He was already known in Texas because of "Toolpusher from Snyder." His latest record is "The Starlight Waltz." His recordings have passed the 7,000,000 mark in sales.

Slim says, "Out of my 34 years, I've had about four good ones; I haven't got used to it yet." The turning point in his career, he declares, came when, after serving in the Army, he studied journalism at Hardin-Simmons University and learned that "a writer should write about things that he knows about." After graduating from Hardin-Simmons, he took a job as advertising salesman for Radio Station KRBC in Abilene and became a successful Western disc jockey. He was born in Desdemona during the great oil boom.

General Berry To Head March Of Dimes Program

Major General Kearie L. Berry, Adjutant General of Texas and Commanding General of the Texas National Guard, has accepted the State Chairmanship of the 1955 March of Dimes in Texas.

In accepting the post General Berry said: "Having been a prisoner of war for 40 months, I have some idea of the feelings of people who are prisoners of an iron lung. It took an all-out war to get myself and the others released—so let's mount an all-out attack against polio."

Robert J. Smith of Dallas, volunteer state director of the March of Dimes campaigns in 1953 and 1954, praised the acceptance of General Berry of the annual fund raising campaign. "Although we made great progress in Texas during those two years in which I was privileged to lead the campaigns, I anticipate even greater advances in 1955. In General Berry you have a man who, by his everyday work, is interested in the well-being and safety of Texans. I wish him every success and stand ready to assist him in every way possible."

With the polio incidence in Texas rising to a figure almost double the 1953 total for this time, General Berry feels that early organization for the coming campaign is most important. "We must plan, we must practice, we must smooth every rough edge so that when we set the March of Dimes into motion we will be certain that it will be one of the greatest," he stated. "Even though the National Foundation is on the right track, we can't let ourselves become overconfident. Fighting polio is worse than fighting a war—we can't see our enemy."

Holder of the Combat Infantry Badge, the Distinguished Service Medal, the Silver Star and the Purple Heart, General Berry served with distinction as commander of the 1st Division of the Philippine Army in the Pacific Theater. With the fall of Bataan he was made prisoner of war and was held in camps in Luzon, Formosa, Kyushu and Manchuria. Returning to the United States in October 1945, following his release, he served in various posts until his retirement from active service on June 30, 1947.

Appointed Adjutant General of Texas in May 1947, he was reappointed in 1949, 1951 and 1953. As Commanding General of the Texas Commanding General of Texas Army activities for many thousands of servicemen on a year-round program.

Final Rites For A. C. Westerman Set For Sunday

Alton Cleo Westerman, 47 year old retired farmer who had lived in the Cisco area most of his life, died at his home at 304 Ave. H. at 4 a. m. Saturday after a short illness.

Funeral services will be held at 2:30 p. m. Sunday at the Rising Star Methodist Church with the Rev. M. L. Agnew, pastor of the Okra Baptist Church, directing the rites. He will be assisted by the Rev. Earl G. Harper of Rising Star.

Burial will be in the Rising Star Cemetery under the direction of Thomas Funeral Home.

Mr. Westerman was born in Sabanno, Eastland County, on September 15, 1906. On March 8, 1924, he was married to Miss Mamie Harrelson in Nimrod. They lived there for several years and moved to Cisco where they lived for a number of years.

He is survived by his wife of San Angelo; three sons, C. J. Westerman of San Antonio and Benny Westerman and Wilbert Westerman of San Angelo; four daughters, Mrs. B. M. Park, Mrs. Gail Harding, Mrs. Bobby Van Huss and Janie Westerman, all of San Angelo; his parents, Mr. and Mrs. Ben H. Westerman of Cisco; a brother, L. D. Westerman of Rising Star; three sisters, Mrs. F. S. Sharp, and Mrs. H. G. Johnson, both of Cisco and Mrs. B. R. Graves of Dallas, and three grandchildren.

Entrants under 21 require a parent's signature on their cards. All must be certified as physically fit to take Red Cross swimming instructions, by a physician. In discussing this examination with local physicians, Dr. Jim Lawrence suggested that prospective swimmers contact him Tuesday or Wednesday after one-thirty p. m. Dr. Ervin E. Addy, Jr., preferred that those contacting him call on Tuesdays, Wednesdays or Saturdays. Dr. D. Ball said that any regular office hours suited him.

While there is no charge for Red Cross swimming instruction, regular swimming pool admission charges will be made. This will help defray costs of the program. Since the pool management has no idea about how many applicants for swimming instruction will enroll, or the degree of swimming skill of enrollees, no definite time or size of classes can be set now. As soon as classes are set up and hours scheduled, names, classes and time for meeting will be published in the Daily Press.

Classes Sponsored By Red Cross And American Legion

Final arrangements for the beginning of a Red Cross swimming and lifesaving instruction program have been completed, and Monday was set as the beginning date for registration for the classes, it was reported Saturday by officers of the local American Legion post, operators of the Lake Cisco swimming pool, who will sponsor the program.

Official entry blanks have been printed and are ready for residents of the Cisco area who wish to enroll in the classes. Plans call for the offering of courses in beginner, intermediate and advanced swimming, and the adding of a lifesaving course later in the season.

All of these official Red Cross classes will be taught by pool lifeguard Frank Howeth, who recently completed the Water Safety Instructor course at Texas State College For Women at Denton, through courtesy of the Eastland County Red Cross.

The swimming program is sanctioned by the Eastland County Red Cross. County Red Cross president is Cisco attorney W. B. Wright. J. W. Sitton is county Water Safety Chairman.

Official blanks are available at the swimming pool office, the Daily Press, the First National Bank and the Cisco Chamber of Commerce. Completed entries should be left at the swimming pool office. Children under school age are ineligible for swim classes.

MITCHAM AND CAUDLE RANCHES TAKE CHAMPIONSHIP IN SHOW

Jeep Mitcham and T. G. Caudle took the grand championship ribbons in the creep-fed registered beef calf show held at the Cisco show barn Friday. Mitcham took the championship in the heifer division with his pen of three calves and Caudle took the championship in the bull calf division with his entry of three calves.

J. W. Sitton took a first place ribbon in the Angus division with his pen of three heifers. Mitcham took a first in the Hereford heifer division and Caudle took a first in the Hereford bull calf division.

The show drew 45 animals from 15 area ranches, and was termed a success by Cisco Livestock Show Association, sponsors of the show.

Winning places in the various divisions were the following:
Angus Heifers — first, J. W. Sitton of Cisco.
Hereford heifers — first, Jeep Mitcham, Cisco; second, T. G. Caudle, Cisco; third, Ed Huestis, Cisco; fourth, A. V. Clark, Cisco, and fifth, Garland Pharr of Cisco.
Hereford bulls — first, T. G. Caudle, Cisco; second, Jeep Mitcham, Cisco; third, Ed Harrison, Gorman; fourth, Bill Mitcham, Cisco; fifth, A. V. Clark, Cisco; sixth, C. B. Pruett, Ranger, and seventh, Dr. D. V. Rodgers, Gorman.
Mrs. N. A. and H. C. Brown entered a mixed pen of Angus that was not eligible for judging, and Joe Coats entered a mixed pen of Herefords not eligible for competition.

The calves entered were direct from the range and were not put in the usual show condition. The plan was to make the show as practical as possible, to show the public the quality of beef cattle growing on area ranges.

When a lawyer saves a client from trouble or financial difficulty, the client knows only that he has been charged for "advice" — a commodity oftentimes too freely given by us all. Often overlooked is the study, work, and time the attorney has spent in order that he be in a position to give advice that can be relied upon.

First, a practicing lawyer must have had six or seven years of academic education. In Texas this means at least three years of college work and three years in a recognized law school. Because the community at large has an interest in the qualifications and conduct of members of the bar, these minimum educational requirements must be met before examination for admission to the bar may be taken.

During the three years of formal legal education, the law student attempts to read, digest, reconcile and understand from 10,000 to 20,000 separate cases, statutes, and monographs. He must draw from these an understanding of basic legal principles, of processes of legal reasoning, of methods of fact and legal investigation, and of court procedures which bring relief to clients.

From the standpoint of court proceedings, the community then expects the work of a lawyer to be a prompt and efficient trial of their causes at a fair cost. From a counselling standpoint, it expects reasonable promptness and efficiency with, above all, the utmost of sound judgment.

and rules of statute or decision are involved in even the simplest situation. Too, the problems raised by various clients, like fingerprints, are never exactly the same.

After searching his memory, the lawyer will usually check the pertinent rules and precedents. These are found in an ever-increasing volume of statutes with which modern legislation seeks to regulate many aspects of our life, and in the decisions of the courts, boards and bureaus.

Almost every problem presented to a lawyer requires research in the statutes and law books before a proper answer can be given. Therefore, you will not receive an immediate answer to your problem from your lawyer, unless it is of the most elemental type. Your lawyer should, and you should give him time to, form his opinions from the authoritative statutes and decisions.

Bathing Revue -- From Page One

ties show will be presented again. The three-day program will be climaxed by a giant fireworks display at 9 p. m. Monday.

Mr. and Mrs. Mel Sandler, directors of the revue and variety show, gave the following statement in reference to the program:

"The 4th of July program this year we hope will be the biggest and best Cisco has ever seen. The cooperation of all the people in the show has been exceptional.

"Cisco should be proud of its teenage group, and the enthusiasm they have shown for their home town. The leadership and fellowship we have found with this group has been outstanding. Not only have they shown a willingness to work, but a true desire to be organized and have formed their club. With the assistance and backing of the people of Cisco they can go far."

All members of the American Legion committees joined in their thanks for the fine spirit of cooperation in helping with the shows.

SOCIETY AND CLUBS AND NEWS OF INTEREST TO WOMEN

MRS. JIM LAWSON WEBB

GENEVA BINT AND JIM WEBB WED IN CHURCH RITES HERE ON JUNE 22

Miss Geneva Bint, daughter of Mr. and Mrs. Arlin Bint of Cisco, became the bride of Jim Lawson Webb, son of Mr. and Mrs. Clovis Webb of Cisco, in a double ring ceremony performed Tuesday evening, June 22, at the First Baptist Church in Cisco with the Rev. H. M. Ward officiating.

The church was decorated with baskets of white gladiolus with a background of greenery and white candles in silver candelabra. Pews were marked with white satin ribbon and greenery.

The bride was given in marriage by her father. She wore a gown of white satin with an overskirt of tulle and chapel length train. The fitted lace jacket was fashioned with a low scalloped neckline and long pointed sleeves. Her fingertip veil of tulle fell from a coronet of seed pearls and lace. She carried a bouquet of white Fluer de Amour and a white orchid.

For the traditional something old, the bride carried a handmade handkerchief belonging to her grandmother. She wore a pearl necklace, a gift from the groom, for something new; pearl earrings belonging to Mrs. Wad-

dell Rains, cousin of the bride, for something borrowed; a blue garter and a penny in her shoe.

Miss Carolyn Bint, sister of the bride, was maid of honor and Mrs. Gerald Davis of Abilene was matron of honor. Bridesmaids were Beulah Weiser and Arlene Bint, both of Cisco. They wore identical waltz length dresses of ice blue organdy over taffeta with a blue headdress and blue linen shoes. They carried sprays of pink asters.

Gerald Bint of Cisco was best man and Homer Taylor of Putnam, Daniel Gray of Cisco, and Bill Webb of Grand Prairie were ushers.

Marita Webb and Shirley Bint lighted the candles. They wore

dresses of ice blue organdy with wristlets of pink carnations. Sammy Webb was ringbearer.

Miss Rhelda Jo Reed played the wedding music on the organ and accompanied Bob Latson who sang "Because" and "The Lord's Prayer."

A reception was held following the ceremony at the home of the bride's parents. The couple were assisted in receiving by their mothers and their attendants.

The bride's table was laid with a white lace cloth over blue centered with the wedding cake and bouquets of the attendants with blue candles in silver holders on either side. The hearth in the living room held an arrangement of blue asters.

The bride chose a black and white summer cotton dress, fashioned with a short bolero jacket with white accessories and a white orchid corsage, for traveling. Following a wedding trip to Colorado, the couple will be at home in Abilene where the bride is employed by The Texas Company and the groom, a student at Howard Payne in Brownwood, will enter Hardin-Simmons University in the fall.
