

Views of Panhandle Editors

Dave Clement returned home from an Amarillo hospital last weekend and is recuperating at home from injuries he received in a car wreck a few weeks ago.

We were among those who filled the floor of the Amarillo Civic Center Monday night in the appreciation dinner for Dolph Briscoe, the front runner in the governor race on the Democratic ticket. The crowd was sizeable, we thought, especially in view of the sparse publicity given the gathering. There was nothing in the Amarillo newspapers, either their Daily News or Globe Times, about the appreciation dinner. The television news that we watched Monday afternoon made no mention of the dinner, although they did mention the trip to Spearman and Perryton that day by the candidate.

It would appear that Dolph Briscoe should win the runoff election and we believe he will if enough people get out and vote. We believe that the Barnes and Smith supporters were just that, supporters of their candidates, and not enemies of Dolph Briscoe. The issue is clear cut now between the conservative Briscoe and the liberal Farenthold and it remains to be seen which one will head up the government in Texas. Mrs. Farenthold has not played up her liberal views, concentrating more upon her role of a reformer instead of a liberal politician. She is cast more in the pattern of Bill Hobby, the lieutenant governor candidate who is on record as favoring forced busing of school children, a corporate income tax, private use and possession of marijuana without penalty, and other views that endear him to college students and adult liberals but don't go over so well in most parts of conservative Texas.

Harold Hudson, Perryton Herald

CHEMISTRY TEACHERS IN CONTEST

Mr. Frank Butcher, Spearman High School chemistry teacher for the past several years, won third place among State teachers nominated for the Outstanding High School Chemistry Teacher award contest.

Jimmy E. Walters of Clear Creek High School in League City was named the 1972 winner of the award sponsored jointly by Texas Chemical Council and Manufacturing Chemists Association.

Walters was selected in very close competition with 18 other outstanding chemistry teachers throughout the state.

Mrs. Anna Marie Bridges, Eastern Illinois High School of Fort Worth was named second place, with Mr. Butcher third.

Memorial Day visitors in the home of Mr. and Mrs. Donald Denham were Mr. and Mrs. Lowell McBroom of Amarillo, sister of Mrs. Denham.

2nd Primary Set For Saturday

Tuesday was the final day for absentee voting in the June 3 run-off election and 27 absentee ballots were cast at the clerk's office in the courthouse. These were all democrats; no republican ballots had been received at the office as of Tuesday, the deadline.

County-wide, voters in Precinct one (Spearman area) will decide between Marcus Lason or Joe Day for County Commissioner, Precinct One. The winner of Saturday's election will have his name placed on the general election ballot where he will be pitted against Junior Lusby, a candidate on the Republican ticket.

Another county run-off in Precinct two (Renner Ranch area) is to decide between Charles Brillhart and Max Clawson for democratic chairman of that precinct.

State-wide, the ballot for June 3 election feature run-off elections between Barefoot Sanders and Ralph W. Yarborough for U.S. Senator. Dolph Briscoe and Mrs. Farenthold for Governor. Wayne W. Connally and Bill Hobby for Lieut. Governor. Robert S. Calvert and James (Jim) Wilson for Comptroller of Public Accounts.

No republican ballot was available at press time, so it is not known who run-off candidates will be in that party.

Polls open at 7 a.m. and close at 7 p.m.

Hansford county polling places, listing election judges for each, are listed as follows: Precinct 1--court house, Emmett Sanders. Precinct 2--Renner Ranch, Mrs. Saltzman. Precinct 3--Gruver Elevator, Roy Riley. Precinct 4--Gruver Junior High School, E.J. Riley. Precinct 7--Oslo Church, W.L. Johnson. Precinct 9--Morse community building, Willard McCloy. Precinct 10--Spearman Junior High School, J.L. Brock.

Under Texas election law, those who voted in the May 6 primary are reminded that they MAY NOT change parties to vote in the runoff election set for Saturday, June 3.

Spearman Boys Win Rodeo Trophy

The first annual Spearman High School Rodeo performed at the local Rodeo arena last weekend was delayed due to rains and concluded Sunday afternoon.

Monica Richardson of Hereford and Buster Record of Dumas took the two All-Around awards and were presented with beautiful handmade saddles. Belt buckles were presented to winners in each event.

Spearman boys won the Team Trophy. It was their first and proudly they placed it in the trophy case at SHS, Clayton, N.M. girls won the team trophy in that group.

The top 15 participants in each group will compete in Dalhart this next weekend in the finals for the year's Tri-State High School Rodeo association. This rodeo will end the year for the various area clubs.

A new year begins in August, with Happy scheduled to host the first rodeo.

Results for the weekend performance are as follows:

BOYS:

Bareback Riding--1. Monica Richardson, Hereford, 18.2; Lavonda Nolan, Dalhart, Cindy Horton, Fampa.

Break-Away Roping--Carla Johnson, Boise City, Okla.

Goat Tying--Owida Crites, Clayton; Monica Richardson, Hereford; Carmen Lewis, Clayton.

Pole Bending--Owida Crites, Carla Johnson, Boise City; and Monica Richardson.

All Around Cow Girl--Monica Richardson with 15 1/2 points; Owida Crites of Clayton with 15 and Carla Johnson of Boise City with 11.

Clayton girls won the team trophy.

Accident

Two Gruver youth and a Spearman girl miraculously escaped injury in a two-car head on crash early Saturday morning.

The accident happened between Ceiling and Vici, Okla. about 9:40 a.m. Bart Thoreson, driver of a pickup pulling a double-horse trailer with horses, was in the process of passing another car when he met an on-coming vehicle. Both drivers pulled to the bar ditch and hit head on.

Passengers in the pickup with Thoreson were Wanda Greene, daughter of Mr. and Mrs. Everett Greene of Spearman and her cousin Monte Cluck of Gruver.

Both vehicles were demolished, but the passengers were not injured. Miss Greene received a cut on her leg which required stitches to close.

The young people were on their way to Tulsa, Okla. to a roping school. Other friends were traveling in front of the Thoreson pickup. Bart and Monte continued on to Tulsa with them. Miss Greene returned home after being treated in a Woodward, Okla. hospital. One passenger in the other vehicle involved in the wreck was also hospitalized in Woodward.

The trailer hauling the horses turned over and was bent so badly that it had to be torn apart to free the animals, which were not injured.

Police Seek Vandals

Two reports of vandalism, one prowler report and several vehicle accidents have been investigated by the Spearman Police department recently.

Last week someone broke into the concession stand at the Little League baseball park and poured coles, salt and snow-cone syrup all over the place.

The past weekend rock-throwers worked over the windows which connect the Spearman Junior high and grade school buildings. Some of the rocks were good sized ones, as they broke out double-strength glass over the doors. Several windows were broken.

Mrs. Ira Tindell, 814 S. Dressen street, reported to City Police that her home had been prowled through. Entrance had been gained by pulling the screen from a kitchen window. She could find nothing missing.

Vehicle accidents the past week in Spearman were as follows:

May 19--at Cotter & 11th streets. A 1961 Olds driven by Lynn Pierce and a 1969 Buick driven by Sheryl Meek. Extensive damage. No injuries.

May 20--at the shopping center parking lot. 1971 Chevrolet driven by Ladd Gafford and a 1965 Chevrolet driven by Jerry Roy Lee. Minor damage. No injury.

May 23--in the 500 block of South Brandt. A 1967 Ford, driven by Timothy Wisdom, jumped the curb and hit the large trash container. No injury. Minor damage.

May 26--at Gibner & 7th streets. A 1969 Pontiac driven by Robert D. Smith, 1121 S. Archer, hit a parked 1966 Chevy truck owned by R. E. Martin, 701 Gibner Drive. Smith's vehicle received extensive damage. No injury.

May 29--at 5th & Highway 207. A 1971 Chevy driven by Coy F. Winder of Gruver, and a 1970 Honda motorcycle driven by Kenneth Brown. No injuries.

CHECKING ON WORK PROGRESS at the Spearman Swimming Pool Tuesday were L to R: Tracy Vernon, Stacey and Gary Thomas. The youngsters were told by pool manager Coach Allen Simpson, that the pool would open some time this week if his crew got through with the painting and repair work which is required each year before the pool can open to the public.

It Did Rain!

The past two weeks parts drought-stricken Panhandle have been receiving soaking rains. The Spearman area, however, had been completely dry of the rainfall, until Saturday.

Rains finally came. Saturday night the city received 0.75 of an inch and Sunday night clouds dumped 0.85 of an inch. This May's total moisture to date is 0.39 of an inch, less than recorded here early in the month, plus another 0.25 on the 26th.

Leaves May in the dry as this month is usually which the weather man forecasts. It is not unusual for Spearman to record from 3 to 7 inches rainfall. But the two-inch measurement does make our rain look better--as the first months of this year were the driest since 1963 when January-April rainfall totaled 2.97.

Look at the rainfall chart clear back to the year 1880. Only 4 years show small amounts of moisture for the four months than does 1880, Jan.-April recording 0.45 of an inch, but in 1848 inches fell.

1948 was the next driest, with for the first 4 months, with showers leaving 2.88 inches.

More years pass before the year 1933 recording 2.08 from Jan. thru April. That year we received 2.08 inches.

Driest year on record was when only 7.86 inches was recorded for the entire year.

Jan.-April moisture 1.18.

Moisture for the first 4 months was only 0.97 of an inch in May a whopping 7.15 inches was recorded. That year with a total of only 0.97 inches, some eight inches above the average.

1948 days in May saw the dry climb to 92 degrees--the lowest for the season so far. The low for the month was 74 degrees on May 1st.

May's rainfall, Spearman had recorded only 0.25 inches Jan.-April.

Austin News Man Worked on Reporter

AUSTIN--Secretary of State Iloab Bullock said Friday that the editor of the Austin American-Statesman "executed a politically motivated hatchet job that threatens the basic tenets of freedom of the press with the firing of its Capitol Bureau Chief, Glen Castlebury."

"It is tragic that Austin has only one daily newspaper, but it is even more tragic that the editor of the Austin American-Statesman would summarily dismiss one of its most competent reporter-columnists for purely political reasons."

"Glen Castlebury was fired because he attempted to do his job--write factually and honestly about the candidates and the current elections. Because the facts, as reported by Castlebury, did not conform with the political endorsements of Sam Wood, Editor of the Austin American-Statesman, he was fired."

"Apparently Sam Wood would do anything, including censoring reporters to see that his hand picked candidates, from the Courthouse to the Governor's Mansion, receive only favorable publicity."

"This is no way to run a newspaper. But then again, few knowledgeable people have accused this sad rag of being a newspaper or Sam Wood of being an enlightened editor."

"I have not always agreed with Castlebury's opinions, but when he has written opinion, it has been confined to his weekly column. He has refused to be muzzled and to disguise editorials for certain of the management's sacred cow candidates as new stories and rightly so."

"It is difficult to understand how Mr. Wood who through the course of his unimpressive career has free-loaded hunting trips and the like from the state's top politicians can criticize a report for bias on one hand and maintain there is still freedom of the press."

"Because of Sam Wood, Austin is suffering a blackout of the same magnitude that New York City suffered not long ago only for different reasons. The blackout in New York was a power failure. The news blackout in Austin is a Sam Wood power play."

"It is unfortunate that the Austin newspaper's absentee landlords are so out of touch with the realities of state government that they are all embarrassed by accurate reporting."

(Editor's note: Glen Castlebury, a Perryton man, was employed for a time with the Spearman Reporter before moving to Austin to further his journalism career.

Mr. and Mrs. Lynn Kemper spent the weekend in Memphis visiting her parents Mr. and Mrs. Floy Anthony and attending a wedding of a friend.

Gunshot Victim Listed as Good

A 12 year old Gruver girl is in good condition in Dumas Memorial Hospital this week after being shot accidentally Sunday morning during target practice.

Joyce Renee Stipe was shot in the stomach about 10 a.m. when she stepped in front of her brother, Raymond, 19, while the two were target practicing near the Dean Cluck Feedlots southwest of Gruver.

She was taken to Dumas by her parents Mr. and Mrs. Jess Stipe, where she underwent surgery.

According to a friend, young Stipe was reloading the .22 caliber pistol when the accident occurred.

HANSFORD CO. BOND SALES

During April there were new purchases of Series E and H United States Savings Bonds amounting to \$2,162,000, according to Mr. C.A. Gibner, Chairman of the Hansford County Savings Bonds Committee. Sales for the first four months of 1972 totaled \$30,664,000--44 per cent of the 1972 goal of \$70,000,000.

Texas sales during the month were \$17,331,291--while year-to-date purchases totaled \$74,258,429 for 37 per cent of the 1972 goal of \$203.2 Million.

National sales of E and H Savings Bonds amounting to \$502 Million were reported for April--8.4 per cent above 1971 sales of \$463 million. Sales for the four-month period totaled \$2,142 Million--40 per cent of the National goal of \$5.3 Billion.

Mike Cudd Hospitalized

Mike Cudd, 19 year old son of Mr. and Mrs. Gene Cudd of Spearman, was injured in a pickup accident at 7 p.m. Thursday evening. The accident happened just North of Farnsworth. Mike suffered the loss of 5 teeth and received a bad bruise in the face, but suffered no broken bones or major injuries. Gene Cudd, father of Mike, said that he was able to talk some Monday evening and that much of the swelling in his jaw and mouth had just about disappeared. Everyone wishes Mike a speedy recovery. He was rushed to the Perryton hospital after the accident. Witnesses stated that Mike failed to negotiate a curve, causing the accident.

Rebekahs Plan Rummage Sale

The Rebekahs met Thursday, May 25 at 8 p.m. at the lodge. The meeting was called to order by Noble Grand Rose Cummings, Pro Tem and Vice-Grand Dorothy Longley, Pro Tem.

During the business meeting, a rummage sale was discussed. The date will be announced later.

Refreshments were served by Jo Ann Weaver. Hostesses for June will be Deanna Kenney and Thelma Kenney.

Ben Konis To Conduct Art Workshop Here

ARTIST BEN KONIS--in his Amarillo studio working on one of his many portraits of ancient Indian Chieftains.

Ben Konis, a well known artist with studios in Amarillo, will be in Spearman June 20 through 24 for a series of workshop lessons in oils and pastels.

Konis, recently relocated in the Southwest area from New York City, offers both the advanced and beginning student new insights into painting. His exciting compositions are alive with vivid color, pattern, light and texture, and his rare teaching skills impart that knowledge to the student.

The workshop sessions will consist of portraiture and figure painting from the live model, still life, and outdoor landscape. Mr. Konis will give demonstrations that detail for the student the importance of draftsmanship, color, knowledge and technique in the application of oil and pastel media.

He teaches during the year at

his studio in Amarillo, and various towns throughout the Panhandle. Konis also holds one-week workshops in the area. He is much in demand for demonstrations exhibiting his impressionistic approach in portraiture and landscape.

A teacher studied in New York City at the Arts Student League, the Catan-Rose Institute of Fine Arts and at the New School for Social Research. A member of the Artists of the Southwest, Equity Artists, the Salmagunde Club and the Texas and New Mexico Fine Arts Associations, he has many prizes to his credit both locally and in New York.

Ben gives each student individual attention to his classes.

For more information on the upcoming class, call Ruth Bryan, 659-2337. Classes will be held daily from 9-12 a.m. and from 1-4 p.m. in the Spearman Library art room June 20-24.

build, beard, voice, etc.) and aggression. Utilizing rhesus monkeys. Previous studies have suggested that there is a relationship, but no clear cause-and-effect tie has been proved. Some scientists feel that there may be a reciprocal or two-way relationship between aggressive social behavior and testosterone secretion. It is possible, they say, that testosterone may be inhibited, at least in lower animals, by the stress of living in social groups. This diminished level of testosterone could, in turn, result in decreased aggressive behavior. These and other theories will be tested in the new study; and the work will add useful information to our growing storehouse of knowledge about violent behavior and aggression.

Studying Aggression

Despite all of medical science's advances, one of the areas in which we have far too great a chasm of ignorance is that of aggression. In recent years, we have begun to study it and to accumulate many bits and pieces of information. Although not always of great importance in themselves, they are significant in that they advance, even if very slightly, our bases of scientific understanding—and make possible new studies that could not be carried on without these bases to take off from. Such is the case in the field of information about, on the one hand, male sex hormones and, on the other, aggression. We now know enough to be able to design a valid inquiry seeking to answer a number of important questions. For example, do increased levels of sex hormones in males lead to more aggressive behavior and higher social rank? Are hormones responsible for the aggressive surge to the top? Or do increased hormone levels reflect social rank and aggressive activity? In a new study supported by the Health Services and Mental Health Administration's National Institute of Mental Health, scientists of Boston University and the Yerkes Regional Primate Center will probe into questions like these in a series of animal studies that they expect will bring information useful to human behavior studies as well as basic research. The scientists will study the relationship between testosterone, the hormone responsible for male secondary sex characteristics (such as body

Highlights from the State Capitol

AUSTIN, Tex.--The long-awaited special finance session of the Texas Legislature has been called for 10 a.m. June 14. Gov. Preston Smith issued the official proclamation last week, stating repeatedly he plans to present a 1973 budget which will require no new taxes. The governor, who has implied he would veto a tax bill, said he does not think lawmakers can pass one without his placing the subject of revenue on the special session agenda. Under the proclamation, Smith will allow legislators to consider "such other subjects as the governor may submit from time to time." However, he made clear he does not plan to open the call to any other business until the 1973 budget--financing state operations from Sept. 1, 1972-August 31, 1973--is finally passed. Smith vetoed all 1973 fiscal year appropriations adopted by the legislature during the 1971 regular session. In anticipation of more federal aid (that never was received), the legislature did not enact a 1973 welfare budget--which made a special session inevitable even without the governor's veto. A proposed state officials' code of ethics and a recommendation for repeal of a controversial new trailer brake law are among items to be offered the special session for action after passage of the appropriations act. There is some speculation Smith may try to avoid the need for new taxes by proposing a welfare program finance act covering less than a full fiscal year. This would leave the balance of 1973 welfare appropriations as emergency business for the regular session next year. COURTS SPEAK--The State Supreme Court dismissed the appeal of a Dallas man who sought a reduction of the \$250,000 fee awarded his ex-wife's attorneys in a divorce action. The High Court upheld a Houston court of civil appeals finding that high fees collected by a woman in an insurance case were the result of the insurance company's prolonging litigation. National Life Insurance Company protested that legal fees ran five times as much as the insured collected. In another case, the Supreme Court agreed that the state was immune from damages after a blind San Antonio boy drowned in a Texas State School for the Blind pool.

Let's put government into hands we can depend on

When scandal rocks our state government, as it has for more than a year, it is time for Texans to take the reins of government and place them once again into the hands of an honest, capable man. This is a time when Texans need a man to believe in. A man like Dolph Briscoe. His successful experience in business and agriculture, his work in government to provide farm-to-market roads and to eliminate the screwworm have proven him a man Texans can depend on when solutions are needed. His unquestioned reputation for honesty and integrity stand him head and shoulders above his opponents. Never has Texas been offered such unacceptable candidates for the office of governor. And never has Texas so urgently needed a man like Dolph Briscoe. May 6, elect Dolph Briscoe governor.

elect DOLPH BRISCOE governor

High school students on way to state

Several Spearman High School boys and girls are planning for their trip to Boys and Girls state, in the near future. The Boys State will be held June 7th, thru 13th and Girls State at a later date. Local students attending this year are: Doug Porter, Steve Reed, Joel Watson and Scott Vernon. Going to Girls State this year are Gene Porter and Leann Shieldknight.

The objective of the Boys state is to "educate our youth in the duties, privileges, rights, and responsibilities of American citizenship." It is wholly a plan for training in the practical aspects of government. It is functional in that applications of the principles of democratic government are made in every way possible. The Constitution and the Statutes of the State of Texas are the patterns from which the fundamental law of the American Legion Boys State has been developed. Boys State should be thought of as being a mythical 51st State with a constitution, statutes,

and ordinances constructed by its citizens to govern themselves.

Citizens of Boys State not only will be required to review knowledge already acquired concerning the political machinery of a commonwealth, but they will find themselves performing exactly the same functions as real officeholders in the everyday world. In Boys State, citizens organize their own city, county and state governments. They choose their own officials in accordance with regular election procedures. They learn the duties of the various city, county, and state officers. They introduce and argue their own bills in a legislature. Justice is administered by their own law enforcement agencies and courts. In Boys State, the young citizen has the opportunity to learn for himself that his government is just what he makes it. Here each boy "LEARNS TO DO BY DOING."

The purpose of American

Legion Auxiliary Bluebonnet Girls State is to educate our young women in the duties, privileges, rights and responsibilities of American citizenship. Its purpose is to awaken within the youth of our nation a sincere conviction that a well-informed, intelligent, participating citizenry is most vitally needed to protect and preserve our American institutions, our American democracy. It is a mythical 51st State where, for a period the citizens of Girls State organize their own city, county and state governments. They choose their own officials in accordance with regular election procedures. They learn the duties of the various city, county and state officers. They introduce and debate their own bills in a legislature. Justice is administered by their own law enforcement agencies and courts. In Girls State the young citizens "learn by doing."

your free how to do it books. This year we also have a pressure cooker tester thermometer you may check out to test your cooker prior to use. This can mean the difference between good preserving and some that spoils. A small fee will be charged for the use of the tester thermometer. Call or come by the office for assistance.

SWIMMING POOL FUNDS RECEIVED

AUSTIN--A \$280,400 development project for the Thomas Park Swimming Pool in Carrollton has been announced by Gov. Preston Smith. The Bureau of Outdoor Recreation and the City of Carrollton each will pay 50 percent of the project's cost. The development will include design, layout and construction of a swimming pool, wading pool, bathhouse with restroom and concession area, driveway, parking area, lighting, fencing, landscaping and necessary utilities.

A \$175,000 development project for a swimming pool filter system in San Antonio has been announced by Gov. Preston Smith. The Bureau of Outdoor Recreation and the City of San Antonio will each pay 50 percent of the project's cost. Development will include design, layout and construction of water filtering systems for three existing swimming pools, Roosevelt Pool, Central Pool and Concepcion Pool.

news from your HOME DEMONSTRATION AGENT

by Nelle Evans

In the past week numerous persons have asked me about cooking utensils. These were prompted by false statements made by salesmen. So you will know the facts I'll share the questions with you. Is it true that coming ware flakes off pieces of glass into the food each time it is used? No. Coming ware is safe for use and usually does not flake off even when broken. If broken during ordinary use it will be replaced by the company if returned to the store where purchased. Is food cooked in aluminum poisonous? No. Sometimes a vessel

will have a lighter area where food is cooked. This is due to the food containing acid but it is not harmful. The other question concerned the safety of foods cooked in iron skillets. Iron skillets are perfectly safe to use.

Before purchasing any new cooking utensils you should consider the advantages and disadvantages of each type of material. We have this information and would be glad to share it with you. Price is not necessarily a good guide.

Especially in the summer when the danger of food poisoning is greater we need to be sure utensils are clear before use. Remind youngsters to wash their hands before helping you cook.

For safety keep hot foods hot (over 140 degrees F) and cold food cold (40 degrees F) until they are served. Refrigerate leftovers immediately after a meal. When taking potato salad, custard pies, etc. on a picnic surround with ice to keep cold until served. If fried chicken is on your picnic menu be sure it is completely cooked.

Take advantage of the abundance of fresh fruit and vegetables for summer salads. Fruit makes an excellent dessert at home or for a picnic. For some excellent salad recipes come by the office and get our salad bulletin. This is for sale item and 30¢ per copy but it contains some excellent recipes.

If you'll be freezing or canning or making jelly, etc. this summer come by now and get

Pioneer Manor Party Planned for June 9

Management and personnel at Pioneer Manor Home is planning a party for residents of the home for Friday, June 9. The party is planned for 7 p. m. on the back-yard cook out is planned for 7 p. m. on the date. A spokesman at Pioneer Manor said "we will cook burgers, hot dogs, serve

home made ice cream and we hope the general public will make it a point to come out and join the fun." She said plenty of food will be available for everyone--- children and adults alike. The spokesman said this party will afford an occasion for the townspeople to come

out to the Manor and visit with the residents there. "These people out here get lonesome, and need visitors so badly," she stated. Twenty-seven persons reside at Pioneer Manor and all are looking forward to the June 9 back-yard patio party being staged in their honor, and for their benefit.

Roping Event June 3 and 4 in Perryton

Entries have received from 27 of the world's top ropers for the "World's Most Unique Roping Event" scheduled at Fairgrounds Rodeo Arena in Perryton. The list of entries is headed by Olin Young of Peralta, who won the World Roping title at the National Finals Rodeo in Pahrump, Nev., last fall. The event is unique because

each roper will tie down two steers and two calves on each of the two days of the event. Usually the steer ropers stick to one or the other event. Other top ropers entered in the contest are Walt Arnold of Silverton, Texas, who was runner-up for the National Title last year; and former champions Sonny Davis of Kenna, N.M., and Ronny Sewalt of Chico, Texas. The roper coming the longest distance is Nick Harris of Gillette, Wyoming. The roping contest will be held at 7:30 p.m. Saturday, June 3 and at 2 p.m. Sunday afternoon, June 4.

holt news

of Great Falls, Montana were Friday night guests of her mother, Mr. and Mrs. Raymond Kirk. Barton finished college at Great Falls so they were moving to Oklahoma City where he will enter law school in the fall.

The Doug Moores will be leaving Thursday for New York City. Friday night they will leave on the Queen Elizabeth II ship for Manchester, England. Doug will be stationed there for four years to work in the field of Christian Navigators.

DEVELOPMENT DIRECTOR FOR TECH MED SCHOOL

Lubbock--W.B. (Dub) Harris Jr., of Lubbock has been appointed director of development for the Texas Tech University School of Medicine. Harris, who will work closely with directors of the Texas Tech University Medical School Foundation, is to assume his new duties June 1, according to John A. Buessele, M.D., vice president for health affairs and dean of the medical school. A 1952 graduate of Texas Tech, Harris comes to the Texas Tech University School of Medicine from Methodist Hospital of Lubbock where he served as director of development for the past six years. Harris has lived and worked

in the West Texas area since 1949. A World War II Air Force veteran, Harris is a native of Morganfield, Ky. He is an active layman in the Northwest Texas Conference of the United Methodist Church. In 1967, he helped organize and served as the first president of the National Association for Hospital Development. In addition, he was a charter member and served on the board of directors of the Texas Society of Hospital Public Relations Directors, and is a member of the American Society of Hospital Public Relations Directors.

Mr. and Mrs. Mansel Bryan of Stephenville, Texas are here for a few days visit with his parents the Joe Dan Bryans. Weekend visitors in that home also included Joe Dan's father Mr. and Mrs. D.B. Bryan and James of Lubbock.

Next Friday, June 2 we are expecting 4000 Cattle & Calves. Cattle were shipped from here this week by Buyers to Colorado, Nebraska, Iowa, Illinois, Kansas, Okla., Texas and New Mexico.
Sincerely, Cliff Augustine

Farm Loans

The Administration released \$37 million in farm operating loan funds last week, making available the full \$350 million appropriated for fiscal year 1972. This funding puts the farm operating loan program at an all-time high level. Two other programs are also at record levels--the farm ownership loan program with \$350 million available and the emergency loan program with \$140 million. The new farm operating loan funds will be available through the Farmers Home Administration county offices and may be used to buy seed, feed, fertilizer, livestock, tractor fuel and other equipment and facilities needed to run a successful farming operation. FHA supplies this credit to family farmers who are unable to obtain conventional credit from regular sources at reasonable rates.

**WORLD'S MOST UNIQUE
ROPING EVENT**

Perryton's Annual Calf & Steer Roping

CARD OF THANKS

May God bless each of you who gave us words of sympathy and prayers and who sent food, flowers, gifts, memorials and cards to our family during the time of the illness and death of our loved one, Mrs. Ora Bagley. We are grateful also to Dr. Stephenson and Mrs. Neta Henry for their care and kindness.

Elva Lee Sheets Hettie Lou Clark Dell Ferguson and grandchildren

We would like to try and express our deep appreciation for the love shown us in the loss of our loved one, May God richly bless each one for the prayers, cards, flowers and food. A special thanks for the ladies who prepared and served the dinner at the church. The family and loved ones of Z.T. Harnish

I wish to take this method to thank my many friends for their kind deeds, cards, calls, visits and flowers while in Northwest Texas Hospital in Amarillo for 3 weeks recovering from a heart attack. Thanks to each of you and may God bless you. Mrs. Grace Patton

We wish to express our grateful thanks for everyone's general concern over our son Dave who was injured in the car wreck. Thanks so much for your prayers, visits, calls, flowers and cards. A special thanks to Dr. Kleeberger and the hospital staff for their expert care and treatment at the time of the accident. The Deacon Clement Family

Let Me See by Sybil...

It will be a little quiet--and several of us will be doing double duty for the next two weeks in the newspaper shop. Our foreman and number ONE hand has gone for his two-week summer training camp with the Army Reserve. Eugene Yarbrough, namely. He will be missed most of all by the members of the Sox Little League baseball team. He is their coach. In his absence, several of the father's will be helping with the coaching duties. This will be Yar's last year with the Army Reserve. He's looking forward to his discharge after six long years.

to other members. Churches were never heated. Some furnished bags made of wolf skins for church attendants to thrust their feet into. Dogs were permitted inside to lie on their masters cold feet. Women and Children carried foot stoves which were little pierced metal boxes that stood on wooden legs and held hot coals. Services were not shortened because the churches were uncomfortable. By the pulpit stood a brass-bound hour glass which was turned by the tithing man. But this did not hasten the closing of the sermon. Sermons three hours long were customary, and prayers from one to two hours in length. When the Church at Woburn was dedicated, the minister preached a sermon nearly 5 hours long! One traveler recorded a prayer 4 hours long. The doors were closed and watched by the tithing man and none could leave the building. Psalm singing lasted half an hour...at least. During the noon intermission the half-frozen church attendants went to a "Sabba-Day house" a building near the meeting house with horse stalls at one end and a great fire of logs at the other. Here they had a noon day lunch of brown bread. The children had to explain aloud the notes they had taken during the sermon in the morning, while adults visited.

Boys were finally separated and families sat in pews together...and all became orderly in meeting. Profanation of the day was severely punished by fine or whipping. Citizens were forbidden to fish, shoot, sail, row, dance, jump, ride (save to and from church) or to perform any work on the farm. Use of tobacco was forbidden near the meeting house. These laws extended from sunset on Saturday to sunset on Sunday. There were many religious faiths--but all enjoined an orderly observance of the Sabbath day...or else!

MARKETS

Table with 2 columns: Grain Name and Price. WHEAT \$1.34, MILO 1.85, CORN 1.27, SOYBEANS 2.80, OATS .70, BARLEY 1.11

Mr. and Mrs. Sam Wysong Jan and Kay spent the weekend in Gainesville with their daughter and her husband, Mr. and Mrs. Greg Bucy.

Sunday School Class Members Enjoyed Social

Members of the T. E. L. Sunday School class of the Baptist Church met in the home of Mrs. Billy Miller for the social occasion after school. Honored guests were Mrs. Bertie Lewis, Mrs. ShS coach Harley Mrs. Lewis suffered a hip last December recuperating from surgery in the local nursing home. Mr. Lewis joined her to the part in her chair.

30 was Mrs. Lewis' day, and members joined her with many birth-anniversaries.

Ethel Bailey presented a program at the gathering and Mrs. Langston presided.

Refreshments were served by Mrs. Lera Langston, Mrs. Wilbanks, Ethel Bailey, Wagon, Lillie Hacker, Stewart, Alma Kizzier, and the hostess, Mrs. Mackie, Bertie Lewis.

G. K. Rupprecht Guest Reviewer

The Senior Book Club met in the home of Mrs. R. E. Lee Tuesday, June 1. A delicious meal was served to those attending and G. K. Rupprecht, who reviewed the book "Footprints in the Park". Reading were Mmes. John Sada Hoskins, Tom Et-

ter, E. J. Copeland, O. C. Holt, and Miss Vera Campbell.

Baptist Women Name Officers

The Baptist Young Women met Wednesday, May 24, in the church parlor with Cheri Garnett serving as hostess. A devotional "What Do Missionaries Do On Vacation" and a scripture reading from Romans 8:1-11 were read by President, Marilyn Plain. The prayer calendar was then read and Regina Moore led the membership in prayer.

Minutes of the previous meeting were read and approved after which Cheri Jarvis gave a report on the Mother's Day Tea. A report on Missions Action was given by Mary Lovett. It was voted by the BYW to elect Maasha Key as honorary missionary for BYW. Mrs. Key and her husband are newly assigned missionaries in Africa. The date July 15 was announced as the day for the summer family social to be held at the Moore's ranch.

Art of Living Is Program Topic

"The Art of Living" a program on Yoga, was presented to members of Rho Rho sorority by Mary Lovett and Charlotte Jackson at the regular meeting Thursday, May 25 in the home of Coda Zschiesche.

During the business meeting, committees for next year were appointed and it was announced that the proposed budget had been approved.

A guest was present, Bonnie Shrode, along with members Charlotte Jackson, Linda Latta, Sheryl Meeke, Joann Vernon, Loretta Cook, Coda Zschiesche, Delma Barnum, Mary Lovett, Linda Venneaman and Verna Strawn.

Mrs Guy Fuller To Host Friday Painting Class

Mmes. P. A. Lyon, Bruce Sheets, Clay Gibner, Guy Fuller, Pope Gibner, Joe Trayler and Ned Turner met last Friday with Deta Blodgett to enjoy an afternoon of china painting.

Crafts Shown By Mrs. Fisher

The last meeting of the year was held for Xi Zeta sorority Thursday May 25 in the home of the new president, Karen Countiss.

The chapter's girl at Girls Town and possible summer activities for the club were discussed and the members were reminded of the state convention in Amarillo the last of June.

Laurie Hall Is Honored

Mr. and Mrs. Daniel Hall honored their daughter Laurie with a birthday party Thursday, May 25 on her second birthday.

Guests were served white cake trimmed with yellow roses and green trim, pink punch and homemade ice cream. The serving table was laid with a white cloth trimmed in pink, yellow and green and centered with purple peonies and yellow roses.

Attending were Daniel Hall II, Kenneth and Serina Moss, Eddie Hall and Messrs. and Mmes. Rodger Helker, Lee Moss, Boyd Hall of Perryton and Daniel Hall.

Study Group Met Wednesday

Mrs. L. L. Anthony presented the prayer calendar at the meeting of the Baptist Women's Study Group Wednesday, May 24 in the home of Mrs. Fred Holt. The calendar was followed by a prayer led by Mrs. R. H. Gray.

The program "Men Without Motive" was presented by Mrs. Woodville Jarvis.

Mrs. Hiller Is Shower Honoree

A wedding shower held Saturday afternoon in the hospitality room at the First State Bank honored Mrs. Lonnie Hiller, the former Linda Ricketts.

Linda Close Is Luncheon Host

Linda Close was hostess for the Town and Country Home Demonstration Club Tuesday, May 23 in her home.

The club voted to send their girl in Girls Town an allowance. Afterwards, Nelle Evans, Home Demonstration Agent, installed officers for the coming year. They are as follows: President, Nedra Hays, Vice President Jo Reddick, Secretary Phyllis Shedeck, Treasurer, Gwen Younger and Council Delegate, Linda Close.

A delicious luncheon was then served to members present: Linda Close, Louise Hawkins, Nedra Hays, Rita Lesly, Jo Reddick, Phyllis Shedeck and Gwen Younger. The luncheon consisted of charcoal steaks, baked potatoes, salad, desserts and rolls.

Friends Invited To Baby Shower

A baby shower will be held Tuesday, June 6 from 7 to 9 p.m. in the hospitality room of the First State Bank for Anita Smith Ralston. Everyone is invited to attend. No invitations will be sent.

Mr. and Mrs. Eugene Yarbrough and children went to Guymon Friday, where Mr. Yarbrough caught a bus to Ft. Polk, La. for summer camp of the Army Reserves. Then Saturday Mrs. Yarbrough and children visited with her cousins, Mr. and Mrs. Kenneth Ball in Guymon.

Misses Lucy Baskin and Sue Etta Hale of Stratford spent the weekend here in the home of their friend Miss Lana Kemper, and took in the High School Rodeo.

Mrs. Hiller Is Shower Honoree

Mr. and Mrs. Frank Massad spent the long weekend in Ponca City, Okla. visiting Frank's brother, Dr. and Mrs. W. W. Massad and family.

Announcing our new farm program and two big deals to get you to come in and see us.

We have greatly expanded our services to farmers. Here are just two of our new offers to farm customers. Come in and take advantage of one of them. And find out about all the advantages you get when you deal with us.

The Oil Deal.

Stock up on your oil and grease needs and save. Buy a minimum of 60 gallons of oil and grease and you'll get volume discounts.

This offer applies to all quality Gulf oils and greases. That means you can get the newly formulated Gulf Super Duty Motor Oils and Gulfube XHD Motor Oils at real bargain prices. Get All Purpose Farm Grease and Gulflex Greases in 5 gallon pails or the handy cartridge.

The Diesel Deal.

Buy Gulf Diesel Fuel and get a free Purolator filter unit for your storage tank.

This unit filters out moisture that can cause problems in diesel engines.

You get your first filter element free too.

Present Gulf Diesel Fuel customers can stop by anytime and pick up their filter.

FREE TO FARM DIESEL FUEL CUSTOMERS

Come by soon and find out all about our new farm program.
