By J. W. S.

THERE'LL BE TWO big events in town Friday (tomorrow) night. Out at Cisco Junior College, they'll be holding the very first public program in the new main building auditorium as the CJC Music Department presents the A Cappella Choir of North Texas State College in a concert at 8 p. m. Mr. Jack Chambliss, head of the music department, reports that you can expect a program of outstanding music.

They're gradually moving into the new CJC main building. Understand a big formal opening is planned when they hold annual Ranch Day in a month or two. We'll give you all the dope very soon.

THE OTHER BIG event will be the crowning of King Lobo and his queen at the community gym. The king has been elected, but nobody knows his identity yet.

The CHS civics class (the one that's going to Austin next week) staged the election. It was just like the Democrats, or maybe the Republicans, hold elections, with numbered ballots and everything. In other words, they cast their ballots just like they'll do when they're 21 years old and voting citizens of the community.

Understand a committee will count the ballots late Friday and announce the results at the big ceremony.

THE CISCO Presbyterian, the bulletin printed by the local Presbyterian church as a means of calling the attention of the membership to news and announcements, paid a fine tribute to Dr. W. P. Lee the other day. The article about the pioneer Cisco citizen and physician, who is still active after passing his 90th birthday, follows:

The First Presbyterian Church of Cisco has contributed its share in the development of Christian influence and Christian ideals since its organization in 1881. Many great leaders have given long years of service to the program and ongoing of the church during its history. The service, the influence and the abiding Christian faith of the subject of this tribute, Dr. W. P. Lee, is perhaps the most outstanding of all these leaders.

Dr. Lee's father, Joel W. Lee, was a graduate of Princeton University, an officer in the Confederate Army and a college teacher. His untimely death (at age 38) left his son, Dr. Lee, an orphan at the age of eight. He overcame the hardships of an orphan and graduated in medicine from Tulane University.

His first four years of practice was in Breckenridge, Texas, where he married Miss May Ewing, the only sweetheart he ever had, a daughter of Dr. Ewing. To this family were born three sons and two daughters, four of whom are still living.

Dr. Lee moved from Breckenridge to Cisco where he has continued to live as a prominent leader in civic affairs, Masonic Lodge and as a leader in the work of the Presbyterian church. He has been one of the leading physicians and is now the city health officer, a position which he has held since 1931. He has received all the honors conferred by the Masonic Lodge.

When Dr. Lee was Sunday School Superintendent he knew every attendant by name. Little children respected and loved him. They would assemble around him when he entered the church building in the discharge of his duties as superintendent.

He has been very successful in his profession as thousands of his patients testify. Once a young mother lost her tiny daughter and sent for him and said, "I don't need your medical care but I want you to tell me how to bear this cross that has been laid upon me." "What greater tribute than this request could be paid to the faith and life of this man?"

In his church work, Dr. Lee has held all the offices from clerk of the session to moderator of the presbytery. He was a commissioner to the general assembly at its meeting in Lexington, Kentucky, in 1925. It is said that when one of the ministers of the congregation started to leave for another pastorate, he said: "One of my greatest regrets in leaving this pulpit is that I cannot take Dr. Lee with me."

CELESTIAL CITY—Minneapolis, Minn., took on the appearance of a city in the sky when its skyline was mistily obscured by clouds rising from its street. Heated air from buildings and auto exhausts turned into miniature, man-made clouds which hovered over the city when the temperature dropped to 20-below. It caused this unusual sight for the residents to marvel at.

Medical Care In Middle Life Is More Important

AUSTIN, Feb. 24. — From a health standpoint, life after forty begins to be more complicated for the average individual. According to information from the State Department of Health, the principal health foes confronting people in middle life are heart disease, cancer, kidney disease, high blood pressure, hardening of the arteries, apoplexy, diabetes, and arthritis.

Middle aged people of today are healthier than were those of preceding generations, and the present generation, when they reach middle age, should enjoy even better health than their parents' of today.

Medical care in middle life has two important phases. The first is going to the doctor at regular intervals for a complete physical checkup, whether or not there have been symptoms that suggest the need for medical attention. The second is prompt attention to any illness which may mean the difference between prompt recovery and continued good health and prolonged invalidism. It is difficult to say which of these phases is the more important.

It is logical that men and women who faithfully pursue the habit of regular health examinations and who follow the advice arising from them tend to live longer, more satisfactorily, and free from disease than those who simply take a chance and go to the doctor only when pain or disability forces them to give up their normal activities. Many diseases of middle age respond to treatment in early stages whereas if neglected until later stages they often cause permanent invalidism and even death.

For persons over forty especially, the State Department of Health recommends regular physical examinations and prompt medical attention for any and all illnesses.

CHS Students To Crown King Lobo In Friday Night Rites

In an impressive coronation ceremony to be held at the community gym Friday night his Majesty, King Lobo XXIII, will receive his crown and will begin his reign over the realm of Cisco High School for the remainder of the school year.

Members of the junior class and the sponsors of the class have been working day and night this week preparing for the coronation program, the highlight of the school year.

King Lobo and his queen will be crowned before a court of lords and ladies from the Lutheran school, West Ward, East Ward, counts and countesses from Cisco Junior High School and Duke's College and from the classes at the high school. An attractive woodland scene surrounds the

'THE PRODIGAL SON' WILL BE PART OF NTSC PROGRAM HERE

"The Prodigal Son," a work commissioned by the North Texas State College A Cappella Choir, will be included on its program at 8 p. m. Friday at the Cisco Junior College auditorium, sponsored by the Music Department.

Composer Tom Scott took for his text one of James Weldon Johnson's sermons from his settings of Biblical stories called "God's Trombones." "The Prodigal Son" is still in manuscript form and features a narrator with a choral background. It has been enthusiastically received since its first performance by the NTSC choir on its northern tour in 1951.

Following its policy of presenting outstanding examples of contemporary choral music, the NTSC choir this year will present Ralph Vaughan Williams' setting of "Three Shakespeare Songs," composed for the British Federation of Music Festivals' National Competitive Festival in 1951.

Included are "Full Fathom Five" from The Tempest, Act One, Scene Two; "The Cloud-Capp'd Towers" from The Tempest, Act

Four, Scene One; and "Over Hill, Over Dale" from Midsummer Nights' Dream, Act Two, Scene One. Another modern choral work to be presented is "Behold, I Build an House," a Biblical cantata for chorus and piano composed for the dedication exercises of the Boston University Daniel L. Marsh Chapel by Lukas Foss.

Other works on the program will include A. D. Kastalsky's "God Is With Us," which is a setting of the Christmas story featuring a solo chant and choral background; Franz Listz's "Benedictus," and the final two choruses from Bach's "St. Matthew Passion."

As an added feature, two outstanding pianists will be presented. Miss Lee Dougherty of Norfolk, Va., will play the first movement of Rachmaninoff's "Second Piano Concerto, Opus 18." Miss Bettye Joyce Carlton of Houston will play Grieg's "A Minor Piano Concerto, Opus 18," first movement.

Miss Dougherty is a member of the choir and Miss Carlton is the accompanist. These two young artists will travel to Europe in the summer of 1955 to compete as a two-piano team at the Young Artists International Competition in Geneva, Switzerland. They will be accompanied by their teacher, Dr. Silvio Sciolti. Dr. Sciolti is a retired member of the NTSC School of Music faculty, and is one of the permanent judges of the Geneva Competitions.

Each performance will also include two arrangements of familiar folk songs by Gail Kubi, "Jeannie With the Light Brown Hair," and "March of the Men of Harlech." The program concludes with "Yonder!," a folk tune arranged by Samuel Richard Gaines, and the finale from the first act of "Song of Norway," based on Edward Egleg's music.

Cub Scout Pack To Hold Annual Banquet Tonight

Cub Scout Pack 27 will hold its traditional Blue and Gold anniversary banquet in the basement of the First Christian Church at 7 p. m. Thursday (tonight).

Dens 1,2,3,4,6,7, the den mothers, and families of all Cubs will attend. Joe Galbraith, scout executive for the north district of the Comanche Trail Council, will also attend, according to Cubmaster H. C. Brown.

Each den will present a skit after which a number of awards will be made.

Good Prices Are Seen For Sheep In Coming Year

COLLEGE STATION, Feb. 24. — A farm economist describes as "doubtful" chances that sheep and lamb slaughter will exceed last year and predicts stronger prices in 1955.

Several factors may influence producers this year, says John G. McHaney, extension economist. Should range conditions improve, many lambs would go for restocking instead of being used to increase the supply of mutton.

The higher support price on wool may act as incentive for producers to hold or increase herd numbers. This could happen even though wool provides only one-fourth to one-third of the total income in the sheep industry, McHaney adds.

The national average government support price on wool this year has been set at 62 cents a pound, grease basis. The average for market wool is expected to remain near 53 cents a pound.

Because of poor range conditions and last year's increased marketings, wool production is expected to decline slightly. World production, however, is predicted to rise roughly one percent.

Consumer demand for lamb shows continuing signs of weakening, McHaney says. Americans are expected to eat approximately 4.1 pounds of mutton per capita in '55, less than 3 percent of the total red meat consumed.

Reports Are Due From Students

The nation's 16,000 World War II veterans taking GI Bill farm training were reminded today by the Veterans Administration that reports of their 1954 earnings are due at their VA Regional Offices no later than March 1, 1955.

Failure to submit the reports by the deadline, VA warned, may result in discontinuance of GI subsistence payments until such time as the reports do reach VA. Trainees who have not yet received the report forms may obtain them from their instructors.

These yearly reports, VA emphasized, do not apply to veterans taking institutional on-farm training under the Korean GI Bill, since their monthly allowances are computed on a different basis.

Legionnaires To See World War II Film

A world War II film, made by the U. S. Army during the action in Europe, will be shown as the program feature at 7:30 p. m. Thursday (tonight) at the regular semi-monthly meeting of the John William Butts Post 123 of the American Legion.

Post members and area veterans were invited to attend. The film was obtained for the showing by the Cisco Unit of the Texas National Guard.

Dutch Meyer To Speak At Moran Dinner March 10

L. R. (Dutch) Meyer, athletic director of Texas Christian University, Fort Worth, will be the guest speaker at the annual Athletic Banquet honoring all members of Moran's athletic teams on March 10.

Moran Coach E. E. Lackland said that the appearance of Meyer on the program would assure the community of one of its most outstanding athletic banquets.

He extended an invitation to everyone in Cisco to attend the banquet Thursday night, March 10, at the high school. Tickets may be purchased at the high school in Moran.

Dutch Meyer is one of Texas' most colorful coaches. For many years he served as football coach of the Horned Frog team at Texas Christian. Some three years ago he resigned to accept the post of athletic director of the school.

The Luncheon Club was hosted last week by the Deep Creek ladies. They served a delicious dinner of pork chops, various vegetables, and dessert of cherry pie with whipped cream to 45 guests and members.

The toastmaster introduced the guests for the hour. They were: Mrs. Barbara Allen, Cisco; Mr. Sanders and Mr. Swan, both of Abilene; and Mr. and Mrs. Tuffy Sprinkles of Albany.

Mrs. Oscar Wise, assistant program chairman, introduced the president of the Amity Club, Mrs. Mae Delle Jones, who presented Mrs. Albert Thompson, who gave a summary on George Washington. Mrs. Bertram Elliott sang two selections, accompanied by Mrs. Garland Shelton on the piano. Mrs. Jones' reading, "The Courtship of George and Martha," brought much laughter.

Mr. and Mrs. Albert Thompson, Mr. and Mrs. Oscar Wise, Mr. and Mrs. Hardy McKelvain, Mr. and Mrs. R. C. Crawford, and Frank McCrum attended the funeral of Mrs. Joe R. Bussey at the First Baptist Church in Ranger Sunday afternoon. Mr. and Mrs. Bussey lived in Moran in 1949-50 when he was with the Texas Company. Mr. Bussey preceded his wife in death in 1950.

Mr. and Mrs. J. B. Montgomery and family were visitors in her parents home, Mr. and Mrs. B. A. Elliott, over last weekend.

Mr. and Mrs. Billy G. Huskey and family, and Mr. and Mrs. Arthur LaBonte, all of Big Spring, spent the weekend with their parents, Mr. and Mrs. Alvin Huskey, Jr.

Mr. and Mrs. Troy Rogers of Austin spent the weekend with her parents, Mr. and Mrs. D. R. Harper.

Mr. and Mrs. Paul Cozby of Seagraves visited recently in the home of her parents, Mr. and Mrs. D. R. Harper. The Cozby's were on their way home to Seagraves after attending a banker's convention in Dallas.

Mrs. A. B. Cooper is visiting in the home of her daughter, Mrs. George Fleming, of Dallas.

WRANGLERS TAKE CONSOLATION HONORS IN REGIONAL TOURNEY

The Cisco Junior College Wranglers won the consolation championship in Region 5, National Junior College Athletic Association Wednesday night when they downed the Decatur Indians 92-90 in the regional tournament held in Amarillo Monday, Tuesday and Wednesday.

The Wranglers lost their first game in the tournament to the strong Amarillo Junior College cagers, then went on to win their way to the consolation finals.

Howard County Junior College took the championship of the tourney Wednesday night by winning over Connors State, last year's champions, 69-68. In the Decatur game Wednesday night the entire Wrangler squad figured heavily in winning the consolation trophy. Burnell Stevens took scoring honors for the game with 26 points. Slats Slatton scored 24 for the Cisco team. Fortenberry led Decatur with 25 points.

The Wednesday game gave the Wranglers three wins over Decatur for the season against one loss.

Interest Grows In Area Oil Test

Oil men of this West Central Texas region were watching with considerable interest today as drilling in a deep oil test seven miles northwest of Cisco was progressing below 4,400 feet. This was the feature of news about oil developments in the Cisco area.

The deep test, which is scheduled to continue until the granite is topped at about 5,600 feet, is a joint project of Bankline Oil Company and Hurt Oil Company, both of Midland, as their No. 1 L. L. Huntington. Drillsite is 467 feet from the north and west lines of Section 503, SP Survey, in Eastland County.

Late Wednesday, the wildcat was drilling at 4,395 feet and had cut some 230 feet of Ellenberger lime. The formation was topped at 4,173 feet and no oil or gas show had been reported in the lime.

In the Caddo lime around 3,000 feet, the well lost circulation for a time. A drill stem test produced no results. A section of Lake Sand was encountered and a drill stem test here resulted in 90 feet of salt water recovered in the casing.

Observers said that an oil strike below the Ellenberger lime would cause considerable activity in the area, as there never has been any production here below the upper Ellenberger level. The Bankline and Hurt companies, together with Sorrells Oil Company of Fort Worth which also has an interest in the project, have something like 4,000 acres of leases in the block, it was understood.

Oil men recalled that there have been three previous granite tests in this general region over the years. In the 1920's Hopkins and Davis drilled a deep test to granite near the "Y" on the Breckenridge highway. A reported Hickory sand show was never confirmed.

During the 1930s, a Desdemona townsite test went to granite. Tests below the Ellenberger yielded water. In the late 1940s, the Bilks company drilled to 5,450 feet on the Mitcham Ranch some six miles north of Cisco. Various local oil men contributed bottom-hole money. The Hickory sand contained salt water in the final test, it was understood.

It was expected that the outcome of the Bankline-Hurt test would be known in another few days.

Final Rites For Mr. Wagley Will Be Held Friday

Funeral services for Charles Newton Wagley, 79 year old retired Farmer and well driller who died at his home at 4:30 a. m. Wednesday, will be held at 2 p. m. Friday. He had been in ill health for some time.

The services will be held at the East Cisco Baptist Church under the direction of the Rev. Lee Fields, pastor of Calvary Baptist Church. Rev. Fields will be assisted by the Rev. Tex Culp, pastor of East Cisco Baptist Church.

Burial will be in the Gun-sight Cemetery under the direction of Thomas Funeral Home.

Civil Service Will Fill Tax Vacancies

The U. S. Civil Service Commission has announced examinations for Tax Collector and Tax Investigator, GS-5, \$3410 per annum, for employment in the Internal Revenue Service in the states of Texas, Louisiana, Arkansas, Oklahoma, and New Mexico.

Full information and applications may be obtained from the Executive Secretary, Internal Revenue Service, Room 513, 1114 Commerce Street, Dallas 2, Texas.

CHECKLIST OF DEADLINE DATES ISSUED FOR KOREAN VETERANS

Veterans Administration today issued a checklist of deadline dates before which eligible veterans of the Korean conflict period must act if they wish to take advantage of certain benefits. Most of the deadlines resulted from the President's proclamation setting January 31, 1955 as the end of the Korean conflict period governing eligibility for the benefits. The conflict period began June 27, 1950. One of the most important deadlines not effected by the President's proclamation requires that eligible veterans who wish to go to school or train under the Korean GI Bill must start training within three years after they leave service or forfeit all further rights to the benefits. This requirement is contained in the law itself and, therefore, was not affected by the President's proclamation. Those who start their education or training within the required three-year period must complete their Korean GI Bill Training by January 31, 1963, or eight years after discharge, whichever is earlier. The terminating date of January 31, 1963 resulted from the President's proclamation. For GI loans on homes, farms or businesses, eligible veterans

Sunbeams Meet At Church On Tuesday

The Sunbeams of the First Baptist Church held their regular weekly meeting Tuesday, February 22, in the Church.

President Ellen Crain called the meeting to order. The group then repeated their watchword and rally cry in unison. They all joined in quoting scriptures and singing their two Sunbeam songs. Patty Morrison closed the prayer.

Roll was called by Brenda Mayhew. Mrs. Don Reynolds told a story after which she reviewed the group on their five shining aims.

The pre-school Sunbeams colored a picture to be placed in their books while the older children rehearsed for a program. The meeting was closed with prayer.

Refreshments of candy Easter eggs and candy logs were served by Circle 5 of the First Baptist Church to Joan and Ronnie Parkinson, Brenda Meyhew, Jim and Karen Moore, Cinda Gafford, Val Loudder, Ellen Crain, Marsha Kay and Doris Glenn, Sara Brashear, Brenda Smith, Ronnie and Kathy Reynolds, Becky Johnson, Mark and Debbie Lineberger, Patty Morrison, Alice and Diane Everett, Nancy and Betty Shingle, Carla Curtiss, Sharon and Shirley Petty, Betty Calloway, Monty Jean and Becky Petranella and their leaders, Mrs. S. E. Parkinson, Mrs. Flournoy Cleveland, Mrs. Don Reynolds, Miss Willie Frank Walker and Mrs. Henry Curtiss, a new worker.

Girl's Auxiliary Has Meeting Wednesday

The Girl's Auxiliary of the First Baptist Church held its regular weekly meeting Wednesday, February 23, at the church.

The opening prayer was led by Camille Lee. The group then sang their song, and repeated their watchword, allegiance and 5-star ideals.

The secretary read the minutes of the previous meeting and called the roll. Routine business matters were attended to.

A program was given on stewardship was given by their leader, Mrs. J. E. Mayhew.

Ice cream was served by the W. M. U. to Carol Mayhew, Mary Ann Moore, Mary Ward, Camille Lee, Brenda Mayhew, a visitor, and Mrs. Mayhew.

First Baptist WMU Has All-Day Meeting

The Women's Missionary of the First Baptist Church opened its regular monthly meeting at 11 a. m. Tuesday at the church with Mrs. D. L. Kisner program chairman, presiding.

The opening song, "Bringing in the Sheaves," was led by Mrs. Kisner with Mrs. H. M. Ward at the piano. Mrs. Don Reynolds led the group in prayer after which Dr. H. M. Ward, church pastor, gave a mission program on Jamaica.

At noon, a covered dish luncheon was served. Dr. Ward gave the benediction.

After the luncheon, Mrs. W. L. Hussey, W. M. U. president, called the meeting into session with Mrs. W. D. Hazel leading the opening prayer.

Mrs. J. R. Coats led the group in singing "When I Survey the Wondrous Cross" accompanied by Mrs. Ward. Mrs. Allen Crownover gave a devotional.

The secretary, Mrs. W. L. Moore, read the minutes of the previous meeting which were approved. Mrs. D. N. Morrison gave the treasurer's report.

Reports from chairmen of standing committees were as follows: Mrs. Bobby Zellers, young people's director; Mrs. E.

J. Poe, W. M. U. vice-president, visitation; Mrs. M. P. Farnsworth, community missions; and Mrs. W. C. Cates, social chairman.

Mrs. Leo Keelan, benevolence chairman, reported on progress of the W. M. U. project of making Easter clothes for children at the Round Rock home. She announced that the president of the home will be present at the next regular meeting of the organization March 22, to accept these gifts and speak to the group about the home.

The mission study was taught by Mrs. Don Reynolds. Mrs. Herschel Barnes announced that the Annie Armstrong Week of Prayer will begin Monday morning with a program each day. An attendance pin was awarded to Mrs. Waymon Johnson, chairman of Circle 4. Closing prayer was led by Dr. Ward.

Without Nagging Backache
Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys, if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
