The Gay Philosopher

By J. W. S.

DO YOU DARE to rate your town? That's the subject of an article and questionnaire that the Journal Magazine has sent you. They ask 40 questions. If you can circle "yes" on 30 or more of the virtues below, chances are you live in a town of which you can be proud, the magazine says.

In printing the questions we think it would be good for us all to think about our town and what will cause you to do some thinking. The questionnaire follows:

1. Most high school graduates stay in town. Yes No
2. Getting a loan on a sound business venture is easy. Yes No
3. The local paper constantly makes civic improvements. Yes No

4. There's a Chamber of Commerce with a live-wire manager. Yes No
5. Local speeders pay the same as out-of-towners. Yes No

6. There's a place to swim without easy reach. Yes No
7. Young couples have little trouble finding a place to live. Yes No

8. The head of your government is a "get-things-done" man. Yes No
9. Town entrances are free from shackles and billboards. Yes No

10. Teachers' salaries are better than the state average. Yes No
11. There's at least one doctor per 800 people in your county. Yes No

12. There's a library with a good collection of recent books. Yes No
13. Newcomers quickly feel they're part of the town. Yes No

14. Schools have plenty of room for students. Yes No
15. Fire insurance rates are low for your type of town. Yes No

16. Service, veterans' and women's clubs team up on projects. Yes No
17. There is an active, well-organized Boy Scout troop. Yes No

18. A modern hospital is within your trading area. Yes No
19. All streets are paved and sidewalks are in good shape. Yes No

20. Well-stocked stores keep shoppers in town. Yes No
21. There's a hotel or motel that'd enjoy if you were a visitor. Yes No

22. It's easy to find parking space in the business section. Yes No
23. At least one restaurant serves outstanding meals. Yes No

24. The sewer extension program keeps pace with new housing. Yes No
25. It's easy to get volunteers for any worthwhile project. Yes No

26. Public toilets are provided for farm folks shopping in town. Yes No
27. Prompt, reasonably priced ambulance service is available. Yes No

28. Good zoning keeps factories away from residential areas. Yes No
29. There's an annual Clean-Up, Paint-Up, Fix-Up week. Yes No

30. Streets throughout the community are well lighted. Yes No
31. More than half the church congregations are younger than 40. Yes No

32. Shade trees line nearly all the streets. Yes No
33. There's an ample supply of good drinking water. Yes No

34. There's a recreation center where young people can dance. Yes No
35. The business section has a modern, prosperous look. Yes No

36. There's as much interest in local as national elections. Yes No
37. The tax rate is attractive to new industry. Yes No

38. There's a community council to guide town progress. Yes No
39. There's an active P.T.A. Yes No

40. Firemen must take regular training courses. Yes No

SEE BY THE papers that there are a lot of rabid dogs over the country. As many as 30 have been found in a South Texas town. Let's have our dogs vaccinated and get tags for their collars. It doesn't cost much, and it might save your dog's life.

Important Issues Before Congress Will Be Studied

Important issues now before Congress will be discussed at a District 7 Farm Bureau meeting on March 2 at the Brownwood Hotel, in Brownwood, according to Mrs. Bill Tucker of Ranger, publicity chairman of the Eastland County Farm Bureau.

Officers, members of the legislative committee and the publicity chairman of the Eastland County Farm Bureau have received invitation from Texas Farm Bureau President J. Walter Hammond, in urging them to attend, the state farm leader stressed the importance of the meeting as it relates to national legislation affecting agriculture.

"Farm Bureau members have spent a good deal of time and effort in developing the policies of the organization," Hammond stressed. "These policies, to be worthwhile, must be executed. For that reason, and because of the nature of the meeting agenda, it is vital that we have Farm Bureau leaders from each county in attendance."

The meeting is one of a series of 12 policy executive sessions being held over the state in February and March. Subjects include agricultural price supports, natural resources, labor-management and foreign trade.

The meeting for counties in this district will begin at 10 a. m. District Director Billy Joe Gist of Abilene will preside. Eastland County President A. Z. Myrick, Secretary Ray Norris, Service Agent Mrs. John Love, Publicity Chairman Mrs. Bill Tucker, and the following committee chairmen, J. C. Coates, Legislative, and John Love, resolutions, are planning to attend.

Piano And Violin Recital Planned
Mrs. Douglas Stone of Cisco and Mrs. George Bledsoe of Eastland will present their students in a joint piano and violin recital at 8 o'clock tonight at the First Methodist Church here.

Wranglerettes To Play Game Here

The Cisco Junior College Wranglerettes have scheduled a basketball game with the Goodfellow Air Force Base woman's cage team at the community gym at 8 p. m. Saturday.

Little was known of the strength of the San Angelo team, but the coaches were looking for a rough game.

The game with Goodfellow is one of several the Wranglerettes will play before leaving for the National tournament in March.

Final Rites Are Planned Today For Dr. Ramsey, Sr.

Dr. E. H. Ramsey, Sr., 74-year-old Rising Star dentist, and father of Dr. E. H. Ramsey, Jr., and Mrs. Ted Waters of Cisco, died at 4 a. m. Monday in an Abilene hospital following a long illness.

He had been a resident of Rising Star for the past 28 years, moving there when he purchased the bulk agency for the Texas Company. He opened his office for the practice of dentistry there in 1938 and was active in practice until 90 days ago when ill health forced him to close his office.

He was born in Shackelford County on January 2, 1880. He was a graduate of the University of Texas and attended the University of Chicago. Dr. Ramsey had land and oil holdings in Eastland and Callahan Counties.

Funeral services were to be held at 2 p. m. Tuesday at the First Baptist Church in Rising Star with the Rev. C. Y. Butler, pastor of the First Baptist Church in Cross Plains, officiating. Burial was to be in the Baird Cemetery with Higginbotham Funeral Home directing.

Survivors are his wife of Rising Star; one son, Dr. E. H. Ramsey, Jr., of Cisco; a daughter, Mrs. Ted Waters of Cisco; three grandchildren, all of Cisco, and two sisters, Mrs. Edna Maulding of Rising Star and Mrs. Dee Tyson of Fort Worth.

DEADLINE IS MARCH 1 TO SIGN UP FOR LITTLE LEAGUE TEAMS

All boys from eight years old to 12 years old who desire to participate in Little League Baseball during the coming season were reminded Tuesday that only a week remains in which to turn in their registration application.

The application must be in the hands of League officials by March 1 in order for the boys to be eligible for play this season, it was announced. The application should be taken or mailed to L. B. Lipsy, players agent, 309 West 11th, or handed to one of the team managers.

Wranglers Open Spring Grid Training Program On Monday

SHARE AND SHARE ALIKE—That's what true friends should do, and 10-year-old Bobby Cannon, of Anna Maria, Fla., is doing just that with his pet raccoon, Salty. They both like ice cream and Salty isn't so greedy that he won't share his with Bobby.

22 Players Report For 1st Practice

Spring football drills for the Cisco Junior College Wranglers started off with a bang Monday as the 22 players who reported the first day got in a lot of good licks during a short scrimmage session which followed the issuance of uniforms.

Coach Red Lewis reported that 15 or 20 boys from last year's team would be back for action next year and that most of those were out for practice Monday. Plans call for drills to last for several weeks.

Lewis was faced with shifting players to various positions in order to have a well rounded Spring practice. The end and center posts were under manned and shifting had to be made there.

Reporting for initial drills at the endposts were Ralph Davidson, Daris Foster and Charles Roden. Davidson is a new recruit from Wilson who entered C. J. C. at mid term. Foster was with the squad last season but saw little action. Roden also was with the team for a while last season but dropped out after the first few weeks. Elton Strother and Arnold Hunter will report for practice this week. Strother was on the roster for a while last season but dropped out in favor of basketball. Hunter played at a tackle spot with the 1953 team. Bud Miller, star end for the past two seasons, will return with the team next year but will not work out during the Spring.

Wayne Adams, Richard Baack, and Phil Perry are the returning tackles. They were joined Monday by Bruce Stovall of Rising Star and C. A. Wheat of Irving, both 212 pounds. Stovall played with McMurry last season. Wheat entered school at mid term.

Frank Perrin, Gene Burk, Burl Shetter and Truman Commons are the returning guards. Carl Metkar of Irving, who enrolled at mid term, was also out for practice Monday. The guard posts were considered well filled if the Army leave the players alone. Burk made all-conference last season, and the remainder of the returning players are veterans who saw a lot of action last season. Metkar was expected to add a lot to the position.

Baggy Tipton of Cisco was the only center reporting Monday. Lewis will do some shifting during Spring drills and will look for some assistance in that post for next year.

Backs reporting Monday included Billy Witt, Jimmy Adams, Billy Joe Hawk, Ronald Conner, Enoch Reid, Ray Westmoreland, Dean Madison and Vernon Franklin. Madison began with the team last year but dropped out because of illness. He is from Rising Star. The remainder of the backs were members of the team last season.

Billy Witt is the only returning quarterback but Lewis was working Adams in that spot some Monday. Adams was one of the top backs in the conference last year. Conner was running at full Monday. Halfbacks were Hawk, Reid, Westmoreland, Madison and Franklin.

Lewis said that several good prospects had indicated that they would enter Cisco Junior College in September to try out for the team. Norman Boggs of Cisco has indicated that he will return for next year at a guard position. Plans call for using the split-T formation next season with a sprinkling of single wing, and plays were being worked in Spring drills around those formations.

A longer scrimmage session was due Tuesday, Lewis said.

Dr. and Mrs. Otis McClesky and son, David, of Galveston spent the weekend in Cisco with relatives and friends. Mrs. McClesky and son will remain in Cisco while Dr. McClesky does advance study in San Antonio.

CHAIRMEN BEING NAMED FOR RURAL RED CROSS CAMPAIGN

Community leaders to direct the 1954 Red Cross fund drive in all parts of Eastland County were being contacted this week by Mrs. Bill Tucker of Route 1, Ranger, rural chairman. The campaign begins March 1 and runs for a month.

This is the third year that Mrs. Tucker has accepted the chairmanship of the rural campaign, and this phase of the drive has played an important part in helping the county reach its quota.

Mrs. Tucker has appointed community chairmen as follows: Cheaney, Mrs. Gene Ferrell and Mrs. John Love; Staff, Mrs. Bessie Bennett; Shady Grove, Mrs. Ernest Schaefer; Long Branch, Miss Lucille Furr; New Hope, Mrs. J. E. Weaver; Kokomo, Mrs. Albert Hendricks; Colony, Mrs. O. C. Bowen; Carbon, Mrs. C. G. Stubblefield; Desdemona, Mrs. Bernice Clark and Mrs. Howard Williams.

The home demonstration club women will head the drive in their communities, as follows:

MAKES FLIGHT

MILTON, Fla., Feb. 22 — A first solo flight has been made by Naval Aviation Cadet Bobby W. White, son of Mr. and Mrs. Alvia W. White of Cisco, Tex. He entered the Naval Aviation Cadet Program through Naval Air Station, Dallas, Tex.

The flight was completed at the U. S. Naval Auxiliary Air Station, Whiting Field, here. The Cadet will now receive instruction in precision air work and aerobatics along with his regular solo flights.

Air Force Lowers Requirements For Flight Training

The U. S. Air Force flight training program is now open to high school graduates, according to an announcement today. Those who can pass the mental and physical examinations are eligible for cadet training, the announcement said.

Those accepted for cadet training must be between the ages of 19 and 26 1/2 years of age, of good physical health and high moral character. Classes begin every two weeks, assuring early entry into training for the cadets. The course lasts about 14 months. Upon graduation, cadets are commissioned as second lieutenants in the Air Force and will serve on active duty for three years. Pay begins at \$438.58 per month.

Young men of this area who wish further information should see Sergeant Huffman or Sergeant Smith at the Post Office in Breckenridge on Feb. 25 between 9:30 a. m. and 5 p. m. They will provide any information desired.

Mr. and Mrs. George Irvine spent the weekend with their son and wife, Dr. and Mrs. George Irvine, in San Angelo.

Mr. and Mrs. J. H. Kent and son of Weatherford spent the weekend in Cisco with relatives.

Mr. and Mrs. J. E. Leazar of Logview spent the weekend with his sister and husband, Mr. and Mrs. H. A. Bible.

SUBSCRIPTION RATES \$3.00 per year by mail (outside Cisco) in Eastland, Stephens and Callahan Counties, Texas. In other Texas Counties, \$5.00.

The United States copyright laws give to authors, composers and artists the exclusive right to their works for a period of twenty-eight years.

Works that may be protected under our copyright laws include books (not only bound volumes, but also pamphlets, leaflets and

even single sheets); periodicals (newspapers, magazines, reviews, bulletins, proceedings of societies, serial publications, etc., which appear at regular intervals of less than a year); contributions to periodicals; lectures, sermons or addresses prepared for oral delivery; musical compositions and dramatic or dramatic-musical compositions.

Also maps; works of art; models or designs for works of art; published three dimensional works of art; drawings or plastic works of art; drawings or plastic works of art; drawings or plastic works of art; drawings or plastic works of art.

Lawyers say the principal steps to be taken in securing a copyright include (1) properly marking the work with a notice of copyright, (2) publishing the work, and then (3) filing with

the Register of Copyrights in Washington an application for registration of the copyright. A relatively small fee and a specified number of copies of the work must accompany the application.

It should be noted that the marking must precede publication, and that both of these steps must precede the filing of the application.

Failure to incorporate the notice of copyright before publication or to set it up in proper form or to place it in the proper place on the works will result in abandonment to the public of the claimant's rights. He will lose his copyright. Requirements vary in respect to the form of the notice, and the place on the works at which it should appear — depending on the nature of the works, whether they are published or unpublished, and other factors.

On some works it is mandatory that the notice contain the word "Copyright" or the abbreviation "Copr.," or certain other words, the letter "C" enclosed within a circle may be used instead. On some works the notice must include the year in which the work was first published.

In every notice the copyright claimant must be identified. In some cases the full name of the claimant is required; in others the initials or monogram, or an identifying mark or symbol, is sufficient. The name or mark may be that of the creator of the work, or of one to whom the copyright has been assigned.

In the case of a book, for example, the copyright notice should be placed on the title page or the page immediately following in every published copy of the book, and should consist of the word "Copyright" or the abbreviation "Copr.," the year of publication and the name of the copyright proprietor.

If the proprietor is the author, he should use his actual name and not a pseudonym or pen name. The application for registration of the copyright should be filed promptly after the first publication of the book, together with two copies of the book and a fee of \$4.00.

HER FIRST STRIKE CAME SOON... AT NEW GUINEA! AFTER A HURRIED SHAKEDOWN CRUISE SHE HEADED TOWARD THE WAR IN THE PACIFIC TO JOIN TASK FORCE 58.

LATER, IN THE EAST CHINA SEA, HER PLANES SCORED FOUR TORPEDO HITS ON THE JAP BATTLESHIP YAMATA... FLAGSHIP OF THE JAPANESE FLEET.

THE MONTHS THAT FOLLOWED WERE FILLED WITH ACTION FOR THE BATAAN AS SHE STRUCK THE ENEMY REPEATEDLY.

SHE FOUGHT HARD IN THE BATTLE OF THE PHILIPPINE SEA WHICH ALMOST COMPLETELY DESTROYED THE JAPANESE NAVY.

THE CARRIER BASED PILOTS SHOT DOWN MORE THAN 400 JAP PLANES DURING THE 2 DAYS OF THIS DECISIVE BATTLE.

AS A LAST DESPERATE ATTEMPT TO SAVE THE REMAINDER OF HER FLEET THE JAPS LAUNCHED THE DEADLY KAMIKAZE...

ONE OF THE SUICIDE PLANES CRASHED SO CLOSE TO THE BATAAN THAT FRAGMENTS FROM THE EXPLOSION KILLED ONE MAN AND INJURED TWELVE ON THE CARRIER.

IT WAS IN THIS BATTLE OF THE EAST CHINA SEA THAT TASK FORCE 58 DESTROYED THE FINAL EFFORT OF THE JAPANESE NAVY IN THE PACIFIC.

THE BATAAN CONTINUED POUNDING THE ENEMY UNTIL THE JAPANESE SURRENDERED... AUG. 15, 1945.

THE BATAAN WAS INACTIVATED IN 1946...

... BUT SHE WAS CALLED ON AGAIN IN 1950 TO COMBAT THE ENEMY IN KOREA!

HER PLANES FROM THE FAMED "CHECKERBOARD" SQUADRON SCORED THE FIRST AERIAL VICTORY OVER THE COMMUNISTS' PROPELLER DRIVEN PLANES.

SHE SPENT A TOTAL OF 17 MONTHS "ON THE LINE" IN KOREA, HAMMERING AT SHORE INSTALLATIONS ON BOTH COASTS.

AFTER THE TRUCE WAS SIGNED, SHE ENTERED THE NAVY YARD AT PEARL HARBOR WHERE SHE WILL BE PREPARED FOR INACTIVATION... A WELL DESERVED REST FOR A GREAT FIGHTING SHIP.

Ford presents two new deep-block engines

THE NEW 130-h.p. Y-block V-8

This brand new Overhead-Valve V-8 has an extra-deep block which resembles a "Y" in cross-section. This new deep-block design means greater rigidity for smoother, quieter performance... longer engine life. Other features which make this engine a long-lived, smooth, saving performer are: new low-friction (short-stroke) design, Free-Turning Overhead Valves, new 5-bearing crankshaft, and new high-turbulence combustion chambers.

THE NEW 115-h.p. I-block SIX

Like the new Y-block V-8, this engine has Ford's deep-block design for greater rigidity, longer engine life. Also, like the V-8, you get Ford's modern manifolding, low-friction design, high-turbulence combustion chambers, and Ford's Automatic Power Pilot. One advantage of both new Ford engines is an amazingly flat "torque curve" which gives you top pick-up power through the whole range of driving speeds.

You are cordially invited to come in and Test Drive the
