules this is one way we can help the men who are fighting the fires.

Broom Sales Benefit This Camp

Pictured above are two scenes of the Kerrville camp for crippled children which is owned and supported by Texas Lions Clubs. This camp will benefit Thursday night when members of the Cisco Lions Club conduct a broom sale in the residential districts.

Chairman D. N. Morrison has asked club members to report to the fire station at 6:30 p. m. to begin the sale. The club sold 20 dozen brooms in a December sale, and the salesmen will attempt to sell 30 dozen Thursday night.

District Governor O. L. Stamey of Cisco reported that he visited the crippled children's camp in Kerrville last week. He said that two bunk houses are near completion, and the large administration building has been finished. He said that 31 children attended the camp from this district last year.

Bible Baptists To Hold Fellowship Meeting Thursday

A fellowship meeting will be held all day Thursday at the Bible Baptist Church, it was announced by the Rev. R. S. Day, pastor.

Outstanding speakers will be here for the meeting, Mr. Day said, and everyone in the area was invited to attend.

Included among speakers will be E. H. Oldem, president of the Bible Baptist Seminary, and Dr. Albert Peck of Abilene who will speak at the evening services.

Lunch will be served at noon Thursday at the American Legion hall and visitors were invited.

THOMAS LEE KING

A son, Thomas Lee, was born at 7:10 a. m. Tuesday in Graham Hospital to Mr. and Mrs. T. J. King of 410 West 14th St. He weighed slightly over seven pounds at birth. Both Mrs. King and the baby were reported as being in good condition.

MAYOR URGES DONATIONS FOR POLIO FUND IN FRIDAY EVENT

Mayor G. C. Rosenthal today called on all Cisco residents to make donations to the National Foundation for Infantile Paralysis in Friday night's Mothers March on Polio in Cisco. The local program is scheduled to begin at 6:30 p. m. Friday.

In the program, local residents who desire to contribute to the polio program were asked to turn on their porch lights at 6:30 p. m. Friday. Mothers of Cisco will be touring the residential districts and stop for contributions where-ever porch lights are burning.

A blast of fire sirens is expected to sound to herald the beginning of the Friday night March of Mothers.

LOBOES DEFEAT WEATHERFORD IN OVER-TIME CAGE CONTEST

Cisco's fighting Loboes knocked the potent Weatherford Kangaroos from the lead in the 1953-54 District 9-AA basketball race when they won a thriller in an overtime period at the community gym Tuesday night by a score of 48-43.

All three games played Tuesday night were spine tinglers. In the first game the Weatherford "B" team won a one point, 21-20, contest from the Cisco "B" team; and in the second game the Lobo Queens won over the Weatherford girls 37-35 in a game that also required an overtime period.

In the first game the Cisco "B" team led for two periods, but failed to score in the third quarter to let Weatherford go ahead. The score stood 5-6 at the end of the first quarter with Cisco ahead. The junior Loboes increased the lead to 14-8 in the second quarter. Weatherford scored seven points in the third

quarter while holding the Cisco team scoreless and went ahead 15-14. The final period was played on an even basis with both teams scoring six points.

Wright of Weatherford took scoring honors for the game with eight points. Benji Lipsey was high for Cisco with six. Other Cisco players scoring in the game, and their points, were as follows: Kenneth Duke, 2; Roger Lisenbee, 5; Johnny Trigg, 3; Jerry Weiser, 2; and Lee Cheves, 2.

Kitty Lou Pippen made three quick points in the three minute overtime period in the girls game as the Queens won over the Weatherford girls. She sank a free throw to tie the count at 35-35 and on the throw in took the ball and hooked it in for the winning score. The game was tied at 30-30 at the end of the regulation game.

The count stood at 8-3 at the end of the first quarter, but the Queens were leading 17-13 at half-time. They still enjoyed a four point lead going into the final period but Weatherford knotted the count in the waning seconds of the fourth period.

In the overtime period Weatherford scored first and went on to lead 35-32. Bonnie Owens made a field goal and Kitty Lou Pippen made her three points to win the game with only a few seconds remaining.

Pippen was high scorer for the Queens with 20 points, but she trailed Peoples of Weatherford who made 24. Peoples took game scoring honors.

No individual players on the Queens team was responsible for the win. The team played as a unit and both the guards and forwards had a share in the victory.

In the Lobo-Kangaroo game the Loboes jumped into an early lead before the visitors found the shooting range. The Loboes were leading 13-7 at the end of the first quarter and held a 20-16 majority at the intermission. Weatherford knotted the count at

Motor Vehicles Must Be Licensed In Home County

Sam B. Stewart, investigator for the Motor Vehicle Division of the Texas Highway Department, was in the tax collector's office this week and posted notices to all Motor Vehicle owners the requirements of the Texas Registration Law regarding the registration of your vehicle in the county of your residence, collector Stanley Webb reported.

Mr. Stewart said that operation of a vehicle registered elsewhere subjects you to a fine up to \$200 and re-registration in your home county.

During the 1953 registration year, the Highway Department filed a large number of complaints against vehicle owners for this violation. He said that by placing these posters in all Tax Collector's Offices, the Department hopes to place the registering public on notice of this requirement of the Law and avoid violations of this type during 1954 registration year.

The 1954 auto registration will start February 1. Please register cars, trucks and vehicles as soon as possible in order to avoid the rush in March, it was said.

Director Advises Prepare Income Tax Return Early

"Begin preparing your income tax when you get your Form W-2 from your employer." That is the advice of Mr. Ellis Campbell, Jr., District Director.

Employers are required to distribute Form W-2's (tax withholding statements) to all employees by January 31, Mr. Campbell said. For many taxpayers, the W-2 form provides all the principal information needed to file an income tax return, the Internal Revenue official said.

Even before receiving his W-2 forms, the taxpayer can take a big step toward filing his tax return by listing other income, business expenses and allowable personal deductions. "Then, when the W-2 is received," Mr. Campbell said, "preparing the tax return will be easier."

Any taxpayer who worked for more than one employer during 1953, must receive a Form W-2 from each employer who withheld Federal income tax from his wages or who would have withheld tax if the employee had claimed only one withholding exemption. All W-2 forms must be attached to one's income tax return, which must be mailed to the District Director of Internal Revenue, 2101 Pacific Avenue, Dallas, Texas by midnight of March 15.

"Salaried persons cannot file their income tax returns until they receive all their W-2 forms," Mr. Campbell said, "but when they are in the taxpayers' hands, the taxpayer should prepare his return and mail it in well before March 15."

C of C Committee To Attend Abilene Meet

Four members of the industrial committee of the Cisco Chamber of Commerce will attend a West Texas Industrial Conference in Abilene all-day Thursday, it was reported today. The meeting is being sponsored by the West Texas Chamber of Commerce.

Expected to attend from Cisco are James P. McCracken, D. N. Morrison, J. L. Stafford and Manager B. A. Butler.

CLASSES POSTPONED

Because of the Cisco visit of Texas American Legion Commander L. E. Page here Thursday night, the dancing classes usually held at the Legion Hall that night will be held on Saturday night, Mrs. Louie C. Caffey, teacher, announced.

Mrs. C. H. Lawrence of Sweetwater has returned home after a visit in Cisco with her sister, Mrs. R. S. Elliott.

Visiting in the home of Miss Fannie Stephens Tuesday afternoon was her nephew, Judge Ike Chism, of Albany.

Law does not compel husband and wife to live together.

STATE LEGION COMMANDER TO ATTEND LOCAL POST MEETING

L. E. Page of Carthage, State Commander of the American Legion will pay an official visit to John William Butts Post 123 in Cisco at the 7:30 p. m. Thursday meeting, Post Commander D. N. Morrison announced today.

All Legion Posts in the 17th and 21st Districts have been extended and invitation to attend the Cisco meeting, which is expected to attract a large crowd of Legionnaires, Mr. Morrison said. Commander Page will deliver an address of interest to all Legionnaires as the feature of the evening's program.

Mr. Morrison urged all Cisco Post members to attend the meeting to welcome the many out-of-town visitors expected. Guests expected include the 17th and 21st district commanders and the fifth division commander, Mr. Morrison added. The meeting will be held at the Legion Hall. Commander Page was elected Department Commander of The American Legion for Texas at the 35th annual State Convention held in Houston in August.

The new head of more than 80,000 Texas Legionnaires is 41 years old and is a native Texan. Educated at the University of Texas, Commander Page made an outstanding record in the Navy in World War II. He had three years of service, half of which was sea duty. He served in the Mediterranean, North African and Sicily campaigns. He participated in the Anzio-Nettuno Beachhead landing and the Elba invasion of South France as Skipper of a PT boat. He is currently a Lieutenant Commander in the United States Naval Reserve.

Upon his discharge from the Navy, he returned to his home at Carthage and joined The American Legion. He immediately became active and served his post in many capacities. As Commander of his home post, he secured the largest number of members in its history.

He served as Commander of the Third District for two years, being District Commander at the time of his election as Department Commander. He has served on many important state committees of The American Legion including Finance, Child Welfare and others.

In his home city of Carthage he has served as a member of the city council. He is a past secretary, past treasurer and past president of the Carthage Lions Club and a past Deputy District Governor of Lions International, District 2. He is an elder in the Christian Church and a teacher of the Adult Bible Class.

He is married and he and his wife Mildred have two sons, Steve 10 and Mike 7.

March Of Dimes Donations

Additional donations for the March of Dimes had been turned in at the Fire Station today, Chairman W. E. Dean reported. He said that donations were being accepted at the fire station instead of at the city hall as reported Tuesday.

Mr. Dean acknowledged the following donations:

Mr. & Mrs. J. D. Browning — 10.00
Mrs. Bob Gillman — 5.00
Mrs. Gillman Tracy — 5.00

Firemen will be glad to accept other contributions, Mr. Dean said.

Clementa Garcia To Be Buried Here

Clementa Garcia, 89 year old native of Old Mexico, died at his home at 221 Bedford Street at 4:45 a. m. Wednesday following a long illness. He had made his home in Cisco for the past 45 years.

Garcia was born in Old Mexico in 1864, but came to Texas when a young man. He moved to Cisco some 45 years ago.

Mass will be held at Holy Rosary Catholic Church here at 11 a. m. Thursday with Father C. Roseman of St. Rita's Church in Ranger officiating. Burial will be in Oakwood Cemetery with Thomas Funeral Home in charge of the services.

Survivors are a daughter, Lupe Garcia of Cisco, five grandchildren and two great grandchildren.

Mrs. Alex Zander has returned from a two weeks visit in Clifton with her daughter and husband, Mr. and Mrs. Lawrence Sommerfeld and children.

1954 WRANGLER FOOTBALL CARD WORKED OUT AT LEAGUE MEET

Coach Red Lewis of the Cisco Junior College Wranglers announced Wednesday that the 1954 football schedule for the school was virtually complete and that at least two new schools would meet the Wranglers during the season.

The season will begin on September 11 with the Hardin-Simmons Freshmen as the probable opponent. The game will be played in Cisco. All college games will be played on Saturday night this year, it was reported, and that half the games would be played at home.

The two teams added to the Wrangler schedule include Arlington State College and Paris Junior College. He reported that the conference would vote on accepting Paris as a new member at the Spring meeting. The East Texas school has applied for membership and the proposition was discussed at a meeting held Sunday. Indications were that the school would muster enough votes to gain entrance. There are 21 junior colleges in the Texas Junior College Athletic Conference.

At the meeting held Sunday,

which was attended by Lewis and Carlos J. Turner, Jimmy Adams and Bud Miller were selected to the All-TJAC team and Gene Burk was named to the second team. Adams played in only three conference games before breaking a leg, but his play impressed coaches sufficiently to assure him a place on the honorary team.

The schedule for the season is as follows:

September 11 — Hardin-Simmons at Cisco.
September 18 — Tarleton at Cisco.
September 25 — Ranger at Ranger.
October 2 — Henderson at Cisco.
October 9 — Blinn at Brenham.
October 16 — Open (Will probably play Goodfellow Air Base).
October 23 — Navarro at Corsicana.
October 30 — Allen Academy at Cisco.
November 6 Open.
November 13 — Arlington State at Arlington.
November 20 — Paris Junior College at Cisco.

Proposal Passed On First Reading

An increase in the gas rate for Cisco was approved on first reading by the City Commission at the regular semi-monthly meeting at the City Hall Tuesday night. The ordinance to raise the rate, which will become effective after the second and final reading, increases the rate to 70.5 cents per thousand cubic feet.

The net gas rate charged by Cisco Gas Corporation and Lone Star Gas Company has been 60 cents per thousand cubic feet for many years. The new rate, when finally approved, would be the same as now being charged for gas in Eastland, Abilene and other area cities.

The two gas companies with distribution systems in Cisco were authorized to consolidate in a recent city election, and officials of the Cisco Gas Corporation were present at Tuesday night's meeting. They told the commission that plans were progressing for their company to buy out the Lone Star Gas Company's system here and that they would issue a statement in the near future.

The two companies filed application late in 1953 for a rate increase to 78 cents per thousand cubic feet, pointing out that they would need this amount to earn a profit with two systems competing here. They agreed that if consolidation could be approved by the voters a lower rate of 70.5 cents would be acceptable. The rate carries a monthly minimum of \$1.00.

In other action, the commission approved use of city property on West 14th Street for a Little League baseball park. The ABC Club had requested approval in the event they decide to build a park there.

Mrs. May Bailey of Cisco was low bidder for an old 4-room house offered for sale by the city in the east part of town. Her bid was \$550.

Mayor G. C. Rosenthal reported that the Gaylor Construction Company of Houston was the low bidder for a contract to re-top some 10 miles of Highway 183 between Cisco and Romney. Work is expected to begin in the near future.

Midget Teams To Battle Eastland In Contests Here

The Cisco Junior High School Midgets and girls basketball teams play the Eastland boys and girls in Junior Oilbelt Conference contests at the junior high gym here Thursday night, it was announced by the coaches Wednesday.

The Eastland boys team is one of the top conference contenders and boasts wins over Gorman and Comanche. The Gorman boys and girls won over Cisco in games played early this month.

Coach Bobby Zellers will probably start Johnny Choate, Tuffy Carlile, Milton King, Charles Lavery and Dallas Elder in the game with the Eastland boys.

Mrs. Bill Bledsoe, coach of the Cisco girls, will probably start Leta Fay Keller, Sue Moore, Lorelei Lipsey, Jan Latson, Linda Lucas and Mary Berry in the girls game.

The Cisco teams were supposed to play teams from Dublin at the junior high gym Monday night, but due to a misunderstanding in the schedule the Dublin teams failed to appear. The games have been re-scheduled and will be played later in the season.

"Friday and Saturday the Midgets and the junior high girls are entered in the Moran grade school tournament and play their first games Friday night. The girls meet Albany at 8 p. m. and the boys play Albany at 9 p. m.

Mrs. E. M. Taylor of Albuquerque, New Mexico, is spending a few days here as a guest in the home of her sister, Mr. and Mrs. Rex Carrothers.

Texas Schools Get \$32,000,000

The other day the state of Texas' public school fund was fattened to the tune of more than \$32,000,000. And how that happened is a matter of national interest.

Texas offered oil drilling rights on 415,000 acres of its widely advertised tidelands. Anyone who wanted to could bid, and the leases, naturally, went to the highest bidders. Some 1,130 bids were turned in, with every major petroleum company represented. The successful bids totaled \$32,000,000.

Some highly important facts are proved by this. One is that the oil industry is an intensely competitive enterprise—the 1,130 bids certainly show that. Another is that the claim that giving title rights to the tidelands to the states, instead of the federal government, would result in a huge land grab by the oil industry, was totally unjustified. This was a strictly an issue of states' rights versus federal rights to title to the land. The oil companies concerned will pay heavily for the right to develop the tidelands, and the states will be the beneficiaries. Still another is that the risk element is dominant in oil. All the companies can buy is the privilege of looking for oil. There is no guarantee that they'll find it, or that they'll be able to produce and market it profitably. And they'll have to spend many more millions on manpower and equipment before they get oil.

Development of the tidelands will further increase our known reserves of a vital national resource. The oil that comes from those lands will be sold competitively — which means at a fair price to the buyer — and the state will profit on every barrel.

Political Announcements

The Press has been authorized to make political announcements, subject to the Eastland County Democratic First Primary in July, for candidacies as follows:

For County Superintendent CARL ELLIOTT (re-election) H. R. (Pop) GARRETT

For Sheriff J. F. TUCKER (re-election) J. B. WILLIAMS

For Commissioner, Precinct 4 J. K. (Ed) McCANLIES, (re-election)

District Clerk ROY L. LANE, re-election

Tax Assessor-Collector STANLEY WEBB (re-election)

County Treasurer RICHARD C. COX (re-election)

For County Judge JOLN HART (re-election)

For Justice of Peace ROSS GRIFFITH

County Clerk JOHNSON SMITH (re-election)

Ample Seed for Pastures Except Few Short Items

Maintenance of the grasslands of the Nation is dependent upon a continued adequate seed supply of legumes and grasses.

Alfalfa, red clover, Ladino clover, timothy, orchardgrass, bromegrass and perhaps a few others are all important individually, though some when in short supply can be replaced in part by others. Only one, timothy, based on production plus carry-over, is in short supply for 1954. The prospective imports of 7 to 8 million pounds or more of timothy seed from Canada may make up a large part of this deficit. So the over-all picture is good.

The 1953 crop of alfalfa seed was 22% smaller than the very large crop of 1952, but was 70% above the 10-year average. The acreage was 27% smaller, and the acre-yield 7% larger than 1952. Because of a record carry-over, three times as large as 1952, the total supply for 1954 is nearly 2 1/2 times the 10-year average. The applications for certification acreage were 14% below 1952.

The production of red clover seed in 1953 was 12% below 1952 and 4% below average, but a larger carry-over brings the total supply up to 13% above average and only 6% below 1952. The 1953 production of lespedeza seed, smallest in 17 years, is indicated to be about half of the small crop of 1952 and little more than one-third of the 10-year average. The large carry-over, however, brings the total supply to 64% of last year and 42% of the 10-year average. Ladino clover seed is in large supply as compared with former years but not large when compared with its potential utilization as a desirable component of nearly all pasture mixtures and in the renovation of low-yielding pastures all over our land. Rangeland and some other alfalfas are also in large supply as compared with former years, but if used in place of the less desirable commercial seed or poorer strains, would bring about improvement in forage production for hay, silage and pasture.

THIS IS FOR REEL—Actress Ginger Rogers certainly would not expect husband Jacques Bergerac to be quite so rough in real life. They're shown here rehearsing a scene for a picture being made in Shepperton, England. The British film will serve to introduce Ginger's recent French groom to an expectant public, that is not too accustomed to husband-and-wife teams.

Game Agency To Cooperate In New State Experiment

AUSTIN, Jan. 26.—The Game and Fish Commission unanimously approved an experimental demonstration wildlife area on a 6000 acre tract adjoining San Angelo Junior College which would handle the project.

The undertaking would be sponsored jointly by the college, the Commission and the United States Government which owns the land. The Commission would primarily contribute wildlife management talent and general consultant services. The Executive Secretary of the Commission said the area, which is located on the shores of the new San Angelo Lake, will be designed somewhat along the lines of the key experimental programs maintained in various parts of the state to further the main restoration movement.

The Commission authorized expenditure of funds estimated at \$121,000 to cut a fishway across Bolivar Peninsula on the Gulf Coast, just east of Galveston. The pass to be located where State Highway Number 87 crosses the Peninsula will not be available for boat traffic since, it was explained, it is intended exclusively for fish passage and the general improvement of sports angling.

The Commission used its direct authority for the six-county regulatory area including Possum Kingdom to abandon the minnow possession limit of 100 per person. The Commission, acting on the request of fishermen from that area, said the change would be tried out temporarily. The Commission ordered a survey to determine advisability of permitting private interests to cut a Galveston Bay Channel in the vicinity of Eagle Point or San Leon. It discussed proposed surveys of shell deposits in the inland bays.

Walter W. Lechner of Fort Worth, was named Chairman of the Commission to succeed V. F. Neuhaus of Mission, whose term has expired.

Three new members were sworn in: Herbert J. Frensky, Houston; Henry LeBlanc, Port Arthur; and Henry Coffield, Marfa.

Mr. and Mrs. C. M. Pogue were visitors in Rising Star Tuesday. Mrs. Clem Neuhaus of Long Beach, California, is visiting in the home of her parents, Mr. and Mrs. Alex Zander.

Highlights and Sidelights FROM YOUR State CAPITOL

BY VERN SANFORD
Texas Press Association

AUSTIN — Legislators were getting ready this week to tackle again the teacher pay problem as Governor Allan Shivers put out the word that a special session is coming up soon.

Shivers' move came quickly after a committee unanimously approved a compromise plan to raise teacher-pay \$402 per year. The committee was appointed by the governor and the Texas State Teachers Association.

Governor Shivers told committee members that he would convene the Legislature "if this bill embodies what I understand it to, and submit it not only as your recommendation but as mine."

"I think we've all reached an accord here that I hope will become an actuality," he commented.

Estimated cost of the proposed salary increase is \$23 million per year. The committee's bill, however, does not include a method of financing the cost.

School Superintendent H. W. Stilwell of Texarkana told the committee that the Governor had indicated the subject of more tax revenue might be submitted to legislators if the money is not in sight from other sources.

Involved in this question is the natural gas pipeline tax which is before the U. S. Supreme Court. This tax would yield about \$1 million a month, in addition to the \$45 million already impounded from the levy.

Although the bill provides that the pay increase would not start until the 1954-55 school year, Stilwell said he is hopeful that bonuses for this year might be approved once the Legislature is in session.

Meanwhile, Attorney General John Ben Shepperd declared that the Supreme Court's action in another gas case "could result in a great victory for all gas-producing states."

A rehearing was granted to Phillips Petroleum Company in a suit concerning sale of gas to interstate pipeline firms. Lower courts had held that such sales were subject to federal regulation.

Chief argument against the Texas law has been that it was a tax on interstate commerce and thus void.

Shepperd said that the fundamental question is "may the states continue to regulate the gas industry, or must they step aside for federal bureaucracy?"

"This decision by the court is the first ray of hope in recent years that the court may recognize states' rights in natural gas production," he added.

Liberal Texas Democrats were at loggerheads in a drive by national party leaders to set up an advisory council for the state.

Dissension developed when House Minority Leader Sam Rayburn asked "faithful Democrats" to nominate members of the advisory council, which would function under the National Democratic Committee.

In addition to the 62 members to be chosen by senatorial districts, several members-at-large have been appointed by National Chairman Stephen Mitchell.

One sore point seemed to be the absence of former loyalist leaders among those chosen for key roles in the new group.

"Loyal" Democrats are planning a showdown fight this year against Governor Shivers' conservative forces to recapture control of the state executive committee.

Mrs. H. H. Weinert of Seguin, national committeewoman, made it clear she would oppose use of the advisory group for any purpose except fund raising, its stated principal purpose. She backed the party ticket in the 1952 presidential race, but has not been aligned with the extreme liberal faction.

As another point of dissension, some leaders in the 1952 "loyalist" fight have questioned the authority of Byron Skelton of Temple to continue as chairman

of the Texas Democratic Organization Committee, which was formed last Fall to battle the conservatives.

Skelton was the first liberal named by the national party to serve on the advisory council. But, regarding activities of this group, he said any statement would have to come from Rayburn or Mitchell as directors of the program.

Strange as it may seem, Governor Shivers has lined up with the liberal Democrats on one issue. He declared that he favors allowing 18-year-olds to vote.

It is a matter that should be submitted to the people for a decision, Shivers said.

"In view of the fact that 18-year-olds are called during war to defend our democratic principles, it is even more reasonable to encourage their active participation in the science of government," the governor added.

Charges that the State Board of Hospital and Special Schools has "repeatedly failed" to accept lowest bids for construction work have been made by State Senator Wayne Wagonseller of Bowie. He called upon the Senate investigation committee to hold an inquiry for which he claimed to have documentary proof of the charges.

Dr. James A. Bethea, executive director of the system, replied that "in every instance, the lowest bidder has gotten the bid."

An architect for the board, Walter Moore, explained that usually bids with alternate materials are asked. Then, when bids are lower than the estimates, the board sometimes approves construction that is better than the cheapest offered.

Continued high employment levels during 1954 have been predicted by the Texas Employment Commission.

Although some unemployment is expected as a result of reduced military spending, there will be gains in non-defense industry, the commission said.

Palmer Hoyt, publisher of the Denver Post, told a meeting of the Texas Press Association that instead of a depression, the country is due a "buyer's market."

He berated people who are "wasting a lot of breath and causing a lot of heartaches by insisting that we are going to have a depression."

Observance of the Centennial of Texas Public Schools will start through-out the state on January 31, the anniversary date.

Climax of activity for the year-long observance will be during Public Schools Week March 1-6, coinciding with the anniversary of Texas Independence.

Although other cities are planning special events for that week, the capital city as a center of education and government plans a massive celebration with more than 100,000 persons taking part.

Lone Star GIs in England will likely eat barbecued beef on Texas Independence Day with some Britons who call themselves "Anglo-Texans."

Houston Fat Stock Show officials talked to the governor about how to get some Blue Ribbon winners to England in a hurry after the show.

Shivers expressed a desire to take a quick hop to Britain and said: "I'd like to see if they barbecue Texas beef in England as good as they can in Texas."

SHORT SNORTS: State officials and the American Legion set a pattern in combatting a Communist-front organization at Port Arthur recently, a national Legion official declared here. The post at Port Arthur whose members mainly are composed of organized union members moved in unison to thwart this subversion, he asserted.

IN BIBLICAL TERMS—The celebrated astronomical clock in Strasbourg, France, marks the passing of the hours and days by Biblical and historical figures of wood. These figures appear and re-enact an ancient event. Its 16th Century chimes help give Strasbourg the name "City of the Bells."

SOCIETY AND CLUBS AND NEWS OF INTEREST TO WOMEN

Methodist W.S.C.S. Meeting On Tuesday

"That The Kingdom of God May Be Realized" was the theme of the program presented at the weekly meeting of the W.S.C.S. of the First Methodist Church held Tuesday at the church.

The program opened with the singing of "Jesus, Savior, Pilot Me," and prayer by Mrs. John Shertzer. The object of the program was to present the quadrennial goals of the W.S.C.S. for the period of 1952-1954. The explanation of the symbol being used, the quadrennial, was given by Mrs. George Davis.

Five of the officers presented the goals as follows: Spiritual growth, Mrs. J. T. Anderson; widening fellowship, Mrs. O. C. Lomax; a world church, Mrs. B. J. Osborn; peace, Mrs. Joe Lovelady; and missions, Mrs. W. M. Joyner.

"A Covenant of Discipleship" was led by Mrs. Davis and the five officers taking part on the program. Responses were given by the audience and the meeting closed with the "Lord's Prayer" in unison.

Following the meeting, Mrs. W. M. Joyner, treasurer, called a short financial meeting.

Those attending the meeting were Mesdames J. T. Anderson, B. J. Osborn, S. H. McCannies, O. C. Lomax, Joe Lovelady, W. M. Joyner, Stella Wilson, O. H. Doss, T. J. Dean, John Shertzer, D. P. King, Sam King, W. E. Ricks, George Davis, and Miss Bessie Wilson.

Mary Martha Class Has Social Monday

The Mary Martha Sunday School Class of the East Cisco Baptist Church met in the home of Mrs. Mae Briggs Monday evening for their monthly business and social meeting.

The business session opened with prayer by Mrs. Lucille Kelley and Mrs. Pearl Pence presiding. Mrs. Thelma Bosworth gave the devotional and led in special prayer. A short discussion was held and the meeting closed with prayer by Mrs. Louise Hooker.

A social hour followed and refreshments were served to Mesdames Thelma Bosworth, Theresa Smith, Ethel Birnie, Louise Hooker, Lucille Kelley, Pearl Pence, Ola Bell Bailey, and the hostess, Mae Briggs.

Mrs. Walker Hostess For Baptist Circle

Circle Three of the First Baptist Church met Tuesday in the home of Mrs. W. F. Walker for their semi-monthly meeting.

Mrs. E. J. Poe presided over the meeting which opened with prayer by Mrs. A. F. Ashenhurst. Mrs. Nora Skiles brought the devotional and Mrs. W. W. Sawyers taught the mission lesson from "The New Orleans Story." The meeting closed with prayer by Mrs. A. R. Day.

A social hour followed and refreshments were served to Mesdames A. R. Day, W. W. Sawyers, Bobby Zellars, J. T. Brewer, Fred Grist, J. E. Burnam, C. S. Karikalits, Nora Skiles, E. J. Poe, Frank Ashenhurst, W. J. Poe, and the hostess, Mrs. Walker.

Mrs. Williams Hostess For Circle 4 Meeting

Mrs. C. A. Williams was hostess in her home Tuesday for the regular meeting of Circle Four of the First Baptist Church.

Mrs. E. C. McClelland opened the meeting with prayer and Mrs. L. F. Keelan brought the devotional from the 100th Psalm. A short business session was held and the group discussed the sweetheart banquet. Mrs. J. R. Burnett taught the lesson and a new member, Mrs. Homer Shahan was welcomed. Mrs. R. F. Blackstock closed the meeting with prayer.

Refreshments were served to Mesdames L. F. Keelan, H. C. Robison, R. F. Blackstock, Jay Warren, W. M. Isenhower, W. C. Gardenhire, J. R. Burnett, E. C. McClelland, Homer Shahan, and the hostess, Mrs. Williams.

The next meeting will be held in the home of Mrs. W. M. Isenhower.

Mrs. Boles Hostess For Circle Meeting

Circle Five of the First Baptist Church met Tuesday morning in the home of Mrs. C. W. Boles for their semi-monthly meeting.

The meeting was called to order by the vice chairman, Mrs. J. T. Richardson, and Mrs. A. B. Cooper led the opening prayer. Routine business matters were transacted and the devotional was given by Mrs. W. L. Hussey. Mrs. E. H. Cheves gave the lesson from "The New Orleans Story," and the meeting closed with prayer by Mrs. Boles.

Refreshments were served to Mesdames C. B. Bush, S. E. Carter, E. H. Cheves, A. B. Cooper, W. L. Hussey, J. T. Richardson, C. W. Reed, and the hostess, Mrs. Boles.

PROGRAM POSTPONED

The monthly activity night program for Cisco Girl Scouts, which was planned for Thursday night, has been postponed until February 25, according to an announcement today.

FOR SPRING — The "little girl" bonnet of tiered white organdy with matching muff was introduced at a style show at the Waldorf-Astoria Hotel in New York. The chin-tied creation was one of many shown by leading designers.

FICHU FLATTERY—A cloud of white fox fur and a swathe of crisp silk taffeta are combined for elegance. The fabric is pulled through a slit in the pelt to hold the handsome little fur piece where it should be worn.

Baptist Circle Two Meets On Tuesday

Circle Two of the First Baptist Church met Tuesday in the home of Mrs. O. J. Russell for their regular meeting.

The meeting opened with prayer by Mrs. H. M. Ward, a visitor, and Mrs. Russell called for the devotional on Family Altars given by Mrs. O. G. Lawson. Routine business matters were transacted and monthly reports were filled out by the members. The mission lesson, "The New Orleans Story," was taught by Mrs. J. B. Popalio and the meeting closed with prayer by Mrs. Russell.

Refreshments were served to Mesdames S. J. Pirtle, O. G. Lawson, O. L. Mason, H. M. Ward, W. H. LaRoque, J. B. Popalio, and the hostess, Mrs. Russell.

Business Women's Circle Has Meeting

The Business Women's Circle of the East Cisco Baptist Church met Monday at the church for mission study.

The meeting opened with prayer by Mrs. Harry Bosworth and Mrs. Claude Ingram gave the devotional from Psalm 56. Mrs. Bosworth taught the mission lesson from "Let's Listen," and Mrs. Carrell Stansell closed the meeting with prayer.

Those attending were Mrs. Claude Ingram, Mrs. Harry Bosworth, Mrs. Carrell Stansell, Mrs. H. K. Neely, and Mrs. Elvis Nelm.

Have towels softer Than you've ever dreamed of...

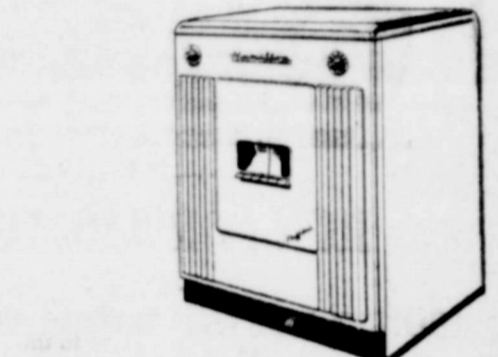

with an Automatic Gas clothes dryer!

Nothing feels better than a good rubdown with a thick, soft towel! And when you dry your towels in a gas dryer, they're twice as soft, twice as thick, and twice as absorbent as when line-dried!

are softer and longer wearing than ever before, too.

When you buy your first gas dryer, you'll wonder how you ever did without one. See them at Lone Star Gas or your favorite dealer's store!

Your towels will have that sunshine freshness, too. The built-in ultra-violet lamp gives you the advantage of the sun... the deodorizing action... with none of the disadvantages... fading, wind-whipped harshness, and clothesline wear and tear!

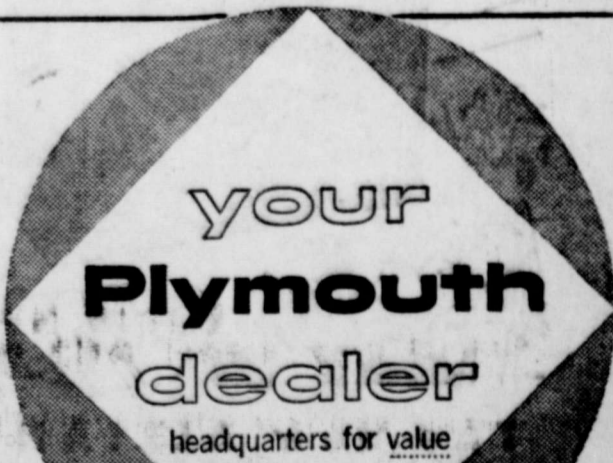

Your shag rugs and bathmats, work and play clothes, chenille items, your sheets and pillowcases

Lone Star Gas Company

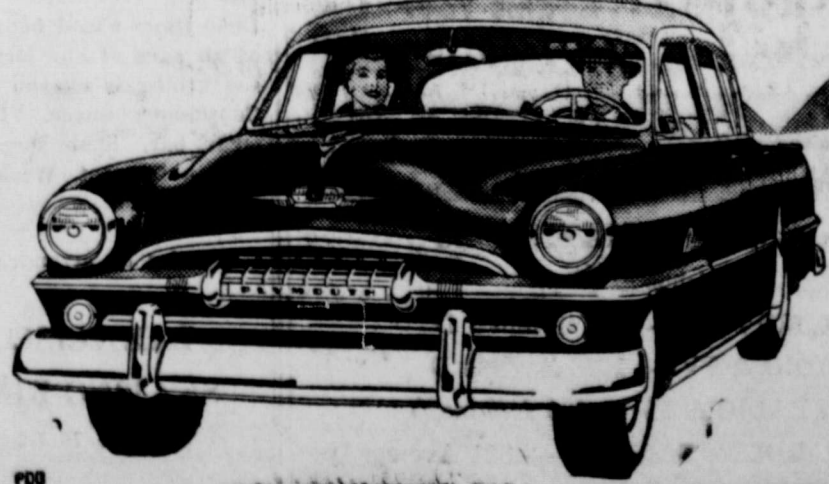

three easy steps to getting the best car buy!

- 1 come in and compare the features. The full-time power steering that means easier parking and driving. The Hy-Drive no-shift driving—smoothest, least expensive no-shift drive in the low-price field. Plus many features not found in other low-price cars—or even among some of the high-price cars!
- 2 take a new Plymouth for a trial drive... give it a real workout on the road.
- 3 then tell us which of Plymouth's beautiful new models you prefer and how you'd like to pay. Our deal will be easy on your pocketbook!

hy-style new '54 Plymouth under the beauty solid value

Plymouth's solid value is an established fact! For example, there are more Plymouths used as taxicabs than all other standard-built cars combined.

If You Are Looking For Trouble —

... you are sure to find some of it during the new year. The weather may be bad and speed will increase. Watch out for bombs, walk-outs, government waste, Comies, economic adjustments et cetera. And the person who buys real estate in 1954 without an abstract is headed for trouble. But 1954 will be about what we make it. If we live prayerfully, drive carefully and act thoughtfully, it won't be so bad. Happy New Year!

Loboes --

From Page One

28-28 in the third period and tied the game with a field goal as the whistle blew to end the fourth quarter.

The lead changed hands several times in the fast fourth quarter and the fans were on their feet most of the period.

In the overtime period the Loboes scored seven points while holding the visitors to two to win 48-43.

C. W. Kellar found the range in the Tuesday night game to score 18 points for the Loboes. He and Moore of Weatherford tied for scoring honors for the game. Kellar made seven field goals and four gratis shots while Moore made six goals from the field and six free throws. Domination of the floor, and more than an even break under the baskets gave the scrappy Loboes the conference win.

Coaches Al Langford and Mrs. James Wimbush take their Loboes and Lobo Queens to Comanche Friday night for return games with the Indians and the Comanche girls. The Loboes defeated the Indians at the community gym on January 12 by a 48-41 score, but the game was forfeited to the Indians when approved S.B.O.A. officials failed to show up for the game. The Queens lost to the Comanche girls 33-25.

IN LOVING MEMORY—Two GIs in Korea placed flowers on the grave of their dead mascot, Cheesai, a puppy. Cpl. James L. Cope, left, of Darlington, Pa., and Pfc. David Dolter, of Dubuque, Iowa, remembered the dog that was accidentally hit by an Army truck.

U of T Publishes New Handbook For Texas Voters

AUSTIN, Jan. 27.—With poll tax deadline at hand, the University of Texas Institute of Public Affairs comes forward with a timely revised edition of "A Handbook for Texas Voters."

The attractive and informative booklet first appeared in 1952, and all copies were sold in a few months. It was revised by Dr. O. Douglas Weeks, the University's government department chairman.

New features of the 1954 edition include facsimiles of paper ballots. The section covering political parties has been expanded. Elections for school and special district officials are given more detailed attention.

"The fact that this volume makes its appearance at this time is due in large measure to the efforts of Professor Weeks," Dr. Stuart MacCorkle, Institute director, noted. Dr. Weeks has long been a student of Texas government and politics, and has written widely in this field. It is the good fortune of the Institute that he was able to undertake the project.

F. Anderson, Institute assistant director; Professors Howard A. Calkins, Wilfred D. Webb and J. Alton Burdine, all of the government department. The Institute of Public Affairs is one of the University of Texas research and service organizations. It conducts research, publishes the findings, serves as an information center, encourages faculty and student research in the social sciences, carries on training program, and furnishes consultative services on public problems.

Faith

Our Forefathers believed in it. And lived it. And fought and died to foster it.

They wrote it, too — in the Declaration of Independence... that all who followed in their footsteps would never forget these words...

"With a firm reliance on the Protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our Sacred Honor."

These were words shaped by men who faced the future with a confidence born of unshakable Faith in their Fellow Men.

Today — no less than long ago — we must seek the strength such Faith in our Fellow Men will yield.

We must pledge to each other "our Lives, our Fortunes and our Sacred Honor" ... in working to revive the spirit of brotherhood upon which the foundation of our great nation rests.

We must renew our faith in each other for upon this faith rests our best hope of peace and security.

Write today for a copy of the article, "Our Four Great Faiths", and for reprints of this advertisement. Mail request to: J. B. Shores, Director, Employe-Public Relations, Texas and Pacific Railway, Dallas, Texas. No charge, of course.
