OLD HOME TOWN

Members of the Cisco high school band will be special guests at the spread to be given by the men's class to the women's class of the First Presbyterian church Thursday night. The picnic is the result of an attendance contest which the women won. Members of the band played for the men at the last day of the contest Sunday, and it is in appreciation of this that the members will be guests Thursday night at 7:45 o'clock. The band members were requested to bring their instruments with them.

Wednesday was a big day in the life of affable Geo. Carmichael, while city policeman, traffic officer and sanitary inspector. George got his teeth. After being without any teeth for three or four months, George now has a whole mouth full, and his only trouble now is learning how to use them.

There was rejoicing in the home of George Wilson, living two miles south of Cisco on the Rising Star highway, Wednesday. An Spound girl was born to Mrs. Wilson at 2 o'clock Wednesday morning.

A chicken barbecue picnic planned for Thursday night at the home of Dr. T. T. Roberts by the men's class of the First Christian Sunday school in honor of the Ladies' class, has been postponed until early in September. It was announced Wednesday by C. R. West, president of the class. Two many members of both classes are out of town on vacation trips to permit success of the entertainment. It was said.

"My father's greatest ambition was to live long enough to see the First Baptist church building completed," said Asa Skiles Wednesday. "Just last week Rev. Acker Miller, the pastor, visited him and found him at a more lucid moment than usual. The first question he asked was 'When are you going to move into the new church building?' We regret that he was unable to realize that ambition, for he seemed to live only for his church and his family."

Col. Penick Starts Poultry Organizing

SWENSON, Aug. 10.—Colonel R. L. Penick of Stamford, and Exhibit Agricultural Manager B. M. Whitaker of the West Texas chamber of commerce, will be in Swenson Thursday to attend the big barbecue and basket dinner planned here for that day as a part of the movement for organization of a poultry association in this district.

NEGRESS ON TRIAL IN TEXAN'S DEATH

WAXAHACHIE, Aug. 10.—Barbara Whitman, negress, on trial here for murder in the death of Charlie McCally, white, drink stand proprietor, who was slain July 10, 1926, was expected to go to the jury late today. The Whitman woman, testifying in her own behalf, claims the gun with which McCally was slain was fired accidentally.

MEDICINAL LIQUOR DEMAND IS OFF

WASHINGTON, Aug. 10.—The treasury department has abandoned proposals for the resumption of the manufacture of medicinal liquor this year. Assistant Secretary Lowman announced today. He said the decision was based on a decrease in liquor withdrawals for medicinal purposes.

INDICATIONS POINT TOWARD NEW REPRIEVE

BOSTON, Aug. 10.—When a conference between the governor and attorneys general broke up, the visitors left the state house, refusing to make any statement. At 1:10 p. m. Gov. Fuller told the assembled members of his council he would not be ready to consult with them until 3:30 p. m. Meanwhile defense Attorney Hill waited in the governor's outer office.

BOSTON, Aug. 10.—The fate of Sacco and Vanzetti was placed in the hands of Gov. Alvin T. Fuller and seven former attorneys general today. Judge George A. Sanderson, in supreme court, took under advisement exceptions taken to his decision denying a writ of error and other legal moves in the case. He told defense attorney Arthur D. Hill and Attorney General Arthur Reading that he would look deeply into the law books to determine whether he has power and the duty to bring the case before the whole supreme court. Judge Sanderson said he would make his decision known tomorrow. As the respite granted the two expires tonight at midnight, the fate again rests in the hands of the governor. The governor then called into conference the seven former attorneys general to determine what should be done after the latest turn of events. An application for writ of habeas corpus signed by Vanzetti was also ready for introduction in federal court in the event the governor should deny a respite.

Also, in the office was an appeal to Justice Oliver Wendell Holmes of the U. S. supreme court. Sacco and Vanzetti, two Italians of alleged radical views, were convicted of murder of a payroll clerk at South Braintree, Massachusetts, seven years ago. Their case has been hard fought, the defense charging that a department of the federal government and the prosecution were closely allied, and that the two were prosecuted because they were radicals, rather than because they were guilty of the crime.

EXTRA GUARD PLACED ABOUT PRESIDENT

RAPID CITY, Aug. 10.—As the hour for execution of Sacco and Vanzetti, payroll murderers, neared, the secret service increased its staff by one man to guard the president.

BUENOS AIRES ROCKS IN FORCE OF BOMBS

BUENOS AIRES, Aug. 10.—Buenos Aires was shaken by two explosions this morning. No one was injured. The palace of justice suffered considerable damage and houses on the other side of the street were damaged somewhat. The outrages were attributed to Sacco-Vanzetti sympathizers.

CHICAGO RIOTERS CALL OUT POLICE

CHICAGO, Aug. 10.—Three riots involving thousands of men and women broke out here today in the west side. The west side is the stronghold of the Sacco-Vanzetti sympathizers. From three sections came simultaneous calls for reinforcement as the maddened mob with banners and placards swept through streets through the heart of Chicago. Two men and four women were arrested.

CISCO MARKET ASSOCIATION SHIPS STOCK

Four carloads of livestock were shipped by the Cisco Marketing association and two individuals Tuesday, constituting the August shipment of the association. In addition to a regular shipment of cattle, the association shipped 72 goats, Bedford Mashburn shipped 40 calves, and another car was loaded with canners and bulls. H. L. Poe, president of the marketing association, accompanied the shipment.

VETERAN RUM FOE IS FOUND FATALLY SHOT

TULSA, Okla., Aug. 10.—Rev. W. H. Hatfield, veteran liquor crusader, minister of the Methodist church and chief of police in South-west City, a village nesting amid the whiskey stills of the Ozarks, was found shot to death this morning. Death was believed to have been eliminated from his war on booze he waged in the pulpit and police department.

ROAD SHOWS WILL APPEAR HERE IN FALL

At least two big road shows have been booked for Cisco the coming fall. Manager K. N. Greer of the R. & R. theaters announced Wednesday. These two are "Seven Heavens" and "Three Wise Fools," both well known successes on the New York stage. The exact dates for the two appearances have not yet been set, but they are to be seen here some time before Christmas. As a means of accommodating the road shows, dressing rooms are to be built and better facilities for handling scenery will be provided. The front of the Palace theater is now being redecorated, as well as part of the interior. An additional windmill fan has been placed in the front of the building to make it cooler, while 30 rocking chairs have been placed in the boxes. "You'll have to bring an alarm clock with you to wake you up, we've made things so comfortable," Manager Greer said.

SHOOTING OF FRANK NORRIS ONLY A RUMOR

Rumors were current in Cisco Tuesday night and Wednesday morning that Rev. J. Frank Norris, pastor of the First Baptist church at Fort Worth had been shot, and scores of telephone calls and personal calls were received by the Daily News from those who had heard the rumor. However, telephone and telegraph communication failed to substantiate the rumor or give any inkling as to its source. Officials of the Fort Worth Star-Telegram said they had not heard the rumor, although at the time of the pastor's trial for the killing of D. E. Chipps, of which he was acquitted, "somebody reported Frank Norris shot every five minutes."

Where the rumor started in Cisco could not be determined, but the wide circulation was very evident.

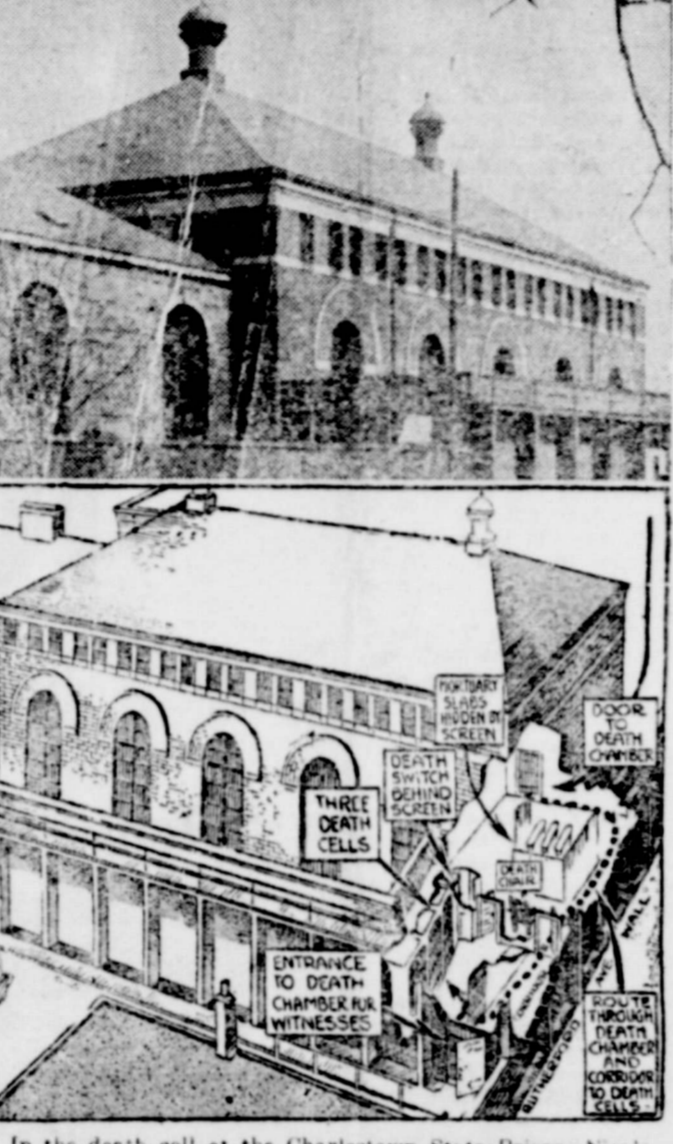

Two Believed Dead in Blast

HOUSTON, Aug. 10.—Ray O'Neal of Houston was gassed and two others were believed burned to death in the engine room of the West Keechie. O'Neal, who is still unconscious, was burning out rivets with an acetylene torch, and it is believed the flame ignited gas from the bilges, causing an explosion. Six other men are believed to have been working with O'Neal but it is believed all but two escaped. The West Keechie is a freighter which arrived here recently from Portland.

Texas Poloist May Not Recover

MINEOLA, L. I., Aug. 10.—"Still unconscious. Condition unchanged," was the report of the Nassau hospital here today on the condition of Fred Roe, Texas banker and international polo player, who was injured at polo game at Port Washington Sunday. Little hope for his recovery is held.

Lake Cisco Bathing Pool Gets Good Scouring With Fire Hose; Work On Bleachers and Lower Pool Progresses

The Lake Cisco bathing pool has undergone a thorough cleansing, it was announced Wednesday afternoon after the night and morning had been spent in draining and scouring the pool. As a final touch, a truck from the fire department went to the pool and washed the pool with the force from the pumper. Draining and scouring of the pool at this time was made necessary because of a heavy growth of algae or moss which had begun on the concrete floor. The algae, while not dangerous to health, makes the floor of the pool slick and this discomfited the swimmers. This was washed out Wednesday morning and the pool will be refilled this afternoon and made ready for use tonight.

MEXICAN BAND RAIDS RANCH OF AMERICANS

DEL RIO, Aug. 10.—A party of a dozen Mexican bandits yesterday raided the Gus Dunn ranch about 40 miles from here, and stole six horses, several head of cattle, and a considerable amount of food and equipment. It became known today when Oscar and Travis Dunn made a report to the Mexican federal officers at Villa Aenna, across the Rio Grande from here. After raiding the Dunn ranch, the Mexicans visited the Mexican and Ohio test well nearby and helped themselves to dinner. Captain Luke Dove, head of the customs office here, said the bandits formed on the Texas side and crossed the Rio Grande 100 miles west of here.

State Capitol To Be Guarded

AUSTIN, Aug. 10.—Ranger Sergeant Wheatley and Ranger Aldrich will guard the state house tonight against any possible activity of Sacco-Vanzetti sympathizers, Captain Frank Hamer announced today. "We expect no trouble from the reds, but as a precaution rangers will not permit any stranger to wander about the capitol tonight." Orders to patrol the capitol followed a conference of Gov. Moody with R. B. Walthall of the board of control who has custody of the capitol.

Chicago Gangsters Take Two More Lives

CHICAGO, Aug. 10.—Bodies of two men "taken for a ride" in gangland parlance were found huddled grotesquely in a ditch today. Examination revealed the bodies will not only provide comforts for those who visit the pool in the summer but also make it possible to seat many thousands persons at any outdoor event that may be planned in the fall and winter for the amphitheater thus created. The contractor is rapidly completing work on the lower and deeper section of the pool. The sidewalks are practically all completed, and work will start soon on the concrete floor, with the expectation of opening this part of the pool within a short time. The deep water will provide sufficient depth for fancy diving, and it is likely that a fancy diving contest will be arranged for the opening date.

COOLIDGE AT START OF WORK ON MONUMENT

MOUNT RUSHMORE, KEYSTONE, S. D., Aug. 10.—President Coolidge came to the base of the towering wall of Mount Rushmore today to pay tribute to America's engine builders, Washington, Jefferson and Roosevelt. He stood at the head of several thousand citizens while Gutzon Borglum, nationally known sculptor, was lowered 150 feet over the bald face of the mountain to start the first drill that is to etch out of the solid rock the profiles of the four great presidents. Speaking later, President Coolidge said: "We have come here to dedicate a cornerstone that was laid by the hand of the almighty." The Father of His Country, the Great Expansionist, the Emancipator and the man who completed the dream of Columbus and cut a way through the continent to the Pacific were eulogized to the fullest extent.

"It is but natural," said President Coolidge, "that such a design should begin with George Washington, for with him begins that which is truly characteristic of America. He represents our independence, our constitution, our liberty. He formed the highest aspirations of any people into the permanent institutions of our government. Next to him will come Thomas Jefferson whose wisdom insured that the Government Washington had made should be entrusted to the people."

"After our country had been established, enlarged from sea to sea and dedicated to popular government, the next great task was to demonstrate the permanency of our union and extend the principles of freedom to all inhabitants of our land. The master of this task was Abraham Lincoln."

Mexico Asks For Probe of Slaying

MEXICO CITY, Aug. 10.—According to the newspapers Graphic and El Universal, the Mexican government today requested the United States government to investigate the alleged killing of two Mexican citizens, Benjamin Izquierdo and Antonio Duron, by an American farmer near Crystal City, Texas. The Mexican consul at Eagle Pass made a report to his government in the case. The newspapers charge that the alleged killing of the Mexicans was not held in jail, but after preliminary arraignment was released.

Dokeys Name Duthie Chief

FORT WORTH, Aug. 10.—W. H. Duthrie of Barre, Vt., was elected imperial prince of the Dramatic Order, Knights of Khorassan. W. W. Austin, San Diego, Calif., was advanced in rank from imperial knight to imperial basha, following the usual procedure in raising imperial officers at such conclaves. Six of the officers of the imperial palace were re-elected.

Texas Guardsman Dies of Injuries

HOUSTON, Aug. 10.—Houston Greck, 30, of Waco, died at a local hospital here today. Convulsion of the brain was responsible, according to hospital attaches. Greck, member of Company K, 142nd Infantry of the National Guard of Stamford, died without regaining consciousness after falling from a train.

SAN DIEGO, Calif., Aug. 10.—Lieut. George Covell and R. S. Waggoner, of the U. S. Navy, were burned to death when their Hawaiian flight plane crashed on Point Loma today, ten minutes after they had left the U. S. naval air station for the starting line at San Francisco. At 8:30 o'clock, an hour after the crash, radio operators from the big naval wireless station had succeeded in recovering one body from the burning wreckage. The body was badly charred and identification was difficult.

TEXAS SCHOOL APPORTIONED \$15 PER CHILD

AUSTIN, Aug. 10.—By manipulating figures submitted by Comptroller S. H. Terrell as to the probable school needs of the year the state board of education today set the per capita for the school year 1927-28 at \$15.00, fifty cents higher than ever before. The board, Gov. Moody, Mrs. Jane Y. McCallum, secretary of state, and Comptroller Terrell found estimated revenue from all sources would allow a per capita of \$14.53. The board then agreed that the gasoline tax would exceed the figures estimated by Terrell, thus allowing the \$15 per capita.

NO RULING ON UNIFORMS FOR CITY TRAFFIC COPS

AUSTIN, Aug. 10.—No ruling has been made by his department that city motor cops must have gray uniforms, Attorney General Pollard said this morning. "We have had no request for a ruling," said Pollard. The department can make a ruling only at request of a state official.

L. W. Skiles, Well Known Ciscoan, Dies From Injuries Received While On Trip; Burial at Scranton Today

L. W. Skiles, well known Ciscoan and member of the Skiles Grocery firm, died at 4 o'clock Tuesday afternoon following an operation performed early in the day in a vain attempt to prolong his life. Mr. Skiles had suffered a fractured skull in an accident at Memphis, Tenn., July 7 while returning home from attending the funeral of a brother at Trenton, Tenn., and had been in a critical condition ever since. He had never been able to give full details of the accident, but it was presumed that he fell from the train. The funeral procession was to leave the Skiles home, 308 West Eleventh street at 2 o'clock this afternoon, with burial to follow at 3:30 in the Scranton cemetery where his eldest son, Lloyd Skiles, was buried in 1926. A former pastor of the Scranton Baptist church, Rev. G. W. Parks, of Rascoc, who is also the father of Mrs. Asa Skiles, will conduct the services, assisted by Rev. C. G. Howard, former pastor of the First Baptist church of Cisco, in which Mr. Skiles was a deacon. He had been a member of the Baptist church since he was 14 years of age. Mr. Skiles was born in Gibson county, Tenn., January 11, 1859. He was married to Miss Victoria Conlee January 14, 1886, and came to Texas, settling in Brown county, in 1902. He moved to Cisco in 1913 where he has lived ever since. He is survived by his widow and four sons, Algie C. Asa L., Emma H. and James Otis Skiles, all living in Cisco.

BRECKENRIDGE TO PUT HEAVY TEAM ON FIELD

BRECKENRIDGE, Aug. 10.—Now that hardly a month separates the present from the beginning of the football training for 1927 season, scribes throughout the country are sharpening pencils and fans are reading avidly such forecasts and prospect stories as are beginning to assume importance upon the pages of the sport section of the daily paper.

With a change in coaches, the loss of a majority of letter men of last year and the coming in of much new material, the greater part of what can be said for the prospects of the Breckenridge high school in the matter of gridiron competition this fall will be rank guesswork. Yet a great deal is hoped for the green and white this season and though Shotwell, acknowledged a first class high school mentor, does not promise the spectacular nor the impossible, he is by no means pessimistic and is inclined to view with a confident air the work that has been set before him.

It is as near a fact as football history has ever been that Breckenridge will be forced to start from the ground up this year. By far the greater part of the team which wore the Buckaroo emblem in 1926 have shed their high school moleskins for good. To take their places Shotwell will be forced to depend upon material which is problematical in its character, boys mostly of callow years, and experience which consists of a year or two on junior or grammar school teams. To develop this aggregation into an effective machine is going to be no easy task.

Yet the outlook is not so gloomy as such a superficial survey might suggest. One fact of particular note is that Breckenridge this fall will have a much heavier team than last year. A line averaging 180 pounds is not foreign to possibility. Again the qualities of speed and driving power will not be negligible.

As usual the prospect is for a strong line, a line averaging between 165 and 180 pounds, with plenty of speed and power. Behind that the real problem begins. What the character of the backfield will be is a question that only time will answer.

There is Wesner, who was, so to speak, discovered during the last part of the 1926 season and who this fall will weigh 180 pounds. He is capable of a great deal, possessing plenty of speed and good backfield form.

Then there is Nestor Zarafontis, weighing 165 pounds, no less promising than Wesner. Those two are all that are left of the old backfield regulars of last year. To fill other places behind the line resources will have to be made to men who formerly played the line or to new recruits coming out for the first time this year or coming up from the junior high and second string teams.

Among the latter are Grimm, who showed up well as a punter and a back on the junior high string; John Ligon, center and quarter on the second team of last year; Hamil, King and Smalley.

Among the high school boys who are to be out for the first time this season are Worth Nichols, 17 years of age and weighing 200 pounds.

"Red" Miles, 175 pounder, red-headed and a likely candidate. Marlin Foy, 165 pounds, who dropped football in preference to the band; and Delbert Downing, kept off the team because of sickness.

Linemen who played last year and will be back this year are: Captain Walter Granberry, a consistent fighter and a brainy player.

Billy Veale, an excellent guard; Willie Schoolcraft, end; Roy Filler, end; Shoemaker, tackle and Harold Love, guard.

Granberry will weigh around 160 pounds; Veale around 165; Filler, 185; Shoemaker, 180; Love, 170; Schoolcraft, 165.

Just what sort of a team Shotwell can make out of this array of material remains to be seen. Altogether the prospect is far from hopeless.

GLORIA SWANSON AT PALACE SUNDAY
New faces! New personalities! These add freshness, originality, and interest to "The Love of Sunya." Gloria Swanson's latest picture, which will be at the Palace Sunday and Monday. The star is bringing several new actors to the screen. "The public likes to see its favorite in pictures," Miss Swanson believes. "But I also am sure there is a strong demand for new faces. Going to theaters to see the same

cast in pictures over and over again is like sitting down to an unchanged table at hotel dinner seven days a week. New dishes whet the appetite. So it is when you bring new talent to the screen." Here are some of the new faces in "The Love of Sunya." John Boles, a young Texan, whom Miss Swanson selected from a Broadway musical comedy success to play the leading male role opposite her. Harriette Underhill, the famous motion picture critic, describes Boles as "The handsomest man we ever saw." Miss Underhill asks, "Just what his fan mail is going to be like after 'The Love of Sunya' appears." Florella Fairbanks, a niece of Douglas Fairbanks, who plays the role of Gloria's sister. Hugh Miller, the English actor, who has been starring in England and German productions, but who has never appeared in American pictures before. After searching for more than a month for someone suitable for the part of the Yogi in "The Love of Sunya," Director Albert Parker learned Miller was in this country and selected him for the role. REUNION HELD NEAR CARBON AT OLD HOME

CARBON, Aug. 10.—A reunion of the family of Mr. and Mrs. W. M. Hagar was celebrated Saturday at their old home three miles northwest of Carbon. All of the children were present with their families. The children: Mrs. L. A. Hagan and family and Mr. Monroe Hagar and family of Eastland; Mrs. J. M. Jones and family of De Leon; Mrs. Zo Cook and family of Moline, Lampasas county; John Hagar and family of Hamilton; Mrs. Ira Tucker and family of Carbon; Mr. and Mrs. V. D. Hagar of Rising Star; a sister of Mr. Hagar, Mrs. Bill Powers and family, and Mrs. John Hagar, 86, the wife of Mr. Hagar's deceased brother, with her family. There were 78 present which is only a part of the large family of Mr. Hagar.

Food watermelons were served during the morning followed by an old-fashioned spread at noon which was heartily enjoyed by all. Old times were discussed and happy days of years past were renewed.

Mr. Hagar, who was for many years a minister of the gospel, but who has now retired, still maintains a keen interest in the progress of his county and state. He has been a resident of Eastland county since 1890 and has helped make this section a desirable place to live. He has many friends throughout the state with whom he has been associated in religious work during the past years. He reared a family of eight children, three boys and five girls, seven of whom are living.

SAN ANGELO RAILROAD NOW THOUGHT SURE

SAN ANGELO, Aug. 10.—The charter of the Gulf of West Texas railroad has been approved by the board of directors of the company and the organization has voted to employ a man experienced in the building of new railroads in order to get to work immediately on the proposed railroad between San Angelo and Corpus Christi.

Judge W. C. Blanks of San Angelo, secretary and treasurer of the company, returned from the directors' meeting at San Antonio with this information. He also returned convinced that there is \$1,250,000 in subscriptions to common stock of the road.

He said the manager of the board would employ would get to work immediately with field crews and start surveying over the proposed route.

This work should be started by September 1, in the opinion of Judge Banks. He believes that the railroad will be ready to make application for a permit to the State Railroad Commission by Jan. 1. The preliminary work of surveying will not take more than six weeks, he said.

WICHITA FALLS GETS KRAFT CHEESE PLANT

AUSTIN, Aug. 10.—One of the most important and substantial movements for the emancipation of Texas from the one crop menace occurred last Saturday at Wichita Falls, according to J. A. Kemp, capitalist of that city and public spirited Texan.

"The Kraft Cheese interests signed a contract to build the first unit of a large factory at Wichita Falls," said Mr. Kemp, "and will point the way for a universal development of the dairy business in this state and removing the shackles of the cotton crop idea."

TELL 'EM AND SELL 'EM THIS GROCER ADVISES

"If you don't tell 'em, you can't sell 'em!"

Fred W. Anderson, whose merchandise store in Cozad, Neb., a town of 1,200, does an annual business of \$100,000, is responsible for this business epigram. It's the advice he gave to the National Retail Grocers' association at its recent convention.

Every grocer should spend at least two per cent of his gross receipts during 1927 for advertising, he said, adding that the success of his business depended largely upon carefully planned advertising campaigns.

DRY CHIEF IN CAROLINA AND 6 AGENTS OUT

WASHINGTON, Aug. 10.—Arthur McDuffie, deputy prohibition commissioner, in charge of the Fayetteville, N. C., office and six agents, were dismissed Tuesday on the allegation that they had made improper disposition of seized liquor.

Assistant Secretary Lowman, in charge of the treasury's enforcement policies, announced the dismissals, declaring a quantity of "good whiskey" had been seized in a residence and had not been properly turned over to the enforcement chiefs. Any other agents who violated the rules would be discharged, Lowman declared.

Those dismissed, in addition to McDuffie, were James Roser, Roger Horton, Alexander Adams, James Pearson, Elmer Culp and J. Hal Shaffer.

This wholesale dismissal leaves only three agents in the North Carolina district. R. Q. Merrick of Richmond, prohibition administrator for Virginia and North Carolina, will name the successors to the vacant posts.

RAIN IN NORTHWEST TEXAS AND OKLAHOMA

WICHITA FALLS, Aug. 10.—Scattered showers fell throughout Oklahoma and northwest Texas early Tuesday morning. The precipitation measured .81 of an inch here.

Heavy showers fell all the way from Texline to Memphis and from

Goodlett to Quannah, according to reports received here by the Fort Worth & Denver railroad. Rain also fell from Vernon to Henrietta, but no rain was reported south of Henrietta.

Scattered showers fell along the entire route of the Missouri-Kansas-Texas railroad in Oklahoma, of fields of the company said. Showers fell from Wichita Falls to Graham, but none reported south of that place.

SHERMAN, Aug. 10.—The heat wave in Sherman the last few days was broken Tuesday morning by local showers. The rainfall in the city up to noon Tuesday had amounted to .18 of an inch. The temperature Monday afternoon rose to 102 degrees.

TEACHER WINS \$10,000 DAMAGES IN ARM LOSS

ABILENE, Aug. 10.—After deliberating 24 hours a jury in the Forty-second District court returned a verdict in favor of Arthur V. Williams, Abilene high school instructor, awarding him \$10,000 damages for the loss of an arm in an accident that occurred at the Rose crossing on the Wichita Valley railway in December, 1924. The suit asked for \$50,000.

GIRL REFUSES AID OF BROTHER, DROWNS

DURANT, Okla., Aug. 10.—Entis Barnett, 17, drowned in a lake near her home near Achille while swimming Monday night when she

refused to let her smaller brother try to rescue her.

The girl told her brother to stay away from her when he attempted to aid her. Very little water was found in her lungs when her body was rescued and physicians said heart trouble was partly responsible for her death.
