Welcome to Cisco and to Altmans - Cisco

Only in exceptionally important instances must contracts be entered into with any degree of formality. In the usual case the simple requisites of a binding contract may be completed in the most informal manner.

Probably most of the contracts in force today are merely spoken agreements. Many contracts are created by informal letters written by persons to one another. Many are made over the telephone, as when you call up a store and they agree to deliver some goods you order. Much of the world's grain supply is bought and sold, in the first instance, merely by hand signals in the great Pit in Chicago.

If the contract is of importance, money or vital services, it is a writing to minimize the possi bilities of fraud and misunderstanding. Details of oral under misinterpreted, but written con

Certain kinds of contracts, such as those involving the sale of real estate or the lease of real estate for more than a year, will not be enforced in the courts unless written. In the same category are contracts wherein one person undertakes to stand good for the debt of another and those which are not to be performed within one year from the date or

"Are you ambitious for your children, too?

Then, listen," says Mrs. Mary Callon,

of Indianapolis, Indiana

"I've been a working widow since the children were eight," Mary Callon says. "Only through Payroll Savings could I have saved the money that sent them to college."

You can send your child to college, just as Mary Callon did, A sure way is to begin saving today on the Payroll Savings

It works because it makes you save. Here's how simple it is: You decide how much you'd like to save out of every pay. Go to the payroll office where you work and sign to save that amount every payday. The sum is then automatically saved out before you draw your pay. You can sign up to save any Series E Bonds, delivered to you.

Then your savings really grow. For every Savings Bond earns more money—at an average of 3% interest per year, com-

pounded semiannually, when held to maturity. How about it? For your sake, and your family's sake, will you sign up for Payroll Savings-today?
