VOLUME XXXIV

The Gay Philosopher

By J. W. S.

BUSINESS IS pretty good around town, according to a little survey we made. Most stores report that their business is as good as a little better than it was at the same time last year. Folks must have money, for they're paying tax collectors. At the City Tax Collector's office, the tax collectors are running ahead of last year. And County Tax Collector Stanley Webb tells us that the county receipts are well ahead of the same time last year. In fact, Stanley says he can't remember when collections have been so good.

SOME FOLKS were looking for about Friday night, but none was reported. Most peanut farmers in the area still haven't dug their crop. After a long, dry summer, they have been trying to get the growth possible during the fall.

Mr. Zan Burroughs of the Cisco Peanut Company reports that they have only had 50 to 75 tons brought in so far. The harvested peanuts have been mostly pretty light. The 1954 crop is expected to be about one-fourth the normal size.

MISS PATSY Nance, daughter of the G. R. Nances, enters the Gonzales Warm Springs Foundation on Monday. As you know, she has been paralyzed from the waist down since an accident several years ago and the Foundation will undertake to teach her to walk on crutches with the aid of braces. She'll also receive lessons and treatment in the physical training department.

Miss Patsy will be at Gonzales from two to three months. She is a graduate of Cisco Junior College and has been taking some extension work from McMurry College. She knows shorthand and typing and is now studying accounting. And it seems a good possibility that she'll soon be a junior accountant in her dad's firm.

AMONG THOSE who will observe birthdays this week are:
Oct. 31 — Mrs. A. G. Sander and Mrs. D. J. Smalley.
Nov. 1 — Mike Plumlee.
Nov. 2 — Mrs. E. C. Whitmore.
Nov. 5 — Mrs. George Estill.
Nov. 6 — S. H. Nance, Dick Sander and G. C. Winchester.

MR. H. N. THOMPSON, who runs the garage over at 202 East 9th Street, tells us they're celebrating the completion of a new 50-foot building with an open house Monday. Free coffee and doughnuts will be served to one and all callers. They have a special deal advertised elsewhere in The Press for the occasion.

Mr. Thompson came here in 1951 and has done well in the garage business. And we hope this open house is a big success.

THE FIRST National Bank will close Tuesday for election day. And it's important for one and all to go to the polls to cast their ballots in the general election.

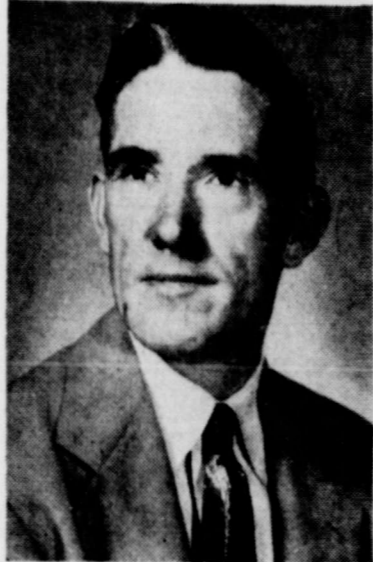

Met up with a new business man in town. He's Mr. Chester Melton, who recently took over the service station at the Bungalow Courts on the east edge of town. He has lived here most of his life and reports that business is starting off good. He welcomes old and new friends to drop by. The Chamber of Commerce reports that about 100 persons have signed the book to say they'll buy tickets for the special train to Weatherford if it runs on November 12. If you want the train to run, better go down to the CoC and sign up.

MONDAY IS THE last day to buy tickets for the Eastland Civic Association's motion picture project, we're advised. They're having a high-quality movie come to town once a month for five months and your ticket admits you to all of them. You can buy tickets and obtain any information you might want at the Gift House in Cisco.

SO HERE IS a perfect alibi for missing your daily dozen and just taking it quiet and easy-like: The dog dies in from ten to fifteen years; the squirrel in from ten to twelve, and the hare in from seven to eight. Strenuous exercisers every one! Now, what about the lazy animals? The tortoise who is a world's champion for laziness enjoys the greatest longevity — 200 to 300 years. The Pike swims along for 200 years, the galloping horse lives only 30 years. The swan who glides slowly through life often lives 100 years.

S. H. NANCE

CHARLES W. GRAHAM

CHARLES GRAHAM BECOMES SOLE OWNER OF LOCAL FORD AGENCY

Charles W. Graham, partner in the Nance Motor Company here since 1945, has become sole owner of the Cisco Ford dealership by purchasing the stock of S. H. Nance in the corporation, according to an announcement Saturday.

Mr. Nance, who has been a Ford dealer for about three decades, announced that he is retiring from public business and will devote his time to the management of personal matters. The transaction was effective October 1 but announcement was withheld until the dealership change was approved last week by Ford Motor Company.

In reporting the change, Mr. Graham emphasized that "nothing new is being added and the business policies of the Nance company for many years are remaining in effect." The firm name will remain Nance Motor Company for the present.

Mr. Graham, a native of Albany, moved to Cisco on June 1, 1945, to become a partner in the Nance Motor Company. Previously, he had spent 15 years with the Ford dealer in Abilene as parts manager and salesman. He is a graduate of Albany High School and McMurry College.

During his more than nine years in Cisco, Mr. Graham has been active in church and community affairs. He is a deacon and superintendent of the Sunday School at the First Presbyterian Church. He is a past president of the Cisco Rotary Club, and the Merchants Credit Association, is a director of the Cisco Country Club, and has been identified with various civic agencies over the years. Mr. and Mrs. Graham own their home at 909 West 7th Street. They have one daughter, Judy, a student of Cisco High School.

Mr. Nance retained ownership of the building which houses the Ford agency at the corner of Avenue E and 7th Street. He said he will devote his time to managing the Sam Greer Estate, of which he is the administrator, which includes considerable real property, notes and money. He added that he has made some temporary plans for additional activities after January 1.

"I expect to do a lot of relaxing and traveling," Mr. Nance said. He and Mrs. Nance reside in their attractive brick home on 9th Street and he has supervised redecorating work there the past two weeks.

S. H. Nance was born in Falcon, Ark., in 1883 and moved to Texas with his family when he was 13 years old. He grew up on a farm near De Leon. After his marriage 48 years ago, they moved to Rising Star where he engaged in the produce and general mercantile business.

In 1924, Mr. Nance became the Ford dealer at Winters and after six years, he took over the Ford agency in Cisco. He has long been active in church, civic and club work. He spent 20 years as a city commissioner in Rising Star, Winters and Cisco. He has held Chamber of Commerce posts and long has been a Lions member.

Mr. Nance said he expects to remain in community affairs here. He noted that "my retirement is from active business -- not from the obligations of citizenship." He has been a steward of the First Methodist Church for many years.

In a joint statement, Mr. Nance and Mr. Graham expressed appreciation "for the many loyal friends and customers we have made at the Nance Motor Company. We are grateful for the fine patronage we have enjoyed over the years."

Mr. Nance will continue to have "semi-official" headquarters at the Nance Motor Company and part of his personal business matters will be handled from a desk there.

Dr. Ramsey Goes To New Orleans For Naval Duty

BROWNWOOD, Oct. 30. — Lieut. E. H. Ramsey, Jr., Cisco dentist, will report at the U. S. Naval Air Station, New Orleans, La., on Sunday, Oct. 31, to spend two weeks on active duty, according to an announcement here this week. He is a member of the Naval Reserve Electronics Division 8-21, which meets every Wednesday night in Brownwood.

At the New Orleans air station, Dr. Ramsey will work with regular Navy officers and men during the two-week period. He will receive the latest information and instructions on Naval dentistry during his active duty tour.

Dr. Ramsey is a veteran of both World War II and the Korean Conflict. He is a native of Rising Star, where he finished high school. After attending John Tarleton College and North Texas State College, he went to Baylor University College of Dentistry, where he graduated in 1944.

During the Korean Conflict, Dr. Ramsey spent 15 months overseas. He was attached to an Army infantry unit as a dental officer and spent 10 months in Korea front line posts.

Dr. Ramsey has practiced dentistry in Cisco except for the time he spent on active Naval assignments. He will be accompanied to New Orleans by Mrs. Ramsey. They expect to return home about November 15.

Mr. and Mrs. J. T. Carson, Sr., have returned home from a three weeks visit with their daughters in Amarillo, Borger, Pampa and Munday.

Mrs. Alton Zander and James Frederick have returned to their home in Midland following a week's visit in Cisco with relatives.

Final rites for Leon Grant Hamrick, 30 year old Cisco oilfield worker and painter who was killed in a freak automobile accident near Trent Friday afternoon, will be held at 2 p. m. Monday at the East Cisco Baptist Church. The Rev. Tex Culp, pastor, will officiate at the rites.

Hamrick apparently died instantly when he was thrown from his car after it skidded on a curve and sideswiped a truck driven by D. O. Chew of Hico.

Hamrick's father-in-law, H. W. Sublett of Cisco who was in the car at the time of the accident, was not injured, and was able to stop the driverless car some 150 yards from the point of the accident.

Investigating officers said that the impact apparently sprung open the door of Hamrick's car and threw him to the pavement. His body was found about 100 feet from where it struck the pavement. The only damage to the Hamrick automobile was a bent fender and bumper, and the only damage to the truck appeared to be a cut tire.

Hamrick was on his way to Cisco from Lubbock at the time of his death. He went to Lubbock a week ago where he obtained work with H. L. Gray, a painting contractor. He was returning to Cisco to take his wife and five weeks old son to Lubbock to make their home.

Survivors are his wife and small son of Cisco; his father, C. I. Hamrick of Buena Park, Calif.; his mother, Mrs. Lola Bergantini of San Pedro, Calif.; and two brothers, Joe Ben Hamrick of Cisco and Bobbie Dale Hamrick of Fort Campbell, Ky.

Following the rites at the church, burial will be in Oakwood Cemetery. Arrangements are in the hands of Wylie Funeral Home, and the body will lie in state at the funeral home until time for the services. His body was brought to Cisco by Wylie ambulance.

Mrs. Robert Mancill, who has spent the past few weeks in Houston undergoing treatment at the M. D. Anderson Clinic, returned to her home in Cisco last Friday, and will return to her post as business manager at the Graham Hospital Monday.

Mrs. Mancill plans to return to the Houston cancer research hospital on November 30 for a physical checkup.

She expressed her thanks to all her many friends who remembered her during her illness with flowers, cards, letters, gifts and prayers, and to all the churches who sent cards, flowers, and offered encouragement.

Dr. Lee Clark, former Cisco resident, is head of the M. D. Anderson Clinic. He is the son of the late Dr. Randolph Lee Clark who was president of Cisco Junior College, and Mrs. Lee Clark, who now lives near Handley in Fort Worth.

Mrs. Bill Valentine and daughter, Valorey, have returned home following a visit in Cisco with her parents, Mr. and Mrs. T. E. Lisenbee.

MARTHA LEE EUDY

Martha Lee Eudy Is Now in WAVES

Martha Lee Eudy, daughter of Mr. and Mrs. J. M. Eudy, Sr., 1605 Avenue E, left Dallas Monday night, Oct. 25, by plane for Bainbridge, Md., where she will take her basic training as a WAVE, the woman's branch of the United States Navy.

Miss Eudy is a native of Cisco. She attended grade and high school here, graduating with the class of 1954. She was a member of the Lobo Queen basketball team and served as captain of the team during her junior year, and co-captain during her senior year.

Miss Eudy is the fifth member of her family to join a branch of the Navy. Her father enlisted during World War I, and served aboard the USS Oklahoma in the Atlantic. Two older brothers, J. M. Eudy, Jr., and Charles R. Eudy, served in the Navy during World War II. A third brother, William J. Eudy, enlisted in the Naval Air Force in 1948, and after serving his first four years, he re-enlisted for another six year term. He is now serving aboard the USS Yorktown in the China waters.

SERVICES PLANNED MONDAY FOR VICTIM OF AUTOMOBILE MISHAP

Final rites for Leon Grant Hamrick, 30 year old Cisco oilfield worker and painter who was killed in a freak automobile accident near Trent Friday afternoon, will be held at 2 p. m. Monday at the East Cisco Baptist Church. The Rev. Tex Culp, pastor, will officiate at the rites.

Hamrick apparently died instantly when he was thrown from his car after it skidded on a curve and sideswiped a truck driven by D. O. Chew of Hico.

Hamrick's father-in-law, H. W. Sublett of Cisco who was in the car at the time of the accident, was not injured, and was able to stop the driverless car some 150 yards from the point of the accident.

Mrs. Mancill To Resume Post At Graham Hospital

Mrs. Robert Mancill, who has spent the past few weeks in Houston undergoing treatment at the M. D. Anderson Clinic, returned to her home in Cisco last Friday, and will return to her post as business manager at the Graham Hospital Monday.

Mrs. Mancill plans to return to the Houston cancer research hospital on November 30 for a physical checkup.

She expressed her thanks to all her many friends who remembered her during her illness with flowers, cards, letters, gifts and prayers, and to all the churches who sent cards, flowers, and offered encouragement.

Dr. Lee Clark, former Cisco resident, is head of the M. D. Anderson Clinic. He is the son of the late Dr. Randolph Lee Clark who was president of Cisco Junior College, and Mrs. Lee Clark, who now lives near Handley in Fort Worth.

Mrs. Bill Valentine and daughter, Valorey, have returned home following a visit in Cisco with her parents, Mr. and Mrs. T. E. Lisenbee.

Community Chest Drive Ends As Campaign Goal Is Reached

Eleven Amendments Enlarge Ballot For Next Tuesday's General Election

It's going to be a man-size ballot handed Cisco and Eastland County voters when they go to the polls Tuesday, Nov. 2, in the general election to name state and county officials and pass judgment on 11 constitutional amendments. The ballot measures 11 1/2 inches wide and 24 inches long, and it contains five columns for candidates.

Listed on the ballot are complete Democratic Party nominees. A Republican column lists only four candidates, and the Constitution Party lists two candidates. Columns are on the ballot for Independent Candidates and for Write-In candidates.

In Cisco, the election will be held at the City Hall with Fred Grist as Presiding Judge and at the Cisco Gas Corporation with W. W. Wallace as Presiding Judge. Ballots will be available at all of the usual county polling places. Only 34 absentee ballots had been cast Saturday.

Widespread interest has gradually developed in the 11 proposed amendments to the Texas Constitution to be voted on at the general election, November 2. No organized opposition has appeared against any of the proposals. However, campaigns are being pushed for several of them.

Reports from over the state indicate somewhat of a draw between active support of various amendments and a general tendency to vote against some or all of them because the proposals are not understood or because of some question as to the results of writing such changes into the Constitution.

Amendments are discussed here in order in which they will appear on the ballot.

SENATE JOINT RESOLUTION NO. 7 authorizes the Legislature to increase State spending for Old Age Assistance, Aid to the Blind, and Aid to Dependent Children, by \$7,000,000 a year.

Comments from some members of the Legislature and other people familiar with the program indicate that if the Legislature appropriates the additional money, new taxes will be required. Some say that most of the money would be used to add more people to the rolls, rather than providing more money to these now on the rolls.

This amendment also would require the Legislature to enact laws making names of those who receive such aid available to the public. These are fighting words to some people who claim such action would embarrass those now on the rolls and their relatives.

Proponents of this provision argue no one should be embarrassed except those who have children or relatives well able to support them, and that these people ought to be exposed.

SENATE JOINT RESOLUTION NO. 6, permits a person who has served some time as a teacher and accumulated credits under the Teachers' Retirement System, and also some time as a State employee, with credits under the State Employees' Retirement System, to count his accumulated credits under both systems in determining his retirement pay.

Apparently but few people would be affected. However, some opposition is being expressed by members of both retirement systems to the idea of intermingling the two systems in any way.

HOUSE JOINT RESOLUTION NO. 37, provides that proprietary employees of the States' subdivisions may be covered by Federal Old Age and Survivors Insurance.

Other municipal and county employees may now be covered under that system under an agreement between the State and Federal Government, and in many cases have been. But the Attorney General has ruled that the State has no authority to make an agreement covering proprietary employees without a constitutional amendment.

SENATE JOINT RESOLUTION NO. 10, would create a State Building Commission with broad authority, subject to Legislative direction, to erect buildings for State purposes.

A State Building Fund would be created by transferring to it the surplus from the Confederate Pension Fund.

The present 2c ad valorem tax provided by the Constitution, for Confederate pensions, returns far more than is necessary to take care of the one Confederate veteran and more than four hundred widows of veterans now receiving such pensions from the State. Therefore the fund is accumulating a surplus of well over \$600,000 each year.

It is anticipated that if the amendment is adopted, nearly \$6,000,000 will be available for transfer to the new State Building Fund in January of 1955.

This amendment has the support of the State Bar of Texas. The first building, if the proposal is adopted, must be a State Supreme Court Building and it must be dedicated as a memorial to Texans who served in the armed forces of the Confederate States.

SENATE JOINT RESOLUTION NO. 5 would increase compensation of members of the Legislature to \$25 per day for the first 120 days of any session.

Texas Constitution now provides \$10 per day for the first 120 days and \$5 per day thereafter. There is strong support and little or no opposition to this increase in pay, which most people think would about cover legislators living expenses while in Austin.

Included in the same amendment is authority for the Legislature to set salaries of the Governor, Attorney General, State Treasurer, Comptroller of Public Accounts, Secretary of State, and Commissioner of the General Land Office.

The Governor's salary is now set by the Constitution at \$12,000, the Attorney General's at \$10,000, and the other four officials involved are paid \$6,000 a year.

Under this amendment the Legislature could not reduce salaries below these amounts, but could set them at higher rates. Opinion does not appear to be so nearly unanimous about this part of the proposed amendment. Some people are troubled by the apparent power of the Legislature to change the salaries at will, and they point out that the Federal Constitution and many other state constitutions prohibit a change in salary during the term to which an official has been elected.

SENATE JOINT RESOLUTION NO. 14, prohibits use of the credit of the State or any grant of public money for construction, maintenance or operation of toll roads and turnpikes.

Purpose of this amendment is to write into the Constitution a prohibition now contained in the law, but which could be changed by future legislation.

It has the support of the Texas Good Roads Association and many

\$8,000 Is In Sight To Conclude Work

The Cisco Community Chest goal of \$8,000 has been reached! That was the announcement at noon Saturday by R. A. (Bob) Hammett, co-chairman of the finance campaign. Cash on hand, together with definite pledges, was sufficient to assure complete success for the annual drive, Mr. Hammett said.

Checks from several industrial firms, including the Humble Pipe Line Company and the T&P Railway, and their employees were received Friday to push the fund near the top.

D. N. Morrison, chairman of the drive for the business district, got in touch with team captains and the cleanup work began Saturday morning, enabling the campaign to be finished before the November 1 deadline.

Those who have not contributed were urged to send their checks to the Community Chest or to leave their funds at the First National Bank with Treasurer Paul Farrow. Any surplus funds will be kept in the Community Chest treasury for future needs.

"Successful completion of the drive is very definite credit to our people and our city," Mr. Hammett said. "We have demonstrated to all that we are able and anxious to support those organizations whose operating budgets depend upon public contributions.

"All of the workers, as well as the donors, are assured that their efforts are warmly appreciated by those of us who have been in charge of the campaign."

The Cisco Lions Club provided the leadership and manpower for the drive this year with Mr. Hammett and the Rev. Leslie W. Seymour as co-chairman. Mr. Morrison directed the drive in the business district and Mrs. Don Choate was in charge of the residential teams.

Ten organizations will receive their full 1955 budgets from the proceeds of the campaign.

Garden Club Will Send Delegates To District Meeting

Members of the Cisco Garden Club will not hold their regular meeting on Monday, Nov. 1, in order that they might attend the district meeting of Texas Garden Clubs, Inc., in Sweetwater, according to an announcement Saturday.

"Gateway to the West" will be the theme of the Sweetwater meeting, which will open with registration at 9:30 a. m. at the First Methodist Church in Sweetwater. The registration fee will be \$1.50, and hostess clubs at the Sweetwater Garden Club and the Highland Garden Club.

A covered dish luncheon will be served at 12:30 p. m. with a fashion show as the feature. Mrs. Steve Barrett of Dallas, a national judge, teacher and noted lecturer, will lecture on "Holiday Tables." Members may take guests to the meeting.

The Cisco club will meet next on Monday, Nov. 15, when the district governor will give a program on table settings.

Judge Seaberry Talks At Meeting

An open forum on the eleven proposed amendments to the constitution was led by Judge Virgil T. Seaberry, Sr., an Eastland attorney, at the monthly meeting of the Beta Upsilon Chapter of Delta Kappa Gamma held Monday evening, October 25, at the band hall of Cisco Junior High School.

Mrs. Truly Carter, president of the chapter, presided over a short business session and J. E. T. Peters introduced Judge Seaberry who gave an informative and interesting explanation of the eleven amendments to be voted upon on November 2.

In addition to the Civics classes of High School and Junior High, approximately 75 people attended the meeting.

Jackets Use Breaks To Whip Lobos In District Grid Tilt

A blocked punt and two long passes gave the Stephenville Yellowjackets the margin they needed Friday night to win their District 2A-9 contest over the fighting Cisco Lobos by a 26-12 score. The game was played at Tarleton stadium in Stephenville before a small crowd.

The Lobos roundly outplayed the Jackets all the way and led in first downs 20 to 5 and in yards gained rushing 317 to 61.

Lonnie Leatherman, lanky Stephenville quarterback, won the game almost singlehanded. He scored two of the touchdowns personally and passed for the other two.

Joe Gilmore, playing his best game in a Lobo uniform, scored both the Cisco touchdowns. In addition, the Lobo fullback made several other substantial gains. His touchdown plays went for seven and 15 yards.

The Lobos threatened several times but the threats were nullified by fumbles, penalties and pass interceptions. Early in the second quarter they worked the ball to the Stephenville two, but the jackets held for downs and took over.

Lobo backs, Tommy Reynolds, Harold Pippen, Gilmore, Fred Hayes, Buck Whitehead and Marcus Gallegos, did outstanding jobs, and the line was great. Ronnie Qualls, Joe Farrow, Ed Bernie, Arzell Hale, Levere Adams, Car-

rol Thames, Bill Smith, Johnny Trigg and others kept the Jackets at bay on the ground and held the runners to less than two yards per try.

Stephenville won the toss and elected to receive. Arzell Hale kicked short and the ball was put in play on the Stephenville 44. Leatherman and Ray Kelly made a first on three attempts, but in the next series three plays netted four yards and Richard Fagan kicked out to the Cisco 10. Gallegos and Reynolds picked up eight yards in three carries and Hale dropped back to kick. Stephenville Guard Sam Wall broke

ELEVEN AMENDMENTS

From page one

Other people particularly interested in the State Highway System, and no known opposition.

HOUSE JOINT RESOLUTION NO. 16, would require women to serve on juries.

There are only five states including Texas which do not permit jury service by women.

This amendment would require women to serve under the same rules for jury service as apply to men. It has the active support of many women's organizations.

SENATE JOINT RESOLUTION NO. 4 has to do with the terms of elective district, county and precinct offices. It would change all of those which have two-year terms into four-year terms.

It has the support of the County Judges and Commissioners Associations of the state, and the organizations of many other county officials.

The terms of a great number of district, county and precinct offices would be changed immediately if this amendment were adopted. Other such offices are designated to change to four-year terms in 1956 so that, while all of them would be four-year terms after 1956, only about half of them would appear on the ballot every two years.

Working of this proposal has resulted in confusion as to its effect on the terms of representatives in the Legislature. Many lawyers are of the opinion that the proposal would require four-year terms for members of the House and other lawyers have said that at least it presents a problem which can only be solved by court interpretation.

SENATE JOINT RESOLUTION NO. 2, would authorize creation of county wide hospital districts in Bexar, Dallas, El Paso, Galveston, Harris, Jefferson and Tarrant Counties.

The amendment is permissive and, if adopted, would not create any such districts itself. It simply provides that the property-owning taxpayers of the named counties can vote on such a proposal at a later date.

An active campaign for this proposal is being carried on by a statewide committee composed of mayors, county judges, members of hospital boards, and prominent citizens of the counties involved and some from other parts of the state.

HOUSE JOINT RESOLUTION NO. 10 would allow members of the armed forces of the United States or component branches to vote.

They would be required to pay their poll taxes and could vote only in the county in which they resided at the time of entering the service.

HOUSE JOINT RESOLUTION NO. 8, the last proposal on the ballot, is a permissive type of amendment allowing taxpayers in counties of less than ten thousand inhabitants to vote on the question of whether they would prefer to have a separate fulltime office of tax assessor-collector.

Duties of the tax assessor-collector are now performed by the Sheriff in these counties now.

"... KNOWING THE TIME, THAT NOW IT IS HIGH TIME TO AWAKE OUT OF SLEEP..." - RQM, 10-11

SAD STORY—When the case of Mrs. Mildred Zapp and her four children was reported to police in San Francisco, they found it one of the worst of child neglect in some years. The youngsters, three of whom are shown at home, were suffering from malnutrition, flea bites and colds. Mrs. Zapp has been too ill to care for them properly.

ON THEIR WAY—Actress Kim Stanley, center, made an early contribution to the 1954 Travelers Aid Society fund campaign in New York. Miss Stanley, starring in "The Traveling Lady," a new play on Broadway, visited the booth with seven-year-old Brook Seawell, who plays her daughter in the drama, and gave her donation to Marjorie Bernhard.

Girl Scout Troop 6 Has Business Meeting

Girl Scout Troop Six met Monday afternoon at the home of their leader, Mrs. Don Choate, for their weekly meeting.

During the short business session, plans were made for a Halloween party and to visit a Brownie Troop. Plans were also made for a party for children under 5 to be held at the home of Mrs. Choate. The group discussed Juliet Lowe, founder of Girl Scouts, and Janice Hailey was elected parliamentarian.

Badge work for the day was a field trip to Joyce's Tot Shop where the group learned about children's clothing.

Those attending were Dorotha Riffe, Paula Sharpe, Jean Walker, Pat Sledge, Rochella Gorr, Gloria Schaefer, Shirley Bint, Delores Cox, Sandra Bittick, Beth Smith, Kay Cheshire and Frances McKeen.

SOCIETY AND CLUBS AND NEWS OF INTEREST TO WOMEN

Pleasant Hill Club Has Meeting Thursday

Mrs. Dora Schaefer was hostess in her home Thursday afternoon when the Pleasant Hill Home Demonstration Club met for their regular meeting.

The meeting was called to order by Mrs. Muri Campbell and the group repeated the club motto and prayer in unison. Routine business matters were transacted and plans made for the Achievement Day exhibit to be held in Eastland on November 10 at 10 a. m.

Miss Minnie Billingsley, County Home Demonstration Agent, gave a lesson on floor covering. The meeting was dismissed in regular form.

Refreshments of hot chocolate, coffee, and cake were served to Mesdames Nettie Berry, Muri Campbell, Leona Baker, Virgie Hale, Bela Tucker, Cleo Rice, Miss Billingsley, Mrs. Schaefer, and a visitor, Mrs. Ernest Schaefer.

Over 200 Attend Opening Meeting Of Mother's Club

Approximately 200 persons turned out Thursday night for the opening meeting of the Junior High Mother's Club at the school gym. Mrs. M. P. Farnsworth, president, was in charge; and the group repeated the Lord's Prayer to open the meeting.

Principal C. B. Midkiff made a short talk to discuss the school program for the year. He introduced members of the school faculty. Coach Bobby Zellers introduced members of the Midget football team, and Director Harold Thomas introduced his junior high band.

The school choir, directed by Mrs. Stanley Webb, sang several numbers. Mrs. L. B. Lipsey spoke to trace the history of the club and its accomplishments since it was organized. The group voted to make a donation to the P-TA's audiometer fund.

The pep squad leaders were introduced and they led the group

Hallowe'en Party Is Held At Wende Home

The students of Grace Lutheran School, their parents, and members of the Grace Lutheran School Club met Friday evening at the home of Mr. and Mrs. Ed Wende for a Hallowe'en party. Mrs. Ernest Reich served as co-hostess for the affair.

Various games were played and refreshments of cookies, hot chocolate, coffee, cake and candy were served. Favors of balloons were given the children.

Those attending were Sharon and Karen Shoemaker, Park, Victor, and Carolyn Plambeck, Ruby Wende, Christina and Carl Stroebel, Darlene Dunning, Dennis, Loren, and Roland Stroebel, Mike, Ralph and Dennis Lanham, Patsy Lenz, David, Danelia, Marcia, and Ricky Wende, Timmy, Becky, and Louanne Reich, Katherine Stroebel, Marilyn, Melvin and Donny Wende.

Adults attending were the teacher, Paul Bartels, Mrs. A. P. Wende, Mr. and Mrs. Park Plambeck, Mrs. Herbert Wende, Mr. and Mrs. Ernest Stroebel, Mrs. Carl Stroebel, Mr. and Mrs. A. M. Stroebel, Mrs. A. O. Lenz, Mrs. Dorothy Prange, Mrs. Alex Zander, Mrs. Paul Weiser, Mrs. R. H. Dunning, Mr. and Mrs. Ernest Reich, Mrs. Larry Shoemaker, Mr. and Mrs. Ed Wende, Richard Lenz, and Misses Nancy Stroebel, Glenda Zander and Ruth Lanham.

in several yells. The Midget song was sung. Mrs. Truly Carter's room was awarded a prize for having the most parents present.

Refreshments were served everyone present.

Recent guests in the home of Mr. and Mrs. H. H. Hageman were Mr. and Mrs. E. J. Kinard of Odessa, Mrs. R. L. Davis and son, Rickey, of Fort Worth, and Mr. and Mrs. Hadden Hamilton of Ddnna.

Mr. and Mrs. Jesse Kendrick of Ballinger are visiting friends and relatives in Cisco over the weekend.

Mrs. Hazel Turknett, Mrs. T. E. Lisenbee, and Mrs. C. F. Pippen of Andrews, have returned from Houston where they attended the Grand Chapter of Texas, Order of Eastern Star.

SAVE FUEL NEXT WINTER WITH ZONOLITE INSULATION

EASY TO INSTALL . . . POURS INTO PLACE

Reduce your fuel bills as much as 40%. Have greater comfort—less sickness—fewer colds. Just pour Zonolite Granular Fill between the joists in the attic, and between the studs in the sidewalls, to seal your home for all-year comfort. The light-weight, easy-pouring Zonolite Granular Fill flows in around pipes, braces, etc. to make a solid uniform insulation. Zonolite insulation is virtually non-settling and it's there to stay as long as the building stands—fireproof, rotproof, verminproof. A bag weighs about 24 lbs.—covers 17 square feet, 3 inches deep. Don't go another season without Zonolite comfort.

Draft Board To Fill Next Quota With Volunteers

The following named registrants of Local Board No. 36, Eastland last week for induction:

Robert Paul Shaw, Cisco; Ollie Meredith Sides, Ranger; David Harold Grey, Breckenridge; James Edward Dunigan, Breckenridge; Bobby Bates Duke, Deadmona; James Burkert Greer, Eastland.

Four of these men volunteered for induction. Any registrant who has reached the eighteenth anniversary of the day of his birth and who has not reached the 26th anniversary of the day of his birth may volunteer at his local board for induction into

the armed forces by filing an application for voluntary induction.

Mrs. Reaves, clerk of Local Board No. 36, advises that the November induction call will be filled with all volunteers.

The following named registrants were forwarded for armed forces physical examination: Gentry Leonard Bryant, Ranger; Herbert Hoover Norman, Breckenridge; Tommy Burnell Watson, Breckenridge; Marvin Jay Maynard, Carbon; Paul Gene Schaefer, Cisco; Ralph Jesse Kimble, Breckenridge; Max Burton Green, Breckenridge; Luther Eugene Barton, Ranger; Thomas Jack Duvall, Breckenridge; Lloyd Edward Jones, Ranger; Freddie J. Smith, Breckenridge; Thurmon M. Adress, Breckenridge; Ira M. Tyrone, Carbon; William E. Sikes, Eastland.

The following were ordered to report, however, transferred to other boards for their convenience: Otto Richard Gafner, J. C. Wright, and Winifred Ray Hatton, all of Ranger, and William E. Owen and Robert B. Latham, both of Eastland.

Tickets On Sale For CofC Dinner Saturday Night

Tickets went on sale Saturday for the annual banquet of the Cisco Chamber of Commerce, which will be held Saturday night, Nov. 6, at the Junior High Gym. The tickets will cost \$2 and the dinner will begin at 7:30 o'clock.

Bob Hammett of the First National Bank is chairman of the ticket committee. Members of this group are: Paul Farrow, R. J. Stevenson, J. J. Porter, Felton Underwood, H. C. Cabaness, George Estill, Alpha Elder, A. W. Snider, C. E. Hailey, A. G. Sander.

G. R. Nance, W. B. Wright, Howard Turner, E. R. Bibby, Stanley Webb, Harold Cheves, Con Collins, Owen King, George Irvine, Dr. E. E. Addy, Jr., Dr. C. M. Cleveland, Clyde Karkalits, Austin Flint, Leo Phagen, W. E. Dean, Dr. R. L. Blackstock, Richard E. Anderson, J. L. Thornton, J. E. Proctor, Chester Norvell, Sutton Crofts, C. W. Henry, Truly Carter, Lawrence Davis, Shorty Tennyson and J. D. Yardley.

The menu will feature barbecued chicken and Mr. Yardley will be in charge of serving.

Frank P. Johnson of Kewanee, Ill., state legislator and noted speaker, will be the speaker for the banquet.

Manager Paul Brashear reported that all arrangements for the dinner were near completion and a large crowd is expected. Guests have been invited from neighboring cities. Tickets are available at the Chamber of Commerce office as well as from members of the committee.

Those who expect to attend were urged to buy their tickets early this week.

4-H Club Meeting To Be Held On Tuesday

There will be a meeting of the Cisco 4-H Club boys in the conference room of the First National Bank at 7:30 p. m. Tuesday, Nov. 2, Assistant County Agent R. S. Higgins announced Saturday. The meeting and demonstration will be devoted to the feeding of hogs.

All of the Cisco clubs have been combined into one club and meetings will be at night or on Saturdays. The meeting will last about an hour and club members were urged to invite their dads to attend.

Mrs. Bob Hintz and son, Mark, of Houston returned home Saturday following a weeks visit in Cisco with her parents, Mr. and Mrs. Dick Thomas.

Roy H. Horn and daughter, Myrtle Lee, were expected home today following a visit with relatives, Mr. and Mrs. R. V. Horn, in Fort Worth, and Rev. Dan Hoover and family in Graham.

IT'S NEW—The gyroscope heart of a revolutionary new steering and direction-finding system is being explained in New York by Clark Smith, left, Bendix Aviation Corporation technician, to navigator Mauritz Sundt of the Scandinavian Airlines System. Designed for flights over the polar regions where magnetic compasses go haywire, it spins 22,000 times a minute, and automatically solves direction problems.

Lobos --

From Page One

through to block the kick and recovered for the Jackets on the Lobo five. Don Cleveland lost a yard and Kelly carried to the two, from there Leatherman went through the line to score. David Cleveland's kick was wide and the score was 6-0.

Stephenville kicked to Cisco on the 25 and Johnny Trigg returned to the 33. From there the Lobos marched to the Stephenville two before they lost the ball on downs. The 65 yard drive was sparked by two good runs by Reynolds and a 16 yard scamper by Gilmore. The first quarter ended with Stephenville still holding on to their six point margin.

Early in the second period Cisco was in possession of the ball after an exchange of punts and was headed toward the Yellowjacket goal. The drive was stopped at the Jacket 35 when Richard Fagan fell on a fumble from the arms of Reynolds. On the first play Cleveland made three, taking the ball to the 41. One the next play Leatherman pitched a perfect strike to Halfback Gerald Wood who took the ball on the Cisco 30 and went over the goal untouched. Cleveland's kick was good, and the Jackets were ahead 13-0 as the half ended.

Cisco took the kick to begin the third period and lost little time in scoring. The ball was put in play on the Cisco 16 where the Lobos took off for their first score. Joe Gilmore, Lobo fullback, ended the 84 yard scoring trip when he went over from the seven. The ball had been worked to that point on ground gains by Gilmore, Harold Phippen, Tommy Reynolds and Buck Whitehead. Reynolds' kick was to the right of the goal posts and the score remained at 13-6.

The third Jacket tally came on a sustained drive which carried for 74 yards. Leatherman lugged the ball over from the two. Cleveland failed to convert and the score stood at 19-6.

Stephenville wasted little time in bringing the score to 26-6. Cisco took the kick on their own 28 and had worked the ball to Stephenville territory when Fagan intercepted a pass on his own 42. A 15 yard penalty set them back to the 27 and at that point Leatherman threw to Don Cleveland who went all the way. The pass and run covered 73 yards. David Cleveland converted to bring the score to 26-6.

Gilmore made the final Cisco score with 20 seconds remaining in the game when he went over from the 15. The score climaxed a drive which began on the Lobo

25. Runs by Phippen, Hayes, Gallegos and Reynolds put the ball in scoring position. Reynolds' kick was deflected by a charging Jacket lineman and the score stood at 26-12. The game ended as Cisco kicked to Stephenville.

Playing for Cisco: Reynolds, Callarman, Hayes, Ewell, Whitehead, Lipsey, Gallegos, Phippen, Gilmore, Qualls, Collier, Walton, Farrow, Bernie, Hale, Adams, Thames, Smith, Trigg, Weiser and Bratton.

Playing for Stephenville: Hale, Kelly, Davis, Leatherman, Don Cleveland, Wood, Owens, Wright, Banowski, Wall, Fagan, Gaston, Pair, Gentzell, Brandon and David Cleveland.

Miss Maurine McCollum, cashier of the Moran National Bank, underwent surgery in a Fort Worth hospital last week, and was reported as recovering satisfactorily. She is in Room 765, Harris Memorial Hospital, Fort Worth.

Elmer Frede To Be Speaker For Service Clubs

Elmer Frede, former Cisco resident who is now director of vocational education for the Texas Prison System, will talk at two luncheon club meetings here this week, and spend some time visiting friends.

Wednesday, he will speak at the Lions Club meeting on the "Three Challenges." He will tell of the extent and trends of crime and its basic causes, crime prevention and rehabilitation. Lion Charles S. Sandler will be in charge of the program.

Thursday, Mr. Frede will talk at the Rotary Club meeting on the subject, "Prisoner Rehabilitation."

Mr. Frede lived in Cisco several years where he was head of the vocational program at Cisco Junior College. He was active in the work of the First Presbyterian Church and in civic affairs. He has been in Huntsville with the prison system for more than two years.

Local people who are not members of the two clubs were invited to hear Mr. Frede. Those desiring to eat with club members were asked to call Mr. Sandler or Charles Graham, who will be in charge of the Rotary Club program, for reservations. Those who wish to eat at home and then hear the talks may come to the dining room at the Hotel Victor at about 12:30 p. m., either Wednesday or Thursday.

Mr. and Mrs. Joe Lea of New London, Texas, are visiting in the home of Mr. and Mrs. W. R. Carrington.

Mrs. Myrtice McDonald of Iowa Park is visiting relatives here, including the Fred Brashears and the Paul Brashears.

TEXAS AGRICULTURE OFFICIAL WILL TALK AT RANCHERS MEET

Can the West Texas rancher get his share of the Washington relief dollars? This will be the subject of an address by John C. White, Texas Commissioner of Agriculture, at the annual meeting of the West Texas Ranchers Association in Eastland on Thursday, Nov. 4. The meeting will begin at 7:30 p. m. in the high school auditorium, it was announced.

A drought relief program was inaugurated last year and reinstated again this year. The 1954 program has not met with complete approval by many of the ranchers. Drought conditions create serious problems to the livestock raiser and many believe it should be handled much in the same manner as other national disasters. It is a problem of interest to all involved in the livestock industry whether merchant or producer, it was said.

Walter Pfluger, successful farmer and rancher from West Texas, will present a plan on how to

make more money from ranching. Mr. Pfluger is president of the Texas Sheep & Goat Raisers Association. He lives at Eden. Many of the West Texas ranchers have managed to come through the drought and still be in the ranching business, and Mr. Pfluger will discuss their experiences and how they managed to stay in business during one of the driest periods in modern times. He will discuss the position of sheep and goats in modern ranching and what Washington is doing to encourage production of wool and mohair.

Cattle are not bringing as much money as they did a few years ago, and ranching is becoming more competitive. It takes better animals to return sufficient profit under present day conditions. Good beef animals consume no more grass than inefficient ones. Robert J. Norris, livestock division, Armour and Company, Chicago, will explain the importance of breeding the right kind of animals for today's market and why they will return more money to the producer.

The West Texas Ranchers Association, in addition to providing protective service to its members, sponsors projects beneficial to all livestock raisers in the five county area which it services. A large crowd is expected to attend. It was said that several groups such as vocational agriculture classes and 4-H groups are planning to attend.

The meeting is another example of the public service rendered to the livestock industry in this area. The meeting is free and everyone interested in livestock whether merchant or actual producer is invited to attend, according to the announcement.

An ANNOUNCEMENT
Concerning The Ford Dealership For This Area ...

FORD

Dear Friends:

This will announce the sale of my stock in the Nance Motor Company, Inc., to Charles W. Graham, who has been my partner in the firm for nearly ten years. This will also announce my retirement from public business after about a half century, including some 30 years as a Ford Dealer

During the 23 years that I have been with the Nance Motor Company in Cisco, I have made many valued friends. And to these friends and customers I want to express a genuine appreciation. My success in business has been due to the loyal patronage of these fine people. I have always counted it a real privilege to serve you and to be your Ford Dealer.

As I step out, I desire to express the sincere wish that Mr. Graham will enjoy the same success and pleasure from serving the motorists of the Cisco area that I enjoyed and that we enjoyed as partners. I appreciate, too, the work and loyalty of Mr. Graham during our association together.

My retirement from business simply means that I am slowing down a bit. I plan to continue looking after personal business interests. And I expect to continue fulfilling every obligation of good citizenship. I am not retiring as a citizen.

S. H. NANCE

To the Public:

Negotiations have been completed whereby I have acquired the interests of Mr. S. H. Nance in the Nance Motor Company. The opportunity for me to buy his stock in our corporation was occasioned by his desire to retire from active business.

As I assume the obligations and responsibilities of sole ownership of the Ford dealership in this progressive community, you can be sure that I am aware of the extent of same. You can be sure, too, that I assume these obligations and responsibilities with the pledge to continue in effect the sound business policies and principles that have always been associated with the Ford name.

It shall be my endeavor to continue growing with our community, cooperating in every way as our company has always done. Our business operations will be carried on in a manner that will show our appreciation for patronage and the fact that we will want to continue receiving that patronage. In other words, we expect to be here a long time and we want to merit your business during all of that time.

The motoring public can certainly feel free to call on us at any time for any kind of service that a modern Ford dealer can give. The Nance Motor Company will continue dealing in the best automobiles and trucks that money can buy and in providing service and parts for the products we sell as well as for others.

Thank you for the support you have given us at Nance Motor Company over the years.

CHARLES W. GRAHAM
