The Gay Philosopher

By J. W. S.

LONG ABOUT 7:15 p. m. on any day, door bells will start ringing or there will be knocks on the doors of many Cisco homes. You will be greeted, when you answer by one or two members of the Lions Club.

Members will have big bags in their hands — bags full of electric globes. You'll pay the sum for a bag full and you'll be getting a big bargain. What is it? Lions Club members will be earning some money for use in community service work.

On the lookout for the Lions Club members with their big bags in their hands every night. Dr. C. E. Paul is hammer-rod of the sale, and will call at his house about 7 p. m. for their supplies. Was he Paul residence the other night and bags of light globes were used everywhere.

On Charles S. Sandler of the Lumber and Supply work with the club committee in buying the supplies.

SANDLER showed us the Sandler Manufacturing Co. the other afternoon. As you know, the company was organized in January last to make tanks, oil tanks, water tanks, electric switches and other items.

The tank business is growing. Sandler and Mr. Lawrence are encouraged with prospects to date. You may have noticed that they're adding to the plant. An addition of about 75 feet is now going up.

While workmen build tanks in the middle of the construction, you'll be glad to know about progress of this adventure. The plant shows what local initiative can do.

HERE'S SOMETHING else new down at the Cisco. It's The BOP Shop. Mr. Mel Sandler has just opened a new department to sell phonograph records, music and the like. And he gave the department the name of BOP Shop.

It will interest you to know that this is the only phonograph shop in several counties surrounding Cisco. They will have all of the latest records in music. To make ready, they have special shelving, a couple private rooms where you can listen to records before buying them, and an asset to our town.

THE BIRTHDAY Calendar on wall shows that you can wish for birthdays to a number of persons this week, including: Sept. 29 — Mrs. Delmer Johnson.

Sept. 30 — Jack Whitehead.
Sept. 31 — Rev. Grady James
Mrs. John Shertzer.

Oct. 1 — Elizabeth Ann Wallace.

Oct. 2 — A. R. Westfall, Sr.
Oct. 3 — Mrs. Bob Hammett.
Oct. 4 — Ben Tabor (Houston) and Nixie Gregory (Abilene). Both formerly lived here.

Oct. 7, and Mrs. W. P. Guinn will have a wedding anniversary September 1.

TRIP DOWN south as far as Falcon Dam in the valley was made by the Truly Carters last early. The Bob Latsons home after a vacation down the river. Mr. W. D. Pierce of Spang Company found a play belonging to some young man — has a huge blue stone — he left it at The Press office the loser may pick same up. There's a new double garage set up at the Bill Gattis farm near Scranton way.

R. ROBERT TIFFANY, who speaks at the First Presbyterian Church at 11 a. m. this Sunday is widely known in this area.

He resides at Abilene and is in the insurance business. An elder in the Presbyterian church over there, he is in demand as a speaker. Mr. and Mrs. Tiffany make frequent appearances on musical programs.

Good many Ciscoans will remember Mr. Tiffany for his program at the Rotary Club. He is secretary for the West Texas Oil & Gas Association.

Mr. and Mrs. Dan King and their daughter, Barbara, of Fort Worth are visiting in the Sam B. and King homes in Cisco and the C. T. Kings of Scranton.

Mr. and Mrs. Charles Spears and children of Sherman are visiting in the home of his mother, Mrs. Alex Spears.

MAKE-BELIEVE LAND—Walt Disney, with gun in hand, halts a stagecoach full of smiling children in the Frontier Land realm of Disneyland in Orange County, Calif. When completed in 1955, the amusement and educational center will cost an estimated \$9,000,000.

GOOD HUNTING PREDICTED FOR DOVE SEASON OPENING SEPT. 1

AUSTIN, Aug. 28. — Opening of the north zone mourning dove season at noon Wednesday, Sept. 1, marks what could be one of the best shoots in recent years, according to the Executive Secretary of the Game and Fish Commission.

He said the showers that preceded the opener restored water tanks in many parts of the state at a time when the early migration of the fleet birds was underway.

"Reports from scattered areas," said the Executive Secretary, "indicate there are plenty of native birds and that thousands of others have moved into the state enroute to their wintering grounds in Mexico and Central America."

"The problem is to have enough feed and water to hold them in Texas. Feed seems to be adequate in most places and the available water has been increased by moderate to heavy rains."

The Executive Secretary pointed out that roughly three-fourths of Texas will open to mourning dove hunting at noon Wednesday. The North Zone season runs to October 10. The South Zone season prevails from noon October 1 through November 9.

The North Zone comprises Val Verde, Kinney, Uvalde, Medina, Bexar, Comal, Hays, Travis, Williamson, Milam, Robertson, Leon, Houston, Cherokee, Nacogdoches, and Shelby Counties and all counties north and west thereof.

The Executive Secretary said the best time to hunt mourning doves is late in the day when they are moving to and from feeding and watering areas. He said they "loaf" in the shade in the heat of the day and do not move about much.

He explained the favorite feed of mourning doves is grass seed, weed seed, and seed of domestic grain such as red top cane, hegari, or any kind of small grain.

The daily limit is ten doves. Possession limit is the same. Daily shooting ends at sunset. Shotgun must be plugged to three shots. Rifles are prohibited.

The Executive Secretary suggested hunters obtain landowner's permission before hunting on their premises and added that persons doubtful about legal provisions should see their local game warden.

Relatives Seek Help In Locating Former Resident

Relatives in Fort Worth have appealed for help in locating Edward Wayne Hayes, former Cisco boy, who disappeared after visiting his family there 17 days ago, according to a story in the Fort Worth Star-Telegram Saturday morning.

Hayes, son of Mrs. Eva Thames of Fort Worth and grandson of Mr. and Mrs. Ab Thames of Cisco, who had been working for an oil company in Monahan since early summer, returned to Fort Worth on August 9 to visit his wife and two months old baby, according to reports.

He left Fort Worth on August 11 to go to Midland where he was to report to the oil company's division office for assignment to a new job. Neither the family nor his company have heard from him since, it was reported.

Hayes is a native of Cisco and a graduate of Cisco High School where he was a member of the Lobo football team. He also attended Cisco Junior College. He spent some time in the armed forces.

Lutheran School Will Register Fall Classes

Registration at the Lutheran School at West 16th and Avenue E will begin Monday and continue through this week, it was reported Saturday. Plans call for the beginning of classes on Tuesday, Sept. 7.

Paul Bartels of Denver, Colo., has been employed as school principal and will be on hand Monday to aid with the registration. He is a graduate of River Forrest College.

Mr. and Mrs. Charles Spears and children of Sherman are visiting in the home of his mother, Mrs. Alex Spears.

Paving Work Due To Be Concluded On Local Streets

Property owners interested in paving during the current program should contact the City Hall in the near future, Mayor G. C. Rosenthal reported Saturday. More than 25 blocks of new pavement have been completed in the present program.

The Shawver Company of Dallas is the contractor for the work. Under the program, property owners have been paying for the work with the city cooperating to pave street intersections.

The contractor is about finished with present commitments, Mr. Rosenthal said. Anyone who would like to have paving work done while the firm is still here should contact the City Hall soon, he added.

It was understood that the company planned to maintain offices here for some time while doing paving work in Rising Star and Breckenridge.

Sunday visitors in the home of Mr. and Mrs. D. P. King are Mr. and Mrs. Dan King and little daughter of Fort Worth, Mr. and Mrs. Tom King and daughter of Abilene, Mr. and Mrs. Owen King and son of Abilene, Mr. and Mrs. Sam King and family and Mr. and Mrs. Jack King and daughter of Cisco, S/Sgt. and Mrs. Jas. King and daughter of Waco, Earl T. King of Houston, Mrs. C. T. Richardson, Jr., and children of Snyder and Mr. and Mrs. C. T. King of Scranton.

Mr. and Mrs. Bill Dobbins and son of LaPorte, Texas, have returned home following a visit in Cisco with his parents, Mr. and Mrs. I. D. Dobbins.

1,100 Students Are Expected As School Year Opens Monday

Approximately 1,100 Cisco grade and high school students will meet regular classes Monday as school opens for the 1954-55 term. The registration figure for the opening of the school term was expected to be higher than last year, school officials reported.

The term will begin with students meeting the regular schedule. Buses will make regular runs and the lunchroom program will be in operation on opening day.

Students will make all classes during the day where they will receive books and assignments. A teacher meeting was held Friday night and teachers and administrators completed plans

for the school opening. The meeting was attended by teachers of all public schools.

At the high school, driver education will be on the list of subjects for the first time in the history of the school. Assistant Coach Charles Williams will be in charge of that program. Also new to Cisco schools will be a school nurse. Mrs. Richard Donovan has been employed for that post. Physics will return to the list of subjects at the high school this year. Mrs. R. H. Cutting will be the instructor.

The high school and junior high school bands have been at work

Supt. Of Public Works Position Planned By City

The position of superintendent of public work, which will give one man the supervision of work in the water, sanitation and street departments, was created at a meeting of the City Commission last week, City Secretary Hal Lavery reported.

The Commission took the action in an effort to coordinate the work of the three departments for maximum efficiency, Mr. Lavery said. It was expected that the new position would be filled at an early meeting of the Commission.

Under the new plan, the field work of the three city departments will be directed by one supervisor. It was expected that several foremen would be responsible to the superintendent.

Mrs. Elkins Attends Comanche Services

Mrs. John Elkins has returned to Cisco from Comanche where she attended funeral services for her brother-in-law, Lucius F. Elkins, 84, who died there Sunday. Funeral services were held at 5 p. m. Monday. He had been a resident of Comanche County most of his life.

He was the father of Mrs. H. B. Allen of Waco, former Cisco resident, and the brother of Mrs. John Sherman and Mrs. Jess Sessions of Plainview, also former Cisco residents.

Jehovah's Witnesses To Hear Speaker

L. R. Carlyle of Fort Worth, Watchtower representative and Jehovah's Witness minister, will speak to the local congregation of the Tri-City area Sunday at 3 p. m. at Kingdom Hall of Jehovah's Witnesses in Eastland.

Everyone was invited to attend the lecture and Bible lesson. He will use as his topic, "Are You Ruled By Faith." Rev. Carlyle said that he would answer the question: "Is Our destiny sealed, or does each make his own choice?"

Connelllee Hotel Sale Completed

Dr. Claude L. Reeves of Oklahoma City, owner of the Victor Hotel in Cisco and a number of Oklahoma hotels, has purchased the Connellee Hotel in Eastland and will take over that property on September 1, The Press learned Saturday.

Dr. Reeves is buying the Connellee Hotel from Don Hill of Eastland for an undisclosed sum. He has owned the Victor Hotel here for several years.

The Connellee is Eastland's largest hotel. It contains some 80 rooms and several ground floor business locations, including a coffee shop.

Raby Miller, who is employed in Hondo and Boerne, is spending his vacation at home.

CERTIFICATES TO BE AWARDED SOON FOR RED CROSS CLASSES

By W. P. KNIGHT

Cisco's first American Red Cross swimming and life saving courses in a number of years ended recently with completion of the Junior and Senior Life Saving courses.

Life guards will receive cards which will not expire for 3 years, while certificates will be issued to those who successfully completed the Beginner or Intermediate swim courses. Those who completed swim or lifeguard records are listed below, from records furnished us.

Lobo athletes Freddy Hayes, Harold Phippen and Tommy Reynolds passed the Red Cross senior life saving course as did Bill and Maxine McCotter of Olden and Peggy McCormick of Cisco.

Junior Red Cross life saving graduates were Jay and Earl Kinnison and Sol Pullman, all from Eastland.

Graduates from the Intermediate Red Cross swimming course included: Linda Cheves, Camille Lee, Danny and Peggy McCormick, Danny Louder, and Mrs. A. D. Taylor, all of Cisco. Eastland graduates were Earl and Jay Kinnison, Hampton and Maxine Stamey and Gaila Walters.

Graduates of the beginner Red Cross swimming course were: Ervin Addy, Ann Brunkenhoefer, David Cheves, Glenda Hughes, Craig Meglasson, Robert and Roberta Mitchell, Joyce Reynolds, Dick Sander, Michael Sittin, Judy Kay Slaughter, Karen and David Robert Taylor, Ann Kay and Lee Wallace and Charlene Watson.

Other beginner graduates included: Cathy Abbott, Tommy Burroughs, Linda and Mike Burzenski, Richard Donovan, Doris Lee Glenn, Lynn Jones, Billy Lee, Lewellyn McCrea, Mike Morris, Bill and Don Overall, Marietta and Sandra Raub, Jamie, Kenneth and Sharon Rawson and Charles Stephenson.

Beginner graduates from still another class were: Tommy and Wayne Broyles, Tommy and Sandra Chance, Bobby and Steve Nelms, Olin Odum, Jr., Gatha and Linden Thompson, Alice and Stanley Webb, Charles and Janie Yardley.

Graduates from the beginner class which was formed last included: Marshall Barnes, Kay Loy and Mike Cheshire, Kathy Jean Evans, Larry Glenn Farrow, Lynn Morrison, Mary Ann and Patti Doyle and Barbara Kay Mills.

As soon as life saving cards and swimming certificates are received from Red Cross regional

headquarters at St. Louis, they will be presented to the swimming and life saving graduates. We understand that issuance of Red Cross cards is behind schedule this year because some Red Cross officials are still stationed in the Rio Grande Valley where the Red Cross is finishing its disaster relief work among people who lost their homes and belongings in the recent Rio Grande River flood.

The 1954 American Red Cross life saving and swimming courses were staged by John William Butts Post 123, Cisco, operators of the pool and skating rink, as a part of the American Legion's community service program. There was no charge for either life-saving or swimming instruction.

Water Safety Instructor Frank Howeth was in charge of the Red Cross instruction. A good many who enrolled in courses at the pool dropped out before classes completed their full schedules, because of vacations. For 1955, Red Cross swimming classes are planned earlier in the season than this year, when they started July fifth.

Eight FHA girls from Carbon, with their sponsor, rented a Lake Cisco rock cabin last Friday and Saturday. While at the lake area, they enjoyed swimming, skating and miniature golf. The Carbon girls included: Reba Campbell, Caroline Collins, Madeline Justice, Joan Hogan, Lela Norris, Wanda Payne, Merl Petree and Peggy Snyder.

City Seeks Bids To Haul Garbage

The City of Cisco will open bids on Tuesday night, Sept. 14, on a two-year contract for the removal of garbage and trash from throughout the city, City Secretary Hal Lavery reported Friday. The new contract will be effective October 1.

The contractor must be equipped to haul trash and garbage in a vehicle with a covered body to eliminate contents from being scattered when hauled away, according to the official notice of bids. Any information may be obtained at the City Hall.

Over 6,500 Votes Cast In Eastland County Saturday

Paul Brashear was elected State Representative of the 76th District, J. B. Williams was the winner of the Eastland County Sheriff's race and Governor Shivers carried the county and was out front in the state as returns from the Democratic Second Primary election were counted Saturday night.

More than 6,500 Eastland County voters went to the polls. This included 1,260 in West Cisco and 350 in East Cisco. For comparison, about 6,000 votes was cast in the County in the first primary.

Paul Brashear was the winner in the runoff with incumbent Omar Burkett for the 76th Legislative Post. Brashear carried all three counties with a total of 6,463 votes to 3,885 for Burkett. The vote in each county was as follows:

County	Brashear	Burkett
Eastland County	4,234	2,225
Callahan County	1,548	1,071
Shackelford County	681	589

Eastland and Callahan Counties were complete but unofficial. Less than 50 votes were still out in Shackelford County.

Former Sheriff Williams scored a 3,572 to 2,914 victory over Sheriff J. Frank Tucker in the county runoff race.

Governor Shivers carried Eastland County, 3,507 to Ralph Yarborough's 3,011 votes. At 10 p. m., the Governor's state-wide lead was a little over 63,000 and gaining with each report. Reports from 180 counties, including 103 complete, gave the Governor 518,144 to Yarborough's 455,065 votes.

In Callahan County, Lester Farmer was apparently elected county judge in the unofficial, complete returns. The vote was 1,390 for Farmer and 1,322 for Joe Pierce.

Complete, unofficial returns of the various Eastland County boxes are shown in a box elsewhere on this page.

Rev. Bradley To Give Farewell Sermons Here

The Rev. F. C. Bradley will complete his ministry of some three years at the East Cisco Baptist Church with the two services Sunday. He will move to Denver City this week to become pastor of the First Baptist Church there on September 1.

Members of the local congregation honored the Bradleys at an informal party at the church Friday night. A number of gifts, including a handsome Bible and a set of automobile tires, were presented to the Bradleys by church members as the party's climax.

Yancey McCrea, Jr. Is Home From Korea

Sgt. Yancey McCrea, Jr., son of Mr. and Mrs. Yancey McCrea of Cisco, is at the ranch home of his parents near here after receiving his discharge at Fort Bliss recently.

Sgt. McCrea returned to the United States on August 10 after serving for 18 months in Korea. He is a graduate of Cisco High School and attended North Texas State College before entering the service.

MASONS WILL MEET

The Cisco Lodge No. 556, A. F. & A. M., will meet Monday at 7:30 p. m. at the Masonic Hall for a called meeting and for work in the master's degree, according to an announcement Saturday by Joe Brown, worshipful master. All members were urged to attend the meeting.

Brooke Marshall of Dallas is visiting in the home of her grandmother, Mrs. Alex Spears.

Carolyn Cox has returned to her home in New Orleans following a visit in Cisco with her grandmother, Mrs. W. W. Moore.

THE BATTLE AGAINST POLIO

When the battle against polio is eventually won, gamma globulin is likely to be remembered as the weapon that held the fort until the big guns could be brought up. This is because GG is being used against polio today in dozens of polio-stricken communities across the nation even as parents and scientists alike await results of the testing of polio's big gun: the trial vaccine developed by Dr. Jonas E. Salk of the University of Pittsburgh.

Opening up on polio with the little gun (GG) and testing the big gun (the Salk vaccine) are expensive operations. That is one of the underlying reasons for the Emergency March of Dimes currently being conducted throughout the nation.

The areas where GG has already been used on a group basis this summer read like a cross section of the nation — with a few outlying regions added:

There's Broken Bow, Neb., and Greybull, Wyo., an Air Force base near Ft. Sumner, S. C., a transient labor camp in Tasley, Va., a hospital in Phoenix, Ariz., an island in the Bering Sea off the coast of Alaska.

In these places, and dozens more, the basic situation has been the same: polio prevalent and the people wanting to do something about it.

The one weapon available to them has been, and still is, the temporary protection of gamma globulin. It isn't perfect. No responsible scientist ever said it was. But, properly used, it gives as much as 88 per cent protection for about five weeks and a slightly smaller measure of protection

Famous Trichologist Will Demonstrate How To Grow Thicker Hair . . . And Guarantees It!

This new method of home treatment for saving and growing thicker hair will be demonstrated in Cisco, Texas, Thursday ONLY, Sept. 2, 1935.

These private demonstrations will be held at the Victor Hotel on Thursday ONLY, Sept. 2, 12 noon to 9 p. m.

Oklahoma City, Aug. 25 — In an interview here today, William Keele, internationally famous trichologist and director of the Keele Hair and Scalp Specialists, Inc., said: "There are 18 different scalp disorders that cause most men and women to lose hair."

Using common sense, a person must realize no one tonic or so-called cure-all could correct all the disorders," he explained.

GUARANTEED
 "The Keele Firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offer a guarantee," Keele said.

Once a person avails themselves of the Keele treatment his skepticism immediately disappears. To insure this, we offer this guarantee: "If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned."

HOPELESS CASES DISCOURAGED
 First the Keele specialists are quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in the lost category.

If there is fuzz, no matter how light, thin, or colorless, the Keele firm can perform wonders.

Every one is given a complete private examination to determine the condition of his scalp, and cause for his hair trouble.

FREE EXAMINATIONS
 This examination is very thorough and highly technical, it requires 20 to 30 minutes. There is no charge for this examination and no appointment is necessary. After the examination he is told

the required length of treatment and how much it will cost.

After starting treatment, he makes regular reports to the Keele firm in Oklahoma City, and a trichologist will return to check his progress periodically.

To spread the opportunity of normal, healthy hair to the thousands who are desperately looking for help the Keele firm is sending specialists to various cities throughout the United States to conduct examinations and start home treatment.

NO CURE-ALL
 "We have no cure-all for slick, shiny baldness," Keele emphasizes. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to be a miracle."

There is one thing Keele wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

HAIR FOR LIFETIME
 "If clients follow our directions during treatment and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Keele said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

HOW'S YOUR HAIR?
 If it worries you call Trichologist R. Rance Pierce at the Victor Hotel in Cisco, Texas, on Thursday ONLY, September 2, 12 noon to 9 p. m. The public is invited. You do not need an appointment. The examinations are private and you will not be embarrassed or obligated in any way.—Adv.

 Note: Trichologist Pierce will be in Abilene at the Hotel Drake on Friday, Sept. 3.

COMING MARRIAGE ANNOUNCED

MISS BOBBYE REYNOLDS

Mr. and Mrs. I. D. Reynolds, 1411 Bliss, have announced the engagement and approaching marriage of their daughter, Bobbye, to Frank Howeth, son of Mr. and Mrs. G. M. Howeth of Glen Rose. The wedding is planned for September 23 at the Church of Christ in Cisco. Miss Reynolds is a graduate of Cisco High School and attended Cisco Junior College and Abilene Christian College. Mr. Howeth is a graduate of Glen Rose High School and of Cisco Junior College. He is now employed in Fort Worth, where the young couple will make their home following their marriage. All friends of the couple and their families have been invited to attend the wedding rites.

Rehearsal Breakfast Honors Wedding Party

Mr. and Mrs. E. E. Green were hosts Saturday morning at a rehearsal breakfast at the Victor Hotel honoring their son, Ralph, and fiancée Miss Margie Poe, and their wedding party. The wedding was planned Saturday night. The table held a centerpiece of three large mums surrounded by shasta daisies and small mums, centered with a large wedding band and engagement ring. Places were marked for the bride's attendants with miniature brides and the groom's attendants with miniature grooms. The bridal couple presented gifts to their attendants. Those attending the breakfast were Mr. and Mrs. J. C. Poe of Eastland, parents of the bride; Rev. and Mrs. F. C. Bradley of Cisco; Mr. and Mrs. Will Salmon, Mr. and Mrs. Jack Scott and Mr. and Mrs. Bob Luckett of Midland; Lonnie Young of Weatherford; Frances Van Geem, Mrs. Don Kinnaird, and Guyrene Robinson, Eastland; Ann Booth of Merkel, Patsy Gardenhire, Patsy King, Jimmy Bassett, Eldon Callerman and Nell Green, Cisco; Margie Poe and Ralph Green, and the hosts, Mr. and Mrs. E. E. Green of Cisco. Following the breakfast, the rehearsal was held in Eastland.

determine whether the new charter shall be adopted. (e) That notice of this election shall be given by publication of a copy of this ordinance signed by the Mayor and attested by the Secretary of the City of Cisco, Texas in each issue of some daily or weekly paper published in the City of Cisco, Texas, for not less than 20 days immediately preceding the date of such election; and the posting of a copy of said ordinance at the City Hall in Cisco and two other public places in said city for not less than 20 days preceding such election. (f) That the fact the present charter of said City of Cisco is inadequate and the importance of the proposed ordinance creates an emergency and an imperative public necessity for the suspension of the rules requiring ordinances to be read on more than one day and for the immediate taking effect of this ordinance such rules are hereby suspended and it is ordered that this ordinance shall take effect immediately upon its passage and approval. After said motion was made and seconded the ordinance was read in full and thoroughly discussed by the City Commission. Therefore the Mayor called for a vote upon said motion and Morrison, Cluck, Britain and Hansen Commissioners and Sitton Mayor Protem voted for said motion and 0-0 voted against it. Thereupon the Mayor declared said motion and ordinance adopted. Passed signed and adopted this the 24th day of August 1954. /s/ J. W. Sitton Mayor Protem Attest: /s/ Hal Lavery City Secretary

Legal Notice

A RESOLUTION ORDERING AN ELECTION SEPTEMBER 25th, 1954, TO ALLOW QUALIFIED VOTERS TO VOTE ON A SPECIAL ISSUE. "FOR THE REMOVAL OF PARKING METERS" OR, "AGAINST THE REMOVAL OF PARKING METERS." BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF CISCO, TEXAS. That an election shall be held on the fourth Saturday in September, 1954, same being the 25th day of September, 1954, at which time the qualified voters of the City of Cisco will vote on this special issue — FOR or AGAINST THE REMOVAL OF PARKING METERS. That said election shall be held (only) at the City Hall, of the City of Cisco, between the hours of 8 o'clock a. m. and 7 o'clock p. m., to be conducted according to the ordinances and charter of the City of Cisco, that provides that a notice be given 20 days prior to date of election, and in compliance with the election laws of the State of Texas. Passed, Approved and Adopted this the 24th day of August, 1954. /s/ J. W. Sitton Mayor Protem Attest: /s/ Hal Lavery City Secretary.

AN ORDINANCE ORDERING AN ELECTION TO DETERMINE WHETHER A COMMISSION SHALL BE CHOSEN TO FRAME A NEW CHARTER, PROVIDING FOR THE ELECTION OF A COMMISSION TO FRAME SUCH CHARTER AND DECLARING AN EMERGENCY. BE IT ORDAINED by the City Commission of the City of Cisco in Eastland County, Texas, as follows: (a) That an election be held at the City Hall in the City of Cisco, on the 25th day of September, 1954, to be participated in by the qualified voters of said city, for the purpose of submitting to said qualified voters the question "Shall a Commission be chosen to frame a new charter?" and electing a Commission of fifteen persons to frame such charter, should the majority of the qualified voters voting on said question vote in the affirmative and appointing George Davis judge of said election with authority to appoint such assistants and clerks to assist in holding the same as he may deem necessary. (b) That said election be held as provided for by the charter of the City of Cisco and the Constitution and laws of the State of Texas. (c) That the ballot to be used in said election shall be substantially as hereinafter set out: You may vote for the proposition "Shall a Commission be chosen to frame a new charter?" by writing an X in the box by the word "Yes," or you may vote against the proposition by writing an X in the box by the word "No" as follows: "SHALL A COMMISSION BE CHOSEN TO FRAME A NEW CHARTER?" () "Yes" () "No" Regardless of whether you have voted for or against the proposition: "Shall a Commission be chosen to frame a new charter?", vote for a Commission to frame such charter in the event a majority of the voters voting at such election vote in favor of choosing a Commission to frame this charter. The fifteen persons whose names appear below were selected by the City Commission to serve as a Charter Commission. You may vote for those persons by writing an X in the box by their names or you may vote for other persons by writing their names on the lines opposite the names of the persons selected by the City Commission and drawing a line through the names of the persons you do not wish to vote for; but do not vote for more than fifteen persons. Those selected by the City Commission to frame a new charter in the event a majority of the voters voting at said election vote in favor of choosing a Commission to frame a new charter, are as follows: () E. E. Addy Jr. () Jack Anderson () W. B. Cates () Joe Clements () R. E. Grantham () W. P. Guinn () C. E. Higginbotham () E. L. Jackson () Sam Kimmell () James P. McCracken () S. H. Nance () R. L. Ponsler () J. B. Pratt () A. G. Sander () W. B. Wright (d) That should a majority of the qualified voters voting at said election vote in the affirmative on the question "Shall a Commission be chosen to frame a new charter?" then, after the Charter Commission has completed its work and submitted the new charter a second election shall be held at the date designated by the Commission chosen to frame the new charter in conformity with the laws governing such election, to

- 1-economy**
What's it going to cost to keep that new car in gasoline? In oil? What about service and repairs? Check into it and you'll find that Chevrolet has the greatest name of all for keeping upkeep costs down over all the miles you drive!
- 2-price**
Take a look at what you pay and what you get. You'll see that Chevrolet has more for you and asks less from you. It's priced below all other lines of cars. That's possible because Chevrolet builds the most cars—and can build them better to sell for less!
- 3-performance**
Do you want livelier, smoother performance on less gas? Then be sure your new car has modern high-compression power. That's just what Chevrolet gives you—the highest-compression power of any leading low-priced car. Come in for a demonstration ride!
- 4-appearance**
You, of course, are the only one who can decide which car looks the best to you. But you might well consider this: Chevrolet's the only one in the low-price field with the smooth lines and graceful beauty of Body by Fisher. It's the look America likes best!

How Long Has It Been —
... Since you had your abstract brought to date or your title checked for possible flaws? High prices, cheap money and inflation stimulate sales, especially real estate sales. Do you want to buy or sell? In either event, the seller will be called on to furnish an abstract and the buyer will surely want one. Whether buying or selling, remember this: A defective title destroys value — a good title adds to it.

Swimming Pool News . . .

From Page One
Loss occurred when the pool was first opened in 1928. She said the pool then had a clay bottom. She was with a party of ladies from Abilene on Thursday evening . . . Two girls from North Little Rock, Arkansas, enjoyed their first swim in our pool several days ago. They were Helen and Fay Rogers, aged 14 and 16, who were visiting the B. D. Hogues.

The center of attraction at the pool this week was a cute 5-year-old boy from Midland, who dove off the 10-meter board in the deep pool, swam under water a lot and otherwise demonstrated that his home town of Midland made a wise choice when he was made in recent Midland swimming shows. He and his sister, Shain, aged 3, enjoyed our pool a lot.

The young swimmer was Dudley, son of the Johnny Bradshaws of Midland. Mrs. Bradshaw is a sister of Mrs. John Dunn, and both ladies are daughters of Mr. D. I. Shelton of Cisco. Wherever they have lived in their travels over the Lone Star State, Mrs. Bradshaw said she was always questioned about the big Cisco pool, as soon as her new neighbors learned that Cisco was her former home town.

The Dewey Sages swam with the Midland people. Mrs. Sage is the daughter of the John Duns.

In any business it's wise to know about your competition. So when we heard about a couple

of new swimming pools in town we checked up and found that Mrs. Charles Kleiner has a new pool alongside their house with water from their new well. The other pool is for Patsy Nance and is 12 by 24 feet in size. Open only on the South side, the Nance pool could be used late into the Fall. "Pete" figures that he can pump out the pool water and use it on his lawn and shrubbery. Thus, he will use no extra water.

Kay Wallace, her mother, Mrs. Forbes Wallace, and her grandmother, Mrs. W. W. Wallace, brought a group of boys and girls out to the pool Friday. Girls included Kay's sister, Ann, Connie Warr n, Connie Comingore, Anne Brunkenhoefer, Nancy Shingle, Doris Lee Glenn and Lynn Jones. The boys in the party were Kay's brother, Lee, and Jimmy and Mickey Bostain from Houston, with the brothers getting a real thrill out of our big pool.

They also swam with us several other days this week. The two Wallace ladies brought groups of children out earlier in the week, with parties running as high as 12 swimmers.

George Hull, leader of the Royal Ambassadors at the Mangum Church, brought eight of his group to swim Friday evening. They were Dennis and Jerry Clowers, Dan and Gene Hull, Jerry and Joe Paul May, Charles Stephenson, Kenneth Tucker and Fred Walker.

George is First Sergeant of Cisco's National Guard unit.

O. G. Lawson, pioneer Cisco area oil and gas producer and driller, enjoys watching his grandson swim in our pool. We hear that his chief sport is driving his car. He is reputed to have driven more miles than any other Eastland County resident.

The Kidd reunion is being held this weekend with all city cabins reserved for members of this family group. Labor Day week-

end the Kerr reunion is scheduled and Service Pipe Line Co. is expected to attract a crowd of at least 300 for their picnic on September 11. The last reunion of the season, the Norris meeting, is planned for Sept. 18. Every-body wants to know whether the pool will be open for their reunion.

When Frank Howeth recently accepted a position at Fort Worth, L. R. Taylor of Idalou became the swimming pool lifeguard. The Idalou CJC athlete expects to go after a backfield job on the 1954 Wrangler football team. He boxed in Golden Glove competition at Lubbock.

She kept a diary of her telephone calls

HOW VALUABLE IS YOUR TELEPHONE SERVICE? Recently we asked a group of telephone customers to help answer that question by keeping a record of all the calls they made and received for a week. Like others in the group, Mrs. Felicia Littlejohn (above) was genuinely surprised at how much she depended on her telephone service and how it helped her through busy days. Altogether, Mrs. Littlejohn made and received 58 local calls in the seven days and she estimates that they covered a total of 345 miles . . . all for a few pennies a call. **SOUTHWESTERN BELL . . . Electric Rates Have Stayed Low

In fact in homes served by West Texas Utilities Company, the average cost of a kilowatt-hour of electric service is 22% less than it was ten years ago.
