PowerFlite, Power Brakes and Power Steering each available at low extra cost.

new PowerFlite transmission with new PowerFlow engine

PowerFlite, the newest, smoothest fully automatic no-clutch transmission in the low-price field, combined with the great new PowerFlow engine, gives you flashing acceleration with no lurch or lag. The PowerFlow engine's new 110 horsepower gives you ample reserve power for any driving need.

new Power Brakes

You get quick, smooth, straight-line stops with only half the usual pedal pressure! New Power Braking works with Plymouth's famous Safe-Guard hydraulic brakes which have two brake cylinders in each front wheel, where competing low-price cars have but one.

full-time Power Steering

Plymouth's Power Steering works full-time, not "on again-off again." It soaks up road shocks, eliminates "wheel fight," gives you more precise control on rough, bumpy roads or in deep sand or mud. And Plymouth's Power Steering lets you park with one-fifth the normal effort!

A PHILLIPS EXCLUSIVE—the super aviation gasoline component Di-isopropyl (pronounced di-iso-pro-pull) now available to you in

Phillips 66 FLITE-FUEL is a new, smoother, more powerful gasoline made possible by the use of high performance aviation fuel

components. Phillips originated Di-isopropyl and HF Alkylate-so valuable to smooth motor performance that, until recently, their use was restricted by the U.S. Government to high performance aviation gasoline. Now military authorities have released these restrictions, and Phillips can give their customers the benefits. New Phillips 66 FLITE- Fuel provides increased power, smoother acceleration, higher anti-knock performance, greater fuel economy and freedom from stalling, along with Phillips 66 Controlled Volatility and the clean burning qualities for which Phillips 66 Gasoline is

Only Phillips 66 FLITE-FUEL contains Diisopropyl. Get this powerful new gasoline today at stations where you see the orange and black Phillips 66 Shield.

Conoco <u>Super</u> Gasoline with <u>TCP</u>

The Greatest Gasoline Development in 31 Years

- 1. TCP will boost your car's power as much as 15%.
- 2. TCP will give you increased mileage (motorists tell us up to 3 more miles to the gallon!).
- 3. TCP will increase your spark-plug life up to 150%.
- 4. TCP is just like an engine tune-up (because it permits you to enjoy all the power that was built into your car).
- 5. YOU should feel the difference in car performance after just two tankfuls.
- 6. MILLIONS of motorists have proved TCP in their cars (and they're staying with it!).

But don't take our word for it just ask any motorist who has switched to
