Baccalaureate To Be On Wednesday

Graduation week opened Mon-day for all units of the city school system and Cisco Junior Baccalaureate services College. for the high school and commencement for the college and high school and promotion ceremonies for the junior high school will climax a busy week's sched-

Senior students of Cisco High School returned Sunday after enioving their annual Senior Day, A trip to New Braunfels and San Antonio.

Tuesday night at the First Methodist Church the graduates of Cisco Junior College were to receive diplomas at commencement exercises scheduled for 8 p. m. The Rev. Sidney Spain, pastor of the First Christian Church was to bring the message.

Wednesday night at the high school auditorium baccalaureate services for graduates of Cisco High School will be held. The services will be held at 8 p. m. The Rev. H. Grady James will deliver the baccalaureate address before the more than 50 graduates of the school.

Norma Schaefer will play the processional and Dr. H. M. Ward, pastor of the First Baptist Church will say the invocation. The audience will sing "Holy, Holy, Holy," with H. E. Wagner as the leader. The Rev. D. M. Duke. pastor of the Church of the Nazarene, will give the scripture reading, and the Cisco High School choir will sing special numbers.

Following the choir numbers Rev. James will give the baccalaureate address. The Rev. P. C. Bradley, pastor of the East Cisco Baptist Church, will say the benediction, and Miss Schaefer will play the recessional as the members of the graduating class loave the auditorium.

Seniors at the school were busy At the end of three weeks of | Johnny Choate of the Braves completing their year's work, and inal examinations were bein given. Finals for the other three grades will begin Wednesday. Commencement exercises will be letics was in second place with held at the high school auditorium The Cards were in second place five for 11, an average of .455. Friday night with Dr. Rupert N. with a 4-2 record and the Giants Johnny Baum of the Braves and Richardson of Hardin-Simmons for the picnic and the club will Knight, release of deed of trust. were third with a 2-4 record. The Ralph Adams, also of the Braves, University making the commencement talk. School will officially close Friday afternoon, but the Johnny Choate and Delbert students will return Monday for Schaefer of the Cardinals were their report cards. Thursday night promotion exwins against no losses. ercises will be held for junior high school students at the junior and team standing not including high school auditorium. At the Thursday night services some 83 Batting eight grade students will receive a.b. hits pct. promotion certificates. The Rev. 15 .521 H. Grady James will be the .455 11 speaker for the occasion. Princi-12 .417 pal C. B. Midkiff will present the 17 .412 class to V. C. Overall, principal 17 .412 of Cisco High School, who will 400 receive them into high school.

Tomatoes Should Always Be Mulched to Keep Weeds Down and the Soil Moist.

While sunshine is a vital need helps conserve the moisture

for all plants, shade over their roots is beneficial to most. Trees and shrubs take care of this, but cultivated crops in the home experimented with. But tests by the Ohio state experiment stagarden may not do so.

garden may not do so. So mulches to cover the soil, which have been used for thou-sands of years, are now being ad-vocated by research men for more purposes than ever, the latest being to prevent erosion from the fall of rain drops. All of us would like to have enough straw to put a layer of

enough straw to put a layer of structure of soils and prevent three or four inches over the surface compaction. garden to prevent this. But, oft-

Waste lumber is used by some en, we can't get the straw or it costs too much. But, we can take the mowings from around the boards when planting the garden, edge of the garden and put them and walking on them rather than between the rows. Later the lawn the soil, the ground is kept between the rows. Later the lawn clippings can be spread out be-tween the rows. An hour or so spent with a hand sickle cutting down weeds and spreading them in the rows will pay handsomely. the soil, the ground is kept loose, and by shifting the boards between rows, weeds can be killed without hoeing. Excellent results can be ob-tained from a heavy mulch of

Men who have gardened for dry lawn clippings, applied a years, but who were not taught to use mulches continuously, ex-tion should be well mixed with press surprise at what a wonder- the top soil; and then it may be ful help they have at last found. built up to several inches in It prevents the raindrop erosion thickness, so that weeds are by intercepting the raindrops and kept down and evaporation leads the water down to the soil checked, but at the same time gently. It keeps the weeds down rains are allowed to penetrate wers the soil temperature the soil. Tomatoes especially like in the hot summer days and a mulch of this kind.

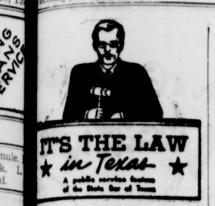

And All Plants Enjoy It

LARGE SIZE INVITATION-The big parasol with a span of 100 inches features scenes of Berlin, where it was made, and famous buildings. It is now on a journey throughout West Germany and Switzerland to invite travelers to visit Berlin. The parasol is made of cream-colored silk and the scenes were hand-painted by artists in Berlin to make it more attractive.

HELPING HANDS-Before he left for New York and his concert at Madison Square Garden, popular pianist Liberace helped his mother get settled in their new home in Sherman Oaks, Calif. A musical motif has been followed throughout the house, and even the swimming pool is shaped like a piano.

FULL APPROVAL-Artist Joe Jones is studying a summer dress fashioned from one of the prints he designed for a collection in New York. This one features rather skinny giraffes and horses which prance around in a dark background. The sleeveless, white-collared dress was designed by Bob Low.
