We took a gander around the shoe department at Cates this week and took notice of a number of interesting things.

We saw some mighty comfortable looking house slippers for men that would be just dandy for lounging around the house on those forthcoming winter event.

Cates also have those "Champ" insoles for regular shoes that are aimed at making active feet feel like winners. They also have the "Champ" deodorant foot powder.

By the way, if you'd like to add new life to your shoes and boots, try the Red Wing shoe oil. This treatment allows your feet to breathe and its priced at only 50¢ per can.

The selection in mens and boys suits looks bigger and better than ever.

THE PEABODY LETTER

Me and Mag got to thinkin and talkin about how the Vice President and the new President which has just got elected got together down there in Florida where they shuck hands and made up.

Mag says she don't believe they ever wuz mad at one another in spite of all the fuss and name callin that went on while they wuz runnin.

I seen the paper where they wuz aimin to work together and try and git the country stratened out but it looks like to me that us people wot live in the country ain't needin no help. It's the city folks that seems to be havin all the trouble with them Hippos and people startin rites all over the place.

The old Red Rooster has sort of settled down sense the electsuns but he's still takin it purty hard about Paul Eggers losin out.

I'm trainin old Red for possum huntin seeson and I aim to take him on his first hunt any nite now.

I had some trouble at first but I final decided it wuzn't no use to learn him how to tree a possum on account of there aint enuf trees fer him to chase one up in. I have now learnt old Red how to chase a possum down a gofer hole and hold him down inside until I arrive on the seen.

When I git there, Red backs off and the gofer chases the possum out of his hole into my toe sack.

As soon as we git holt of enuf possums, Mag is aimin to throw a big possum party for all the nighbors. The poke said and permis is comin in good sew we expect to have quite a shin dig.

Gitin back to that election again, me and Mag shore wuz surprisid to see so many peepbe by the same name a runnin on one ballit.

If you went to vote, I recon you know what I'm talkin about which is all them fellers by the name of amendment that wuz listed on the bottom of the ballits. What tore me up wuz that none of them had any first names or inishuls.

I recon the sheriff done the best he could by givin ever one of them a number and that did help some. The only mistake I seen that he maid wuz that he plumb fergot to indicate which won wuz a Republican or Demycrat or whatever his party consilidation wuz.

I don't know how you done it but me and Mag went rite down the line and put a X mark rite on all them places which said "yes". We just took for granted that all them fellers must of been a runnin for the State Ledger-stature and there's one thing fer shore, if ever body voted like me and Mag done, there shore is goin to be a bunch of amendments showing up at the State Capital in the next session.

WATSONS MAY BE PERMANENT

Mr. and Mrs. Ralph Watson, 315 Endicott Street, celebrate their 25th wedding anniversary Thursday Nov. 14.

The Watson family are natives of Medford, Okla. but Spearman is their home-away-from-home, at least during the wheat and maize harvest season. Watson is a custom cutter and has been making the harvest in Spearman since 1959. His father, the late Earl Watson, made this his trade for many years. He died in 1961 as the result of a plane crash which occurred just east of Spearman on the Greever farm.

Mr. and Mrs. Watson are seriously thinking of moving to Spearman and making this their permanent home since they spend much of their time here and have acquired many friends during the years. They came here for maize harvest early in October and entered their son Joel in the 8th grade and another son Jeff in the first grade. Their daughter is a Senior at Medford High School and they have another son who is in college.

The Smith Variety Store is quitting Business. You can buy now Mens Chambray Shirts for \$1.34.

Danny and David Koon were both home for the weekend with their parents. They brought a house guest, Mrs. Retta Henderson, to spend the weekend.

Blackhawks Jynx Lynx

Spearman's Jynxing Lynx had their dreams for a District 1-AA championship shattered at Phillips Friday night, as the Blackhawks won a crucial conference game, 55-14.

Spearman got an early score to tie the Hawks 7-7, after Bobby Brown blocked a Phillips kick. The Lynx scored their last touchdown in the final quarter, with the Hawks leading 55-7. Davis scored the touchdown, on a three yard scamper.

The Lynx will meet the Panhandle Panthers at Panther Field Friday night, in another crucial game. If the Lynx can get by the Panthers, and Dalhart upsets

Phillips, the Lynx will share the district championship with Phillips.

Panhandle had a hard time defeating the Boys Ranch football team at Panhandle Friday night, as the fired up Ranchers played the Panthers a hard fought game, before losing 12-0.

B Team Wins 22-0

Two of the hardest fought games this writer has seen this season took place on the practice field this week. The Lynx B team played the Lynx second team varsity in both games.

The referee for the two games was Coach Anthony who took no sass from the B team coaches who were Coach Coursey and Coach Simpson of the second team varsity coaches who were Coach Clemons and Coach Wilson.

In the first game on Monday, the B team won 22-0. They seemed to run almost at will against the second team varsity defense. The second game on Tuesday was a different story. The second team varsity won 12-0. The second team took over and drove 11 they were halted on the second team's one-foot line. From there the second team took over and finished the scoring with a 99-yard drive.

The games were hard fought and the winners were jubilant and the losers crestfallen.

In Debate, Bonnie Vernon and Sheryl Curry got to the Quarter Finals, as did Marty Jones and Richard Tracy. Marty and Richard were the only team out of 75 boys teams that had a perfect record while coming into the Quarter Finals. This is only the first year of debate for Richard.

Other participants in this tournament were Lynn Pierce and Larry Fryer, Extemporaneous Speaking; Buddy Dosssett and Glynn Sanders, Debate; Lisa Curry and Linnie Bollinger, Debate; Denise Sparks and Susan Brillhart, Debate; Guy Dell White, Girls Poetry; and Randy Collard, who went as a Judge.

Mr. Marrow will talk on "Developing a Girl through a Jr. High Program." Following Mr. Marrow will be Mr. Jerry Pugh, Texhoma, Okla., who will talk and demonstrate on drills and developing a three out offense. Next will be Mr. Bob Schneider talking on the Canyon post play and post drill. Mr. Schneider is from Canyon High School, Canyon, Texas. Last on the morning program will be Mr. Bob Welchel from Petersburg High School, Petersburg, Texas.

Felder Wins First, Two Tie For Second

Last week's football guessing contest didn't turn out so well... for some. We came up with a first place winner, but a tie for second place. All three missed two games each.

Jerry Felder is first place winner as result of his tie breaker score. Felder guessed Phillips over Spearman 21-14.

Vicki Rosenbaum and Debra Gregg tied for 2nd place and will split the money. Debra guessed wrong on the Cowboys game and took Sanford Pritch over Stratford. Both Vicki and Felder missed the Cowboys game & the Houston Oilers game.

Misses Rosenbaum & Gregg were pretty far off on their tie breaker guesses. They both took Spearman 21 over Phillips 14.

Mr. Welchel and his team will demonstrate the Petersburg tandem post offense. Following this, there will be a break for lunch.

At 1:30 the Gruver chapter of S. B. O. A. will conduct a rules clinic. This discussion will conclude the clinic topics.

At 2:45 the scrimmage games will begin with Friona playing Panhandle. Panhandle is coached by Mr. Van Kountz and Friona is coached by Mr. F. G. Crofford. At 4:05 Spearman (Third class AA State) will play Petersburg. Spearman is coached by Mr. Dean Weese and Petersburg by Mr. Bob Welchel. Following this game at 5:25 Stratford (Second Class A Regional) will play Canyon (District AAA Champs) Stratford is coached by Mr. P. D. Fletcher and Canyon by Mr. Bob Schneider. The last scrimmage, which begins at 6:45 is between New Home High School and Darrouzett High School. New Home is coached by Mr. Mel Williams and Darrouzett is coached by Mr. Robert Taylor.

Lynxettes Drop 57-56 Thriller At Plainview Clinic Saturday

Spearman's Jynxing Lynxettes dropped a one-point thriller Saturday afternoon, in an exhibition game at Plainview. The Lynx played the Tulia Homettes, in the Plainview Basketball Clinic. Marsha Shieldknight paced the Lynxettes, with 29 points to lead the scoring, followed by Shufeldt with 23, and White with 4 points.

Starting guards for the clinic game were Jones, Callaway, Hohertz and Kirkland. The Lynxettes were invited to another clinic at Darrouzett, this Saturday. They will play Petersburg at 4 p.m. in another exhibition game.

Coach Weese and his fine team just weren't quite ready for the Tulia team, apparently. The Spearman girls will be small again this year, and it will be up to Coach Weese to take this small, but well coached team through another district, regional, and state basketball race.

Teen Dance Here Sat.

Mr. and Mrs. Dunn are providing teenagers the opportunity to enjoy this type of entertainment once each month as long as the dances prove successful. The dances are chaperoned, soft drinks will be available

and once the boys and girls pay their admission they are not allowed to leave the building until the dance is over.

Sponsors are Cantrell Flying, Alton's Gulf Station and Red Byrd's Texaco and These businessmen have agreed to meet the expense for the dance in order to furnish area youngsters the entertainment.

Mr. and Mrs. Dunn said the dance last month was very successful and offered a vote of thanks to all chaperones and sponsors. Admissions more than paid the expenses and if this continues to be the case, they will see that Spearman's young people are entertained in this manner.

Let Me See ... by Sybil

This past week should be a lesson to us all... you just simply CANNOT predict elections, football games or the weather. And of the three, I think football is the most unpredictable. Up until now I have always pretty well listened to the drug store quarterbacks, the coffee shop

quarterbacks and all the other know-it-all quarterbacks when they give out with this who-is-favored-to-win business. Never again! All these false prophets do is get you all built up for a let down. Some smart guy came up statistic-wise, with the idea that the Cowboys were a 21-point favorite over the Giants and you very well know by now that if you made your bet according to this crack pot's predictions, YOU LOST.

The only weekend sporting event which came out the way I wanted it to was the Hawaiian National Open. I think everyone was glad to see Trevino take home the money. The tournament was beautiful in color and came to us via that stupid satellite. How in this world, I don't know. But at the beginning of the show they tried to explain how the beam was bounced around from Hawaii to Baltimore, to LA, to Mexico, etc. I don't get it, but we DID get it! We are using this satellite for so many things these days... I do hope and pray it doesn't

run out of gas or decide to change orbits.

Before I get clear off the subject of golf, that time is here again. It's the season now that EVERYONE can play golf out at Hansford County Club course. During the regular golfing season members only can enjoy the game, but from now until April everyone is invited to play for the price of green fees which are \$2 week days and \$3 on weekends. Go out and try your luck. It's a grand game and our course has the reputation of having the best greens of any club in the Panhandle. The owner of Honolulu's Country Club played here last week and he simply raved about the condition of our greens. We have four new sand traps. Whether this is good, or bad, depends on whether or not you land in one.

Couldn't help but chuckle over a story I read in the Perryton Herald. Seems this man was charged with possession of liquor for

sale in a dry county. The charge came after officials found 20 pints in the man's pig pen! Personally, I couldn't think of a more appropriate place to keep the stuff, and the thought struck me that the man was probably living in high style until they found his still. I've often wondered why some of these pig pens smell so fermented. Now we know.

Congratulations to Arnold Richardson. All of his many Spearman friends are real proud of him. As you probably noted in the weekend Hansford Plainsman, Major Richardson was cited in Vietnam with the Distinguished Flying Cross. The news came from the US Air Forces just this week but Arnold won the honor several months ago. In some of his letters home, Arnold told of Pat Nugent flying with him as his Lead Master. He said the President's son-in-law was a real fine fellow who did his work well! I don't think he has this same opinion of the President,

however, as he certainly didn't like the idea of the halt in bombing operations over Vietnam. If all goes well, Arnold will be home Christmas.

It's a small world. I have an aunt who has recently moved to Kenai, Alaska where her husband works with the off-shore drilling rigs. I keep forgetting Alaska is one of the United States and I can't even find Kenai on the map. From what my aunt writes me, only the Eskimos DO know where it is. But just last week, I read in my own newspaper that a Mrs. J. G. Couch of Kenai, Alaska was in Spearman visiting her sister!

Wherever it is, it must be quite a place! Gas costs 50¢ a gallon, beer costs 75¢ a bottle, rent is \$200 a month for a trailer and they don't even have funerals when you die! Last month the owner of Bill's Tavern died in Kenai, so his wife and several of the best customers took ole Bill out to the grave yard,

dug a hole, laid the poor soul to rest and simply covered him up. His wife, it seems, said a few kind words over him and concluded with, "back to the tavern boys, the drinks are on Bill." Now you might laugh, but this is the truth! They didn't linger too long at the cemetery... course it could have been cause it was 40 degrees below 0. And I doubt if this motly crew was dressed too warmly for the occasion since insulated coveralls there cost you \$50 bucks. I heard this week that the election is not yet official... Alaska's votes haven't all been counted. They say most of these are brought in via dog sled. I bet if the truth was known, the polling place in Kenai was Bill's Tavern.

Mr. and Mrs. Pope Gibner of Spearman and Mr. and Mrs. Charles Chambers of Dalhart were in Lubbock over the weekend where they attended the Tech-TCU football. The Gibners returned home Monday.

Methodist To Conduct Lay Witness Mission

The Spearman Methodist Church will host a Lay Witness Mission November 22, 23, 24. Conducting the mission will be ten couples and seven young people from New Mexico, Kansas, and Texas.

Pastor Wesley Daviel said wonderful reports had come from other churches where Lay Missions have been held and he urged his congregation and members from other churches to feel welcome to participate in every session.

The session will begin at 7 p. m. Friday with a covered dish supper which will be followed by group meetings. Saturday, 10 a. m., -- coffee groups in homes. Noon -- dutch treat lunch for men, salad lunch for ladies and luncheon for youth.

Saturday, 6:30 p. m., sandwich supper at church. Saturday, 7:30, witnessing of visitors, then go into

groups. Sunday, 9:45 a. m., Sunday School with visitors in charge. 11:00 a. m. church service with visitors bringing messages. 12:00 noon, covered dish lunch. 7 p. m. evaluation session at church.

There will be separate activities for 7th through high school age groups. A children's nursery will be provided at the First Christian Church and the Baby Nursery at the Methodist Church.

Other denominations are invited to attend the Lay Witness Mission. Mrs. Jerry Taylor and daughter Tiffany were in Spearman last week visiting with Mrs. Taylor's parents, the Dude Browns, and her mother Mrs. Lynn Buzzard and her new baby.
