## The Gay Philosopher

By J. W. S.

THE A CAPPELLA Choir, the quartet, the Madrigal singers and soloists of Cisco Junior College—about 40 musicians in number—have returned from a successful tour of West Texas. Mr. Jack Chambliss, the director, reports that the students thoroughly enjoyed the tour and that their programs were applauded everywhere they sang.

We saw a copy of the Big Spring newspaper. It carried pictures of the choir and of Director Chambliss and splendid write-ups. Later in the spring, the choir will sing its official Cisco concert. And we know that one and all will want to attend.

YOU CAN ENVY Mr. Dick Anderson of the A-G Motor Company. It's already vacation time for him, and he departed Thursday for British Columbia in Canada for a three weeks stay.

Mr. and Mrs. Nuel Morrison of British Columbia were visitors here and Dick accompanied them home. He met the Morrissions in Detroit last year while he was attending a special Chevrolet school.

THE REV. SIDNEY Spain, pastor of the First Christian Church, wasn't hunting, but he got a bird the other night. Driving home from Lubbock, the Spains were cruising along about 65 miles per hour in the neighborhood of Aspermont. Suddenly a big bird flew into the windshield of the Spain car. The glass was cracked very considerably and the odds are less than even that the bird survived. Some of his blood remained on the windshield.

THE MEN OUT at the Halliburton Oil Well Cementing Company report that they're celebrating no-accidents-in-six-months with a big barbecue at the Cisco Country Club at 7 p. m. Saturday. Understand the Halliburton fellows of the Cisco and Albany camps and their families will attend. Several company officials from the Abilene district office are due to be present, too.

A company with as many trucks and cars as Halliburton can certainly be proud of a safety record of no accidents in six months.

MR. L. A. WARREN, the Cisco oil man who pioneered the new War-Kirk oil field in Callahan last year, tells us that Movie Actor Jimmy Stewart owns a one-fourth interest in their company. Stewart is a partner of F. Kirk Johnson of Fort Worth. And Mr. F. J. is a partner of the Warrens. The Warren company by the way, now has 19 fine producers of oil in the pool.

FOUR BUCKS for a steak dinner would be a pretty high price if most of us had to pay it. But that's what the Magnolia people forked over to feed about 250 of their sales folks Wednesday night at a big meeting in Abilene. Area Magnolia dealers and agents attended the meeting to talk about plans for spring.

Attending from Cisco were Mr. J. B. Pratt, Mr. Lawrence Thompson, Mr. Bill Huestis and Mr. A. R. Westfall.

MR. BILL FEWELL, the farmer, is the new treasurer over at the First Baptist Church. He succeeded Mr. Truman Taylor, who was transferred by the Humble company to Houston recently. . . . Mr. Roy Westfall, Jr., knows a man who has three snow-white kittens to be given away. . . . Thursday was the 84th birthday for Mrs. J. W. Hale of our town and here's wishing for her many more of them. . . . The city schools will turn out on April 15th for Easter, giving students Friday and Monday for holidays this year. Classes will resume on the 20th.

AN AREA RESIDENT was in Wichita Falls the other day when the New York Giants and the Cleveland Indians played an exhibition baseball game. And this man went up to Mr. Leo Durocher, manager of the Giants, and asked him what he thought of the Little League program. Here's Leo the Lip's answer:

"It's the hope and future of the game. More and more as I travel over the country I find Little League parks and enthusiastic backing by all sorts of business firms, creating an interest in the game and teaching boys to play well — to be good sportsmen."

FINGER WORK—A special workshop in Berlin provides young people with knowledge of a manual trade. These German girls are weaving a carpet in which the emblem of the United States looms large. The workshop teaches weaving, carpentry, sewing and other useful trades.

## Leon Maner Talks On Business At Rotary Luncheon

Rotarian Leon Maner talked to members of the Cisco Club on vocational service at their regular weekly meeting at the Hotel Victor Thursday. The program was in charge of Rotarian Lawrence Davis.

Maner went back to the beginning of American business in his talk and said that the business of the country was begun with slavery, servitude and apprenticeship. He said that it took many years to bring about the change that gave the working man the privileges he now enjoys.

He described Rotary as the clearing house of ideas and said that the club was not a chamber of commerce, nor was it a charitable organization — but that its members were leaders in both groups.

He said that the foundation of Rotary was service to the community, the Nation and the World. Maner told of the advancements of the Nation during the first half of the 20th century and said that an even better second half was possible if diverging ideologies could gather around the conference tables and discuss problems in the manner in which Rotarians met each week.

Visitors at the meeting were Rotarians George Davenport and I. C. Inzer of Eastland and Glen Duggan, George Barron, F. B. Altman and Elwin Skiles of Abilene.

Mrs. M. E. Goldberg returned Wednesday from an extended visit with her daughter and husband, Dr. and Mrs. L. B. Krupp, in El Paso.

Herbert Hoover and Dwight Eisenhower are the only presidents born West of the Mississippi.

## SENIOR CLASS WILL PRESENT THEIR ANNUAL PLAY TONIGHT

Dress rehearsal and final practice for the senior class play, "It's Great To Be Crazy," to be presented at 8 o'clock tonight at the high school auditorium, were held Thursday night, and class sponsors said that the presentation would be one of the finest in the history of the school.

The play is built around the Maxwell family. The three act comedy features the antics of the Maxwell children and their friends, with Mr. and Mrs. Maxwell bearing the brunt of the delicate situations their children bring about.

The cast of the hilarious comedy includes John Maxwell, C. A. Ditmore; Janet Maxwell, Flora Jean Fletcher; Wilbur Maxwell, Don Emsley; Connie Maxwell, Rhelda Reed; Bernadine; Sylvia

## Open House Will Honor Smiths On 54th Anniversary

Mr. and Mrs. F. W. Smith will celebrate their 54th wedding anniversary with open house at their home at 701½ East 9th St. from 2 p. m. to 5 p. m. Sunday.

All their friends were invited to visit them during the open house Sunday and join them and their children in the celebration.

Mr. and Mrs. Smith have lived in Cisco some seven years, but have lived in Eastland County more than 50 years. They moved to Cisco from Rising Star.

They were married in the Macedonia community on April 11, 1900, by the Rev. J. C. Watkins, Methodist minister. All their six children plan to be here for the celebration.

## Country Roundup Gang Will Be At Cisco Jamboree

Sid Foster and the Country Roundup Gang of Breckenridge, and Fonda Wallace, 10 year old entertainer from Munday, will be featured on the Cisco Jamboree tonight at the city hall auditorium, it was reported by officers of the Cisco Fire Department, sponsors of the show.

Both the Country Roundup Gang and Miss Wallace have appeared on the Cisco show before and were well received. The Roundup gang are regular performers on the Breckenridge Jamboree.

Fonda Wallace is a popular television star and jamboree entertainer. She appears regularly over the Wichita Falls television station.

Bill and Joe Callahan, another popular team on area jamborees, will appear on the local program tonight.

In addition to the visitors there will be a large number of local entertainers on the show. A full two hour show has been planned, fire department spokesmen said.

## Two Federal Tax Returns Are Due By Month's End

Quarterly returns in two types of Federal taxes are due in April, Ellis Campbell, Jr., district director of the Internal Revenue Service today advised affected taxpayers in the North Texas area.

The returns due are those called for on Forms 941 and 720.

Form 941 is the employer's first quarterly Federal tax return on funds withheld from the salaries of employees for withholding and social security taxes. Form 720 is the first quarterly excise tax return and applies to all vendors of materials or services subject to such taxes.

In both instances, firms owing taxes had the responsibility of obtaining from the Federal Reserve Bank depository receipts each month where the amount of monthly tax due amounted to \$100 or more. This responsibility applies to the tax due on both Forms 941 and 720. These depository receipts are to be attached to each form when it is filed with the Revenue office.

In the event that a receipt has not been obtained for the final month of the quarter, or if any additional tax payment is due, a check for that sum also must accompany each return.

Nearly all employers, regardless of the number of persons employed, are required to file Form 941 and must make returns for anyone employed for any period during the quarter. There are very few exemptions from requirements of this filing obligation, and they constitute less than five percent of the total number of employers in this Revenue area, Mr. Campbell said.

Mr. Campbell also cautioned firms filing Form 720 on excise taxes to be sure to give complete details, particularly concerning the basis upon which they compute taxes due.

## DONALD WAYNE TADLOCK

Mr. and Mrs. Carl T. Tadlock, Jr., of Lubbock are the parents of a son, Donald Wayne, born March 31 in the Parter Clinic Hospital in Lubbock. The infant weighed eight pounds and seven ounces at birth. Both mother and son are doing nicely. The paternal grandparents are Mr. and Mrs. Carl T. Tadlock and the maternal grandparents are Mr. and Mrs. L. L. Smith, all of Lubbock. The Smiths are former residents of Cisco and Mrs. Tadlock, Jr., will be remembered in Cisco as Miss Lanell Smith.

Mrs. J. F. Benedict is visiting in the home of her grand daughter, Mrs. Art Gutierrez, in Albuquerque, New Mexico.

Mrs. Jack Higgins and daughters, Julia and Joyce, were to leave today for their home in Ft. Worth following a week's visit in Cisco with her parents, Mr. and Mrs. Lewis Starr.

Miss Zel Sandler and her fiancé, Leonard W. Rozin, are to leave Saturday to resume their studies at the University of Kansas in Lawrence, Kansas.

## Nurse Shortage Continues Over State, Cox Says

AUSTIN, April 8.—Increases in hospital and nursing home beds and a jump in the number of people carrying hospital insurance are the two chief causes of the nursing shortage in Texas and elsewhere, state health officials say.

The fact that there are more and more hospital beds for insured persons to take advantage of during brief illnesses indicate that nurses have to spread their time thinner and thinner to meet the demand.

Other factors mentioned in the shortage are increasing numbers of dependent children and older people, and a shortage of high school graduates who are psychologically adapted for nursing duties.

Nursing re-registrations in Texas last year totaled 21,889, according to figures kept by the State Board of Nursing Examiners. A board spokesman pointed out that figure did not include new registrations, but did include some out-of-state nurses who wanted to maintain their Texas licenses.

Nursing licenses in Texas are distributed throughout hospitals and schools of nursing, in public health units and school systems, and in industry. While state health leaders were pointing up nursing shortages in Texas, World Health Organizations authorities were doing the same thing on a world basis. World Health Day was observed April 7 with the theme: "The Nurse-Pioneer of Health."

The heart of the nursing profession, WHO officials say, is contained in a line written 100 years ago by Florence Nightingale of Crimean War fame.

"A loving heart is not enough," she wrote. "The art of caring for the sick, the knowledge of the laws of life and death, are matters of sufficient importance and difficulty to require learning by experience and careful inquiry, just as much as any other art."

Today, in state, national and world medical and public health circles, nurses are recognized as friends and counsellors of all and welcome health teachers. Doctors and community leaders insist nursing importance in local health work and community life is second to none.

Florence Nightingale gave the world a new conception of the power and place in society of the trained and educated woman. Modern nursing combines the attributes of compassion with the calm ability conferred by the disciplines of education and training.

The entire nation will be better off when the shortage of trained nurses is overcome.

## McMurry College Plans Band Class

ABILENE, April 9.—McMurry College will hold its sixth annual Vacation Band School July 18-31, Raymond T. Bynum, professor of instrumental music at McMurry who directs the two-week school each summer, reported last week.

"We are expecting the biggest enrollment in the six-year history of the vacation band school," Bynum said. Enrollment last summer went well above the 200 mark. Students receive instruction in music theory, solo instrument work, choral music, and actual practice with training and concert bands. The school is open to college and high school musicians, and junior high players who are recommended by their directors.

## Jamboree Planned At Putnam School

A jamboree will be held at the Putnam School auditorium at 8 p. m. Monday, April 12, it was reported here today. The event will be sponsored by the school. Entertainers from Cisco will include Paul Hoffman and Al Anderson, Smiley Ricker and his Fox Hunters, Roy Thackerson and many others. Local talent has been invited to take part. Charlie Brown will be in master of ceremonies.

A small admission charge will be made. The public has been invited to attend.

## Garden Club Is Ready To Hold Annual Flower Show Saturday

### SCRANTON TWINS ARE WINNERS OF FUN FESTIVAL TOP HONORS

"Rattler," a duet by Robert and Ronnie Bostick of Scranton, was judged to be the best act in the show at the 4-H Share-the-Fun Festival Thursday night in the Cisco Junior High School Auditorium. More than 200 applauding spectators watched the 39 boys and girls put on 22 acts of top notch entertainment.

Robert and Ronnie, 16-year old twins, are the sons of Mr. and Mrs. R. C. Bostick of Nimrod. They will represent Eastland County at the district festival to be held in Hamilton on May 1. The district winner then goes to the state meet at College Station in June.

Robert Bell's rendition of "What it was Football" was selected as the alternate act. Some of the spectators were heard to say it was even better than the record. Robert, 16, is a member of the Scranton 4-H club and lives with his grandparents, Mr. and Mrs. Ed Townsend of Nimrod.

Other blue ribbon acts were "Ida," a duet by Sandra Taylor and Dot Gibbs of Eastland; "The Basketball Game" by Robert Bell, music by the Nimrod Kids, Robert, Ronnie and Terry Bostick and Jimmie and Jerry Blackwell, a reading by Betty Vessels of Cisco; Piano Solo by Judy Kay Slaughter of Cisco; A skit "Birds" by Shirley Fowler and Glenda Hughes of Cisco; "Stranger in Paradise," a solo by Joy Dunlap of Olden; and a piano solo, "Down Yonder" by Sue Stoker of Eastland.

The following acts were classified as Class B or Red Ribbon acts:

"As Far as I'm Concerned" by Billy Ray, Rose, and Gene Parks of Scranton; "I Know the Lord," a duet by Camille Lee and Carole Mayhew of Cisco; a song by Robert and Ronnie Bostick, Lavada Luster and Sue Notgrass; "The Time is Spring," by Sheila and Laura Redden of Scranton; "The Tennessee Wig Walk" barn dance by Paula Lingle and Kay Hopper of Ranger; "Secret Love," solo by Robert Bell.

White Ribbons went to Sarah Jane Harrell of Scranton; who

sang "Release Me," Deoloris Cooper of Olden for her piano solo; "Tennessee Waltz," a piano solo by Shirley Thurman of Eastland; "Skip-to-my-Lou," a piano solo by Camille Lee; A skit by Louise Yancey, Carol Sue Hall and Linda Sue Lewis of Desdemona; and "Seven Lonely Nights," a solo by Ruby Sagehorn of Rising Star.

J. D. Lauderdale of Cisco presented the ribbons on behalf of the First National Bank of Cisco, which furnished ribbons for the event. Don Jobe of Scranton acted as master of ceremonies and Bryan Swaim and Mrs. Tom Joyce Cunningham of Breckenridge were the Judges.

## Seaman Who Lost Life In Mishap Is Laid To Rest

Funeral services were held Thursday in Eastland for Seaman Edward Everett Harbin, son of Mr. and Mrs. Roy T. Harbin of Dallas, who drowned February 13th after slipping overboard from a Navy barge near the Norfolk, Virginia, harbor.

The Navy said the 20-year old seaman was assisting in handling a line to bring a tug boat into the harbor when he slipped on an icy deck and fell overboard. The family received word that the body had been recovered last Friday.

Burial was in the Eastland cemetery with military honors, following services at the Hamner Funeral Home.

Young Harbin was born June 30, 1933, in Cisco. He spent most of his boyhood in Cisco and Eastland. He attended high school for two years at Denison, graduating there in 1950. He enlisted in the Navy in July, 1950, and had advanced to the rate of electronics technician, second class, prior to his death.

Survivors are his parents and a brother, James, and three sisters, Alta, Hannah and Opal Jean, all of Dallas.

## Record Number Of Entries Expected

Members of the Cisco Garden Club were at work Friday putting the finishing touches on preparations for the annual flower show to be held Saturday at the Reynolds Building. The hours of the show are from 2 p. m. to 8:30 p. m.

"Beauty for the Home," is the theme of the show this year and arrangements will be on exhibit suitable for mantle, buffet, coffee table, kitchen, guest room, sun porch, den, hall, nursery, bed room, and for all occasions.

All garden club members were expected to enter arrangements or some item in the horticulture division. In the junior division, displays from Girl Scouts and Junior Garden Club members are expected.

The horticulture division this year was expected to be under par because of late freezes that retarded many blooming plants. The iris exhibit was expected to be the largest under the horticulture division, however, many ferns, flowering shrubs and potted plants were expected.

Garden Club members were preparing for a much larger exhibit than last year and were building risers and tables to hold the entries.

Mrs. Charles Spears is general chairman for the show and was in charge of the preparations Friday.

Other committee chairmen included Mrs. B. S. Huey, staging; Mrs. Edward Keough, entries; Mrs. J. C. Leveridge, classification; Mrs. Rudolph Kamon, publicity; Mrs. Alex Spears, hospitality; Mrs. C. S. Surles, tickets, and Mrs. Charles Kleiner, cleanup.

The public was invited to attend the show. An admission charge of 35 cents will be made to help defray the expense of the show.

Mrs. Ray G. Chapman, Garden Club president, said that accredited judges would be in charge of the judging and the issuing awards. Mrs. Chapman thanked each member of the club for the effort put forth to make the show one of the best ever held here.

## Legion Post Has Business Meeting

Plans for the opening of Lake Cisco swimming pool were discussed Thursday night at the semi-monthly meeting of the John William Butts Post 123 of the American Legion. Post Commander Gene Abbott presided over the meeting.

The swimming pool committee was authorized to work out arrangements to have the pavillion re-painted. The committee planned to have plans perfected soon.

It was reported that the Post was ready to sponsor a Teen-Age League baseball team and that players from the four league teams would represent the Post in the American Legion baseball program.

Commander Abbott and Legionaire E. L. Jackson, who was recently nominated by the local post for election as state commander at the August convention, will head a delegation of local members to the 17th District convention in Breckenridge this weekend.

## High School Choir To Sing For Baptists

The Cisco High School Choir, directed by Douglas Stone, will sing Sunday night at the First Baptist Church, according to an announcement today by Dr. H. M. Ward, pastor.

The choir will lead the congregation in singing and will sing several special numbers, Dr. Ward said. The public was invited to attend the 8 p. m. service.

### DATE TO REMEMBER

April 10th is an anniversary to be remembered. It marks the birthday of our American industrial progress. On April 10, 1790, George Washington signed the bill that established the United States Patent System. And on March 11, 1794, came the first great historic invention to be patented under the system. It was on this March day that Eli Whitney received his patent for the first cotton gin. The gin brought cotton prosperity to the South.  
After Whitney's cotton gin, came a long train of great American inventions — McCormick's reaper, Fulton's steamboat, Howe's sewing machine, Good-year's vulcanizing, Mergenthaler's linotype, Edison's incandescent light, phonograph, movies, and a thousand other inventions, the air brake, the Wright brothers' airplane, the Morse telegraph, Bell telephone — to name a few.

for inventions that may be patented as improvements over the original invention. Through this process, basic inventions expand to benefit human needs around the world. Within the span of a single lifetime, one small invention may grow to touch the lives of all peoples around the world.  
When Lee de Forest took the "Edison effect" in a light bulb and turned it into a radio tube, he probably little realized that he would live to see the day of our modern electronic industry. Our huge air transports and jet planes only faintly resemble their ancestral Wright biplane. Wilbur

Wright lived to see much of this growth. Invention on invention, fostered by our patent system, breeds generations of industrial giants. Private enterprise in the United States spends upward of one billion dollars annually for research and development, leading to new inventions.

For reasons as noted here, National Patent Council believes that April 10th should be recognized as the birthday of American industrial progress.

Delphian Club Has Meeting Wednesday

The Cisco Delphian Club met Wednesday at the clubhouse for the regular April meeting. Mrs. A. R. Day and Mrs. G. B. Langston were hostesses for the day.

In the absence of the president, Mrs. Leo Clinton presided at the business session. Mrs. W. D. Hazel read the minutes, and the treasurer's report was given by Mrs. John Kleiner. Mrs. Guy Brogden, corresponding secretary, read a note from the USO thanking the members for the scrapbook compiled by Mrs. Kleiner and sent in the club's name; another note from Mrs. W. B. Brightwell acknowledged the contribution made by the Delphian Club to the Virginia Brightwell Music Scholarship and Loan Fund. A letter concerning the reading courses available to clubwomen through Epsilon Sigma Omicron, from the district chairman of ESO, was read to the members.

SOCIETY AND CLUBS AND NEWS OF INTEREST TO WOMEN

Mrs. Melvin Sandler was elected to active membership in the Delphian Club, and Mrs. G. V. Cunningham was elected to associate membership.

Mrs. J. V. Heyser, Sr., gave the delegate's report of the district convention held in Brownwood this week. As the highlight of her report, she displayed two award scrolls presented to the club at the convention; a 100 percent scroll, and a first place scroll for the Delphian Press Scrapbook. The federation counselor, Mrs. B. S. Huey, supplemented Mrs. Heyser's report and urged Delphian members to participate in even more federation activities during the coming club year.

Mrs. Eugene Lankford announced the Flower Show to be held in the Reynolds building Saturday by the Cisco Garden Club. Members were invited and urged to attend the Flower Show as an expression of their appreciation of the work that the Garden Club does toward the beautification of the town.

The club unanimously adopted a resolution to the effect, that, both as individuals and as a group, the Cisco Delphian Study Club would give full support and cooperation to city authorities in the coming citywide cleanup campaign.

This resolution was made and voted upon after a talk by the club's civic affairs chairman, Mrs. A. J. Olson.

The program leader for the day announced the topic — Education and Participation, the Strength of Democracy — and presented Mrs. Arlin Bint as the speaker.

Mrs. Bint used as her subject, "Education, the Heritage of American Youth." She stressed the fact that the public school is the people's school and pointed out that the school is a free and unifying force which unites children of all backgrounds to become an equalizer for all children — the hope of the future.

She told how the schools began in America with the passage of a law in Massachusetts Colony in the year 1642; how they have grown to the system we have now from those first requirements that all children be taught reading and writing.

Mrs. Bint pointed out that education is a combination of three forces or influences in the child's life. The home, the Church, and the school all are needed for a well rounded education, the home because it is the primary force in the child's development; the Church because it is the fundamental ingredient of Democracy, upon whose spiritual values our nation was founded; and the school because it develops the mentality of the child.

A discussion of Texas schools was included in Mrs. Bint's talk.

Mr. and Mrs. L. E. Griffin were visitors in Albany Thursday.

Lutheran School Club Has Monthly Meeting

The monthly meeting of Grace Lutheran School Club was held Thursday evening at the school with the president, Mrs. Ernest Reich, presiding.

Mrs. Alex Zander acted as secretary in the absence of Mrs. Charles Spears. A report was given on the purchase of encyclopedias for the school and May 12 was set as the date for the field trip. Other routine business matters were transacted.

A panel discussion on "Emotional Development of the Child," was held with Mrs. Ernest Reich as the moderator. Those participating in the discussion were Mrs. Paul Weiser, Park Plambeck, and Mrs. Dorothy Prange.

The meeting closed with prayer by Paul Knauft after which Mrs. M. J. Scaer and Mrs. Ed Wende served refreshments to the group.

Those attending were Mr. and Mrs. Park Plambeck, Mr. and Mrs. Johnnie Gerhardt, Mr. and Mrs. O. J. Weiser, Mrs. Willie Langford, Mrs. Jerome McCarthy, Mrs. Alex Zander, Mrs. R. H. Cutting, Mrs. Paul Weiser Mrs. M. J. Scaer, Mrs. Dorothy Prange, Mrs. Ed Wende, Mrs. Ernest Reich, Mrs. A. O. Lenz, Mrs. Wilona Lanham, Mrs. A. M. Stroebel, and Paul Knauft.

NOTICE

We have added a T-V Service Department to our store and are prepared to give you fast and efficient service on any make T-V Set. We were fortunate in obtaining the services of Mr. Glenn Henson, who is a finished technician. He is thoroughly qualified and authorized to service any set, and has all necessary testing equipment to do a thorough job. All work strictly guaranteed.

Begins Friday, April 9 Extends Through May 1

STOP AND THINK

Your COMMUNITY The VOLUNTARY

Depends On the Welfare of Your Health

Way Is the American Way of Life

SAFEGUARD

The HEALTH

Of Your Community. Act Now Tomorrow May Be Too Late!

This Plan is Non-Cancellable and Renewable For Life!

The policy owner under this plan, controls the contract. The continuation of the insurance is at his and not the company's option. He and only he, says when it starts and when it stops.

PLEASE NOTE!

Our Enrollment Officers do no work like salesmen. They are expected to make one thorough explanation of your "Community Health Plan" and assist to enroll you if you can qualify. Please do not ask him to call back, as this only deprives some other family in your county of the opportunity of enrolling in the plan. Your cooperation in this will be appreciated. THANK YOU.

Be sure the plan you buy has the Non-Cancellable clause. Insist the salesman show you the Non-Cancellable clause in the policy.

IT IS WISE TO BUY FROM YOUR LOCAL AGENT

Why drive a "down payment"? Trade now for a new FORD TRIPLE ECONOMY TRUCK

Now! Get Gas-Saving, Low-Friction, High-Compression, Overhead-Valve, Deep-Bleck Engines in ALL models! 115 to 170 h.p.! V-8's and Six! Only in FORD Trucks!

Now! Get new Driverized Cabs, and time-saving controls like new Power Steering, new Power Brakes, Fordomatic Drive!

Now! Get top payload capacities. Over 220 models including new tandem-axle giants, factory-built by Ford!

Now, you get a gas-saving LOW-FRICTION engine in any Ford Truck model you choose. For the power they develop, new Ford Truck engines have less cubic inch displacement than other-make engines. Smaller-displacement engines normally need less gas! New controls like Power Brakes for 1/2-tonners, Power Steering, Fordomatic Drive, repay low extra cost in faster, easier handling. Why drive a "down payment"? Trade now for a BIG allowance!

COME IN TODAY! get more truck for your money!

Now over 220 Ford Truck models! From Pickups to new 60,000-lb. GCW tandem-axle Big Jons. New 55,000-lb. GCW Cab Forward models for 35-ft. trailers. Now more than ever, Ford offers the one right truck for your job!

[Only Ford brings you savings in all 3!]

### Mrs. Cy Ainsworth Is Hostess For Circle

Mrs. Cy Ainsworth was hostess in her home Tuesday, April 6, when the Josephine Holmes Circle of the East Cisco Baptist Church met for their regular meeting.

Mrs. Roy Marcontell, chairman, called the meeting to order and Mrs. J. E. Stephens led in opening prayer. Routine business was transacted and the meeting closed with prayer by Mrs. C. R. Hightower.

Those attending the meeting were Mesdames C. R. Hightower, A. W. White, Roy Marcontell, George Pruet, J. E. Stephens, Cy Ainsworth, a new member, Mrs. Bill Durham, and two visitors, Mrs. R. I. Greer and Mrs. Carlton Holder.

### Look at it This Way —

... if the seller convinces the buyer that he has and no abstract is necessary then the buyer is entitled to a reduction in the sale's price for a sum equal to the abstract's cost. For the abstract is considered by owners everywhere as being as much a part of the sale as are the land and improvements. Better abstract. No real estate transaction is complete without it.

EARL BENDER & COMPANY  
Eastland, (Abstracting since 1923)
