YOU CAN BET that the Cisco Post of the American Legion i proud of what happened at Fort orth last weekend. Their Mr. E. L. (Stonewall) Jackson was elected to the highest position in American Legion in Texasstate commander. And this is a very considerable honor for any Legion Post or any city.

A STATE OR National Legion Convention is patterned after a national political convention. For country fellows like us, it's interesting to attend one. The Legion has divided the state into 22 districts, and the 22 districts are included in five divisions. Cisco had the support of the 17th disct and the other districts in the fifth division to start with.

The Jackson campaign handled by three or four fifth division men. A suite of rooms at the Texas Hotel was the campaign headquarters. The job was to win enough support from the other four divisions to win.

Three other candidates were in the race - three men from the larger cities of Houston, Beau-mont and Fort Worth.

When the voting began, Mr Jackson was the top man, leading the Fort Worth candidate by about 100 votes. A run-off was then held between the Fort Worth and Cisco Legionnaires The ifnal count favored the Cisman by a majority of about

A GOOD MANY Cisco Legion members were present to help with the campaign. Mr. Gene Abbott, the Post Commander, was in charge of the Cisco delegation. Mr. Ray Judia and Mr. Stanley Webb contributed a great eal to the campaign through enertainment. Ray played the ano and Stanley sang before sessions opened in the conven-tion hall. H. V. He will head the Texas delegation to the National Legion Convention. Other trips likely include Indianapolis, Indiana, national Legion headquarters, and Washington, D. C. # To THE VOTERS

AND CITIZENS OF EASTLAND COUNTY

First I want to apologize to the good people of Eastland County, and say I do not like dirty, mud slinging, politics of any kind. There has been so much during the last minute of the first primary, that I am going to have to reply to it. In regard to a letter mailed at Ranger, Texas, July 22nd 1954 at 7:00 o'clock P. M. I wish to make this reply, Oscar Gage, Plaintiff vs. J. F. Tucker, Flon Reaves and Maryland Casualty Company Defendants. This case I want to explain to the citizens of Eastland County, which is known as the Oscar Gage case which was a civil action, Oscar M. Gage was given a traffic ticket for passing in a no passing zone, to appear in Charles Bobo's Justice Court in Ranger, Texas on May 13th, 1951, signed T. Barrett, Highway Patrol. Oscar Gage went to Ranger to plead guilty before Charles Bobo, Justice Peace Court May 12th, 1951, was fined \$1.00 and Court Costs in the amount of \$11.00. Total \$12.00. Gage told Judge Bobo, he was going to lay out fine and costs. Judge Bobo told Gage he would have to call the Sheriff and Sheriff would have to take him to jail. Gage told Judge Bobo to give him the papers and he would go to jail at Eastland. Judge Bobo gave Gage the papers and Gage came to Eastland jail, rung the door bell and the Jailer opened the door and let him in, booked him and put him up stairs with six other prisioners, a short time after Gage was placed in jail the prisioners whipped him with a belt, a short time after the whipping the Jailer appeared on the scene and Gage decided he wanted to pay the fine and court costs and be released, the Jailer told Gage that they would go into the office, and then Gage said to the Jailer, the boys had whipped him, the Jailer told Gage he could not release him until he called the Prosecuting Attorney, Elzo Been. Judge Been went to the jail, told Gage he would prosecute any of the boys he wanted him to. Gage refused to make any complaints. Gage came to jail, was whipped, paid fine and costs and released before Sheriff Frank Tucker knew anything about his being in jail. This case was investigated by the Grand Jury, twelve of Eastland County Citizens. They found nothing wrong. Gage would not file his case in the 91st District Court of Eastland County. In order to get his case in the District Court of the United States he had to move out of the state of Texas to be a non resident of Texas before he could file his case in the District Court of the United States. He claimed to be a resident of the state of Oklahoma. He sued for the sum of \$9001.15 damage and got through a jury \$250.00 damages, which was paid by Elon Reaves, Nov. 10th, 1953. It did not cost Sheriff Frank Tucker one cent. I have a bond for \$1000.00 on all of my deputies.

My opponent, J. B. Williams says the Sheriff's Office must provide such strong, virile and efficient protection

that criminals won't dare operate in this area. He's got to be strong and firm even a bit rough when necessary in handling bootleggers, racketeers, gamblers, dopepedlers and all other criminals and law violators to let them know in no uncertain terms the Sheriff and the citizens of Eastland County means business. Jan. 1st, 1951 when your present Sheriff Frank Tucker took office there were plenty of bootleggers and all sorts of criminals, and they did not seem to be very bad scared of Eastland County, all you good citizens who live in Eastland County know there were plenty of them here in Eastland County, and they did not seem to be very scared. My opponent J. B. Williams has said so much about honesty, efficiency and capable Sheriff's force. I believe that should be left to the good citizens of Eastland County to decide for themselves. Your present Sheriff Frank Tucker is going to give to the good citizens of Eastland County some of my record of the office force, Frank Tucker, Tom Haley, Office Deputy, Elon Reaves, Jailer, Joe Faircloth, field Deputy from Jan. 1st 1951 to May 1st 1952, Lester Threet, field Deputy, from May 1st, 1952 to Feb. 1st, 1953, Lee Horn, field Deputy, from Feb. 1st 1953 to present time. These are the deputies used by J. B. Williams, Sheriff from Jan. 1st 1947 to Dec. 31st 1950, as listed by the County Clerks record of Eastland County, C. B. Graham, Vol. 8. This Horace Walker was deputy for my opponent, J. B. Williams, as shown by the County Clerks records of Eastland County. You good people, citizens and voters of Eastland County decide for yourself when you go to the polls Aug. 28th,

Due to the heavy work that I have encountered for the past few weeks, it will be impossible to see each of you. I want to take this opportunity to thank each and all of you for your past support and influence, and I certainly will thank you for your further support and influence during this run off campaign ending Aug. 28th, 1954. Kindest personal regards for you and all
