

Good Reports On Dry Land Wheat

Custom harvest crews and equipment began arriving in Spearman this past week ready to begin the annual gathering of the golden grain which helps fill the nation's bread basket.

Harvest crews will have less acreage to cut in the Texas Panhandle this year. High cattle prices turned the prospective grain crop into forage and a large majority of farmers either pastured the wheat crop or banded it for feeding purposes. Green banded wheat brought as much as \$35 per ton; which is probably more money for the farmer's pocket than the grain crop would have been.

A check with Spearman elevator men Tuesday revealed an unbelievable story concerning dryland grain which began to trickle into storage units the past weekend.

McClellan Grain, Equity Elevators, Speartex Grain and Palo Duro Grain elevators have all reported dryland wheat business.

The Equity elevator located in the Holt community south of Spearman had received over 80 loads as of Tuesday noon. All this grain was testing 60 lbs. and better, which means wheat heads had filled extremely well, despite the drought stress.

Equity Elevators of Spearman reported a few loads of dryland wheat, and the first load of irrigated wheat Tuesday. The irrigated grain belonged to Jack Reed, and was testing 13.40 moisture.

McClellan Grain Company had received 23 loads by Tuesday noon. This was also dryland wheat, with an extremely good test weight-60 and better.

The same story came from Speartex Grain Co. with dryland wheat received there testing 60 lbs. and better.

Palo Duro Grain Co. reported running lots of moisture tests for farmers anxious to get combines rolling.

Not enough dryland wheat has been cut to estimate yields as yet, but grain men are all surprised over the way it is turning out. This trend, barring weather interference, is expected to hold up throughout harvest.

Indications are that by late next week, much of the irrigated fields across the county will be ready for cutters.

Ben Yonda, a Yukon, Okla. resident who farms south and east of Spearman, delivered the first load of wheat this year, Equity Elevators at Spearman received the dryland wheat Friday morning, June 2.

Cecil Patton delivered the first load of grain to McClellan

Grain Saturday afternoon about 5 p.m. June 3. Peak wheat harvest activity is about seven to 10 days away.

rites Mon. For Prominent Gruver Man

Funeral services for Harley Patrick Alexander, 73, a longtime Gruver farmer-stockman, were held at 10 a.m. Monday in the Gruver Methodist Church. Mr. Alexander died Saturday in High Plains Hospital in Amarillo.

The Rev. James Price, pastor, officiated. Burial was in Gruver Cemetery directed by Boxwell Brothers funeral home of Spearman.

Mr. Alexander, born in Wilbarger County, had been a Gruver resident for 50 years. He was a Mason, a member of the First United Methodist Church, and the Lions Club.

Surviving are his wife, Maude of Gruver; two daughters, Mrs. Frances Murrell of Gruver and Mrs. Mary Long of Guymon, Okla.; a brother, Robert of Gruver; two sisters Mrs. Pearl Miles of San Antonio and Mrs. Eva Holt of Gruver.

GATLIN FUNERAL HELD IN PAMPA

Funeral services for Glen E. "Dusty" Gatlin, 65, of Albuquerque, N.M. were held May 25 in Carmichael-Whartley Colonial Chapel in Pampa, Tex. Burial was in Miami Cemetery.

Mr. Gatlin died May 23 in the Veterans Hospital in Albuquerque.

A native of Gray County and a veteran of WWII, he had lived in Albuquerque the past 10 years.

Survivors include three brothers, Floyd R. of Alarreed, Carl of Abilene and Charlie Gatlin Jr. of Mobeetie and one sister Mrs. Corbie Russell of Spearman.

CARL ARCHER IN NEW OFFICE

Carl Archer and his office staff are now located in new quarters at his Speartex Grain Company, on the Gruver highway.

Carl moved his office out to his grain company just recently and may be contacted via telephone 659-2521.

Where the Action is

Last week was a very busy week in the Hansford County Sheriff's office. Sheriff J.B. Cooke and his department were spread pretty thin for several days.

Deputy Phillips was on assignment as bailiff to District Judge Boyer during the regular session of the 84th District Court.

Deputy Tom Messer, who is also jailor, was assigned to take all incoming calls to the department.

Communications officer, Mrs. Bodil Hutchison, was to remain on her regular assignment answering the constant ringing of the phone, manning the teletype machine, the police radio and relaying all messages to the proper authorities.

Sheriff Cooke says it is of utmost importance to the people of Hansford County that his deputies be well trained and well organized.

The Sheriff was to leave early Wednesday morning for Wichita Falls, Texas, where he hoped to head up an investigation there to recover saddles and bridles and other such gear stolen last October from Doyle Barkley of Gruver. The Sheriff said he had a hot lead and there was a time element.

But before he could get off, Sheriff Cooke was notified that five business houses in Gruver had been burglarized. He immediately called Deputy Messer and went to Gruver where an intensive investigation was begun. Deputy Orville Walker was summoned to assist.

After several hours Sheriff Cooke proceeded to Wichita Falls. He spent the remainder of the day there and recovered approximately \$500.00 of the Barkley gear and is hopeful that more of it will be recovered. The suspect is still under investigation.

When Sheriff Cooke had completed his work there, he went to Burnet, Texas, 40 miles north of Austin, and picked up a prisoner, Alph Teague, charged with forging checks on Hunt Fertilizer Company of Gruver. He returned with the prisoner Thursday night.

He was needed in District Court--the Gruver burglaries were hanging fire--robbery

suspect at Wichita Falls--forgery prisoner near Austin-- Sheriff Cooke was asked how he was able to accomplish these things under such pressure, and as usual he placed the credit elsewhere. "It is only possible with highly trained and organized personnel, with having a working acquaintance with most officers in the State of Texas, and by never closing a case until it is solved," he said. If the Sheriff's officers were tired, no one mentioned it. The Sheriff and all the deputies were busy working on leads in the Gruver burglaries.

Golf Tourney Sunday

Hansford Golf Club will stage its annual invitational golf tourney this Sunday, June 11 and all local and area golfers are urged to participate.

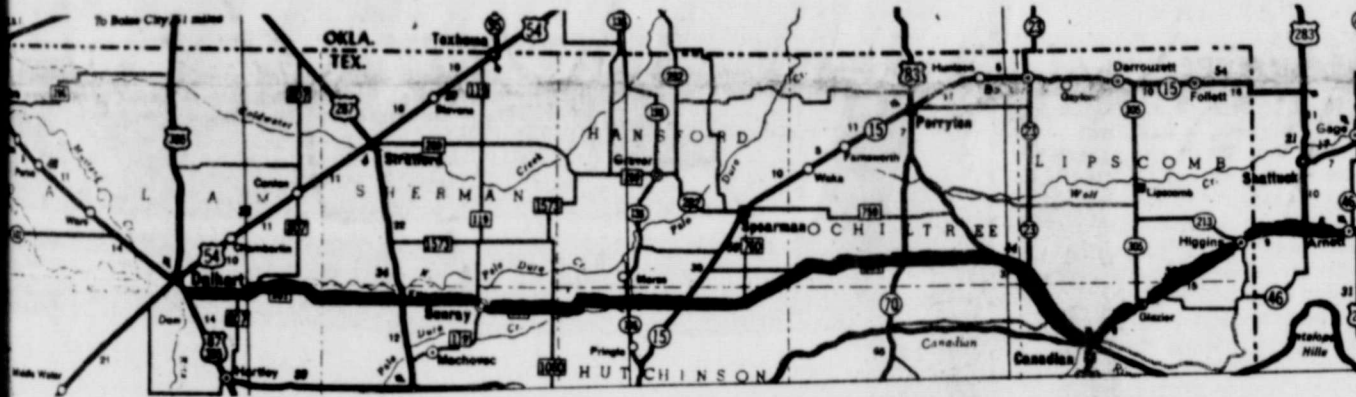

Entry fee is \$6.00 and tee off can be any time until 2 p.m. for the 18-hole play.

Gift certificate prizes will be offered for the first three places in each flight.

Paul Gillispie, tournament chairman, said he was expecting a large number of golfers for the one day tournament.

800 head of feeder steers were driven to the Hansford Feedyards, North of Spearman Wednesday morning, of this week.

NEW STATE ROAD designation of Farm to Market 281 into State Highway 51, would connect the portion of the Texas Panhandle shown on the heavily darkened line (in the above map) and lead directly to the inland water port at Tulsa. CHIB Smith, district highway engineer, said that the change of 105 miles of farm road to SH, tentatively set to cost the state \$4 million, is a long range project. Counties involved will acquire the needed right of way. Only new construction in the northern Panhandle would be a 7-mile stretch in Hansford county to eliminate two right angles and add a brief hook up with Texas 207. The proposed highway is perhaps five to 10 years in the future.

Counties To Provide Right Of Way

The Texas Highway Commission today conditionally approved advance planning for a single-numbered State highway route from the Pampa border westward to Dalhart.

The route had been requested by county officials and members of Hemphill, Lipscomb, Ochiltree, Hansford, Sherman, Moore and Hart counties.

The route would traverse parts of US Highway 60, State Highway 207, Farm to Market Road 281. The commission said the highway number designation would be of benefit to traveling public. How portions of FM 281 do presently meet alignment and right of way standards for designation of a highway.

The commission authorized advance planning to bring matters up to required standards. The action is subject to the condition that the counties, Hansford, Hutchinson, Moore and Hartley will provide all of the way as might be required, clear of obstructions, and free of cost to the state and to participate in the construction of the route as required by the policies for local roads.

That is done, the highway Department will take over for construction and improvements necessary to the facility up to high standards and will designate the route as State Highway 51 after completion. Acceptance of the commission by the counties, the highway Department will proceed with preliminary engineering and preparation of way data. The route will be turned over to

Pastor Returned

Rev. Wesley Daniel was returned for another year as pastor of the First United Methodist Church in Spearman at the annual Conference held last week in Lubbock.

Rev. Daniel will be beginning his eighth year as pastor of the Spearman church, coming here from Seagraves, Tex. This is the longest any pastor has ever served the local church, and is also the longest time Wesley has pastored any church. He said he and his family "are delighted to be able to stay here in Spearman where we love the people and our church very much."

Reverend Milton H. Jochetz and his family have been appointed to the First United Methodist Church of Gruver, coming there from Clarendon.

Rev. Jochetz replaces Rev. James E. Price who has pastored the Gruver church the past 3 years. Price moved to Morton where he will take over pastorate of the United Methodist Church.

Appointments for the Pampa District included the following: Dist. Supt. Ted J. Dotts Jr.; Booker, Lewis Holland; Berger, First Carlton Thompson; Wesley, Royce Womack; Buna-

County Picks Briscoe

Voters Follow State Trend

Hansford County voters used their June 3 ballots to defeat a slate of tarnished Texas governmental incumbents and chose Dolph Briscoe a South Texas cattleman, banker, and millionaire as their gubernatorial candidate.

Briscoe tallied 824 votes across the county and his opponent, an avowed liberal Frances Farenthold, received 247.

Barefoot Sanders defeated his opponent Ralph Yarborough 737 to 321 for the U.S. Senator position.

Robert S. Calvert received 641 votes from Hansford County citizens, defeating James Wilson who tallied 382 votes here.

The only vote Hansford County lost, State-wide was the Lieutenant Governor's race. Local voters favored Wayne Connally 746 over Bill Hobby with 203. But Hobby won in the State and will become the Lt. Governor--with no opposition on the ballot for the general election.

In the County Commissioners race, for Precinct One, Joe Day, who has held the post for 20 years, beat out

Marcus Larson by a slim margin 395 to 261. Day's opponent in the General election in November will be Junior Lusby, on the Republican ballot. Lusby, a heavy machinery business man, is owner of Lusby Cats company of Spearman.

Out in Precinct two, Charles Brillhart with 20 votes, was named Democratic chairman over Max Clawson with 10 votes.

Only 1,075 people in Hansford county saw fit to go to the polls Saturday in the run-off election. The number of voters who cast ballots in each county precinct were as follows:

- Prec. 1, 251
- Prec. 2, 27
- Prec. 3, 35
- Prec. 4, 176
- Prec. 7, 25
- Prec. 9, 32
- Prec. 10, 475
- Absentee votes, 54.

Thirty-four persons voted in the Republican run-off to select a candidate for Governor. 23 voted for Henry C. Grover while 11 people marked the square for Albert B. Fay.

MOVIE RATINGS

Ratings of movies to be shown this month by Parents Magazine:

HOLIDAY DRIVE IN---
THE GROUNDSTAR CONSPIRACY--This intriguing suspense thriller centers on a plot to rob classified information from an experimental nuclear outpost. The government agent has inhumane methods of getting information from his prime suspects. In general the script is not in pace with the plot. A-Fair, Y-Mature, C-No.

PAINT YOUR WAGON--The actors brighten this enjoyable adaption of the Broadway musical. Though children would enjoy the spirited score and frontier vistas, the plot is too risqué. A-Very entertaining, Y-Very mature, C-No.

LOVE STORY--This best seller adaption has the advantage of pretty color photography that the book lacked, and this tear jerker fare is better Hollywood style than in literature. A-Entertaining, Y-Very ma-

ture, C-No.
A GUNFIGHT--Johnny Cash makes an appealing screen debut in this engrossing Western. He plays a retired gunman who arrives in a small Southwestern town where another legendary gunman is now living peacefully with his wife and young son. Though the two gunfighters take an immediate liking to each other, they are forced into a confrontation by the excitement of the townspeople, who are determined to see a shoot-out. A-Very good, Y-Mature, C-No.

LYRIC THEATRE
KOTCH--Kotch is an old man who becomes a burden to his son and daughter-in-law and when they try to commit him to a retirement home for the aged he rebels and runs off on his own. He eventually settles down and befriends an unmarried pregnant teenager. A-Amusing in spots, Y-Mature, C-No.

VANISHING POINT--Korean War veteran, ex-cop, ex-race car driver (Newman) has the background needed for a super anti-establishment hero. For no reason other than a need to "do his thing," he decides to drive from Denver to San Francisco in 15 hours. After buying some "ups" to keep awake, he sets out on the road to his inevitable destruction. From the rock music and deafening roar of the engine, he drives at breathtaking speeds. When the police decide to go after him, a black disc jockey, provides the only entertainment as he broadcasts encouragement and advice to (Newman). The film is as boring as it is pointless. A-Poor, Y-For over 16, C-No.

BILLY JACK--This overly ambitious film attempts to comment on most of the problems facing American youth today. A simple plot--the love of a peace-loving woman for an angry rebel is combined with themes of prejudice, Indian-white relations, ecology, the generation gap, and drugs. The story goes in so many different directions that most of it is lost in the confusion. It is surprising that with a graphic rape scene, three bloody deaths, and a good deal of violence, the MPAA has rated this GP. A-Interesting in spots, Y-No, C-No.

POCKET MONEY--The good actors are wasted in this amateurish feature set in the contemporary west. Newman and Marvin play a pair of nice but not overly bright drifters who

are commissioned to buy some Mexican cattle for a corrupt rodeo entrepreneur. Though it is difficult to discern what the director had in mind, it is clear he did not achieve it. A-Poor, Y-Mature, C-No.

Gladiola Flower Club Met In Novak Home

Meeting Thursday, June 1, in the home of Mrs. Addie Novak was the Gladiola Flower Club. Jo Larson served as hostess.

Roll call was answered by members with "My Favorite Vine". The program was given by Rose Cummings on "Woody Vines".

Members attending were Dorothy Buzzard, Wanda Brown, Rosemary Brown, Estelle Jackson, Betty Jean Davis, Rose Cummings, Margaret Evans and Patty Spoonmore.

W T WOMEN BETTER STUDENTS THAN MEN

Canyon--Once again women at West Texas State University had higher grade point averages for the semester than did men students.

Undergraduate women's grade point average was 1.66 while undergraduate men averaged 1.30 for the recently completed spring semester, the student life office reported. A straight A average would be 3.0.

In a breakdown of social sororities, Chi Omega topped with 1.94 and Alpha Delta Pi was next with 1.74. Zeta Tau Alpha with 1.67 held third place over Delta Zeta with 1.64. The over-all sorority average was 1.75.

The fraternity averages were Sigma Nu, 1.50; Phi Delta Theta, 1.42; Kappa Alpha Order, 1.32; Alpha Tau Omega, 1.22; and Lambda Chi Alpha, 1.14. The over-all fraternity average was 1.32.

The U.S. has been the richest nation in the world since 1910.

LEWIS LLEWELLYN

"Gay" Society?

A few years ago, there were some who referred to our society as a "sick society," while others vehemently insisted that it was not so. But there seems now to be a determined effort to make ours a "gay" society -- or, at least, a society in which homosexuality is completely accepted.

In some places, this effort seems to be succeeding.

In New York City, Mayor John V. Lindsay has issued a directive to all city agencies to eliminate discrimination against homosexuals in hiring for city jobs. The City Council of East Lansing, Mich., has taken similar action.

When 96 delegates from 19 congregations of the United Church of Christ in the San Francisco area met in San Carlos, Calif., recently to consider ordaining William Johnson, an admitted homosexual, 62 of them voted in favor of ordaining him to the ministry. The ordination has been set for June.

Suggestions

Young ministers sometimes have a problem deciding what texts to use for their sermons. Here are a few suggestions:

"Thou shalt not lie with mankind as with womankind: it is abomination. . . . Defile not yourselves in any of these things." (Leviticus 18)

"Professing themselves to be wise, they became fools. . . . For even their women did change the natural use into that which is against nature, and likewise also the men, leaving the natural use of the

woman, burned in their lust one toward another, men with men working that which is unseemly. . . . God gave them over to a reprobate mind, to do those things which are not fitting. . . . who, knowing the judgment of God, that they which commit such things are worthy of death, not only do the same but have pleasure in them that do them." (Rom. 1)

"Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived; neither fornicators. . . nor effeminate, nor abusers of themselves with mankind, nor thieves. . . shall inherit the kingdom of God. . . . Know ye not that your bodies are the members of Christ? . . . Therefore glorify God in your body, and in your spirit, which are God's." (I Corinthians 6)

Perhaps the young minister will also want to preach about the sins of Sodom, and their consequences.

"Incompatible"

But let this be said to the credit of the United Methodist Church. When the Methodists met in general conference in Atlanta in April, it was proposed that they take the position that homosexuals are "persons of sacred worth," but this clause was amended to specify that the practice of homosexuality remains "incompatible with Christian doctrine."

If we ever accept homosexuality as normal, our society may be "gay," but it will definitely be sick.

MENTAL HEALTH, FAMILY AFFAIR

College Station--"Attitudes of the family, particularly the parents, begin molding a child's personality almost immediately after birth," said Dorothy Taylor, Texas

Agricultural Extension specialist in family life education.

"People are often influenced by the atmosphere surrounding them in the first weeks and months of life," Miss Taylor explained. "Personality problems can hatch during these crucial earliest stages."

According to the Texas A&M University specialist, understanding and influencing the development of man's personality problems begins with a close look at his parents.

"Happiness, a universal goal, depends on the parents' own state of mind," Miss Taylor said. "Emotional difficulties between father and mother will destroy the climate of security and love, which children need to develop normally. But if parents are happy, they will bring up happy children."

The family life education specialist pointed out that deeply-felt happiness is mental health. "Men and women who have a sense of well-being, a zest for working and playing and an ability to derive the utmost satisfaction from personal relationships are mentally healthy. And chances are their children will be mentally healthy."

She said that the first step in dealing with early stages of personality problems in families is to help parents become happier. The modern American community offers many resources through which family ties can be strengthened and the home atmosphere can be improved.

"To find these resources, parents must look within their communities and within themselves. They must have a pride in their parenthood, imagination to investigate new ideas, and courage to put these ideas into action."

DAD'S DAY DAZZLER

A favored gift for Father's Day is a gift package that is easily visible and so attractive that it doesn't even need wrapping. Because it is

packaged in Tenite cellulose acetate supplied by Eastman, the package is sturdy and transparent -- plus a real eye-catcher to dazzle dad on his special day.

Pierre Cardin selected Eastman's material for packaging its cologne -- a favored fragrance for men all over the world. The blend of dad-enhancing scents is packaged in slate-gray Tenite acetate and holds the ultra-modern cologne container seemingly suspended in the air.

This 1972 Packaging Design Award winner is designed to delight and complement dad's sense of smell and have him floating on air, as well.

City, School Recreation Kickoff Program Monday

Summer recreation program Monday morning with kickoff scheduled to begin in the high school gymnasium.

The program is co-sponsored by the City of Spearman and the Spearman Independent School District. It will operate Monday through Friday from 10 to 12 each morning. The recreation program is for boys and girls who fall in the age group, last years ages through the 8th grade. The program is FREE.

Anyone can enroll any time. Registration for the June 12 registration. All they have to do is go to the high school cafeteria morning before 10.

Dan Truelove is the coordinator this year and is in charge of boys' activities.

Truelove will be directing girls activities. Both will be in the program by high school students. Summer recreation will be June 12 through July 14. Activities will include swimming, tennis, badminton, volleyball, basketball, flag football, gymnastics, weight lifting, and other activities.

A back-yard cook out is being planned for 7 p.m. on that date. A spokesman at the Manor said "we will cook hamburgers, hot dogs, serve home made ice cream and we hope the general public will make it a point to come out and join the fun." She said plenty of food will be available for everyone--children and adults alike.

Truelove said the objective of the program is to provide a place for youth to come together in sports and physical activities, conditioning of the youth, and give the youth of Spearman something to do during summer under supervised supervision.

Children, in the proper groups, are invited to be in the high school cafeteria from 9:30 a.m. Monday, June 12.

Mr. and Mrs. Terry Gray returned from their vacation and are visiting in the home of her mother, Mr. and Mrs. Gus Gray. They intend to make a home in Midland, Texas.

As the fly and mosquito season approaches every effort should be made to control these pests. As City Health Officer, I encourage everyone to make a special effort to see that the lid on the trash container in your alley is always closed when not in use. I feel that this will do a great deal to control flies, mosquitoes, and other insects that can and do cause disease. This is a problem for everyone, and again I encourage everyone to help keep Spearman as free from these problems as possible.
S/ R.L. Kleeberger, M.D.
City Health Officer

Manor Party Planned

The management and personnel at Pioneer Manor Nursing Home is planning a "party" for residents of the home for Friday, June 9. Everyone is urged to attend. A back-yard cook out is being planned for 7 p.m. on that date. A spokesman at the Manor said "we will cook hamburgers, hot dogs, serve home made ice cream and we hope the general public will make it a point to come out and join the fun." She said plenty of food will be available for everyone--children and adults alike.

STORE BUILDING BEING REMODELED FOR LAUNDRY

Raymond Sparks has bought the Cates grocery store building and is remodeling it throughout. Raymond owns two laundries in Spearman, one on Hancock street and the other on Davis street. The one on Davis street, will be moved into the Cates store building as soon as remodeling work is completed.

Ann. William Hutton Completes Course

BILOXI, Miss.--Airman William K. Hutton, son of Mr. and Mrs. W.F. Hutton of 521 E. Kenneth, Spearman, Tex., has graduated at Keesler AFB, Miss., from the U.S. Air Force space control and warning systems specialist course conducted by the Air Training Command. The airman, who learned to operate electronic consoles used in space tracking and control systems, is being assigned to Luke AFB, Ariz., for duty with a unit of the Aerospace Defense Command which protects the U.S. against hostile aircraft and missiles. Airman Hutton is a 1971 graduate of Spearman High School.

Mrs. C.W. Stowell of Pampa, the former Faye Kirk, is in High Plains Baptist hospital in Amarillo recuperating nicely from brain surgery. She is the sister of DeIon, Herbert, Raymond and Buster Kirk of Spearman.

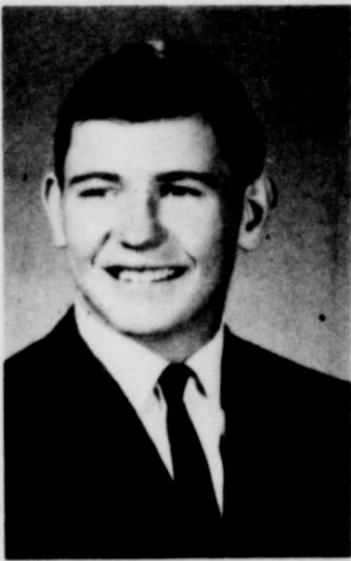

Mrs. Bruce Sheets held a morning birthday coffee honoring Mrs. John Berry on her birthday, Monday, June 5. Friends attending the occasion were Mmes. Walter Wilmeth, C.A. Gibner, Guy Fuller, and her sister, Mrs. Robert Smith.

Swim Course Slated

Registration for swimming lessons, Saturday, June 10 between 10:30 and 12:30. Wear swim suits. All ages 6 and up can take the 10-lesson course for \$10.00. It begins June 12.

Persons can register at this time for a Junior Lifesaving, 11-14 or a Senior Lifesaving course, ages 15 and up. The charge for this will also be \$10.

Teachers will be Catherine Lusby, Patty Sheppard, Allen Simpson and Kenneth Friemel.

Mike McLain In Honorary Society

Mike McLain, son of Mr. and Mrs. Don McLain of Spearman and a student at the university of Texas, Austin, has recently been initiated into the Phi Kappa Phi national scholastic honorary society.

More than 250 students at UT were selected for membership in Phi Kappa Phi. The honorary society embraces many academic disciplines.

Mr. E.D. Mundy went to work camp at M.K. Brown Boy Scout camp 7 miles west of Mobeetie, Saturday.

EMPLOYEES WIN STEAK DINNER

Proud winners of a delicious steak dinner which they won for outstanding sales performance this spring, were Spearman and Perryton employees of Sears Roebuck and Co.

Hosting the dinner which was held at the Silver Spur restaurant in Perryton, were Dist. Manager Calvin Lutes and District Sales Manager Larry Hobgood.

Those attending were Mrs. Mavis Bybee, Mr. and Mrs. Jim Stute, Mr. and Mrs. Keith Campbell, Mrs. Arvada Sealy, Mr. and Mrs. Don Rogers, Mrs. Claudine Laxton, DeWayne Clegg, Mr. and Mrs. Jim Fowler, Mr. and Mrs. Jack Carroll, Mr. and Mrs. Dutch Kibler, Mr. and Mrs. Wayne E. Cummings and Mrs. Gina Keeton.

READY FOR HARVEST

Jack Hart's Palo Duro Grain Elevator in Spearman is all set to receive grain from the first harvest since it was purchased from the Caprock corporation.

This new addition to the Palo Duro Elevators in Gruver will enable farmers, in many cases, to deliver their grain with much less mileage than in the past.

Hart says all preparations have been made for the speedy reception of wheat crops in the area.

Grain prices are posted daily in the window of the elevator office.

Jack's son Jerry is supervising the Spearman office and elevator in order to assure prompt and courteous service for new as well as established customers.

news from your HOME DEMONSTRATION AGENT

by Nelle Evans

One of the most exciting things about summer is planning and taking a vacation. "Vacations are necessities, not luxuries; persons who claim they don't need one are either extremely single-minded or fear job competition," says Peter J. Steiner, M.D.

If that still hasn't convinced you here are seven good reasons for taking a vacation. 1. To live longer and in better health. It might be job tensions that make men more susceptible than women to ulcers, heart disease and suicide. Wise is the man who knows when to retreat from work and give tense muscles and irritated nerves a chance to settle down.

2. To take time to enjoy. Enjoy the outdoors, sunset, beach, leisurely chats with friends, no pressures, contemplation and spiritual renewal. These are the good years. Don't put off the good times. Too many people who do reach the end of life never having lived at all.

3. To provide a change of pace. If your job requires mental activity enjoy some-

thing physical: if you work with people, try solitude; if you work alone, enjoy people. The city dweller might enjoy the country & vice versa. If you live by the clock and calendar forget them for awhile.

4. To do a better job upon return. Most people do a better job, even of homemaking, after a vacation. The vacation-skipper makes more errors, tends to feel put upon and self-righteous. He may be irritable and resentful of co-workers who take a vacation. Sometimes he forgets that productivity isn't measured by hours on the job.

5. To give others a chance. One test of a good organizer is the ability to delegate responsibility. Give priority to vacation plans then enlist others to help carry them out. Co-workers can assume more responsibility during your absence, perhaps grandparents will keep children, etc.

6. Maintain closeness among family members, particularly husband and wife. Some vacation time with the whole family strengthens family unity, but equally important is the

opportunity for husband and wife to have some time alone together. The typical husband and wife can expect to spend 20 years together after the last child leaves home so they must remain close and know each other as individuals to prepare for this time.

7. To prepare for leisure time to come. A man who reaches 65 can expect to live 13 more years. The "work addict" panics at the thought of retirement and how he will spend his time. For those whose vacations have been rich in experiences, who know how to live a full life outside the world of work, these will be good years. Happy vacation.

Mr. and Mrs. Wilton Youngblood went to Guymon Saturday afternoon to shop and look in some antique stores.

Mrs. Chamberlain Is Rotary Speaker

Mrs. Mildred Chamberlain was guest speaker at the Spearman Rotary Club meeting held Monday, June 5 in the Home Demonstration Clubroom. She explained the new Welcome Wagon service to newcomers which the Chamber of Commerce has instituted for the community.

Guests enjoying the program and the fine meal of roast and trim mings were David Simpson of Borger, Clint Tidenberg of Borger, Larry Wilson of Tahoka and Bill Farnum of Perryton.

Mrs. John Berry had as her weekend guest her sister, Mrs. Robert Smith of Clovis, N.M.

Mrs. Nita Henry returned home last Thursday from Chicago where she had been called to the bedside of her son, Noel. Noel had to undergo emergency surgery at the Hines Veterans Hospital there. He is recuperating nicely, but will have other surgery in about six weeks.

Mr. and Mrs. Sam met their daughter, Mrs. Narrel Wilson family of Lubbock at Lake near Logan, N.M. last week end where all enjoyed a few days vacation in the cabin belonging to Narrel's sister.

June 3, 1972

Dear Customer and Producer:

A real good day for a cattle auction in Texhoma. We sold 5109 cattle and calves. The action began at 11:00 AM & was completed at 9:15 PM. Buyers were here from Colo., Nebr., Iowa, Ill., Ohio, Mo., Kansas, S. Dakota, Okla., Texas and New Mexico. Consignors were represented from 9 states.

A good active sale prevailed from start to finish. Feeder steers would have to be called 50¢ to \$1.00 per cwt. higher. Feeder heifers active, and in some instances, 50¢ higher. Light weight replacement cattle—"No way to judge that." No one could tell within \$5.00 per cwt. what they would bring. I would say they were active and higher. Packer cows and bulls active and fully steady.

- Some representative sales as follows:
- 43 mixed steer calves—Avg. wt. 378# @ \$34.00 per cwt.
 - 47 W.F. steer calves—Avg. wt. 362# @ \$37.00 per cwt.
 - 26 Blk. W.F. steer calves—Avg. wt. 386# @ \$35.25 per cwt.
 - Steer calves and heifer calves were very active from start to finish.
 - 81 W.F. steers—Avg. wt. 785# @ \$39.30 per cwt.
 - 104 W.F. steers—Avg. wt. 816# @ \$39.35 per cwt.
 - 31 Blk. W.F. steers—Avg. wt. 666# @ \$40.80 per cwt.
 - 41 W.F. steers—Avg. wt. 641# @ \$40.90 per cwt.
 - 34 W.F. steers—Avg. wt. 722# @ \$39.75 per cwt.
 - 26 Blk. steers—Avg. wt. 702# @ \$39.65 per cwt.
 - 51 W.F. & Blk. W.F. steers—Avg. wt. 758# @ \$39.20 per cwt.
 - 181 W.F., Blk. W.F., Chars. & Mix. str.—Avg. wt. 724# @ \$39.32.
 - 266 Mix. steers—Avg. wt. 740# @ \$40.01 per cwt.
 - 73 W.F. and Blk. W.F. steers—Avg. wt. 855# @ \$39.20 per cwt.
 - 44 Hol. steers—Avg. wt. 871# @ \$32.80 per cwt.
 - 50 Mix. steers—Avg. wt. 837# @ \$35.90 per cwt.
 - 306 W.F. & Blk. W.F. steers—Avg. wt. 736# @ \$39.90 per cwt.
 - 198 W.F., Charl., & mix. steers—Avg. wt. 725# @ \$37.35 per cwt.
- The bulk of the feeder steers sold in a price range of \$36.00 to \$42.00 per cwt. The bulk of the feeder heifers sold in a price range of \$34.50 to \$38.50 per cwt. The quality of our feeder heifers was not as good overall as the previous week.
- The bulk of the cows, selling mostly on packer buyer accts. \$22.50 to \$26.00 per cwt., with only shelly kinds below the \$22.00 mark. Bologna bulls on packer accounts \$28.50 to \$32.50 per cwt.

Next week, June 9, we are expecting 4000 cattle and calves. By the middle of next week we will be able to give you a closer estimate as to the expected receipts.

Every Friday in June will be a consignment sale. Advise us of your plans. Your Cattle Auction with "Action". Sincerely, Cliff. Augustine

CARDS OF THANKS

I take this means of thanking everyone who remembered me with prayers, cards, flowers and visits while I was in the Hansford Hospital and while I was in the Amarillo hospital for rests, I sincerely appreciate the kindness shown to me. Allen Pierce

May God bless each of you who have been so kind to us in the loss of my loved one. Thank you for the prayers, flowers and memorials that were given in memory of my brother Dusty Catlin. Roy, Carrie Russel and family

LEGAL NOTICES

NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department offered an opportunity for a public hearing to be requested by publication in the Spearman Reporter on May 4, 1972 and May 11, 1972, of a notice reporting the proposed improvement of F.M. 3214 from F.M. 1261, 1.7 Miles South of the Oklahoma State Line, South 6.4 Miles. No requests for a public hearing were received; therefore, the District Office of the Texas Highway Department, at Amarillo has submitted all of the engineering data and information received in connection with the development of this project for approval of the proposed route and design by the Administration of the Texas Highway Department.

The proposed construction will be a standard F.M. roadway 20' in width, providing two 10' traffic lanes on a minimum of 100' of right of way. The proposed project will follow an existing county road with two exceptions. These exceptions are the elimination of two right angle turns which will be replaced by two 6' curves for added safety.

Maps (Drawings showing geometric design), environmental studies and all other available data concerning the development of this project may be inspected and copied at the Resident Engineer's Office at P.O. Box 385, Perryton, Texas 79070, Telephone: 435-2553. 29T-1tc

Let Me See by Sybil...

Once upon a time there was a little red hen who scratched about and uncovered some grains of wheat. She called her barnyard neighbors and said "If we work together and plant this wheat, we will have some fine bread to eat. Who will help me plant the wheat?"

"Not I" said the cow. Not I, said the duck. Not I said the pig. Not I said the goose.

"Then I will" said the little red hen, and she did. The wheat grew tall and ripened into golden grain. Who will help me reap my wheat? asked the little red hen. Not I, said the duck. Out of my classification said the pig. I'd lose my unemployment insurance, said the cow. I'd lose my seniority, said the goose.

Then I will, said the little red hen and she did. Then it came time to bake the bread. "That's overtime for me" said the cow. "I'm a dropout and never learned how," said the duck. "I'd lose my welfare benefits," said the pig. "If I'm the only one helping that's discrimination," said the goose.

Then I will said the little red hen, and she did. She baked five loaves of fine bread and held them up for the neighbors to see. They all wanted some, and demanded a share! But the little red hen said, "No, I can rest for a while and eat the five loaves myself." "Excess profits," cried the cow. "Capitalistic leech" screamed the duck. "Company fink" grunted the pig. "Equal rights" yelled the goose. And they hurriedly painted picket signs and marched around the little red hen singing "we shall overcome" and they did.

For when the farmer came, he said "You must not be greedy, little red hen. Look at the oppressed cow. Look at the disadvantaged duck. Look at the underprivileged pig. Look at the less fortunate goose. You are guilty of making second-class citizens of them."

"But--But, I earned the bread," said the little red hen. "Exactly" said the farmer, "That is the wonderful free enterprise system; anyone in the barnyard can earn as much as he wants. You should be happy to have this freedom. In other barnyards you'd have to give all five loaves to the farmer. Here you give four loaves to your suffering neighbors."

And they all lived happily ever after, including the little red hen who smiled and chuckled: "I am grateful, I am grateful, I am grateful, but her neighbors wondered

Why she never baked any more bread. If you think you can be happy by letting the Government take care of you, just remember what happened to the American Indian. The federal government is still trying to help small business. A little fellow at a Dallas shopping center used to make the rounds with a hand organ and a monkey. The government gave him a loan. Now he goes around with a steam calliope and a gorilla. Fifty percent of the population is now under 25. Maybe we don't need Medicare as much as we do a sure cure for diaper rash.

Girl Scouts Enjoy Watermelon Feast

Girl Scout Troop 156 held a backyard watermelon feast in the home of Mrs. Roy L. McClellan Thursday, June 1. While enjoying the delicious watermelon, the girls discussed day camp and then received the badges that they had earned throughout the year. Present for the occasion were three mothers, Ruth Shaver, Sharon Freeman and Wanda Schubert along with the girls attending: Lisa Douglas, Bethene English, Jean Ann McClellan, Margie Schubert, Kelly Shaver, Tammy Freeman, Jo Ann Reed, Melissa Robertson, Melinda Cook, Rhonda Henry and Kelly Lusk.

Our Heritage of Faith...

Comments by Pastor of Faith Lutheran Church

For this Sunday ONLY, we are changing our Sunday schedule. Morning worship will be at 9:00 with Sunday School at 10:15. The Sunday School hour will be devoted to the program from our Vacation Bible School which has been held this week. The Presbyterians will join with us during the Sunday School time for the program. The Presbyterians will have their worship at 11 as usual.

The teachers and helpers for our Vacation Bible School have been the following: Pre-School: Linda Sanders, Evi Meyer, & Eddie Largent; 1st & 2nd: Patty Spoonemore and Mona Bynum; 3rd & 4th: Jan Rinker & Liz Nitschke; 5th & 6th, Laquita Evans, Rhonda Ward and Martha Batton; Others: Karen Rinker, Cindy & Tex Kopke; Music-Delma Barnum and Nancy Meyer.

Our thanks to all who assisted as well as those who brought refreshments for the students. Our women meet on Wednesday, June 14 at 7:30 at the church with Mrs. Delma Barnum as hostess; & Mrs. Jan Rinker with the study. We invite your attendance. The work day will be on June 20. Regular Sunday schedule at Faith includes Morning Worship 9:30 with Sunday School for all ages at 10:30. We invite you to worship with us.
