MORSE LIONS CLUB SELLING **BROOMS SAT** 

Mr. Lynn Davis, secretary-treasurer of the Morse Lions Clubs, reminds all citizens of that area that the annual Lions Club Broom Sale will be conducted there Saturday, March

13. The sale will be held in the Morse community building and all residents are urged to go by and purchase your brooms and household cleaning items. Proceeds from the sale go to help the blind people who make the items, as well as the Morse Lions Club and its many worth while projects.

# Ronnie Lusby Signs To Play WT Football

West Texas State University head coach and athletic director Gene Mayfield announced today the signing here Monday of an outstanding Spearman high school athlete.

Coach Mayfield was in Spearman Monday when Ronnie Lusby signed an athletic agreement and accepted the WT 4-Year scholarship in football.

Lusby, son of Mr. and Mrs. A.E. "Junior" Lusby of Spearman, is a 6-1, 215 lb, senior in Spearman high school where

**FUNERAL RITES**

he has earned all district honors for three straight years. He was named all-district tackle on both offense and defense 2 years and all district on defense his sophomore year.

Besides playing football, Lusby was also a 2 year start-er in basketball. In round ball play, Ronnie made the honormetnion list for all-district both his junior and senior year.

Lusby was team co-captain in both football and basketball the past season.

# Weather

February, with an official 1.34 inches of precipitation, was the wettest February since 1960 when 1.52 was recorded.

All of last month's moisture came in the form of snow. Four inches fell on Feb. 5th, and weather observer Billy Ha en measured an even 15 inches from the blizzard on Feb. 21 and 22.

The coldest temperature reading for last month was 3 degrees on Feb. 8th. A high of 72 degrees was marked on Feb. 3 and again on the 15th.

A very light covering of snow greeted citizens early Saturday morning, March 6, but the sun quickly took care of the white stuff. Haden measured only 0.2 (only a trace) from the snow.

March's	weather	chart reads
as follows:		
Date	Hi	Low Prec.
March 1	47	21
March 2	37	22
March 3	47	13
March 4	67	21
March 5	62	34
March 6	47	23 T. 0. 05
March 7	52	17
March 8	69	24

#### ST. PATRICK'S DINNER SLATED FOR MARCH 17

TRAP SHOOT Sunday 1:30 At trap range in Spearman come eat at the church March

The price of the ham dinner will, be adults \$2.00 and children \$1.00. The stew dinner will be \$1.25. All are invited to

# Morse PO To Get New Quarters

Within 90 days the Morse Post office will move into new quarters. A \$2, 168 contract has been awarded to provide for the new building which will be located on the north side of Highway 1775 in Morse.

Under the Postal Service lease construction program, H. B. Parks of Morse will improve an existing building on that site, making it suitable for the town's new post office.

The government will rent the building for 5 years, with renewal options running thru 5 additional years. The building will have 649 sq. ft. of interior space and 2,000 sq. ft of parking area for postal and customer vehicles.

W.L. Crawford, director, Dallas Postal Region, advised Mrs. Jane R. Davis, officer in charge, that the government's capital investment will be limited to postal equipment and that the building will remain under private ownership and on local real estate tax

The new building will replace an older, smaller one, that has been rented as the post office since 1955.

The Spearman Lions Club

Gorgeous George from Gramlin College in Louisiana, and Happy Nelson, from Howard Payne College, are pictured above with Jaycee President Leon "the neon" Wilson. These three All-Americans really put on a show at the Jaycee game Tuesday night. Leon "the neon" got his name during his college playing, because he is fast as a neon light! James Martin led both teams in scoring, as he scored about as many points for the Harlem team as he did for the Jaycees! A sell-out crowd of 800 fans attended the game. Officials for

Three of the Jaycees All Stars take a breather during the Harlem game at the local gym Tuesday night. Left to right, Redge "the wedge" Robinson. Bob "high octane" Meek. and Lawton "the gut" Guthrie. These three All-American basketballers thrilled the crowd with their trick plays Tuesday night.

# School Board Has Busy Agenda At Last Meeting, Here Monday

COACH ANTHONY

The Spearman school board had a busy agenda at their regular meeting in Spearman -

Coach Larry Anthony, head football coach for Spearman High School, tendered his resignation, along with Mrs. Bowers, who is a special education teacher. Larry has not announced his future plans but he is being considered for several head football coaching positions in the area, it is understood.

Richard Mach, Karl Kingham, Jimmie Henry and Eddie Richeson, brought a petition to the school board Monday night. The petition read as follows: "The following undersigned do hereby want to amend the school handbook rule on sideburns to lengthen them to the level with the bottom jawbone." Approximately 105 names were on the petition, apparently secured from Spearman students. School officials didn't take any action on this because the petition wasn't presented to the school board in a proper manner through proper c'annels. It seems that the petition must be brought to the school officials and put on the agenda before the board meeting, before the board will act.

The local textbook committee approved the textbooks which have been adopted for the local school system. The list of books is available at the school. Members of the textbook committee are James Cunningham, Mikie Richeson, Dee Deere, Carolyn Savage, Dwayne Mitchell, Georgianne Hutchison, Wilma Clark, Terry Schneider, Minnie Weaver, E.C. Jenkins, Edwin Pearcy, Jerry Orr, Frank Butcher, MarThe school board amended

page 6:10 of the students handbook, to read as follows: Student Conduct Use of alcoholic beverages

and drugs. Any student known to have a dangerous drug or narcotic drug in his possession, or known to be under the influ-

ence thereof, while in school or while participating in a school-sponsored function, after due notice to the violator and after hearing before the Board of Trustees and if found guilty, the student shall be expelled for the balance of the semester and no credits be given to the student for the semester.

Any student who shall have been convicted of a misdemeanor or felony for the possession, use, or sale of a dangerous drug or narcotic drug while outside the school, will be expelled by the Board of Trustees for the current semester, and no credit be given to the student for the se-

Any student known to be drinking an alcoholic bever-age or be under the influence of same, while in school or while participating in a school sponsored function, may be Principal.

Extra-curricular activities may be restricted or prohibited for students found to be in violation of the above princi-

Should the student be convicted of a misdemeanor or felony while under the influence of an alcoholic beverage, then the Principal may recommend to the Board of Trustees that the student be expelled for the current semester with no credit to be given to the student for that semester.

#### Funeral Rites Held For Guymon Citizen

James Howard Deakin, 70, a Guymon, Oklahoma resi-dent all his life, died March He owned and operated the Deakin Dairy for the

past 40 years. Funeral services were con-Jucted Friday, March 5. Survivors include his wife

and two sons; two sisters, Miss Ethel Deakin of Guymon and Mrs. Oran Kelly of Farns-worth; one brother Ross Dea-kin of Guymon.

#### YOU NAME IT y Billy Miller

Someone should giv : Wright Hale a special award someday. for the shows that he presents to the public in Spearman. Everywhere you go now, the X rated movies have taken over and so far, Mr. Hale has tried to present good family movies, and I think the Chamber of Commerce should give him an award for the fine, clean entertainment that he has given to the area over the past many years.

And speaking of movies, I attended the show, "Diary of a Mad Housewife" while I was in Austin, and it was only rated "R" so I figured this would-n't be too bad, since I was over 18, and everyone in m party was over 18. But if this is what they call an R movie, I sure don't know whether I could take an "X" rated one or not. If you have never seen a so-called "risque"movie, and you pick "The Diary Of A Mad Housewife" as your first movie, you will be in for quite a shock. I think that they wanted to rate that move XX, and just put up the wrong letter in the alphabet. "Oh Well" so much for the movie scene this week.

Those Jaycees packed 'em in at the high school gymnasium Tuesday night, And, I enjoyed watching the game. The Spearman Jaycees can play an important part of our community, if they will get together and work. I am surprised that there are not more of these younger men boosting "clean-up" and better city programs. But, I guess all of them are busy trying to raise their families, and make a living. But, when you do not have an active Javcee group, the older men have to take over and about all older folks can talk about is long hair, and the depression. Everyone that I know who is 40 years old or older, can still remember the depression, and if they have a bad week, they swear that the hippies, long hair, and the depression is upon us.

The stock market is rising every day, the wheat is getting greener, and everything around Spearman is "turning to pure honey" so forget the depression, and get with it. The blizzard of '71 is now over and everywhere that the snow piled up there will be some beautiful green wheat in about 10 days. And, our feedlots are even going to make some money this year, so don't look back. Hansford County has the best prospects of any county in the state of Texas. What if you lived on the South plains, we hear they don't even have any irrigation

A printer friend of mine was in town this week and was hunting some help. He has a little weekly paper over in Oklahoma, and has two to three printers working for him all of the time. I am trying to sell him some of my presses. He has so much printing to do, that he is going to have to buy two or three presses from me. I now have four, and only need one. I asked him how in the world he kept so busy, and he said nobody, including the school, courthouse, hospital, or church's in his town would think of go ing out of town for any of their office supplies or printing. And, I told him that I remembered when Spearman just had about 1500 people, and we had to keep four presses going. Now, with our population ap-proaching 4,000, the competition here locally is so strong, both in the advertising and printing field, we don't even have to worry about income tax any more. Incidentally, speaking of printing, we do need to "pick" up some more of your business. The next time your "out of town" printer comes in, tell him that you ave your printing done "at home" and are darn proud of it. Our prices are competitive, and in all cases we will be glad to match your out of town printers prices. We have a lot of people ; working for us down here, and we are a part of the town, and all of us trade at home. So, get on the ball, and the next time that out of town peddler wants to sell you something, give us a call, and let us try and bid on it.

The School board and teachers at Spearman High School were presented a petition this week to allow the kids to grow their side-burns down to the bottom of their jaw-bone. Some 100 students signed the petition, and it seems that the board members and some of the teachers were a little students ask for next, if this one is permitted. As far as I am concerned, some of these but if it makes them feel younger, and makes their wives think that they are prettier don't you think maywanting to grow their hair down to their jawbones? One country ever had was getting

'panicked" over the situation. It isn't this first petition, that upsets them, but what will the older 40 year old cats that have their hair re-styled to go down to the bottom of their ear look so ridiculous it is disgraceful, be the kids feel the same way of the biggest battles that this a permit to ship "tea" in as a legal beverage. Tea was known as the "Devils Brew" and it is a drug, along with coffee, cigarettes, and whiskey. Let's face the facts, if you drink coffee, tea, whiskey, or smoke or chew, you are almost as naughty as the boy who has sideburns down to his jawbone. And, medically speaking, there just isn't anything to prove that long hair is as dangerous as sipping iced tea! I really don't think that the school should have to set a policy on dress, but they do have to. Mothers will send their kids to school with shorter dresses, and longer hair if the school doesn't intervene. And, I agree that the school shouldn't have to tell a mother that her daughter is dressing disgraceful before all of the men and boys, but it is the sad truth. The school has to have a dress code! So kids, if you want to go to school here, you are going to have to wear a decent skirt, and keep your hair trimmed according to the rules. And, poppa and momma are going to keep on sipping iced tea, coffee, whiskey, and puffing them cigs! Seriously, mothers and fathers, you should work this dress-code situation out at home. Sit

down and explain to your

daughter the facts of life, and

fathers, you see that Jr. keeps his hair neat. ALL PARENTS should try and help the school

board and school officials with

this problem. Don't send your daughter to school with a skirt too short and don't send your boy to school with his hair too

long. You are only hurting yourself, and your children.

The Chamber of Commerce extends a special thanks to the following Future Homemakers of America for serving at the annual banquet, Jan. 25: Rhonda Jones, Jan Gates, Pam Oakes, Vicki Crawford, Kathye Brown, Marcia Larson, Dixie Sheppard, Delinda Head, Patti Blanton, Ann Wilcox, Lori Ramsey, Barbara Fart, Theresa Pearson, Jeanne Thompson, Becky Reynolds, Nancy Lair and Brenda Thomp-

filed for re-election. Don

Jones has also filed for a

place on the ballot.

#### Called Meeting Mar. 22 For St. Farm Bureau

DALLAS--A special called meeting of the Texas Farm Bureau voting delegates will e held March 22 in Dallas to consider recommendations for expanding organization programs to meet present and future needs of farmers and ranchers.

The one-day session will get under way in the Baker Hotel at 10 a.m. Registration will start at 3 p.m. on the previous day for the hundreds of delegates who will be representing the 204 organ-

ized county units.
It will be the first such special meeting ever held by the TFB and culminates almost a year of intensive activity and study involving hundreds of county leaders. A 13-member State Program Expansion Committee, composed of one leader from each of the TFB districts, drafted the recom-mendations to be considered.

The proposals are based on desires expressed in special county board meetings last year. Priorities were established at a statewide meeting of county presidents in August. The state committee, in cooperation with similar committees on the county level, has been studying and evaluating proposed expansion needs for the past several months.

Malolah Fullbright, Luella Gunter and Janie Hand (left to right) are shown at a workshop and luncheon held at the Gruver Hotel for the Mary Kay cosmetic consultants of the area on Saturday February 20. Guest speaker was Luella Gunter from Albuquerque, N. M., the Unit Director. Achievement awards were discussed and goals set for the year ahead. Women from the Gruver area are among the top producers in the nation. There are over 8000 consultants in the Mary Kay Cosmetics Company of Dallas.

#### ACTOR VISITS WITH GRUVER SOLDIER HOSPITALIZED IN **JAPAN**

Camp Zama, Japan, -- Army Specialist Four Kenneth Brazell. 22, a patient at the U.S. Army Hospital, Camp Zama, Japan, receives a visit from Sebastian Cabot, well known motion picture actor and a star of the television series

"Family Affair." Spec. Brazell is the son of Mrs. Alene Ramsey, Bridge-

Cabot was on a recent USO-S. Military Hospitals in the Far East. At Camp Zama he visited with scores of patients at the hospital, chatting and signing autographs.

He is regularly assigned as

a rifleman with Company B, 1st Battalion, 506th Infantry in Vietnam.

The specialist entered the army in April 1970 and completed basic training at Ft. Lewis, Wash., where he was last stationed.

His father, L.D. Brazell, lives on Route 1, Gruver, and his wife, Sue, lives at 5609 Avenue G. Lubbock.

#### Young People's Concert Slated For March 20

The annual Young People's Concert will be held Saturday, March 20th, at 3:00 P. M. in the Amarillo Civic Center Auditorium. The afternoon con-cert will be sponsored by the Amarillo Symphony Guild. Students of the tri-state area, as well as parents, are extended a special invitation to attend this concert.

Tickets will be 75¢ and can be obtained from Mr. Robert C. Hill, 2401 Hawthorne, A marillo, telephone 352-2921. Tickets also will be available at Cooper & Melin Music Store, Hastings Book and Record Shop, and sold at the door on a space available basis.

'Fun with the Symphony"is the theme of this year's concert and Dr. Thomas Hohstadt has chosen "Finale from the Three-Cornored Hat Suite", Scarborough Fair", Unanswered Question", and selections from "Classical Symphony", for this special children's program.

Dr. Hohstadt will ask for audience volunteers to be guest conductors and guest dancers during the concert.

be classified by traffic engineers is the O-turn. It was invented by the lady who made a U-turn and then changed her mind.

#### Wouldn't you know it would be fun to drive, stingy on gas, quick to service and built to last.

Of course you would. We wouldn't build a small car unless we figured it would give you more of what you want a small car for

Take that low price. Ventura II is a small car. so it has a low. small-car price. But it's what you get for that small price that makes Ventura II worth a close look.

Ventura is fun to drive. It should be, it's from the Wide-Track people. Which means you get a smooth, comfortable. Wide-Track ride.

The handling's quick. There's a nifty 111-inch wheelbase for easy parking. And both the 250cu.-in. six and available 307-cu.-in. V-8 respond

# Outstanding Teenagers Of America Nominees

Four Spearman High School students have been selected as Outstanding Teenagers of America for 1971, according to Kenneth L. McKay, prin-

cipal. Selection for the Outstanding Teenagers awards program automatically qualifies these students for further state and national scholarships and honors. Local nominees are

Kassandra Leigh Vaughn, daughter of Mrs. Thelma Vaughn, Devorah Lynn Jackson, daughter of W.C. Bill ackson, Servando Salinas, r., whose parents are Mr. and Mrs. Servando Salinas St., and Richard Mark Tracy, son of Mr. and Mrs. Everett

Nominated by their principals, the Outstanding Teenagen of America are chosen rom individual schools across the country for excellance in community service and academic achievement. The local students will now vie for the Outstanding Teenager of the Year Trophy to be presented by the state's governor. The state winners are selected by the Outstanding Teenager Awards Selection Committee, in cooperation with the Board

From among the 50 state winners, one 'oy and one girl will be chosen for the national scholarship prize of \$1,000 to attend the college or iniversity of their choice.

In recognizing the special talents of these Outstanding Teenagers, Astronaut Neil Armstrong said these youths "have the ability to face the difficult problems of our times and the obligation to accept the challenge,

These Outstanding Teenagers also have the "opportunity to become great national leaders and doers, " President Nixon said in a congratulatory message to the nominees,

Under the guidance of the Board of Advisors, the Outstan ing Teenagers of America program was created in 1967 to encourage young people to take full advantage of the opportunities in America. The awards are presented annually, and biographies of all those onored are recorded in an

annual volume. Heading he Board of Advisors is Doug Blankenship, past national president of the U.S. Javcees. Serving with him are: Mary P. Allen, Director,

#### Teacher's Sorority Met In Morse

Mrs. Wilma Johnson and Mrs. LaVerne Parks entertained the Alpha Delta Kappa sorority in the Morse Community building Thursday night, March

Fifteen different craft projects were demonstrated or displayed. Mrs. Doris Armes of Gruver gave a beauty demonstration.

Refreshments of pie, coffee and spiced tea were served to Mmes. Jackie Graham, Mathilde Entrekin, Velma Roden, Dee Deere, Fern West. Louise Archer, Ruth Mary Whitson, Elva Lee Sheets. Joyce Dixon and the hostess-

#### P-TA VOLLEYBALL TOURNAMENT SET

The Spearman P. TA has scheduled their annual volleyball tournament for March 18, 19 and 20.

Anyone wishing to play volleyball or any team wishing to register for the tournament, should call Bernice

Callaway at 3320 The gym is available for team practice on Monday, Tuesday and Thursday, but one week advance notice for practice must be made with Billy Haden. He may be reached at home 3201 or call the school number 2563.

RULES -- NOTICE

No food or drinks will be allowed in the gyms and no street shoes or ternis shoes which have been worn in stickers will be allowed on the gym floor.

Practice sessions should end by 10 p.m. Bad weather days may force last minute cancelling of out-

side use of gym due to tennis team practice. The gym in the high school building will not normally be scheduled for practice.

A minimum fee will be charged for practice sessions (custodial services) Additional fees will be charged after 2

hours. Person making reservation is responsible for fee. It is suggested that children not be brought to practice sessions.

#### National Honor Society From Spearman Enjoys Outing

The National Honor Society of Spearman high school enoved a social outing Sunday after church. The National Honor Society is composed of students who carry at least a 90 average. Last Sunday the group attended an ice hockey game at Amarillo Civic Center between the Wings and the Wranglers. For many of them it was their first time to see ice hockey.

Members who attended the game were Richard Tracy, Jim Paul, Frank Lemons, Dalynn Brummett, Danny Carroll, Jolinda Lee, Wanda Greene, Kandy Vaughn, Liz Hohertz and Amy Renner.

Sporsors for the trip included Dorothy Roden, Mr. and Mrs. Dwayne Mitchell, Mr. and Mrs. James Cunningham and Mr. and Mrs. Orville Latham.

Student guests for the trip included Dung Trinh, Cheryl Craig, Kim Brock, Dean Mc-Lain, Jay Holland and James

The group left Spearman at 12:30 and arrived back in Spearman at 8:30 p. m. They stopped by Shakey's Pizza Parlor for pizza after the ice hockey game.

Brownie Troop 155 met Friday March 5 at the Scout House with leaders Barbara McClellan, Irene Baker and Bea Ellsworth.

Discussion was held on the Girl Scout Sunday and collec-tion of coupons to help the Panhandle Orphanage and to help with the purchase of a kidney machine. Flowers were made from egg cartons and songs sung.

Refreshments were served by Margie Schubert to Deanne

Baker, Brenda Boyd, Donna Bruce, Bridgett Cannon, D'Anda Close, Barbara Ellsworth, Dethene English, Joanne Hays, Jean Ann McClellan; Sabra McCoy, Kelly Shaver, Dana Smith, Tammi White and Mary Lou Hilburn.

Brownie Troop 3 met Monday March 8 at the scout house with leaders Mmes. Ralph Bynum and Melvin Swenn.

The troop took a field trip, played some games and sang songs. Refreshments were serv-ed by Edie Clemmors to Cassie Baker, Dana Bruce, Kenda Burke; Terrie Bynum; D'Ann Cummings; Cammye Gee, Ginny Morris, Jana McCoy, June Nichols, April Pearcy, Penny Perkins, Kimberly Reed and Tamera Scroggs.

Junior Troop 78 met Monday March 8 with leaders Mmes. Donald Bowen and Hal Rinker and helper Mary Kibler at the Scout House.

The troop enjoyed refresh-ments of Girl Scout Cookies and continued work on the purses they have been making. Today the pictures were put in place on the purses.

Present were Terrie Bowen, Brenda Bowling, Donna Goff, Leslie Groves, Gerri Lynn Maize, Kim Rinker; Tammy Robertson, Sheila Scates and Donna Schmehr.

#### Vietnam Soldier Home On Leave

Pfc. Terry Douglas and hi wife spent a few days in Spearman this week visiting his uncle, Bill Douglas and his aunt, Mrs. Chalmers Porter. The Rogers, Arkansas resident has been spending his "R & R" leave from Vietnam visiting his wife and other relatives, in the good old U.S.A. Following his leave he will return to Vietnam to complete his year

#### Lynxettes Thank K B M F Radio

We would like to thank our radio station KBMF-FM for their fine support during our play-off's. We especially thank them for the telegram idea at Austin and also thanks to the many fine supporters

who responded. It always to a great deal of effort and dication to make a State Champion and we do thank everyone for both. Sincerely,

for grain crops. 2A were raised by Spearfarmer Ted Godfrey last Godfrey's NK222 averag-00 pounds per acre and (222A averaged 5, 127 ds per acre, and his 300 stotaled 1, 581, 750 pounds. wards were presented to the owing men who farm in the ver area:

Hansford county farmer Gene Fletcher, planted 30 acres of NK 200 last year which averaged 7, 012 pounds per acre. His total crop weighed 210, 360 pounds, or enough to equal one carload. "NK 280 stands well, and has a good uniform height", says Fletcher.

"Dries out for harvest and stands moisture stress real well", says Bill Keasler who produced over 62 carloads of sorghum last year using NK 280. Keasler harvested 1, 343, 750 pounds from 215 acres for an average of 6, 250 pounds per acre.

Hansford County farmer Foy

Perkins, harvested more than 12 carloads of sorghum from his 45 acres last year. Perkins crop of NK 280 totaled 333, 000 pounds for an average of 7, 400 pounds per acre. "NK 280 stands well and weighs heavy", commented Perkins.

"NK222 is an excellent semi-irrigated Milo", says F. A. Shapley, Jr. whose 200 acres produced 3 carloads of NK 222 last year. The crop

totaled 602, 400 pounds for an average of 3, 012 pounds per acre.

Hansford County farmer Hix Spivey, planted 136 acres of NK 280 on his farm 9 miles north of Gruver, which yielded him 5 carloads or 1 million pounds. The average pounds per acre was about 7, 352.

Hansford County farmer Oliver Wallin, produced 9½ car-loads of NK 280 on 292 acres of his ranch north of Gruver last year. Wallin's crop averaged 6,500 pounds per acre and he was pleased with the good standability and the way 280 threshes clean. Rex Williams' 58 acres of

NK 280 yielded him over 2 carloads of sorghum. His total yield of 423, 400 pounds was an average of 7, 300 pounds per acre. "I'll brag on 280's standability anytime", says Williams.

#### Minimum Wage Rate Unchanged For A G Workers

COLLEGE STATION, March 4--The minimum wage rate for farm workers has remained at \$1.30 per hour since it reached that level on February 1, 1969, according to James I. Mallett, farm management specialist with the Texas Agricultural Extension Service.

Wage rates for many occupa-tions increased on February 1, he notes, but new legislation will be needed before the legal minimum can be raised for gricultural workers. Competition with other industries tends to increase farm wage rates and most farm employers are paying well above the minimum wage

rate, he adds. Agricultural employers who hired more than 500 man days of farm labor during any calendar quarter in 1970, must pay at least the minimum wage rate during 1971. Farm employers who are paying more than the minimum wage should keep adequate employee records as specified by the minimum wage law, points out Mallett.

The minimum wage law also included child labor regulations which forbids the employment of children 16 years of age and under, except on their own farm during school hours. Children under 16 years of age may not be employed in agricul ure in what is classed as hazardous work. However, children 14 to 16 years of age may accurre an exemption certificate which will permit them to be hired for hazardous work when they have been adequately trained and qualified to perform these

jobs, notes the specialist.
Additional information may be obtained from county agricultural agents or the Regional Director, Wage and Hour and Public Contracts Division, U.S. Department of Labor, 411 North Akard, Dallas, Texas 75201,

#### RESEARCHERS REVEAL REPORTS ON GRAIN-FED HOGS

LUBBOCK -- No matter how you slice it, the ham turns out about the same whether the hog was fed corn, wheat or grain sorghum.

That is the preliminary conclusion of a group of Tex-as Tech University researchers from the Animal Science and

Downy

31¢

BEANS

HALVES 99¢

Food and Nutrition Depart-

Experiments on 120 pigs

have been conducted on feeding value of various grains for swine and the study is nearing completion. Some phases, however, still are in progress, according to Dr. Leland Tribble, swine specialist and pro-ject leader for the research.

Others who are participating in the research program are Drs. C.B. Ramsey and K. D. Lind and John Howell, graduate animal science maor, all of the Animal Science Department; and Dr. S.P. Yang. Food and Nutrition chairman; and Clara McPherson, Dr. Ruth Carus and Marcie Moreland of the Food and Nutrition Depart-

Data on the performance of pigs fed corn, wheat or grain orghum showed no "significant differences" in rate of effic-

iency of gains.
"A study indicated that the grain sorghum was less digestible by swine then corn or wheat," Tribble said.

The ration containing grain sorghum was less digestible by swine then corn or wheat," Tribble said.

The ration containing grain sorghum was found to contain 94.1 per cent as much digestible energy per pound as those containing corn or wheat.'

Data showed no significant variations in length, backfat thickness, loin areas or in the four lean cuts of carcasses from the three categories.

"However, there was a trend for the pigs fed grain sorghum to be meatier and have less fat than those fed corn, Tribble said. "Carcasses of pigs fed corn had a significantlower specific gravity than those fed wheat or grain sor-

No differences were found in color, firmness or marbling of hams and loins from pigs fed corn, wheat or grain sor-

ghum.
The Sonoray, an instrument used to measure depth of fat and muscle, was used to evaluate changes in depth of back fat and loin muscle. No significant differences were found in the increase in backfat or loin muscle depth during the experimental feeding

Weights of several organs and glands including liver, heart, kidneys, adrenal glands, pancreas and spleen showed no significant differences except the weight of the pancreas from pigs fed corn was significantly smaller than those fed wheat or grain sorghum.

The pancreas is the source of several digestive enzymes and the heavier weight would indicate a greater activity of the gland for pigs fed wheat or grain sorghum," Tribble said. "The significance of this finding has not been determined.

No differences were found in shelf life of pork chops from pigs fed the different grains. Neither was there difference in the shrin! age of the hams during the curing and smoking processes.

However, one taste panel found the flavor of cured ham slices from pigs fed wheat to be significantly more desirable than those from pigs fed

A loin roast from each of three animals from the different categories was given to the Food and Nutrition Depart ment for evaluation of cooking characteristics, palatability and visual characteristics as affected by the different

Data from the first trial indicate no significant differences in the pork obtained from animals fed corn, wheat or grain sorghum.

Characteristics evaluated were evaporative and drip loss during cooking, a taste panel evaluation for appearance, odor, flavor, juciness and tenderness and the percentage of moisture and crude protein in the raw and cooked

"From the data analyzed to date, we can conclude that there is little, if any difference in corn, wheat, or grain sorghum when properly supplemented for growing-finishing swine as measured by performance of the pigs, carcass composition, processing characteristics and cooking and eating characteristics of the pork," Tribble said.

He said the study is one of the most detailed ever undertaken on the value of various grains for swine. The interdepartmental cooperation, he said, has made it possible to expand the study and to more completely evaulate the effects of the treatments.

#### BILL TO AMEND USDA REGULATIONS

Panhandle Congressman Bob Price today has introduced legislation greatly changing present Agriculture Department regulations that prohibit feed grain farmers from receiving payments of 32¢ per bushel on corn and 29¢ per bushel on grain sorghum until after July

Price's bill would amend USDA regulations to enable feed grain farmers to receive at least half of their duly allotted payments in April, shortly after program sign-up

"If enacted", Price declared, "this advanced payment bill will cause more money to be put into farmers' hands at a time when they desperately need it to pay labor, equipment, operating supplies, and fertilizer costs necessary to prepare farm land for the

gorwing season".

Additional provisions in his bill would extend the advance payment requirement to any diversion payments and public access payments which might be made under the farm program, and would require advance barley payments if USDA Secretary Clifford Hard-in should designate barley as a feed grain under the 1972 or 1973 program.

Price urged swift action on his proposal stating, "As a member of the House Agriculture Committee, I can assure all city and suburban congressmen that passing this bill will help insure that the farmers of this nation will continue to supply abundant, high quality, and reasonably priced food and fiber for the tables of non-farm dwellers. Only 16% of disposable income is being spent on farm products now, the least at any time in our coun ry's history, " he added.

In later comments to interested colleagues, Price made known his intention to seek similar advanced payments benefits for cotton and wheat producers if his current proposal generates solid support.

AUTOMOTIVE TALES FROM

Around the turn of the century, a miller's son, Henry Royce bought a French car. Royce, at that time was a crane engineer living in Manchester, England. The car turned out to be so crudely built he remarked" I could built a better car myself. "He evidently meant what he said because he proceeded to do so.

In the year 1904 he drove the first Royce car out of his

warehouse. It was a ten horsepower, two-cylinder car and the most remarkable feature was that it made practically

A Londoner "Charles Rolls heard about the Royce car. Rolls was a wealthy man. He was the son of Lord Llangatock. He was the owner of a country seat, had a townhouse and an ocean-going yacht. He was also in business selling Panhard and Minerva cars.

Rolls invited Royce to visit him but was informed that Royce couldn't spare the time away from his work bench. Rolls nevertheless visited Royce, took a ride in his car and like it so much the world famous partnership began.

Royce made the cars while Rolls raced and sold them. Their first cars were 15 horsepower three cylinder jobs. We don't carry many Rolls Royce parts because, for some reason, there just aren't too many cars of that brand in the

Now, if you need parts for a Chevy, Olds, Ford, Buick or any other popular car, just step up to the counter at Owers Sales Company and we can supply the parts you

#### FARMERS & RANCHERS ADVISED ON POSSIBLE GRASSHOPPER OUTBREAK

COLLEGE STATION, March 4--Grasshoppers could be real problem makers in some areas of the state provided the weather is favorable during the upcoming hatching sea-son. Extension Entomologist Reed Green says more than 2, 3 million acres were found to be infested during the 1970

fall adult grasshopper survey.

The survey, he notes, was made by the Plant Protection Division, Agricultural Research Service of the U.S. Department of Agriculture for the purpose of outlining areas where damaging grasshopper outbreaks might be expected the following spring. Counties with the heaviest infestations, as shown by the survey, include Archer, Baylor, Childress, Cochran, Cottle, Dallam, Dickem, Hartley, Hemphill, Hutchinson, King, Motley and

Farmers and ranchers in these and in other counties of the High and Rolling Plains should keep a close watch on the situation, advises Green, since the servey indicated the potential for severe in estations this spring.

Grasshoppers that feed primarily on crops and rangeland survive the winter in the egg stage and hatch during April, May and June. The period shortly after hatching is the most critical time in the life of the new hopper. Abnormally warm weather in the spring sometimes forces premature

hatching. If the weather then turns cold for an extended cold for an extended period, it will prevent the feeding necessary for survival of the young 'hop-

The population may be fur-ther reduced during periods of wet, cloudy weather by bacterial and fungal diseases which attack the young hoppers. Should warm and dry weather persist, the chances for damaging numbers of hoppers during 1971 will be greatly

increased, warm Green. frimations, he says, place grass consumption by 6 to 7 hoppen per square yard on 10 acres the same as for a cow. And, he notes, many counties in the High and Rolling Plains areas averaged 3 to 8 hoppers or more per square yard dur-ing the fall survey.

#### Richard Tracy Has Program

Richard Tracy, an honor student from Spearman High School, gave the program at the regular Rotary meeting Monday of this week. Richard presented a "slide" showing of his trip to Italy. Richard has several slides of his trip to Europe that he enjoyed the past summer, and the Rotarlam especially enjoyed the beautiful pictures of Italy.

Regular Rotary meeting is Monday of each week.

enought to write the newspaper about, you MUST sign your name if you want your letter published.

The letter I received in the mail today is from a very concerned parent. Justly concerned, I might add, and it read as

"I am writing this in hopes you will print it, and just maybe a few people will take the time to read it.

I think it is simply terrible that the drug problem is treated with so little concern. We have had three drug programs in this town with excellent, experienced and educated men as speakers. These men have taken tim off, and sometimes their days off from their regular jobs, to come to our town in an attempt to acquaint us with this ever-growing drug prob-lem. It is a little embarrassing. to say the least, when only four rows of concerned people out of our town's population show up in the HS auditorium for the program.

ren are learning? All I can hope for is that we all wake before it is too late. Don't talk yourself into believing we don't have such things in Spearman. We do---maybe it is already too late. PLEASE

Signed, a very concerned citizen --- who cares.

After the first program here on drug abuse, sponsored by the Hansford County Teacher's Association, I talked with Sheriff J. B. Cooke. He, too, is very concerned that parents seem so "unconcerned.

forcement officers and school teachers see the need of instructing our youth on the horribleness of crime & drug tips us off to a very important fact ... parents are not interested enough to teach their own children. Most do. Many do not. Unconcerned parents refused to teach their children about sex until venereal disease became so rampant and so many illegitimate children were being born in the U.S.A that the schools had to take over this responsibility. I have a sneaking suspicion that our school teachers and perhaps even our local law enforcement officers know more about our children than we do ourselves. At least they seem to know that right now they need to be instructed about drug abuse. Next year all Texas schools will teach this to students in grades 5 thru 12. Ten years ago we never dreamed that a school program on the evils of crime & drugs would ever be taught our children. What next, I wonder??

The experts tell us it all started in thehome. Only in the home can we tell our children about God. Who He is. What he can do for us. How that He the answer to our problems.

This is one subject the schools can not teach...
It's against the law.

Love is home on leave after graduating from basic training at Orlando Florida Naval Cenphis, Tenn. after his 2 week leave is up. March 21.

#### Time To Renew Tri-City Concert Memberships

This is the time of year when the Tri-City Community Concert Association is conducting a membership drive in order to be certain of securing support for musical programs next year.

Since its organization in 1949, the Community Concert Association has brought outstanding entertainment to Borger through the membership plan. No tickets to concerts or programs are sold at the door. Admission is by membership card only. Mrs. Joe Trayler is chair-man of the drive in this area

and persons wishing to renew their membership, or purchase a new one, are asked to see her anytime through March

Single adult memberships are \$10. Single student, \$5 and family memberships can be obtained for \$27.00.

Nationally recognized cultural entertainment for at least 3 programs is offered yearly. Membership permits local members to attend concerts in Dumas, Canyon and Bartlesville, Okla. and in all Texas cities where Community Con-certs are presented. If the color of the membership card is the same as that issued by the Tri-City Association, local tickets may be used.

#### Exchange Student Gives Program For Century Club

Foreign exchange student from Vietnam, Dung Trinh and

March 4 was the general meeting date for the Twentieth Century Club which met in the home of Mrs. Guy Fuller. President Mrs. E. L. Garner presided at the meeting.

The two delegates selected to attend the District Convention April 1 and 2 in Pampa were Mrs. Garner and Mrs. Wayne Hutchison, Mrs. J.R. Keim led the club in the Collect.

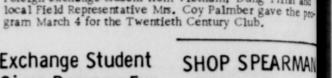

Mrs. Olin Sheets introduced the guest, exchange stud-ent Dung Trinh and the local field representative for the exchange program-Mrs. Faye Palmer.

Hostesses for the meeting were Mmes. Mike Holt, Guy Fuller, E.L. Garner and Harold Shaver.

Members present were Mmes. C. A. Kleeberger, O. C. Holt, Frank Carmody; Deta Blodgett, P.A.Lyon, Geor-ge Buzzard, Nolan Holt, Joe Novak, Bud King, Dick Kilgore, C.U. Pope, J.R. Stump, Johnny Lee, Wesley Garnett, Edward Wheeler, Fred Holt, John Trindle, L.L. Anthony Frank Davis, J.R. Keim, Olin Sheets, Tom Sutton and guest's Dung trinh, Betty Uptergrove and Faye Palmer.

# Now Open Lake Meredith Harbour

With 5 1/2 miles of shoreline on the pride and joy of the Golden Spread, beautiful, deep blue LAKE MEREDITH, FOR THE FIRST TIME, A CHANCE TO ENJOY AND BE A PART OF THE MOST FANTASTIC RESORT SUB-DIVISION AND AT YOUR OWN BACK DOOR .... JUST MINUTES AWAY, TO HOURS OF FUN. YOU OWE IT TO YOURSELF TO VISIT WITH US, TO SEE OUR FACILITIES, TO ENJOY AND USE,

Construction is beginning on the swimming pool and site preparation for the Club House which will be centrally heated and cooled. Our road construction has turned out to be a paradise for the rock hounds who are finding hundreds of different kinds of rocks as well as arrow heads.

We want to extend an invitation to you to come and see us, to look at our Beautiful Waterfront Lots and Breathtaking View Lots, of course both cottage and mobile home sites will be on paved streets with water and electricity. We are open seven days a week and are available from daylight until dark.

Easy terms are available. There is no lake use fee and bank fishing is free too.

LAKE MEREDITH HARBOR is located on the South side of Fritch Fortress, 4 miles North of Fritch, Texas. . . . ONLY MINUTES AWAY TO HOURS OF FUN.

BANVEL TRANSLOCATES/SPRAYED 7th OF MONTH

More and more grain sorghum producers find certain deep-rooted weed populations building up. Neither other weed killers nor cultivation give effective control of extra-tough and resistant pigweed (carelessweed), sunflower, cocklebur, morning glory, lambsquarter, purslane, other costly broadleafs.

4 DAYS LATER

Banvel, the post-emergent herbicide, does control them. For one simple reason. Banvel translocates. Absorbed by foliage and roots, Banvel moves with plant fluids from leaf tip to roots, and back again. Destroys as it goes.

Cost of Banvel? As little as \$1.90 per acre broadcast. Spray 10 to 25 days after emergence of sorghum, when weeds are young, growing most actively. Sorghum, when used as directed, is completely tolerant to Banvel. Ask dealer or custom sprayer for full information on Banvel. Every container of Banyel carries the Velsicol guarantee of sorghum tolerance to Banvel.

Spearman B

Billy Hazelwood

Coach Mickey Owens, who not only is a top band director, but also doubles as the high school golf coach, has another fine group of boys in this year's teams. Mickey has a group of A boys, which consists of Jr. Salinas, Phil Windom, Tony Harper, Mike Floyd and Pat Sloan. The B team features the fine play of Edgar Womble, Scott Latham, Billy Hazelwood, Kent Benton, Ronnie Head, Randy Denham and Martin Hendrick.

The teams have had two practice tourneys already this year, both of them since basketball season was over for the Lynx and Lynxettes.

In their first practice tourney at Perryton both of the high school teams walked away with victories.

The following are the results of the Spearman A team: Jr. Salinas 72; Phil Windom 80, Tony Harper 84, Mike Floyd 86, Pat Sloan 88. Team total 322, Perryton 348.

B Team-Edgar Womble, 90; Scott Latham 92; Billy Hazelwood 94; Kent Benton 100. Ronnie Head 100, Randy Den-ham 100 and Martin Hendrick

The Spearman B team defeated Perryton B team.

Last Saturday the Spearman teams met Canyon there and the temperature was about 25 degrees and the wind blowing about 39 miles per hour to give a -) freeze factor. The pearman A team "froze up" Vera Beth McClellan made meand lost a hard-fought tourney to Canyon 323-333.

Tony Harper is Spearman's best cold weather player and Jr. Salinas is our best warm weather player.

#### TOM WHITSON ON COVER

Tom Whitson, son of Mr. and Mrs. Jack Whitson of Spearman, was featured on the cover picture of the High Plains Journal in the March 8 issue. Tom is the county agent at Greens-burg, Kansas and was shown on the cover picture looking over a large tail water pit recently constructed on the Cecil Vieux farm near Greensburg.

#### Nationwide Bible Conference Slated DALLAS -- Bible scholars from

the United States and England will converge on Dallas March 15-18 to lead the first Nationwide Bible Conference ever sponsored by Southern Baptists.
"People from throughout the nation have registered

for the fourday meeting in Dallas' Memorial Auditorium, said A.V. Wastburn, Nashville, Tenn., secretary of the Sunday School Department of the Southern Baptist Conford Golf Course Saturday mornvention.

"There is widespread concern in America to discover the application of Bible wuths to contemporary problems, " Washburn said.

"The conference is designed to help people discover the relevance of the Bible to life through Bible exposition and interpretation.

Anyone may attend. Participants have a choice of 45 expositions on portions of the Bible during morning sessions and 40 Bible-oriented explorations of contemporary concerns during the afternoons.

There will also be messges by well-known Bible scholars.

Evangelist Billy Graham, who was to have brought the closing message of the conference, has been replaced by John Bisagno, pastor of

the First Baptist, Houston. Dr. Graham has been ordered by doctors to take an extended rest to complete

recovery from throat surgery. Dr. Graham, who is recirrerating from recent throat surgery, was told by his doctors to cancel all engagements

through April 16.
The Houston church, which Bisagno leads, has baptized 1,069 people--a probable record--during the past five months. Almost 800 of the baptisms came through the church's recent "Spireno" youth revival which produced 4, 200 professions of faith.

Other major speakers for the evening sessions of the Bible conference include Culbert Rutenber, professor at the American Baptist Seminary, Covina, Calif.; W.A. Criswell, pastor of First Bap-tist Church, Dallas; and Dale Moody, professor at Southern Baptist Theological

seminary, Louisville, Ky. Geroge Beasley-Murray of Spurgeon's College, London, England, will lead Bible expostion each morning on the conference theme, "Christian Hope in a Time of Crisis."

Those who register will receive a kit of helpful study materials and a reserved seat for each of the sessions. The registration fee is \$10.

# Consumers shop more carefully today. Here's why they buy Fords.

#### Ford LTD, quiet and strong, is the luxury car without the luxury car price.

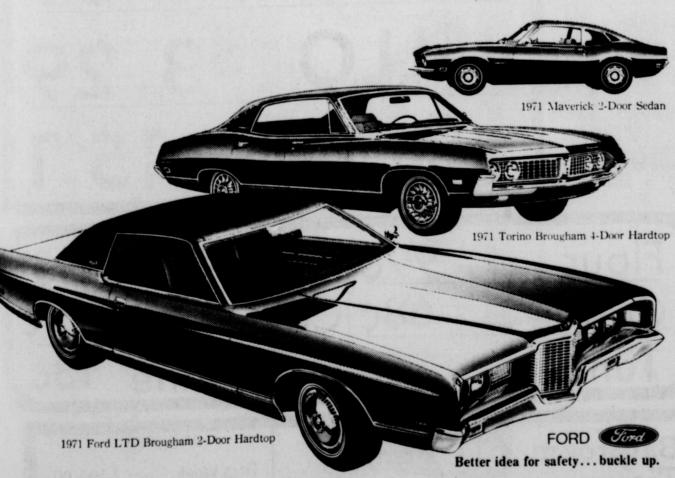

ford LTD is the car that can match the luxury of cars costing hundreds of dollars more. And LTD's quiet ride is the standard hat those same more expensive cars have to match themselves. That quiet strength is one reason for consumers choosing LTD over all other luxury cars in its class.

#### Torino is sized and priced right in the middle.Room for six, small car handling.

Consumers know the mid-size Torino gives them the roominess of a big car plus the easy handling of a small car. For a price that's right in the middle. As a result, Torino has become the most popular 4-door in its class. Your Ford Dealer has thirteen other models

# Maverick, the simple compact car, offers 2 doors or 4; 6 or V-8 power.

Take Maverick. Consumers know that the simple machine is simple to own and simple to run. And they learned recently that a leading independent survey found Maverick has the best frequency of repair record of any American car. That might explain why it's America's best-selling compact.

Consumer dollars go further at your Ford Dealer's.
