Regional Titles On The Line For Spearman High School

TO REGIONAL---Coach Eddie Clemmons and his golf team will be in Lubbock Thursday and Friday for the Regional tournament. Pictured above, standing, L to R: Coach Clemmons, Junior Salinas, Phil Windom, Tony Harper, Kneeling: Pat Sloan, left and Art Lynch. All the players are sophomores except Art Lynch who is only a freshman.

SPEARMAN LADY NAMED PIONEER DAY QUEEN

The Old-Timers' Committee for the 1969 Annual Pioneer Days of No-Man's Land celebration announced today the selection of Mrs. Gwenfred Lackey of Spearman, Texas to reign as the 1969 Pioneer Days Queen.

Mrs. Lackey was born December 31, 1894 at her father's ranch south of Gruver. Her family moved to Guymon in 1906 where she attended public school until 1911. The house on East Sixth Street where the family lived is still standing.

Mrs. Lackey has served as a Director of the First National Bank of Guymon for fifty years. She was elected to the Board of Directors of the bank following her father's death in 1919. Her father, Joe Jones, was serving as President of the bank at the time of his death.

Preston Calvert is serving as Chairman of the Old-Timers' Committee for the 1969 Pioneer Days celebration. Committee members include Mildred Bledsoe, Harold Colgin, Bill Houser and Fred Willoughby.

8th Grade Banquet Set For Saturday

Ninety-nine Spearman eighth graders will be entertained Saturday night at their annual banquet and prom. Graduation exercises for this class are set for Friday, May 23, the last day of school.

The banquet will begin at 7:30 Saturday evening in the Junior High Cafeteria and will be served by the school lunch room staff.

Master of Ceremonies, Bill Ownbey, will give the welcome address to teachers, administrators, parents and guests. Miss Rosemary Burkhardt, soloist, will provide the evening's entertainment.

Following the banquet, students and their dates will adjourn to the community building where they will be entertained at a dance, and/or party. Mrs. James Lair is dance chairman and Mrs. Frank Porter is party chairman.

Playing for the dance will be "Tyme Being" an orchestra from Amarillo. Mrs. Lair said donations are needed to help defray expenses for refreshments and orchestra and if anyone is interested in helping with this they might see Cricket Giles, Beverly Sparks, Kate Farris or Darlene Linn.

Mrs. Lair also reminded students who attend the dance, that once they have been admitted, they will not be allowed to leave until the dance concludes at 11:30 p. m. Students attending the special party, will be provided with various games and entertainment and will be served refreshments.

Another party being planned for students is one being hosted by Mrs. J. D. Helms and will be held following the banquet.

New Jeweler Opens Here

J. C. Hickerson has opened a jewelry store at 310 S. Main in Spearman.

Hickerson comes here from Sunray where he has been in the jewelry business for the past twenty years.

He is a graduate of the School of Watchmaking of Bradley University in Peoria, Illinois. He is a veteran of twenty seven years in the watch repair trade.

J. C. his wife Faye and his ten year old son, Elbre will take up residence in Spearman at the end of the current school year.

The Hickersons are members of the Methodist Church. J. C. is an active Oddfellow and Faye is active in the Rebekah Lodge and Eastern Star.

The new store will feature a complete line of nationally known watches, jewelry and silverware.

Spearman Jewelry will offer ring sizing, engraving and watch repair.

The new store has no affiliation with the former occupant at 310 South Main.

Funeral Rites

Funeral services will be conducted today, Thursday April 17 at 2 p. m. in the Fellowship Baptist Church for Gary Lee Beebe, 27. Beebe died Saturday in the Veterans Administration Hospital at Ft. Lyon, Colorado.

The pastor, Revered Ray Cobb will officiate at memorial services. Burial will be in Hansford Cemetery directed by Boxwell Brothers Funeral Home of Spearman.

Survivors include his parents Mr. and Mrs. Wayne Beebe of Spearman; two sisters, Mrs. Jerry L. Ross of Wichita, Kans. and Mrs. Richard V. Grier of Spearman; two brothers, Ronald Beebe and Kenneth Beebe of Oklahoma City, Okla.

Funeral Mass Read Monday

Funeral mass for Mrs. June Delores Bichsel, 41, of Groom was read at 10 a. m. Monday in the Sacred Heart Catholic Church of White Deer with Father J. Arnold Carlson officiating.

Mrs. Bichsel died at 9:30 a. m. Saturday in St. Anthony Hospital in Amarillo of a gunshot wound.

Survivors include her husband, Wallace of Groom, two daughters, Theresa of the home, and Mrs. Wayne Kotora of Groom; two brothers Bob Potts of Spearman and Jody Potts of Borger and two grandchildren.

Mr. Potts' father died last week.

MEN TRIED IN COURT

Armando Uvalle and Rene Rubio, Bovina, Texas residents, were tried in county court here Monday. Each was fined \$125.80. Uvalle was charged with driving while intoxicated and Rubio was charged with carrying a prohibited weapon.

These men were arrested Saturday night in Gruver following a collision. The pickup driven by Uvalle collided with a parked cattle truck. They were brought by Sheriff's officers to Spearman and placed in Hansford County jail.

With the tennis, track and golf teams having annexed the District 1-AA crown, Spearman will be going for Regional titles in action this weekend in Lubbock.

In every instance, Spearman should have a good chance of taking a title. Tennis action is scheduled Friday and Saturday as is Track competition.

Carrying Spearman banners in tennis will be Richard Booth and P. A. Lyon III in boys doubles, Jyniece Callaway & Sheila Patterson in girls doubles; DeAnna Sheets & Teresa Beck in girls singles. Net action begins early in the morning and continues throughout the day.

Action will start Thursday for the golf team. Spearman won the district and the Lynx have individual players plenty capable of shooting the low scores necessary for a Regional title.

Spearman is also figured to be a strong contender for Regional honors in Track. Ben Shoemaker set a new high jump record at the District meet last weekend with a 6'1" leap. Coach Anthony says he thinks Shoemaker is a strong contender for State titles this year.

Also qualifying for Regional participation by winning District track honors last weekend were Bobby Smith, winner of the 100 and 220 yd. dash, Mike Davis, second place in the 100 and 3rd place winner of the 220, along with Steve Holton who won the Discus competition.

Other competitors in the Regional Tournament in Lubbock this weekend includes James Lemons, a science entry, and Mrs. Frank Porter's speech department.

Law School Application Accepted

John Hutchison, son of Mrs. Wayne Hutchison, has been placed on the Dean's Honor Roll for the fall semester at Texas Tech. He is a candidate for a BA in History at graduation exercises scheduled for May 31.

Mr. Hutchison made application for admission to undertake the study of Law at Texas Tech. He was notified recently that his application had been approved and he will enter the first year class in the fall of 1969. He is a 1965 graduate of Spearman High School.

MRS. BENNY BYERS with daughter Rebekah are pictured here with Raye Gibson as he presented Mrs. Byers with a \$200.00 check Monday. She is the jackpot winner at Cut Rate Grocery.

WEATHER

Rainfall for the first three months this year totals 2.73 inches. .01 for January, 1.15 for February and 1.57 recorded in March.

April came in slightly on the "hot" side with 85 degrees recorded on the 1st. Several 75 and 80 thermometer readings have occurred since then.

April rainfall has totaled .24 with .03 for April 12 and .21 on April 14.

CHURCH IN REVIVAL

Rev. Ray Cobb, pastor of the Fellowship Baptist Church, announced today that weekend revival services have been scheduled at this church.

Doing the preaching will be the Reverend W. J. Neighbor of Decatur, Texas.

The public is cordially invited to attend these 7:30 p. m. services scheduled for April 18, 19 and 20. The church is located at 11th and Archer streets.

Legislators Face Question

On Monday, April 14, a legislative committee faced an issue that will mean life or death for hundreds of Texans next year. The committee considered whether an implied consent bill, designed to curb the annual slaughter of thousands on Texas highways, will go to the floor where it will have a chance of passing.

Simply stated, the implied consent bill would provide that when a person obtains a license he gives his consent to taking a blood or breath test to determine alcoholic content if he is suspected of driving while intoxicated.

Under present Texas law, suspected drivers can refuse, without any penalties, to take such a test. This has greatly hampered the prosecution of drunk drivers in this state. There is no question that heavy drinking on Texas highways results in a macabre game of death and injury. Every study being done on fatal accidents indicates that drinking contributes to over half of our highway deaths.

Drinking while driving contributed to more than 1,700 of the 3,481 deaths in Texas last year.

One report, done by the U.S. Department of Transportation revealed that 1 of every 50 drivers on our highways is drunk.

In Bexar County, a 10-year study showed that 61 percent of those who died in fatal accidents had been drinking.

One Texas organization, the Texas Safety Association, has estimated that an implied consent bill could save annually 500 lives, 31,000 injuries and 120 million dollars.

The Uniform Vehicle Code has established 0.10 percent of alcoholic-blood content and above as being unsafe. It is also the standard set by the federal government in decreasing that highway funds (\$25 million in the case of Texas) may be withheld from states without implied consent laws.

Some question has been raised as to the constitutionality of implied consent. However, 29 states have enacted and applied such laws without any problem. Texas is one of only eight states without some form of chemical test law. The United States Supreme Court specifically upheld an implied consent statute in the case of *Schmerber v. California*. The American Bar Association and American Trial Lawyers Association both publicly support such legislation. Other supporters include the Texas Highway Department, Texas Highway Commission, Texas Traffic Safety Association, Texas Department of Public Safety and the 1.8 million member Baptist General Convention of Texas.

The legislators face a simple question--whether an individual has the right to drink until he is no longer able to drive safely and then go out on the highways and endanger the lives of others. This time, we hope the Texas legislature will face up to the issue and do what has been needed for years.

Texas Politics

by Rep. Malouf Abraham

We went back into session Tuesday after Easter and have been rolling along. The committees are all hard at it hearing the various bills. We had 11 last week in Revenue and Taxation and got them all heard in 4 hours although two of them were tabled.

It gets almost humorous how everyone who has been mentioned for higher taxes is already paying more than his part. We really have our work cut out for us in trying to raise the additional money necessary.

The House Appropriations bill has been laid out and we will take it up Monday (the 14th). This provides for an increase of \$238 million from General Revenue and a total increase of \$624 million for the upcoming 2 year period, over the last two years.

This makes it about \$60 million less than the Senate Bill. Of course these bills are more of a guideline and do not include the teacher pay raise and several other items. So, it's way too early yet to know just what our financial requirements will be.

They are trying to get enough votes to pass the Constitutional amendment for Annual Sessions. They need 100 votes to get this on the ballot and the last time we voted they got 99. So they are sort of delaying, trying to make sure they can get enough votes.

I have opposed this as I think the more we are down here the more of your money will be spent. It also makes it necessary to neglect your business even more and makes it more difficult for a lot of us to serve. I also think that West Texas will be better off with things like this are.

The country down here is sure beautiful at this time of the year. The azalea are most beautiful and the Bluebonnets are starting to bloom. So, if you want to see South Texas, now is a perfect time.

We are all holding our breath over the danger of having to re-district again. This would make a Special Session necessary and June and July are terrible here. It would sure create a lot of problems especially in that we will have to re-district next session anyhow under the new census. So far, we are getting along pretty good.

VA Assists With Education

A veteran's widow entitled to GI home loan benefits is automatically eligible for the newly created widow's educational assistance from the Veterans Administration.

But the reverse is not necessarily true, the VA reminded today.

Only unmarried widows of World War II, Korean Conflict and Post-Korean veterans who died as the result of military service are entitled to VA home loan guaranties.

However, unmarried widows of veterans who served at any time since the Spanish-American War and who died as the result of military service are eligible for VA educational assistance up to a maximum of 36 months.

In addition, the wives

of veterans who are permanently and totally disabled because of service are also eligible for the educational benefits, which amount to as much as \$130 a month for full-time training.

Eligible widows of World War II veterans may only until July 25, 1970, to use their GI home loan entitlement. The entitlement of eligible Korean Conflict widows expires January 31, 1975, with eligible Post-Korean widows having 20 years from their husband's death in service, 20 years from the veteran's discharge, or March 3, 1976, whichever is later, to use their entitlement.

Widows and widowers eligible for educational assistance, have until November 30, 1970, or eight years after their husbands' death or VA finding of permanent and total disability, whichever is later, to complete their education or training.

CONCERT ASSOCIATION SETS MEMBER DATE

With two of three concerts already booked for the 1969-70 season, the Concert Association will launch its fourth season with a membership drive from April 13 through April 19. A kick-off tea will be held Sunday afternoon, April 13, at the Perryton Club from 2:30 to 4:00 p. m. for the workers and their families. The drive is being conducted by the association's directors and officers, and Mrs. Thomas Spearman is the president.

Offered on the years' schedule are the "Romeros" considered one of the finest baroque and flamenco guitar ensembles in the world, plus the duo of Earl Wrightson, baritone, and Lois Hunt, soprano, a concert on the lighter side. At the end of the membership drive, the third concert will be booked. Reciprocity arrangements have been made with Berger and Dumas concert associations. Scheduled as top concert at Berger will be Javier De Leons' Fiesta Mexicana, Folk Singers and Dancers of Mexico. The drive closes Saturday, April 19 and no memberships will be available after that date. All interested persons are asked to contact your local director. In a world filled with turbulence and tension it is a good thing to have music.

Bride-elect Is Honored

A bridal shower, honoring the bride-elect of Kenneth Shufeldt, Jr., Miss Carolyn Sue Atkins, was held Saturday afternoon April 12 in the hospitality room of the First State Bank. Guests called between the hours of 2:30 and 4:00 and were registered in the bride's book by Miss Sandra Shufeldt. Miss Atkins was presented with a lovely corsage of white pom mums tied with her chosen colors of blue and white and accented with a miniature bride. Her mother, Mrs. John Atkins and the prospective groom's mother, Mrs. Kenneth Shufeldt, Sr., were each given corsages of white mums tied with blue and white. The refreshment table, draped in blue with a net overlay, trimmed with white bows, was centered with a rice tree holding tiny bags of rice. The rice bags will be used at the wedding on April 26. Table appointments were crystal and

silver. Hostesses served the white cake and punch to the guests. The honoree was assisted in the opening of her gifts by Sandra Shufeldt. Hostesses for the occasion were Mmes. Walter Woolley, Don Kunselman, Johnny Waggoner, Marcus Larson, Bill Cochran, S.M. Anderson, Dickie Robinson and J. W. Stubblefield.

Eta Alpha Has Dinner Meeting

Eta Alpha Chapter of Delta Kappa Gamma met in the cafeteria of the Booker school at 6:30 p. m. March 31. Twenty eight members were present, including Jeffie Mae Hoy of Gruver and Thelma Vaughn and Lucy Mundy of Spearman. A salad supper was enjoyed at tables decorated for Easter. The hostesses were Leona Bechtold, Irene Hollister, Nell Lemons, Helen La Duke, Jean Robinson and Florence Lee Hance. Flora Champion presided over a brief business meeting.

It was voted to grant two \$50 scholarships to two high school senior girls interested in teaching as a career. The program consisted of a clever skit on professional ethics and a most helpful exchange of teaching suggestions. A highlight of the evening was the privilege of visiting with Gladys Phillips, the first president of the Chapter, now living in Arizona. The next meeting will be in Follett on April 19 at 2 p. m.

Historical Survey Committee Met

The Hansford County Historical Survey Committee met Friday, April 11 at the County Judge's office. The Regional meeting was discussed and members urged to attend. Present were Mmes. N. F. Renner, P. A. Lyon, R. B. Archer, Sr., J. R. Keim and Judge Lee.

Mule Skinners Preparing For Celebration Appearance

Mule Skinners of the Rolling Plains Mule Train are busy repairing wagons, harness, shoeing and shearing mules in readiness for the 50 mile, 2 1/2 day trek to Guymon, Oklahoma's 38th Annual Pioneer Days Celebration, May 2 & 3. Tuesday, April 29th, the Mule Skinners will haul mules to, and assemble equipment at the Spearman Rodeo Grounds, camping there overnight. At 8:30 the morning of April 30, they will travel west on Highway 15 to Gruver for their noon stop. Leaving Gruver after the noon meal, they will drive north to the Ken Wilmet ranch, camping there overnight. Thursday morning, May Day, they will break camp at 8 a. m., heading north for the Texas-Oklahoma State line where they will have a one hour noon stop. The afternoon of May 1st will be spent in driving on Highway 136 to the Mark

Vantine Ranch, located approximately 9 miles south of Guymon, on Frisco Creek. On reaching this point, wagons circled, mules unhitched, campfire blazing, the Mule Skinners will turn their thoughts to all the entertainment awaiting them. There will be fiddlers contests, jiggers contests, and hog and cow calling contests. There will be square dancers from Spearman and Gruver, Texas, Guymon, Laverne, Shattuck and Texhoma, Oklahoma, along with squares from other area towns. The public is invited to attend this evening of entertainment on Frisco Creek, May 1. Early to rise the morning of Friday, May 2nd, the Mule Train will depart from the Vantine Ranch. They will be escorted north to Guymon by the Texas County Sheriffs Posse, arriving at the Colonial Inn. From there they will be met by the Oklahoma Highway Patrol and Dwight O'Dells Junior High School

Band and will be escorted by these groups to 6th and Main St., downtown Guymon, where street entertainment will be staged, officially opening the 1969 38th Annual Pioneer Day Celebration. Saturday, May 3, the Rolling Plains Mule Train will participate in the Grand Parade, commemorating the act of May 2, 1890 when "No Mans Land" became a part of Oklahoma Territory. During the days of the Pioneer Day Celebration, the Rolling Plains Mule Train will be camped at the football field at the Guymon Fair Grounds, as they have for seven consecutive years.

Citizens Urged To Clean Up Property

SIGN OF THINGS TO COME: Yes, this could be sign of things to come to Spearman! These 10 truck drivers are from Sioux City Motor Express in Sioux City, Iowa. The men were in Spearman Tuesday picking up cattle to be shipped back to the feed lots in Sioux City. But in the future they may be bringing cattle into Hansford County from Iowa as three feed lots are springing up in the county. Drivers of the six big trucks are: Kneeling, left to right—Frank Johnson, Fred Walker, John Portis, Leonard Abbots, Larry Benson; Standing, left to right—Don Freeman, Bill Biery, Harold Bachman, Jack Randall and Lee Stange. A couple of dozen papers will be sent to the Motor Express, to be given as souvenir copies to the truckers.

"A little cooperation, and this city could be a lot cleaner," said City Manager Darce Foshee this week in commenting on the city-wide clean up campaign set for April 11 through April 18.

"If we can get the entire citizenry of Spearman to clean up their yards, vacant lots and alleys, and haul all the litter and junk to the alley, WE WILL take care of it all on Friday, April 18.

This is the day the City Council has designated that extra trucks and employees will be hired to pick up EVERYTHING which is stacked in alleys.

"We'll even go this far," said Foshee. "If anyone has heavy furniture pieces or old refrigerators which are outside eyesores, too big for them to carry to the alley, CALL US. We'll come by and pick these big pieces up and haul them off."

The Chamber of Commerce in conjunction with the City officials is helping to sponsor this city-wide clean up campaign and the public is urged to cooperate.

The city is ready and is equipped to handle its end of this campaign and it is now up to YOU, each and every resident, to do your part to help rid this city of weeds, trash, unsightly junk, tree limbs, etc.

Flat bed trucks will roam the alleys beginning early Friday morning April 18. Citizens are urged to have everything ready for pick up on this day.

In an ordinance passed two years ago by the City Council, it states: IT IS UNLAWFUL FOR ANY PERSON, FIRM OR CORPORATION

who shall own, or occupy any LOT or LOTS in the City of Spearman, to permit or allow holes where water may accumulate.... must clean premises of weeds, rubbish, brush or unsightly matter and etc. Any person, firm or individual who shall violate any of this ordinance shall be guilty of a misdemeanor and is subject to a \$200 fine.

If people refuse to clean up their property or keep weeds mowed from their vacant lots, the City CAN do the work and assess the real estate or lot or lots upon which such expense was incurred by so doing.

Each home owner is responsible for HIS HALF of the alley, in keeping it clean.

AMERICANS EATING MUCH MORE FISH
AUSTIN--Men, women and children in the United States ate an average of 11.1 lbs. of commercial seafood each during 1968, according to figures from the U. S. Bureau of Commercial Fisheries.

The 1968 figure marks the first time per capita consumption of seafood topped 11 lbs. since 1955, but it is still short of the 1927 record when Americans ate an average of 12.2 pounds of fish each.

"The rise in per capita consumption of seafood was attributed in part to a stepped-up effort by industry, participating states, and the federal government to inform consumers of the many advantages of including more seafood in their diet," says Bill Schwartz, seafood marketing specialist for the Texas Parks and Wildlife Department.

In all, U. S. civilian consumption of edible fishery products in 1968 totaled more than two billion pounds, a 4.5 per cent increase from the previous year.

"The demand for fishery products will likely continue strong in the first quarter of 1968, especially for shell fish," according to the Bureau. "Most species of shell fish are selling at or near record prices."

Spearman Students Honored

Donna Ownbey, freshman student at the University of Texas, has been invited to become a member of Alpha Lambda Delta, national honorary scholastic organization for freshmen women.

The initiation ceremony and banquet will be held Tuesday night, April 22 in the Texas Union Auditorium.

Both Donna and a brother James Ownbey, were among special students honored at the University on April 12 at the annual Honors Day Convocation, having both made the Dean's Honor Roll.

Their mother is Mrs. Jenna V. Ownbey of Spearman.

Garden Tips Is Program

Mrs. B. J. Garnett was hostess for the April 4 meeting of the Spearman Home Demonstration Club.

Mrs. Claude Jackson presided over the business meeting. The devotional was presented by Mrs. A. D. Reed, taken from Ephesians 4:26 "Be ye angry and sin not; let not the sun go down upon your wrath;" Gardening was the topic of the lesson presented by Mrs. B. J. Garnett. She gave tips on vegetable and flower gardening.

The Spearman Club hosted the Time for Fun Party held in the HD Room the 4th Monday in March. Hostesses for the next party will be the Town and Country H. D. Club.

Present were Mmes. A. D. Reed, Frank Davis, H. H. Crooks, Claude Jackson, W. H. Tarbox, E. S. Uptergrove, H. L. Boyd and the hostess.

Easter Sunday dinner guests in the home of Mrs. Ruth Carro were her son and family, Mr. and Mrs. Jimmy Linn and children, Louise and Paula Mackie, Mrs. Donnie Mackie and children of Dumas and Mrs. Shirley Fike and daughter.

Announcing the first car of the '70s at 1960 prices.

FORD MAVERICK \$1995*

(You don't have to read it all-but it's nice to know it's all there.)

Most new cars look like other cars. But when the world gets out that something really different is on the way, rumors run wild. Few cars have caused as much talk as Maverick. Ford's new entry in the small car field rivals the economy imports in price... but tops them in power, performance, passenger room and luggage capacity. We've been bombarded with questions about Maverick. Now, for the first time, here are the answers.

Q. Why did you build the Maverick?

A. We think of Maverick as another one of Ford Motor Company's answers to the gold drain. Now Americans who want small car economy don't have to send their U.S. dollars overseas.

Q. Why did you call it Maverick?

A. You know what a maverick is. A maverick breaks the rules. A maverick is different. Maverick plugs the big gap between the compacts and the imports. It has a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW 1500. Nothing else like it.

Q. Why did you make it this size?

A. Maverick pinches pennies, not people. We gave Maverick more leg room. More shoulder room. More luggage room. Good example: the front seat of a Maverick offers you nine inches more shoulder room than the front seat of the leading economy import and its trunk can handle all the luggage for a family of four, including a set of golf clubs.

Q. What do I get for the price?

A. You get your money's worth. A complete built-for-Americans kind of car. Room. Hot styling. Color-keyed interiors. Even the heater is included. Some economy car interiors are about as luxurious as a park bench. Not Maverick's. You get plush seats. Cloth and vinyl upholstery with unique tartan plaid cloth inserts. You also get safety features like smart pull-out door handles. Strong safety door locks. Two-speed electric wipers. Safety belts. Head restraints. Plus conveniences like armrests, coat hooks, lighted heater controls... important little things that add so much to your driving comfort.

Q. What about options?

A. You can get 'em if you want 'em. You can order integral air conditioning. It's built in, not hung on. Other options include 3-speed automatic or low-cost semi-automatic transmission, and a hefty 200 CID Six. But lots of people won't put an extra cent into this

car. Because it's all there. A complete car all ready to drive home.

Q. What kind of gas mileage can I get?

A. That depends on you as well as the car. You can get as much as 25 or 26 miles per gallon—if you have an educated toe and the right road conditions. If you have a lead foot, or do a lot of city driving, you will get a lot less. In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg.

Q. What kind of power does Maverick have?

A. Maverick's Six lets loose 105 galloping horses. That's 52 more than you get in the 4-cylinder VW 1500. Maverick can cover 417 feet in ten seconds from a standing start. That means you can get up to highway speed in a hurry. When you enter a 70 mph turnpike, you won't feel like a retired bookkeeper thrust into the middle of a pro football game.

Q. If it has an eight inch longer wheelbase than the leading import, does it still handle and park easily?

A. Maverick can U-turn in a tighter circle (35.6 feet) than the leading economy import (36.0 feet). Maverick can slant through traffic like a halfback. It can turn on a dime and give you nine cents change. If you've been driving any other American car, you'll find Maverick's neat size adds up to 5 1/2 feet to any parking space.

Q. Can Detroit really build a small economy car that's tough and long lasting?

A. It's not easy, but we did it. Maverick's unitized body construction makes it light, strong and durable. It's welded like a battleship. Rustproofing compound goes into deep crevices that never see the light of day. Then all that strength is covered with four coats of paint for lasting beauty. Result: one tough little car that's put together to stay together. (The service schedule in the Maverick owner's manual goes up to 108,000 miles or nine years, that ought to tell you something about its rugged durability.)

Q. How about parts and service?

A. Maverick is designed to be unusually easy to service. You're dealing with made-in-America parts and 6,000 easy-to-find Ford Dealers. Fast repairs and easy replacements mean extra savings in both time and money.

Q. Is Maverick really easier and less expensive to maintain than an economy import?

A. Definitely. Maverick oil changes come only every 6,000 miles and chassis lubrication once every

36,000 miles. The leading economy import recommends oil changes every 3,000 miles (twice as often as Maverick) and chassis lubrication every 6,000 miles (six times as often as Maverick). Those are just a few examples of the many ways Maverick lessens inconvenience and lowers operating cost.

Q. Can I do my own maintenance work?

A. Yes, if you have an average amount of mechanical ability. The Maverick owner's manual contains 24 pages of detailed diagrams and easy-to-follow instructions for routine maintenance jobs you can do yourself, if you wish. You'll find it easy to change spark plugs, replace ignition points... plus many other do-it-yourself repairs and replacements.

Q. Can a small car be safe? And how safe is safe?

A. This small car incorporates the latest advances in engineering. Maverick's brakes are as big as a standard compact's—designed to stop cars weighing hundreds of pounds more. Maverick gives you weight power stability. Designed for American driving conditions.

Q. How does Maverick ride?

A. Here's where Maverick's longer, wider stance really pays off. You get a smoother, quieter ride. Maverick's tight, strong, unitized body helps eliminate squeaks and rattles. Special insulation blocks out road noise. The people who brought you a Ford that was quieter than a Rolls-Royce now bring you a small car that doesn't sound like a power mower.

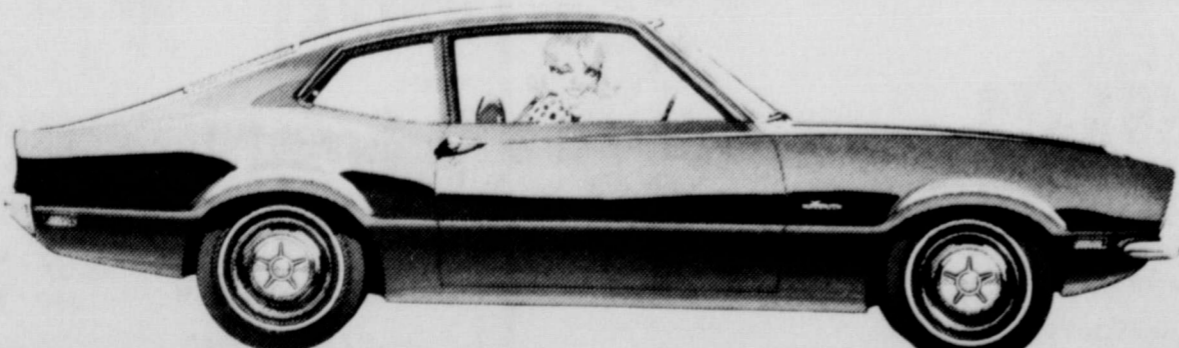

Q. Is there an advantage in the fact that Maverick is really a 1970 car?

A. Slower depreciation is one money-in-the-pocket advantage. Maverick's 1970 model designation means it keeps its trade-in value higher, longer. (Maverick is built to be a good investment from the minute you buy it to the minute you sell it.)

Better come take a look at this one. You'll find it where the action is... right in there with other great Ford values like specially equipped Ford Galaxie 500's... Fairlanes... Mustangs and Falcons.

You'll find them at your Ford Dealer's... the place you've got to go to see what's going on.

For an authentic 1/25 scale model of the new Ford Maverick, send \$1.00 to Maverick, P.O. Box 5397, Department , Detroit, Michigan 48211. (Offer ends July 31, 1969)

*Manufacturer's suggested retail price for the car. Price does not include: white sidewall tires, \$32.00, dealer preparation charge, if any, transportation charges, state and local taxes.

IT'S THE GOING THING!

'APRIL' HONOR STUDENTS

The Spearman Study Club, a local organization which each month honors outstanding students in Spearman High School, has announced the April boy and girl of the month. They are Glen Baker, son of Mrs. Dollie Baker and Myrna Crum, daughter of Mrs. Doris Holland and Mr. Crum. Glen, who is a 1964 transfer from Calexico, California, is a 17-year old senior. A member of the Distributive Education Club, he is employed by M & M Grocery. Glen says he plans to attend Texas State University and major in business education administration. Myrna, 18, is also a Senior. Her pastimes include sewing, knitting, reading, horseback riding and just having fun. She is a member of the Christian Church and the church youth group. Next year she will be attending Texas Tech where she plans to major in Home Economics in the field of

Be Alert For Grasshoppers

Grasshoppers could cause more trouble in Texas this year than last. A survey conducted by the U. S. Department of Agriculture's Agricultural Research Service showed that grasshoppers infested more than 4 million acres last fall, up nearly 2 million acres from the 1967 survey. The fall survey, points out L. R. Green, Texas A&M University Extension entomologist, indicates the potential severity of grasshopper infestations the following year, and gives advance warning to farmers and ranchers so they may be on the alert for these pests. The spring survey will give a more accurate estimate of the

Entries Needed For Annual Beauty Contest

Entries are now being taken for the annual Hansford County Beauty Contest which is held in conjunction with the Hansford County Celebration each year. The contest will be held May 27, 1969 at 8 p.m.

Contestants must be single and at least 14 years of age, of good character and reputation. Girls must be sponsored by a business or organization. Sponsors may select their contestants or sponsor a girl selected by the Jaycee committee. The \$25 entry fee paid by the sponsor will cover all expenses incurred. Each girl will be responsible for her own wardrobe.

The winner will be crowned Miss Hansford County and will reign for one year; and will be sponsored by the Spearman Jaycees in the Miss Wheatheart Contest at Perryton provided she is 16 years old by August 1. The 2nd place winner will be sponsored by the Gruver Jaycees in the Perryton contest.

Deadline for entering the beauty contest is May 23. Girls interested in entering the contest may fill out the entry blank below and mail it to R. L. McFarlin, Box 383, Spearman, or Dick Boxwell, Box 246, Spearman.

ENTRY BLANK, MISS HANSFORD COUNTY, Spearman, Texas, May 27, 1967.

I, _____ of _____, Texas, desire to enter the Miss Hansford County Contest at Spearman, Texas, to be held in connection with the Hansford County Celebration. I will appear in the bathing suit and formal contest at 8:00 P.M. in the Spearman School Auditorium, Saturday night, to be judged on poise, beauty, personality and figure. If I am first or second place winner in this contest, I agree to represent Hansford County in the Miss Wheatheart of the Nation contest at Perryton, Texas in August 1969.

I agree to abide by the Miss Hansford County Beauty Contest Rules set forth above and the conditions of this entry blank.

Green says that several insecticides are effective against grasshoppers and are listed in MP-339, "Texas Guide for Controlling Insects and Mites on Grain and Forage Crops." Additional information on the life habits of these insects is carried in L-429, "Grasshoppers Common to Texas." Both publications are available from the offices of local county agricultural agents.

corrective legislation is needed.

"We in agriculture, as the innocent third party, cannot afford to have our foreign markets cut off for prolonged periods every time the union contracts come up for renewal," Dean said.

The TFB leader said the recent 101-day strike was already causing severe economic hardships in agriculture when it was settled last weekend. Dean sent telegrams to the entire Texas delegation in Congress on March 21 requesting their assistance in settling the strike.

Many Congressmen responded by saying that they were urging the mediators to get together again. The mediators did meet again on March 27, and agreement was reached on March 30.

Dean said that while settlement has relieved the immediate shipping problem, the terms of the settlement will hurt agriculture.

"The featherbedding provisions, particularly in regard to container loading, will work to price our commodities out of world markets," the TFB president said. "The work stoppage had already forced many foreign buyers to seek supplies elsewhere. The added costs of using American ports will further hurt our chances to export farm products abroad. We in agriculture are particularly concerned about this because we now export from 20 to 25 percent of our production. A drop in exports will cause a glut in the domestic market."

OUTSTANDING LYNX ATHLETES honored at the annual all-sports banquet Saturday night were: Thomas Collard-Fighting Heart Award for football; Rondal Schell-Fighting Heart Award for Basketball; Sandra Shufeldt-Fighting Heart Award, girls basketball; Mike Davis-Football & Basketball best; Bobby Smith-Football & Track best. Outstanding Lynxette, Marsha Shieldknight is not pictured. Davis & Smith share outstanding football honors.

Outstanding Athletes

A capacity crowd attended the annual all-sports banquet held Saturday night in the high school cafeteria. Supt. James Cunningham served as Master of Ceremonies and the entertainment was furnished by Rosemary Burkhardt, vocalist, and the SHS Swing Band directed by Jerry Toler.

Miss Sue Sloan, head cheerleader, welcomed guests. The banquet was staged by the cheerleaders including Miss Sloan, Penny Sanders, Hazel Lesly, Karen Baggerly, Jane Ownbey, Patty Buzzard, Liz Hohertz and Debi Daniel. Speaker for the evening was Gene Wilson, a senior at the University of Texas at Arlington. A member of the Gorry Craft Youth Association International, he is a ministerial student.

The highlight of the evening was the presentation of awards to outstanding high school athletes.

Head football coach, Larry Anthony, who said he found it impossible to name just one outstanding player, presented the football award jointly to Mike Davis and Bobby Smith.

These boys, cousins, share the honor. Both seniors, their parents are Mr. and Mrs. Irvin Davis and Mr. and Mrs. Don Smith.

Allen Simpson, basketball coach, spoke at length on his team's efforts and spirit the past season, and named Mike Davis as Outstanding player. Bobby Smith also won the Outstanding Lynx award for track. In presenting this honor to Smith, Coach Anthony said he had no greater compliment to pay him other than say "If I had a boy I would hope he grew up to be just like Bobby."

Mike Crawford, Spearman Jaycee president, presented the Fighting Heart Award for football to Thomas Collard, son of Mr. and Mrs. John R. Collard Jr. He is a Junior. The Jaycees sponsor this annual award.

The Fighting Heart award for basketball went to junior Rondal Schell, son of Mr. and Mrs. Don Schell.

Outstanding Lynxette award, presented by Coach Dean Weese went to Marsha Shieldknight, senior forward who scored more than 3,000 points

during her high school career.

The KBMF-FM sponsored Fighting Heart award for girls basketball was presented to Sandra Shufeldt. Sandra is also a senior forward, but Coach Weese praised her for both her offensive and defensive abilities.

Spearman Wins Regional 'Warm-up' Tournament

Tuesday in Spearman, tennis teams from all the Panhandle met to participate in what was called the first annual regional warm-up tournament. Teams represented were from Dumas, Perryton, Claude and Clarendon.

Spearman's combination of Richard Booth and P.A. Lyon III won the boys doubles crown while the duo of Jyniece Callaway and Sheila Patterson took the girls doubles title.

The boys singles crown was won by Clarendon's Steve Adams, while strong Susan Stockton had little trouble taking the girl's singles title.

Results: Jyniece Callaway and Sheila Patterson defeated Kandy Skelton and Debe McAner of Clarendon 6-3, 6-3, then beat Patty Cutsinger and Carroll Spears of Dumas 6-4, 6-4.

Debi Daniel and Karen Baggerly were defeated by Spears and Cutsinger of Dumas 6-1, 6-3, but went on to defeat Skelton and McAner of Clarendon 6-3, 7-5.

Richard Booth and P.A. Lyon III defeated Wayne Carter and Mark Thomlinson of Clarendon 6-0, 6-2, and Mark Burgess and Randy Richards of Dumas 7-9, 6-1, and 6-2.

James Lyon and Ernest Wilmeth were defeated by Richards and Burgess of Dumas 6-1, 6-3, and went on to defeat Carter and Thomlinson of Clarendon 6-3, 6-0.

In boys singles competition, Steve Adams of Clarendon defeated Bobby Lockwood of Perryton 5-7, 6-3, 6-3, he defeated Frank Wilmeth 6-3, 6-1 and Scott Beedy 6-1, 6-1.

Frank Wilmeth was defeated by Adams of Clarendon 6-3, 6-1, and came from behind to split sets with Lockwood of Perryton (the match was called because of darkness).

Scott Beedy was defeated by Lockwood of Perryton 6-3, 4-6, 6-3, he lost to Steve Adams of Clarendon by the score of 6-1, 6-1.

The girls singles went like this: Susan Stockton of Perryton defeated Brenda Lorraine

of Claude 6-1, 6-0, she beat Teresa Beck 6-3, 6-1 and DeAnna Sheets 6-1, 6-2.

DeAnna Sheets defeated Brenda Lorraine of Claude 6-2, 4-6, 6-0 but lost to Susan Stockton of Perryton 6-0, 6-2.

Teresa Beck was defeated by Stockton of Perryton 6-3, 6-1, but bounced back to beat Lorraine of Claude 6-4, 7-5.

Next action for the Lynx-Lynxette tennis team will be in Amarillo Thursday April 16. There the team will play some of the AAA district winners. From Amarillo the team will journey on the Lubbock to play in the Regional Tennis Tournament Friday and Saturday, April 17 and 18.

Chamber Newsletter

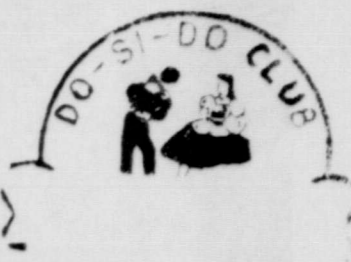

What with so many different activities going through the Chamber office we have added to our office staff for a while. Linn Ann Robinson has been a great help and we are so thankful that she was available when needed. So if you call the Chamber office and a new voice answers--it is Linn Ann.

The TALENT SHOW was a huge success and Mr. Everett Tracy did a wonderful job as Chairman this year. The Board of Directors are very grateful to Mr. Tracy for the wonderful job he did. Mr. Royce Bodiford was a marvelous Master of Ceremonies and kept things running very smoothly. The Spearman Chamber of Commerce would like to thank everyone that participated in our Talent Show and helped to make it a big success.

This is CLEAN-UP--PAINT-UP WEEK and the weatherman is cooperating with us this year and looks like everyone is out working in their yards. If you have any large

items that you cannot carry to the alley, call the City Hall at 659-2524 and they will have someone pick it up for you and haul it off. The City is in need of volunteer help and trucks for Friday. If you would like to help please call the City Hall.

We have started revising our Spearman Mailing List. This takes awhile and if you will bear with us we hope to have it finished very soon. REMEMBER IT TAKES TWO-YOUR CHAMBER OF COMMERCE AND YOU.

The Do Si Do Square Dance Club had 4 squares dancing Saturday night with Robert Adamson doing the calling. The next dance will be Saturday night, April 26. Aaron Love will be calling for the dance. A business meeting will follow the dance.

National Library Week in Texas APRIL 20-26, 1969

Your public library; how does it really stack up?

Texas support their public libraries to the tune of \$1.24 per capita per year; in California the figure is \$3.89; in Massachusetts it's \$4.61.

You might be interested to know that the HANSFORD COUNTY Library budget amounted to \$.52 per capita. (Considerably below even the shamefully low state average.)

National Library Week in Texas (April 20-26) has set its purpose this year to call attention to the value of libraries in a free society, to note the essential need for books, magazines and other readily available information in a world where the sum total of all human knowledge now doubles every seven years.

Your public library cannot begin to meet the demands of this technological revolution unless it gets adequate support from the community it serves.

Your citizens, your children, your student researchers are losing out when your public library is not up to stand-

ard. Your concern with society's lasting values is vividly reflected in the nature and condition of your own public library. How does it stack up?

Call your librarian or write to the Field Services Division of the Texas State Library in Austin and ask how you can help give your public library a level of support worthy of the name.

Dorothy Roden, school, librarian and director of the Spearman Friends of the Library has announced that in conjunction with the National Library Week, Hansford County Library and school libraries will be having free week. By this term they mean that any books that are overdue from these libraries may be returned during this week and there will be no fines assessed or questions asked.

Citizens are urged to check and see if they have books at home from the libraries and if so to return them. An outside depository is available at Hansford County Library and also there is a depository in the hall at the high school

2,500 go on the block every week. What are your chances for survival?

Your chances for survival are multiplied many times when you belong to the National Farmers Organization. Because NFO multiplies your power as a producer. By letting you join with other farmers to block production together for bargaining which means higher prices for you. And fairer profits. And a better life for your family in the bargain.

Today's NFO is new. It's different. And it's working in all 48 continental United States. So if you are a producer of farm products, and if you give a plugged nickel about farm, farm families, and fair prices, it's important that you join NFO.

Find out about NFO today. Send the coupon for your free copy of The Biggest Farm Story of the Decade 1 understanding it gives a searching look at the farm, trouble and search for an equitable answer. I am under obligation.

Arts & Crafts Business Open

Artists and hobbyists in this area will be glad to know there is now an outlet for selling their work. This is a new shop, opened this week at 309 Main Street, Spearman.

Mrs. Roy (Charlene) Bulls, who formerly operated an interior decorating shop in this building, has converted her shop into this new type business.

Mrs. Bulls plans to take things on consignment and sell them. She said there are several similar shops in this area selling merchandise such as wallhanging, papier-mache, toile painting, trunks, decoupage, ceramics, metal works, china, candles, oils, watercolors, flowers, dolls and clothes, refinished furniture, etc.

She welcomes anything in the way of arts and crafts.

J.H. Nichols Is Improved

In a letter this week from Lake Charles, La., Mrs. J. H. Nichols reports that her husband is recuperating very well from what doctors termed "heart failure."

Mr. Nichols had been hospitalized for several days but responded quickly to treatment and was to return to his home Saturday April 12.

Mr. and Mrs. Nichols, long time Spearman residents, moved to Lake Charles several months ago in order to be close to their daughter and family. They have many friends in this area who will be glad to know Mr. Nichols is feeling better.

Salvation Army Drive Scheduled

Soup, Soap and shoes just about covered the charitable work of the Salvation Army

80 years ago when the Salvation Army began its work in Texas. Today this organization's work includes a wide range of social services.

The 1969 fund appeal in Spearman which begins Friday April 24th will appeal for special services as well as statewide services of the Salvation Army.

Captains announced by campaign chairman Elmer Mathews are Sally Desimone, Darce Foshee, Dorothy L. Jim Evans and Brad Beedy.

We must rescue our cities and countryside from blight with the same purpose and vigor with which in other areas, we moved to save the forests and the soil.

Mr. and Mrs. Gene Strat of Spearman and Mr. and Darrell Raper of Perryton spent Friday fishing at Lake Meredith. They caught several fish.

Mrs. Rosenbaum also presented the program on "Gardening" giving tips on cultivation, placement and care of vegetable and flower garden.

Those attending were Mrs. Herb Howe, Mrs. Gayle Brown, Mrs. L. W. Rosenbaum and Mrs. Don Hergert.

1968 Traffic Deaths At All Time High

The Texas Highway Patrol investigated one accident on rural highways in Hansford County during the month of March, according to Sergeant C. E. Henderson, Highway Patrol Supervisor of this area.

These crashes resulted in an estimated property damage of \$450,00.

The rural traffic accident summary for this county during the first three months of 1969 shows a total of five accidents resulting in no persons killed, no persons injured, and an estimated property damage of \$2,555,000.

The final entry in the 1968 Texas traffic records has been entered and closed. An all-time record of 3,481 persons killed, 216,972 persons injured, and an estimated property loss of \$836,802,000 was sustained.

Since the death count of 2,254 in 1960, Texas has gained steadily each year. The Sergeant stated, "If the number of deaths continue to increase as they have since 1960 by 1975 they will have increased 100 per cent.

WATCH OUT FOR SCREW-WORMS--Veterinarians in USDA's Agricultural Research Service anticipate one of the worst outbreaks in the 7-year history of the Southwest Screwworm Eradication Program. They hope the increased production of sterile screwworm flies may blunt a massive spring buildup. The resurgence is blamed on 17 months of ideal weather for the pests and on relaxed preventive measure by many ranchers. Ranchers are asked to carry on an intensive preventive program in the months ahead. Herds should be inspected regularly, suspected larvae should be collected for identification and all wounds treated with approved smears.

Mrs. Welch Gives Lesson

The FLCW of the Lutheran Church met April 9 in the Fellowship Hall of the church.

The meeting opened with devotion and prayer by Dorothy Tackitt. Lesson leader, Fern Welch, presented the lesson "The Covenant Is Still In Effect."

Amarillo Has New School

Keypunch of Amarillo, located at 2911 S. Georgia will start its first class April 15th. Co-owned by T. M. Brooks of Dallas and Keith Adams of Amarillo, Keypunch of Amarillo is a franchised school of Keypunch, Inc. of Grand Prairie, Texas.

To help meet the growing need of qualified personnel in the booming computer and data processing fields, Keypunch of Amarillo will offer a training course designed to teach the operation of all types of IBM keypunch machines.

The course can be completed in four to six weeks by attending class 4 hours per day

5 days per week. Morning, afternoon and night classes are now being filled. Classes will be starting continuously with each student progressing at his or her own rate.

Keypunch of Amarillo's modern new building, qualified instructors, large inventory of training machines and proven course assures each student of becoming a skilled keypunch operator. This training brings success in well paying jobs in Amarillo and other cities.

Keypunch of Amarillo offers its graduates a free placement assistance service. Other franchised schools are now beginning classes in Oklahoma City, Tulsa, San Antonio, Austin, Beaumont and Denver. The parent school of Keypunch, Inc. at Grand Prairie is the largest and most successful in the Dallas-Ft. Worth area.

HIGHWAYS NO LONGER HAVE PRIORITY

The 1968 California legislature decreed that highway builders may no longer presume highways have priority over public park land. Now they must consult with park planners while the highway is in the planning stage, and if alternate routes are not feasible, highway builders must take special pains to blend the highway into the park with a minimum of esthetic damage. ...and your oven-cleaning job
is done... ELECTRICALLY

With a self-cleaning oven electric range, it takes about a half-minute to latch the oven door and set the automatic controls. Then efficient electricity goes to work... cleans away baked-on spatters and spill-overs... leaves your oven bright and clean as new. No more scrubbing and scouring with harsh chemicals when you have a modern flameless electric range with a self-cleaning oven. See your appliance dealer soon for an electric range with the work-saving oven that cleans itself... automatically... flamelessly... electrically.

Church Of Christ Sets Revival Date

Bill Osborne, Minister Spearman Church of Christ, announced this week Gospel Meeting plans for his church beginning April 21 through 27.

Doing the preaching will be J. B. Lamb of Quanah, Jesse Andrews, Berger, will be the song leader.

Services are scheduled nightly at 7:30 with the Sunday evening service beginning at 6 p.m. Morning services are set for 9:30 A.M., Tuesday through Saturday.

The Spearman Church of Christ, located at 2nd and Haney Streets, issues a special invitation to the public to "come and enjoy this spiritual feast with us."

Mrs. Red Beeson, Mrs. Ruth Caro and Mrs. Aubie Sparks were in Amarillo Monday and had dinner with Louise, Mrs. Caro's daughter while there.

Hazelwood's Highlights

By Senator Grady Hazlewood

THE LEGISLATIVE WHIRLPOOL is really getting into a "whirl" this 61st Session of the Legislature. Bills have been passing in both the Senate and the House which no former legislature has ever considered seriously. THIS WEEK, THE SENATE passed to third reading a bill providing for the tort liability for all governmental agencies, including cities, county owned hospitals, the highway department and others except school districts and equipment used in connection with the operation of flood gates. This proposed bill would hold such agencies liable for the negligence of its employees using motor driven vehicles or equipment between the limits of \$100,000 per person to \$300,000 per accident. STRANGELY ENOUGH, drivers of such vehicles were exempt though guilty of gross negligence. Heretofore, such agencies have only been liable if engaged in some activity for profit, which represents rare

instances. The amendment excluding school districts passed by a narrow margin. MORE ON THE MEDICAL SCHOOL--All the medical school bills are asleep in the State Affairs Subcommittee and will stay there until after the big appropriation bill (which includes all public education and state departments) has passed and been certified. . . . Then the argument will start again. Sen. Christie has legislation for an El Paso Medical School--the same is true of the Houston group. Also, the Texas Tech delegation is pushing hard for a medical school at that institution. NATURALLY, I have a keen feeling about the Panhandle Medical School because I was the author of the Act which created the Amarillo Medical Center, and our people have been pointing for 14 years towards a needed medical school. BUT, up jumps the Texas Tech group with a hospital district--created only a year ago--\$1,000,000 raised in taxes--upon a county evaluation basis which never could raise enough money to build, let alone support and operate a medical school by itself. But more about the medical school in the next HAZLEWOOD'S HIGHLIGHTS. MINIMUM WAGE--The Senate passed to third reading the minimum wage bill which will affect so many people in business. There was much debate and argument on this controversial measure. Amendments were added to the bill to exempt agricultural employees under certain conditions. I WILL CONTINUE TO KEEP YOU INFORMED on all important pending legislation during these next few hectic months of the Session.

National Library Week puts the spotlight on the benefits we all get from reading--and our libraries. Unfortunately, far too many public, school and college libraries are substandard. . . . inadequately supported. Yet our needs--and demands--for better and more varied services are increasing daily. Find out what you can do--now--to improve the libraries in our community.

House Speaker Seeks Defeat Of School Bill

AUSTIN--House Speaker G. F. (Gus) Mutscher went on record today as being opposed to SB 45 and HB 162, now pending in the Legislature. The proposals would delete the college course requirement for Texas and American history and government in state-supported institutions.

"At a time when most of our basic fundamentals are being challenged, it is vitally important to all, especially our young people, that we understand and identify our place in time.

"It is extremely important, not only to the future of the State, but to the future of the nation, that each citizen be fully informed as to the processes of government. It is especially important to our young people to be knowledgeable about government. Many jobs today require contact with government in one form or another.

"We need to educate our young people about past legislative reforms and past legislative programs. They need to know why some measures were successful, but more important, they need to study why some measures failed and the reasons for those failures.

"To those who say that such college courses are mere duplications of high school courses, I say to them that this is the fault of the system, not the subject matter. The college level courses should offer incentive to students to explore and evaluate new dimensions in history and government.

"I stand firmly with my concerned fellow constituents and with concerned organizations, such as the Texas State Historical Survey Committee, in seeking the defeat of this proposed legislation."

Yields & Use Major Factors In Feed Grain

COLLEGE STATION--Two major economic trends have largely dominated the feed grain situation in the United States during the past 20 years, reports a Texas A&M University Extension economist.

John G. McHaney lists the trends as the 6 percent annual average increase in per acre yield of feed grains since 1954 and the 3.5 percent increase in the annual rate of their use.

During the period from 1949-53, domestic use and exports of feed grains were virtually in balance with production. But, he adds, production and use, since, have not stayed in balance and in some years large carryovers resulted. The yield of feed grains in the nation is now about double that for the 1949-53 period but total use, including exports, has increased by only about 50 percent.

The disparity between yield and total utilization has made necessary the diversion of considerable acreage from feed grains to soil-conserving uses. The current feed grain program has as its objective the diversion of 37 million acres.

The sale of feed grains in Texas, mostly grain sorghum, annually accounts for approximately 12 percent of cash farm receipts, says McHaney. Its production in both Texas and the nation is big business and means much to the economy.

The abundant supply of feed grain in Texas along with an efficient range cattle industry, feeder calves, have been major factors in the rapid expansion and meat processing industries in the state, he notes.

FIRST BAPTIST CHURCH SETS REVIVAL DATES

Rev. B. T. Shoemaker, pastor of the First Baptist Church, announced this week that the church will be having revival services from Sunday April 27 through May 4.

Doing the preaching for the annual spring revival will be the Reverend Dan B. Cameron, pastor of the First Church in Pampa. Rev. Cameron, who has been preaching since the age of 18, has preached revivals in churches throughout the Southern Baptist Convention as well as foreign countries. These revivals have carried him into 22 different countries, the latest being the Japanese New Life Movement

campaign. The song leader will be Dale Coody, a 32 year old Oklahoman who has been singing his way into the hearts of people since he was 20 years of age. He is a graduate of Hardin Simmons University and has been in the field of music evangelism for several years.

Coody has produced four long-play record albums, entitled HEAVEN CAME DOWN, DALE COODY SINGS, I'VE DISCOVERED THE WAY, and others.

He has served several churches in Texas and Oklahoma as Minister of Music and Education.

Economist Looks At 1969 Agriculture

COLLEGE STATION--Larger supplies for some major farm products, a strong but somewhat slower domestic demand expansion with the volume of exports expected to continue large, and little change expected in average farm product prices from 1968 levels is how John G. McHaney, Extension economist at Texas A&M University, sums up the economic outlook for agriculture in 1969.

Realized gross farm income may reach a record high in 1969, said McHaney. This is due to the prospect of an increased volume of marketings and a small gain in direct government payments.

Little change is expected in the average of prices received by farmers. However, another large advance in production expenses appears likely in the year ahead. The increase may exceed the gain expected in realized gross farm income.

As a result, realized net farm income may fall a little short of the \$14.9 billion of 1968.

McHaney noted the long-term downturn in the number of farms is continuing. With fewer farms, income per farm in 1969 may change little from 1968 when average net income realized per farm amounted about \$4,863.

The per capita disposable income of the farm population from all sources in 1969 may be up slightly from the \$2,168 estimated for 1968. Another gain is likely in the income of farm people from non-farm sources.

McHaney also pointed out the average value of farmland in the United States rose about 6 percent in the year ending in November 1968. Land values are expected to advance further in 1969, but the rise is expected to be slower than last year.

METHODIST REVIVAL SCHEDULED

The First United Methodist Church of Spearman, 107 S. Haney, will be holding REVIVAL services Sunday, April 20 through Friday, April 25. The speaker for these evangelistic services will be the Rev. Samuel H. Baxter, M.A., D.D. from Belfast, Ireland.

Services will be held mornings at 7:00 a.m. and evenings at 7:30 p.m.

The people of the First United Methodist Church extend a welcome to the public to come and hear these fine evangelistic services conducted by the Rev. Samuel Baxter, Belfast, Ireland, and Rev. Rex Mauldin, Morton, Texas.

Mr. and Mrs. Vance Prutsman of Albuquerque, and Mr. and Mrs. A. L. Prutsman and children of Amarillo spent the weekend here visiting their mother, Mrs. Nan Prutsman.

World's Largest Service Club

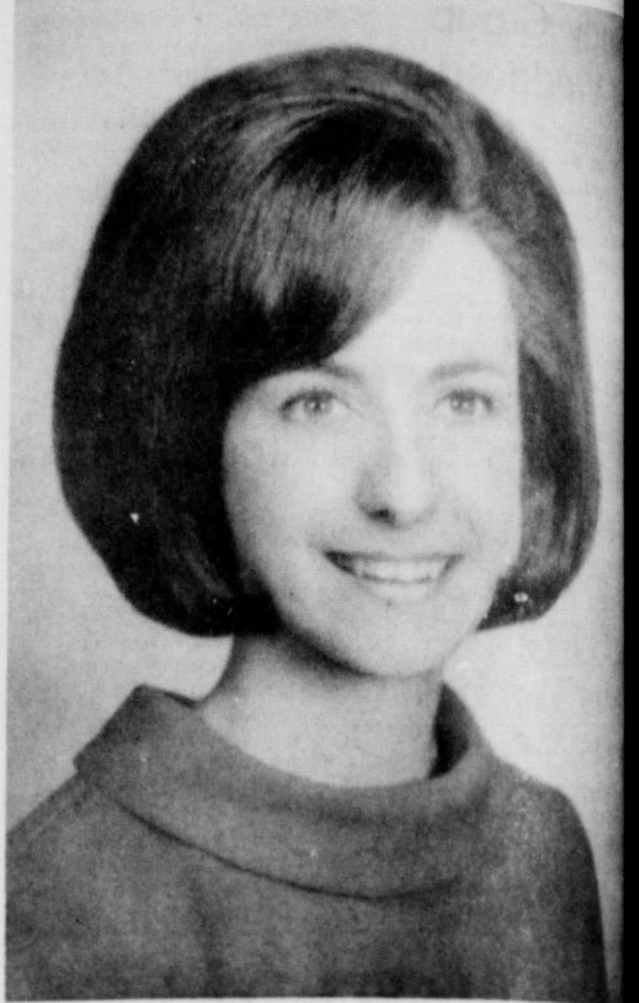

Maintaining its position as the world's largest service club organization, Lions International has announced the chartering of its 23,000th club. This will place the Lions close to 10,000 clubs ahead of the next largest service group, according to Lions International President David A. Evans of Texas City, Tex.

Evans will officially welcome the Brook, Indiana Lions Club at their Charter Night celebration on April 16. Brook will be the 412th Lions Club in Indiana, with some 19,000 members in that state.

Lions International is probably best known for its work with the blind, maintaining eye banks and leader dog schools throughout the world. However, they have been responsible for the building and equipping of schools, hospital wards, rehabilitation centers, playgrounds, par's and civic centers.

The Lions internationally famous motto, "We Serve", takes form in hundreds of thousands of projects each year within the ten major categories of Lionistic activities: agriculture; boys and girls; citizenship and patriotism; civic improvements and community betterment; education; health and welfare; international relations; safety; sight conservation; and youth exchange.

Well over 500,000 humanitarian projects are completed each year by the 23,000 Lions Clubs. Today there are more than 900,000 members in 145 countries and geographic areas throughout the world.

MISS JANE MCKENZIE, EDUCATIONAL REPRESENTATIVE OF UNIQUE ZIPPER CO. will be at the Home Demonstration Clubroom at Spearman, Tuesday, April 22, 1968, 2 p.m.

Miss McKenzie is an educational representative for Unique Zipper Company for several states. She works as home economic teachers, home demonstration clubs, department stores, and fabric shops. She is a 1965 graduate of Southeastern Louisiana College in Hammond, La. After graduation she worked as Home Service Advisor for an utility company in southeast Texas, then joined Unique Zipper Company in January of 1968. Miss McKenzie will give instructions in the use of the Unique Invisible Zipper. If you are familiar with this unique zipper, you will still want to attend as she will have many other useful sewing tips.

Where the Accent is Always on Service

A RARE BREED---This tri-colored Tom belonging to the Craig Hutchison family is probably one of four now living in the United States. The male calico is so rare there are none registered, none classified and no literature or records of such a cat. The Hutchisons are looking into it though. Tests have proven that only about one in two billion exist. The kitten is shown here with his mother "Prissy." (Read the Let Me See column)

a real interesting bit of info about the rare critter now living at the Hutchison home. Whether they could ever sell their tom is beside the point until they discover whether or not he is fertile. But the fact remains they have one of the rarest felines in existence today... probably one of four known now living in the United States.

The kitten is black, white and yellow. Though not marked so vividly as its mother "Prissy" his colors will probably develop as he grows and loses his kitten hair. One of a litter of 5, he was the only male in the bunch.

Prissy is an off-spring from Art Lynch's mother cat "Ginger." Art's mother, Faye Lynch, had Mrs. Ginger spayed and after what has happened in the Hutchison household Art is not so pleased over this operation... to say the least. Lisa and Joe Hutchison haven't settled on a name for the rare kitten as yet, but "MoneyBags" just might turn out to be a good one.

Area Bridge Tournament

Area bridge players are invited to a bridge tournament set for April 24 thru 27 in the Borger Motor Hotel. Make reservations direction with the hotel.

The Borger Duplicate Bridge Club is sponsor for the 3-day event. Membership in the ACBL is required for participation in all events. Membership may be purchased at the tournament. Master points will be issued in accordance with the ACBL schedule for sectional tourneys. Trophies will be awarded to all the first place winners.

Women's pairs and men's pairs begin play at 7:30 p. m. Thursday April 24. For further information, a complete list of events and entry fees may be obtained by contacting the Borger Motor Hotel.

Teddy Sparks of Austin spent Easter holidays with his parents, Mr. and Mrs. Aubie Sparks. Also here for the holidays was their daughter and her family, Mr. and Mrs. Lester Mundy and children of Kim, Colo. They also visited in the home of his parents, Mr. and Mrs. Ed Mundy.

Mrs. Mary Tanner attended a Unit Managers meeting in Oklahoma City over the weekend for Stanley Home Products.

Let Me See

by Sybil
I've never experienced such position as I did last week. I let me start a diet and I come every sort of opportunity to fudge... not chocolate fudge... just food fudge. Every morning is "home made" when the ladies of the Assembly of God Church and sell these delicious waffles. Absolutely NO ONE refuse one, or two, or three. Friday night was the Club pancake supper, Saturday night the sports ban-

quet and that same day I get this huge box of super avocados from our good friend Dick Rosson who lives at Fallbrook, California. Each spring I can expect this gift from Dick & Betty. Through the year I forget just how delicious this fruit really is and if you haven't tasted California avocados, you just don't know what you've missed. They are loaded too, 290 calories for one measly half, but if you think I'm going to let them go to waste you are mistaken. A smacking good "thank you" to the Rossons!

A FEW WEEKS ago I made a plea via this column for any information concerning a male calico cat and through the mail this week I received a very interesting article from Bob Wright who writes the Panhandle Press column each Tuesday in the Amarillo Globe News. Bob is also a cat fancier and has a Siamese named Rhubarb who will become a teenager this year.

The Craig Hutchison family has this three-color calico mother cat named "Prissy" who recently gave birth to a male calico cat... a very rare creature. Mr. Wright sent me a story of one of these felines owned by the Bob Burnetts of Bovina, Texas. "The fact that the cat is tri-

colored is not so unusual, but the fact that he is a male tri-color is. What makes the cat valuable is that he is fertile. Burnett says he presently knows of only 2 others in the United States. An interesting feature of this variety (tri-color) is the rarity of toms with this coloring and those which do exist are sterile.

However the Burnetts have the verification that their cat "Mr. Thomas Punkin" is fertile, they have four of his kittens. "The Burnetts know of a fertile tri-color in California, reported to be in failing health and another one at the University of Minnesota. Tests have proven that only about one in two billion exist.

"The Burnetts have been advised to have the cat classified and registered but this is not so easy to do. No one knows how to classify the cat since there are NONE registered. A check with the Cat Fancy Association in New Jersey, largest organization of registration of felines, has no literature to offer concerning them!

Burnett has been told that a major magazine has offered a great deal for such a tom and that he can probably name his price." I thought this was

Dorcas Officers Installed

Sunday morning, April 13, a 4-year installation of officers was held for the Dorcas Sunday School Class of the Baptist Church. The meeting was held in the Plains Restaurant dining room where breakfast was served to those attending.

Fern Porter greeted members and introduced Mrs. Betty Garnett, Sr. who installed the officers. Mrs. Garnett used the theme "Lightly Tuned Instruments" and closed the ceremonies with the poem: "The Touch of the Master's Hand", after congratulating the officers with their duties.

Officers installed were Barbara Lindsay-president, Betty Garnett-vice president, Margaret Eller-second vice president, Fern Porter-secretary, Sharon Watts-assistant secretary, Doris Perkins, Chris Arnold, Reba Ooley and Linda Calbreath-group leaders. Bemice McBride-publicity chairman, Pat Sutterfield-chairman, Jewel Canon-chair chairman for Pioneer Manor, Doris Perkins-favor chairman for Pioneer Manor, Sharon Watts-birthday chairman, Scarlet Jackson-hospital chairman, Sandra Lindley-social chairman, Shirley McCoy-birthday basket chairman, Susie Vardell-condolence chairman, Anne Archer-crippbook chairman, Betty Baker-Bible study chairman and Mrs. J.D. Helms teacher.

Mrs. Porter recognized 2 new members with the presentation of corsages. Cherry Garnett recognized those with perfect attendance by presenting corsages to Sharon Watts, Fern Porter and Barbara Lindley. Mrs. Helms also received a corsage.

The service concluded with prayer by Carol Quinn and was dismissed for Sunday school at the church.

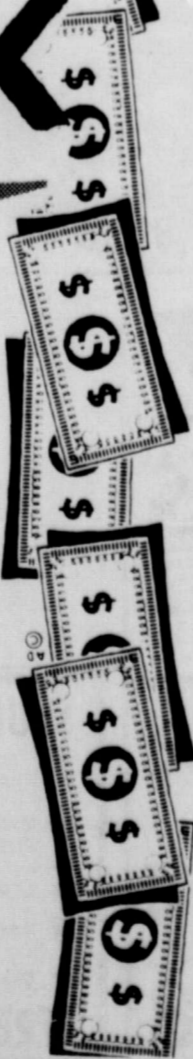

Miss Hattie Venneman who attends college in Canyon has recently been doing her practice teaching in Spearman schools. Hattie is the daughter of Mr. and Mrs. Johnny Venneman of rural Spearman.

Archie Smith who attends college in Canyon visited in the home of his parents, Mr. and Mrs. Preston Smith the last two weekends.
