## TEXAS

By WILL H. MAYES, Austin.

### SAN ANTONIO'S CHALLENGE.

The industry secretary of the San Antonio chamber of commerce wants the world to know that in industrial gains that city is running ahead of its class. He has challenged all other cities under a half million in population to show as much industrial growth up to date this year. San Antonio has added 25 industries that employ from 10 to 500 workers each, besides numerous small factories, printing houses, bakeries and the like. While admitting that he is actuated in the challenge largely by a desire for favorable publicity, the secretary says he believes he can substantiate his claim, and prove that industrially San Antonio is the leading city in Texas. This column is not a partisan in the rivalry existing between San Antonio, Houston, Dallas, Fort Worth and other big cities of Texas, but is just helping to pass on the message. In fact, while I take much pride in watching the growth of the larger places, I am never able to understand why any industry with the welfare of its workers at heart, would crowd them into the cities, when they can be made much better off in the smaller places.

### CITY PLAN SUGGESTION.

In city planning, as in everything else, it is easy to see the mistakes that have been made, and when they are seen we wonder that we were ever so dumb as not to have noticed them earlier. Since the public mind has been focused on city beautification, it has been suggested that real estate promoters be urged or required to set aside playgrounds or parks in every new addition opened to a town or city. If this had been done from the beginning, every town would have had ample parks and playgrounds. It is never entirely too late to make a start in the right direction.

### RAILROAD EARNINGS INCREASE.

Most of the railroads in Texas will pay increased intangible asset taxes based on their increased earnings over a period of five years, according to the showings made in hearings before the State Tax Board. The increased taxes are not more gratifying to Texans than it is to learn that, despite all the competition of truck and bus lines, Texas railroads are making more money now than they did formerly.

### PULLMAN SURCHARGE.

Every one who has occasion to use the railroads will be gratified to learn that at last a movement has been started to cut out the 50 per cent surcharge for the use of a Pullman seat or berth, which was imposed as a war measure and which has been one of the unjustifiable hang-overs from the war. The exportation of goods having had much to do with popularizing motor-bus travel, I do not know that it is true, but I have heard the statement frequently made that a person can travel by bus in the day time, stop at the best hotels at night, and make a cheaper transcontinental trip than by rail with the use of a Pullman.

### HELPING THE BOYS.

One direct result of the movement throughout the state for the erection of creameries, cheese factories and other milk plants, has been the stimulus given to farmers' boys to stay on the farm. In many cases the chambers of commerce at points where the milk plants have been located, have helped to finance the purchase of young milk cattle for members of boys' clubs, making it possible for boys to own milk cows and receive the profits from the marketing of milk. Many boys leave the farms because they have little or no financial interest in the farm receipts and no share in the farm property. They become anxious to acquire property of their own and not merely to "claim" something on the farm as theirs. When such boys buy a cow, pay for it themselves out of their earnings and begin to see profits coming from their labor, they take greater interest in farm work. There is no greater work in which chambers of commerce can engage than in helping to make life attractive and profitable for farm boys and girls.

### TERRELL COTTON MILL.

Efforts are being made to get a cotton factory at Terrell. The old Texas Midland shops have been tendered for that use to a textile manufacturer who will install a cotton mill, and John W. Carpenter, president of the Texas Power and Light company, who is also a member of the Texas Industrial Commission, will go to New York to confer with operators concerning the project. It is said that with slight alterations and additions the Midland shops could be made admirably adapted to the purpose.

### BANKERS SPEND MONEY.

A questionnaire sent out to the visitor at the San Antonio convention of the Texas Bankers Association reveals that they spent

# HOOVER, SMITH INCREASE LEADS

## Heavy Rain Sends Lakes High Up

### Lowlands Inundated, Creeks Out of Banks, Stores Flooded, Crops Covered by 5 1-2 Inch Downpour

Lake Cisco registering 87 feet in depth, Lake Bernie overflowing the spillway, stores on D avenue flooded, creeks out of banks, low places inundated, farm lands badly washed and growing crops covered, necessitating replanting in many instances, are some of the results of the five and one-half inch rainfall in Cisco and surrounding country Friday afternoon and night.

Rain started falling again about 8 o'clock Saturday night. While it rained hard for a while it did not appear that it would reach the deluge of Friday.

The lightning struck a residence in Humbleton Saturday night but the damage was small.

Mayor Williamson estimated the rise in Lake Cisco at 12 feet, with the water backed to the top of the bridge on the Dolan road, at the head of the lake. The lake is reported above any previous high water mark, but no estimate has been made of the number of gallons of water stored in the city reservoir.

However, this morning the water supply is greater than ever in the history of Cisco. The muddy tendency of the water will be eliminated in a day or two.

### Water Into Business Buildings.

All streams, branches and low places in the Cisco Country were flooded. Business houses on the east side of D avenue, in the 600 block, were more or less flooded from the waters that poured over the curbing and seeped through under the doors where not otherwise protected. The Gray Hardware Co., which was badly flooded during the deluge that visited Cisco several years ago, had some water over the floors, but not to the extent of the previous flood, as a big embankment of earth was placed at the entrance late Friday evening in anticipation of the heavy precipitation of the night. The Sessions building, occupied by the B. & J. Cales Co., was protected with a 2 by 12 inch board, caked with old inner tubes. The Walton Studio had slight seepage, but the Cisco Furniture Co. and the C. O. Pass Chevrolet Co. buildings were badly flooded. However, none of these firms suffered any material financial loss. The city hall had lots of water in the jail water superintendent's office and police headquarters, that flowed in from the alley back of the building and by leakage.

### Cotton Bales Washed Away.

On South D avenue, where the creek crosses the thoroughfare, the whole lowlands were a sea of water. Houses in this locality suffered some damage from water, as did the

### Reigh Count Wins Kentucky Derby in Sea of Mud; Comes from Behind to Finish Three Lengths in Front

LOUISVILLE, May 19.—Reigh Count won the Kentucky Derby this afternoon in a great stretch run through mud and rain to defeat Misstep and Toro, which finished second and third respectively.

Reigh Count won as a race horse should, coming from behind in the closing stages to outrun Blackwood and Misstep, which had made the early pace. He was ably ridden by Chic Lang. He came on in the stretch to win by three long lengths. His time was 2:10.2-5, very slow, but the race was run under impossible conditions. A great crowd of 75,000, including notables of the social, business and sport world, hailed the winner.

Reigh Count is owned by Mrs. J. D. Hertz of Chicago. The winner paid \$6.12.

### TEXAS' OLDEST MASON

GONZALES, May 19.—H. L. Qualls of Gonzales, said to be the oldest living Mason in Texas, has just celebrated his 102nd birthday.

\$20,000 while there aside from their hotel and restaurant bills. The South Texas editors have not been asked to tell what they spent. Why discriminate?

### BREAKING HEARTS OF BRITISHERS AGAIN

"The Hag" defeated the best golfers in the world when he romped off with the British open. Archie Compston, one of the crack professionals of England, is shown on the green. He beat Walter Hagen in one of the starting rounds, but was badly defeated by the American golfer in the final. Insert shows Hagen after winning the title.

### MOODY, SMITH "IN CAHOOTS," SAYS HAWKINS

BRACKENRIDGE, May 19.—Charging Governor Dan Moody of Texas and Governor Al Smith of New York are "in cahoots," plotting that Smith shall be the presidential nominee of the Democratic party and Moody the vice presidential nominee, William E. Hawkins opened his campaign for election as governor of Texas on the Democratic ticket in his home town here today.

He declared that the two governors, Moody and Smith, are essentially the success of one another and that "each is doing his part to help the other."

"The only chance of ever swinging the convention vote of Texas to Al Smith is to raise a dense smoke cloud and select an unopposed delegate to the Houston convention, which will vote for Smith," Hawkins said.

### GORMAN D'LEON TO PLAY CISCO GOLFERS TODAY

Another big golf match is scheduled for this afternoon, providing rain does not prevent a number of the crack golfers of Gorman and DeLeon will come to Cisco today to tackle the golfers of the Cisco Country club on the links at Lake Cisco. A good match is anticipated, as the sister cities on the south have some expert players.

### LIONS TRIP TO WICHITA FALLS IS RAINED OUT

W. J. Leach, chairman of the transportation committee of the Cisco Lions club, announced Saturday that there will be no attempt for a concerted delegation of Lions from Cisco to the state convention at Wichita Falls Tuesday, as planned.

Mr. Leach explained that this decision was made after information as to the condition of roads had been received. A large delegation of Cisco Lions had planned to go by auto to the convention, but heavy rains, which made roads impracticable for such a long trip, caused the abandonment of the plan. However, C. L. Orr, the official delegate, will go on the train by way of Fort Worth, and will represent Cisco at the gathering.

### Base Ball

TEXAS LEAGUE

San Angelo 4; Midland 1; Abilene 3; Coleman 1; Lubbock 14; Hamlin 3.

AMERICAN LEAGUE  
Philadelphia 2; Chicago 9; Cleveland 9; Washington 7; St. Louis-New York, rain; Detroit-Boston, rain.

NATIONAL LEAGUE  
Pittsburgh 3; Philadelphia 1; Chicago 3; Boston 2; Brooklyn 2; Cincinnati 9; New York 4; St. Louis 3.

### RISING STAR WOMAN

MARRIES CALIFORNIAN

The marriage of Paul G. Erskine of Los Angeles, Cal. and Miss Myrtle Tomlinson of Rising Star was recently solemnized at Little River. The bride is a member of the graduating class of the Scott and White hospital school for Nursing and the bridegroom is a brother of Mrs. W. J. McLean of Fort Worth. The bride is a daughter of Mr. and Mrs. J. E. Tomlinson of Rising Star.

### Named for Polar Trip

Claire K. Vance, veteran San Francisco air-mail pilot, who is thought most fitted to accompany Commander Richard E. Byrd on his South Pole flight, was named by the secretary of the Air Mail Pilots' Association as one of the best pilots to fill the post left vacant by the death of Floyd Bennett, co-pilot with Byrd on his North Pole flight.

### TERRELL FOR MAJORITY TO PICK NOMINEE

AUSTIN, May 19.—George B. Terrell, commissioner of agriculture, today declared for majority rule at the national convention, asserting that the majority rule was a Democratic principle and that it is used in every election from primaries to the electoral college, except in the national convention.

Governor Al Smith is certain of nomination, even under the two-thirds rule, Terrell predicted, and said he was certain of election if any Democrat can be elected.

"There is no use in fussing over prohibition and religion," he said. "Freedom of religion is guaranteed in the constitution and prohibition is written into the same document and no president can change them. What we need to do is to declare for sound Democratic principles."

### BRECKENRIDGE LIONS CLUB IS PRIZE WINNER

The program presented last Monday night by the Breckenridge Lions club was the best of the four evenings' entertainment as a part of the Cisco Lions club chautauqua, the committee of five judges announced Saturday. The judging was done on a point basis and the Breckenridge club received more points than any of the other clubs and also was given a majority of the first place votes. It will be given the \$50 cash prize.

Tuesday night's program was presented by the Ranger Lions, that of Wednesday night by the Eastland Lions and Thursday night's by Abilene. Friday night's program, which was to have been given by Cisco entertainers, was postponed on account of the storm which left the high school auditorium, together with the most of the city, in darkness. The program will be given in the near future, Lion officials said, probably during the week beginning May 28, because of the various high school and college commencement events this coming week. Holders of season tickets were advised to retain their tickets, which will be honored at the Cisco program.

### LIVINGSTON MAN NAMED AS STATE INDIAN AGENT

LIVINGSTON, May 19.—Clief F. Pain of this city, has been appointed by Governor Dan Moody as Indian agent for the Alabama Indians. The Indians live in Polk county and this is the only office of this kind under the state government.

### Secretary of Commerce Close to Majority; New Yorker Has 591 of Needed 734 Delegates

WASHINGTON, May 19.—The overwhelming leads being rolled up by Herbert Hoover and Gov. Al Smith for their respective presidential nominations were further emphasized by the primary and convention results held recently.

Hoover added delegates from four states, New Jersey, Alabama, Montana and Oregon, to his already imposing total. In New Jersey he is accorded the entire delegation of 31, in Alabama he is figured to have obtained 14 out of 15, Montana at least 4 out of 11 and all of Oregon's 12.

Putting Pennsylvania's 73 votes in the Hoover column—as virtually all the politicians have done since the Mellon endorsement—brings the Hoover total to above the 500-mark. The most reliable tables in Washington give his total at approximately 508 pledged, instructed or committed delegates. Only 545 are required to nominate. And in that total of 508, none have been figured from New York where the Hoover managers claim at least 47.

Hoover May Win on First.

From this compilation, it is apparent today that if the secretary of commerce can hold his indicated strength during the next few weeks he will come very close to being nominated on the first or second ballots.

Whether this strength can be held is, of course, conjectural. The Hoover opposition contends that in this imposing total there are perhaps 100 that cannot be considered bound irrevocably to the cabinet candidate. These 100 are described as "fluid," that is, favorable to Hoover but liable to bolt if another band wagon comes into view.

Only four states are still to select their delegates to the Kansas City convention: Florida, South Dakota, Texas and West Virginia. Florida and Texas are considered favorable Hoover territory. In West Virginia a primary will be held on May 29, with Hoover pitted

against Senator Guy D. Goff, a favorite son.

Smith Has Reserve Strength.

On the Democratic side, Smith picked up delegates in New Jersey, Oregon, Montana, and Vermont. State conventions in Montana and Vermont instructed 16 delegates to vote for the New York governor at Houston, and there was no opposition to his getting the 28 from New Jersey and Oregon's 13.

This brings the Smith total to date in pledged, instructed or committed delegates to approximately 591 in the capital's most reliable tables, and he has notable reserve strength that is not figured in that total, such as in Maryland and Ohio and Kansas. To nominate at Houston requires 734 votes.

The Democrats have been slower in selecting their convention delegates than the Republicans.

There are 19 states yet to designate their Houston delegates. They are: Colorado, Florida, Kentucky, Mississippi, New Mexico, North Carolina, South Dakota, Texas, Virginia and West Virginia.

### SMITH, HOOVER IN OREGON

PORTLAND, Ore., May 19.—Governor Al Smith apparently has scored a decisive victory over his opponents for the Democratic presidential nomination in Friday's primaries. Complete returns from 533 of 1,738 precincts show Smith to have received 1,515 votes, Wabin 975 although he had announced his withdrawal from the race, and 536 and Workman 147. Hoover was unopposed in the Republican primary.

### VERMONT UNINSTRUCTED.

BURLINGTON, Vt., May 19.—Eleven uninstructed delegates to the Kansas City national convention were elected by the Republican states convention here Friday. It is understood that they will work for the renomination of President Coolidge as long as there is any possibility that he may be drafted and that all favor Herbert Hoover as second choice.

### Randolph College Baccalaureate Sermon to Be Delivered Tonight; Commencement Service Monday

The baccalaureate sermon for the fourth graduating class of Randolph College will be delivered at the First Christian church at 8 o'clock tonight by Rev. J. B. Holmes of Fort Worth. Virtually all other churches in Cisco are dispensing with their regular services in order that their members may attend the school exercises.

All ex-students of the college have been urged by school officials to attend. Those doing so should meet in the church basement at 7:30 o'clock.

The program is as follows: Processional. Invocation, Rev. P. T. Stanford. "Sanctus" from Saint Cecilia, by Gounod. Cisco Choral Club. Holy, Holy, Holy, Congregation. Prayer, Rev. A. C. Miller. Sermon, Rev. J. B. Holmes, Fort Worth. Benediction, Rev. L. L. Hanks.

On Monday evening at six o'clock an ex-student banquet will be served in the Rotary Hall. All alumni and ex-students as well as other friends of the college are urged to attend. Tickets may be secured from Odium School, president of the Alumni association.

The commencement address will be delivered by Rev. Floyd A. Bash of Wichita Falls, on Monday evening at eight o'clock in the First Christian church. At this time, 14 students will be graduated from the college, and two students from the high school department will receive diplomas.

The program is as follows: Processional. Invocation, Rev. Thos. Lenox. "Goin' Home" from New World Symphony, by Dvorak. Address, Rev. Floyd A. Bash, Wichita Falls. Presentation of Diplomas, Pres. T. T. Roberts. Benediction, W. F. Bruce.

The Senior play, "Beats on a String," will conclude the commencement exercises on Tuesday, at eight p. m. in Randolph College auditorium. This play, under the direction of Miss Elia Blanche McClinton, promises to be a success.

The cast of characters is as follows: Mr. Davis.....Wilbur Nabours Mrs. Davis.....Ruby Mansfield Bennie Davis.....Lowell Holloway Harold Beem.....J. M. McCrosky Benjamin Davis, Esq. Roy O'Quinn Molley Mollerott.....Virginia Brock Jeanette Davis.....Helen Speer Abner Dinker.....Richard Phillips Cleopatra Johnson.....Elizabeth Coleman

### FOUR CISCOANS RETURN FROM CHURCH MEET

Dr. and Mrs. T. T. Roberts of Randolph College, Rev. L. P. Kopp, district evangelist, and Rev. Thomas Lenox, pastor of the First Christian church, returned Friday evening from the state convention of the Christian churches of Texas at Greenville. A very successful meeting and favorable reports on many lines of endeavor, were their comments on the convention.

The Friday morning session was in the interest of religious education and reports were made concerning various schools in the state. The principal address of the morning was delivered by Dr. Roberts. The convention approved a budget of \$60,000 a year for the next five years for educational purposes.

The 1929 convention will be held in Breckenridge.

### WEATHER

West Texas—Partly cloudy with probably continued thunder showers.

Obituaries and Cards of Thanks, 10c per line; classified, 2c per word.

COURAGE AND COOPERATION

"Where do we go from here?"

These words were frequently uttered by the boys during the world war when the fast moving lines were shifted, often in a night. The trenches of today were deserted on the morrow, only to dig in again along some new sector.

January and February of the year of 1928, with their inventories, their resolutions, their adjustments and planning for the new year which confronted us, have passed into history for Cisco. Likewise the spring months, with their beauty and rejoicings of nature, which tend to make men dream dreams and vision new ideals of accomplishments, are almost gone.

Cisco business men have faced the new year with determination to make a better one than has gone before. They were met by discouragements and obstacles which beset them at every step. First, the decline in oil prices threatened to throw many citizens out of employment. The failure of big businesses of national importance to swing into maximum production, left many unemployed all over the nation, and this added to the oil depression steadily threw its shadow of gloom over the buying public and robbed it of its feeling of confidence. Money has not circulated as freely as it should in order that trade might continue at the normal peak. As a result, there have been days and weeks when business concerns have experienced depression.

But, have we stopped?

No, never a halt!

The first big project that confronted us was the building of a hotel to cost near a quarter of a million dollars, with an outlay of \$75,000 cash on our part. While this was not a large amount, yet it called for optimism and determination of success for us to raise it, coming as it did, at a time of uncertainty as to what the year might bring. And, too, this money had to be raised in small sums, taken from businesses that could ill afford the sacrifice. But it went over and we hope to soon have a revival of the old time confidence resulting from a pay roll from its construction.

Again came the cloud. The hotel did not start. Rumors were rife that it would never be built and a few, weaker in faith than others, expressed the desire for the return of their money. But why linger—the true facts were brought to light and now we are again rejoicing over the assurance that the work will start early in June.

The big fact remains that, despite all the gloom of unemployment, depressed oil prices and activity, and lack of the hotel building payroll, we have all continued in business and are still far from having our visions dimmed or our hopes for the year effaced.

Now, having done what has been expected of us in securing the hotel, we have again turned our efforts toward the development of the dairy industry and securing for Cisco, at the earliest possible moment, a mammoth milk plant that will materially add to the wealth of the farmers of this section and thereby to ALL business enterprises.

The question now is: Are we halting, or are we pressing every point that will secure adequate action, at once?

Have we emptied our guns, or are we still shooting at this mark with a magazine in no wise depleted?

Is that milk plant committee, organized for the purpose of securing immediate action, receiving our wholehearted support?

Will we continue to fight it out along this line during the summer, or will we just drop the matter where it is, and await the gradual development which might be expected to lead us up to the accomplishment in the course of ten or fifteen years?

The summer season follows spring as maturity follows the sowing. The sowing has been done. Now comes the time to bring to fruition that which we have planned—never a time for a halt—never a time for looking back!

Once our hands have been put to the plow, there must never be a backward glance. The rains that were prophesied to have passed us up for the year, have fallen in abundance. Courage and cooperation will bring big, lasting dividends.

16c - Gasoline - 16c

We are pleased to announce Continental Oil Company Gasoline 16c a gallon. Same Price to All—Credit to None.

ECHO SERVICE STATION 3 miles West Cisco at R. R. Crossing.

DO YOU REMEMBER?

American and Roundup, JULY, 1910.

Precinct No. 6 met at Cisco on July 23, 1910, with W. P. White as chairman and Stuart Williams, secretary. It being an annual meeting, the following officers were elected for ensuing year: E. M. Stalard, chairman, and Stuart L. Williams, secretary and treasurer. Henry Benham and W. P. White were elected to represent Cisco at the county convention, with G. S. Williams and A. B. Johnson, alternates. Frank Meadows was elected to represent East Cisco, with George Carmichael as alternate. Business of minor importance was transacted and resolutions passed approving the actions of the Republican party. President Taft and State Chairman Lyon. There being but few present, perfect harmony reigned throughout the meeting. J. H. Garner left Monday night for Galveston where he was joined by R. F. Davis. They took passage on a steamer for New York, where they intend buying a more complete and up-to-date line of merchandise than they have ever brought to Cisco.

Mail Carriers Tickner, Elliott and Hazel are now taking their annual lay off. W. J. Tickner says he has been licking stamps and encouraging old maids for five years; he thinks chickens will be high when his 15 days is up, as he is investigating them in every direction. He believes in the good old Methodist doctrine, "Hold fast to that which is good." E. E. Chunn and wife of Clyde visited his sister, Mrs. W. C. Shelton, Wednesday, while enroute to Lingleville.

Misses Bob Dyer and Florence Morgan of Dublin visited at the home of C. L. Wasson Tuesday and Wednesday.

Mrs. Edwin Waller returned to Austin Saturday after a pleasant visit with her parents, Mr. and Mrs. R. A. St. John.

Mrs. Fred Rutledge and little son went to Waco Thursday.

## GRADUATION EXERCISES TO BE FEATURE OF WEEK

### Baccalaureate Sermon Of Cisco High School at Auditorium This Morning; Commencement Friday

This week will be a busy week for the high schools of Cisco and surrounding towns. Most of the baccalaureate sermons will be delivered today and other events attendant to honors bestowed upon the graduation classes will come later in the week.

The baccalaureate sermon for the graduating class of Cisco high school will be preached at the high school auditorium at 11 o'clock this morning by Rev. P. T. Stanford of the First Methodist church. The commencement exercises will be at the auditorium Friday night with the main address by A. G. Flowers, dean of the law school of Baylor University. The graduation exercises for grammar pupils will be held at the auditorium at 2 p. m. Friday.

Virtually all churches in Cisco have agreed to dispense with their 11 o'clock services today that their members may attend the high school baccalaureate sermon. Tonight's services also will be cancelled because of the Randolph College baccalaureate sermon at the First Christian church.

Names of the members of the graduating class of Cisco high school have been withheld by school officials pending the final examination to be held this week which a few may not pass successfully. However, there will be about 50 to receive diplomas.

### EASTLAND H. S. EXERCISES ON TUESDAY NIGHT

EASTLAND, May 19.—Dr. E. L. Surface, pastor of the First Presbyterian church of Abilene, will deliver the baccalaureate sermon to members of the graduating class of the Eastland high school, Sunday morning at 11 o'clock, at the high school auditorium.

Program follows: Processional—"Holy, Holy, Holy"—Glee Club. Song—"Come Thou Almighty King"—Audience. Invocation—Rev. F. E. Singleton.

Announcements—Superintendent W. Z. Bates. Song—"I Hear the Bees A-humming." (Bainbridge—Zamecnik)—Glee Club. Scripture Reading—Dr. J. T. Wilson, president Warner Memorial University. Prayer—Rev. W. T. Turner. Vocal Solo—"I Hear the Voice of Jesus Ery." (Rathbun)—Mrs. B. B. Bickerstaff; Mrs. Donald Kinnaid, accompanist. Sermon—Rev. E. B. Surface, D. D., pastor First Presbyterian church, Abilene. Benediction—Rev. P. W. Walthal.

On Monday night at 8 o'clock in the high school auditorium, the senior class will present its class play, "Happy-Go-Lucky," a comedy in three acts.

The climax will be reached when the commencement exercises are held on Tuesday evening, May 22, at 8 o'clock in the high school auditorium. A splendid program has been prepared and an exceptionally fine speaker has been secured for the occasion in the person of Dr. C. D. Judd of the College of In-

### 24 ARE GIVEN DIPLOMAS AT CLYDE SCHOOL

CLYDE, May 19.—The 1927-28 term of Clyde public schools closed this week. From many angles this has been a successful term. A class of 24—11 boys and 13 girls, will receive diplomas.

Sunday morning at 11 o'clock Dr. J. W. Hunt, president of McMurry college, preached a masterful baccalaureate sermon at the Baptist church. A large crowd was present in spite of the rain and mud.

Monday night the senior class rendered a play, "The Absent-Minded Bridegroom." Tuesday night was senior class night. The following program was rendered: Opening address, Supt. W. M. Yowell; class history, Dan Newton; class poem, Evelyn Hollis; class song; class will, Connard Cotton; class prophecy, Lois Appleton; presentation of key, Connard Cotton; acceptance of key, Travis Bouchette. Wednesday night was graduation night for the seventh grade. Rev. L. H. Davis delivered the address. Thursday night the graduation exercises of the senior class were held at the Baptist church. Miss Helen Johnson was the class salutatorian and Eldon McIntosh delivered the valedictory address. Dean Cox of Abilene Christian college delivered the commencement address, after which diplomas were presented to the class.

### BAIRD H. S. TO GRADUATE 29 FRIDAY NIGHT

BAIRD, May 19.—The baccalaureate sermon for the graduating class of Baird high school, 29 members, will be delivered at 11 o'clock Sunday morning at the Baird tabernacle by Rev. P. D. O'Brien of Mundaf. The closing exercises of the Baird school began Friday when the primary grade pupils presented a program at the tabernacle.

The following is the program for the baccalaureate services: Processional—"America," by Rolfe, Glen McGowen. Doxology—"All Hail the Power of Jesus Name," Choral Club and Audience. Invocation—Rev. Cal C. Wright. Scripture Reading—Rev. Albert S. Hall. Duet—"The Lord Is My Strength and Song," Mesdames Shaw and Holmes. Sermon—Rev. P. D. O'Brien. Song—"God Keep You True," Choral Club. Benediction—Rev. U. C. Howard. Recessional—"Onward Christian Soldiers," Choral Club. Wednesday evening at 8 o'clock in the tabernacle, the senior class

will render a play entitled "Prof. Pep." Thursday evening at the tabernacle the seventh grade will have its graduating exercises and play. Dean McKeown of McMurry college is the speaker for this occasion. Senior class graduating exercises will be held Friday night. Prof. Baxter of Abilene Christian college, is speaker of the evening. The diplomas will be presented by L. L. Blackburn, president of the school board.

The following named boys and girls will receive diplomas: Carroll McGowen, Kane Moran, J. G. Hancock Jr., Hollice H. Hancock, Jodie B. Crutchfield, Clayton C. Reed, Joe Glover, Jr., Kenneth L. Hart, James L. Jackson, James Orval Taylor, Samuel Eller, Earl A. Rutledge, Annie Mae McIntosh, Mildred Grace Bell, Gladys Wauless Harris, Kanard Wheeler, Nancy Ellen Yarbro, Oleta White, Ora Ellen Elder, Ruth Ann Simons, Ruth Boren, Frances Elizabeth Cochran, Lurline Austin, M. Celia Hooper, Gladys Pauline Taylor, Judith Mayes, Juanita S. Johnson, Madeline Holmes and Tressie Hall.

### CLASS OF 19 TO BE GRADUATED AT GORMAN H.S.

GORMAN, May 19.—The senior class this year is composed of 19 boys and girls. They have made a splendid showing this year and are to be congratulated on the fine example they have set for the senior class of next year.

Sunday evening the baccalaureate sermon will be preached by Rev. E. W. Goss, pastor of the Gorman Baptist church, at the Methodist church. Examinations will be in order for the entire school, except the seniors, all next week. Parties and good times at the lake will fill the week for those who have completed their work.

It is hoped that most of the young people will continue their work in some of the splendid colleges of the state.

### MORAN H. S. TO GIVE DIPLOMAS TO 22 FRIDAY

MORAN, May 19.—Rev. T. T. Roberts, president of Randolph college of Cisco, will deliver the baccalaureate sermon for the graduating class of Moran high school at 11 o'clock Sunday morning at the auditorium. The program will be as follows:

Processional—Mrs. M. R. Kendrick. Invocation—Rev. J. W. Baughman. Anthem—Choir. Special song—Mesdames M. R. Kendrick and Oscar Wise. Sermon—Rev. T. T. Roberts. Benediction—Rev. W. R. Earp. Recessional—Mrs. M. R. Kendrick. Friday morning at 9 o'clock, the seventh grade pupils will receive their diplomas. A special program will be held at this time, and the pupils of all grades will receive their grade cards. At 8 o'clock Friday, the commencement program will be held. Twenty-two young men and women will receive diplomas at this time. Names of the seniors who will graduate are: Hosea Archer, Velma Brooks, Pauline Barnette, Ray

McKelvin, Otis Compton, Faye McKelvin, Virgil Morris, Eloise Garlitz, Leatrice Bumpers, Elaine Townsend, Lorene Noland, Aila Brooks, Eugene Snyder, Ola Mae Compton, Rogene Terry, Dean Terry, Maxine Sullins, Willie Garlitz, John Weedon and William Weedon. Dean D. M. Wiggins, of Simmons university, Abilene, will deliver the address. The commencement program follows:

Processional—Mrs. M. R. Kendrick. Song—Senior Class. Invocation—Rev. W. R. Earp. Salutory—Eloise Terry. Special Song—Miss Grace Horton. Valedictory—Hosea Archer. Address—Dean D. M. Wiggins. Delivery of Diplomas—C. C. Duff. Awarding of Scholarships—W. W.

Allen. Benediction—Rev. J. W. Baughman. Recessional—Mrs. M. R. Kendrick. DE LEON CHILD, VICTIM AUTO CRASH, RECOVERING

DE LEON, May 19. — Kelly D. McSpadden, aged three and a half years, ran into the street near the

Travelers Hotel at about 7 o'clock last Thursday evening, just in time to be run over by a passing car. The child was picked up in an unconscious condition and hurried to the office of a local physician where he was examined. It was at first thought his skull was crushed, but this was found not to be the case. He was bruised considerably about the head, but is now recovering.

and Mrs. O. W. McSpadden. The father is employed at the Chevrolet station. The car, a Ford coupe, was driven by Mrs. Will Heflin. Mrs. Heflin was not held accountable in any way for the accident.

FOR RENT—Two cool, convenient rooms, furnished, including gas and lights; price \$18. 706 West Fourth street.

# WANTED:

# WORN TIRES!

## Trade them now—for new Goodrich Silvertowns

**SUPPOSE** your old tires do have a doubtful thousand or a risky five thousand miles in them. You don't have to ride on the tires, to get your money's worth.

Sell them to us. Let us apply the credit for those unused miles to reduce the price of new Goodrich Silvertowns.

You get the confidence—the safety—the traction of these famous tires. We get your worn tires which we can re-sell to other motorists. That's business, all around. Just like the way you've bought new cars for years—except for one thing. A tire can "blow out" and become almost worthless. A car does not. Don't wait till your tires blow out. Trade them now.

**AND WHAT A TIRE YOU GET IN SILVERTOWN!**

Judge them by what other motorists have found out in the past two years—and you'll find that money cannot buy finer tires.

Judge them by their tested construction—and you'll know why they're making such performance records. The hinge-center tread—final answer to balloon tread design! Water Curing—that Goodrich process which cures Silvertowns from inside and outside both—makes these tires tough clear through.

A wonderful tire in exchange for the tires that take all the joy out of riding. See us this week—this offer will not be repeated.

A BEAUTIFUL SELECTION

# Tullo's CLEANERS

"Cisco's Big Cleaning Plant"

# 1,500,000 Point Offer Continued Week

## \$10 Club Plan to Hold Good Until Next Saturday Because of Recent Bad Weather; Race Still Anyone's

On account of the heavy rains and to give everyone who wishes to get an even start in the Cisco Daily News and the Weekly American and Roundup Country Wide Subscription Drive to gain 1,500,000 extra points for a club of \$10 subscriptions, the offer is extended until Saturday night, May 26.

The subscriptions can be for three months to the Daily News with the American which is \$2.50 per month, both papers, \$3.00 per year to both papers \$3.00 per year to the Cisco Daily News without the American is \$4.00 and the Weekly American and Roundup is \$1.50 per year.

The ladies who will start their individual drive in the campaign the coming week by sending in the names of their friends and neighbors to receive sample copies, one issue of the Daily News and one issue of the Weekly American and Roundup and secure the free coupons good for points and make up a \$10 club will have as good opportunity as any one to win one of the two Chevrolet cars offered or any of the valuable awards that will be given.

The interest in District One is running along in about the same way. A great many coupons are being sent in by both workers and the readers of the papers. More names and more points have been turned in from the rural districts. The standing of District One is published in this issue. District Two will appear in the next issue showing the nominees to have a greater number of points. However, no one in either district has gained a commanding lead so far and the opportunity to win the better prizes was never better.

His views offer an interesting field of psychological conjecture. "On the principle of suggestion and repetition the screen is performing a unique service which is not immediately apparent in its sheer entertainment," says Fairbanks. "This service is the inducing of like sympathies among people. The emotional appeal of motion pictures is building up a common recognition of social standards. "The specifically educational and informative usages of the screen will naturally increase, but its chief function will always be entertainment wherever prosperity survives."

It is this latter opinion that has governed Douglas Fairbanks in his choice of film stories. Universal appeal, the imaginative, rich romance have been his slogans, from which he has not departed in his latest production, Douglas Fairbanks as The Gaucho, with its tale of treasure and banditry in South America. However precious the services of the cinema, in a humanitarian sense, the actor prefers to regard these as incidental to the main objective—a few hours of unfettered bliss—the uncluttering of tired minds—a good story well told—The Gaucho, is now playing at the Palace Theater for a three day run.

# Football Schedule for Loboes Next Fall Is Announced

## Cisco to Play Ranger, Eastland and Abilene Here; Breckenridge and San Angelo Games Are Away

The Lobo football team of Cisco high school will play three conference games with Oil Belt district opponents on the Cisco gridiron next fall. The other two games will be played on foreign fields.

The Loboes will open the conference season October 29 at San Angelo. Both conference games away from home will be played before the Chapman crew meets an Oil Belt opponent here. Breckenridge is to be met in that city October 27. The Loboes will make their conference debut at home November 12 with the Ranger Bulldogs as the attraction. The ambitious Eastland team will furnish the opposition here November 17. The regular season will close November 30 with Abilene invading the Lobo den.

Several non-conference games will be played before the Loboes enter on the Oil Belt schedule. Due to Cisco's late opening date in the conference three games with outside opponents could be played handily. Another week, that of November 3, is also open.

The Oil Belt conference tentative schedules are as follows:

- Breckenridge
- Eastland at Breckenridge, Oct. 5
- Cisco at Breckenridge, Oct. 27
- Breckenridge at Abilene, Nov. 9
- San Angelo at Breckenridge, Nov. 17
- Breckenridge at Ranger, Nov. 29
- Abilene
- Eastland at Abilene, Oct. 20
- Abilene at Ranger, Oct. 26
- Breckenridge at Abilene, Nov. 29
- Abilene at San Angelo, Nov. 23
- Abilene at Cisco, Nov. 30
- San Angelo
- Cisco at San Angelo, Oct. 29
- San Angelo at Ranger, Nov. 3
- San Angelo at Eastland, Nov. 19
- San Angelo at Breckenridge, Nov. 17
- Abilene at San Angelo, Nov. 23
- Cisco
- Cisco at San Angelo, Oct. 20
- Cisco at Breckenridge, Oct. 27
- Ranger at Cisco, Nov. 12
- Eastland at Cisco, Nov. 17
- Abilene at Cisco, Nov. 29
- Ranger
- Ranger at Eastland, Oct. 12

Abilene at Ranger, Oct. 26.  
San Angelo at Ranger, Nov. 3.  
Ranger at Cisco, Nov. 12.  
Breckenridge at Ranger, Nov. 29.  
Eastland  
Eastland at Breckenridge, Oct. 5.  
Ranger at Eastland, Oct. 12.  
Eastland at Abilene, Oct. 20.  
San Angelo at Eastland, Nov. 19.  
Eastland at Cisco, Nov. 17.

## CALLAHAN MAN BUYS SCURRY COUNTY RANCH

BAIRD, May 19.—Joe Rucker, who recently sold his farm and ranch near Oplin to Tom Windham and son, Sam Windham, has bought two ranches in Scurry county, paying \$78,000, practically all cash, for them. The ranches bought by Mr. Rucker were the Davis ranch and the six section Rich Miller ranch, six miles north of Snyder. He will stock the ranches with high grade Hereford cattle. Joe Rucker has lived in Callahan county most all his life, having lived near Oplin for the past 25 years, and had one of the best farm and ranches in this section, and has successfully operated them.

## FORMER CISCO FOLK VICTIMS OF CAR CRASH

BRECKENRIDGE, May 19.—The esplanades in the center of West Walker street came very near proving of serious if not fatal con-

sequences to Mr. and Mrs. George Darden, Thursday morning when the new Cadillac car which they were driving on a return trip from Wichita Falls, by way of Albany, struck the center of one of these projections, turning over on its side and severely bruising Mrs. Darden. Considerable damage was done to the car.

**Well Known Here.**  
Mr. and Mrs. George Darden are well known in Cisco, where Mr. Darden formerly conducted the Daniels cafe, both being prominent in business and club life of Cisco.

## CALLAHAN DELEGATES TO DEMOCRATIC CONVENTION

BAIRD, May 19.—Following are the delegates elected to the Democratic convention at Beaumont: B. F. Russell, R. G. Powell, W. P. Kerschner, Otis Bowyer, B. L. Russell, J. S. Yeager, L. J. Cook, John E. Robertson, Edgar H. Johnson, W. C. White, Paul V. Harrell, Oak Lewis, George B. Scott, J. J. Humphrey, S. F. Russell, H. F. Foy, B. F. Freeland, P. H. Armistead, S. N. Strahan, W. W. Everett, G. T. Brashear, J. P. Houston, J. Rupert Jackson, Bora Brame and W. E. Gilliland.

**Republican Delegates.**  
Only two precincts, Clyde and Cross Plains, held precinct conventions May 5. Delegates to the state convention which will be held in Dallas Tuesday, May 22, are J. A. Reed, Clyde, and Mr. Baldwin, Cross Plains. Delegates go unstructured.

## BOROZONE is NOT a liniment

It is the new antiseptic every one should have ready for use when needed for cuts, wounds, burns, etc. It purifies and heals. Liquid and Powder. Sold by Tomlin-Young Drug Co.

## CLYDE SENIOR'S ENJOY OUTING AT LAKE CISCO

The following account of an outing at Lake Cisco of the senior class of the Clyde high school, written by a member of the class, is reproduced from the Clyde Enterprise:

"Chaperoned by Mrs. Callie Marshall, Mrs. Cotton, Mrs. Broadfoot and Miss Owens, the senior class of the Clyde high school spent an enjoyable outing at Lake Cisco recently. The class arrived at Lake Cisco about 9:30 and spent the morning viewing the lake and exploring the dam—then came the "eats." After lunch the manager of the Lake Cisco skating rink turned the rink over to the seniors to have as much fun as they wanted. Everyone tried to skate and Edson McIntosh was the champion—for skating on his back. When everyone was tired of skating they went motor boat riding. After several water fights they all came to shore and left for Clyde. Miss Owens says she learned how to row a motor boat while at Lake Cisco.

## MERGER OF CLYDE AND BAIRD BANDS PROPOSED

CLYDE, May 19.—The Clyde and Baird bands, both at present disorganized, are considering the advisability of uniting into one organization. Band Director Thomas T. Harey of this place and the secretary of the chamber of commerce

at Baird, H. O. Tatum, and others are working on the proposition. The plan is to practice two nights each week, one at Clyde and the other at Baird. By uniting the two places it is believed that an organization of nearly 30 instruments can be secured. Band Director Harey believes he can develop a good band within a few weeks. With the training the boys have already they should be able to render some good concerts this summer. Then too, a good band will be in demand in the county during the summer and early fall.

News want ads bring results.

**NOW Low Summer Rates**

Ladies especially enjoy stopping at the Bienville. It is smart, home-like, and restful, with excellent restaurant service. Located on exclusive St. Charles Avenue and convenient to the shopping and theatre district. Garage for guests in hotel.

## MISS GRISHAM W. T. C. C. PRINCESS FOR EASTLAND

EASTLAND, May 19.—Miss Daphna Grisham will be Princess Eastland at the pageant in Fort Worth during the West Texas Chamber of Commerce convention.

Announcement of the selection of Miss Grisham was made this week by the Eastland Chamber of Commerce. The charming young lady is the daughter of Mr. and Mrs. J. S. Grisham. The pageant will be the most magnificent in the history of the West Texas Chamber of Commerce conventions. All the cities of West Texas will be represented and many social affairs have been planned in honor of those taking part.

# ANNOUNCING--

## the Sale of Dodge Brothers Agency

The Lee Motor Co., formerly Lee Auto Supplies, has purchased the business of the Central Motor Company of Cisco, representing Dodge Brothers Sales and Service for the local territory.

The new company will handle the complete line of Dodge Brothers Motor cars and Graham trucks, and will continue the same high class service on repair parts and shop as has been maintained by the Central Motor Company, which is the oldest automobile concern in Cisco.

In order that there may be no interruption of service, the business will be operated temporarily at the present Central Motor Company location, but will be moved at a later date to the Lee Auto Supplies building at the corner of Main and Fourth Streets.

### WILDCAT WELL IS WATCHED AT CROSS PLAINS

CROSS PLAINS, May 19.—The completion of the Bradstreet-Mahstedt well on the Eubank tract, the addition of a small producer on the Keller, together with other tests bearing the sand have served to hold the interest of many in this area. Operators will also watch with eagerness the test of Crabb, McNeal & Stout which is being spudded six miles south being in wildcat territory one and one-half miles east of nearest production.

Tubing has been placed in Bradstreet-Mahstedt's well and has been flowing constantly at the rate of 400 barrels daily. It is located 3460 feet from the west and 1170 feet from the north line of the J. B. Eubank tract, Robert Mitchell survey No. 141.

With their spudder on the hill, their slush pit thirty feet below, Cranfill & Reynolds have set 8-inch pipe 300 feet east on their Eubank 3-A. A similar location is being drilled near 600 feet on location south.

The Sinclair oil company has set its ten inch and is drilling at 400 feet on their No. 1 J. B. Eubank, located 300 feet south of the Bradstreet-Mahstedt well.

In the Eubank pool proper Cranfill & Reynolds gave their No. 2 O. L. Keller a light shot after having been shut down for the past few days. The gas was not sufficient to cause a flow and the well will be placed on the pump. From the present appearance, the production will be small in comparison with the offsetting wells on the J. B. Eubank tract.

Engine trouble has delayed the speed of Cranfill & Reynolds No. 3 J. B. Eubank, located 300 feet west and 150 feet south of the Keller well but repairs have been made, the eight inch pipe has been set and the sand should be reached during the earlier part of the week.

Crabb & McNeal of Cross Plains and W. A. Stout of Brownwood are spudding on the Cox & McInnis tract nine miles south of Cross Cut. It is located 950 feet from the west and 1700 feet from the north line of the Cox & McInnis farm. McInnis survey No. 643. Pay is expected in the Cross Cut sand but in event of its absence the test will be carried on to the Ranger sand.

The discovery of an oil sand carrying live oil at 1432 feet turned the attention of local operators to the deep test being drilled three miles northeast of Cross Plains. A small amount of gas and a nice showing of oil was found in the first six feet of sand drilled but was lost after an adjoining water sand was touched.

**OIL IS LEADING OVER COAL FOR HEATING SHIPS**

LONDON, May 19.—Oil is beating coal in the battle for supremacy in shipbuilding, it is revealed by figures issued by Lloyd's the great mercantile marine insurance concern.

For the past year the tonnage of motors shipping being built throughout the world has exceeded the tonnage of steamships, the figures show. At the moment the shipbuilding world is experiencing a boom in motor-driven vessels.

The first signs of the boom became noticeable in the quarterly returns for June of last year, when there was a preponderance of 93,000 in the motor tonnage. In the September quarter it had become 120,000 tons. Figures for the March quarter of this year show that oil is leading coal by 100,000 tons.

**Coal To Stay**

Experts, however, ridicule statements that in the next few years coal driven vessels will have ceased.

**BONDED TRUCKS**

Our trucks are bonded for your protection while your goods are in transit, thus giving you complete protection from all damage.

Our moving vans are large and commodious. We move your piano without a scratch.

BONDED storage for household goods. Prices reasonable.

LET US DO YOUR HAULING. PHONE 700

**Ever Ready Transfer & Storage Co.**

to be laid down. It is pointed out that the most important fact in the returns issued by Lloyd's is that in Great Britain, which still leads in shipbuilding, steam tonnage shows a tendency to increase its supremacy over motor tonnage.

The subject of oil versus coal has become an important controversy among shipbuilders here and in other parts of the world. Sir John Latta, one of the most experienced shipping men in England, disagrees emphatically from those who expect the rapid disappearance of coal from the seas.

"For higher speeds," he said in an interview, "say above eleven knots, the Diesel engine is the best. But for speeds below eleven knots I have found that coal is the better. For slow speeds and rough cargo there is no sign that oil will displace coal."

**Still In Dispute**

"The Diesel engine has given some owners an incentive, and in some ways an advantage, in world transport which they did not possess when substantially on steam coal. This in a measure may account for the enormous increase of tonnage building in that quarter."

"It does not prove, however, that Diesel ships, cost for cost, with oil at today's prices, can carry goods more economically than steamers—which is what matters. The real issue is, can a steamer of say 10,000 tons be built and operated as cheaply as a motor vessel of 8,000 tons. My experience proves that it can."

"The controlling factor is the price of oil fuel compared with the price of coal, in my opinion."

**RANGER CREAM ROUTE PROVING PROFITABLE**

RANGER, May 19.—Five hundred dollars a week is being paid to the farmers on the milk route south of Ranger. There are about 25 farmers who are benefiting from this route. The success that the route is meeting with is highly encouraging to County Agent J. C. Patterson and others who are working to build up dairying in Eastland county.

**THE EASIEST WAY to keep your rooms rented is the Daily News classified way. Call 60.**

### BRADY FAIR TO BE FEATURED BY RACE PROGRAM

BRADY, May 19.—Horse racing will be revived with a three-day race program at the annual fair to be held in Brady July 4, 5 and 6. An unusually attractive racing card has been arranged, with each event having a purse that will draw some of the finest ponies in West Texas to the races, which will be run on one of the best race tracks in this section. The purses offered for the meet will total \$1,250. Money will be divided 60, 30 and 10. No entrance fee; stall rent, \$2 per stall for the meet. Following is the race program and the purses offered:

**First Day**—First race, three-eighths and 75 yards, free for all, \$75; second race, one-half mile, free for all, \$90; fourth race, five-eighths, free for all, \$100; fifth race, three-quarters, free for all, \$125.

**Second Day**—First race, one-half mile, two-year olds, \$75; second race, three-eighths, and 75 yards, \$75; third race, one-half mile, free for all, \$90; fourth race, five-eighths, free for all, \$100; fifth race, three-quarters, free for all, \$125.

**Third Day**—First race, quarter of a mile, free for all, \$75; second race, one-half mile, free for all, \$100; third race, three-eighths and 75 yards, two-year olds, \$75.

# STUDEBAKER

The Great Independent

## Sweeps the Boards!

.. holds all speed and stamina records for fully equipped stock cars

## Every Car a Champion!

**The President**  
\$1985 to \$2485  
F. O. B. FACTORY  
100 horsepower 80 miles an hour  
131-inch wheelbase  
Holds all official records for stock closed cars, regardless of power or price, from 5 to 2000 miles and from 1 to 24 hours.

**The Commander**  
\$1435 to \$1625  
F. O. B. FACTORY  
85 horsepower 72 miles per hour  
World's Champion car—25,000 miles in less than 23,000 consecutive minutes. Nothing else on earth ever traveled so far so fast.

**The Dictator**  
\$1195 to \$1395  
F. O. B. FACTORY  
70 horsepower 65 miles per hour  
5000 miles in less than 4800 consecutive minutes—a record for stock cars priced below \$1400.

**The Erskine Six**  
\$795 to \$965  
F. O. B. FACTORY  
43 horsepower 62 miles per hour  
A thousand miles in less than a thousand consecutive minutes—a record for stock cars priced below \$1000.

**ERSKINE Six, Dictator, Commander or New President Straight Eight—they're champions all!**

Read their separate, sweeping records—officially certified by the American Automobile Association. Champions in performance! Champions in stamina! Champions in durability! Studebaker has taken these three vital tests of value in a motor car and proved them beyond dispute—proved them in the only way they can be proved—by heroic tests of strictly stock cars under official sanction.

Think what this means to you in terms of everyday service—in terms of getting the most for every dollar you invest in a motor car!

### Studebaker stands supreme and alone

These marvelous records made by Studebaker and Erskine cars are positive proof that they stand supreme and alone in their ability to travel thousands of miles at high speeds without mechanical trouble. Only a Studebaker Commander has ever traveled 25,000 miles in less than 23,000 minutes—no other car in the world ever

came within 10,000 miles of this remarkable feat. Nothing else has ever traveled so far so fast on land, sea or in the air!

When championship performance and championship stamina can be bought in Studebaker-built cars at One-Price prices (that in themselves set records of value), why be content with less than a champion?

### 40-mile-an-hour speed even when NEW!

These sensational proofs of inbuilt speed and endurance are direct results of Studebaker engineering genius, quality materials, precision manufacture and rigid inspections. For these reasons Studebaker and Erskine cars may safely be driven forty miles an hour the minute they leave the assembly line. Engine oil need be changed only at 2500-mile intervals. The Dictator, Commander and President need chassis lubrication only after each 2500 miles of travel.

Today Studebaker alone can offer you a champion in every price class. Come in today—drive a Studebaker champion! Let the car speak for itself.

Twentieth Century club meets at city hall at 4 o'clock.

Church Societies to Meet

**Tuesday Afternoon.**  
The three circles of the First Methodist church will meet in a business and social meeting at the home of Mrs. George Winston at 3 o'clock.  
The Baptist W. M. S. will meet in circles as follows: All meetings at 4 o'clock except circle seven, which meets at 3 o'clock; Circle Two with Mrs. D. Ball, 609 West Seventh street; Circle Three with Mrs. Hazel, 1900 West Sixth street; Circle Four, with Mrs. J. L. Shepherd, 607 West Ninth street; Circle Five, with Mrs. Alpha Clark, 1907 West Tenth street; Circle Six, at the ladies' parlor of the church; Circle Seven, with Mrs. Jasper Daniels, 1502 D avenue.  
Christian church circles will meet as follows: Circle One, with Mrs. Fannie Pulley, 711 West Tenth street; Circle Two, with Mrs. J. S. Stockard, 702 West Seventh street; Circle Three, with Mrs. Howard D'Spain, 309 West Seventh street; Circle Four, with Mrs. J. D. Lauderdale, 1006 West Sixth street.  
Catholic Altar society meets at 3 o'clock at the home of Mrs. J. J. Collins.  
Circle One of the Presbyterian auxiliary will meet with Mrs. Homer Bible, 600 E avenue.

Miss Ora Howell to Be Presented in Recital

Miss Ora Howell, daughter of Dr. and Mrs. J. W. Howell, will be presented in piano recital at the Morris Music club meeting in the home of Miss Hazel Orr in Putnam Tuesday evening. Miss Howell's program will be the work of the past season, chosen from the literature of the classic and modern composers. She is one of Professor Merris' most talented pupils. The program will be as follows: Gavotte, by Bach; Sonata in D, by Hayden; Impromptu, by Schubert; Prelude, by Rachmaninoff; Waltz, by Chopin; To Spring, by Grieg.

Industrial Arts Club Has Social Meeting

Mesdames B. E. Morehart, J. W. Triplitt, Ruby Miller and E. J. Poe were hostesses to the First Industrial Arts club Thursday afternoon at the home of Mrs. E. J. Poe on West Ninth street. The house was beautifully decorated with roses and larkspur. The meeting was called to order by the president, Mrs. J. D. Barker. After the roll call several business matters were disposed of. Mrs. R. A. Williams and Mrs. P. P. Shepard were elected to membership in the club. The losing side of the attendance contest announced that it would entertain with a luncheon some time in June. The club will furnish flowers for the hospitals during the remainder of May. A report was made that sev-

eral dozen magazines had been given to the Cisco Variety store for free distribution. Mrs. A. J. Olson was elected club hostess to the biennial meeting of Federated clubs to be held in San Antonio in June. Mrs. G. M. Stephenson was elected alternate. The club voted to sponsor the movie, "The Harvester" by Gene Stratton Porter. Year books for the coming year were distributed for the year. The meeting was then turned over to the hostess, who conducted two contests. Mrs. L. D. Parks and Mrs. C. L. Orn were awarded the prizes. The hostesses served an ice course to twenty members.

**Mr. and Mrs. John Ward Honored With Luncheon.**  
Rev. and Mrs. T. J. Bryant and Mrs. G. W. Keathley entertained Tuesday, May 15, with a 1 o'clock luncheon honoring Mr. and Mrs. John Ward of Fort Worth. The room was decorated with a profusion of cut flowers and pot plants. Those enjoying this occasion were: Mr. and Mrs. Alex Ward, Mrs. Annie Lee Rush of Fort Worth, Mrs. Gus Ward, Mr. and Mrs. Bob Winston and son, Pinley, Mrs. Pinney Armour of Baird, Mrs. C. M. Carwell of Abilene, Miss Pearl Bryant, Mr. and Mrs. John Ward of Fort Worth.

**Cisco Club Woman Is Honored As Hostess.**  
A Cisco club woman has had the distinction of being appointed hostess to Mrs. Edward Franklin White of Indianapolis, Ind., who is a candidate for president of the general Federation of Women's clubs, at the biennial, which will meet in San Antonio the last of May and the first of June. This woman is Mrs. J. H. Moyer, of the Twentieth Century club. Mrs. White and Mrs. Moyer are friends of long standing. Mrs. Moyer has also received an invitation to be a guest at the Indianapolis breakfast to be given during the biennial.

S. O. S. Bridge Club Has Social Meeting

The members of the S. O. S. Bridge club entertained Wednesday evening at the Green Lantern tea room. The decorations were roses and other spring flowers. Bridge and dancing were the diversions for the evening. In the bridge game Miss Ruth Endicott and Mr. Mathus were awarded the high score prizes and K. P. Hart was awarded the consolation prize. Dainty refreshments were served to the following guests: Mesdames Ora Trulove, Mary Fee, Addie Fee, Madeline Shepherd, Ruth Endicott, Ester Hale, Theresa Lee, Catherine Cunningham, Mary Elizabeth O'Flaherty, Aline Walker, Ingovar Leighton, Katherine Pettit, and Bill Wender, J. B. McCormick, John Meyers, Grafton Hunt, Jimmie McCormick, Larry Seamon, Mathus, McLaren, K. P. Hart, Paul Zhons, Lanham Bucy, Garrett, Judge Victor Gilbert, Edgar Muller and Odwin Cate.

Mrs. Roy Stover Entertains With Luncheon

Mrs. Roy Stover entertained a number of her friends Thursday with a 1 o'clock luncheon at her home in Humboldt. A variety of spring flowers were used for decorating. After a most delightful three course luncheon the guests retired to the living room where several games of bridge were enjoyed. Mrs. E. M. Howard of Rising Star, won the high score prize and Mrs. Mae Anderson of Rising Star, second high prize. Mrs. R. C. McCarter won the consolation prize. The guest list included Mesdames E. M. Howard, Mae Anderson, A. Hamfield, Nina Phillips, John Doll, R. C. McCarter, R. C. Hayes.

Final Meeting of Year Held By High School P. T. A.

The High School Parent-Teachers association met at the high school building May 16 for the last regular meeting of the year. Judge Lankford, the retiring president,

presided. The association regrets very much that Judge Lankford can not find time to keep the office for the coming year, as he has served well, giving much time to the work. All of the officers and some of the members took part in the afternoon discussion, which centered on the thought of plans for the coming year, and about aims of the different officers. The association seemed to be united in the idea of what should be accomplished. The paramount aim is to secure the cooperation of more parents and teachers, and this is something that must be done before very much can be accomplished by the club. Another very worthwhile aim which was discussed is to improve the scholastic standing, whereby parents cooperate with teachers to make the pupils see that failure to pass is a dishonor. Two other aims discussed were the furnishing of a room for the use of lady teachers and girls in the high school, and the improvement of lighting and heating facilities for the high school building. Those taking part in the discussions of the afternoon were Supt. J. J. Youngblood, Prof. W. F. Bruce, Judge Lankford, and Mesdames W. F. Bruce, G. B. Langston, R. R. Asbury, Van Eman, J. Q. Clark. As

special number, Mr. Collum and twelve members of the Lobo band played "The Arcadian Overture," which was much appreciated by the association.

Cisco Girl Graduates From Park College

Cisco relatives and friends of Miss Helen Gould, daughter of Mrs. Ida Kennon of Cisco, are in receipt of invitations for the commencement services of Park College, at Parkville, Mo., June 3 to 5, where Misses Helen and Vina Gould are students. Miss Helen is a member of the graduating class this year, while Miss Vina has another year at the institution. Miss Helen is a graduate of the Cisco high school of the class of 1923.

TEXAS ELKS MEET NEXT YEAR IN BRECKENRIDGE

The 1929 state convention of the Benevolent and Protective Order of Elks will be held in Breckenridge, according to a telegram received Saturday from J. O. Sue. Sue is attending the annual convention in El Paso as a representative of the Elks lodge of Cisco. News want ads bring results.

THOUSAND FEET OIL STANDING IN WELL

MORAN, May 19.—The Nature's Treasure well, on the Qualls lease, located about one mile south of Pueblo, 10 miles north of Cisco, is standing with 1000 feet of high grade oil in the hole. The hard formation, an iron ore, had to be shot before the well could be drilled to the top of the sand.

Drillers had 50 feet more of underreaming to do Saturday, which will take about two days, and when completed the well will be drilled in. The depth of the well is 2980 feet.

Early to bed and early to rise and the world strikes one as almost unpopulated.—The Durham Sun.

*The Lincoln Sedan Body by Fisher*

With special sport equipment, no smarter car than this

Smart as a racing craft. Long and low... with rakish, youthful lines. But with special sport equipment... it's even smarter. The peer of any car in its class.

There's real style, if you ever saw it. Swank... snap... personality. Reflecting the speed and drive of its engine... its change of pace and its wonderful handling ease.

Six wire wheels... their colors contrasting with body shades. Spares carried forward in special fender wells. A trunk rack behind... suggesting week-end journeys. All that you see and admire on America's finest custom-built cars.

Add to all this the charm of bodies by Fisher. The deep-cushioned comfort and luxury that Fisher bodies provide. Then you'll find the All-American Six leagues ahead of any rival. And you'll marvel again at its truly remarkable price.

1-Door Sedan, \$1042; Lincoln Coupe, \$1045; Sport Roadster, \$1075; Phaeton, \$1075; 4-Door Sedan, \$1145; Cabriolet, \$1155; Lincoln Sedan, \$1265 (auto schools, spare tires, and trunk rack extra). New Series Phaeton \$1, \$145 to \$175. All prices at factory. Check Oakland-Pontiac delivered price—this includes lowest handling charges. # CHURCHES

**FIRST METHODIST**  
Big evangelistic service this afternoon at 3 o'clock. Evangelist Lynn Squires will preach. The Ely orchestra will play. Rev. Ira T. Buckley will lead the singing and sing two solos. We are expecting a large crowd to be present at 3 o'clock for this great service. 9-45 every teacher and pupil is urged to be on time. Sunday school will dismiss early so that all may go to the high school baccalaureate sermon, 2 p. m. Epworth Junior society will meet, 7 p. m. Senior Epworth League. No evening service. We are cooperating with the college in the baccalaureate services at the First Christian church. The church with a glad hand and a warm heart, on Broadway.

**FIRST CHRISTIAN**  
Bible school at 9:45 a. m. Communion service at 10:30. Baccalaureate sermon at 2 p. m. for graduates class of Randolph college. J. B. Holmes of Fort Worth will deliver the message. You will find a welcome at all of these services.

**CHURCH OF GOD**  
F avenue at Eleventh street. There will be no services at the 8 o'clock hour as we are dismissing in order to attend the baccalaureate services for the Randolph college graduates at the First Christian church. It is urged that all members attend this service. The other services of the day will be as usual: Sunday school 9:45; morning service at 11 o'clock, subject, "Dwelling in Canaan." Attend this service and receive a feast to your soul. Is Canaan typical of Heaven? Is the Jordan a type of death? Can a church prosper with sin in the camp? What do you think? Come and hear. Young people's service at 8:45. There will also be a young people's rally at the Church of God in Gorman in the afternoon at 3 o'clock. All young people are invited.—JOHN W. BATDORF, Minister.

**NEW WATERWORKS BRING INSURANCE RATE SLASH**  
AUSTIN, May 19.—Because of installation of new waterworks, the fire insurance rate of Kerrville has been reduced from 92 cents to 57 cents, and that of McCamey from \$1 to 75 cents.

## SCHOOL OPENS ON MAY 27 FOR CHURCH COURSE

EASTLAND, May 19.—The fourth session of the Eastland standard training school for pastors, Sunday school workers, parents and all who desire to render intelligent and efficient service in promoting the Kingdom of Christ, will open at the First Methodist church, Eastland, May 27, and continue through June 1. It is intended for all persons within the district.

Rev. C. O. Shugart is presiding officer. Rev. F. E. Singleton is educational director and Rev. G. A. Schleuter is conference superintendent. The board of managers consist of D. F. Knox, Ranger; Rev. P. T. Stanford, Cisco; Rev. L. W. Seymour, Caddo; Rev. E. S. Hightower, Breckenridge; W. E. Trimmer, Corson; F. J. Springer, Cisco; L. B. Morton, DeLeon; J. A. Eaton and Rev. F. E. Singleton, Eastland. Committee chairmen are Rev. P. T. Stanford, publicity; Rev. H. H. Nance, book; Rev. F. E. Singleton, finance; Mrs. Joseph M. Perkins, enrollment; Rev. F. E. Singleton, entertainment.

## Moody Discredited by Voters in Defeat of Amendments Proposed for Constitution, Wardlaw Says

LAMPASAS, May 19.—Continuing his attack upon the government policies of Governor Moody, Louis J. Wardlaw, candidate for governor, declared here Friday night that if the constitutional amendments, submitted by the legislature and sponsored by the governor, had been adopted they would have made the ownership of property in Texas a burden.

The people overwhelmingly rejected these amendments, Wardlaw said. The voters of Texas would now like to know whether or not Governor Moody accepts the verdict or whether he will, if re-elected, ask the legislature to resubmit these iniquitous measures.

The candidate referred to an article which recently appeared in a Williamson county newspaper, home county of the governor, in which it was stated that Wardlaw's call upon Moody to state whether or not he favored a statewide road bond issue of \$350,000, as proposed by R. S. Sterling of the highway commission, was fair and that the governor should answer. "Although I called upon Moody to give his views on this issue two weeks ago, and although Sterling is his agent and the people have a right to assume that Moody agrees with his proposal, not one word has Moody yet uttered touching this question." The candidate declared the time has come when an accounting on extravagance must be had. He declared the office of governor is a business office, that the governor is the servant of the people, and that the people have a right to know what their servant is doing. In this connection he declared: "If elected he would devote his entire time to the duties of his office and would not spend his time hobnobbing with politicians and attempting to make and unmake presidents of the United States."

### VOCATIONAL TEACHER FOR GORMAN PROBABLE

GORMAN, May 19.—One of the biggest movements launched in Gorman, one that will in end have the most far reaching results was started on last Friday when at a mass meeting at Higgins' Hardware store it was decided to ask the state agriculture department for their aid on vocational agriculture to be taught in the schools. The state and federal government will pay five eighths of the salary of the teacher of the prescribed course and it only leaves three eighths for the local folks to bear.

## LANDS BIG BASS ON 40C TACKLE AND RED WORM

J. B. Ely is the fishing champion for the past week, having landed the largest bass caught from Lake Cisco last Friday, and one of the largest caught in those waters since the season opened. Ely's catch was a huge specimen, weighing three pounds and three-quarters. But the joke on the expert fishermen was that Ely is an amateur. It took quite a bit of discussion on the subject to arouse his enthusiasm, but it finally "took" and he became a fishing fan right off the reel. Procuring a 10 cent cane pole and a 30 cent line, he proceeded to the lake. Baiting his hook with a red worm he cast it in the waters after getting out on a rock some distance from the

shore. The rock was too far out in the water for Mrs. Ely, who remained on the bank of the lake. It was not long before Ely had a strike, and before he succeeded in landing his catch Mrs. Ely became so thoroughly interested that she left her place on the shore and was beside him when he landed his bass. Not until the fish was safely anchored did Mrs. Ely realize that she had passed over the space between the rock and shore, Ely said, for she exclaimed: "How did I get here?" Ely had to carry his wife back to the banks of the lake.

### MARKS TO SPEAK AT GRADUATION EXERCISES

AUSTIN, May 19.—Speaking engagements for S. M. N. Marks, state superintendent of public instruction, include addresses at West, McLennan county, May 21; Clarksville, Red River county, May 23; Jacksonville, May 30 and Carthage, Panola county, June 15. All of the speeches will be delivered at graduating exercises of the schools.

## TO RECONSIDER COURT RULING ON RANGER LAW

AUSTIN, May 19.—The supreme court will review the civil appeals court findings which declared void a city ordinance of Ranger requiring the maintenance of a flagman at a Texas & Pacific crossing from 5 a. m. to 10 p. m. The ordinance was declared void during its hearing on appeal, after a person injured at the crossing had secured \$9,000 judgment from the railroad. Voiding of the ordinance destroyed some of the injured person's grounds for action, it was stated.

### HOUSTON VISITORS TO BE SURPRISED BY WEATHER.

HOUSTON, May 19.—Democrats arriving here for the national convention and expecting to swelter in a torrid clime, will be agreeably surprised. Houston is cool in June, reports to the contrary. The mean temperature for the city for the past five years, according to government figures, was 81 degrees for the last week in June and the first week in July.

### CHARLES DEARLPH GREATLY IMPROVED

The friends of Charles Dearolph will be gratified to learn that he is now able to be up from his recent illness. His condition at one time was reported to be grave, and fears were entertained for his recovery. A trained nurse has been with him during most of his illness. His physician, however, says it will be necessary for him to remain quiet for some time yet.

### Carbon Praised by R. Q. Lee for Its Progressiveness in Commencement Address; Linked Closely with Cisco

Carbon was praised as one of the most progressive communities in West Texas by R. Q. Lee of Cisco, when he delivered the commencement address to the graduating class of Carbon high school at that town Friday night. He also told of the close relationship between Carbon and Cisco and the prominent parts former Carbon citizens have taken in the affairs of Cisco.

Lee's address was, in part, as follows: "I came to Cisco 15 years ago and at that time, or a little later in our inter-scholastic county contest, I recall that a little girl from Carbon won first place in the girls' junior declamation contest and one year later the same little girl won first place again. I also recall that in our athletic contest Carbon won first in boys basketball in the county and then in the district tournament defeated Abilene, then going to the state tournament, lost in the finals to Breckenridge high of San Antonio by the small margin of one point. Two of the boys on this Carbon team were honored by being placed on the all-state team.

"There are some other events in the life of our two communities that have brought us close together. Sometime ago when we had a vacancy on our chamber of commerce board of directors, a former Carbon citizen was chosen. He accepted the place, and is serving in a wonderful way. We also had a vacancy on our city commission and a former Carbon citizen was chosen for that place. He too is serving us well. A vacancy occurred on our school board and a former Carbon citizen was elected for that place and last, but by no means least, when we needed a man to look after the details of one of our splendid churches, buying of all furniture, fixtures, etc., a former Carbon citizen was chosen for this work.

"So my young friends, I congratulate you that you live in such a progressive community. I have always been for the country and small town, schools and churches. I like to look back to the time when I was a trustee of the Caddo school, to the days when it was necessary to have box suppers, oyster suppers, pie suppers, community plays, school plays, etc., so as to maintain a six month school term. In those days we only collected a 15 cent tax on a small common school district with low property values. I am thankful today that they have at Caddo a school about the size of your Carbon school. I do not know what your chosen field is, or will be, but may I say that if you find it at all possible, go to college and complete your college education. But, on the other hand, if you do not find it possible to go to college, remember this: that you have a good foundation with your high school education. I dare say much better than your parents received. I will say that it is much better than I received. When I started working for myself at the age of 16 years, I soon learned that I had made a mistake and that to meet the problems of life I must be better prepared, so I started to night school and to reading good literature and in that way improved myself and since that time I have been a close student of good reading matter.

"There has never been since the days of creation better opportunities for our young people than now. There is more room today at the top of the ladder than in any period of the world's history. The bottom, however, is crowded. If you should choose for your life's work the field of agriculture, and may I say, I think this the most inviting of all fields, and use your brain actively along with a busy brawn, your success is assured, or if you should choose the field of business, this field is wonderfully white, or if your talent should lead you to the

field of educational work, you will find a great opportunity awaiting you there. Maybe your tendency would be in the field of religious work and if so do not try to shake it off, for such a field is beckoning to you to enter and if you should enter this work, you will surely find room again at the top of the ladder. Being a Baptist I know more of the outstanding leaders than of the other denominations, and who knows, but some one from this class will make a George W. Truitt, Dr. Truitt was a North Carolina country boy, and I doubt, if at your age, he had had the school opportunities that you young people have had.

### HUEY IS NAMED BRECKENRIDGE HOTEL OFFICIAL

The election of Frank J. Huey as vice president and treasurer of the Burch Hotel Co., of Breckenridge, caused some surprise when it became known in Cisco today. Mr. Huey is a well known certified accountant of this city. Concerning his election as one of the executives of Breckenridge's new hotel company, the American of that city had the following to say Thursday: "F. J. Huey, of Cisco, was elected vice president and treasurer of the Breckenridge Hotel company, and by virtue of that, a member of the board of directors of the organization to take the place made vacant upon the resignation of Sam W. Davis, who has left Breckenridge

to make his home in Houston. The other members of the board of directors are H. C. Burch, president of the hotel company, and Floyd W. Holder.

Mr. Huey is a certified public accountant and as such has maintained an office in Cisco for the past eight years. Prior to coming to Cisco he was auditor for several years of the government railroads in Canada.

A change in the management of the hotel has also taken place. I. V. Daniels, who came to the Burch from Cisco as auditor when it was first opened, has been named to succeed Clyde L. Bettis as manager, assuming his duties this week. Mr. Daniels is an experienced hotel man, with eight years of such service to his credit. For one and one-half years he was assistant manager and auditor of the Porter Apartment hotel at Lansing, Michigan, one of the largest and most popular summer resorts of that section.

### CREAM ROUTE IN GOOD SHAPE, SAYS VARNELL

"Cisco's cream route shows a rather healthy condition for the first weeks of its existence," said E. H. Varnell, agricultural vocationalist of the Cisco high school and chamber of commerce. "The route is now producing an average of 200 pounds of sweet cream per day, and the average net price paid during the past week by the Cisco Creamery, was 40 cents per pound, which is 5 cents above sour cream prices. At this rate the price should average 45 cents the year around.

"Six of the leading producers on the route last week averaged over \$2 per day for their cream and none of these patrons are milking over six cows. The leading producers are as follows, with the receipts for the past week: "O. P. Weiser, \$16.73; J. H. Johnson, \$12.52; J. C. Leveridge, \$13.28; W. M. Moore, \$12.59; J. D. Sprawls, \$19.39; Lee Lieskie, \$16.42. "Beginning Monday morning a

### 65,000 SHOWN OAKLAND CARS IN THE MAKING

PONTIAC, Mich., May 19.—The production methods upon which rests the success of America's immense automotive industry were applied with singular effectiveness here recently to such problems as taking care of babies, parking cars and feeding 65,000 people. The occasion was a three-day

open house celebration at which the Oakland Motor Car company played host to the public in formal observance of the completion of a \$3,000 addition to the manufacturing and shipping facilities of the Oakland All-American Six. The factories were placed upon an afternoon and evening schedule that the public might see them in actual operation.

Efficient special police superintended the orderly parking of the cars. Out of town visitors found themselves guided to the plants by illuminated arrows on every highway and Boy Scouts posted at every intersection. The open house celebration, under the active direction of Gordon Lefebvre, vice president in charge of operations, was conducted with all the precision and method which

characterizes the operation of the factories themselves. Arrows throughout the plants guided the visitors from one placarded machine to another. At the conclusion of the factory tour, the guests were possessed of a complete chronological picture of the building of a motor car. Ample precautions were taken to assure the safety of the visitors. Sufficient material supply was placed near each machine to keep it running throughout the nine-hour period.

# so Beautiful-

## a car to be proud of wherever you go

Wherever the Bigger and Better Chevrolet is driven, it is singled out for attention and comment—for never before has a low-priced car embodied such superb styling, such exterior richness and such distinguished beauty.

Its low-swung bodies are built by Fisher, with all the mastery in design and craftsmanship for which the Fisher name is everywhere renowned. Beautifully beaded and paneled... stream-lined on a wheelbase of 107 inches... and finished in gorgeous colors of genuine, long lasting Duco—they rival the costliest custom creations... not only in brilliance of execution, but in richness and completeness of appointments as well.

But equally impressive is the obvious ability of the Bigger and Better Chevrolet to meet every driving demand. Its improved valve-in-head motor is smooth, powerful and swift in acceleration. Its big, non-locking 4-wheel brakes are always dependable... always velvety in operation. And its ball bearing worm and gear steering mechanism provides delightful handling ease under every condition of highway and traffic.

Truly, the Bigger and Better Chevrolet is a car to be proud of wherever you go—beautiful, smart and distinguished... and so easy and safe to drive that every mile at the wheel is a pleasure.

Visit our showroom today—and learn for yourself what a great car it is!

Mesdames F. C. leVeaux and C. R. Baugh are visiting relatives in Graham.

GORMAN

The recent heavy rains have put almost seven feet of water in the lake and it is spreading over the channel of the stream. The water is about twenty feet deep now. The spillway is being prepared so as to retain the fish in the lake. The fences to hold these will be of fine net wire—the first to catch the drift and the lower to catch the fish.

The golf course is in splendid condition as it has been mowed, making the greens all smooth and fine.

Mr. Ben Reed has almost finished his house and several others have been clearing away for building purposes. There will soon be a number of houses to beautify the grounds.

Frank Slaughter has been visiting with his parents this week. He will locate in Cisco where he has a place with the Magnolia company.

Mr. and Mrs. J. H. Henry were in Abilene last Sunday.

Mr. J. W. Brents was home for the week end with his parents, Mr. and Mrs. S. H. Hukabee.

Dr. Terry, of Rising Star, is at the Sanatorium this week taking treatments.

Mrs. Bush, of Quannah, and Mrs. J. C. Gorman, of Abilene, came Tuesday for a visit with friends here. Glad to see them back again.

Fred McAdams, of Mercedes, is here this week visiting friends.

Mrs. Blanche Randall, of San Antonio, has been here this week visiting Miss Lizzie Belle Harper.

Rev. O. N. Hollyman, of Littlefield, is in the Blackwell Sanatorium where he has undergone an operation.

Mrs. Herbert B. Thompson and Mrs. E. V. Huisteder, will present their piano and expression pupils in a recital on Tuesday at the Methodist church at 8 o'clock.

Miss Hallie Beth Sales, who is attending Trinity University, took part in the concert given recently by the students of the conservatory of music.

Heavy Rain Sends

(CONTINUED FROM PAGE 1)

considerable damage from the high waters and hail. Many crops are reported to have been covered, and will have to be replanted.

Crops Washed Away

W. B. Starr said six inches of rain fell at his place in so many hours, overflowing his fields and covering everything that was growing in the fields.

W. J. Poe, living in the Pleasant Hill community, said the damage done on his place was slight, but many of his neighbors were hard hit by having their crops covered with earth.

O. G. Reich, living south of Cisco, said everything on his place will have to be replanted, except his corn. All feed crops are buried under the earth and silt that washed over them. What fruit that escap-

ed the freeze is practically ruined, as most of the fruit was struck by the hail, Reich said. Henry Stroebel's crops suffered about like those of the Reich farm. Stroebel's hay crop which was nearly ready to harvest, was covered with earth.

Must Replant Crops

N. S. Kinard, another Pleasant Hill farmer, was here Saturday, and said his lands were badly washed and much of the crops were covered and will have to be replanted. He said he had no fruit, but his gardens were badly damaged by the hail, accompanying the rain.

Reports from Eastland indicated that the damage wrought by rain and hail was similar to that in the Cisco County. An early report said that the dam at Eastland lake had gone out, but this proved to be erroneous.

FIRST METHODIST CHURCH Sunday, May 20 3 P. M. BIG EVANGELISTIC SERVICE LYNN SQUIRES Will Preach. (a), Ely Orchestra Will Play. (b), Rev. I. I. Hukabee will lead song service and sing two songs. WELL IN SOUTH SHACKELFORD IS PRODUCING

ALBANY, May 19.—The Decatur Oil Co.'s R. J. Moberly, section 61, block 12, T. & P. railway survey, topped oil sand at 1,223 feet and drilled three feet into the formation. Its production is expected to be 20 barrels daily.

from a dry hole drilled last year by H. G. Gwinup. Since it is a rank wildcat, new development in southern Shackelford county is expected to follow. The Humble, Hope and other large concerns hold acreage in the vicinity.

The Meridian Petroleum Co. at No. 2 Alexander, three miles north of Albany was completed at 875 feet after drilling 15 feet of sand. It is a 20 to 30 barrel well. No. 1 Alexander, completed at 895 feet two weeks ago is making 14 barrels per day. The third location has been made by the Meridian company.

L. C. Heltzell and Gilman & Mc Murray's No. 2 Davis, northeast

corner of section 14, block 12, T. & P. survey, struck 250,000 cubic feet of gas at 700 feet. Drilling is continuing with hopes for encountering good production.

Logie and Arendt Oil Co. has spudded a new well on the T. E. & L. Co. survey No. 502, owned by Vlach Brothers of Birmingham, Ala. It is to be a shallow test.

Bosser & Pendleton-Marland No. a-3-62 Cook topped the regular sand in the Cook extension pool. It is located northwest of the first extension area well, which is making 650 barrels daily. The two wells are a mile from the Cook pool.
