

The Gay Philosopher

By J. W. B.

DON'T LOOK now, but the city of Cisco has an airport that completely paid for. The citizens of this town obligated themselves in 1941 to pay the sum of \$900 for 180 acres of land now used as the city airport. Payments were to be made semi-annually, and the final payment was made recently.

The investment is worth considerably more than \$5,900 now. The airport has good runways, hangars, obstruction lights, an office and a home for the caretaker. There's not much activity at the airport right now, but there has been and there probably will be again.

An adequate airport is an asset to any community. The Cisco airport is the biggest and best — if not the only one — in Eastland County. And, as we said, it's paid for.

FRIDAY'S big blow was the sandstorm in the memory of Cisco folks. The Humble Pipe Line Company men talked to their employees over West and North Texas by company telephones. Everywhere, folks said they had never seen anything like it.

Mr. Rudolph Schaefer talked with his son, Joe Ed, who is stationed at Fort Bliss, and Joe Ed said a lot of sand had passed here en route east. Joe Ed was to arrive Saturday for a week-end visit with his parents.

Mr. Fred Grist told us that he has lived here a good many years and he had never seen such a sandstorm. Most of the sand seemed to be of the intermountain variety — it was coming here from other places. A lot of the sand was left with us.

MONDAY IS THE birthday of George Washington, the father of our country. What is more, Feb. 21 is the birthday of George Deane, the Lions Club prexy, and Mary Jane Rendall. The bank will close Monday.

It's a little late, but Feb. 16 was the birthday of both Mr. and Mrs. E. C. Shepard, and Feb. 20 was C. C. Green's birthday. Our birthday calendar shows the following celebrations for this week:

Feb. 21 — Mrs. Leonard Fiege, B. F. Wright, Miss Alice Bacon, and Stanley Webb. (Mr. Wright, the local song writer, says he is ten days older than George Washington and the same age as Mr. Webb.)

Feb. 23 — E. H. Cheves.

Feb. 24 — Mrs. Charles Clark and Jerrylyn Stephens.

Feb. 25 — Charles Cleveland and Mrs. Florence E. Farrow.

Feb. 26 — Lula F. Bridges and Buddy Dolgener.

Feb. 27 — Bill Overall and Linda Cheves.

Among those observing wedding anniversaries this week are Mr. and Mrs. C. B. Powell, Feb. 20; Mr. and Mrs. Buck Overall, Feb. 26th.

OUR SCOUTS report that Mr. Boss Griffith has been wearing his new and special glasses for some time now and his vision is improving. He has been blind for years and the special glasses were bought for him by a group of Cisco friends.

Understand Mr. Griffith can't recognize you but he can tell when you are near. Maybe, in time, the glasses will help him more and more.

JUST OFF THE press is the new Eastland County directory. It contains the names of everybody in Cisco, Eastland, Ranger, Rising Star, Gorman and the other towns, communities and rural routes. It was put out by the Moorhead people and seems like a valuable edition.

WENT OVER to the First Christian Church basement the other night to attend the Cub Scout dinner. It was a splendid affair with a huge crowd. There was a lot of fried chicken, potato salad, green salad, rolls and other good things to eat. There was about 200 people present — the largest crowd they've ever had present for a Cub Scout affair in our town. Mr. and Mrs. Roy Killingsworth and family of Ozona were weekend guests in Cisco. He was the junior high principal here last year and reports that all is well out west.

Miss Louise Karkalits is spending the weekend with Mrs. Ralph T. Wootton and family in Austin.

Changes In PMA Payments Made By County Agency

Changes in the cost-sharing prices on approved practices were announced Saturday by the Eastland County PMA Office. The changes were made because of the fact that the government limits its contribution to the practices to 50 percent of the cost, the office said.

For the present, the PMA will approve payments as follows on cooperative practices: oak control, \$2.50 per acre; tanks, 7 1/2 cents per yard; terraces, 2 cents per foot; diversion terraces, 5 1/2 cents per yard.

Emphasis will be placed on terracing during the next 60 days, the County Committee said. Terraces are designed to prevent water erosion, wind erosion and to hold water on the land. This is the best season of the year to build terraces, the PMA said.

Dr. Blackstock Is Speaker For PTA Meet Wednesday

Dr. Robert F. Blackstock, local dentist, was the main speaker at the regular meeting of the West Ward Parent-Teacher Association held Wednesday, February 17, at the school.

Mrs. Cy Ainsworth, program leader, introduced Dr. Blackstock who spoke to the group of "Children's Dentistry Today." Dr. Blackstock stated that a child should be first introduced to the dentist at the age of three or three and half years and that he should have an examination in the office every six months. He also stressed the importance of teaching children to take proper care of their teeth at home. He also stated that you should wait until the permanent teeth are in before you start worrying about straightening them.

David Darnell, pastor of the Church of Christ, gave the devotion taken from Luke 24 and Matthew 28. Mr. Darnell told the group that teaching children the will of God was the most important responsibility of the parents. He said that they must believe in God in order to have the proper relationship to God.

As February 17 was Founder's Day, the past PTA presidents were invited to attend the meeting. Those attending the meeting were Mrs. Bill Kendall, Mrs. Vera Kleiner, Mrs. J. J. Porter, Mrs. Don Choate, Mrs. M. D. Bailey, and Mrs. J. E. T. Peters.

CARMAN'S FREE SHOTS ENABLE CJC CAGERS TO BEAT HENDERSON

Two free throws by Don Carman with 15 seconds remaining in the game gave the Cisco Junior College Wranglers a 70-69 T.J.C.C. cage victory over the Henderson County Junior College quintet at the community gym Friday night.

The Wranglers were trailing by one point in the waning seconds of the game when Carman was given the elbow treatment under the Cisco goal on an attempted crip shot. He sank both tries to give the Cisco team the important game.

The first half of the game was close with the Wranglers enjoying a slight lead. At the end of the first quarter Cisco was leading 18-15. At the intermission the count stood at 35-34 with the Wranglers still out in front.

In the third period the Wranglers scored 26 points while holding Henderson to 17 and as the quarter ended they were ahead 61-51. During the wild fourth quarter Henderson staged a rally that almost gave them the game. They scored 18 points on seven field goals and four free throws and held the Wranglers to two field goals and five free tosses for nine points. A field goal with 30 seconds remaining in the game put the visitors ahead 69-68. Following the throw in Cisco took the ball down court and worked it under the basket where the foul which gave Carman the two free tosses occurred.

Joe Murphy made 20 of the Wrangler points and took scoring honors for the game. Turner of Henderson County was in second place with 17. Stevens of Cisco made 15. The work of Bob Lloyd, Ed Palmore and Sam Scroggins on rebounds was good. Ed Farmer aided the Cisco cause with five field goals and three free throws.

The game Friday night wound up the season for the Wranglers unless they are permitted entry in the state tournament when the final conference figures are in. The first and second place winners in the conference are invited to the state tournament which will be held at College Station. The games scheduled with Weatherford next week have been cancelled at the request of Weatherford.

LARGE CROWD ATTENDS DINNER HONORING CUB SCOUTS OF CITY

Approximately 200 persons were in attendance Thursday night for the annual Blue and Gold banquet of Cub Scout Pack 27 in the basement of the First Christian Church.

"Forward on Liberty's Team" was the theme of the banquet and this was emphasized in the decorations. Cubmaster Hugh Chief Brown served as master of ceremonies. Attending were cub scouts, leaders and parents.

The program opened with the cubs repeating their motto. G. N. Quirl of Brownwood, Comanche Trail Council executive, was introduced and spoke briefly. He praised the work of Cisco leaders in the Cub program, which he described as the family program as all members of the family assist with Cub training.

Mr. Quirl noted that the Comanche Trail Council has more than 600 adults active in Cub and Scout leadership work. The success of the program, he added, is due very largely to the leadership of volunteers.

Others introduced included John Morris, executive; Dr. J. H. Denton, scoutmaster of Troop 58; Bobby Deen, committeeman, and Mrs. Deen and Mrs. Quirl.

The various dens of Pack 27 presented skits as the program feature. These included: Den

SIX INCHES OF TOPSOIL
 It has been said that "Civilization rests on six inches of topsoil." This is not just a dramatic statement. It is a fact of nature. These six inches are all that stand between us and famine. Many conservationists believe that before this layer of topsoil was nine inches of the original deposit — has been lost forever, through floods, winds erosion, and destructive forest and agricultural practices.
 Here is why soil conservation is as important a need as this nation knows. The federal and lo-

LETTER

Editor:
 I am making reply to the "Highlights of Your State Capitol." Governor Shivers is asking the Texas Legislature to pass his proposal to impose the death penalty on the subversives to just merely hold membership in their respective party. I think this ridiculous.
 I am of the opinion that if his proposal is enacted into law it will place the freedom of the American people in great jeopardy.
 I feel that the Governor is so loyal to his party that he would abolish the Bill of Rights in order to execute his nefarious and dictatorial command.
 But, I do hope and trust that the Governor will be so interested in his next campaign to get in the Senator's race that he will not forget to bolt his party.
 I thank you.

On Tuesday evening the group gave a banquet in honor of the colored girls their age and attended prayer meeting at the church Wednesday. Church-wide visitation was observed Thursday and the week was climaxed with a retreat held at the home of their leader, Mrs. Bill Sharpe from 7 p. m. Friday to 10 a. m. Saturday.

Those taking part in the week's activities were Jessie Warren, Melba Harrelson, Martha Eudy, Charlotte Theiford, Carlene Holder, Bertie Donham, Sylvia Henson, and Mrs. Bill Sharpe.

The Child Study Club met Friday afternoon at the City Federated Clubhouse for a tea and book review with Mrs. Kay Gurney as hostess.

Guests were met at the door by Mrs. Gurney and Mrs. Alice Cameron, vice president, in the absence of Mrs. Elva Morrison, president, who was called to Brownwood due to the death of her father-in-law. Mrs. Helen Heyser registered the guests in the guest book.

Other members of the house party were Mrs. Thelma Smith and Mrs. Kay Sitten.

Piano music was furnished by Johnny Turner. Mrs. Cameron poured tea from a table laid with a white linen cut work cloth from Germany and centered with an arrangement of pink japonicas. Table appointments were of silver. The piano held silver candelabras with pink candles and an arrangement of white shasta daisies was at the guest book table.

Mrs. E. H. Lightfoot reviewed the book, "The Hungry Man's Dream," by Margaret Runbeck. Sixteen members and guests attended.

The song leaders led the group in singing "She'll Be Coming Around the Mountain," "Down at the Station," and "Sweetly Sings the Donkey." The meeting was then dismissed by the president.

Home Demonstration Council Makes Committee Appointments For Camp

At the regular meeting of the Eastland County H. D. Council on Wednesday, Feb. 17, committees were appointed to help in planning the annual Tri-County H. D. Camp which will be held at Lake Brownwood in July.

Those planning the camp activities will be Mrs. W. D. Hazel and Mrs. M. P. Farnsworth, Cisco; Mrs. R. W. Gordon, Ranger; Mrs. Bernard Campbell, Carbon; Mrs. M. M. Sheffield, Rising Star; and Mrs. Bill Tucker, Cheaney. This committee will meet March 1 at the North Star Club House with representatives from Brown and Comanche Counties.

The campaign committee for Mrs. Bill Tucker, who is a can-

didate for THDA district vice-president, presented their plan of activities for the campaign.

Committee recommendations for 1934 were approved, and the council chairman, Mrs. H. C. Fridge, announced that all the standing committees would meet in the near future and set up plans to carry out these recommendations.

The finance committee reported that they had been advised by the printer that the Home Demonstration Cookbook would be ready for sale within two weeks. All club members will be selling the cookbook which contains over one hundred pages of recipes. Five hundred copies of these books are being printed.

Clubs represented at council were: Lake Cisco, Word, Cheaney, Pioneer, Flatwood, North Star, Pleasant Hill, and Okra. There were twenty-three women present for the meeting. The next regular meeting date is March 10.
