

## The Gay Philosopher

By J. W. S.

DEAR EDITOR: The Suttons ask all the good people of Cisco to say a prayer for their little grand daughter, Brenda Carol Webster, who was to go on the operating table at the Texas Children's Hospital in Dallas for a very delicate operation on her esophagus early today. The Suttons have gone to Dallas to see with the baby and her parents, Mrs. Jim Websters, during the operation. Mrs. Webster and the baby will stay on ten days or more.

HOME FROM the Warm Springs Foundation at Gonzales Miss Patsy Nance, daughter of Pete Nances. She went down there last November and has come back after about three months during which time she was given extensive training in how a person who is paralyzed from above can waft down can get about and do things. Patsy can now use crutches and braces to move about the house.

Understand Miss Patsy now seems to continue the study of accounting with the view of eventually joining her dad in his work. The Nances were high in their praise of the Warm Springs Foundation.

PLANS ARE working out nicely for the big chili supper out at the Cisco Country Club next Monday night. Chairman Bob Hammett of the ticket sales committee says that each member of the club was mailed five tickets to sell for \$1 each. Only one or two members had turned back all of their tickets and a good many had turned in money for all of them, indicating that the crowd will be good.

Mrs. E. L. Jackson and her food committee have assured us that the menu will be excellent. They'll serve home-made chili — all you can eat and a piece of pie. Be a club member for a ticket. And all club members have been asked to report next Saturday by noon to Chairman Hammett so they will know how much chili to cook.

IT LOOKED LIKE old times when at the City Commission meeting Tuesday night. Mayor E. C. Rosenthal was there to preside for the first time in over two months. His condition continues to improve. . . . January 29 will be a birthday for Halita Ann (Toodie) Parker. . . . Bobby Cluck is home from the hospital where he underwent a knee operation, and he is doing nicely. Can have company and cookies and candy and other goodies. . . . Talked to a man up Throckmorton way this morning about some printing that he does for him every month. The conversation was via "ham" radio with J. Frank Walton acting as the local relay station.

PRESIDENT C. J. Turner of the junior college was in Austin today for conferences concerning the Legislature's appropriation for the junior colleges. The governor has recommended an increase of \$700,000 per year for these schools and Mr. Turner says the situation looks good. . . . Mr. Shy Osborn plans to attend a convention of gun collectors at Waco this weekend. A recent issue of The American Rifleman magazine carried a writeup about an unusual gun in the Osborn collection.

THEY HAVE A new newspaper publisher over at Eastland. Mr. and Mrs. Floyd Casebolt of Ennis have purchased the interests of O. H. Dick in the Times Publishing Company, publishers of the Eastland Telegram and the Ranger Times. The Casebolts have earned an enviable record as good citizens of Ennis and other cities in which they have lived and they're certain to be good citizens for our county.

Mr. Dick, who lived in Cisco a good many years ago, hasn't said anything about his future other than he plans to rest for a spell.

READING THE Eastland newspaper makes us appreciate the Cisco Community Chest. Last Turn To Page Two

## SILVER CERTIFICATE AWARDED CISCO NATIONAL GUARD UNIT

Following the annual general inspection of the local National Guard unit on January 17, the unit was awarded the silver certificate for efficiency in training for the calendar year 1954. Pictured here is Lt. J. N. Williams, administrative assistant to Capt. Frank Sayre, accepting the certificate for the unit from Lt. Col. William C. Scoggin, a representative of the Commanding General Fourth Army, Lt. General I. D. White. The inspection, the eighth for the Cisco unit, was termed very successful by Capt. Sayre, who commended each member for their fine work. Another highlight for the event was the administering of oaths of enlistment to two new recruits, Pvt. Earl Conner, III, and Pvt. Dean Tindall, both of Eastland.

Pictured above are members of Btry. A, 648th AFA, the local National Guard unit, who were commended recently for efficiency in training for 1954 following the annual general inspection. The group was awarded the silver certificate for their work during the year. They are: Bottom row, left to right: Pvt. Jimmy Yates, W/O James Hendrick, Lt. Jack King, Lt. Jay Williams, Cpl. Ed Miller, Pfc. Don

Foster, Cpl. Kenneth Guthrie, Sfc. Charles Wende, Sgt. E. L. Reich and Pvt. Jack Akers. Second row, left to right: Pvt. Kenneth Boggs, Pvt. Benny Warren, Pvt. Bob Bennie, Cpl. Andy Mosley, Pfc. Buck Whitehead, Pfc. E. E. Callarman, Sgt. Paul Huffman, M/Sgt. Alfred Anderson, Sgt. Joe D. Nelson, Sfc. Gene Schaefer, Sfc. Bill Kendrick, Cpl. Travis Kurklin and Sfc. Charles Layton.

Third row, left to right, Pfc. Ted Fields, Sgt. Raymond Penn, Pvt. Glenn Carr, Cpl. Edward Freeland, Pvt. Gene Agnew, Cpl. Bobby Womack, Cpl. Ralph Green, Cpl. James Ricker, Pfc. Royce Taylor and Pvt. Charnel Thetford. Members of the unit not shown in the picture are Capt. Frank Sapre, 1/Sgt. George Hull, Cpl. James Bassett, Cpl. Alton McLean, Pvt. Bob Qualls and Pvt. James Jackson.

## Grabel Show To Be Presented In City By Firemen

A program of fun, excitement and intrigue is in store for this area Saturday night when the Cisco Volunteer Fire Department presents the internationally famous Lee Grabel and his troupe at the high school auditorium at 8 p. m. Tickets are on sale by members of the fire department and can be purchased at the doors Saturday night. Admission prices are \$1.10 for adults and 50 cents for students. The fire department receives a larger per centage of tickets sold before show time.

One of the features of the show is the propelling of a young woman from the mouth of a cannon and her immediate appearance in the center trunk of several that are nested one inside another. Other features of the show are the Oriental Sedan Chair, the Pipe Smoker's Dream, the Pin-up Girl and many other illusions and gay variety numbers.

The Grabel show is now on a transcontinental tour after a successful Broadway run. Although the show is basically a mystery review, Mr. Grabel is seldom referred to as a magician. The show is a complete variety presentation.

L. E. Sublett, chief of the Cisco Fire Department, said that it was seldom that a show of the Grabel type was presented in a small community. A full railroad baggage car is required to bring the 10 tons of scenery and equipment to the place of the show.

Only one State, Washington, has been named for a U. S. President.

## TRAFFIC COUNT SHOWS SIGNALS NOT NEEDED ON CITY STREETS

District Engineer R. J. Milligan of the Texas Highway Department's Brownwood office reported to the City Commission this week that the traffic on three Cisco streets, where installation of traffic lights had been under consideration, was not heavy enough to justify the department to recommend the lights.

Traffic lights had been proposed by the city at Avenue D and 6th Street, at U. S. Highway 80 and Front Street, and at U. S. Highway 183 and 14th Street.

We have completed the traffic studies at the three locations in Cisco requested by your commission. We find the following conditions exist:

"Avenue D and 6th Street — vehicle count, an average of 532 per hour for the highest eight hours; pedestrian count, 64 per hour; highest traffic count recorded on vehicles between 4 and 5 p. m. was 656.

"U. S. 80 and Front Street — vehicle count for the highest eight hour average, 338 per hour; pedestrian count, one per hour; highest vehicle count for any hour, 5 to 6 p. m., 397 per hour.

"U. S. 183 and 14th Street — average vehicle count for the highest eight hours, 400 per hour; pedestrian count, eight per hour; highest vehicle count for any hour, from 5 to 6 p. m., 522 per hour.

"Since neither of these intersections have a vehicle count of 750 vehicles per hour, we do not recommend the installation of a fixed time STOP and GO Signal but if the city wishes we will authorize the installation of a semi-actuated traffic signal at the intersection of Avenue D and 6th Street, although we do not recommend the installation."

MEETING IS CALLED The Little League Mothers Club will meet Thursday morning, January 27, at 9:30 o'clock at the home of Mrs. Woodrow Howell, 500 W. 7th. All mothers of the club were urged to attend.

## Conference Cage Game Is Lost By Lobos Tuesday

The Cisco High School Lobos lost their sixth straight conference game Tuesday night when they were unable to stop the league leading Stephenville Yellow-jackets in the Stephenville gym. The Jackets won the conference tilt 59-32.

The Lobo Queens lost a close 18-22 decision to the Stephenville girls in another conference contest while the Lobo "B" team gave the Stephenville "B" team their first loss of the season.

In the "B" team game, which began the program, Diz Howell scored 18 points to lead the Lobos to the 42-40 win and to take game scoring honors. Johnny Trigg was in second place when he made 12 points for Cisco.

Herbie Gallegos made six, Leo Cheves four and Robert Fletcher two. Howard Hamilton, the other Lobo player, failed to score.

In the girls game it was a nip and tuck affair all the way. The first quarter ended 8-3 and the half closed with a tie at 17-17. To begin the third quarter Stephenville quickly scored to go ahead 19-17 and promptly went into a stall. Their two points were the only ones made in the third period.

In the fourth quarter the Queens were able to make one free throw while Stephenville counted three points. Carol Anderson and Mary Lance of Stephenville tied for game scoring honors with eight points. Venita McLester was high for Cisco with five.

Other Cisco players and their scores were as follows: Donnic Johnson, 2; Bonnie Owens, 4; Donnie Owens, 2; Lorelei Lipsy, 3; Sue Moore, 2; Treacia Edwards, Joyce Lancaster, and Leta Fay Kellar.

## MOD Fund Grows At High School Assembly Hour

This city's collection of funds for the National Polio Foundation through the March of Dimes drive neared the \$1,300 mark today as students and teachers at Cisco High School raised over \$100 to turn in to Mrs. Peggy Gallagher, treasurer.

Funds were collected during an hour-long assembly program. With Jim Branton as master of ceremonies, students "paid" for various stunts, including these: Benji Lipsey, shaved a beard he had been nursing tenderly; Roy Thackerson, played two guitar numbers; David Ewell, put on suspenders to pull his pants up higher.

Mrs. James Moore, imitated a monkey at the zoo; Principal V. C. Overall, chewed tobacco; Charles Cross, bought Mr. Overall's paddle for \$4; Kenneth Penn and George Callerman, led student body in singing "On Top of Old Smokey," accompanied by Roy Thackerson, and others.

E. L. Jackson, Cisco business leader, delivered a short talk on invitation of MOD Chairman W. E. (Dizzy) Dean.

Mr. Jackson told how the Polio Foundation had its beginning in 1934 — before the students in the audience were born — on the birthday of President Franklin Roosevelt. He told of the progress in fighting the dread killer and of hope for the future through new vaccines and the research laboratories.

He noted that "this all takes dimes and dollars" and urged all to participate in the program. Mrs. Gallagher's total stood at \$1,187.21 as the high school fund had not been delivered to her shortly before noon. Receipts were reported by the treasurer as follows:

Big gifts ————— \$131.00  
Black Pot at bank ————— 27.45  
Junior High School ————— 91.80  
West Ward School ————— 137.16  
Post Office Employees ————— 29.70  
Mother's March ————— 749.84

## County Farmers Are Urged To Release Unused Allotments

### MOD Fund Grows At High School Assembly Hour

### Do You Know YOUR FLAG?

### New Growers May Ask For Acreage

Q. What is the correct Staff-head? A.M.T., Omaha. A. Primarily flagstaves were pikes or lances; their purpose to stick them in the enemy. Therefore the Spear is the correct staff-head for civilians' flagstaves. Q. Are any nations' flags older than our U.S. Flag? O.N.W., Buffalo. A. Yes, Denmark's and the Netherlands. (This Flag series was made available to The Press by the Charles Crawford Chapter of the Daughters of the American Revolution, Cisco.)

Eastland County farmers have been asked to release their peanut and cotton acreage allotments if they don't expect to plant the crops, Administrator E. E. Powell of the County ASC (formerly PMA) Office reported in a newsletter released recently. "If you are not going to plant any or all of your peanut or cotton allotment, release the unused acreage to the County Committee so that it may be used by other producers," the newsletter said. "This release is for one year only and at the end of 1955 it will be returned to the original farm. The released acreage will be credited to the farm in order that the history will not be lost."

It was explained that cotton must be planted on a farm one out of three years in order to retain the allotment. The same three year rule applies to peanuts. Producers may make application for additional acreage of peanuts and cotton from the released acreage. The committee does not know how many acres there will be released and it is impossible at this time to know how many acres will be available for reappportioning, Mr. Powell said.

### Good Crowd Due To Attend Police Ball On Friday

### City To Enforce Speed Laws Near School Grounds

### Beauty Pageant Will Be Held At Whitney In June

Advance ticket sales indicated a good crowd for the annual Policeman's Ball to be held Friday night at the Cisco Country Club under the sponsorship of the Cisco Police Department. All members of the force have been selling tickets, and most of the tickets have been sold, it was reported. Those who do not have tickets may obtain them from members of the force, or at the door Friday night.

Travis Parmer and his Western Band will furnish the music for the annual affair. The money derived from the dance will be used to purchase uniforms and equipment for the department.

Mr. Powell reported that the vetch and rye cover crop seeded last fall was charged to the 1955 funds. It now appears, he added, that all the cover crop can be transferred back to the 1954 program due to the fact that funds were never exhausted in some phases of the program.

### MOTHERS WILL MEET

### Turn To Page Two

### NEW AUTO BANK LOAN RATE

The Junior High Mothers Club will hold a regular meeting at 3:45 p. m. Thursday at the school, according to an announcement today. All members were urged to be present.

NEW AUTO BANK LOAN RATE 4% per \$100 per Installment Month LET. NAT'L in Cisco—Mr F. D. I. G

WHITNEY, Jan. 26. — Texas' eliminations for the Miss Universe Beauty Pageant will be held at Lake Whitney in June. The state elimination is tentatively scheduled for June 22-23, with the winner going to Long Beach, California, for the Miss United States and Miss Universe beginning July 14.

Franchise for the state contest recently was awarded to Lake Whitney Association. Miss Universe directors selected Lake Whitney over other applicants due to its central location and success of former Miss Lake Whitney contests and contestants.

Other resorts in Texas are being invited to participate in selecting the most beautiful girl to represent the Lone Star State in the Miss Universe.

"We hope to conduct eliminations on a civic angle, rather than a business angle," according to Bill Woodside of Whitney, state director. "Texas claims the most beautiful girls in the world, and this summer Texans will have the opportunity to back up this boast."

Any young lady between the ages of 18 and 28 who has been a resident of Texas at least six months may participate. Entries must be in good health and be of good character. Of course, they should possess poise, personality, charm and beauty of face and figure. Winner of Texas' elimination will receive a complete wardrobe, an expense-paid trip to Long Beach, and other prizes. In California the Miss Texas will compete against other beauties of the United States and foreign countries for fame, fortune and movie contracts. Sites and dates of the preliminary contests will be announced as soon as they are arranged.

## LET'S MODERNIZE THE LAW

Depending on the subject under consideration, 38 years may be either a long or short period, but certainly in relation to the constantly changing industrial and commercial picture in Texas, it represents a long span. An almost doubled population, a five-fold increase in manufacturing workers, a value-added-by-manufacturing figure 16 times larger, and standards affecting Texas greatly increased wages indicate a few of the radical differences between the 1917 agrarian economy of the state and the industrially booming area that is Texas in 1955.

All of which points up the fact that any 1917-vintage regulations

The law, keyed to a horseless carriage era, is badly out of place in a rocket age, and greatly penalizes both employers and employees in Texas.

The simple truth is that Texas employers pay higher average premiums for workmen's compensation insurance than those in effect in any other state, while weekly benefits to workers are among the lowest anywhere. High premiums and low benefits shouldn't go together in any kind of insurance, but in insurance for injured workmen in Texas, this contradiction definitely exists.

Workmen's compensation insurance is intended to help the man who has been injured on the job, with a graduated scale of benefits based on the seriousness of the injury and the length of time the man is unable to work. All costs of such insurance is paid by employers, who therefore are vitally interested in seeing that the money is used for the purpose intended.

Any unjust claims, over-payments, or other unfair drains on the available funds mean that deserving workers are robbed of fair compensation.

Weaknesses that have developed in Texas' laws covering this field in the past 38 years make such occurrences commonplace and call for amendments to the present statutes.

Representatives Garth Bates and Senator Searcy Bracwell deserve commendation for sponsoring companion bills (House Bill 4 and Senate Bill 65) to plug these loopholes, and public spirited citizens throughout the state should urge their own representatives in the State Legislature to support these measures.

HB-4 and SB-65 will not lower the rates paid by employers, but they will raise the benefits received by the injured worker most badly in need of financial help.

W. C. Phippen of Haskell and Mr. and Mrs. John Williams of Rule visited Mr. and Mrs. C. E. Phippen and other relatives in Cisco Tuesday.

**HOME MADE DAMAGE**—Fireman Richard Turk is holding pieces of the home-made bomb which exploded in a waiting room of New York's Pennsylvania Station during the rush hour. Authorities said the bomb had been placed in a small baggage locker but that no one had been injured. A passer-by turned in a fire alarm following the explosion, but the blast caused no panic among the thousands of commuters.

## Gay Philosopher ---

From Page One

Sunday's Telegram reports that they've completed an organization to raise a quota of \$1,000 for the Salvation Army. Cisco took care of the Army in its Community Chest campaign.

Without the Community Chest plan, you spend about half of each month working on some fund raising drive.

The League of Nations was established on June 28, 1919, and dissolved April, 1946.

Gold Coast, West Africa, is known as the "White Man's Grave."

Slavery was abolished in the U. S. by the 13th Amendment to the constitution in 1865.

The Pony Express in 1860-61 operated between St. Joseph, Mo., and Sacramento, California.

The Nile River is approximately 4,000 miles long.

Careful field inspections made frequently during growing season enable growers to take needed steps to insure profitable seed crop.

What are the earmarks of a successful seed producer? A fairly large percentage of farmers who attempt to grow certified field seed or high quality uncertified seed, are relatively unsuccessful because of the high standards and extra care that are necessary.

In the first place, he must be a good farmer. His crop rotations and cultural practices must be designed to discourage weed growth and provide relatively weed-free soil for the production of high quality seed. Weeds which do appear should be controlled with cultivator, hoe or chemicals. The war on weeds must be waged in fence-rows, pastures, and wasteland, as well as in cultivated fields. Hand roguing of certified grain fields may be necessary.

Every precaution should be taken to keep down the percentage of weed seed in the harvested crop. Some weed seeds can be easily cleaned from crop seed, but the most efficient method to produce clean seed is the prevention of weed growth.

Primary noxious weeds at field inspection and either primary or secondary noxious weed seed in the seed inspection mean trouble for the producer. Disqualification of a seed lot can well be the difference between profit and loss in some years.

## Action Is Urged To Help Losers Of Cotton Acres

WASHINGTON, Jan. 25.—Senator Price Daniel of Texas has urged that administrative or legislative steps be taken immediately to alleviate hardships resulting from the reduction in 1955 cotton acreage allotments.

"If additional allotments cannot be provided in hardship cases within the present over-all allotment, then some reasonable additional national allotment should be made to take care of these cases," Daniel told the Senate. "Time is of the essence. Any effective relief must come within the next few weeks in order that the farmers may know what they must be remedied."

Daniel said the reduction in allotments to family-size farms was particularly alarming. "We are losing farm families at an alarming rate already, and there is no incentive for young men to stay on cotton farms or to enter such farming. It is a serious social and economic situation which must be remedied."

Daniel called on Secretary of Agriculture Benson to present a solution to the problem and to advise Congress what legislation the Administration would support. The Texas Senator had made a similar request earlier in the week when he and other Senators from cotton-producing States made a personal visit to see Benson at the Department of Agriculture.

"There is no need for Congress to attempt to solve the problem in the short time remaining unless it is assured that its legislation will be signed by the President," Daniel pointed out.

At the conclusion of his remarks, the Texas Senator inserted excerpts of letters written to him by farmers, bankers, and local officials showing the urgent necessity for prompt action.

## A PROGNOSIS

Eggs are too cheap, our poultry farmers are not making any money. Many farmers are selling their entire flocks. In fact I think that is the thing to do. The egg market will continue low until about May, then start up. This is just history repeating itself. When farmers do not make a profit, they cut output, making prices climb again the FOLLOWING SEASON.

If you want to make egg profits in '55, start a good flock of pullets in February. Have them laying in July, and you will make money. Our Leghorns were bred by Dryden of California. He has been breeding chickens for 40 years, and makes improvements every year. You cannot buy better Leghorns at any price. Come see us before you buy.

We are introducing a new cross-bred chicken this year that lays a pure white egg, and plenty of them, the L. G. C. They will lay as many eggs, as large eggs and live better than any of these widely advertised bred-like-corn lines (low-line middle-line or high-line), and sell for half the price. Do not believe what I say, or what these high pressure radio advertisers claim, but let me send you to customers who have tried both, and then make up your mind.

If we can be of service to you come see us. BART J. FRASIER Phone 534

## To Grow Quality Seed Takes Top Grade Farming

Careful field inspections made frequently during growing season enable growers to take needed steps to insure profitable seed crop.

Quality must be assured. Seed production is a business where many things can go wrong for reasons beyond the control of the producer. In this case, the grower must be ready to make a satisfactory adjustment. Producer responsibility does not end with delivery of the seed to the dealer, who must be fully satisfied if he is to buy from the same grower another year.

The production of seed may be a farmer's major enterprise or it may be incidental to other production and a source of added income. In either case, such production is a service to agriculture and to mankind. It is an important part of man's struggle to better himself and the world in which he lives.

Probably each year sees fewer seed producers, whether of certified or uncertified seed, selling their product to the farmer-user. They are finding out as many have before them, that producing seed of high genetic purity and freedom from noxious weed seeds is a specialized job for which they are qualified and equipped. But the final processing, packaging and selling are other specialized jobs for which the grower ordinarily does not have the facilities, equipment or know-how to do profitably, and which the commercial seed processor or wholesale dealer can do much better.

ATTEND THE BIG MARCH OF DIMES

# J A M B O R E E

FRIDAY NIGHT, JANUARY 28, 7:30 O'CLOCK

## CITY HALL AUDITORIUM

The City Fire Department, sponsors of the regular weekly Cisco Jamboree, and all entertainers are donating their services for the Big March of Dimes Jamboree at the City Hall Auditorium on Friday night. All proceeds from ticket sales and other events will go to the fund for the benefit of the Infantile Paralysis Foundation -- an organization that is playing a vital role in the care of polio sufferers and in research for future treatment and prevention of the dread disease.

Top quality entertainment has been assured for the show. The Country Roundup Gang from Breckenridge and all the regular local entertainers will be present for the show.

### AN AUCTION SALE

Will be held at the intermission with all proceeds going to the March of Dimes. Your donation of Cakes, Pies, Cans of Food or other items will be appreciated.

## Attend the Big March of Dimes Jamboree!

# SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

## WSCS Study Course Continued At Meeting

The study course, "Jesus' Teachings Concerning Women," was continued at the weekly meeting of the W. S. C. S. of the First Methodist Church held Tuesday at the church. Mrs. Leslie Seymour is in charge of the course.

The program opened with the group singing, "A Charge To Keep I Have." A poem, "How Mary Taught" was given by Mrs. Connell and a prayer was read by Mrs. John Speir.

Mrs. Seymour stated that the purpose of the lesson was to study some of the present day attitudes toward women and ways of improving these attitudes.

Scriptures pertaining to the parables were read by Mrs. John Speir, Mrs. S. H. McCannlies, Mrs. O. C. Lomax, Mrs. Jim Porter, and Mrs. Paul Woods and were discussed by the group.

The meeting was dismissed with prayer by Mrs. Seymour.

Those present were Mesdames George Davis, S. H. McCannlies, E. H. Lightfoot, John Ppeir, Wal-

ter Boyd, Jim Porter, O. C. Lomax, Wm. Joyner, O. H. Doss, A. D. Anderson, A. R. Westfall, W. A. Cox, S. H. Nance, R. S. Elliot, J. T. Dean, W. W. Moore, Leo Clinton, Sam King, A. J. Sander, D. P. King, Joe Lovelady, Carrell Smith, Paul Woods, Leita Mendenhall, B. E. Morehart, Leslie Seymour, and Mrs. Connell.

## CWF Holds Monthly Meeting On Tuesday

The monthly meeting of the C.W.F. of the First Christian Church was held Tuesday, January 25, at the church.

Call to worship music was played by Mrs. Sidney Spain. Mrs. Raby Miller presided over the meeting and led the opening prayer. Minutes of the previous meeting were read and approved and fifteen members answered roll call.

The offerings from the groups were taken and the dedication prayer was led by Mrs. J. E. Elkins. The treasurers report was given by Mrs. Sam Kimmell and correspondence read. Other routine business matters were transacted.

Group Three was in charge of the program with their chairman, Mrs. A. W. Snider, as the leader. "Jesus Calls" was sung by the group followed by the devotional from Matthew 25 by Mrs. Ada Mobley. Mrs. W. J. Armstrong gave a book review entitled "Christ Calls You."

The meeting was dismissed with the missionary benediction in unison and refreshments were served by Group Three.

**IT'S A HELP** — Pert, packable and practical, this little white wisp of a hat is a good addition to any travel wardrobe. Made of hand-crocheted felt strips, shaped by a wire frame, the hat can be worn with any tailored costume. That's a red feather trim.

## Social Security Man Will Speak For Farm Bureau

The new social security law affecting farmers will be discussed and explained by the district manager of the Social Security Administration, R. R. Tuley of Abilene, at a meeting scheduled for Monday night, Jan. 31, at the Carbon High School, sponsored by the Eastland County Farm Bureau, according to information this week by Mrs. Bill Tucker, publicity chairman.

Under the revised Social Security Act, most farmers and farm workers will now be afforded some protection against income loss, by reason of age, such as the retirement income protection which other groups have had for a number of years. Farm families should avail themselves the opportunity to know more about this new Social Security Law by attending and hearing this speaker. More information will be available as time goes on.

Also, Phillip C. Hubert will explain a new cancer hospitalization plan for Farm Bureau members, which is being made available.

According to the program chairman, Mitchell Campbell of Gorman, a program of local talent is being arranged, and refreshments will be served by the Carbon community committee women, headed by Mrs. Maud Stubblefield and Mrs. Clyde Barbee.

## Sunbeams Meet On Tuesday Afternoon

The Sunbeams of the First Baptist Church met Tuesday, January 25, at the church for their regular weekly meeting.

The president called the meeting to order and the group repeated their watch word, rally cry and scriptures and sang their sunbeam song and their prayer song. Miss Willie Frank Walker closed the prayer.

Cinda Gafford called the roll with each member putting stars beside their name. During the short business session, Sue Collier was elected to serve on a hand work and room committee. Mrs. Don Reynolds told the story of "Why Is My Little Dog Gone?," and the group made baskets and paper money as their handwork.

The meeting was dismissed with prayer in unison and refreshments of stick candy were served.

Those attending were Joan and Ronnie Parkinson, Cinda Gafford, Ellen Crain, Alice and Dianne Everett, Becky Johnson, Mark Lineberger, Ronnie and Cathy Reynolds, Jimmy Moore, Patti Morrison, Charles Cleveland, Don and Tommy Williams, Sue Collier, Jolene Ebeling, Brenda Mayhew, and the leaders, Mrs. S. E. Parkinson, Mrs. Flournoy Cleveland, Mrs. Don Reynolds and Miss Willie Frank Walker.

## First Baptist Circle Six Meets Tuesday

Circle Six of the First Baptist Church met Tuesday morning, January 25, in the home of Mrs. H. D. Thomas for their regular meeting.

Mrs. O. J. Russell opened the meeting with prayer and Mrs. W. B. Cates gave the devotional from Romans 10: 13-15. Mrs. Leo Keelan conducted a short business session and Mrs. D. N. Morrison taught the lesson from the first chapter of the mission book, "Under The North Star." Mrs. H. D. Thomas led the closing prayer.

Refreshments were served following the meeting to Mrs. Leo Keelan, Mrs. R. I. Greer, Mrs. W. B. Cates, Mrs. H. D. Thomas, Mrs. D. N. Morrison, and Mrs. O. J. Russell.

The next meeting will be at the home of Mrs. Leo Keelan.

## Mrs. Shepard Hostess

Mrs. F. E. Shepard was hostess in her home Tuesday, January 25, when members of Circle Two of the First Baptist Church met for their regular meeting with the president, Mrs. F. D. Wright, in charge.

Mrs. J. E. Burnam opened the meeting with prayer and a discussion on the Round Rock Or-

phanage was held and members were asked to have their garments for the home ready by the fourth Tuesday in March.

The devotional was given from the epistle of Paul to the Corinthians by Mrs. Wright and Mrs. E. J. Poe brought the concluding chapter of the mission book.

Refreshments were served following the meeting to Mrs. J. E. Burnam, Mrs. Frank Walker, Mrs. A. R. Day, Mrs. Effie Mayhew, Mrs. E. J. Poe, Mrs. F. D. Wright, Mrs. Fred Grist, and the hostess.

## Business Census Report Forms In Mail For Texans

Report forms of the 1954 Census of Business are being mailed to Texas retail, wholesale and service businesses, theaters and other amusement places, hotels and tourist courts, early in January by the Bureau of the Census, Department of Commerce. The report forms are adapted to the various kinds of business and smaller firms need answer only a minimum of basic inquiries.

Approximately three million business firms throughout the United States will receive the 1954 census forms. Information collected in the census is confidential and will be used by the Bureau of the Census in compiling new statistics on business activities for the Nation, States and smaller areas for the first time since the results of the 1948 Census of Business were published.

Selected figures for Texas from the 1948 Census of Business follow:

Retail Trade, 1948 — Number of stores, 90,674; Sales for the year, \$6,518,877,000; Payroll for the year, \$611,730,000.

Wholesale Trade, 1948 — Number of establishments, 11,558; Sales for the year, \$8,197,169,000; Payroll for the year, \$338,166,000.
